Dear Honorable Inspector General Michael E. Horowitz, Esq.,

I would like to take a moment to introduce myself, Inventor Eliot Ivan Bernstein, as I have been working for several years now with former Inspector General Glenn Fine, who referred me to Special Agent Lonnie Davis of the Miami office. On Thursday March 07, 2013, while trying to contact Fine and Davis with Patrick Hanley of New York on the line, to provide new evidence in the case and obtain a case status, we instead were greeted by your new administration. Jeanetta Robinson, your assistant then further aided

us by providing us with a new OIG Special Agent Norman, with no last name, who Jeanetta stated will be looking into the matters and getting back to us soon but that as yet has not transpired.

The new evidence and urgent matters in our case now elevate to a National Security risk, as they involve corruption allegations against members of the US Attorney offices and other Senior Ranking Public and Court Officials who are involved in Obstructing Justice. Obstruction of Justice in the handling of complaints filed with State and Federal Agencies and in State and Federal lawsuits, including complaint filed against these corrupted Public Officials and their "friends in high places" by those who are supposed to be regulating them. The matters have also now elevated with the new evidence submitted herein to a personal risk to my privacy rights and right to life, and where my life is already at risk after a TERRORIST STYLED CAR BOMBING of my family's minivan in Del Ray Beach, FL, so powerful it blew up three cars next to it. Graphics images of the bombing are at my website's homepage www.iviewit.tv.

Following is a brief background to introduce you to this decade old case. Many of the crimes alleged in my federal RICO & ANTITRUST Lawsuit center around stolen Intellectual Properties from my companies Iviewit, which have been valued in the hundreds of billions dollars over the life of the IP. My RICO has been legally related by

Anderson's lawsuit exposes Attorney at Law Misconduct occurring throughout state and federal government regulatory, prosecutorial and other public offices, emanating from the highest outposts of Attorney at Law Misconduct Regulation. the Criminal RICO Enterprise described in my Amended Complaint/RICO Statement¹ and in complaints filed with the FBI, US Attorney, USPTO and others worldwide², is composed primarily of three law firms, Proskauer Rose, Foley & Lardner and Greenberg Traurig.

These rogue Law Firms are alleged to have conspired together to steal the Iviewit inventions and when they were caught in the act, hand stuck deep in the cookie jar, they began a campaign to block state and federal complaints filed against them, in state, federal and international proceedings, through infiltration of public offices. They then began an illegal monopoly in violation of Antitrust Laws, including Sherman and Clayton, RICO laws and more, by creating a variety of patent pooling schemes to block the true and proper inventors and investors from their royalties, in efforts to convert/covet the royalties as their own.

To attempt to stave off prosecution, these law firms seeded key government posts with criminals with Attorney at Law licenses. Some of the "Attorneys at Law" licenses

appear illegally gained over a five-year period as further evidenced herein, granted to Obstruct Due Process and Deny the Inventors and Investors in Iviewit any due process. A virtual coup d'état on the Justice Department and the Courts took place and once they had infiltrated these key posts they began derailing efforts to prosecute them and began a criminal crime spree, with no fear of retribution, as the oversights were disabled and thus why not a single arrest for the felony crimes committed. In fact, a flurry of Get Out of Jail Free Passes were issued by "Prosecutors" and "Judges" and "Regulators" for their criminal cartel corporate friends, yet failure to prosecute felony crimes is a crime that Public Officials must now be held accountable for as the crimes have become endemic.

The "Cartel" Law Firms simultaneously began a campaign of terror against my companies, my immediate and extended families, my friends and anyone attempting to aid my efforts. They began violating Public Office Rules and Regulations to block due process in the Courts, Regulatory Agencies and Prosecutorial offices, where state, federal and international civil and criminal actions were filed against them. Many of these actions however remain ongoing, or have become corruption stalled, filed in 1999 and forward. The bombing of my family's minivan and then thwarting even those investigations for several years are acts of TERRORISM against a US Citizen and it sure sent a terrifying message to anyone trying to help bring them to justice.

The Intellectual Properties have been suspended by the US Patent Office Commissioner pending investigations by the US Patent Office Department of Enrollment and Discipline, in conjunction with the FBI, regarding the Frauds on the US Patent Office that were committed and more. As you will see in the previous information filed with your office with Fine and Davis primarily, my complaints were elevated to the DOJ OIG office because the FL US Attorney and the FL FBI offices lost their case files regarding the stolen patents and car bombing they were investigating. Further, the agent, Stephen Luchesse, of the West Palm Beach office, after stating he was going to Washington to work with Harry I Moatz, Director of the Office of Enrollment and Discipline at the US Patent Office, disappeared with the case files and to date I am unsure if anyone has found him. When going to the West Palm Beach FBI and US Attorney (who the FBI had taken the case to) in order to report additional new crimes discovered, they both claimed they had lost their files and information and I was informed that I could not speak with anyone at their offices any longer. I was directed to only deal with your agency, the United States Department of Justice Office of the Inspector General and the Federal Bureau of Investigation Office of Professional Responsibility going forward. After several calls to both offices, it was determined that the OIG would handle the matters and Fine's office assigned Lonnie Davis to the matters.

Now there are brand new crimes exposed, as exhibited further herein and we need to have your offices find our case and files immediately, which from the phone calls with your offices the other week, the information on our case now also now appears to be missing from your files. However, we need immediately to add this new evidence for immediate investigation, as these are new and mind-blowing allegations of corruption deep inside the Justice Department and other Public Agencies. We are asking that your offices immediately contact the FBI West Palm Beach and inform them that we have new information for them to investigate, as described more fully herein and in a newly filed Motion for Rehearing based on Fraud on the Court and more, which can be found online @

Someone in the Justice Department needs to appoint an agent who will speak to us and take a formal statement and NEW evidence for a new formal complaint regarding the new matters discussed in the Motion to Rehear and further herein.

they have implicated US Attorneys and other Government Officials in a massive Whitewashing of Complaints and Government Corruption Scheme, which includes members of the US Attorney, the NY District Attorney, the New York Supreme Court Departmental Disciplinary Committees, the NY Attorney General and more. Two of the Whistleblowers are licensed Attorneys at Law and EXPERTS in ATTORNEY DISCIPLINARY COMPLAINTS, Christine C. Anderson, Esq. and Nicole Corrado, Esq. Both worked in the NY Supreme Court Disciplinary Department charged with investigating complaints against rogue Attorneys at Law. Both Corrado and Anderson have separate legal actions filed exposing the corruption. Anderson has given testimony in her federal lawsuit and before the New York Senate Judiciary Committee, where she claims witness in her case, Corrado, was threatened and extorted by a Senior New York Supreme Court official to not testify at Anderson's trial. Then just last week very disturbing news was released the CHAIRMAN OF THE NEW YORK STATE SENATE JUDICIARY COMMITTEE, SENATOR JOHN SAMPSON was THREATENED AND THEN TOOK A BRIBE to keep the testimonies and evidences presented to the committee buried, including the testimony I gave personally alongside Anderson.

Washington, D.C. Insider Says Senator John Sampson Covered-Up Court Corruption

BREAKING NEWS: Washington, D.C. insider says NYS Senator John Sampson covered-up evidence of widespread corruption in New York Surrogate's Courts.

Source says Sampson was first threatened, but then successfully bribed, to bury evidence involving countless state and federal crimes involving billions of dollars.

Syracuse, Rochester, Albany, White Plains, Brooklyn and Manhattan Surrogate's Courts are said to top the list of areas involved.

It was revealed on Wednesday that a New York State Court administrative insider said that top state officials had been briefed by the feds on pending federal corruption indictments that would include employees of New York's Office of Court Administration (a/ka/ "OCA"). Most court employees, including judges, are employed by OCA.

It was further confirmed by the Washington, D.C. source that judges, with ties to banks, would be among those charged.

What is learned from these experts in Attorney Misconduct Complaints is that there is a large racketeering type scheme operating inside the highest outposts of law and attorney regulation, both state and federal willing to threaten Federal Witnesses and even US

Senators. Where Senior Ranking Public Officials of the New York Supreme Court are found threatening Federal Witnesses in a Federal Lawsuit that exposes Attorney at Law corruption at the top of Federal and State Agencies, is a matter of grave danger to our entire legal system. This level of unregulated corruption is unparalleled in the history of jurisprudence and demands a historic response from your office, which acts as the gatekeeper of law and order when it has corrupted top down from within and if your offices fail, G-d Save the Leaders, this Country and Your Soul.

The following **BRAND NEW** news articles expose even more harassment of Anderson and Judges and myself in shocking ways, including wholly violating personal property rights and endangering life and liberty of Private US Citizens who have fallen victim to this ATTORNEY AT LAW CRIMINAL CARTEL and are discussed within the Motion to Rehear, already referenced herein.

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former NYS attorney ethics committee insider that various illegal actions were employed by New York State employees to target and/or protect select attorneys.

For purposes of this article, a first in a series, the former insider will be referred to as "The Cleaner's Man" or "The Man."

The Cleaner

During the wrongful termination case of former Manhattan ethics attorney Christine Anderson, it was revealed that New York State employees had a nick-name for supervising ethics attorney Naomi Goldstein. Naomi Goldstein was, "The Cleaner."

"Ethics" Retaliation Machine Was Real.

The focus of this initial article concerns the 1st and 2nd judicial department, though the illegal methods are believed to have been utilized statewide in all 4 judicial departments.

The Cleaner's Man says that he would receive a telephone call from Naomi Goldstein, who would say, "we have another target, I want to meet you..." The Man also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel, were knowledgeable of all of Naomi Goldstein's activity with him and his team.

The meetings, he says, were usually at a park or restaurant near the Manhattan Attorney ethics offices (the "DDC") in

AND MORE.**

lower Manhattan, however he did over time meet Goldstein at his office, the DDC or in movie theater- a venue picked by Naomi. Goldstein would provide her Man with the name, and other basic information, so that the Man's team could begin their "investigation."

The Man specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson]."

The Man says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7. The Man says he viewed the improperly recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Anderson should not, however, feel like she was a lone target. According to The Man, "....over 125 cases were interfered with...." And there were dozens of "targeted" lawyers, says The Man, adding, that the actions of his teams were clearly "intentionally obstructing justice."

If Ms. Goldstein had identified the Ethics Committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem.

The Man has a nice way of explaining his actions, the "authority" to so act and, he says, over 1.5 million documents as proof..... The U.S. Attorney is aware of The Man and his claims...."

ILLEGAL WIRETAPS FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR "ETHICS" BOSSES."

From that story,

...Attorney Christine Anderson should not, however, feel like she was a lone target. Initially, Goldstein's "man," indicated that "...over 125 [attorney] cases were interfered with...." But a subsequent and closer review of approximately 1.5 million documents has revealed that there may have been many hundreds of attorneys, over the ten-year-period, involved in the DDC's dirty tricks, focused retaliation and planned coverups.

Previously identified "targeted" lawyers were only numbered in the "dozens," but that was before the years-old documents were reviewed. In initial interviews, the insider says that if Ms. Goldstein had identified the DDC ethics committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as

when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem. But targets, it is now revealed, were not always identified as having a law license.

The DDC insider also says that litigants (most of whom were not attorneys) were also DDC targets. The on-going document review continues to refresh the memory of the insider, after initially only remembering names from high-profile cases involving "big-name" attorneys. But one fact remains constant, says the insider- the actions of his teams were clearly and "intentionally obstructing justice."

One Manhattan supervising ethics attorney, Naomi Goldstein, was identified as a regular requestor of the illegal tape recordings, and former chief counsel [DEFENDANT] Thomas Cahill has been described in interviews as being "very involved" to those who were conducting the illegal activity. Ethicsgate

According to the source, one New York "ethics" legend, Alan Friedberg, was "very well known" to those conducting the illegal wiretapping activity. Friedberg, who has become the poster child for unethical tactics while conducting "ethics" inquiries, appears to have been present in the various state offices where illegal wiretaps were utilized. Friedberg worked for the New York State Commission on Judicial Conduct (the "CJC") before running the Manhattan attorney "ethics" committee as chief counsel for a few years. Friedberg then resurfaced at the CJC, where he remains today. The CJC investigates ethics complaints of all judges in New York State.

Judges Deserve Justice Too, Unless Political Hacks Decide Otherwise

While court administrators have effectively disgraced most judges with substandard compensation, it appears that at least the selective enforcement of "ethics" rules, dirty tricks and retaliation were equally employed on lawyers and judges alike.

According to the insider, targeted judges had their cellphones, homes and court phones wiretapped- all without required court orders. In addition, according to the source, certain courtrooms, chambers and robing rooms were illegally bugged.

A quick review of notes from over one million pages of evidence, according to the insider, reveals that the "black bag jobs" included: NYS Supreme Court Judge, the Hon. Alice Schlesinger (Manhattan), Criminal Court Judge, the

New York State Governor Andrew Cuomo has been formally requested to immediately shut down the offices of The Commission on Judicial Conduct (the "CJC"), the state agency charged with overseeing the ethics of all judges in the Empire State. The request comes from a public integrity group after confirmation that the CJC has been involved in illegally wiretapping and other illegal "black bag operations" for years.

Governor Cuomo is asked to send New York State Troopers to close and secure the state's three judicial ethics offices: the main office on the 12th floor at 61 Broadway in Manhattan, the capital office in Albany at the Corning Tower in the Empire State Plaza, and the northwest regional office at 400 Andrews Street in Rochester.

The Governor is asked to telephone the Assistant United States Attorney who is overseeing the millions of items of evidence, most of which that has been secreted from the public- and the governor- by a federal court order.

Governor Cuomo was provided with the direct telephone number of the involved federal prosecutor, and simply requested to confirm that evidence exists that certain state employees in New York's so-called judicial "ethics" committee illegally wiretapped state judges.

**RE: Illegal Wiretapping of NYS Judges and Attorneys by
"Ethics" Entities**

Dear Senator,

On February 15, 2013, we formally requested that Governor Cuomo contact the Assistant U.S. Attorney handling a sensitive federal case wherein credible evidence, in the millions of documents currently under court seal, support the allegation of the widespread illegal wiretapping of New York State judges and attorneys over at least the last ten years. In addition, other individuals-unrelated to that sealed federal matter- allege the exact same illegal activity.

The illegal wiretapping is alleged to have been directed by named senior personnel (and NYS employees) at the Commission on Judicial Conduct (the "CJC") and by at least two of the state's 4 judicial departments' attorney ethics committees.

We are, of course, confident that Governor Cuomo is taking decisive action regarding these troubling allegations, and we are now requesting that you, as a New York State Senator, begin a comprehensive review of the troubling issues.

As we are all aware, certain corrupt forces in New York have caused tremendous damage to the very soul of this

great state. Now, the improper actions have accomplished the "ultimate corruption" - they have compromised and corrupted New York's so-called "ethics oversight" entities.

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about the state's so-called "ethics" oversight entities. (Additional information is available at www.Reform2013.com)

Accordingly, it is requested that you direct someone in your office to act as the liaison regarding this Ethics Corruption, and that he or she be in contact with us so that we may best communicate information to your office. Please have your designee contact us at their earliest convenience. Thank you.

Very truly yours,

RE: FORMAL COMPLAINT AGAINST NEW YORK STATE EMPLOYEES INVOLVING CONSTITUTIONAL VIOLATIONS, INCLUDING WIDESPREAD ILLEGAL WIRETAPPING

Dear Mr. Moossy,

In researching and reporting on various acts of corruption in and about the New York State Court System, specific reviewed evidence supports allegations that **over a ten-year-plus period of time, certain NYS employees participated in the widespread practice of illegal wiretapping**, inter alia. As these individuals were in supervisory positions at "ethics oversight" committees, the illegal wiretapping largely concerned attorneys and judges, but their actions also targeted other individuals who had some type of dealings with those judicial and attorney "ethics" committees.

RE: US GOVERNMENT STATE AND FEDERAL AGENTS INVOLVED IN WIDESPREAD CORRUPTION SCANDAL, INVOLVING THREATS ON FEDERAL WITNESSES, THREATS ON US SENATOR JOHN SAMPSON AND MISUSE OF JOINT TERRORISM TASK FORCE RESOURCES AND FUNDS AGAINST PRIVATE US CITIZENS FOR PERSONAL GAINS AND MORE.

The NY state-employed individuals herein complained of include New York State admitted attorneys **Thomas Joseph Cahill, Alan Wayne Friedberg, Sherry Kruger Cohen, David Spokony and Naomi Freyda Goldstein.**

At some point in time shortly after 9/11, and by methods not addressed here, **these individuals improperly utilized access to, and devices of, the lawful operations of the Joint Terrorism Task Force (the "JTTF"). These individuals completely violated the provisions of FISA, ECPA and the Patriot Act for their own personal and political agendas.** Specifically, these NY state employees essentially commenced "black bag operations," including illegal wiretapping, against whomever they chose- and **without legitimate or lawful purpose.**

To be clear, any lawful act involving the important work of the JTTF is to be applauded. The herein complaint simply addresses the unlawful access- and use- of JTTF related operations for the personal and political whims of those who improperly acted under the color of law. Indeed, illegally utilizing JTTF resources is not only illegal, it is a complete insult to those involved in such important work.

In fact, hard-working and good-intentioned prosecutors and investigators (federal and state) are also victims here,

**RE: US GOVERNMENT STATE AND FEDERAL AGENTS INVOLVED IN WIDESPREAD
CORRUPTION SCANDAL, INVOLVING THREATS ON FEDERAL WITNESSES, THREATS
ON US SENATOR JOHN SAMPSON AND MISUSE OF JOINT TERRORISM TASK FORCE
RESOURCES AND FUNDS AGAINST PRIVATE US CITIZENS FOR PERSONAL GAINS
AND MORE.**

as they were guided and primed with knowingly false information.

Operations involving lawful activity- and especially as part of the important work of the JTTF and related agencies- are not at issue here. This complaint concerns the illegal use and abuse of such lawful operations for personal and political gain, and all such activity while acting under the color of law. This un-checked access to highly-skilled operatives found undeserving protection for some connected wrong-doers, and the complete destruction of others- on a whim, including the pre-prosecution priming of falsehoods ("set-ups"). The aftermath of such abuse for such an extended period of time is staggering.

It is believed that most of the 1.5 million-plus items in evidence now under seal in Federal District Court for the Eastern District of New York, case #09cr405 (EDNY) supports the fact, over a ten-year-plus period of time, of the illegal wiretapping of New York State judges, attorneys, and related targets, as directed by state employees.

To be sure, the defendant in #09cr405, Frederick Celani, is a felon who is now regarded by many as a conman. Notwithstanding the individual (Celani), the evidence is clear that Celani once supervised lawful "black bag operations," and, further, that certain NYS employees illegally utilized access to such operations for their own illegal purposes. (Simple reference is made to another felon, the respected former Chief Judge of the New York State Court of Appeals, Sol Wachtler, who many believe was victimized by political pre-priming prosecution.)

**RE: US GOVERNMENT STATE AND FEDERAL AGENTS INVOLVED IN WIDESPREAD
CORRUPTION SCANDAL, INVOLVING THREATS ON FEDERAL WITNESSES, THREATS
ON US SENATOR JOHN SAMPSON AND MISUSE OF JOINT TERRORISM TASK FORCE
RESOURCES AND FUNDS AGAINST PRIVATE US CITIZENS FOR PERSONAL GAINS
AND MORE.**

In early February, 2013, I personally reviewed, by appropriate FOIL request to a NYS Court Administrative Agency, over 1000 documents related to the herein complaint. Those documents, and other evidence, fully support Celani's claim of his once-lawful supervisory role in such JTTF operations, and his extended involvement with those herein named. (The names of specific targeted judges and attorneys are available.)

One sworn affidavit, by an attorney, confirms the various illegal activity of Manhattan's attorney "ethics" committee, the Departmental Disciplinary Committee (the "DDC"), which includes allowing cover law firm operations to engage in the practice of law without a law license. Specifically, evidence (attorney affidavits, etc.) supports the claim that Naomi Goldstein, and other DDC employees supervised the protection of the unlicensed practice of law. The evidence also shows that Ms. Goldstein knowingly permitted the unlicensed practice of law, over a five-year-plus period of time, for the purpose of gaining access to, and information from, hundreds of litigants.

Evidence also supports the widespread illegal use of "black bag operations" by the NYS employees for a wide-range of objectives: to target or protect a certain judge or attorney, to set-up anyone who had been deemed to be a target, or to simply achieve a certain goal. The illegal activity is believed to not only have involved attorneys and judges throughout all of the New York State, including all 4 court-designated ethics "departments," but also in matters beyond the borders of New York.

CORRUPTION SCANDAL, INVOLVING THREATS ON FEDERAL WITNESSES, THREATS
ON US SENATOR JOHN SAMPSON AND MISUSE OF JOINT TERRORISM TASK FORCE
RESOURCES AND FUNDS AGAINST PRIVATE US CITIZENS FOR PERSONAL GAINS
AND MORE.**

Other evidence points to varying and widespread illegal activity, and knowledge of such activity, by these and other NYS employees- all of startling proportions.

The "set-up" of numerous individuals for an alleged plot to bomb a Riverdale, NY Synagogue. These individuals are currently incarcerated. The trial judge, U.S. District Court Judge Colleen McMahon, who publicly expressed concerns over the case, saying, "I have never heard anything like the facts of this case. I don't think any other judge has ever heard anything like the facts of this case." (2nd Circuit 11cr2763)

The concerted effort to fix numerous cases where confirmed associates of organized crime had made physical threats upon litigants and/or witnesses, and/or had financial interests in the outcome of certain court cases.

The judicial and attorney protection/operations, to gain control, of the \$250 million-plus Thomas Carvel estate matters, and the pre-prosecution priming of the \$150 million-plus Brooke Astor estate.

The thwarting of new evidence involving a mid 1990's "set-up" of an individual, who spent over 4 years in prison because he would not remain silent about evidence he had involving financial irregularities and child molestation by a CEO of a prominent Westchester, NY non-profit organization. (Hon. John F. Keenan)

The wire-tapping and ISP capture, etc., of DDC attorney, Christine C. Anderson, who had filed a lawsuit after being assaulted by a supervisor, Sherry Cohen, and after complaining that certain evidence in ethics case files had

been improperly destroyed. (See SDNY case #07cv9599 - Hon. Shira A. Scheindlin, U.S.D.J.)

The eToys litigation and bankruptcy, and associates of Marc Dreier, involving over \$500 million and the protection by the DDC of certain attorneys, one who was found to have lied to a federal judge over 15 times.

The "set-up" and "chilling" of effective legal counsel of a disabled woman by a powerful CEO and his law firms, resulting in her having no contact with her children for over 6 years.

The wrongful detention for 4 years, prompted by influential NY law firms, of an early whistleblower of the massive Wall Street financial irregularities involving Bear Sterns and where protected attorney-client conversations were recorded and distributed.

The blocking of attorney accountability in the \$1.25 billion Swiss Bank Holocaust Survivor settlement where one involved NY admitted attorney was ultimately disbarred-in New Jersey. Only then, and after 10 years, did the DDC follow with disbarment. (Gizella Weisshaus v. Fagan)

Additional information will be posted on www.Reform2013.com

The allegations of widespread wiretapping by New York's so-called "ethics" committees were relayed to New York Governor Andrew M. Cuomo on February 15, 2013, and to the DDC Chairman Mr. Roy R. L. Reardon, Esq., who confirmed, on March 27, 2013, his knowledge of the allegations. (Previously, on March 25, 2013, I had written to DDC Deputy Chief Counsel Naomi Goldstein, copying

Mr. Reardon, of my hope that she would simply tell the truth about the improper activity, inter alia.)

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about New York's so-called "ethics" oversight entities.

Please take immediate action regarding this troubling issue, and so as to continue the DOJ's efforts to help all New Yorkers restore their faith in their government.

That the Expose Corrupt Courts stories from June 27, 2012 through February 28, 2013 listed herein show a Pattern and Practice of Public Office Corruption with now admitted Felony Obstruction of Justice by the person contracted to violate "Targets" rights. New York Public Officials and other State and Federal Officials are working in conspiracy together to disable citizens' rights through Obstruction while committing crimes against them, leaving their victims with no legal recourse to the crimes against them. After speaking with the source of the stories at Expose Corrupt Courts, Kevin McKeown, on information and belief, my RICO lawsuit and the other "legally related" suits to Anderson also became "targets." These are inconceivable allegations of Public Officials targeting not only other Public Officials and Whistleblowers such as Anderson and Corrado but private US citizens to steal their properties through highly complex legal crimes that can only be achieved with a license to practice law, whether gained legally or illegally as the articles suggest. Public Officials committing CRIMINAL ACTS to intentionally OBSTRUCT JUSTICE using, on information and belief, ILLEGALLY OBSTAINED PUBLIC RESOURCES and FUNDS to finance and operate these criminal activities and obstructions against citizens, is unheard of.

RE: US GOVERNMENT STATE AND FEDERAL AGENTS INVOLVED IN WIDESPREAD CORRUPTION SCANDAL, INVOLVING THREATS ON FEDERAL WITNESSES, THREATS ON US SENATOR JOHN SAMPSON AND MISUSE OF JOINT TERRORISM TASK FORCE RESOURCES AND FUNDS AGAINST PRIVATE US CITIZENS FOR PERSONAL GAINS AND MORE.

As the attached Motion to Rehear reflects there are now allegations that the same central conspirators outlined in my Amended Complaint and RICO Statement³ have conspired again to commit further RICO acts, this time submitting Forged and Fraudulent documents in the estates of my deceased mother and father to attempt to abscond with my family's inheritance. Where fraudulent documents submitted to the court by Attorneys at Law are now part of these estate cases, it should also be noted that allegations of possible murder were filed and an autopsy requested by other parties than myself regarding the death of my father.

My concerns now elevate and demand immediate action to protect all of the innocent civilians who have been "Targeted" to "Obstruct Justice" by members of the Justice Department and other Senior Ranking Public Officials. The MISUSE OF PUBLIC FUNDS AND RESOURCES THROUGH THE JOINT TERRORISM TASK FORCE AND VIOLATIONS OF THE PATRIOT ACT AGAINST INNOCENT CITIZENS FOR PERSONAL GAINS (IN EFFECT A TREASONOUS COUP AT THE TOP OF LEGAL SYSTEM), DEMANDS THAT THE HIGHEST OUTPOST OF LAW, YOU'RE OFFICE, TAKE IMMEDIATE ACTION. ESPECIALLY, WHERE THE CRIMES ARE
