Not yet. I will work out a meeting time over the next couple of days. I was looking at the profile of Ken Rubinstein at Proskauer, very impressive! Is he the person that reviewed your patent application? Ken appears to be the person behind setting up the MPEG patent pool. Xing is a licensee under this. Do you mind if I e-mail Ken questions about the nature of the patent? Also, I have not heard from Goldman.

This project is very exciting to me. I keep thinking about the possibilities. Hopefully you, Kevin and I can meet over the next couple of weeks so we can accelerate our activities. How are you doing setting up the demo to view over the Internet? My home number is 805-594-0292 if you want to talk.

Hassan
