

Larry,

The entity structure can be a little confusing. As of right now, here is how it stands

Here's where it gets fun. iViewit.com LLC used to be the operating entity, iViewit.com Inc. came in & took over all of its assets through a stock swap w/ iViewit Tech. (well, actually the entity that iViewit Tech. took over). iViewit.com LLC still exists because we have contracts in LLC's name. iViewit Tech. in its most original form was iViewit LLC. This entity did a asset transfer (I believe) with a new entity - iViewit Holdings (not to be confused with the iViewit Holdings we know now). iViewit Holdings had a name change to iViewit Technologies. Immediately thereafter, iView.com (the original top dog co.) had a name change to iViewit Holdings. Here is the original entity structure:

Let me know if you have any questions! ☺
-Erika
