### **Re: St Paul Travelers Professional Liability Insureds – Meltzer Lippe Goldstein & Schlissel LLP and Raymond A. Joao.**

Dear Mr. Stallone:

By way of introduction, I am Chief Executive Officer of Iviewit Holdings, Inc., and one of the individual complainants in the matter against Mr. Joao, along with the company's Founder, President and Inventor, Eliot I. Bernstein, and Iviewit Holdings, Inc.

Thank you for your letter of October 26, 2004. Of course, in your discussions with the insureds, they apprised you of our rebuttal letter to Mr. Joao's response filed with the First Judicial Department Departmental Disciplinary Committee in the Spring 2003.

Moreover, I am certain that the insureds disclosed to you the conflicts of interest that surfaced in the complaint against Mr. Joao that resulted in affirmed motions to the Supreme Court of the State of New York Appellate Division, First Department. Additionally, and following in the spirit of your "review" of the matter, I am sure that you became aware of the Court order to begin an immediate investigation of the complaint against Mr. Joao.

Lastly, in case the insured made no disclosures of these matters, we enclose the documents for your convenience. We would like to schedule a conference call for the week of November 15 to begin discussions of the matter. Please reply by email to [pstephen.lamont@verizon.net](mailto:pstephen.lamont@verizon.net) as to convenient dates and times during that week, with a
