Re: Transfer of IP files for IVIEWIT.COM

Dear Mr. Meltzer:

As you may recall, I am the patent attorney at Foley & Lardner that is currently handling the Iviewit.com IP matters that were previously handled by Ray Joao of your firm.

I recently received the following correspondence from your firm: (1) the original Assignment recorded in the United States Patent and Trademark Office (USPTO) for your Docket No. 5865-8 (U.S. Provisional Patent Application No. 60/169,559); and (2) the USPTO Filing Receipt (copy attached) for your Docket No. 5865-1 for Application No. 09/522,721. Although I sincerely appreciate your firm's diligence in continuing to forward Iviewit materials to me, this latest correspondence raises some very serious issues with respect to the Iviewit.com IP matters that were supposed to have been transferred to Foley & Lardner.

I was not previously told about this U.S. Non-Provisional Application being filed (item 2 above). It does not appear in any of the correspondence previously sent to Foley & Lardner. This raises the question of exactly what was filed in the U.S. Patent and Trademark Office, since I do not have a copy of any filing papers for this application. Was a U.S. Declaration filed? What specification and claims were filed? Was an Assignment filed for this application? I must have this information in order to take over prosecution of this application.

More importantly, however, this raises the question of whether any other provisional or non-provisional applications have been filed in the United States or any other country. Both the client, Brian Utley, President of Iviewit.com, and myself have previously asked your firm to transfer all of the Iviewit.com Intellectual Property files to me. (See attached letter to you dated April 28, 2000.) When the files that were sent to me were incomplete, I sent an e-mail (copy attached) to Dawn Laffin of your firm, asking her to look for other Iviewit matters. I subsequently requested that Nicole, Ray's former secretary,

double-check that there were no other miscellaneous files that were not on the list of applications (also attached). Now I find out that, after three or four separate requests, all of the Iviewit patent matters were not transferred to us.

I formally request that you have your firm's Docket Administration Department review all of Ray Joao's files to ensure that all of the Iviewit.com materials have been transferred to me. Please forward all letters, memorandums, faxes, e-mails, notes, CD's, disks, and other correspondence between Iviewit.com and your firm, and between any third parties and your firm on behalf of Iviewit.com. It is particularly important that I know which patent applications were filed and what correspondence was submitted to the U.S. Patent & Trademark Office before the expiration of a critical date. Otherwise, the client could possibly lose patent rights. Please confirm that the attached "Iviewit.com Patent Portfolio" table, which lists the patent applications filed for Iviewit.com by your firm, is accurate and complete.

I also request that you contact Ray Joao to confirm which applications were filed in what countries and whether or not Ray has any additional Iviewit correspondence or materials that were not transferred to Foley & Lardner.

Furthermore, the client requests that I obtain a written confirmation from both you and Ray that all files, materials, and correspondence have been transferred to Foley & Lardner.

Please confirm receipt of this facsimile and let me know that these matters will be handled promptly and appropriately.

Very truly yours,

Douglas A. Boehm

Re: Transfer of IP files for IVIEWIT.COM

Dear Mr. Meltzer:

As you are aware, Mr. Brian Utley, President of IVIEWIT.COM, LLC, has requested in a previous letter that all Intellectual Property files for IVIEWIT.COM be transferred from Meltzer, Lippe to Foley & Lardner. Please have the files forwarded to me at the above address as soon as possible. Upon receipt of the IVIEWIT.COM files, Foley & Lardner will be responsible for taking action in these matters.

These Intellectual Property files include the eight provisional patent application matters listed on the attached sheet, as well as any other Intellectual Property matters that may be missing from this list. Furthermore, I would sincerely appreciate it if you could include copies on disk of the electronic word processing files for these matters, so the eight patent applications won't have to be retyped. Any electronic word processor format will suffice.

Of course, if any questions or problems arise, please do not hesitate to contact me. I thank you in advance for your cooperation.

Very truly yours,

Douglas A. Boehm

Subject: lviewit.com Files

Dawn --

As I mentioned on the telephone this afternoon, I received your Federal Express package this morning containing the Meltzer, Lippe files for lviewit.com. The package contained 7 folders corresponding to your docket numbers 5865-1,3,4,4.1,5,6, and 7. However, the file folder for your docket no. 5865-8 is missing. Furthermore, not all of the paperwork for the PCT application (your docket no. 5865-10) was included in the first file 5865-1 (which is the PCT's parent case). Is there a 5865-10 file also?

During our phone conversation, you agreed to review your docket and files for 5865-8, 5865-10, and any other 5865 matters for lviewit.com tomorrow, and forward these files to me right away.

Thanks for your assistance.

--Doug
