The Boca Sub works best for me but if anything comes up and you need me to come there I am ok with that, otherwise see you in Boca then.

Detective Miller,

The attached PDF is a confession to the Governor's office by the notary Kimberly Moran that she fraudulently notarized the documents in my mother's estate on behalf of her employer, Tescher & Spallina P.A. I am preparing my timely response to her admissions but it should be noted that she now admits to having sent the fraudulent documents to a State Probate Court and the Beneficiaries and further through interstate wire transmissions and mail, which may be additional criminal acts. Also, her letter claims that the documents she sent back to the court were identical to the documents she received from the court and that is a wholly false statement, including the fact that the signatures have been changed through forgery and for instance in my documents, in one the date is in Block letters and the other in script and therefore this is a flat out lie and further attempt to evade admission that the documents were wholly altered and thus dissimilar. I will send you my response when I finish, which will also include other documents not in the original Governor's complaint that also show these were not the only documents she committed fraud on, including those that were filed in my father's estate on different dates and times than those in mother's estate further making her statements false to Governor's investigators.

Please confirm receipt of this email and attachment and make it a part of Case 13097087.

Thanks, Eliot

Dear Detective Miller ~ A pleasure speaking today and per our conversation I have attached herein a weblink to the PBSO Complaint I filed with all the evidentiary exhibits that were initially attached but not evidenced with the filed report. The file is a 50 MB Adobe PDF and therefore it may take a moment to open in your browser. On the left side of the document you will find a Bookmark Panel to make reviewing it a bit easier, just expand the evidence section you wish to review by clicking the + in the panel page or you can just scroll through page by page. The file may be downloaded and printed or just viewed online. www.iviewit.tv/PBSOCOMPLAINT.pdf

If you have any additional questions or need further information please feel free to contact at my numbers and emails etc. below. Thank you in advance for time, effort and consideration of these matters ~ Eliot
