Produced and directed by my father's longest and dearest friend til the end, Sammy Baby. ****Note: to ensure high quality video of a high class man, the video will take a minute or two to load. Your patience will be rewarded!!!****

In watching this video, Sam captured those smiles that twinkle in the eye, which my dad had with his friends and family. It brings back a wave of some of the best times and parties of my life, for he was a fun man, with a more fun wife and in the end he gave and gave to all those he loved. He will be missed, he will be remembered and he will live on

through his children and grandchildren. It will be a hard New Year without him but I know he is out there trying to find my mother who is hiding and playing hard to get, probably hanging with Sinatra and Newman while cleaning the galaxies. xoeb
