That Eliot requests the Court add MANCERI, MRM, P. SIMON, IANTONI and FRIEDSTEIN as Respondents and add each grandchild of SIMON and SHIRLEY separately as Beneficiaries/Interested Party Respondents.

PUT IN PRO SE STUFF

That for Judicial Economies of Scale and to reduce costs being billed to the estate for these proceedings and thus possibly to the beneficiaries, ELIOT requests that the following several Motions be allowed in one pleading that defies possible conventions of the Court in page limits or any other limits to number of Motions included in one pleading by accepting this Motion and not forcing ELIOT to file a number of separate motions to conform to any Court limits that would cost in extra paper, mailing, service, etc. That due to the number of alleged crimes being committed by the fiduciaries in these matters the Motion may also be lengthy as it is hard to fit this many alleged crimes into a limited few pages being a Pro Se Litigant². This Court should admonish those Attorneys at Law that attempt to discredit my pleadings or myself for page length or other such nonsense in attempts to evade the facts and evidence in each Petition against them for their crimes admitted to already before this Court and those they are responsible for admitted to by others.

THE POST MORTEM CHANGES TO SIMON AND SHIRLEY’S BENEFICIARIES

BACKGROUND UPDATE – GANG OF TWO BECOMES GANG OF FOUR

- 2. That SIMON and SHIRLEY were one of the happiest and most loving couples on earth and they gave four of their five children everything from the moment they hit it big in 1970’s, maybe too much.
- 3. That one child, ELIOT, when they hit the big time rejected the big house, chauffeured limousine to school, free ride in college paid for by mom and dad, etc., as he wanted to be

like his father. A self-made man, who made it on his own and built his own castle for his own bride, as SIMON had done with SHIRLEY. In his teens SIMON was forced to work when his father died leaving his mother and sister at the time without a breadwinner and a brother 10 years older at war and so he became the head of the household.

4. From nothing SIMON and SHIRLEY built a large estate through SIMON'S sales in life insurance for high net worth individuals and large corporations, one of the most successful careers in the industry and he was an innovator in complex insurance trusts such as VEBA's and ARBITRAGE LIFE, both highly sophisticated insurance funding vehicles.
5. That in 2012 SIMON considered changing his and his deceased love SHIRLEY'S long standing estate beneficiaries from three of five of their children, ELIOT, IANTONI & FRIEDSTEIN to his ten grandchildren to end disputes with his four other children.
6. That TED and P. SIMON were disinherited from the estates prior, not just because they received the family businesses worth millions and ELIOT, IANTONI and FRIEDSTEIN did not but ELIOT also alleges that they remained out of the estates until the end due to their pathetic and cruel behavior towards SIMON and SHIRLEY in the waning years of their lives to the day they died.
7. That the rift between P. SIMON and her parents began several years prior to SHIRLEY'S death when a transfer of companies between P. SIMON, D. SIMON and SIMON went wrong and SIMON felt that they did not honor their buyout terms and this dispute lasted until the day SIMON died. That in earlier estate plans allegedly done in 2000 by Proskauer Rose, LLP, evidenced in Petition 1, "EXHIBIT 6 - PROSKAUER ROSE INSERTED EXHIBIT 1 OF WILL OF SIMON L. BERNSTEIN," P. SIMON was already disinherited for compensation received.

8. That P. SIMON and D. SIMON started an isolation of SIMON and SHIRLEY and withheld their child depriving her from her grandparents, using her to torture and punish them if they did not put them back in the estate plans. In the 2008 estate plans, SIMON and SHIRLEY did not put P. SIMON back in and then allegedly in 2012 SIMON did make changes but that will evidenced herein to be part of a post mortem fraud to change the beneficiaries, yet still excluded P. SIMON from the estates.
9. That immediately after SHIRLEY died, TED and P. SIMON both ceased seeing SIMON almost entirely, after learning from TSPA, TESCHER and SPALLINA that TED had also been disinherited both because he got companies of he and SIMON'S worth millions and his pathetic behavior immediately prior to SHIRLEY'S death and until the day SIMON died. TED was disinherited out of the estates in 2008 with P. SIMON and both were enraged that they got the family businesses and nothing else and were disinherited.
10. That TED and PAM, after SHIRLEY'S death recruited IANTONI and FRIEDSTEIN and their children to join the isolation of SIMON and deprive him of their children too, now not only because of TED and P. SIMON'S anger over being disinherited for compensation received while their parents were alive but now it was claimed that their assault on SIMON was due to his companion MARITZA.
11. That once the four of them joined together like a gang of pack wolves they began preying on SIMON, precluding their children and ALL OF THEM, from seeing or contacting SIMON almost entirely from the day SHIRLEY died until the day SIMON died on September 13, 2012. In the year and half from SHIRLEY to SIMON'S death his four other children barely seeing or talking to him and when they did it was full of "piss and vinegar." Demanding SIMON to change the beneficiaries of his and SHIRLEY'S estates

and stop seeing his companion MARITZA, or else, further isolation and deprivation, a cruel and unusual punishment to a man suffering the loss of the love of his life, the man who gave them everything. This extortion of SIMON to meet their demands or else lose four of his five children and seven of ten grandchildren was devastating to SIMON, see Petition 1 for more details of this behavior that parallels elder abuse, for this broke SIMON'S heart, which already was pretty beaten physically from heart disease and love sickened at his recent loss of SHIRLEY and this added stress easily could have killed him.

12. That when ELIOT would not join the gangbang when approached with the idea, they stopped seeing and talking to ELIOT too, not that ELIOT talked to them much anyway prior. ELIOT had stopped talking with TED years earlier for his acts in business against ELIOT and ELIOT'S friends who worked for TED (who later also disowned TED) and ELIOT washed his hands of TED back in college when they ceased doing business together.
13. That ELIOT washed his hands of P. SIMON years earlier when he was 30 over bad business dealings, when P. SIMON began to run the businesses and began failing to pay ELIOT according to contracts and moved to push him out of the family business and sued ELIOT in this same courthouse, as evidenced in Petition 1. ELIOT then quit selling for the family businesses because PAM had offended ELIOT, ELIOT'S friends who worked for him and ELIOT'S clients <http://www.iviewit.tv/inventor/clientlisting.htm> , due to her bad business practices and ELIOT then left to work for Rock-It Cargo USA, a company that moves entertainment performers and their gear worldwide and never returned to selling insurance.

14. That ELIOT did not work for SIMON or P. SIMON'S companies ever and had his own businesses with his friends started in college in their dorm and then moving thousands of miles away from the Chicago family business to California and worked from his garage with his college buddies, whilst TED and P. SIMON worked for SIMON in palatial offices and basically counted SIMON'S money and money from ELIOT'S sales, as ELIOT was their top salesman year after year. SIMON hired P. SIMON'S husband, D. SIMON and his brother A. SIMON to work in the offices as legal counsel for his companies' right of college.
15. That ELIOT remained close to his father after the death of SHIRLEY, as with the love birds that they were, he worried for the health of SIMON in her absence and never before had ELIOT witnessed his father in such pain, until the pain that was heaped upon that by this isolation torture. SIMON visited SHIRLEY after she passed almost every day that he was in Boca Raton, FL to his death, just hard to find lovers like that in this day and age.
16. That ELIOT was confronted by three of TED'S children who were sent to tell ELIOT that he was enabling SIMON to see MARITZA by visiting SIMON and MARITZA weekly with his children, as this was allegedly enabling SIMON to continue his relationship with MARITZA. They wanted ELIOT to stop seeing SIMON and deny his children their Zeida aka Grandpa and join the "TOUGH LOVE" pogrom on his father and join the gangbang to force him to stop seeing MARITZA, who they alleged was stealing all his money and according to TED, MARITZA had robbed SHIRLEY and SIMON and more.
17. That ELIOT was appalled by learning that all other children and grandchildren were part of this isolation and deprivation torture on SIMON, especially since some of the grandchildren were adults with their own minds. ELIOT stated to TED'S children when

asked to join the gang, that what they were doing to SIMON was killing him and making him sad, depressed and physically weak. SIMON had a heart condition where this torturous stress could kill him and ELIOT told TED'S children to tell his brother TED that he was insane, as more fully described in Petition 1, Exhibit 1, where TED states bizarrely when confronted with this psychotic boycott of his father that gave him the world, in an email to ELIOT when confronted with the abuse of their father,

Subject: RE: passover

Eliot,

Although I normally do not like to have these discussions via email, it does seem important to say this in a way that is documented in the record. None of this is directed at any person, in particular, and can be shared with anyone you feel is necessary. What follows is simply intended to be a roadmap. My primary family is Deborah and our four children. They come first, before anything and anyone. **The family I was born into is no longer, that is just a fact, it is not a matter of opinion, it just is.** [emphasis added]

18. That on May 10, 2012 SIMON called for a meeting with his five children and SPALLINA & TESCHER, to discuss the idea of ELIOT, IANTONI and FRIEDSTEIN giving up their inheritances in both estates and splitting it instead with the ten grandchildren to resolve disputes with SIMON and his other children.
19. That SPALLINA stated first at the meeting, that against his advice, SIMON was attempting to resolve disputes over his estate raised by TED and P. SIMON who had been disinherited entirely from the estates, as they had already been compensated with family

businesses while SIMON and SHIRLEY were alive but now wanted back into the estate plans and also to resolve the MARITZA disputes with his other four children. Basically, if their extortive demands were met the ban of SIMON would be lifted and it appeared they would not stop the torture unless SIMON conceded to their demands. SPALLINA then stated that this seemed the only way to solve for these disputes or words to that effect.

20. That in May of 2012, ELIOT was unaware of what his inheritance was in SHIRLEY'S estate and that he was even a beneficiary, as estate counsel, TSPA, TESCHER & SPALLINA, secreted this information from him for approximately 17 months after SHIRLEY died and failed to send him any accountings, any inventories or anything at all as required by law and these documents remain suppressed and denied from the time that SHIRLEY passed on December 08, 2010, to the May 10, 2012 meeting, to SIMON'S death on December 08, 2012, to present.
21. That when SIMON called ELIOT to inform him of the meeting to resolve the disputes with his other children, stating ELIOT was a beneficiary and therefore had to be at the meeting, ELIOT was surprised to learn he was beneficiary of SHIRLEY'S estate.
22. That SIMON too was surprised that ELIOT did not know of his inheritance and had not received documents from TSPA, TESCHER & SPALLINA regarding his inheritance and SIMON advised ELIOT to demand the documents from TSPA, TESCHER & SPALLINA at the meeting and nothing would go into effect from the meeting until ELIOT had a chance to review the documents he was to have been given already by law and knew exactly what he was going to be waiving his rights and interests in if the changes went through.

23. That at the meeting ELIOT agreed to do whatever SIMON thought to be best and would go along with whatever he decided to do in the end to relieve the stress and allow him to see his seven other grandchildren and four other children again and if ended the torture ELIOT was not going to stand in the way.
24. That the Court should keep in mind that the meeting was held due to primarily inheritance issues raised by TED and P. SIMON, who truly had no beneficial interests as they were disinherited at that time and where not even necessary to be at the meeting, as SIMON was looking for agreement to do this deal from the named beneficiaries ELIOT, IANTONI and FRIEDSTEIN, who were being asked to give up their inheritances to help TED and P. SIMON'S children and where TED and P. SIMON were giving up nothing and gaining nothing. The reason they were invited was so that they would agree to stop their abuse and let SIMON see their children he loved again and stop their harassment and torture of SIMON and MARITZA, they did not come to the table with anything material and they did not leave with anything, only their adult children would benefit if the changes were made.
25. That prior to the meeting, on information and belief, P. SIMON had even threatened SIMON with litigation for inheritance after SHIRLEY passed and in advance of his death, claiming he would give it all away to MARITZA and her family or she would steal from him and this crushed SIMON even further.
26. That when everyone was asked if they agreed with the new strategy, ELIOT, IANTONI and FRIEDSTEIN all agreed to do whatever was best for SIMON to relieve his stress and resolve the disputes and TED and P. SIMON agreed and ELIOT left thinking the torture would end as agreed.

27. That as SIMON had requested, in the May 2012 meeting, ELIOT demanded that TSPA, TESCHER and SPALLINA turn over the estate documents regarding his inheritance in SHIRLEY'S estate that were LEGALLY owed to him as a beneficiary in order to review, so he could determine what he was signing away and granting to his children and the other grandchildren and the terms and SPALLINA agreed to send them.
28. That TESCHER and SPALLINA stated that all the documents and some new documents would be sent to everyone explaining everything and for the beneficiaries, ELIOT, IANTONI and FRIEDSTEIN to review in advance of any changes.
29. That SIMON'S disputes with his other children and grandchildren however **did not end** after the May 10, 2012 meeting as agreed, as TED, P. SIMON, IANTONI and FRIEDSTEIN and their seven children continued the isolation and deprivation torture against SIMON and MARITZA. In fact, the hostilities only intensified and their hate of MARITZA became scary and ELIOT was blown away that they continued.
30. That WALKER, SHIRLEY'S personal assistant had moved into SIMON'S home and the gang of four even recruited her to hate on SIMON and MARITZA and the insanity led to her leaving the house on bad terms with SIMON and MARITZA.
31. That SIMON sought mental health therapy in attempts to combat the pain and suffering both he and MARITZA were enduring at the hands of his four other children and WALKER.
32. That SIMON'S four other children and their seven children maintained almost no contact whatsoever with SIMON and MARITZA after the May 10, 2012 meeting, violating any oral agreement made to end these disputes if he decided to make the changes in the beneficiaries. The boycott now was claimed to be due to his continued relationship with

his companion MARITZA and presumably because SIMON had not made the changes to the beneficiaries yet and the hostilities raged until the day SIMON died.

33. That the only ones that remained close to SIMON and SHIRLEY and saw them every week with their children for almost 10 years before they died, when living in Florida, was ELIOT and his wife CANDICE. SIMON and SHIRLEY adored ELIOT and CANDICE's children and worked hard to plan their estates to provide for ELIOT, CANDICE and their three children and protect them in the event anything happened to them, from the RICO defendants in ELIOT'S RICO lawsuit, especially after the car bombing, when everything changed dramatically, as more fully described in Petition 1³.
34. That the dispute and hate of MARTIZA by SIMON'S children raged even more viciously immediately after SIMON'S death, when TED, P. SIMON, IANTONI and FRIEDSTEIN agreed to throw MARITZA out of SIMON'S house, the house she had been living in with SIMON for months, in the middle of the night on the night he died, just hours later, frantically grabbing her possessions and fleeing, despite ELIOT'S protestations that this was not SIMON'S intent or desire.
35. That MARITZA fled the home immediately after SIMON passed in the middle of the night claiming that certain siblings had made threats to her at the hospital and she was frightened for the harm they would do to her, again it was a gangbang of four against one, against MARITZA now and she was no match for the gang.

³ The Court should note that TED was the last person in possession of CANDICE's minivan before it was taken to a body shop where the bomb was put in it and where it exploded only hours before CANDICE and the children were to take possession of the vehicle, see

<http://www.iviewit.tv/Image%20Gallery/auto/Auto%20Theft%20and%20Fire%20Master%20Document.pdf> and

<http://www.iviewit.tv/CompanyDocs/2007%2004%2020%20Iviewit%20Request%20for%20FBI%20IA%20and%20OIG%20Investigation%20of%20FBI%20case%20download.pdf>

36. That the morning of SIMON'S death, several Palm Beach County Sheriff's department officers showed up to investigate allegations made by TED, IANTONI, FRIEDSTEIN and WALKER that MARITZA had murdered SIMON by poison or overdose and for his money. With SIMON out of their way the gang of four children now began instantly to prey on MARITZA and to rid her of any inheritance SIMON left her, as more fully described in Petition 1.
37. That WALKER and TED stole off the estate documents relating to a gift SIMON left to MARITZA days before dying, as he was very worried in the last weeks of life that something was going to happen to him and they would attack or blame MARITZA.
38. That the morning of SIMON'S death, TED ordered an autopsy of SIMON based on allegations that MARITZA poisoned him, a scapegoat already in place for slaughter.
39. That it is important to note that in Petition 1, ELIOT believed that IANTONI and FRIEDSTEIN were recruited into the gang by TED and P. SIMON and were innocent victims to their madness over their disinheritance and had been conned. That IANTONI and FRIEDSTEIN spoke with ELIOT and told him they were going to take appropriate actions when they found out their signatures had been forged and fraud was occurring. However, when ELIOT discovered recently that IANTONI and FRIEDSTEIN had partaken in both an insurance beneficiary and trust fraud scheme and had signed Affidavits to this Court attempting to pardon the felony crimes committed and admitted to in the estates, ELIOT realized they had sand bagged him all along and were actually working for the gang and giving information he was gathering to TED and P. SIMON all along, despite their assurances to ELIOT that they would keep this confidential information private until ELIOT had enough proof to prove what was going on.

**THE FRAUDULENT DOCUMENTS USED TO ATTEMPT TO ALLEGEDLY CLOSE
SHIRLEY'S ESTATE AND CHANGE BENEFICIARIES OF SIMON AND SHIRLEY'S
ESTATES THROUGH FRAUD ON THE COURT**

STRIKE ONE – UN-NOTARIZED WAIVERS

40. That after the May 10, 2012 meeting TSPA, TESCHER and SPALLINA sent only one document to ELIOT, a “Waiver of Accounting and Portions of Petition for Discharge; Waiver of Service of Petition for Discharge; and Receipt of Beneficiary and Consent to Discharge” (“Waiver(s)"). NO OTHER DOCUMENTS were sent after SHIRLEY died until the day SIMON died.
41. That none of the underlying documents necessary for any of the beneficiaries to sign the Waiver with informed consent were enclosed and where in the language of the Waiver ELIOT was acknowledging receipt of things he never received from estate counsel TSPA, TESCHER and SPALLINA, for example, attorney billing records, knowledge of and receipt of ELIOT'S interest in the estate of SHIRLEY, the essential documents necessary to know what he was waiving and attesting to in the Waiver, without these documents, there was no informed consent, just conned and pressured consent.
42. That TED, P. SIMON, ELIOT and FRIEDSTEIN signed and returned their Waivers prior to Simon's death but IANTONI did not.
43. That ELIOT signed his Waiver first, almost immediately after receiving it on May 15, 2012 but added a disclaimer on the Waiver to TSPA, TESCHER & SPALLINA that he was only signing this to relieve the instant stress on SIMON and to resolve the disputes with the gang of four but was waiting for the underlying documents to come to verify the truthfulness of his statements he made in the Waiver. ELIOT also put this disclaimer in the email sent to TSPA as exhibited in Petition 1 stating that he was signing due to the

stress SIMON was in but waiting for the documentation. As learned in Court at the hearing, it did not matter what ELIOT signed anyway, as these Waivers were ultimately rejected by the Court for their lack of notarization and were no longer valid anyway. ELIOT has never signed another Waiver and he will not now sign one especially after the agreed end of torture of SIMON never occurred and thus the agreed transfer of inheritance through the signing of the Waiver and closing of SHIRLEY'S estate to effectuate changes never happened legally, as discovered in the September 13, 2013 hearing.

44. That with the boycott against SIMON still raging and growing worse after the May 10, 2012 meeting ELIOT alleges that SIMON never made the changes to the beneficiaries as the oral agreement had been violated by his four children, TED, P. SIMON, IANTONI and FRIEDSTEIN and they never ceased their isolation and deprivation of him over MARITZA and as their end of the bargain had never been lived up to, SIMON did not intend on making any changes to he and SHIRLEY'S long established estate plans and long established beneficiaries. The only changes he may have considered were disinheriting IANTONI and FRIEDSTEIN as well for both compensation received while he was alive and their pathetic behavior and hurt to him and MARITZA.
45. That IANTONI did not sign her Waiver until after SIMON had passed on October 01, 2012.
46. That without IANTONI'S Waiver signed while SIMON was alive, statements made in an ALLEGED fraudulent and forged "Full Waiver" ("Full Waiver") of SIMON'S could not be true at the time allegedly signed in April 2012. SIMON allegedly states in the Full Waiver under penalty of perjury that at that time in April 2012 SIMON possessed all the Waivers from the Interested Parties and this would **not** have been true in April 09, 2010 for

SIMON had none of the children's Waivers at that time and in fact never had IANTONI'S Waiver while alive.

47. That in April 2012, the statements in SIMON'S Full Waiver were almost all untrue indicating that this may also be a fraudulent and forged document, **see Exhibit 1- SIMON FULL WAIVER**, as none of the children even had Waivers in April 2012 as TSPA, TESCHER and SPALLINA did not send them out until May 10, 2012 or later. Therefore, it appears that if SIMON were to have signed his Full Waiver in April, he was committing Perjury as he was attesting to the truth of the claims therein, which were wholly false at that time.
48. That SIMON did not lie once in his lifetime that ELIOT can recall and taught ELIOT his integrity, a trait ELIOT values more than the estate values. The kind of integrity that as Your Honor learned in the hearing would not allow ELIOT to take monies fraudulently gained in the estates and be converted and distributed against the desires of SIMON and SHIRLEY to the wrong parties, even to feed his children, as ELIOT would rather see his children starve to death versus teaching them that it is OK to do wrongs to make rights.
49. That now that SIMON was deceased and out of the way, TSPA, SPALLINA, TESCHER and TED could submit post mortem for SIMON, the changes he never made while alive and run SIMON'S and SHIRLEY'S estate as they saw fit and all it would take is a few fraudulent documents and some forged signatures and a bada bing they had seized dominion and control over the estate.
50. That after SIMON'S death, ELIOT made immediate requests for the estate documents for SIMON and SHIRLEY to verify the changes he was told were made by SIMON and TSPA, SPALLINA and TESCHER refused him the documents repeatedly telling ELIOT

he was not a beneficiary of either estate any longer and was not entitled to them or anything and he better cooperate with them or else.

51. That ELIOT stated even if the changes were made, he wanted to see the documents and if he was not a beneficiary he was still Trustee and Guardian for his children and entitled to the documentation as his children were now the alleged beneficiaries and yet ELIOT was still refused the documents.
52. That immediately after ridding MARITZA, the gang of four immediately began on alienating all of SIMON'S friends and business associates and started with S. BANKS whose business agreement with SIMON in a company TELENET, more fully described in Petition 1, was wholly dishonored and S. BANKS was left with suing the estate but could not bring himself to do such a thing to a man he loved like his father. Instead, S. Banks was left firing all the staff he and SIMON had hired, abandoning his lease that he and SIMON had just taken and basically was left holding all the debts he and SIMON encumbered and SIMON was supposed to have funded according to their agreement. The treatment of S. BANKS by TED and SPALLINA was harsh and not as SIMON would have wanted or intended.
53. That then they fired with no notice and no severance, D. BANKS, SIMON'S longtime secretary and assistant.
54. That then TED hired WALKER who had received an insurance license to work for TED after SIMON passed and then TED fired WALKER only days after she was working for him, where she then left to enter a drug treatment program and allegedly tried to commit suicide on her return, saddened perhaps by the betrayal of the gang of four. WALKER then returned to her home in MA.

55. That with all SIMON'S friends and business associates alienated and out of the way the gang of four began to work against ELIOT and it appears that TSPA, TESCHER and SPALLINA were actually Aiding and Abetting the efforts of TED and P. SIMON to seize dominion and control of the estates and make changes to the estates post mortem for SIMON and SHIRLEY, more in line with TED and P. SIMON'S liking.
56. That up until ELIOT recently learned of an insurance beneficiary and fraud scheme that 4/5 of the children of SIMON participated in, as defined later herein, and learning that IANTONI and FRIEDSTEIN signed Affidavits in favor of the forgery and fraudulent documents in their own names to attempt to excuse the fraud being committed, ELIOT thought they too were victims, not participants in the estate fraud occurring but these two acts show that IANTONI and FRIEDSTEIN were merely playing ELIOT all along to get his information, with their hands deep in the stolen cookie jar.
57. That looting of the estate began immediately after the death of SHIRLEY, when P. SIMON, IANTONI and FRIEDSTEIN came to visit SIMON and cleaned out SHIRLEY'S closets and personal effects, including millions of dollars in jewelry, claiming to others they took the jewels to protect them from MARITZA and WALKER stealing them, as more fully described in Petition 1.
58. That at the time of SIMON'S death, ELIOT did know the large business and personal relationship between TSPA, TESCHER, SPALLINA and TED and it did not make sense that suddenly, TED, who was excluded from both estates entirely and was on terribly bad terms with SIMON at the time leading up to his death, was now according to SPALLINA in charge of the estates of SIMON and SHIRLEY.

59. That SPALLINA had witnessed SIMON'S discontent with his other four children and seven grandchildren that were terrorizing SIMON only weeks earlier in the May 10, 2012 meeting, in efforts to force SIMON to change the carefully crafted estate plans of he and SHIRLEY'S or else lose eleven members of his family who were working in unison to force him to make changes to his estate and stop seeing his companion MARITZA or all eleven would never see him again.
60. That being that three of the seven grandchildren are minors and are controlled exclusively by their parents, they were merely used as pawns with no control over their decision and so should be excluded from being cognizant of what was happening in their names.
61. That approximately two months after SIMON'S passing, ELIOT still had no documents in either SHIRLEY or SIMON'S estates whatsoever and ELIOT was then forced to retain counsel for he and his children in efforts to get the documents from TSPA, TESCHER & SPALLINA and retained Christine Yates ("YATES") at Tripp Scott law firm in Fort Lauderdale, FL.
62. That SPALLINA, TESCHER, TED and P. SIMON repeatedly advised ELIOT to not retain counsel to review schemes they were proposing, for example, an insurance scheme (Petition 1 – EXHIBIT 6 - EMAILS REGARDING LOST HERITAGE POLICY, pages 157 – 172 and EXHIBIT 7 - SETTLEMENT AGREEMENT AND MUTUAL RELEASE (SAMR") and VII. INSURANCE PROCEED DISTRIBUTION SCHEME pages 34-44) but needed ELIOT to sign or the beneficiaries could not be changed to make them who they wanted with only 4/5th of SIMON'S children in agreement.
63. That SPALLINA even threatened ELIOT if he sought counsel he would not deal kindly with him or words to that effect. TED and P. SIMON repeatedly stated that ELIOT should

not get counsel as it would burn up the estate assets and they believed the proposed deal looked good and how could it not as they designed it. The new deal would now pay TED, P. SIMON, IANTONI and FRIEDSTEIN and not their children and with no representation for their children as they were their trustees and did not retain any, it was a no brainer, as long as they ignored their fiduciary responsibilities to their children as estate beneficiaries, easily done in light of the obvious and glaring conflicts with their own children and the death benefits.

64. That on first contacting TSPA and SPALLINA, YATES was told they did not know who ELIOT was and played games for several weeks evading YATES, as evidenced in Petition 1.
65. That ELIOT'S counsel YATES after repeated requests orally and in writing, finally received a partial and incomplete set of documents from TSPA, TESCHER & SPALLINA in January 11, 2013, four months after SIMON'S death and problems with the estate documents were instantly noticed.
66. That ELIOT has submitted to this Court evidence that TSPA, TESCHER and SPALLINA worked together to deny YATES access to the estates information, the trusts of SIMON and SHIRLEY, the trusts for ELIOT and his CHILDREN and more and other materials requested for months.
67. That one of the first things noticed when receiving the incomplete documentation and Waivers in January 2013 and comparing them to the Court docketed records, was that in the Court record it showed that the alleged Waivers signed by the five children and allegedly by SIMON, that were filed in the estate in October 2013, after SIMON'S death,

were NOT NOTARIZED and sent back for notarization by this Court and thus were legally denied by Your Honor. STRIKE ONE.

STRIKE TWO – FORGED AND ADMITTED FRAUDULENT REPLACEMENT WAIVERS DONE BY ESTATE COUNSEL AND THEIR NOTARY PUBLIC AND FILED AS PART OF A FRAUD ON THE COURT

68. The Waivers were rejected by this Court on November 05, 2012, two months after SIMON'S passing for failing to have a Notary Public notarize them as per Your Honor's procedural rules.
69. That the docket then showed that miraculously, all of the Waiver's, including SIMON'S who was at that time in November 2012 still deceased, were tendered back to the Court by TSPA, TESCHER and SPALLINA and were now Notarized and signed in the present on some date in November 2012. The obvious problem, the returned Waivers included SIMON'S and it was notarized and signed for him while he was factually dead at the time he was alleged to be signing and notarizing documents. That these fraudulent and forged Waivers were then submitted to this Court and this Court closed the estate in January 2013 still believing SIMON was alive, as was learned in the September 13, 2013 meeting, as estate counsel had failed to notice the Court that the man closing the estate was deceased and thus perpetrating a Fraud on the Court and Your Honor.
70. That the reason the new date in November 2012 is unknown, is that the Waivers that were notarized used the old dates on them when they were NOT notarized, months before and so SIMON'S was signed as if it was April 2012 when it was factually sometime in November 2012 after the Court returned them. The date on these six newly admitted by MORAN fraudulent Waivers, alleged to also be forged, that were crafted by MORAN and at this

time unknown parties and tendered to the Court by TSPA is still unknown, which is fascinating for an alleged notarized document to not have the date they signed and notarized on them.

71. That to compound the problem ELIOT saw that his Waiver was also returned notarized and ELIOT never notarized his Waiver with anyone and does not know MORAN and further was never sent the Waiver by TSPA, TESCHER or SPALLINA notifying him that the Court had requested the Waiver to have a notarization. So as with SIMON, ELIOT'S name was forged for him, problems caused wholly by the illegal acts of TSPA, TESCHER, SPALLINA and MORAN. This also is evidence of suppression of court documents from the beneficiaries, in hiding that the Court wanted notarizations from the parties and evidences multiple breaches of fiduciary responsibilities, trust and law from this Willful, Wanton, Reckless, and Grossly Negligent behavior and disregard of the law by the alleged fiduciaries of the estate and estate counsel.
72. That it appears that when SIMON passed on September 13, 2012 he had never legally made any changes to his or SHIRLEY'S estate plans, due to the violation of the proposed agreement between he and his other four children and seven grandchildren and SIMON died with the former beneficiaries still apparently intact and the paperwork necessary to make any changes was never completed by SIMON while alive. So, TSPA, TESCHER, SPALLINA and MORAN completed them for him post mortem.
73. That the documents necessary to make the alleged changes to the estates all appear to be Fraudulent and Forged and almost all of them have legal defects rendering them legally null and void, mostly for improper Notarizations failing to state that Simon and others appeared or were known to the Notary Public on the date the documents were allegedly

signed, as exhibited and evidenced herein as **Exhibit 2 - Documents Legally Defective in the Estates.**

74. That after reviewing the legally defective documents submitted in the estates it became apparent that none of the key documents to effectuate any changes to the beneficiaries made in 2012 and 2013 in either estate were legally sufficient, and in fact, legally defective, and in certain instances already admitted fraudulent and alleged forged. That the documents in SIMON's estate are essential in SHIRLEY'S estate as they are used to allegedly make changes to SHIRLEY'S, apparently post mortem, including but not limited to,

i. The ILLEGALLY SIGNED AND NOTARIZED Waivers

These were illegally signed and notarized on an unknown date in November by Notary Public Moran who admitted to fraudulently notarizing them not in the presence of any of the parties, SIMON, TED, P. SIMON, ELIOT, IANTONI and FRIEDSTEIN, all are admittedly fraudulently notarized and alleged forged. That as evidenced herein, Affidavits were signed by TED, P. SIMON, IANTONI and FRIEDSTEIN that their notarized Waivers were not signed by them and thus alleging forgery, while trying to dance around the claim in legalese language that reverts to forged as will be further discussed herein.

ii. April 09, 2012 SIMON'S ALLEGED Petition to Discharge – Full Waiver.

Allegedly signed on April 09, 2012. Docketed with the Court October 24, 2012. The Full Waiver of SIMON in SHIRLEY'S estate remains un-notarized. The Full Waiver contains false statements by SIMON and thus is legally void, if SIMON really signed the Full Waiver at the time in April 09, 2012 when he is alleged to have signed or

someone signed for him post mortem. SIMON attests to statements in the Full Waiver that could not have happened at that time he allegedly signed the document as some of things he attested to had not yet occurred, including things that did not happen until AFTER SIMON was deceased, like having all the Waivers in his possession from the interested parties.

That at SIMON'S death the Full Waiver had perjured statements in it by SIMON, because on the date he was deceased, September 13, 2012, IANTONI still had not even signed a Waiver and did not sign a Waiver until October 02, 2012, one month after SIMON passed. Thus, SIMON could not say that he had all the WAIVERS from all parties in his possession and other false claims stated in the Full Waiver at any time while he was alive. That Simon's Full Waiver allegedly signed by Simon and Witnessed by Spallina was never Notarized and remains in the docket not notarized in violation of Your Honor's own Court's rules regarding Waivers.

That the "Full Waiver" is fraught with lies by SIMON, as at the time of his alleged signing he could not have attested to the claims made in the Full Waiver since they had not taken place yet. For instance, SIMON states the following allegedly in April 2012,

1. "5. Petitioner, pursuant to Section 731.302 of the Florida Probate Code, and as permitted by Fla. Prob. R. 5.400(f), **files herewith waivers and receipts signed by all interested persons:**"[emphasis added].

Where this statement cannot be true in April 2012 as SIMON did not have signed waivers from **any** parties listed in the waiver as Interested Parties at that time and IANTONI did not sign hers until after SIMON was deceased. Waivers were not even sent to the Interested Parties and Beneficiaries until May 10, 2012 by TSPA,

TESCHER and SPALLINA. Why would SIMON lie on a form, why would estate counsel let him and then fail to file the form for almost five months?

2. “(a) acknowledging that they [interested parties] are aware of the right to have a final accounting”

Where this statement could not be true on that date in April 2012 for Eliot and others, as TSPA, SPALLINA and TESCHER did not send any documents to the beneficiaries ELIOT, IANTONI and FRIEDSTEIN noticing them that they were beneficiaries or advising them of their interests in SHIRLEY’S estate and knew of no accountings or inventories to waive and so this statement would be a lie by SIMON at that time.

3. “(b) waiving the filing and service of a final accounting;”

Where on April 09, 2012 ELIOT and other beneficiaries had no idea there was any accounting due, as they did not know they were beneficiaries and therefore had never known of a final or interim accounting.

4. “(c) waiving the inclusion in this petition of the amount of compensation paid or to be paid to the personal representative, attorneys, accountants, appraisers or other agents employed by the personal representative and the manner of determining that compensation.”

Where this could not be true for the same reasons, that the beneficiaries ELIOT, IANTONI and FRIEDSTEIN had no records of compensation paid or manner paid, etc. and so this would be a lie by SIMON too.

5. “(d) acknowledging that they have actual knowledge of the amount and manner of determining compensation of the personal representative, attorneys, accountants, appraisers, or other agents, and agreeing to the amount and manner of determining such compensation, and waiving any objections to the payment of such compensation.”

Where ELIOT, IANTONI and FRIEDSTEIN had no actual knowledge of the amount and manner of determining compensation as they had no records or knowledge of anything as estate counsel failed in its legal requirements to notify them and send them compensation and other reports. ELIOT had no knowledge he was a beneficiary until May, 10, 2012 and had no documents sent in the year and half after his mother passed notifying him of anything from the estate counsel, including any rights he had.

6. “(e) waiving the inclusion in this petition of a plan of distribution”

Where ELIOT had no knowledge he was a beneficiary until May, 10, 2012 and had no documents sent in the year and half after his mother passed notifying him from the estate counsel of any rights or interests and thus did not even know of any plans of distribution at that alleged time in April 2012 when SIMON allegedly signed the Full Waiver.

7. “(f) waiving service of this petition and all notice thereof...”

Where ELIOT had no knowledge he was a beneficiary until May, 10, 2012 and had no documents sent in the year and half after his mother passed notifying him from the estate counsel of any rights or interests and thus did not even know of any waiving of service of a petition at that alleged time in April 2012 that SIMON allegedly signed this Full Waiver.

8. “(g) acknowledging receipt of complete distribution of the share of the estate to which they are entitled”

Where ELIOT had no knowledge he was a beneficiary until May, 10, 2012 and had no documents sent in the year and half after his mother passed notifying him from the estate counsel of any rights or interests and thus did not even know of any receipt of

complete distribution or shares in the estate at that alleged time in April 2012 that SIMON allegedly signed this Full Waiver.

9. “(h) consenting to the entry of an order discharging petitioner, as persona I representative, without notice, hearing or waiting period and without further accounting”

Where ELIOT had no knowledge he was a beneficiary until May, 10, 2012 and had no documents sent in the year and half after his mother passed notifying him from the estate counsel of any rights or interests and thus did not know of anything to consenting to release the Personal Representative at that alleged time in April 2012 that SIMON allegedly signed this waiver.

iii. July 25, 2012 SIMON’S ALLEGED Will

Again we find improper, incomplete and legally void notarizations and witnessing by now Notary Public Lindsay Baxley (“BAXLEY”). BAXLEY fails to state if the two witnesses, SPALLINA & MORAN appeared before her on that day and fails to state if SIMON appeared before her on that date. SPALLINA acts as witness in estate documents his firm drafted and he has personal interests in and this appears to violate certain laws. That BAXLEY is believed to be an employee of TED.

iv. July 25, 2012 SIMON’S ALLEGED Amended Trust. ELIOT is still missing a copy of the original trust as it has been suppressed and denied. Allegedly signed weeks before SIMON passes.

The Amended Trust has improper notarization and witnessing as Notary Public MORAN fails to state if SIMON appeared before her on that date. SPALLINA acts as witness in estate documents his firm drafted and he has personal interests in.

- v. September 28, 201(?) (hard to read last number as it was scratched out in the notarization and not initialed by any party) ALLEGED SPALLINA OATH OF PERSONAL REPRESENTATIVE DESIGNATION OF RESIDENT AGENT, AND ACCEPTANCE” SPALLINA.

Spallina designates himself as Personal Representative and Moran notarizes it.

- vi. October 02, 201(?) (hard to read last number as it was scratched out in the notarization and not initialed by any party) TESCHER “OATH OF PERSONAL REPRESENTATIVE DESIGNATION OF RESIDENT AGENT, AND ACCEPTANCE”

Appears not properly notarized. Tescher designates himself as Personal Representative and MORAN notarizes it.

- vii. February 09, 2011 ALLEGED SIMON “OATH OF PERSONAL REPRESENTATIVE DESIGNATION OF RESIDENT AGENT, AND ACCEPTANCE”

SIMON allegedly signed this in SHIRLEY’S estate. Improper notarization and witnessing, fails to state that SIMON APPEARED and PRODUCED ID or WAS KNOWN to the Notary Public on that day,

- viii. UNDATED “NOTICE OF ADMINISTRATION” in SIMON’S estate.

The document is missing the date and the Court does not docket this document with a date or official stamp.

- 75. That it should be noted by the Court that still suppressed and denied to ELIOT and YATES is the original trust agreement of SIMON that allegedly is amended to effectuate the

beneficial changes to the grandchildren. That in opposite of law, the Original Trust was excluded from the Amended Trust tendered to ELIOT and YATES.

76. That the original Simon Bernstein Trust and his legally valid Will remain suppressed and denied to ELIOT for over a year since SIMON'S passing, perhaps because these documents may show that SIMON made changes in his estate plan but instead to leave everything to ELIOT, CANDICE and their children as the sole beneficiaries to inherit the estates and making ELIOT Personal Representative and Trustee over the estates, having possibly disinherited his other children and their adult children due to their continued spoiled rotten to the core abusive and cruel behavior to him and MARITZA and for compensation already received while they were alive.
77. That since SIMON'S passing, as described herein and in Petition 1-7, his four other children, TED, P. SIMON, IANTONI and FRIEDSTEIN have worked with TSPA, TESCHER and SPALLINA, in a variety of alleged Fraudulent transactions in the estates, working together and secreting such self-dealings to the disadvantage of ELIOT and his children and providing no information regarding the transactions to ELIOT or YATES, all the while operating on legally flawed and fraudulent documents.
78. That it is alleged that TSPA, TESCHER and SPALLINA have conspired together with P. SIMON and TED mainly, the two children with no beneficial interests in either estate directly, for TED since 2008 and since approximately 2001 for P. SIMON, in order to fraudulently seize Dominion and Control of the estates with intent, by secreting information regarding the true and proper beneficiaries and replacing the wishes and desires of SIMON and SHIRLEY by creating a wholly fraudulent set of documents that appear created after SIMON and SHIRLEY'S death, without their knowledge and consent.

79. That these conspiratorial actions were in order to seize control of the estates and the fiduciary powers over the estate and begin looting the estates together in a variety of fraudulent ways enabled with their fraudulent documents that allegedly give them fiduciary powers to consummate these fraudulent transactions and convert the assets to the legally wrong beneficiaries according to the last known valid estate documents of SIMON and SHIRLEY.
80. That TED, SPALLINA and TESCHER have long established and undisclosed business dealings, including TESCHER sitting on boards of entities owned and/or operated by TED and referral sharing on insurance and more as described in Petition 1.
81. That in ELIOT'S original WAIVER, SIGNED UNDER DURESS, ELIOT claimed in Section (d), "Expressly acknowledges that the undersigned has actual knowledge of the amount and manner of determining the compensation of the personal representative, attorneys, accountants, appraisers, or other agents; has agreed to the amount and manner of determining such compensation; and waives any objections to the payment of such compensation." That ELIOT claims this to be an admitted lie as ELIOT even today could not claim that he has "actual knowledge of the amount and manner of determining the compensation of the personal representative, attorneys, accountants, appraisers, or other agents" as he has not neither the knowledge nor any documents to determine these factors based on informed consent as they were never sent to him by estate counsel prior to SIMON'S death and to this day. That informed consent could only come through review of the documentation and thus SPALLINA conned ELIOT to sign and used SIMON'S health and the stress caused upon him by his other children as reason to make ELIOT sign a document knowing he could not have informed consent.

82. That in ELIOT'S WAIVER, SIGNED UNDER DURESS AND WORRY FOR HIS FATHER, ELIOT claimed in Section (g) that he "Acknowledges receipt of complete distribution of the share of the estate to which the undersigned was entitled," which remains untrue today as ELIOT has never received any receipt of complete distribution of the share of the estate to which the undersigned was entitled.
83. That it is alleged that all WAIVERS signed originally by the parties were perjured in Sections (d) and (g) at the time they were signed.
84. That it is unknown if TED and P. SIMON could sign Waivers or even had to as they had no interests in the estates or rights as beneficiaries as they were wholly disinherited. In fact, TED and P. SIMON both claim in their Waivers, "The undersigned, Ted S. Bernstein, whose address is 880 Berkeley Street, Boca Raton, Florida 33487, and who has an interest in the above estate as beneficiary of the estate" and "The undersigned, Pamela B. Simon, whose address is 950 North Michigan Avenue, Suite 2603, Chicago, IL 60606, and who has an interest in the above estate as beneficiary of the estate." That they were beneficiaries is not true at the time they, signed their originals Waivers, the time admitted Fraudulent and alleged Forged Waivers were created and filed with the Court by MORAN and TSPA, TESCHER and SPALLINA, nor upon submitting their original signed but not notarized Waivers in the Affidavits with the Court as Exhibit A on September 13, 2013, nor today, as they were wholly excluded from the estates and disinherited since the long standing estate plans of both SIMON and SHIRLEY.
85. That Rachel Walker ("WALKER") immediately prior to SIMON'S death and immediately after SIMON'S death (within minutes) removed estate documents from SIMON'S home and gave them to TED who was waiting for them at the hospital as SIMON lied dead for

only minutes, including a document to MARITZA regarding inheritance for her and a check that TED, P. SIMON and SPALLINA later claimed was unsigned and other estate documents. MARITZA'S documents could be considered a creditor claim or beneficial claim depending on what the secreted and suppressed document says, where the documents were also suppressed and denied from the beneficiaries to this date. MARITZA is believed to have retained counsel and who was, on information and belief, denied the information too.

86. That TED then secreted the MARITZA document that WALKER had given him and the check to MARITZA and then turned it over to SPALLINA weeks later and they claimed to ELIOT that they were not planning on giving her anything and she would never see the documents and finally that she had probably killed him for it.
87. That hours after SIMON passed, TED contacted the Palm Beach County Sheriff's office and TED, IANTONI, FRIEDSTEIN and WALKER gave statements to the Palm Beach County Sheriff detectives claiming that MARITZA murdered SIMON, this all transpiring only a few hours after SIMON passed. ELIOT did not think MARITZA murdered SIMON and so stated to the Sheriff Deputies.
88. That all four siblings in the gang of wolves and WALKER claimed MARITZA murdered SIMON for his money as more fully described in Petition 1 and then TED and SPALLINA failed to tell the Sheriff of the MARITZA documents and check they had suppressed and denied, which would have at least provided some type of motive for MARITZA to murder SIMON, as MARITZA was not included in the estates or perhaps she was and yet another reason documents are being secreted and suppressed.

89. That SIMON was furious according to friends and health professionals that lasted until his death over the fact that his other four children and seven grandchildren continued their boycott against him after the May 10, 2012 meeting. That due to this continued disputes with his children that were not resolved and thus violating the terms of the proposed agreement to end such disputes agreed to in the May 10, 2012 meeting, it is apparent from the properly documented record that SIMON never made the changes to his or SHIRLEY'S estates prior to his death and they were not made without a little post mortem help as learned in the hearing on September 13, 2013 before this Court.
90. That TSPA, TESCHER and SPALLINA then worked almost exclusively with TED and PAM after and perhaps before SIMON'S death, to make changes to the estates and act against the wishes and executed estate documents of SIMON and SHIRLEY, as SIMON never properly executed any estate documents to change the plans he and SHIRLEY signed in 2008 and now there is admitted fraud and alleged forgery in certain of the documents used.
91. That after reviewing the Waivers that were returned to the Court by TSPA, SPALLINA and TESCHER, it became apparent that Notary Public MORAN that worked for TSPA as a legal assistant had fraudulently notarized the Waivers and allegedly forged signatures. The Waivers returned notarized were NOT the same documents as were signed initially by the parties with a notary stamp affixed as MORAN claimed and SPALLINA at the hearing seconded that lie.

23 THE COURT: It was wrong for Moran to
24 notarize -- so whatever Moran did, the
25 documents that she notarized, everyone but
00051
1 Eliot's side of the case have admitted that
2 those are still the original signatures of

3 either themselves or their father?
4 MR. SPALLINA: Yes, sir.
5 THE COURT: I got it.

92. It appears now when comparing them they have been wholly recreated to look like the same documents as the originals, including using the old signing dates and then they are alleged forged with new signatures with a fraudulent Notarization affixed to them, as already Admitted and Acknowledge to by MORAN and now as of September 13, 2013 all five of SIMON'S children are in agreement that the signatures on the notarized documents are not theirs, although four of five have attempted to exonerate the felonies, as will be further evidenced herein.
93. That MORAN has admitted to the Florida Governor's office that she fraudulently affixed Notary Public stamps on official records of this Court, **including Notarizing a Waiver for SIMON, two months after he passed away but failed to admit the forgery that occurred.** That these fraudulently notarized documents were then sent by TSPA, TESCHER and SPALLINA to this Court as admitted to at the September 13, 2013 hearing, furthering the crimes already committed by MORAN, by TSPA docketing them with this Court and committing Fraud on this Court as learned in the hearing.

3 THE COURT: Discharge waiver of service of
4 discharge by Simon, Simon asked that he not
5 have to serve the petition for discharge.
6 MR. MANCERI: Right, that was in his
7 petition. When was the petition served?
8 THE COURT: November 21st.
9 MR. SPALLINA: Yeah, it was after his date
10 of death.
11 THE COURT: Well, how could that happen
12 legally? How could Simon --
13 MR. MANCERI: Who signed that?
14 THE COURT: -- ask to close and not serve
15 a petition after he's dead?

And later in the hearing

2 THE COURT: No, they weren't filed, that's
3 the whole thing. I'm looking at the file date,
4 filed with The Court.

5 MR. MANCERI: No, they were returned by
6 the clerk because they didn't have
7 notarization. We have affidavits from all
8 those people, Judge.

9 THE COURT: Well you may have that they
10 got sent up here.

11 MR. MANCERI: We have affidavits from all
12 of those people.

13 MR. ELIOT BERNSTEIN: Including Simon?

14 THE COURT: Slow down. You know how we
15 know something is filed? We see a stamp.

16 MR. MANCERI: It's on the docket sheet, I
17 understand.

18 THE COURT: So it's stamped in as filed in
19 November. The clerk doesn't have -- now, they
20 may have rejected it because it wasn't
21 notarized, and that's perhaps what happened,
22 but if in the meantime waiting cured the
23 deficiency of the document, two things happen
24 you're telling me, one, Simon dies.

25 MR. MANCERI: Correct.

00032

1 THE COURT: And when those documents are
2 filed with the clerk eventually in November
3 **they're filed and one of the documents says, I,**
4 **Simon, in the present.**

5 MR. MANCERI: Of Ms. Moran.

6 THE COURT: **No, not physically present, I**
7 **Simon, I would read this in November Simon**
8 **saying I waive -- I ask that I not have to have**
9 **an accounting and I want to discharge, that**

Page 18

In Re_ The Estate of Shirley Bernstein.txt
10 **request is being made in November.**

11 MR. MANCERI: Okay.

12 THE COURT: **He's dead.**

13 MR. MANCERI: I agree, your Honor.

14 THE COURT: Who filed that document?

15 MR. MANCERI: Robert, do you know who
16 filed that document in your office?

17 MR. SPALLINA: I would assume Kimberly
18 did.

19 MR. MANCERI: Ms. Moran.

20 THE COURT: Who is she?

21 MR. MANCERI: She's a staff person [actually legal
assistant and notary public employee of TSPA] at
22 Tescher and Spallina.

23 THE COURT: **When she filed these, and one**
24 **would think when she filed these the person who**
25 **purports to be the requesting party is at least**
00033

1 **alive.**

2 MR. MANCERI: **Understood, Judge.**

3 THE COURT: **Not alive. So, well -- we're**
4 **going to come back to the notary problem in a**
5 **second.**

6 MR. MANCERI: **Okay.**

94. That Moran is alleged to have committed perjury in her initial response to the Florida Governor's inquiry and stated that the documents sent back to the Court with the admitted fraudulent notarization were the same documents the Court had sent back to TSPA, indicating that she had not forged signatures. That even a grade school child forges their parent's signature on a ditch letter better than that committed on the estate documents returned to the Court by TSPA. The two documents are wholly different signatures and writings than in the initial documents sent back, as evidenced herein and in Petition 7, Exhibit 2 Page 88 - ELIOT REBUTTAL TO MORAN ADMISSION OF FRAUD TO GOVERNOR OFFICE.
95. That to further damn MORAN'S statements that the un-notarized and notarized Waivers made under penalty of perjury that the documents were identical, are statements made in Affidavits filed with the Court on September 13, 2013, whereby four of the six people who signed the Affidavits claim, "6. It is my understanding that **the subsequently filed Waivers were not personally signed by me or the other heirs.**" [emphasis added]
96. That as Your Honor noted in the September 13, 2013 hearing, TSPA, TESCHER and SPALLINA failed to ever notify the Court of the fact that SIMON had passed when his

Waiver was signed for him anew by MORAN or an unknown other in November 2012 and sent to this Court to close the estate at that time. That their intentional failure to notify the Court SIMON had deceased and then submit documents for a dead man as if he were alive as part of a Fraud on this Court, coupled with MORAN'S admitted fraudulent notarizations makes these acts no coincidence but instead reveals a carefully planned and executed Fraud, not a "mistake" as MORAN claims.

97. That TSPA, TESCHER and SPALLINA'S acts to facilitate the Fraud by knowingly pulling a fast one, a felony fast one on this Court and the ultimate beneficiaries confirms that MORAN'S acts were not done in error, they were part of an elaborate Fraud on the Court in attempts to change beneficiaries of the estate and trusts that are a part of the estate.
98. That SIMON passed away and the estate of SHIRLEY was closed in January 2013 by a dead person attesting to facts to close the estate in the present and using documents that are known to be Fraudulent and alleged Forged and we do know that SIMON did not sign his documents in the presence of MORAN in November.
99. That it is alleged that all of these legally deficient and voidable documents evidenced herein and in Petitions 1-7 are what gave TSPA, TESCHER, SPALLINA and TED their alleged fiduciary powers in the estates, allowed the estate of SHIRLEY to be closed fraudulently with a dead SIMON signing and notarizing documents and allowed alleged beneficiary changes to occur, all through a Fraud on this Court with fraudulent documents.
100. That combined, these acts attempt to change the beneficiaries of SIMON and SHIRLEY'S estates against their estate plan wishes and desires as documented in 2008 and only appear to have been changed through fraud and forgery, in efforts to replace SHIRLEY and

SIMON's last documented wishes with the desires and wishes of TSPA, TESCHER, SPALLINA, TED and P. SIMON's, enabled through a series of fraudulent and forged documents and other legally void documents in their estates.

101. That once these alleged fraudulent documents that are improperly notarized and forged and more were submitted to the Court, the documents and the powers allegedly derived from them were used to begin a series of frauds in the estates, a rush to liquidate assets in undisclosed to ELIOT transactions in the estates of SIMON and SHIRLEY, enabled with the felonious documents and thereby each transaction made represents another crime committed with fraudulent papers, part of the reason ELIOT'S filings are so lengthy, as astutely noted to this Court by MANCERI in the hearing and part of the reason stopping further crimes based on these fraudulent documents is an EMERGENCY, as ELIOT stated in the hearing. This Court now has direct evidence that Fraud was committed in this Court and certainly cause for EMERGENCY ACTIONS BY THIS COURT and enough so to read them all their Miranda Warnings as stated by Your Honor.

102. That once these fraudulent documents and improperly notarized documents were presented to the Respondents and Interested Parties and they knew that ELIOT was demanding these documents be null and voided and brought to the attention of the Court and authorities and to cease and desist any transactions in the interim, direct efforts by TESCHER, SPALLINA, TED, P. SIMON, IANTONI, FRIEDSTEIN, A. SIMON and D. SIMON began in secreted meetings from ELIOT and his former counsel, to liquidate and distribute assets without the knowledge and consent of ELIOT and worked together to the disadvantage ELIOT and his family and even their own children, to achieve these ends.

103. That these efforts were to thwart the wishes of SIMON and SHIRLEY as documented in their last legally verified estate plan documents that appear to have never been changed by SIMON. It should be noted that SIMON was a lifetime insurance agent, who managed and operated trust companies and insurance agencies, doing thousands of complicated estate plans for high net worth clients throughout the nation and if he had wanted the beneficiary changes made they would have been “bullet proof” all i’s dotted and t’s crossed, not legally defective documents and certainly not fraudulent and forged documents.
104. That if SIMON had decided to change the beneficiaries of the estate of SHIRLEY and his own beneficiaries, he would not have done it with incomplete documents that would not be legally valid and would have made the documented changes while alive and without the aid of others and there would be none of these questions left to the imagination. Simon was meticulous in this genre of estate planning, trusts and insurance contracts. In fact, he was renowned for creating proprietary insurance plans involving complicated and extensive trusts for complicated and extensive estate plans for millionaires and billionaires, selling billions of dollars of insurance with billions of dollars of premium and millions upon millions of commissions.
105. That after the hearing on September 13, 2013 in Your Honor’s Court, ELIOT was informed by a medical professional of SIMON’S, a business associate of SIMON’S and others that SIMON was at the time of his death considering cutting the remaining children, IANTONI and FRIEDSTEIN out of the estates for their continued abuses of him and MARITZA since the May 10, 2012 meeting. Further that SIMON may have contacted SPALLINA to make those changes and thus leave ELIOT and his children and the minor grandchildren of his other children as the sole beneficiaries of the estates. On information

and belief, SPALLINA was summoned to SIMON'S office in the midst of a massive and explosive fight between TED and SIMON, just weeks before SIMON'S passing.

106. That after this explosion by TED, SIMON fled his nice plush insurance offices to begin a venture in an empty warehouse with S. BANKS and ELIOT and MARITZA and left afraid that TED might have been stealing money from him and creditor to the estate STANSBURY, who has filed suit against SIMON and SHIRLEY'S estates for the acts mainly attributable to TED, according to STANSBURY, including TED converting checks of STANSBURY'S and more.
107. That ELIOT will provide these credible witnesses upon the promise of protection of them by this Court, as several of them fear TED, in order for them to testify to the relationship SIMON had with his children prior to his death and the explosive behavior of TED to SIMON in the final weeks of his life.

STRIKE THREE – YOU'RE OUTTA THERE!

108. That with the first STRIKE dealt by the Court by returning the un-notarized Waivers, the second STRIKE was dealt when the Court rejected the second set of Waivers in the hearing on September 13, 2013, as admittedly fraudulent and of little use other than evidence of criminal wrongdoings. So began a new third attempt to further defraud the Court and rightful beneficiaries regarding the Waiver's necessary to close the estate that were submitted to the Court the day of the hearings, in efforts to try and sneak them in again as valid, with an Affidavit that crime is OK by certain parties, in efforts cover up the felony acts that have factually occurred, including Fraud on this Court worthy of Miranda Warnings.

109. That this attempt uses Affidavits to attempt to right wrongs, see **Exhibit 3 - Affidavits and UN-NOTARIZED WAIVERS** signed the day before the hearing by TED, P. SIMON, IANTONI and FRIEDSTEIN and all of which contained an attached “Exhibit A” – THE ORIGINAL UN-NOTARIZED WAIVER.

110. That in desperation, as their schemes are unraveling and Sheriff’s investigators are contacting them and there are admissions of fraudulent documents and conflicting statements from MORAN and TED, P. SIMON, IANTONI, FRIEDSTEIN and ELIOT about forgery of signatures, an insurance beneficiary and fraud scheme is coming to light, documents stand improperly notarized, including an alleged Will and Amended Trust used to allegedly change beneficiaries, and, in a brazen grandstand effort to rectify all this felony crime to Your Honor, worthless Affidavits are submitted that appear to claim fraud and forgery on the Court and ultimate beneficiaries is OK by SIMON’s four of five children and therefore should now be OK in this Court with Your Honor, because they say so and in the Affidavit’s language, you cannot question the validity of the documents presented, well, the insult to Your Honor continues.

AFFIDAVITS BY PARTIES ALLEGED INVOLVED IN FRAUD, IN EFFORTS TO MAKE FRAUD AND FORGERY OK BY THIS COURT AND INVESTIGATORS

111. That the first part of the Affidavits filed on September 13, 2013 by MANCERI, on behalf of TESCHER and SPALLINA personally or TSPA, TESCHER and SPALLINA as estate counsel and apparently acting as counsel on behalf of TED, P. SIMON, IANTONI and FRIEDSTEIN’S CHILDREN through their alleged parent Trustees, as they appear not to have separate counsel representing them and submitting these Affidavits to the court for either themselves personally or their alleged children beneficiaries (notably none of them

were present as Trustee's for their children at the hearings), are signed Affidavits by TED, P. SIMON, IANTONI and FRIEDSTEIN, attested to under sworn oath.

112. That one of the most damning evidences against MORAN, TSPA, SPALLINA, TESCHER and MANCERI, in their claims to the Court that the un-notarized and notarized Waivers were identical other than the notary stamp, are the statements made under oath by the Affiants, **"It is my understanding that the subsequently filed Waivers were not personally signed by me or the other heirs"** [emphasis added] signed by TED, P. SIMON, IANTONI and FRIEDSTEIN and basically claiming their signatures have been forged.
113. These are then sworn statements that Forgery, a felony crime, has taken place in the estates on Waivers MORAN has already admitted to forgery and SPALLINA has already admitted to this Court his "involvement" as estate counsel, and "where there is smoke there is fire." If forged and fraudulent and MORAN has lied to the Governor's office and SPALLINA can be shown to have lied to this Court, as evidenced further herein, the question becomes WHY? The whole claim by MORAN and SPALLINA that this was an innocent one off notary mistake of MORAN'S becomes shattered, as this took careful planning and is a far larger crime than they have led this Court and others to believe.
114. That the thought that MORAN would do such felony forgery and fraud on her own, while a legal assistant and notary employee of the law firm TSPA is ludicrous and legally it is moot as the law firm and lawyers are wholly responsible for the acts of their notaries and liable for all damages caused while they are engaged in official business.
115. That where SPALLINA ADMITTED in the hearing on September 13, 2013 that he, SPALLINA, was involved as estate counsel in the fraudulent acts of MORAN. Yet,

SPALLINA then lies to the Court and claims that the un-notarized and notarized Waivers' signatures were identical, despite knowing that four of the Affiants claimed they are not in sworn statements that he later filed with the Court.

116. That the fraud continued in the Court, even after in the hearing when Your Honor stated that everything changed if the documents were FORGED and neither TSPA, TESCHER, SPALLINA, MANCERI or TED came forth and told Your Honor the truth that the notarized Waivers were forged and threw themselves at Your Honor's feet and begged for mercy in attempts to purge their souls of their sins and instead they continued to perpetrate a fraud in Your Honor's courtroom and disgrace Your Honor with lies and more lies trying to dance around the truth of the forgeries, knowing admission of the truth could put them behind bars.

117. That knowing of a Felony and failing to report it to authorities is Misprision of a Felony and Obstruction of Justice and attempting to cover it up and pooh pooh it through an Affidavit that further states, "7. In order to permit my mother's estate to be closed **without any question of the validity of my Waiver** [emphasis added], I hereby state under oath that the attached Exhibit 'A' is my free and voluntary act as if the Waiver had been originally executed in conformity with the requirements of the Court" also appears to be Aiding and Abetting the felonious crimes, especially where such Willful, Wanton, Reckless, and Grossly Negligent behavior and disregard of the law benefits certain of the parties personally to the disadvantage of others, including their own children. This belief and behavior that their majority rules despite what is legal may indicate that children that pack together to prey upon their father, may do so to their children too. Analogous to this would be a bank robber robbing a bank and on the way out the door after killing the guard

handing out \$100.00 bills to the rest of the people in the bank who then tell authorities it was ok that he robbed the bank and murdered a man in the way of his escape, as we forgive him and so should Your Honor, so let's move on, while pocketing the \$100.00.

118. That Your Honor's words linger from the hearing,

17 THE COURT: Mr. Bernstein, I want you to
18 understand something. Let's say you prove what
19 seems perhaps to be easy, that Moran notarized
20 your signature, your father's signature, other
21 people's signatures after you signed it, and
22 you signed it without the notary there and they
23 signed it afterwards. That may be a wrongdoing
24 on her part as far as her notary republic
25 ability, **but the question is, unless someone**
00060
1 **claims and proves forgery, okay, forgery,**
2 **proves forgery, the document will purport to be**
3 **the document of the person who signs it, and**
4 **then the question is, will something different**
5 **happen in Shirley's estate then what was**
6 **originally intended?**

119. That now that the Prima Facie evidence of Forgery exists by admittedly by five out of six signors of the Waivers denying that it is their signature on the notarized Waiver and thereby conceding that it was forged, the Court can presume the document is forged as well as admittedly fraudulent and not the document of the person who signed it. That without the Waivers being valid and without Simon now able to sign one, the intent of SIMON is clear, he never signed one, the estate was never legally closed and therefore he never made any beneficiary changes.

8 THE COURT: November 21st.
9 MR. SPALLINA: Yeah, it was after his date
10 of death.
11 THE COURT: **Well, how could that happen**
12 **legally? How could Simon --**
13 MR. MANCERI: Who signed that?
14 THE COURT: **-- ask to close and not serve**

15 a petition after he's dead?

120. That without the estate closed with these fraudulent and forged documents, no changes to the beneficial interests could be made by SIMON while he was alive by allegedly amending the Simon Bernstein Trust and Will to change SHIRLEY'S beneficiaries, as the estate was really open when he died and only closed through felony admitted crimes.
121. That where the fraud in SHIRLEY'S estate to change the beneficiaries is only enabled through execution of documents in SIMON'S estate after her estate is closed, which it was not at the time as SIMON was deceased when closing it and these Waivers now become central puzzle pieces of the bigger fraud being committed in the estates once the admitted fraudulent and alleged forged and fraudulently notarized Waivers were approved of by Your Honor.
122. That therefore, SIMON'S documents must now be entered into this Court and reviewed in light of the total picture of Fraud that is going on in this Court and Hon. Judge French's court in SIMON 'S estate, as they appear legally related and certainly the documents are inter-related and must be allowed into this Court to show the total fraud going on and how it is being committed in both estates.
123. That Exhibit A of the Affidavits are alleged to be the original un-notarized Waivers and those that were rejected by the Court already, now re-submitted to the Court, in efforts to fool the Court to accept them as valid without any question as to the validity of the Waiver being tendered to this Court. Now the Affiants want to use the un-notarized Waivers to close the estate in the present and act as if they were notarized in the past, which they were not in the past notarized or now presently notarized. Why did they not just execute new notarized Waivers in the present that could have been tendered to the Court as valid and

instead are forced to attempt to have your honor again accept UN-NOTARIZED Waivers and be unable to challenge their validity? Why did they not submit the fraudulently notarized Waivers with the Affidavit and attest to their validity, as they need notarization to conform to the requirements of this Court. Perhaps because they claim that the notarized Waivers signatures are not their signatures and instead were forged (without saying FORGED to this Court) and the statement would be a big leap in Aiding and Abetting, so they danced around the issue of Forgery in the Affidavits and at the hearing, instead of coming straight out and admitting and reporting the FELONY FORGERY and FRAUD involved in the creation of the Waivers?

124. That this Court has a rule that Waivers must be notarized and thus in no way can Exhibit A un-notarized Waivers have been executed at that time in the past or any time henceforth in conformity with the requirements of the Court without a notarization, despite conflicted parties now attempting to tell the Court that it is valid without notarization. However the validity cannot be questioned cause they say so in the Affidavit and its four against two and ELIOT and SIMON lose by their majority rule mentality, not the rule of law. Lest we forget that now in the present SIMON'S Waiver cannot exist and thus having four or five out of the six rejected Waivers used has no effect, as SIMON'S Waiver will remain missing.

125. That it seems impossible for this Court to accept the Affidavits and Waivers submitted and close the estate of Shirley now in the present after reopening the estate at the hearing, especially without being able to check the validity of the Waivers being used and merely accepting four out of six of the Waivers as valid, knowing they are based on conflicted parties representations that they are valid without question, "as if" their un-notarized

Waivers are valid despite the Admission and Acknowledgement of Fraudulent Notarization and their own admissions that they are FORGED and FRAUDULENT.

126. That these Waivers submitted are a part of a Pattern and Practice of Fraud on this Court whereby SPALLINA in the hearing confirmed that he was also “involved” in the crimes of MORAN as Attorney for the estate and according to Respondent Superior and Florida Law responsible directly for notary publics in his and his law firms employ.
127. That in all the time TSPA, TESCHER, SPALLINA, TED, P. SIMON, IANTONI & FRIEDSTEIN had knowledge that notarizations and other documents were alleged fraudulent, shortly after May 06, 2012 when Petition 1 was served on them by ELIOT, they took no corrective actions to notify the Court or criminal authorities of the crimes that had taken place and made no protestations that this had taken place in the estates in their names, how strange.
128. That not until the September 13, 2013 hearing before Your Honor and approximately four months after being served Petition 1 and only after the Notary Public MORAN admitted and acknowledged she fraudulently notarized documents and TSPA tendered those forged and fraudulent documents this Court, without noticing the Court of the fraud and an Emergency Hearing was granted by Your Honor to ELIOT, did TED, P. SIMON, IANTONI and FRIEDSTEIN and estate counsel TESCHER and SPALLINA finally come forward to this Court or any other authority, to notify them of their admitted fraudulent and alleged forged signatures, except ELIOT, who as usual did the right thing as taught to him by his father and mother.
129. That instead these facts were ignored by all of them and TSPA, SPALLINA, TESCHER and TED continued administering the estate and liquidating assets and converting the

proceeds as quickly as they could and all the while “mum’s the word” to the Court and ELIOT, all despite ELIOT’S protestations that the documents filed were legally insufficient, fraudulent and forged and that in light of these discoveries a Court would have to determine the beneficiaries since these were KEY documents that attempted to change the beneficiaries of the estates.

130. That despite the knowledge that documents in the estates of SIMON and SHIRLEY were alleged fraudulent and forged and other essential documents improperly notarized and legally voidable for months, they did not halt the proceeding and attempt to honestly rectify any defects, with the Court or others and in fact they did the opposite. They began efforts to convert assets to the alleged improper beneficiaries and continued in opposite of the wishes of SIMON and SHIRLEY by using the knowingly fraudulent and forged documents to enable them to subvert the documents on file, which appear to be the legally binding Wills and Trusts that were signed in 2008 by both SIMON and SHIRLEY and on those documents their words are clear as to the beneficiaries and they appear properly documented.

131. That on or about September 12, 2013, TED, P. SIMON, IANTONI and FRIEDSTEIN signed affidavits and attempted to present them at the hearing as some form of evidence that would correct the mass of problems created by the fraudulent and alleged forged notarizations in their names, as if they all joined together as gang, TED, P. SIMON, IANTONI and FRIEDSTEIN to write affidavits that admitted fraudulent and alleged forged documents were tendered in their names and by resending this Court the rejected un-notarized copies with their affidavits that everything was OK by them and nothing changed.

132. That they forgot to send ELIOT and SIMON Affidavits, presumably knowing ELIOT would not participate in fraud and cover up of felony crimes and excuse criminal acts done in the estate and criminal acts done on behalf of his deceased father. More importantly ELIOT does not believe they have an Affidavit for the one person, more important than any other to effectuate any change in the estates, the one necessary to say everything is OK with his name being forged on an admittedly fraudulent notarized Waiver and with an alleged forged signature of his in the estate of SHIRLEY, SIMON. The main man SIMON who allegedly wants to make the changes cannot now where he remains dead. This hokey nonsense in the Affidavits is again a bigger waste of this Court and everyone else time, effort and monies, other to than to point to the guilty parties who signed these bogus Affidavits as part of an attempted cover up for crimes they knowingly were partaking in and benefiting from, through yet another Fraud on this Court and the ultimate beneficiaries.

DEFECTS IN WAIVERS – EXHIBIT A OF THE AFFIDAVITS RESUBMITTED TO THIS COURT WITH ANOTHER NOT NOTARIZED WAIVER ON SEPTEMBER 13, 2013, THE DAY OF THE HEARING.

133. That several problems appear with the new Affidavit and Exhibit A - Waiver attached to each affidavit signed on September 12, 2013.

134. That several problems appear with the new Affidavit and Exhibit A - Waiver attached to each affidavit signed on September 12, 2013,

- i. TED states on the UN-NOTARIZED Waiver sent back to the Court in “Exhibit A” of the Affidavit, that “The undersigned, Ted S. Bernstein, whose address is 880

Berkeley Street, Boca Raton. Florida 33487, and who has an interest in the above estate as **beneficiary** [emphasis added] of the estate:”

That this statement by TED that he is a beneficiary of the estate of SHIRLEY at that time in August 2012 when he claims to have signed this rejected and useless Waiver is wholly false and perjured as well, as TED was not then or now a beneficiary of the estate of SHIRLEY, even if the alleged changes had been made by SIMON. As the Court will remember, TED was disinherited from the estate as a beneficiary and the proposed changes in beneficiaries was to make his adult children beneficiaries, again skipping TED and leaving him out the estate as a beneficiary in either scenario.

- ii. That P. SIMON states on the UN-NOTARIZED Waiver sent back to the Court in “Exhibit A” of the Affidavit, that “The undersigned, PAMELA B. SIMON, whose address is 950 North Michigan Avenue, Suite 2603, Chicago, Illinois, and who has an interest in the above estate as **beneficiary** [emphasis added] of the estate:”

That this statement by P. SIMON that she is a beneficiary of the estate at that time is wholly false and perjured, as P. SIMON was not then or now a beneficiary of the estate of SHIRLEY, even if the alleged changes were made by SIMON. As the Court will remember, P. SIMON was excluded from the estate as a beneficiary and the proposed changes in beneficiaries was to make her adult child a beneficiary, again skipping P. SIMON and leaving her out of the estate as beneficiary in either scenario.

- iii. That the Waivers are all tendered to the Court and docketed in the Court on October 24, 2012, two months after SIMON passed. That on the day the Waivers were tendered to the Court by TSPA, the statements in the Waiver were materially false and estate counsel TSPA, TESCHER and SPALLINA knew that they were false

statements at the time of filing but filed them regardless of the truth of the claims being made on that date to this Court by SIMON who was deceased, Without notifying the Court that the Trustee and Personal Representative SIMON had died and TSPA, TESCHER and SPALLINA failed to file the necessary papers for successors to be chosen and approved by all beneficiaries and Letters granted as no PR or TRUSTEE existed at the time the Waivers were tendered to close the estate fraudulently as SIMON was dead at the time. Just close the estate with a dead man's forged and fraudulent Waiver, change the beneficiaries with a dead person and more improper documents and hope no one noticed and the perfect crimes could take place to loot the estates.

- iv. That on the date the Waivers were filed with the Court, there was no Personal Representative or Trustee of SHIRLEY'S estate, as SIMON was dead and no one ever replaced SIMON or was Court appointed with Letters as successor, as evidenced in the hearing before this Court on September 13, 2013. That despite TED being named a successor to SIMON in the Trust and Will of SHIRLEY in the 2008 documents, no proper legal steps were taken to appoint TED and notice the beneficiaries and that trustees had changed. That these changes allegedly made also put TED into conflict and not at the current time eligible to be a successor trustee due to his being Trustee for his alleged children beneficiaries, a condition that was not true in the 2008 documents where TED and his children were excluded and thus he had no conflicts at that time.
- v. That due to the fact there was no Personal Representative or Trustee at the time the Waivers were filed with the Court to close the estate, as SIMON was dead when this

was done for him as if he were alive and thus no successors were ever appointed and the estate closed by a dead man. Therefore, the following claims could not have been true in the Waivers on the date they were filed with the Court, in October 2012, one month after SIMON the Personal Representative and Trustee had passed but was still acting as Personal Representative and Trustee to close the estate.

- i. That in subsection (b) of the Waiver each party, TED, P. SIMON, IANTONI, FRIEDSTEIN “Waives the filing and service of a final or other accounting by the personal representative.” Where there was no Personal Representative at that time as SIMON was dead and no successor appointed. This statement appears false both then and in their new Affidavits, as no successor had been chosen as of the date of the hearing or the date the Affidavits were signed.
- ii. That in subsection (c) of the Waiver each party, TED, P. SIMON, IANTONI, FRIEDSTEIN “Waives the inclusion in the Petition for Discharge of the amount of compensation paid or to be paid to the personal representative, attorneys, accountants, appraisers, or other agents employed by the personal representative, and the manner of determining that compensation.” That for the same reason as above that there was no personal representative at that time and therefore none of the people could be employed by the personal representative of whom rights were being waived for, this statement appears false both then and now. Further, no documents were sent by estate counsel to the beneficiaries, ELIOT, IANTONI and FRIEDSTEIN to make this claim with informed consent due to the suppressed documents.

- iii. That in subsection (d) of the Waiver each party, TED, P. SIMON, IANTONI, FRIEDSTEIN, “(d) Expressly acknowledges that the undersigned has actual knowledge of the amount and manner of determining the compensation of the personal representative, attorneys, accountants, appraisers, or other agents; has agreed to the amount and manner of determining such compensation; and waives any objections to the payment of such compensation” That for the same reason as above that there was no Personal Representative at that time this statement was filed with the Court and also appears false as how can one determine the compensation of one that does not legally exist at the time. Also, this statement appears false as IANTONI and FRIEDSTEIN stated to ELIOT that they had no documents in the estates either at the time of SIMON’S death or after and thus how could they attest to having knowledge of something that is not true. If they did have the knowledge gained from documents or other information this would prove that TSPA, SPALLINA and TESCHER were working with certain beneficiaries to the disadvantage of another, as ELIOT did not have any documents to have such knowledge or make these claims with informed consent due to the suppressed information.
- iv. That in subsection (f) of the Waiver each party, TED, P. SIMON, IANTONI, FRIEDSTEIN, “(f) Waives service of the Petition for Discharge of the personal representative and all notice thereof upon the undersigned” where there was no Personal Representative at the time to discharge or notice thereof.

v. That in subsection (g) of the Waiver each party, TED, P. SIMON, IANTONI, FRIEDSTEIN, “(g) Acknowledges receipt of complete distribution of the share of the estate to which the undersigned was entitled” but where there was no receipt of distribution of the share of the estate to which the undersigned was entitled for ELIOT, IANTONI and FRIEDSTEIN, as they did not receive any documents, accounting and inventories from TSPA, TESCHER and SPALLINA for months after SIMON’S passing, making these claims made without informed consent and therefore false due to the suppression of the information.

135. That ELIOT claims that his un-notarized Waiver is fraught with lies and perjured statements signed again under duress and led to believe that his signed document would not be tendered without his review of the documents and that he signed only to relieve his father of instant stress, mental torture and possible heart failure. That months passed from May to October and ELIOT thought nothing ever came of the changes and his Waiver as ELIOT never received the underlying documents necessary to approve his Waiver for submission based on informed consent and make his Waiver valid and TSPA, TESCHER and SPALLINA knew that ELIOT could not make those claims while they suppressed and denied the documents necessary to make informed consent to Waive.

136. That TSPA, TESCHER and SPALLINA FAILED TO NOTIFY ELIOT THAT HE WAS A BENEFICIARY in the estate of SHIRLEY in violation of law and then when he did find out in May 2012, they refused to turn over ANY documents to ELIOT while he was a beneficiary of the estate of SHIRLEY to make those claims in his Waiver true and forced him to sign them blindly in love of his father and through deceit conned ELIOT that

everything due ELIOT legally as a beneficiary to make an informed consent to the Waiver would be coming soon to review and never have them months later when his Waiver was attempted to be used.

137. That when they knew they would never get ELIOT to participate in a Fraud, TSPA, TESCHER, SPALLINA and MORAN decided to commit fraud for him through forging his name when the Court sent the document back in efforts to obliterate the wishes and desires of SIMON and replace them with the wishes and desires of TED, P. SIMON, IANTONI, FRIEDSTEIN, SPALLINA and TESCHER.
138. That ELIOT'S un-notarized Waiver was rejected by the Court and the notarized one is not ELIOT'S original Waiver and is not ELIOT'S writing in the date as with the alleged original and is not ELIOT'S signature from the alleged original.
139. That ELIOT alleges that the alleged original UN-NOTARIZED document in the Court docket is also not the document ELIOT sent to TSPA, TESCHER and SPALLINA and that document may have been altered as well and ELIOT waits an opportunity to inspect the original documents and all of them with forensic experts.

MOTION TO ORDER ALL DOCUMENTS BOTH CERTIFIED AND VERIFIED REGARDING ESTATES OF SHIRLEY AND SIMON (SIMON'S DOCUMENT ARE REQUESTED AS IT RELATES TO SHIRLEY'S ALLEGED CHANGES IN BENEFICIARIES) BE SENT TO ELIOT AND HIS CHILDREN IMMEDIATELY IN PREPARATION FOR THE EVIDENTIARY HEARING ORDERED BY THIS COURT

140. That documents in the estate of SHIRLEY were discussed in the hearing relating to ELIOT and his children, involving trusts, beneficial interests and new assets that have not been disclosed to ELIOT and instead are also suppressed and denied from both ELIOT and his former counsel, with scienter. Again, one must ask why, what are they hiding? ELIOT is

a beneficiary and a “trustee” for his alleged children beneficiaries and therefore must have the missing and suppressed documents in advance of the upcoming Evidentiary Hearing that have been denied and suppressed from him in both SHIRLEY and SIMON’S estates, certified and verified estate documents with the original available for forensic inspections now that admitted fraudulent notarizations have occurred and forgery. EVERY DOCUMENT IS NOW SUSPECT IN BOTH ESTATES.

141. That in the US District Court for the Northern District of Illinois Eastern Division, Case No. 13cv3643, the Hon. Judge Amy J. St. Eve ordered that suppressed and denied insurance policies and “lost” trust documents be immediately tendered to ELIOT so that he could review the documents that he was sued as a Third Party defendant in over the benefits, in a secreted lawsuit filed to attempt to convert insurance proceeds from the estate beneficiaries.

142. That ELIOT and his children are entitled to these estate documents that have been wholly secreted, suppressed and denied from them since SHIRLEY’S passing on December 08, 2010 and SIMON’S passing on September 13, 2012 in opposite of law, see **Exhibit 4 - LIST OF DEMANDED DOCUMENTS**.

143. That one such document that should have been legally tendered to either ELIOT as beneficiary or ELIOT as TRUSTEE for his children beneficiaries, after SIMON’S death by estate counsel, was the original SIMON BERNSTEIN TRUST AGREEMENT. ELIOT and his counsel in January 2013 finally received piecemeal documents, including an AMENDED SIMON BERNSTEIN TRUST AGREEMENT without the original as required, as the original remains suppressed and repeatedly denied oral and written request after request for now approximately 16 months since the May 2012 meeting when the first

requests were made. Why this Court must ask if all is on the up and up are they violating law and denying and suppressing this information so ELIOT and his children cannot make informed decisions to consent to any transactions going on or prepare properly for the upcoming evidentiary hearing without them. These documents are especially germane now where so many other documents already appear to be defective and NOT legally binding.

144. That in post September 13, 2013 calls with business associates of SIMON, ELIOT was informed that TED and a one Kimberly Baxley (“BAXLEY”) participated in removal of documents and effects of SIMON’S office. That it is alleged that after SIMON died, TED sent the employees of his and SIMON’S companies an email that the offices would be closed for approximately 1 week and not to come to work. That during this time, TED and BAXLEY removed and/or destroyed SIMON personal and business effects.
145. That BAXLEY is also involved in other documents improperly notarized and formal complaints are being drafted for both the Governor’s office and Sheriff’s department to investigate these documents as well.
146. That on September 13, 2012, immediately after SIMON was deceased, TED sent WALKER to SIMON’S home as he lay dying to remove personal and business items from SIMON’S home, including but not limited to, estate documents and MARITZA documents.
147. That SHIRLEY died on December 08, 2010 and until May 15, 2012 ELIOT was still **uninformed** by TSPA, Tescher and SPALLINA that he was a beneficiary of the estate of SHIRLEY as required by law.

148. That the entire time that ELIOT was a beneficiary of the estate of SHIRLEY his interests and his children's alleged interests were suppressed and denied from him with scienter and he received NO DOCUMENTS, INVENTORIES, ACCOUNTINGS or any other information regarding his beneficial interests timely and this Court must now demand these documents sent to ELIOT immediately and without further delay.
149. That ELIOT demanded the documents from TSPA, TESCHER and SPALLINA and after being refused and further threatened with unfair and harsh treatment if he sought counsel for himself or his children by TSPA, SPALLINA, TED and P. SIMON, all claiming counsel to parse the conflicts and review the estate documents was unnecessary and a waste of money, etc., as already evidenced in Petition 1, ELIOT therefore hired Tripp Scott and Christine C. Yates as counsel.
150. That Your Honor should demand all documents in the estate of SHIRLEY and those in SIMON'S that relate to SHIRLEY'S estate matter be turned over to ELIOT and his children, as they are entitled to them by law and even after retaining counsel and counsel attempting to the secure the documents for month, counsel failed, perhaps Your Honor can have more influence.

MOTION TO FOLLOW UP ON SEPTEMBER 13, 2013 HEARING AND CLARIFY AND SET STRAIGHT THE RECORD

BIG FAT LIES

151. That a hearing was held and the Transcript for that hearing can be found @ www.iviewit.tv/20130913TRANSCRIPT.pdf, fully incorporated by reference in entirety herein.

LIE #1

152. That in the September 13, 2013 hearing it was learned that TED claimed to this Court,

11 **MR. THEODORE BERNSTEIN: Your Honor, Ted**
12 **Bernstein, trustee of the estate, and I'm here**
13 **representing myself today.**

Yet, learned later at the hearing was that since SIMON closed the estate as Personal Representative and Trustee while dead and TSPA, TESCHER and SPALLINA failed to notify the Court that Simon was dead until the hearing on September 13, 2013 one year to the day later, that there was no Personal Representative and Trustee in the estate at the time of the hearing, as since SIMON'S closed the estate while dead no new Letters had been granted or even sought for TED or anyone else as Personal Representative, Trustee or Successor Trustee.

17 THE COURT: Okay. Who are the PR's that
18 you represent?

19 MR. MANCERI: Well, Shirley Bernstein
20 **there is no technically any PR because we had**
21 **the estate closed.**

22 THE COURT: Okay.

23 MR. MANCERI: And what emanated from
24 Mr. Bernstein's 57-page filing, which falls
25 lawfully short of any emergency, was a petition
00024

1 to reopen the estate, **so technically nobody has**
2 **letters right now.**

3 Simon Bernstein, your Honor, who died a
4 year ago today as you heard, survived his wife,
5 Shirley Bernstein, who died December 10, 2010.
6 Simon Bernstein was the PR of his wife's
7 estate.

8 As a result of his passing, and in attempt
9 to reopen the estate we're looking to have the
10 estate reopened. **So nobody has letters right**
11 **now, Judge. The estate was closed.**

12 THE COURT: So you agree that in Shirley's
13 estate it was closed January of this year,
14 there was an order of discharge, I see that.
15 Is that true?

16 MR. ELIOT BERNSTEIN: I don't know.
17 THE COURT: Do you know that that's true?
18 MR. ELIOT BERNSTEIN: Yes, I believe.
19 THE COURT: So final disposition and the
20 order got entered that Simon, your father --
21 MR. ELIOT BERNSTEIN: Yes, sir.
22 THE COURT: -- he came to court and said I
23 want to be discharged, my wife's estate is
24 closed and fully administered.
25 MR. ELIOT BERNSTEIN: No. I think it
00025
1 happened after --
2 THE COURT: No, I'm looking at it.
3 MR. ELIOT BERNSTEIN: What date did that
4 happen?
5 THE COURT: January 3, 2013.
6 MR. ELIOT BERNSTEIN: He was dead.
Page 14
In Re_ The Estate of Shirley Bernstein.txt
7 MR. MANCERI: That's when the order was
8 signed, yes, your Honor.
9 THE COURT: He filed it, physically came
10 to court.
11 MR. ELIOT BERNSTEIN: Oh.
12 THE COURT: **So let me see when he actually
13 filed it and signed the paperwork. November.
14 What date did your dad die?**
15 MR. ELIOT BERNSTEIN: **September. It's
16 hard to get through. He does a lot of things
17 when he's dead.**
18 THE COURT: **I have all of these waivers by
19 Simon in November. He tells me Simon was dead
20 at the time.**
21 MR. MANCERI: **Simon was dead at the time,
22 your Honor.** The waivers that you're talking
23 about are waivers from the beneficiaries, I
24 believe.
25 THE COURT: No, it's waivers of
00026
1 accountings.
2 MR. MANCERI: Right, by the beneficiaries.
3 THE COURT: Discharge waiver of service of
4 discharge by Simon, Simon asked that he not
5 have to serve the petition for discharge.
6 MR. MANCERI: Right, that was in his
7 petition. When was the petition served?
8 THE COURT: November 21st.
9 MR. SPALLINA: Yeah, it was after his date
10 of death.
11 **THE COURT: Well, how could that happen**

12 legally? How could Simon --
13 MR. MANCERI: Who signed that?
14 **THE COURT: -- ask to close and not serve**
15 **a petition after he's dead?**
16 MR. MANCERI: Your Honor, what happened
17 was is the documents were submitted with the
18 waivers originally, and this goes to
19 Mr. Bernstein's fraud allegation. As you know,
20 your Honor, you have a rule that you have to
21 have your waivers notarized. And the original
22 waivers that were submitted were not notarized,
23 so they were kicked back by the clerk. They
24 were then notarized by a staff person from
25 Tescher and Spallina admittedly in error. They
00027
Page 15
In Re_ The Estate of Shirley Bernstein.txt
1 should not have been notarized in the absentia
2 of the people who purportedly signed them. And
3 I'll give you the names of the other siblings,
4 that would be Pamela, Lisa, Jill, and Ted
5 Bernstein.
6 **THE COURT: So let me tell you because I'm**
7 **going to stop all of you folks because I think**
8 **you need to be read your Miranda warnings.**
9 MR. MANCERI: I need to be read my Miranda
10 warnings?
11 **THE COURT: Everyone of you might have to**
12 **be.**
13 MR. MANCERI: Okay.

TED'S statement to this Court at the beginning of the hearing that he is "trustee of the estate" is therefore a **BIG FAT LIE** and estate counsel knew no one legally and technically had papers as they closed the estate with a dead man and never sought a successor. Yet, estate counsel has allowed and Aided and Abetted TED in his claims that he was "trustee of the estate" and had authority to act in these capacities since day one after SIMON passed when they seized dominion and control of the estate using this false claim and false titles, despite ELIOT'S protestations that TED was neither qualified nor appointed by the Court and conflicted if the beneficiaries had been changed. This again

illustrates Willful, Wanton, Reckless, and Grossly Negligent behavior by TSPA, TESCHER, SPALLINA and TED.

153. That TED has been acting in many transactions listed in Petitions 1-7 since SIMON'S passing claiming he was "Successor Trustee" and "Personal Representative" in the estate of SHIRLEY in order to fraudulently dispose of assets, acting as an imposter without Letters. Transacting estate asset sales and removal of properties in secreted from ELIOT, self-dealing fraudulent transactions, with the aid of TSPA, TESCHER and SPALLINA, all enabled using falsified fiduciary titles with the approval of estate counsel TSPA, TESCHER and SPALLINA, who knew all along the estate was closed fraudulently by a dead man and no successors were appointed and failed to notify the Court they were using a dead man to close the estate. This again illustrates Willful, Wanton, Reckless, and Grossly Negligent behavior by TSPA, TESCHER, SPALLINA and TED and disregard for law.

154. That TED under these alleged fiduciary roles has sold a Condominium and removed other items in the estate and trusts of SHIRLEY with P. SIMON, IANTONI and FRIEDSTEIN and as Your Honor learned in Court, the Condominium was sold and already divvied up between 7/10th of the grandchildren. Also stated at the hearing was ELIOT'S refusal to take this illegally gained money for his children on transactions he had no details regarding, that were done behind the back of ELIOT and his children's counsel, done by alleged fiduciaries at the time and ELIOT alleges these transactions were made fraudulently and the monies converted to knowingly wrong beneficiaries using documents that were fraudulent and alleged forged by fraudsters misrepresenting fiduciary titles in the estates.

155. That it should irritate this Court that this real estate transaction was done despite protestations by ELIOT that TED did not have fiduciary powers in the estate and where everyone was aware that documents in the estate did not appear legally binding and possibly criminal at that time. Yet, no one came forth to the Court to clarify these issues and instead rushed to liquidate assets in undisclosed to certain of the beneficiaries and their counsel dealings, to their advantage and the disadvantage of others, again Willful, Wanton, Reckless, and Grossly Negligent behavior by TSPA, TESCHER, SPALLINA, TED, P. SIMON, IANTONI and FRIEDSTEIN.

156. That in the September 13, 2013 hearing it was learned that no one was representing the estate at the hearing as either the Personal Representative or Trustee (other than TED'S unrepresented self-professed claim of "trustee of the estate"), and where MANCERI was representing only TESCHER and SPALLINA personally it appears and no one represented them professionally.

5 MR. MANCERI: Good afternoon, your Honor,
6 Mark Manceri. I'm here on behalf of Robert
7 Spallina and Donald Tescher, named respondents.

157. That it would appear from the hearing transcript that several parties were not represented by counsel at the hearing, including estate counsel the law firm of TSPA and SPALLINA and TESCHER professionally, as MANCERI claims they are individually represented according to the quote above. There is no mention of counsel for TSPA, TESCHER and SPALLINA professionally and both are individually and professionally named respondents as estate counsel for SHIRLEY'S estate and their law firm TSPA is also a named respondent that did not appear represented and all of these parties need to have

independent counsel, especially in light of the circumstances of their direct and admitted involvement in fraud and fraud on the Court learned at the hearing.

158. That TED appears personally represented while claiming to be the alleged “Trustee for the Estate” as represented to Your Honor, however TED claimed to be Pro Se in the hearing representing himself personally and where TED is also a named respondent in all his alleged fiduciary capacities and notably has NO counsel to represent these bogus alleged fiduciary capacities on behalf of the estate or trusts of SHIRLEY and again this Willful, Wanton, Reckless, and Grossly Negligent behavior represents carelessness as a fiduciary that exposes the estate to risk.

159. Several parties were not represented at the hearing at all, as they did not exist at that time, such as the, Personal Representative, Trustee and/or Successor Trustee, due to the Fraud upon this Court in the closing of the estate after SIMON was dead, while using SIMON as if he were alive and utilizing documents signed and notarized for him post mortem and the failure of estate counsel to notify this Court that SIMON was dead and get new Letters issued to successors. This Court must ask WHY? WHY would they go through all this trouble to forge and fraud documents and then posit them with the Court knowing they were fraudulent and that the man closing the estate was dead and secret this information from the Court and the beneficiaries?

160. That none of the alleged beneficiaries other than ELIOT were present at the hearing and none of them were represented by counsel, none of the interested parties were present or represented by counsel and none of the minor children beneficiaries were represented by counsel or their trustee parents. Again, this represents Willful, Wanton, Reckless, and

Grossly Negligent behavior by those with fiduciary responsibilities for minors and cause for their removal from fiduciary roles or at minimum a Guardian should be appointed for their minor children.

161. That in the September 13, 2013 hearing it was learned that a Fraud on the Court had occurred by TSPA, TESCHER, SPALLINA and MORAN, in filing knowingly and ADMITTEDLY FRAUDULENT and FORGED documents to this Court. That because of these criminal acts were found to be done through legal process abuse that used the Court to facilitate the crimes, Your Honor stated that you should have read them their “Miranda Warnings” at that moment it was discovered that crimes had been committed upon your Court and yourself personally, as you signed off and closed the estate based on these fraudulent and forged documents.

162. That in the September 13, 2013 hearing it was learned that SIMON ALLEGEDLY made changes to the estate of SHIRLEY, once the estate had been FRAUDULENTLY closed using FRAUDULENT documents and therefore this Court needs to look at the documents SIMON used in his estate to effectuate the ALLEGED changes in SHIRLEY’S estate and these documents in SIMON’S estate must be turned over to Your Honor and ELIOT for inspection as to authenticity and to determine who the beneficiaries in SHIRLEY’S estate and trusts now are.

18 THE COURT: I know the administration is
19 closed. What happened with her estate? Where
20 did that go? Did she have a will?
21 MR. MANCERI: Her assets went into trusts,
22 and her husband had a power of appointment
23 which he exercised in favor of Mr. Bernstein's
24 children.
25 THE COURT: Okay.

163. That in the September 13, 2013 hearing it was learned that counsel for the estate counsel SPALLINA and TESCHER, and possibly counsel for TED soon, as stated in the hearing record, MANCERI, is uncertain if TED is Successor Trustee in a trust of SHIRLEY'S that TED has been acting under such capacity and where no Letters appear stating such appointment in the record, as SIMON closed the estate two months after he was dead and no successors were chosen as Your Honor discovered in the hearing, as the estate of SHIRLEY was closed as if SIMON were alive at the time and therefore SIMON was the last known Personal Representative and Trustee of the estate.

7 THE COURT: So her estate assets went into
8 a trust?

9 MR. MANCERI: Correct.

10 THE COURT: And that trust is --

11 MR. MANCERI: **And Ted Bernstein, I**

12 **believe, is the trustee of that trust.**

And later

19 MR. MANCERI: Ms. Moran.

20 THE COURT: Who is she?

21 MR. MANCERI: She's a staff person at

22 Tescher and Spallina.

23 THE COURT: **When she filed these, and one**

24 **would think when she filed these the person who**

25 **purports to be the requesting party is at least**

00033

1 **alive.**

2 MR. MANCERI: **Understood, Judge.**

3 THE COURT: **Not alive. So, well -- we're**

4 **going to come back to the notary problem in a**

5 **second.**

164. This behavior is similar to how TED misrepresented himself to the Court in the beginning of the hearing as "MR. THEODORE BERNSTEIN: Your Honor, Ted Bernstein, **trustee of the estate**, and I'm here representing myself today." While TED claims to be "trustee of

the estate” he comes to the Court in his individual capacity only, despite that he is named as an individual respondent and represents himself pro se in that capacity. Yet, as an alleged fiduciary, acting as “trustee to the estate,” TED retains no counsel for this role. Where the estate and trusts appear at risk from this Willful, Wanton, Reckless, and Grossly Negligent behavior by TED as “trustee of the estate” and failure to retain counsel. Only later do we learn in the hearing that it is impossible for TED to be “trustee” due to the fraud on the court in the closing of SHIRLEY’S estate that left no successors after SIMON and this may impart criminal behavior by TED, as well as, breaches of ALLEGED fiduciary powers and trust.

LIE #2

165. That in the September 13, 2013 hearing MANCERI stated that ELIOT was not a beneficiary in the estate of SHIRLEY, a claim that SPALLINA, TESCHER, SPALLINA and TED had told ELIOT since SIMON’S passing to deny him documents and other information, despite that he is Guardian and Trustee for his children if they are determined to be the ultimate beneficiaries and therefore entitled to the estate documentation either way and despite the fact that SIMON did not close out the estate and allegedly change the beneficiaries until two months after he was dead and ELIOT was a beneficiary all of that time.
166. That the claim asserted at the hearing was that SIMON closed SHIRLEY’S estate and then made changes in an Amended Trust of his to effectuate changes in her beneficiaries while he was alive. The Waivers were filed and the estate was closed purportedly legally while SIMON was alive and after closing the estate and submitting the Waivers, SIMON then picked new beneficiaries of SHIRLEY’S estate, changing them allegedly from ELIOT,

IANTONI and FRIEDSTEIN to the grandchildren using a power of appointment.

However, after this alleged change in beneficiaries, the new beneficiaries did not get any notice of their interests, inventories, accountings, etc. from estate counsel and to this day not even a letter informing them they were now legally beneficiaries and the old beneficiaries got nothing at all but a Waiver that was ultimately rejected by the Court and a new one never signed by any party again. While these alleged changes in beneficiaries are taking place, estate counsel failed to state to anyone that the estate was being closed with now admittedly fraudulent and alleged forged documents that they drafted and forged and submitted to the Court for SIMON to file while he was dead. First they tried this scheme one month after SIMON was deceased in October 2012 and then a second attempt was made when the Waivers were returned by the Court for notarizations two months later in November 2012, while SIMON remained deceased but miraculously had a notary allegedly witnessing SIMON sign documents while dead. Sounds like legit changes were never made in the estates of SIMON and SHIRLEY and the beneficiaries appear to remain ELIOT, IANTONI and FRIEDSTEIN in the newly reopened estate.

167. ELIOT was and remains a beneficiary if the estate was never legally closed and the alleged changes not legally made while SIMON was alive and where the Waivers allegedly signed are admitted fraudulent.

168. That now that this Court has reopened SHIRLEY'S estate and where SIMON can longer make the changes he is alleged to have made while he was dead, as he is still dead, ELIOT appears to remain a beneficiary in the newly reopened estate and SIMON can no longer provide legally valid documents to make any changes or close the estate while still dead.

169. That MANCERI LIES to the Court when he states that ELIOT is not a beneficiary
“because of financial problems among other issues.”

16 MR. MANCERI: The ten grandchildren shares
17 -- and I want to be clear on this, this
18 gentleman is only a tangible personal
property
19 beneficiary. He and his own proper person.
20 And the mother. That's all he's entitled to.
21 No cash request, nothing directly to him,
22 **because of his financial problems among
other
23 issues.**
24 THE COURT: Okay.

The only reason ELIOT is alleged not to be a beneficiary is because he is a loving son, who when asked if he would be willing to give up his 1/3 beneficial interests in both estates to save his father from TORTURE that never ended, he agreed to do anything that would end SIMON’S disputes and pain caused by his other four children and their children.

That the only way ELIOT is not a beneficiary it appears is actually because of the hoax and fraud committed on this Court and Judge French’s Court by MANCERI, TSPA, SPALLINA, TESCHER and TED and others now, in efforts to thwart the last wishes and desires of SIMON and SHIRLEY in their last known estate documents that appear valid, signed in 2008 together, leaving TED and P. SIMON as the only perhaps “tangible personal property beneficiaries” as intended by SIMON and SHIRLEY for “other issues” described herein and in Petition 1.

170. That to correct the record and MANCERI’S LIE, the only children of SHIRLEY that were disinherited entirely from the estate of SHIRLEY are TED and P. SIMON and they are still

excluded even if SIMON made the alleged changes to the beneficiaries. Therefore, TED and PAM should be excluded from the estates wholly and any fiduciary capacities stripped from TED for his breaches of fiduciary duties and trust in acting in capacities he does not have before this Court and more. If Your Honor somehow still finds TED and P. SIMON worthy of integrity to act in any fiduciary capacities any longer, the only capacity they appear to have without conflict is as “trustees” of their children’s inheritance in trusts. That capacity would be conflicted of course if they had any fiduciary capacity in the estate or trusts of the estate of SHIRLEY.

171. That is was learned and admitted to in the September 13, 2013 hearing that WALKER, after SIMON was deceased was writing checks to pay bills from an account that she was not authorized to write them from for months after he was deceased and where SIMON was sole signatory. That these fraudulent actions by WALKER are believed to have been directed by TESCHER, SPALLINA and TED who advised her to do this. Subsequently after TED fired WALKER overnight without warning, SPALLINA told WALKER to turn the accounts over to CANDICE BERNSTEIN who should start writing the checks. As ELIOT thought this a bit illegal, he called with WALKER, Legacy Bank, to verify the sanity of having checks written by CANDICE out of her deceased father-in-law’s accounts.

172. That Legacy Bank informed ELIOT and WALKER that they were stunned nobody had notified them that SIMON was dead for all of his accounts and instantly froze the account(s). Then this account was transferred to Oppenheimer and Janet Craig by SPALLINA and ELIOT is uncertain if any of the rest of the MANCERI testimony regarding this money, his children’s pre-mortem trusts and Oppenheimer’s role is true.

This account of the Legacy Bank transactions was misrepresented in the hearing to Your Honor by MANCERI.

LIE #3 – 20 to 40 MILLION REASONS TO LIE AND COMMIT FRAUD AND FORGERY

173. That SPALLINA estimated to the Court with TED at the hearings, a value to the estates of SIMON and SHIRLEY of four million dollars total, which is less than the real estate properties held in SHIRLEY'S estate alone and would leave SIMON dying penniless.

23 THE COURT: **So what's the total corpus of**
24 **the what I'll call the ten grandchildren's**
25 **trust of both grandparents?**

00047

1 MR. SPALLINA: Not taking into account the
2 litigation?

3 THE COURT: Well, no, you haven't paid
4 anything out yet.

5 MR. SPALLINA: **I would say it's**
6 **approximately \$4 million.**

That SHIRLEY had jewelry estimated in the millions and art in the millions and IRA's and Pension accounts and with estimates from SIMON'S associates of a net worth shortly before his passing at between twenty to forty million, where are all the assets of the estates going or was SPALLINA stating four million to each of the ten grandchildren, which is more in line with estimates of SIMON and SHIRLEY'S net worth. Or is this the reason for the suppressed and denied financial information and accountings and inventories in the estates, the reason for committing fraud, fraud upon the court, forgery and more, as it appears they are trying to sell this Court and the beneficiaries that there was nothing really there when it is all being stolen out the back door in fraudulent transactions, using fraudulent fiduciary powers?

174. That ELIOT after the hearing spoke with a longtime business associate of SIMON'S who claimed to ELIOT and CANDICE that in 2009 he was informed by SIMON that his net worth was forty-two million dollars, USD \$42,000,000.00.

175. That in prior conversations with a health professional of SIMON'S it was stated that SIMON told her shortly prior to his passing that his net worth was over twenty million dollars, USD \$20,000,000.00.

176. That when requesting information to ascertain the net worth of SIMON and SHIRLEY from estate counsel, ELIOT and his children's counsel were denied basic financial information owed to them as beneficiaries and it continues to be suppressed and denied, including information on a two million dollar life insurance policy of SIMON'S, which with the real estate held in SHIRLEY'S estate, would put the value of the estates over six million with these three items alone, again making SPALLINA'S earlier claims of a total of four million for the combined value of the inheritance seems suspiciously low and a BIG FAT LIE.

177. That it was learned in the September 13, 2013 hearing that in one breath SPALLINA states that three assets are held in SHIRLEY'S estate and almost in the next breath he states there are only two, a common problem with SPALLINA when recanting what assets are in the estates and what are missing, as more fully described in Petitions 1-7.

6 trusts?

7 MR. SPALLINA: Those trusts, Ted Bernstein
8 is the trustee of his **mother's trust and holds**
9 **three assets.**

Then just seconds later in the hearing,

19 MR. SPALLINA: Correct, and today again
20 the Shirley Bernstein trust does have liquid

21 assets in it. **There was two properties**, real
22 estate properties, the residential home and a
23 condo on the beach. The condo on the beach
24 sold back in April or May. There were funds
25 that came into the account at that time. Ted
00048
1 was going to make partial distribution.

So which is it, two or three assets and if three what is the third?

LIE #4

178. That it was learned at the hearing that MANCERI claimed to Your Honor that he had
Affidavits from all the parties, except ELIOT and failed to state he was missing SIMON'S
too, stating that the notarized signatures were the same as the original documents signed by
TED, P. SIMON, IANTONI and FRIEDSTEIN and the gang of four then claimed in the
Affidavit that it was SIMON'S original signature as well for him.

8 THE COURT: I mean everyone can see he
9 signed these not notarized. When they were
10 sent back to be notarized, the notary notarized
11 them without him re-signing it, is that what
12 happened?

13 MR. SPALLINA: Yes, sir.

14 THE COURT: So whatever issues arose with
15 that, where are they today?

16 MR. SPALLINA: Today we have a signed
17 affidavit from each of the children other than
18 Mr. Bernstein that the original documents that
19 were filed with The Court were in fact their
20 original signatures which you have in the file
21 attached as Exhibit A was the original document
22 that was signed by them.

23 THE COURT: It was wrong for Moran to
24 notarize -- **so whatever Moran did, the**
25 **documents that she notarized, everyone but**
00051

1 **Eliot's side of the case have admitted that**
2 **those are still the original signatures of**
3 **either themselves or their father?**

4 MR. SPALLINA: Yes, sir.

5 THE COURT: I got it.

That this claim is a BIG FAT LIE to Your Honor by SPALLINA and one can simply read the Affidavits later submitted that contradictorily state that they are not the signatures of TED, P. SIMON, IANTONI and FRIEDSTEIN on the resubmitted Waivers that were notarized, from the Affidavit,

“6. It is my understanding that the subsequently filed Waivers were not personally signed by me or the other heirs.”

So this leaves open the question of who is a BIG FAT LIAR, SPALLINA and MORAN or TED, P. SIMON, IANTONI and FRIEDSTEIN?

179. That the above statement of SPALLINA is also incorrect, as he did not have everyone but ELIOT’S Affidavit, as they did not have one for SIMON, as he remains deceased and could not have signed an Affidavit while dead. Where the Prima Facie evidence already presented herein shows the two Waivers for SIMON are wholly dissimilar and the notarized Waiver is not the same as the original Waiver signed and that SIMON’S name was also FORGED, yet SPALLINA continues with this BIG FAT LIE in Your Honor’s face, hoping Your Honor is asleep or confused.

180. That ELIOT requests this Court determine how SPALLINA is making these false representations to this Court on others behalf made in these new Affidavits, when he is admittedly involved in the fraudulent Waivers. As SPALLINA stated in the hearings when asked by Your Honor if he was involved in the fraudulent activities of MORAN and he stated he was as estate counsel. SPALLINA then turned around and claimed that on behalf of TED, P. SIMON, IANTONI and FRIEDSTEIN, as if representing them, that these were their same signatures on the original un-notarized Waivers and the subsequently filed admittedly fraudulently notarized Waivers submitted by MORAN. At stake if they are not

the same, is the difference for SPALLINA between continued freedom and having his “Miranda Rights” read to him and prison for a long time and financial ruin. Quite a conflict.

181. That with this type of freedom or prison conflict now in play for SPALLINA it is amazing that this Court has allowed him to continue to represent the estate or any party or make any pleadings on anyone’s behalf before this Court in these matters, especially on behalf of others that SPALLINA does not even represent in these matters. All these LIES told in the hearing are attempts to further con Your Honor and others that those signatures are not forged and the original and resubmitted Waivers signatures are the same and thus no harm no foul, when it is all LIES and a waste of the Courts time, effort and resources and a slap in the face insult to the victims, Your Honor and the sanctity of law.

182. That TSPA, TESCHER and SPALLINA are also wholly liable for the actions of their Notary Publics, MORAN and BAXLEY and therefore, together they are the cause of all these problems and have WHOLLY BREACHED THEIR FIDUCIARY DUTIES and TRUST by engaging in admittedly fraudulent activities and should be immediately removed from the proceedings in any fiduciary and professional capacities other than as a respondent/defendant for this Willful, Wanton, Reckless, and Grossly Negligent behavior and disregard of the law and therefore, be precluded from making further conflicted pleadings on anyone’s behalf. The Court should force them all to now get independent non conflicted counsel to represent them in each of their alleged capacities and stop these LIES and FRAUDS from continuing in Your Honor’s Court to try to cover up their crimes by those who committed the crimes.

6 THE COURT: All right, so stop, that's
7 enough to give you Miranda warnings. Not you

8 personally --
9 MR. MANCERI: Okay.
10 THE COURT: Are you involved? Just tell
11 me yes or no.
12 MR. SPALLINA: I'm sorry?
13 THE COURT: Are you involved in the
14 transaction?
15 MR. SPALLINA: I was involved as the
16 lawyer for the estate, yes.

183. That in the hearing on September 13, 2013, Your Honor told ELIOT that if he were to lose his Emergency Motion that day as an Emergency, not in toto but as an Emergency, he should get his "checkbook out to pay the Court expenses, etc." or words to that effect. After learning of TSPA, SPALLINA and MORAN'S admitted Felony acts, Fraud on this Court and boldface LIES to Your Honor, perhaps Your Honor should have forced SPALLINA and TESCHER to get their checkbooks out to cover all these costs and damages resulting thus far from their fraudulent actions and force a blank check and bonding and surety to pay for the rest of this macabre scene they have admittedly created, including but not limited to all Court costs for all innocent parties/victims, counsel for all parties that are now forced to retain counsel to ascertain their rights and interests, forensics experts, forensic accountants, etc.etc.etc.

18 THE COURT: Okay, all right, so let me
19 tell you, I'm going to let you go forward. **If**
20 **I do not believe so, get your checkbook out.**
21 MR. ELIOT BERNSTEIN: Okay.
22 THE COURT: **You're going to personally pay**
23 **for the cost of this.**
24 MR. ELIOT BERNSTEIN: Okay.
25 THE COURT: It doesn't seem so based upon
00007
1 what you've told me, but you have this belief
2 that it is. Remember, show me that it's a
3 legal emergency like I gave the example of it.
4 Someone is going to die, be taken out of the
5 jurisdiction, someone's wellbeing today is
6 going to be -- you know, they're going to be

7 without food, they'll be on the street
8 tomorrow.
9 MR. ELIOT BERNSTEIN: Okay.
10 THE COURT: So is that the type of hearing
11 I need?
12 MR. ELIOT BERNSTEIN: Yes.

LIE #5

184. That it was learned in the hearing that MANCERI again LIES to the Court and disgraces

Your Honor when he states,

12 MR. MANCERI: Your Honor, could I bring
13 you up to speed on one thing maybe you're not
14 seeing on your docket.
15 THE COURT: Yes.
16 MR. MANCERI: We actually filed a motion
17 to actually reopen the estate **when we learned**
18 **about the deficiency in the affidavit issue.**
19 THE COURT: Okay.
20 MR. MANCERI: And that was signed
21 **August 28th of this year.** Do you have a copy
22 of that, Judge, can I approach?

That nothing could be further from the truth when MANCERI states that they filed a motion when they learned of the “deficiencies” aka criminal fraud and alleged forgery, as ELIOT notified TSPA, SPALLINA, TESCHER, TED, P. SIMON, IANTONI and FRIEDSTEIN of the “deficiencies” and served them the documents and information in Petitions 1-7, starting in May 2013. Noticing them and this Court about the now admitted Fraudulent Waivers and alleged FORGED Waivers and in all that time, not one of them that was served these motions and petition came to this Court to file a Motion to Re-Open or even bring the matters to Your Honor’s attention that a dead person had closed the estate and Your Honor signed off on it.

6 THE COURT: So let me tell you because I'm
7 going to stop all of you folks because I think
8 you need to be read your Miranda warnings.

9 MR. MANCERI: I need to be read my Miranda
10 warnings?
11 THE COURT: Everyone of you might have to
12 be.
13 MR. MANCERI: Okay.
14 THE COURT: Because I'm looking at a
15 formal document filed here April 9, 2012,
16 signed by Simon Bernstein, a signature for him.
17 MR. MANCERI: April 9th, right.
18 THE COURT: April 9th, signed by him, and
19 notarized on that same date by Kimberly. It's
20 a waiver and it's not filed with The Court
21 until November 19th, so the filing of it, and
22 it says to The Court on November 19th, the
23 undersigned, Simon Bernstein, does this, this,
24 and this. Signed and notarized on April 9,
25 2012. The notary said that she witnessed Simon
00028
1 sign it then, and then for some reason it's not
2 filed with The Court until after his date of
3 death with no notice that he was dead at the
4 time that this was filed.
5 MR. MANCERI: Okay.
6 THE COURT: All right, so stop, that's
7 enough to give you Miranda warnings.

ONLY AFTER THEY WERE CONTACTED BY AUTHORITIES and knew they were
busted and their pants were on fire did they motion the Court, only days before the hearing
and SPALLINA does not confess his involvement in the fraud on the Court to Your Honor
until directly confronted by Your Honor in the hearing. The record should be corrected to
reflect that estate counsel, TSPA, TESCHER and SPALLINA only filed a motion to
reopen only after ELIOT filed his Petition 7 – Emergency Motion and after MORAN had
already confessed to the crimes, although her sworn statement to the Governor’s office is
fraught with perjured statements made under oath. That ELIOT had filed in Petition 1
served upon them in May 2013 that the documents were fraudulent and thus MANCERI’S
claim that they rushed on over to the courthouse and motioned the Court to correct the
fraud as soon as they learned of it, well again, a BIG FAT LIE.

185. That one of the biggest errors in the hearing record is that ELIOT was somehow at fault for failing to provide for his family, when elaborate estate plans were in place to protect both ELIOT and CANDICE and their children after the death of SIMON and SHIRLEY from ELIOT or CANDICE needing to provide for their children due to special circumstances that prevent them from having normal lives.
186. That there are reasons, more fully defined in Petition 1, that have virtually disabled ELIOT and CANDICE from retaining jobs and where their jobs have primarily been attempting to save their children's lives, including each morning when they start their vehicle to take their children to school and that is one of the hardest jobs imaginable. Further, that ELIOT and CANDICE have been continuously harassed by defendants in ELIOT'S RICO and ANTITRUST lawsuit in efforts to destroy them prior to them achieving justice and prosecuting them.
187. That as noted to the Court in Petition 1, it has recently been learned from news stories that after ELIOT had testified to New York Senate Judiciary Committee Chairman and leader of the New York democratic party, Hon. Senator John L. Sampson, regarding the corruption inside courts and prosecutorial agencies, Senator Sampson was then "threatened" and then took "bribes" to cover up the corruptions.
188. That as noted to the Court in Petition 1 and at the September 13, 2013 hearing at this Court, information was recently released in the news that showed that the Plaintiff, Christine C. Anderson, Esq. in a legally related whistleblower lawsuit by Federal Judge Hon. Shira A. Scheindlin to ELIOT'S RICO, had been illegally monitored through MISUSE OF JOINT TERRORISM TASK FUNDS AND RESOURCES, to OBSTRUCT JUSTICE in her lawsuit and the legally related cases to her lawsuit. That Anderson's and

others rights were further violated through Invasions of their Privacy through violations of the Patriot Act and more, all in efforts to derail their lawsuits and deny them due process and procedure. That these acts were done by members of the New York Attorney at Law Disciplinary departments and other Senior Ranking New York Supreme Court members and senior ranking Public Officials.

189. That it was noted to this Court in Petition 1 that information recently published in the news indicated that Judges were illegally wiretapped, in their chambers, dressing rooms and homes, in efforts to OBSTRUCT JUSTICE in lawsuits that targeted them as defendants and again these crimes were committed allegedly by Senior Ranking Public Officials and Officers of the Courts and members of the Attorney at Law disciplinary departments. Corruption gone mad at the highest outposts of law and order.

190. That it should be noted that ELIOT'S Intellectual Properties invented at his last employment 12 years ago, changed the world in profound ways and until these criminal acts against ELIOT to steal the Intellectual Properties valued in the TRILLIONS by his retained patent counsel, mainly Proskauer Rose and Foley & Lardner and others, in order to deny ELIOT due process to recover his Intellectual Properties and disable his ability to prosecute the Attorneys at Law and Judges and others involved in the crimes, through FELONY OBSTRUCTION and criminal tactics, ELIOT and his family were on the way to becoming billionaires. That the tactics used to obstruct, include a massive attack on ELIOT and CANDICE, including a car bombing and death threats and more, and attacks on their families and friends and even attacks on Anderson and good judges and prosecutors trying to right the wrongs.

191. That bogus tax liens and credit problems were dumped on ELIOT and CANDICE overnight and they were threatened with death threats that forced them to flee their homes several times and so scarred them to distance themselves from friends and family and employers, in fear that anyone who helped them would become targets. So ELIOT has been working twenty hour days, through holidays and weekends, barely able to turn his back to love his wife and children, for now over a decade, immersed in a war that he did not start, nor can he end legally as the rules have wholly been desecrated against him as he fights every day for his and his families lives.
192. That while this may not appear a job to Your Honor it is a full time job that starts each morning with taking the kids to school and wondering if the car will blow up and they will be burned to smithereens, a far more stressful job than Your Honor's and the day has barely begun for ELIOT and CANDICE.
193. That for these reasons, SIMON and SHIRLEY set aside funds to allow ELIOT and CANDICE to pursue their Intellectual Properties, the family jewels, unobstructed with the need for other jobs they knew they could not secure and work every day to protect their children from those preying upon them and break through the walls of obstruction.
194. That SIMON and SHIRLEY set this up because they too had an interest in the Intellectual Properties as SIMON was a 30% owner of the Iviewit companies and rights in the Intellectual Properties. That this 30% of stock is part of his estate that he wanted his whole family to share in, as ELIOT fully defined in Petition 1.
195. That ELIOT being Pro Se in these legal battles against major law firms, politicians and industry is also a full time job and uncovering their crimes is yet another full time job, all necessary to insure the safety and future of his children and why SIMON and SHIRLEY

took these steps to ensure their safety and CANDICE and ELIOT's incomes that is now being thwarted through the crimes committed in the estates of both SIMON and SHIRLEY.

196. That Your Honor should do his job and ensure the sanctity of his Court from Frauds upon the Court and protect the true and proper beneficiaries from illegal acts of the estate counsel and fiduciaries. Where it appears that despite now having knowledge that Fraud and Fraud upon the Court has occurred by those entrusted with the estates, Your Honor let them walk out the door and continue their abuse of ELIOT and CANDICE and their children as if it was somehow OK by the Court to acknowledge these crimes and still let estate counsel represent these matters and manage the estate with fiduciaries that have been acting without proper Letters and fraudulent and forged documents and punishing the victims further by letting the estate be further looted each day they retain dominion and control over the estate. Enough is enough, Your Honor has the proof and admissions of crimes and yet continues to allow them to continue to act as Officers of the Court and as Fiduciaries of the estate and it is time that they are sanctioned and tried for these crimes and removed from these matters, other than as defendants for the crimes they have committed.

197. That again, each day Your Honor allows this criminal charade to continue in this Court with fraudulent documents approved by the Court that the Court now knows beyond a reasonable doubt are fraudulent and forged, more and more crimes are committed as illustrated in Petitions 1-7 and herein. Where in Petition 1 the document forgeries and frauds were clearly illustrated and evidenced and this fraud on the Court and the beneficiaries should have been stopped instantly when Your Honor should have read them

Miranda Warnings and partially why ELIOT called the hearing an EMERGENCY, which now with evidence of felony crimes being committed, this Court erred in ruling that ELIOT'S motion was not an EMERGENCY.

198. That these breaches of fiduciary duties and trust from this Willful, Wanton, Reckless, and Grossly Negligent behavior and disregard of the law and the resultant damages cannot ever be repaired and therefore this Court must instantly stop the LIES and FRAUD on the beneficiaries and Fraud on the Court and remove all fiduciaries and professionals involved in the estate currently and force upon them independent counsel that is not conflicted and certainly not themselves to preclude further frauds by disregard for this Court's own rules, the rules of the Attorney Conduct Code, Judicial Cannons, State and Federal law.

LIE #6

199. That in the hearing MANCERI states the following misrepresentation to Your Honor,

17 THE COURT: Okay. Who are the PR's that
18 you represent?
19 MR. MANCERI: Well, Shirley Bernstein
20 there is no technically any PR because we had
21 the estate closed.
22 THE COURT: Okay.
23 MR. MANCERI: And what emanated from
24 Mr. Bernstein's 57-page filing, which falls
25 lawfully short of any emergency, was a petition
00024
1 to reopen the estate, so technically nobody has
2 letters right now.

That this claim is false as from ELIOT's 57-page filing does not emanate the reason that "technically" nobody had letters at the hearing. The reason nobody has letters has already been described herein as due to the FRAUD ON THE COURT by MANCERI'S clients but a brave attempt to shift the blame to ELIOT and his 57 page filing.

LIE #7

8 As a result of his [SIMON'S] passing, and in
attempt
9 to reopen the estate we're looking to have the
10 estate reopened. So nobody has letters right
11 now, Judge. The estate was closed.

That this statement almost seems to exhibit signs of delusional behavior by MANCERI as we are not looking at reopening the estate of SHIRLEY as a result of SIMON's passing a year ago, we are looking at reopening the estate due the admitted and acknowledged fraudulent and forged documents and evidence that a grand ole fraud has been perpetrated on the Court and beneficiaries from the acts of MANCERI'S clients, not because of ELIOT'S 57 page spot on filing detailing their crimes nor due to SIMON'S passing. Another boldface BIG FAT LIE to this Court.

CLARIFICATION #1

200. That MANCERI appears confused in Court as to whom he is representing and in what capacities and this Court should force disclosure on exactly who he is representing and in what capacity.

2 MR. MANCERI: Good afternoon, your Honor.
3 As I stated in my opening, I represent Robert
4 Spallina and Mr. Tescher. I would like to
5 apologize --
6 THE COURT: So their roles are what in
7 this case?
8 MR. MANCERI: **They were counsel or are**
9 **counsel for the estate of Shirley Bernstein...**

So were they counsel or are they counsel? The question remains unanswered throughout the hearing.

CLARIFICATION #2

201. That MANCERI appears confused on the date of SHIRLEY'S death, where SHIRLEY passed away on December 08, 2010.

3 Simon Bernstein, your Honor, who died a
4 year ago today as you heard, survived his wife,
5 Shirley Bernstein, who died **December 10, 2010**.
6 Simon Bernstein was the PR of his wife's
7 estate.

½ TRUTH

17 THE COURT: Okay. Who are the PR's that
18 you represent?
19 MR. MANCERI: Well, Shirley Bernstein
20 there is no technically any PR because we had
21 the estate closed.
22 THE COURT: Okay.

202. That MANCERI is correct there is no Personal Representative but not because they closed the estate but rather because they closed the estate with SIMON two months after he was dead, without notifying the Court or others that he was dead at the time SIMON allegedly closed the estate. That since SIMON was dead and they did not notify the Court they were using a dead person's signature, they did not therefore put papers in to get new Letters for a successor and therefore no successor was chosen and that is why technically there is no Personal Representative, due to this macabre fraud on the Court utilizing a dead man to close the estate.

LIE #8

21 MR. MANCERI: Simon was dead at the time,
22 your Honor. The waivers that you're talking
23 about are **waivers from the beneficiaries**, I

24 believe.

203. That MANCERI attempts several times at the hearing to mislead the Court to believe that the Waivers the Court is confused about are strictly from the beneficiaries and refuses to disclose that the Waiver most suspect is the Waiver of SIMON who is not a beneficiary but is dead at the time they are posited with the Court. In this exchange, Your Honor busts him,

25 THE COURT: No, it's waivers of
00026
1 accountings.
2 MR. MANCERI: Right, by the beneficiaries.
3 THE COURT: Discharge waiver of service of
4 discharge by Simon, Simon asked that he not
5 have to serve the petition for discharge.
6 MR. MANCERI: Right, that was in his
7 petition. When was the petition served?
8 THE COURT: November 21st.
9 MR. SPALLINA: Yeah, it was after his date
10 of death.
11 THE COURT: Well, how could that happen
12 legally? How could Simon --
13 MR. MANCERI: Who signed that?
14 THE COURT: -- ask to close and not serve
15 a petition after he's dead?

CLARIFICATION #3

23 so they were kicked back by the clerk. They
24 were then **notarized by a staff person** from
25 Tescher and Spallina **admittedly in error**. They
00027

Page 15

In Re_ The Estate of Shirley Bernstein.txt
1 should not have been notarized in the absentia
2 of the people who purportedly signed them.

3 I'll give you the names of the other siblings,
4 that would be Pamela, Lisa, Jill, and Ted
5 Bernstein.

6 THE COURT: So let me tell you because I'm
7 going to stop all of you folks because I think

8 you need to be read your Miranda warnings.
9 MR. MANCERI: I need to be read my Miranda
10 warnings?
11 THE COURT: Everyone of you might have to
12 be.
13 MR. MANCERI: Okay.

204. That MANCERI attempts to minimize the role of MORAN as merely a “staff person”
when in fact MORAN is a Legal Assistant for the Law Firm and their notary public.

CLARIFICATION #4

2 THE COURT: Kimberly Moran never signed or
3 notarized his signature?
4 MR. MANCERI: Yes, your Honor, **and that's**
5 **been addressed with the Governor's office.**
6 THE COURT: You need to address this with
7 me.

205. That not only has it not been addressed with Your Honor truthfully yet, it also has not been
addressed with the Governor’s office in the past tense. MORAN is still in the present in an
ongoing investigation by the Florida Governor’s office and the Palm Beach County
Sheriff’s office, regarding not only the fraudulent notarization but the forgery of signatures
and now for alleged perjury to official investigators.

LIE #9 & 10

24 MR. MANCERI: **They were originally filed**
25 **away, your Honor, under the signature of the**
00031
1 **people.**
2 THE COURT: **No, they weren't filed, that's**
3 **the whole thing. I'm looking at the file date,**
4 **filed with The Court.**
5 MR. MANCERI: No, they were returned by
6 the clerk because they didn't have
7 notarization. **We have affidavits from all**
8 **those people, Judge.**

9 THE COURT: Well you may have that they
10 got sent up here.
11 MR. MANCERI: We have affidavits from all
12 of those people.
13 MR. ELIOT BERNSTEIN: Including Simon?
14 THE COURT: Slow down.

206. MANCERI tries to claim to Your Honor that the original Waivers were filed as part of the Court record, however they never were filed as they were rejected, as Your Honor astutely catches and points out his lie. Then MANCERI attempts to claim that to cure the problem he has affidavits from all those people who signed and this is wholly untrue as he has no Affidavit for ELIOT or SIMON, another BIG FAT LIE.

CLARIFICATION #5

14 THE COURT: Who filed that document?
15 MR. MANCERI: Robert, do you know who
16 filed that document in your office?
17 MR. SPALLINA: I would assume Kimberly
18 did.
19 MR. MANCERI: Ms. Moran.
20 THE COURT: Who is she?
21 MR. MANCERI: She's a staff person at
22 Tescher and Spallina.

207. That SPALLINA needs to immediately clarify to this Court and the beneficiaries of the estate who exactly filed the document and have a sworn statement prepared to that effect. That this is a great question by Your Honor that needs an answer but in the end, despite the individual that actually filed, it was filed by the LAW FIRM OF TESCHER & SPALLINA, P.A., TESCHER and SPALLINA and not a “scapegoat” alleged “staff person” who again for the record is a Legal Assistant and Notary Public employee of TSPA.

LIE #11

11 MR. MANCERI: **And Ted Bernstein, I**
12 **believe, is the trustee of that trust.**

208. That MANCERI needs to immediately clarify to this Court and the beneficiaries of the estate if at the time TED was trustee, not what his belief is. However, the Court hearing revealed that SIMON died as Personal Representative and Trustee of the estate and trusts of SHIRLEY and no successors were chosen due to the Fraud on the Court discovered by Your Honor at the hearing. MANCERI and SPALLINA knew that TED was not ever appointed as they failed to notify the Court SIMON had died since they were using him as if alive for the Fraud on the Court and so this couching of his answer is really just another BIG FAT LIE, to continue to mock Your Honor with further fraud upon fraud and lie upon lie.

CORRECTION

21 MR. MANCERI: He died, your Honor. Again
22 **she died December 10, 2010.** He died September
23 of 2012.

209. That again, SHIRLEY passed away December 08, 2010.

LIE #12

15 THE COURT: And Shirley's trust is for the
16 benefit of who?
17 MR. MANCERI: The grandchildren now
18 **because Simon died.**
19 THE COURT: So children-level, Eliot, Ted
20 were skipped over as beneficiaries?
21 MR. MANCERI: That's correct, your Honor.

210. That MANCERI carefully tries to dance around the truth and so states that the grandchildren in SHIRLEY'S estate were the beneficiaries BECAUSE SIMON died.

Where SIMON'S death has nothing to do with who the beneficiaries of SHIRLEY'S estate are. What MANCERI wants to avoid is that the beneficiaries of SHIRLEY'S estate in her Will and Trusts that were probated are ELIOT, IANTONI and FRIEDSTEIN, not the grandchildren. That MANCERI fails to state that it is alleged that after SIMON closed SHIRLEY'S estate while he was dead for two months, he then filed an AMENDED TRUST and a WILL that both have notarizations that fail to state that SIMON appeared on the date allegedly signed, in which, he attempts to change the BENEFICIARIES of SHIRLEY'S estate after it is closed, after he too is deceased and again MANCERI wants to avoid the truth to Your Honor because it exposes more and more of the fraud upon the courts in both estates. Again, if SHIRLEY'S estate beneficiaries WAIVER'S are not proper and were never filed legally in the Court and now cannot be signed and notarized by all parties that originally signed, including SIMON and ELIOT refuses to sign another one, well, it appears the beneficiaries of the estate of SHIRLEY remain free of any alleged changes and ELIOT, IANTONI and FRIEDSTEIN remain beneficiaries as of this date and were never legally replaced by the Grandchildren. The only children that were "skipped over" are TED and P. SIMON who were skipped in either case and MANCERI again failed to tell the truth of the matter to Your Honor and come clean, instead praying Your Honor was still asleep.

LIE #13

23 THE COURT: So after Shirley died, did
24 that continue?
25 MR. SPALLINA: Yes, I assume so, that Si
00042
1 was paying bills.
2 THE COURT: And when he died in September
3 of last year, what happened, if anything?
4 MR. SPALLINA: There was an account that
5 we set up in the name of Bernstein Family

6 Reality. That was owned by three old trusts
7 not that we created, but were created by
8 Mr. Bernstein in 2006 that owned the house that
9 the family lives in, so there was an LLC that
10 was set up, Bernstein Family Realty, LLC,
11 there's the three children's trust that own the
12 membership interest in that, and there was a
13 bank account at Legacy Bank that had a small
14 amount of money that Si's assistant Rachel had
15 been paying the bills out of on behalf of the
16 trusts.

17 When Mr. Bernstein died, Oppenheimer, as
18 trustee of the three trusts and in control of
19 the operations of that entity, assigned
20 themselves as manager, had the account moved
21 from Legacy to Oppenheimer, and continued to
22 pay the bills they could with the small amount
23 of money that was in the Legacy account.
24 At this time, the Legacy account was
25 terminated because there were no funds left,
00043

Page 24

In Re_ The Estate of Shirley Bernstein.txt

1 they started using the funds inside the three
2 trusts at Oppenheimer to pay for health,
3 education, maintenance and support --

211. That the first part of this lie begins when SPALLINA states that after SIMON died an account was set up in the name of Bernstein Family Realty (sp), this happened many years before SIMON died. That ELIOT states for the record that the Bernstein Family Realty LLC account referred to here was set up years earlier to pay ELIOT according to his agreement with SIMON and SHIRLEY and to pay the expenses of their children's home and other living expenses of CANDICE, ELIOT and the children. That SIMON funded the account as necessary to cover these costs as agreed.

212. That to set the record straight, there were three trusts in ELIOT's three children's name that were created in 2006 for school expenses by a different law firm than TSPA. That the house that is part of Bernstein Family Realty LLC (owned by ELIOT'S children) did not get owned by the three trusts through their interest in the LLC until 2008. In fact,

SPALLINA drafted and executed the formation of Bernstein Family Realty LLC in 2008 and accounts were set up and funded monthly without interruption thereafter by SHIRLEY and SIMON until the day SIMON died.

213. That TSPA, TESCHER and SPALLINA did the real estate transactional work to put the home into the LLC they created, using a variety of cash, loans and mortgages, all the real estate documents prepared by their estate planning law firm, as evidenced in Petition 1 – Section “XIII. THREATENED FORECLOSURE ON SIMON'S GRANDCHILDREN'S HOME BY SIMON'S ESTATE POST MORTEM” and EXHIBIT 21 - BALLOON MORTGAGE and EXHIBIT 22 - PROMISSORY NOTE and EXHIBIT 24 - WALT SAHM CARRY OVER LOAN.
214. That SPALLINA again tells fibs in streams to dance around the factual truth that exposes his crimes, now claiming that when SIMON died, Oppenheimer moved the Legacy Account. This is yet another BIG FAT LIE, as the truth is that for months after SIMON’S death, SPALLINA order SIMON’S assistant WALKER to continue paying the bills out SIMON’S account despite the fact that SPALLINA knew that SIMON was dead and that he was the only signor on the account.
215. That when TED fired WALKER for the first time, as he later rehired her to work at his company and then fired her again shortly after, WALKER was directed by SPALLINA to turn the Legacy account and checkbooks to CANDICE and have CANDICE write the checks and pay the bills.
216. That ELIOT found this to be illegal as it appeared that an account of SIMON’S was being used post mortem and where CANDICE did not appear to have any legal rights to write checks from this account in an LLC’s name and so ELIOT and WALKER contacted

Legacy Bank who told WALKER and ELIOT that WALKER was not able to access the accounts or write checks as she had been as she was not listed on the account anywhere, despite WALKER claiming she had signatory powers on the account.

217. That when Legacy Bank then learned that SIMON, the only signor on the account, was dead, they were shocked that his accounts were still being accessed and by unauthorized parties and immediately froze the accounts and demanded to talk only further with the Personal Representative and estate counsel TSPA, TESCHER and SPALLINA regarding the closing of the account.
218. That TSPA, TESCHER and SPALLINA then allegedly spoke with Legacy Bank regarding the situation of the frozen accounts and they then arranged for the transfer of any remaining balances into new accounts with Oppenheimer three months after SIMON's passing in December 2012 or thereabout, who then opened a new Bernstein Family Realty account at Oppenheimer and that is how it really went down.
219. That SPALLINA directed Oppenheimer to begin paying the bills out the children's school trust funds and did not continue funding the Bernstein Family Realty account that was opened at Oppenheimer to replace the account that ended at Legacy due to being frozen as they, like the Court, were not notified that SIMON who was dead accounts were being illegally accessed.
220. That SPALLINA states that Oppenheimer called him and told him the trusts were depleted and it did not pay to administer them anymore but the factual evidence submitted in Petition 7 in exhibits of the correspondences that were had regarding the closing and who said what proves that SPALLINA was contacted by Oppenheimer to replace the monies to continue both the living expenses and school expenses and it was SPALLINA who then

directed the closing of the trusts and that TED be appointed as successor trustee to Oppenheimer for Bernstein Family Realty LLC as he had volunteered.

221. That further, SPALLINA told both Oppenheimer and ELIOT that he would replace and replenish the school trust funds used when he got around to setting up new trusts for the children and when it came time to replenish and replace the funds he declined and left the school trust funds depleted to nothing and told Oppenheimer to close the accounts and nothing would be left and that bills would not be paid as of that date. That this is more fully defined in Petition 7 relating to how TSPA, TESCHER, SPALLINA and TED then used this situation they created and controlled to extort ELIOT to either take money he alleges is being wrongfully converted through FRAUD or else face starvation and loss of all income etc. overnight, the basis for the EXTORTION claim in Petition 7.

222. That the following correspondence more accurately reflects the facts for Your Honor,

Subject: Bernstein Trust Terminations

Dear Eliot and Candice,

As you are aware, the trusts for Daniel, Jacob and Joshua have depleted over time due to the payment of your household bills. I have spoken with Mr. Spallina and he has informed me that the household bill payments will not be refunded to the trusts. We have therefore decided to terminate the trusts due to their de minimus market values.

The enclosed accountings for each trust cover the period of September 20, 2010 (our inception date) through August 26, 2013. We have also enclosed an Asset Detail showing the current market values and a Receipt, Release and Refunding Agreement for each of the accounts for your signatures. Please review all the documents carefully and contact

me if you have any questions. Once your review is completed, please sign one copy of the Receipt, Release and Refunding Agreement before a Notary Public and return it to me at the address below. A second copy should be retained for your records.

Please be advised that we will not be paying bills during this transition period. Ted Bernstein has agreed to become the Managing Member of Bernstein Family Realty and all questions regarding the payment of household bills should be directed to him

Please keep in mind that the liquidation of the assets and the distribution of funds to you will generate tax consequences reportable on your 2013 personal income tax returns, which you will be filing next year. Please do not complete your personal income tax returns until you have received the final form K-1 from us.

223. That when ELIOT requested the Oppenheimer operating agreements for the trusts and Bernstein Family Realty LLC, he was sent documents that were incomplete and a court order that was approved on yet another document that appears improperly notarized, see

Exhibit 8 – Incomplete Oppenheimer Trust papers and Bernstein Family Realty LLC papers sent to ELIOT.

224. That SPALLINA does in fact tell the Court that “we told them to distribute the rest of the money...” and ELIOT asks under what authority is SPALLINA controlling the acts of the fiduciary trustees Oppenheimer and why is Oppenheimer taking their directions from SPALLINA.

225. That now this Court may better understand why SPALLINA tells a stream of lies regarding the Legacy Bank and Oppenheimer trusts and accounts, as the truth would simply prove out ELIOT'S claim that this is an extortion mechanism to force ELIOT without notice, that if he does not participate and go along with their frauds they will turn off monies on three minor children through more fraud and deceit and against the wishes of SIMON and SHIRLEY and defeating in fact their express concerns to protect ELIOT and his family from this in carefully crafted estate planning work SPALLINA was woefully wrongfully trusted by SIMON and SHIRLEY.
226. That SPALLINA and TED are both involved in the Bernstein Family Realty LLC through some form of voting that was done, again behind the backs of ELIOT and his family who own the LLC and again fraud appears to be how this is being transacted and with documents giving authority to people to run the trusts and company that are sent to ELIOT unsigned by the parties and with yet another incomplete notary where the notary fails to identify that the party appeared that day and was either known to or produced ID, on a document that Your Honor appears to have made Orders upon approving Hunt Worth and Oppenheimer, in Case No. 502010CP0003128XXXXSB, "Joshua Z. Bernstein Irrevocable Trust dated September 7, 2006" as already exhibit herein in Exhibit 8. Again, a reason for an EMERGENCY HEARING or EMERGENCY ORDERS to rectify these and other documents that all appear part of larger and more complex set of frauds on the entire estates of SIMON and SHIRLEY, especially where notary fraud and forgery has been admitted to already and Fraud on the Court has been identified with improperly signed and notarized documents. To err on the side of caution here is best, as ELIOT cannot state that the improper notarization here is part of the other admitted notary public fraud and forgery

that took place but where unsigned trusts and improper notarizations may indicate other problems or frauds.

LIE # 14

6 MR. SPALLINA: Both of their estates say
7 that at the death of the second of us to die,
8 pursuant to Si's exercise over his wife's
9 assets, that all of those assets would go down
10 to ten grandchildren's trust created under
11 their dockets.
12 Mr. Bernstein was on a call while his
13 father was alive with his other four siblings
14 where he had called me and said, Robert, I
15 think we need to do a phone call with my
16 children to explain to them that I'm going to
17 give this to the ten grandchildren.
18 THE COURT: And that happened?
19 MR. SPALLINA: And that happened.

227. That SPALLINA fails to tell the truth here in that he claims that the estates state these words pursuant to SIMON'S exercise over his wife's assets, where the assets would then go to the ten grandchildren. Nowhere in SHIRLEY'S estate does it state that the ten grandchildren would be beneficiaries pursuant to SIMON'S exercise over his wife's assets and nowhere even in the new language that SIMON allegedly executes his power of appointment are the ten grandchildren named.

228. That the Power of Appointment states,

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

Under Subparagraph E. 1. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "*Shirley Trust*"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their

respective trusts established under Subparagraph II. B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II. C. thereunder.

Subparagraph E. Disposition of Trusts Upon Death of Survivor of My Spouse and Me. Upon the death of the survivor of my spouse and me,

1. Limited Power. My spouse (if my spouse survives me) may appoint the Marital Trust and Family Trust (except any part added by disclaimer from the Marital Trust and proceeds of insurance policies on my spouse's life) to or for the benefit of one or more of my lineal descendants and their spouses;

SHIRLEY TRUST

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "child," "children" and "lineal" descendant" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child, and (c) lawful adoptions of minors under the age of twelve years. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, as I have adequately provided for them during my lifetime, for purposes of the dispositions made under this Trust, **my children, TED S. BERNSTEIN ("TED") and PAMELA B. SIMON ("PAM"), and their respective lineal descendants shall be deemed to have predeceased the survivor of my spouse and me,** [emphasis added] provided, however, if my children, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, and their lineal descendants all predecease the survivor of my spouse and me, then TED and PAM, and their respective lineal descendants shall not be deemed to have predeceased me and shall be eligible beneficiaries for purposes of the dispositions made hereunder.

SIMON AMENDED TRUST

Article II

B. Disposition of Trust Upon My Death. Upon my death, the remaining assets in this trust shall be divided among and held in separate Trusts for my then living grandchildren. Each of my grandchildren for whom a separate trust is held hereunder shall hereinafter be referred to as a "beneficiary" with the separate Trusts to be administered as provided in Subparagraph II.C.

C. Trusts for Beneficiaries. The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the net income and principal of such beneficiary's trust as is proper for the Welfare of such individuals. Any income not so paid shall be added to principal each year. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1 /3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any grandchild of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of any of my lineal descendants (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, per stirpes; or
2. if he or she leaves no lineal descendant then living, per stirpes for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

229. That since Your Honor reopened Shirley's estate and since the most important issue is the construction of SIMON'S exercise of his power to change SHIRLEY'S trust beneficiaries to his grandchildren, where in her Will SHIRLEY limited recipients on SIMON'S death only to her lineal descendants, excluding and disinheriting TED and P. SIMON and the children of TED and P. SIMON, your Court is the proper Court to decide the meaning of the term grandchildren in SIMON'S power of appointment, as otherwise, judge French would be interpreting SHIRLEY'S Will while SHIRLEY'S estate is still open and in your Court.

230. The question of whether the validity and more importantly the construction of SIMON'S power of appointment should be before Your Honor or Hon Judge French must be addressed by this Court properly with all the facts, as it was evident that in the hearing Your Honor heard more half-truths and lies than truth from SPALLINA and MANCERI. SHIRLEY was the first to die. In her Will, she created a trust which is commonly known as a Marital Trust and Family Trust. In the Marital Trust, it provides that the assets of the Trust all go to SIMON, the survivor of the two. It goes on in paragraph 2(e)(i) to say that on SIMON'S death, the remaining assets go to SHIRLEY and SIMON's lineal descendants, excluding and disinheriting TED and P. SIMON and the children of TED and P. SIMON. The Marital Trust also contained a provision, that is typical, that gave SIMON, as the survivor, the right to exercise a power of appointment to name the beneficiaries or recipients of the assets remaining at his death. He may or may not have changed the beneficiaries in his or SHIRLEY'S estate, depending on the Court's ruling on the series of documents that allowed for that, including the document that allegedly makes the changes, which all appear to have improper notarizations and more as already evidenced and exhibited herein. It is the contention of ELIOT that it is clear that even if SIMON could and did exercise his power of appointment to name beneficiaries, he could only have done so from within the individuals that SHIRLEY permitted in her Will in paragraph 2(e)(i), and no one else. Thus, SIMON could not include Ted, Pam or their children as SHIRLEY'S Will specifically excluded TED, P. SIMON and their children from available options under the power of appointment and SHIRLEY never changed her Will or the beneficiaries thereunder as so even if SIMON is alleged to have exercised his power of appointment and claimed that the ten grandchildren were beneficiaries he would have not

had the power and it would be revoked by the Court's and the only grandchildren it would apply to would be the children of ELIOT, IANTONI and FRIEDSTEIN.

231. in answer to Your Honor's question at the hearing that went unanswered by SPALLINA.

Similarly, he could not name Your Honor or MARITZA or John Doe. At the least it is a question of the construction of interpretation of the language of SHIRLEY'S Will to determine the validity or construction of SIMON'S power of appointment exercise which is why the Marital Trust and these question appear properly before Your Honor and not Hon. Judge French. If it went before Hon. Judge French, he would be interpreting SHIRLEY'S Will and not you, which seems wrong, especially since you now have reopened SHIRLEY'S estate.

232. That as to Your Question to ELIOT at the hearing of which assets of the estate pass under SHIRLEY'S Will versus the Marital Trust and that therefore you could "freeze" and find relief from for ELIOT, ELIOT could not answer that question to Your Honor at the hearing and cannot now, because SPALLINA has from the beginning suppressed and denied and refused to provide ELIOT with requested documents, accountings, inventories, as a beneficiary to make an informed consent answer, so the best answer now would be all assets of the gross estate and trusts of SHIRLEY should be construed as part of the estate of SHIRLEY until discharged with living parties making the discharge and distribution of assets.

233. That it was learned in the hearing that the Petition for Discharge, Full Waiver while allegedly signed and not notarized on April 9, 2012 was improperly filed in October 24, 2012, a month after SIMON was deceased, that it was not legally binding as SIMON was not present in October 2012 to make that Petition valid and the claims thereunder valid. It

was also already shown herein that the statements of SIMON'S attested to under perjury in the alleged April 9, 2012 Petition to Discharge Full Waiver were not true at that time in April 2012 when it is allegedly signed.

234. That if the Petition to Discharge Full Waiver is therefore legally invalid and part of a fraud on the Court, the estate was not discharged legally and remains not discharged legally discharged and the Marital Trust and its assets have then not transferred to the estate of SIMON and therefore SIMON would not have powers under the Marital Trust to make any appointments until such time that the estate is discharged and the trusts transferred and all approved by this Court.

235. That if the Marital Trust was not discharged as SIMON did not sign a discharge while alive that is valid, it would appear that not only are the SHIRLEY trusts still in the estate through the Will which creates them but that SIMON could not have while alive made the changes according to his power of appointment over the assets and SIMON cannot therefore make those changes now and thus the grandchildren were never changed in the trusts under the Will of Shirley and Shirley made no changes to her beneficiaries.

236. That SIMON died without closing the estate of SHIRLEY legally and discharging the estate legally and this provides a possible motive for the need to make all these changes with post mortem created fraudulent and forged documents to attempt to make the change to put TED and P. SIMON and their children back into the estate.

237. That SIMON coulda, shoulda, woulda, done these things is no longer relevant as SIMON did not and cannot now make changes in SHIRLEY'S estate and trusts and thus all SHIRLEY'S assets of the gross estate, probate and trusts, should remain in the estate of SHIRLEY and distributed to her beneficiaries, where ELIOT was and is and always has

been a beneficiary, despite the claims of SPALLINA and MANCERI at the hearing that ELIOT was not a beneficiary of the estate and trusts, which appears confused, based on improperly and illegally crafted documents as evidenced herein and untrue.

CLARIFICATION #6

19 THE COURT: Go ahead.

20 MR. SPALLINA: **Now, there was a question**
21 **from our client as trustee of his mother's**
22 **trust because he has apprehension as do the**
23 **other siblings as to whether or not**
24 **Mr. Bernstein is the proper trustee for that**
25 **trust.**

00049

1 THE COURT: **Okay, all right.**

238. That several questions pop up on this statement that need clarification, first, who is “our client?” Since SPALLINA speaks from plural we can assume TESCHER and TSPA are the “our” in the sentence and TED is the client they refer to as having apprehension and others having apprehension with “Mr. Bernstein”, TED, is the proper trustee for that trust.
239. That first how can TSPA, TESCHER and SPALLINA represent TED as a client when they are estate counsel for the estate, there would be a conflict that is beyond parsing or getting Waiver on. So is SPALLINA tipping off the Court to whom his real client is, TED whose wishes he is protecting, or the estate and SIMON’S last wishes, it appears he represents TED at least to Your Honor.
240. That the estate appeared not to have counsel representing the estate at the hearing, as MANCERI represents only SPALLINA and TESCHER in their individual capacities as Respondents and cannot represent them both professionally and personally due to conflicts and no one states on the record they represent any of the following parties that did not appear,

- i. the estate of SHIRLEY,
- ii. the Personal Representative,
- iii. TSPA, TESCHER and SPALLINA as estate counsel,
- iv. the alleged trustee, TED, of SHIRLEY'S estate, who only represents himself personally in the hearing,
- v. the alleged successor trustee to the trusts of SHIRLEY, TED, who only represents himself personally in the hearing,
- vi. any of the alleged beneficiaries (other than ELIOT who represented himself personally and where there is also no one representing ELIOT'S children as beneficiaries),
- vii. any of the alleged beneficiaries trustees including on behalf of the minors,

That prior to any other hearings or pleadings these issues must be addressed by the Court and ferreted out as to who is representing who, who are the beneficiaries, who are the trustees, who is the Personal Representative, etc. before further pleadings or hearings can be considered by any parties other than ELIOT who is representing himself Pro Se as a beneficiary of the estate of SHIRLEY.

241. That further MANCERI states he "believes" TED is trustee of the trust and TED claims not that SPALLINA represents him when Your Honor asked him if he was represented and that he was Pro Se, well it appear that for a year, SPALLINA and others have stated that TED was the trustee of the estate as represented in Your Court and was "believed" to be the trustee of the trusts, yet SPALLINA has allowed TED to act in these capacities knowing that he is not and no letters were issued and more. **THUS, ALL TRANSACTIONS TRANSACTED BY TED AS TRUSTEE OF THE ESTATE AND**

TRUSTS were knowingly done with TED not having these fiduciary powers and aided and abetted by SPALLINA to defeat the last wishes of SIMON, in favor of his real client, TED.

242. That until this Court can determine these matters, all distributions of any assets in the estate of SHIRLEY should be returned to this Court and held in trust until the Court can determine all of these matters, including all personal properties removed and distributed and all monies from any transactions that may have occurred fraudulently such as the Condominium sale, which is a part of the Marital Trust allegedly and part of SHIRLEY'S estate under the Will until it is legally discharged to the proper parties and proper Letters of Administration are granted to those in charge of the distributed properties.

CLARIFICATION #7

2 ...Remember, show me that it's a
3 legal emergency like I gave the example of it.
4 Someone is going to die, be taken out of the
5 jurisdiction, someone's wellbeing today is
6 going to be -- **you know, they're going to be**
7 **without food, they'll be on the street**
8 **tomorrow.**

243. That with the threat of imminent foreclosure and a cessation of long established funds that provide FOOD, CLOTHING, SCHOOL TUITION, ELECTRIC, HOUSING and more for CANDICE, ELIOT and their three minor children, due to what appears to be an attempt to EXTORT ELIOT to accept tainted money and convert it to the wrong parties and comingle it with other funds, appears under Your Honor's own definition to be an Emergency.

244. That as exhibited herein, these funds have ceased as of approximately September 15, 2013 and no funds remain through a series of what appear to be fraudulent transactions and violations of fiduciary responsibilities and more that will now not be paid for FOOD,

CLOTHING, SCHOOL TUITION, ELECTRIC, HOUSING and more and therefore this appears to fit into Your Honor's definition at the hearing and thus Your Honor needs to clarify that this was and remains an EMERGENCY requiring Your prompt attention and rectification.

245. That as already defined herein, since a series of crimes is alleged to be taking place in the estates of both SIMON and SHIRLEY enabled by the ADMITTED FRAUDULENT and FORGED documents of MORAN and other documents exhibited already herein that were approved by Your Honor and Hon. Judge French when submitted as part of another crime of Fraud on the Court, well it is an EMERGENCY that Your Honor and Judge French, who claim to be reading the motions and petitions filed by ELIOT, then you can see that there is an EMERGENCY to STOP AND PREVENT further crimes.

246. That the beneficiaries of the estate are going to be in dire emergency shortly due to the actions of those who have perpetrated these crimes and crimes on Your Court and this Court does not find this an EMERGENCY?

CLARIFICATION #8

17 THE COURT: Can you pay an electric bill?

18 MR. ELIOT BERNSTEIN: No.

19 THE COURT: Why not?

20 MR. ELIOT BERNSTEIN: I don't have any
21 employment.

22 THE COURT: Why not? If there's an
23 emergency and you're not eating and you have
24 children --

25 MR. ELIOT BERNSTEIN: It's very
00018

1 complicated, but --

247. That the Court appears to shift the responsibility of paying the home and children bills to ELIOT paying them, when the estate plans set up by SIMON and SHIRLEY take special precautions and sophisticated planning steps to provide these monies for the living

expenses for ELIOT, CANDICE and their children, as if ELIOT was a disabled child in effect, due to special circumstances already described herein and Petition 1, that prevent ELIOT from gaining employment to pay these bills and costs and in fact, part of the arrangement paid ELIOT an annual \$100,000.00 to cover these items via an agreement that has been honored for years and up until August 28, 2012 when SPALLINA changed everything and decided to shut these funds off and starve and attempt to evict ELIOT, CANDICE and their three minor children. Therefore, it should be clarified for the record that although ELIOT works but does not get paid other than through the estate funds set aside until distributions are made (to the proper parties) or ELIOT is successful in monetizing his Intellectual Properties that it is not ELIOT'S job to get a job to pay these expenses, it is this Court's job to make sure the beneficiaries are not getting extorted through a series of fraud on and in this Court.

248. That the whole argument of the Court's regarding ELIOT and his ability to get a job, in light of the RICO related crimes alleged against him and his family, that SIMON and SHIRLEY had prepared for in the estate plans to mitigate is wholly irrelevant to feeding ELIOT's children and should be clarified and corrected for the record.

CLARIFICATION #9

5 MR. MANCERI: Okay.

6 THE COURT: All right, so stop, that's

7 enough to give you Miranda warnings.

249. That ELIOT asks Your Honor, if enough evidence was before the Court at that moment to issue Miranda Warnings, why did the Court not issue them at the moment and instead let them walk out the Court retaining all their professional and fiduciary powers in the estate

and continue to accept pleadings and move on those pleadings, when the crimes before the Court were felony crimes that should have led them instantly to be removed. That ELIOT asks if this was a mistake and if so should all counsel and fiduciaries involved be instantly removed by Your Honor and new counsel and fiduciaries be sought to replace the others.

250. That ELIOT asks Your Honor to clarify if after having enough evidence to issue Miranda Warnings, did Your Honor contact all appropriate State and Federal law enforcement officials of Your finding and notify the Florida State Bar Association of these crimes committed by Officers of Your Court?

CLARIFICATION #10

1 THE COURT: And when those documents are
2 filed with the clerk eventually in November
3 they're filed and one of the documents says, I,
4 Simon, in the present.

5 MR. MANCERI: Of Ms. Moran.

6 THE COURT: No, not physically present, I
7 Simon, I would read this in November Simon
8 saying I waive -- I ask that I not have to have
9 an accounting and I want to discharge, that
Page 18

In Re_ The Estate of Shirley Bernstein.txt
10 request is being made in November.

11 MR. MANCERI: Okay.

12 THE COURT: He's dead.

13 MR. MANCERI: I agree, your Honor.

251. That Your Honor is referring to documents that You possessed in the Court file, dated in November 2012 and where ELIOT only has an un-notarized Petition for Discharge done in October 2012 and where it does not appear on the public docket. ELIOT requests this Court clarify what documents were viewed in the hearing and if they are part of the Court file and not the public record under the docket, ELIOT requests the documents referenced and any other documents not in the public docket but in the Court file for analysis and review.

CLARIFICATION #11

15 MR. MANCERI: Robert, do you know who
16 filed that document in your office?
17 MR. SPALLINA: I would assume Kimberly
18 did.

252. That the Court needs to force estate counsel to clarify whom in their office filed the document.

CLARIFICATION #12

23 THE COURT: And what you said was there's
24 an emergency in May, you want to freeze the
25 estate assets appointing you PR, investigate
00034
1 the fraud documents, and do a whole host of
2 other things, and the estate had been closed.
3 The reason why it was denied among other
Page 19
In Re_ The Estate of Shirley Bernstein.txt
4 things, one, it may not have been an emergency,
5 but, two, the case was not reopened. There's
6 no reopen order.
7 MR. ELIOT BERNSTEIN: I paid \$50 to
8 someone.
9 THE COURT: You may have paid to file what
10 you filed, but there's no order reopening the
11 estate.
12 MR. ELIOT BERNSTEIN: Okay, that's my
13 mistake.14 THE COURT: It's closed, the PR is

15 discharged, they all went home.
16 MR. ELIOT BERNSTEIN: And I filed to
17 reopen because we discovered the fraudulent
18 documents.
19 THE COURT: **But then you still had to ask**
20 **to reopen --**

253. That it is clear that Your Honor in May 2012 reviewed the Motion to Freeze... and thought that fraudulent documents showing that a dead person was notarizing documents in the estate, that Your Honor had rubberstamped, were being used to effectuate a series of serious felony acts alleged. That it must have been in err that the Court did not think that

such allegations with documented evidence was an Emergency and due to this err in decision, many crimes have henceforth been alleged to have been committed and now some even admitted. That to prevent further crimes from documents approved by Your Honor that later are admitted fraudulent and forged, well this would be an Emergency for Your Honor to take immediate actions and stop the crimes.

254. That ELIOT did file to reopen the estate in the Petition 1 and request EMERGENCY relief for all those reasons cited by Your Honor and more and yet Your Honor ignored all those requests and reliefs sought in Petition 1 and simply denied it as an Emergency and then never ruled on any of the reliefs sought or claims made and made no parties reply to the Petition, even after ELIOT later requested the Court to force all parties to respond, again this plea went ignored for months on end, all the while crimes against the beneficiaries were happening daily.

255. That it was not until Petition 7 which was now wholly denied by Your Honor, instead of just as an Emergency, which decision appears to be in error as it appears an Emergency under several qualifying grounds and again have failed to rule on the rest of the motion. That ELIOT demands to prevent further crimes from occurring from a lackadaisical approach to an Emergency and denying motions without ruling on them in entirety and allowing further crimes to be committed by those who have admitted to felony crimes in the fraudulent and forged waivers and fraud upon this Court seems almost to aid and abet and facilitate further crimes against the victims and pardon of the perpetrators.

CLARIFICATION #13

13 MR. MANCERI: Correct.

14 THE COURT: Simon dies. So what happened

15 with Shirley's estate?

16 MR. MANCERI: Shirley's estate is closed,
17 as you said.
18 THE COURT: I know the administration is
19 closed. What happened with her estate? Where
20 did that go? Did she have a will?
21 MR. MANCERI: Her assets went into trusts,
22 and her husband had a power of appointment
23 which he exercised in favor of Mr. Bernstein's
24 children.

256. That the Court must correct the record to reflect that the estate did not LEGALLY close as it was closed by a dead person who could not have closed it legally and thus it never was closed according to law and thus none of the assets should have gone anywhere as they were moved as part of a larger fraud and attempt to change beneficiaries post mortem, facilitated by Your Honor discharging and closing the estate with documents that were evidenced at the hearing to be part of a fraud on the Court. ELIOT therefore claims that if the estate was not closed or discharged properly, the assets should be instantly returned to this Court until the newly opened estate can reprobate the estate and discharge the assets legally and properly under the Marital Trust, Family Trust, etc.
257. That since it appears the assets were discharged as part of a fraud on the court and more they should be returned to this Court by Hon. Judge French's Court and then after this Court discharges them legally to the proper parties, SIMON can exercise his power of appointment if he wants to change the beneficiaries.
258. That the only beneficiaries that SIMON could have designated through his power of appointment were those defined as beneficiaries in SHIRLEY'S Will and Trust, which excludes TED and P. SIMON and their lineal descendants, as already evidenced and exhibited herein and thus SIMON could not have changed SHIRLEY'S beneficiaries and SHIRLEY never changed them, so this Court must now determine WHO THE TRUE

AND PROPER BENEFICIARIES OF SHIRLEY'S ESTATE and TRUST are. ELIOT has petitioned the Court several times since May 2012 to make this determination under FLORIDA LAW but now it is imperative and urgent to prevent damages to ELIOT, CANDICE and their minor children from EMERGENCY'S in part by the actions of this Court and Officers of this Court.

CLARIFICATION #15

15 THE COURT: All right. So then -- so
16 Simon really wasn't alive long when he died as
17 trustee?
18 MR. MANCERI: Not terribly long.

259. That the period of time SIMON was trustee and personal representative is from shortly after SHIRLEY'S death on December 08, 2010 and SIMON'S death on September 13, 2012 and BEYOND. Beyond, in that SIMON was still executing documents according to Your Honor, in the Court as late as January 2013, as learned in the hearing. Therefore, the time while alive is approximately 21 months and the time while dead is 25 months total.

CLARIFICATION #16

17 THE COURT: That's not what happened with
18 your father's estate?
19 MR. ELIOT BERNSTEIN: No.
20 THE COURT: That's not what the rule says
21 to do?
22 MR. ELIOT BERNSTEIN: No.
23 THE COURT: What does the rule say to do?
24 MR. ELIOT BERNSTEIN: The rule is not
25 properly notarized. He didn't appear --
00039
1 THE COURT: What did the will say that The
2 Court used?
3 MR. ELIOT BERNSTEIN: The Court filed a
4 will and amended trust, both improperly
5 notarized.

260. That on line 20, 23, 24, the transcript appears to misinterpret the word will for the word
“rule.”

CLARIFICATION #17

23 the way Eliot described that there was some
24 deal that had been in effect with Shirley and
25 Simon while they were alive that kept on going
00041

1 after Shirley died to help support his
2 children.

3 MR. MANCERI: That I can't comment on
4 personally, your Honor, because I never met
5 either one of them.

6 THE COURT: Do you know anything about
Page 23

In Re_ The Estate of Shirley Bernstein.txt
7 that?

8 MR. MANCERI: He was the draftsman. His
9 firm was the draftsman.

10 THE COURT: So did Shirley and --

11 MR. ELIOT BERNSTEIN: They didn't draft --

261. That ELIOT has exhibit in Petition 1 the Advanced Inheritance Agreement between he and
his parents and TSPA, TESCHER and SPALLINA were not the draftsmen or executors of
the document.

CLARIFICATION #18

5 THE COURT: Who's administering those
6 trusts?

7 MR. SPALLINA: Those trusts, Ted Bernstein
8 is the trustee of his mother's trust and holds
9 three assets.

262. That SPALLINA in one breath states emphatically and factually that TED is “trustee of his
mother’s trust” and in the next breath turns and states,

20 MR. SPALLINA: Now, there was a question
21 from our client as trustee of his mother's

22 trust because he has apprehension as do the
23 other siblings as to whether or not
24 Mr. Bernstein is the proper trustee for that
25 trust.

263. That SPALLINA appears confused of if his client is or is not trustee and where

SPALLINA knows no successors to SIMON were choose in SHIRLEY'S estate due to his admitted involvement if Fraud Upon the Court. The Court should set the record straight that TED was not or has never been approved by the Court to this date and issued Letters of Administration and SPALLINA knew this. This Court therefore should not be confused by the varying answers given depending on how best to answer the question to cover one's ass and continue the Fraud.

CLARIFICATION #19

1 THE COURT: Okay, all right.
2 MR. SPALLINA: We had discussions about
3 possibly making **emergency** distributions to
4 pay
5 the expenses, but not necessarily --

264. That the Court can see here that SPALLINA knows that there is an EMERGENCY and that he can control the funds to cease the emergency and thus is the cause of such EMERGENCY and then the question becomes what is "necessarily." Necessarily as defined in Petition 7 is only if ELIOT cooperates with fraud and conversion under their terms and stops reporting their crimes to the proper authorities. Also, who is the "we" in we had discussions, so ELIOT may know all the players in the extortion attempt. This statement also PROVES ELIOT'S claim that there is an EMERGENCY.

CLARIFICATION #20

11 Eliot, on your side you have an emergency
12 motion to freeze assets of the estate, so I
13 would say to you with a closed estate where the
14 PR, Simon, has been already discharged, and a
15 petition for discharge approved, what assets
16 are there in a closed estate where the estate
17 assets have already been distributed that I can
18 now in your motion freeze?

265. That since the Court closed and discharged the estate and distributed assets based on a series of fraudulent and forged documents using SIMON as if alive while dead to so achieve this fraud on the court and beneficiaries, the assets should be recalled to the newly opened estate from any trusts, etc. and the distributed properly after proper discharge papers are filed by an alive personal representative. In the interim, after demanding ALL assets returned to the estate and trusts this Court could and should freeze the assets in the estate and trusts and make interim distributions and family allowance to ELIOT for the emergency his family faces, until the Court can determine the true and proper beneficiaries.

CLARIFICATION #21

19 MR. MANCERI: Early on, your Honor.
20 THE COURT: But on the will that was
21 probated?
22 MR. MANCERI: No.
23 THE COURT: Okay, so maybe you don't know
24 then, your mother changed her will, they say.
25 MR. ELIOT BERNSTEIN: Did my mother change
00054
1 her will?
2 MR. SPALLINA: You know that your father
3 did.
4 MR. ELIOT BERNSTEIN: No, he asked if my
5 mother did.
6 MR. SPALLINA: Oh, yes.

266. That ELIOT asks this Court to clarify if he is a beneficiary immediately as set the record straight on this issue. MANCERI lies here, as the Will that was probated absolutely has ELIOT as a beneficiary and not his children. Then SPALLINA lies and states that my mother changed her Will and where the Court record reflects no such changes by SHIRLEY while she was living, not sure what she signed while dead but ELIOT awaits the estate documents to review. As already discussed, SIMON could have only made changes in distribution of assets amongst SHIRLEY'S beneficiaries as provided in his power of appointment and thus ELIOT, IANTONI and FRIEDSTEIN are the only beneficiaries and their children, TED and P. SIMON and their children are wholly disinherited and thus barred from being elected even if SIMON changed it, which he apparently never did while alive.

MOTION FOR IMMEDIATE, EMERGENCY RELIEF!!!, INTERIM DISTRIBUTIONS AND FAMILY ALLOWANCE FOR ELIOT, CANDICE & THEIR THREE MINOR CHILDREN DUE TO ADMITTED AND ACKNOWLEDGED FRAUD BY FIDUCIARIES OF THE ESTATE OF SHIRLEY AND ALLEGED CONTINUED EXTORTION

267. That in the hearing Your Honor requested that ELIOT prepare a list of reliefs for a hearing still unscheduled but instead ELIOT has inserted them in this pleading in the Prayer for Relief, as the reasons are once again EMERGENCIES THAT CANNOT WAIT WITHOUT FURTHER DAMAGE that will soon leave (in the next days) ELIOT and CANDICE and THREE MINOR CHILDREN without FOOD, ELECTRICITY, A HOME, THEIR CHILDREN OUT OF SCHOOL and PENNILESS, due to the FRAUD occurring in the estates of SHIRLEY and SIMON and the FRAUD ON and IN this COURT.

268. That Petition 7 made claims that ELIOT was being EXTORTED to either participate in what he knows are fraudulent transactions and where their admitted fraud and forgery and gross violations of fiduciaries involved in all of the transactions and monies are being converted to the wrong parties, against the last wishes and desires and legally binding estate plans of SIMON and SHIRLEY and with Your Honor discovering that FRAUD ON THE COURT and FRAUD ON THE BENEFICIARIES has occurred, well the EXTORTION ATTEMPT HAS NOT CEASED AND IN FACT GROWN WORSE MAKING IT MORE OF AN EMERGENCY and therefore if the relief sought is not granted by this Court, take this Motion as a call for another EMERGENCY HEARING and this time please advise all parties to bring their checkbooks.

17 THE COURT: And, Mr. Bernstein, whatever
18 you want relief-wise to happen with respect to
19 Shirley's estate, not Shirley's trust, but
20 Shirley's estate, you could have a hearing on
21 that. I'll combine everyone who has an
22 interest in getting some relief.

269. That further, ELIOT requested an Emergency Hearing that was not considered an emergency initially by Your Honor and ELIOT was shot down in Court for not having a good enough emergency reason as food had not run out yet and electricity was not off yet but now we grow ever nearer to major catastrophe for THREE MINOR BENEFICIARIES UNDER YOUR HONOR'S CARE and DUTY TO PROTECT. But after hearing Your Honor at Court, upon discovering FELONY crimes in and upon the Court and the Beneficiaries and learning of a hoax of amazing magnitude and planning, effectuated to change beneficiaries of the estate using a dead man's, my very own father's, signed and notarized documents for him through forgery and fraud, and whereby, Your Honor felt

enough evidence material at that moment to tell them they should be read their Miranda Warnings for apparently felony crimes discovered by Your Honor in the hearing. Crimes ELIOT did not know of until Your Honor exposed them and they were admitted to in the hearing, including but not limited to, crimes COMMITTED ON THE COURT and these facts and Your Honor's Miranda Warning has made CANDICE fear that these folks may cause harm upon our family and our three boys, as desperate men do desperate things and ELIOT agrees with CANDICE.

270. That with allegations out of the gate by TED and others that SIMON was murdered, this Court must consider WHY these crimes were committed and the premeditation and planning these crimes took and the effort to cover them up and continue the lies in the Court, is reason to consider the EMERGENCY MOTION again and provide IMMEDIATE EMERGENCY RELIEF TO THE BENEFICIARIES as Your Honor has left the beneficiaries at the hands of those whom you should have given their Miranda rights and hauled them off for trial on FELONY CRIMES AGAINST THE COURT and FRAUD ON THE BENEFICIARIES.

271. That Your Honor should consider granting the immediate relief requested in Petition 7 to protect the family of ELIOT from now both threatened and actual financial and perceived by CANDICE physical, harms. As it appears that while you should have arrested them in Your Court for the Fraud perpetrated on the Court and the beneficiaries and instead chose to let them walk out the Court free men in control of the estate still, despite the crimes committed and admitted to, well they very well could know the end is near if they do not take desperate measures to stop the inevitable prison sentence if they have their Miranda's read and this poses very serious risk to ELIOT and CANDICE and their children's safety.

272. That Your Honor after seeing and hearing enough evidence to know that a fraud was committed on the Court and issue a threatened but not executed upon Miranda Warning let them out of the Court, allowing them to continue to operate as Officers of the Court and move this Court on behalf of themselves and others, including others they do not represent is beyond belief and comprehension and this Court's inactions appear to cause more damages to the victims.

273. That further they are allowed to contact ELIOT and want to meet with ELIOT and make pleadings with the Court and propose settlements Your Honor urges, while in massive conflict and under investigations and having already admitted to criminal acts. As ELIOT stated in Court at the hearing ELIOT did not want to meet nor associate with such strange criminal bedfellows and participate in fraud under any circumstances, when asked to meet with them by Your Honor at the hearing.

10 MR. ELIOT BERNSTEIN: I didn't say that.

11 THE COURT: I'm not in charge of feeding

12 your children or paying your electric bills,

13 you are. You have to do what a parent does to

14 take care of their children. It doesn't sound

15 like you're doing everything that you can, but

Page 35

In Re_ The Estate of Shirley Bernstein.txt

16 that's technically not before me.

17 But in the meantime not knowing a whole

18 lot about this case, it's my first time I'm

19 really having this type of dialogue. I heard

20 some voice that said there's cash to feed your

21 children that could become readily in your

22 pocket or in someone's pocket to pay bills that

23 could help your children. I heard that. They

24 say the stumbling block to your children

25 getting the benefit of that money is you. I

00063

1 don't know whether that's true or not, but if

2 you want your children to imminently get money

3 and they have imminent money to give your

4 children, maybe you want to sit with Ted and

5 that other side and see if there's some money
6 that could come to your children.
7 MR. ELIOT BERNSTEIN: Excuse me.
8 THE COURT: Sure.
9 MR. ELIOT BERNSTEIN: **That's like asking**
10 **me to participate in what I allege is a fraud.**

274. That the Court err's also in the quote above from the hearing in that it really is more this Court's job to feed ELIOT, CANDICE and their THREE MINOR CHILDREN at the moment, as the funds to feed them and provide for their futures were set up just fine, up until a lot of bogus documents and fraud in the estates of both SIMON and SHIRLEY took place. These funds were to be set aside in trusts for ELIOT and his children immediately after SIMON and SHIRLEY'S death, some were funded prior to their deaths, all established by SIMON and SHIRLEY as stated in the last, known at this time, valid and binding and legally and properly documented Wills and Trusts they signed together in 2008, while alive. SIMON and SHIRLEY'S intention clear that the estate was to provide funds for ELIOT and his families living expenses and these funds are intentionally being interfered with by estate counsel's attempt to extort ELIOT to take tainted money and go along with the fraud or else suffer complete and overnight funding of his family in opposite of SIMON and SHIRLEY'S intent.

275. That the alleged changes to the beneficiaries and conversion of the monies to the wrong parties through fraud and forgery and more was not the intent of SIMON and SHIRLEY and SIMON never executed the changes to the estate and changed the beneficiaries legally or closed the estate while alive legally, as others helped him after his passing, in both estates, to change the beneficiaries to suit themselves and loot and rob the estates, wholly disregarding and usurping the last wishes of SIMON and SHIRLEY.

276. That SIMON and SHIRLEY'S wishes were that the money would flow seamlessly and without interruption to ELIOT in trusts and his children in other trusts and provide for them solidly in both income for their work to protect the Intellectual Properties and funds to pay all necessary living, school and other personal expenses, for the rest of their lives with prudent management of the funds. As Your Honor learned in the hearing this had been set and was being paid prior to SIMON and SHIRLEY'S passing for six years and was for months after SIMON passed until August 28, 2013, when suddenly and without warning, in yet another apparent fraud with massive fiduciary violations by SPALLINA et al. these monies were ceased through another con job by SPALLINA, this time involving OPPENHEIMER, all more fully described in Petition 7, in an attempt to force ELIOT to participate in the fraud and shut up about it or else these living expenses and agreed monies to fund his family would cease and they have, as ELIOT will not participate in fraud and more.

22 THE COURT: Now, tell me the best you can
23 the way Eliot described that there was some
24 deal that had been in effect with Shirley and
25 Simon while they were alive that kept on going
00041

1 after Shirley died to help support his
2 children.

3 MR. MANCERI: That I can't comment on
4 personally, your Honor, because I never met
5 either one of them.

6 THE COURT: Do you know anything about
Page 23

In Re_ The Estate of Shirley Bernstein.txt
7 that?

8 MR. MANCERI: He was the draftsman. His
9 firm was the draftsman.

10 THE COURT: So did Shirley and --

11 MR. ELIOT BERNSTEIN: They didn't draft --

12 THE COURT: Stop. Next time you speak out
13 of turn you will be held in contempt of court.

14 MR. ELIOT BERNSTEIN: Sorry.

15 THE COURT: Why get yourself in trouble?
16 You're being rude.
17 MR. ELIOT BERNSTEIN: Sorry.
18 THE COURT: So is it true that when they
19 were alive they were helping to support Eliot's
20 family?
21 MR. SPALLINA: To the best of my
22 knowledge, yes, sir.
23 THE COURT: So after Shirley died, did
24 that continue?
25 MR. SPALLINA: Yes, I assume so, that Si
00042
1 was paying bills.
2 THE COURT: And when he died in September
3 of last year, what happened, if anything?
4 MR. SPALLINA: There was an account that
5 we set up in the name of Bernstein Family
6 Reality. That was owned by three old trusts
7 not that we created, but were created by
8 Mr. Bernstein in 2006 that owned the house that
9 the family lives in, so there was an LLC that
10 was set up, Bernstein Family Realty, LLC,
11 there's the three children's trust that own the
12 membership interest in that, and there was a
13 bank account at Legacy Bank that had a small
14 amount of money that Si's assistant Rachel had
15 been paying the bills out of on behalf of the
16 trusts.
17 When Mr. Bernstein died, Oppenheimer, as
18 trustee of the three trusts and in control of
19 the operations of that entity, assigned
20 themselves as manager, had the account moved
21 from Legacy to Oppenheimer, and continued to
22 pay the bills they could with the small amount
23 of money that was in the Legacy account.
24 At this time, the Legacy account was
25 terminated because there were no funds left,

00043

Page 24

In Re_ The Estate of Shirley Bernstein.txt

1 they started using the funds inside the three
2 trusts at Oppenheimer to pay for health,
3 education, maintenance and support --
4 THE COURT: Of the grandchildren?
5 MR. SPALLINA: Of the grandchildren. And
6 it was probably at the time that Mr. Bernstein
7 died about \$80,000 in each of those trusts last
8 September.
9 THE COURT: Okay, so then what happened?
10 MR. SPALLINA: So over the course of the

11 last year -- the kids go to private school,
12 that's an expensive bill that they pay, think
13 it's approximately \$65,000. There were other
14 expenses throughout the year. The trust assets
15 as of this week I spoke to Janet Craig, have
16 depleted down collectively across the three
17 trusts for about \$25,000.

18 THE COURT: Total left?

19 MR. SPALLINA: Total left in the three
20 trusts.

21 THE COURT: Any other trusts?

22 MR. SPALLINA: Again, this is not part of
23 the estate right now, so let's leave the estate
24 of Shirley and Si completely separate. Just
25 trying to get to the issue that Mr. Bernstein
00044

1 spoke about first.

2 THE COURT: Right.

3 MR. ELIOT BERNSTEIN: Oppenheimer called
4 me and said that the trusts are coming to the
5 end of their useful life, it doesn't pay to
6 administer them anymore. They're going to make
7 final distribution to Mr. Bernstein and his
8 wife as the guardians of their children.
9 They sent out standard waivers and
10 releases for him to sign in exchange for the
11 remaining money that was there. There was a
12 disagreement that ensued and I have the e-mail
13 correspondence between Eliot and Janet Craig at
14 Oppenheimer that this is extortion and that
15 Mr. Spallina and you have devised a plan not to
16 give us the rest of the money. That's not the
17 case at all. In fact, we told them to
18 distribute the rest of the money, there's been
19 \$12,000 in bills submitted to them that they
20 are either paying today or on Monday, and the
21 \$14,000 or some-odd dollars that would be left
Page 25

22 are in securities that they have to liquidate,
23 supposedly they would have good funds today,
24 but there was some threats of litigation and so
25 they said that it might be prudent to hold onto
00045

1 this. There's also some expenses outstanding
2 on accounting fees and tax preparation fees.

3 THE COURT: Let me ask you this, what's
4 the other part of the estate planning that
5 Shirley or Simon had, another trust?

6 MR. SPALLINA: Both of their estates say

7 that at the death of the second of us to die,
8 pursuant to Si's exercise over his wife's
9 assets, that all of those assets would go down
10 to ten grandchildren's trust created under
11 their dockets.

12 Mr. Bernstein was on a call while his
13 father was alive with his other four siblings
14 where he had called me and said, Robert, I
15 think we need to do a phone call with my
16 children to explain to them that I'm going to
17 give this to the ten grandchildren.

18 THE COURT: And that happened?

19 MR. SPALLINA: And that happened.

20 THE COURT: So right now the status,
21 there's a trust that deals with that, or more
22 than one trust.

23 MR. SPALLINA: There's both Si's estates
24 and Shirley's estates basically say after and
25 again there is some litigation.

00046

1 THE COURT: And that's different than this

2 \$14,000 --

3 MR. SPALLINA: Yeah, those are three

4 trusts that were just designed to hold.

277. That all this complex estate planning to protect ELIOT, CANDICE and their children, done in light of their special circumstances involving Car Bombings and all that jazz and somehow now being undone with fraudulent documents and forgery and more and enabled by this Court's approving such fraudulent documentation and enabling further, admitted criminals to run the estate and continue to mismanage manage the trusts and lives of ELIOT and his family, using knowingly fraudulent fiduciary titles gained through the frauds on the estates of SIMON and SHIRLEY.

278. That SIMON and SHIRLEY set this protection of ELIOT and his family up bullet proof together and trusted TSPA, TESCHER and SPALLINA to carry through on protecting their last wishes, not creating fraud in the estates and robbing and looting it with the wrong beneficiaries and causing discontinuation in funding for ELIOT and his family to occur,

taking elaborate estate planning and other legal steps to insure all of this and paid an enormous fee for these services. The only way apparently to unwind it is through Fraud and Fraud on the Court and more by estate counsel and others.

279. That therefore it becomes the obligation of this Court to uphold those last legally documented Wills and Trusts of SIMON and SHIRLEY in 2008 and make sure the beneficiaries are protected from fraud and fraud on the court is punished and the guilty tried and more, especially where this Court and Hon. Judge French's Court are being used to facilitate the crimes as hosts, as Your Honor noted in the hearing that they had committed fraud upon Your Court in passing off a dead man as alive and more. That this Court has had knowledge of these documents and allegations since ELIOT first shouted FIRE and called for an EMERGENCY HEARING in May 2013 when it was discovered that SIMON was signing and notarizing documents dead and this Court refused to hear the EMERGENCY and allowed hosts of crimes to be committed from that time until admission of the crimes in Your Court to Your Honor and now beyond to this date.

280. That emergency then is now even a greater EMERGENCY, as the funds to feed and provide income and expenses for ELIOT, CANDICE and the kids that were set aside and carefully planned and documented for and these funds are now in Your Honor's custody and are being interfered with through FRAUD and FELONY crimes. Thus, Your Honor should reconsider the determination of the EMERGENCY and set the record straight and make sure that the proper beneficiaries are instantly identified and ELIOT be paid immediately the reliefs requested in Petition 7 and all those who are alleged and admitted thus far to be involved in the FRAUD ON THE COURT and FRAUD ON THE BENEFICIARIES and more be removed IMMEDIATELY from any fiduciary or

professional roles. These are crimes that are far beyond a breach of fiduciary duties and trust and in fact are felony criminal acts and cause for serious EMERGENCY action by this Court to prevent further imminent harm to those beneficiaries, including THREE MINOR CHILDREN in the Court's custodial care.

281. That ELIOT asks how can this Court allow TSPA, TESCHER, SPALLINA, MANCERI and TED to continue to represent any parties or the estates in these matters and move the Court in further pleadings when they now have been implicated in admitted and acknowledged felony acts and have MASSIVE conflicts now with beneficiaries of the estate. It seems surreal that TSPA, TESCHER, SPALLINA and MORAN have admitted to involvement in criminal acts and yet TSPA, TESCHER and SPALLINA are allowed to continue as Officers of Your Court and have no problem LYING to this Court repeatedly and making mockery of Your Honor by continuing the frauds. How can Your Honor let them manage the estate and ELIOT and his family trusts and continue to attempt to halt funding to ELIOT and CANDICE and the minor beneficiaries for life sustaining resources, unless ELIOT participates in FRAUD with them and Aids and Abets the thwarting of his parents last wishes to the wishes of his siblings and TSPA, TESCHER and SPALLINA.
282. That these are the same people, TSPA, TESCHER, SPALLINA and TED who are left in charge of ELIOT'S family finances and paying the bills and who have already threatened to turn them off these life sustaining resources and evict ELIOT and his family to the street if they retained attorneys to review their schemes and frauds and if ELIOT did not participate in fraudulent activities and convert monies from the true and proper beneficiaries. This err by the Court of leaving them in charge of the estates and ELIOT'S family welfare, despite knowledge of their criminal acts, now puts ELIOT'S family in a

desperate situation at the hands of those who he is trying to put in jail, with now bills no longer being paid and SPALLINA refusing to replenish and replace school funds he directed to be depleted in another scheme as described in Petition 7 and then putting TED in charge of Bernstein Family Realty LLC, a company owned solely by ELIOT'S children's trusts and set up by SIMON and SHIRLEY as part of their estate plans and allow them to extort ELIOT further to either participate in fraud or else suffer catastrophic harms financially to his family with the flick of a switch.

283. That at the hearing Your Honor asked what bills were not paid, well the attached **EXHIBIT 5, September 27, 2013 Letter from Janet Craig**, is self-explanatory and the issue is not as Your Honor mistook at the hearing of if ELIOT can get another job to pay for these bills overnight and keep his children fed, clothed and school but instead, where is the money that was to go to these bills from trusts established in the estate plans of SIMON and SHIRLEY to pay for these costs and why are they not getting paid by the parties acting as Trustees and estate counsel and why are the funds going to the wrong parties through a series of fraudulent and forged documents and other frauds upon the Court and true and proper beneficiaries.
284. That the Emergency Hearing was also predicated on what ELIOT alleges amounted to extortion type tactics by TSPA, TESCHER and SPALLINA and TED to also foreclose on ELIOT and throw he and his family on the street, while starving them out of their inheritance and stealing off with it and shut down his children's income sources, if he did not go along with the gang in thwarting SIMON and SHIRLEY'S desires.
285. That now with fear that ELIOT may prevail, that the Court has reason to read them their Miranda Warnings already and their crimes are unraveling, for which they may serve

prison time for and suffer certain financial ruins, this starvation and homeless threat becomes a very real and credible concern that CANDICE and ELIOT have for their children and it is evident that those left in charge by this Court are not planning on rectifying the problems they created with intent to further harm ELIOT to disable his abilities to further have them prosecuted and investigated for their crimes, which may in fact include the murder of SIMON for his money.

286. That ELIOT and ELIOT'S children counsel and others were told by SPALLINA and TED that there was an imminent foreclosure by a note holder pending that they were staving off and ELIOT either participated in the insurance fraud scheme and now the condominium fraud scheme to get monies or else this note holder would file imminent and threatened foreclose.

287. That after the hearing on September 13, 2013, ELIOT was contacted by a one, Walter "Walt" Sahn ("Sahm"), who called ELIOT to inform him that for months he was owed interest on \$100,000.00 loan on ELIOT'S children home of approximately \$3,800.00 through a deal with companies set up by SIMON and SHIRLEY. Sahn stated that he had contacted TED, TSPA and SPALLINA repeatedly to get such minimal interest payment owed from a company that ELIOT'S children own, Bernstein Family Realty LLC, that owns their home. That Sahn, as exhibited herein, even offered to let the interest accrue to a later day and pay nothing now but TED and SPALLINA refused to even respond to his written and oral requests, a common thread of their Willful, Wanton, Reckless, and Grossly Negligent behavior in disregard of law by alleged fiduciaries of the estate and estate counsel . **See Exhibit 6 - SAHM LETTER TO ELIOT** AND SAHM LETTERS TO TED AND SPALLINA.

288. That Sahm stated that he retained an attorney and they refused to even contact his Attorney at Law to arrange payment and he felt like TSPA, SPALLINA and TED were trying to get him to foreclose on the home through their continued ignoring of his requests. Sahm further stated that he was aware when he sold the home to SIMON, that SIMON and SHIRLEY were so happy to get ELIOT and his children a home and worked to make sure no creditors of ELIOT or those he was involved in a RICO action against, could use dubious tactics to take the home and he did not want to file a foreclosure without first talking directly to ELIOT as indicated in his letter. That Sahm in his letter states that what is going on to harm ELIOT and his family, would leave SIMON and SHIRLEY “MORTIFIED.”

289. That SIMON put a Balloon Mortgage apparently to himself of approximately \$365,000.00 to further secure the home, on top of Sahm’s \$100,000.00 carry over loan that was left over from the sale of the home by Sahm to SIMON, when SIMON bought Sahm’s long established business from him. That this made loans and mortgages against the home to Sahm and SIMON approximately \$465,000.00 and where the home was only purchased for \$360,000.00? Unless one understands the nature of what was happening to ELIOT and his family, including a CAR BOMBING of his family’s minivan in Del Ray Beach, FL, the transactions make no sense and these reasons are further defined herein and in Petition 1, Section “The Elephant in the Room.”

290. That for months, TSPA, SPALLINA, TESCHER and TED claimed to ELIOT that he should stop making problems or they would foreclose on his home using the Balloon Mortgage to SIMON and then later that Sahm was allegedly threatening foreclosure and he better hurry and sign off on all the fraud, despite the fact that SPALLINA originally told

ELIOT that SIMON'S loan was to be waived by the estate, thrown in the garbage, as it was a sham note to protect the home that he could easily waive if ELIOT cooperated.

291. That SPALLINA informed YATES that there was imminent foreclosure from Sahn and SIMON as well and that she should advise ELIOT to take the money from an insurance beneficiary and trust fraud scheme to convert a policy owned on SIMON that ELIOT refused to partake in, on the advice of counsel that the insurance scheme appeared an artifice to defraud, see [Exhibit 7 - ELIOT Answer and Counter Claim to Jackson National Lawsuit www.iviewit.tv/20130921AnswerJacksonSimonEstateHeritage.pdf](#) and Petition 1.

292. That SPALLINA and TED claimed that ELIOT either sign the proposed sham trust agreement for the policy to pay off Sahn's and SIMON'S notes or else they would take from ELIOT and his children's inheritance the amount of the sham Balloon Mortgage, that is also legally defective in the documents for a variety of reasons and he would make sure ELIOT and his children would be left with nothing and SIMON and Sahn would foreclose on his children's home and leave them homeless. Of course, a foreclosure by SIMON and WALT is what SPALLINA and TED claim are the wishes and desires of SIMON, SHIRLEY and Sahn and one need only read Sahn's letter exhibited herein to know that nothing could be further from the truth.

293. That almost all of the necessary documents used to attempt to effectuate changes in beneficiaries in both SIMON and SHIRLEY'S estates are defective and legally should be null and void and may be part of a much more dubious set of criminal acts.

294. That after some bantering from Your Honor at the hearing of why ELIOT refuses to take money from a Condominium sale that he alleges took place using fraudulent documents

with fraudulent fiduciary powers and is converting monies from the proper beneficiaries, interesting things were learned that could help alleviate the financial burdens being intentionally heaped upon ELIOT and his family.

A RATIONALE SOLUTION TO THE IMMEDIATE EMERGENCY RELIEF FOR ELIOT, CANDICE AND THEIR CHILDREN UNTIL THE COURT CAN DETERMINE THE EFFECTS OF FRAUD ON THE BENEFICIARIES AND FRAUD ON THE COURT ADMITTED TO BY ESTATE COUNSEL ALREADY

295. That it should be noted that the sale of the condominium took place behind ELIOT and his children's counsel's backs and it was learned at the hearing that distributions were made from this illegal sale and converted to trust accounts for 7 of 10 of the grandchildren, in the amount of \$80,000 per child and that ELIOT refused to partake in this ill-gotten money as it would make ELIOT and his children willingly a part of fraud, almost in essence granting a waiver of immunity to the others in exchange for participation. This conversion and coveting of money is prohibited by ELIOT'S integrity and as Your Honor learned in the hearing, ELIOT would rather see his children starve before teaching them that committing crimes to feed them would be right. Perhaps Your Honor this failure to take tainted money and participate in fraud to feed ones children is wrong in Your Court and worthy of a Guardian according to MANCERI at the hearing but ELIOT appears to also follow higher laws, those of the simple Ten Commandments, which make it wrong to covet that which is not rightfully yours and to "Honor thy Father and Mother" by honoring their last wishes and seeing them carried through legally and properly.
296. That in the hearing MANCERI even tried to claim that ELIOT'S children should have Guardians as ELIOT would not violate law for failing to commit fraud to feed his children

and MANCERI would know how that goes, as he is most likely feeding his children from the fraud upon this Court, lies to this Court and the fraud upon the ultimate beneficiaries.

21 MR. MANCERI: I'm very concerned about
22 something Mr. Bernstein just told The Court.
23 He's the one objecting they're in conflict,
24 he's stating from what I'm piecing together
25 that he believes that his children are getting
00065

1 money that the parents really was supposed to
2 go to him personally. He's got the inherent
3 conflict with that mindset.

4 MR. ELIOT BERNSTEIN: I'm not saying I
5 don't.

6 THE COURT: Okay, here's the point, if
7 you're at a point where you're asking The Court
8 for an emergency because you can't feed
9 children, and there's someone around the corner
10 that's holding out a \$20 bill and says you
11 could have it to feed your children, and you
12 go, you know, I'm not going to take that to
13 feed my children because I want to have a court
14 determine that it really was mine, then I don't
15 know that you're treating this as an emergency.
16 Emergencies mean you figure out a way of
17 getting the money to your children sooner than
18 later, and they say it's happening imminently,
19 cash that could pay bills for your children.
20 That's what they say. If it's an emergency and
21 your kids are starving, and you as the parent
22 say that might be my money and not my kids', so
23 I want to wait for two or three years and let
24 the money stay in a bank account until I could
25 figure it out, and not feed my children, I
00066

1 think you need to reflect upon some of your
2 decisions.

3 MR. MANCERI: Your Honor --

Page 37

In Re_ The Estate of Shirley Bernstein.txt

4 THE COURT: What?

5 MR. MANCERI: I'm not saying we're going
6 to do this, Judge, but this sounds like this
7 may need an ad litem for these kids.

8 THE COURT: Well, I don't know, let's not
9 add fuel to the fire.

10 MR. MANCERI: Because I'm troubled by what
11 he's saying.

12 THE COURT: All right, so --
13 MR. ELIOT BERNSTEIN: Here's why I have
14 not taken that money.
15 THE COURT: Why?
16 MR. ELIOT BERNSTEIN: Because if you told
17 me, your Honor, that you just murdered him, and
18 here's \$20 from his pocket to feed your kids
19 from the crime --
20 THE COURT: If they were starving I would
21 take the \$20.
22 MR. ELIOT BERNSTEIN: On that advice, I'll
23 take the money.
24 THE COURT: If they were starving --
25 MR. ELIOT BERNSTEIN: On that advice --
00067
1 THE COURT: Your kids are starving. I'm
2 not giving you advice.
3 MR. ELIOT BERNSTEIN: On that advice, I
4 will --
5 THE COURT: The \$20 didn't murder anybody,
6 did it? Did the \$20-bill murder someone?
7 MR. ELIOT BERNSTEIN: It's stealing money
8 from people.
9 THE COURT: They're not -- this isn't
10 stolen money. This is your parents' money.
11 MR. ELIOT BERNSTEIN: If I take that money
12 and put it in my kids' accounts, it's actually
13 taking money from what we believe are the true
14 and proper beneficiaries --

297. That however what this banter did reveal is that the monies from the alleged fraudulent sale of Condominium by TED acting as alleged "Successor Trustee" and "Personal Representative" to consummate the transaction has already been converted through distributions made through this fraudulent scheme to the alleged wrong beneficiaries and that there is money from the fraudulent sale of the condominium in the estate by TED acting in fiduciary roles he did not have. Perhaps however these monies can be accessed to please both Your Honor's idea to take tainted money and feed the children as a good parent and ELIOT'S idea to refuse the money and watch his children and family suffer for failing to participate in the conversion of assets of the estate to the wrong parties.

298. That the Condominium sold supposedly, as ELIOT has no transaction details and the numbers are based solely on what has been orally conveyed, for approximately USD \$1,600,000.00, a woefully low number but regardless that would amount to either,
- i. ELIOT getting one third as beneficiary if changes to the beneficiaries were never made, equaling USD \$533,333.33 or
 - ii. ELIOT'S children getting 3/10th if the beneficiaries were changed by SIMON while alive, equaling USD \$480,000.00.
299. That this Court could now order that UNTIL all criminal and civil matters, in both estates, are fully resolved both criminally and civilly and the true and proper beneficiaries of both estates and ALL trusts can be determined by Your Honor and Judge French, to determine how the money flows legally, where knowing of Fraud, Forgery and Fraud on the Court has been already admitted to and committed against this Court and ELIOT'S family by the illegal and fraudulent acts of estate counsel and TED directly, relief could be granted by Your Honor that could solve all the problems in the interim. Whereby Your Honor could order the use of the funds that ELIOT refuses to take to the wrong parties through accepting tainted monies and use them instead to replenish and replace the intentionally depleted school trust funds of ELIOT'S children 100%, approximately USD \$240,000.00 according to SPALLINA at the hearing, whereby SPALLINA claimed there was USD \$80,000.00 in each of the trusts for the children that were established pre-mortem by SIMON and SHIRLEY when SIMON died and that he directed to be used for ELIOT'S family expenses, despite their being set up for School for ELIOT'S children. That Your Honor could then use an additional portion of the monies from the sale to maintain the agreed amounts in the Advanced Inheritance Agreement of USD \$100,000 to provide for

ELIOT, CANDICE and their children's expenses and needs, as planned by SIMON and SHIRLEY and continue having them paid as they have been for years and up until a few weeks ago on August 28, 2013, until the Court can determine whose monies they really are.

300. That these funds can be ordered as EMERGENCY Interim Distributions and Family Allowances until final determinations of whose monies it is can be made but in the meantime Your Honor could instantly order the continuation of the funding of ELIOT, CANDICE and their minor children as was intended, as they should not be punished further or extorted to participate in fraud or harmed by the illegal actions of others and where it is Your Honor's job and duty to fraud, especially where there is fraud on Your Court that enables crimes against the beneficiaries and the Court is used as a host for the crimes to rectify these issues and not exacerbate them.
301. That by Your Honor ordering the funds of the illegal sale of the condominium to be used in this manner, ELIOT does not have to take the money from the fraudulent condominium sale to the wrong beneficiaries and participate in fraud and when the Courts and CRIMINAL AUTHORITIES finish their investigations and all is rectified according to law, Your Honor can then simply deduct those monies advanced to provide for ELIOT and his family from the proper parties who ultimately inherit them, ELIOT or his children and no crimes are committed by ELIOT in this way.
302. That this solution resolves both ELIOT and Your Honor's concerns that ELIOT and his family eat, the children go to school, have electricity, water, etc. and have all their expenses covered for their lives in amounts provided under the estate plans and contracts signed with SIMON and SHIRLEY, as these were the wishes and desires of SIMON and

SHIRLEY according to their last valid wishes and desires and legally binding estate plans they signed in 2008.

303. That learned at the hearing was that despite knowing of the fraudulent and forged signatures in their names and that the Condominium may have been sold fraudulently and without notice of these crimes to the buying parties and any creditors (i.e. Stansbury), the Courts, ELIOT and ELIOT'S children counsel, TED, P. SIMON, IANTONI and FRIEDSTEIN already converted the monies into some form of trust accounts that ELIOT still has no records of what these trusts are, knowing that these monies are fraudulent and may be revoked according to law as they hurried to sell the condominium and convert the monies in a fire sale before their crimes were discovered.
304. That this Court should order all converted monies from the illegal sale of the condominium by TED acting as an imposter in false fiduciary titles in the estate to complete the transactions, with the aid of estate counsel, returned IMMEDIATELY to the Court until this Court can determine if the transaction was legal and if the true and proper beneficiaries are being paid.
305. That the integrity and fiduciary trust of estate counsel and ELIOT'S four siblings is now in question and this Court should demand that all those who participated in these transactions knowing that their names were forged on fraudulent documents in the estate and knowing that TED did not have Letters to transact on behalf of the estate, all be thrown out of any fiduciary capacities they hold instantly, at minimum, until this Court and law enforcement determine if they should be prosecuted for their crimes. Where it appears that Your Honor has allowed admitted fraudsters to continue running the estate despite Your Honor's

admitted knowledge that a fraud has taken place upon Your Court and the beneficiaries worthy of reading Miranda to each of them.

MOTION TO CORRECT THE BENEFICIARIES OF THE ESTATE BASED ON PRIOR CLOSING OF THE ESTATE THROUGH FRAUD ON THE COURT BY USING FRAUDULENT DOCUMENTS SIGNED BY SIMON WHILE HE WAS DEAD AND POSITED BY SIMON IN THIS COURT WHEN HE WAS DEAD AS PART OF A LARGER FRAUD ON THE ESTATE BENEFICIARIES

306. That at the closing of the hearing Your Honor states,

10 THE COURT: If it comes to you as trustee
11 for your children, you are -- you have a duty
12 to only use it for the children, not yourself.
13 Not you. You still have to work for you. Now,
14 you don't have to work for your children,
15 maybe. You still have to support yourself.

16 MR. ELIOT BERNSTEIN: Yeah.

17 THE COURT: The money has to get spent on
18 your children if that's how you get it.

Page 39

In Re_ The Estate of Shirley Bernstein.txt

19 MR. ELIOT BERNSTEIN: Right.

20 THE COURT: That's all we're talking about
21 is money to feed your children.

22 MR. ELIOT BERNSTEIN: **You see, if the
23 money came to me, it's also for me and my wife
24 and feeds our children.**

25 THE COURT: **That's not what they said. It
00070**

1 does not go to support you and your wife.

2 MR. ELIOT BERNSTEIN: **If the money comes
3 to me as a beneficiary, it does. If all these
4 nonsense documents that are forged and --**

That what “they said” cannot be trusted and relied upon by this Court or the beneficiaries and interested parties any longer as the Court and the beneficiaries have knowledge that they have participated in Fraud, Fraud on the Court and more. This Court now has further evidence as evidenced herein, that they have further lied to Your Honor multiple times at

the hearing. Yet, this exchange above at the hearing then answers Your Honor's earlier question of if the documents are forged does it change anything and here in your own statement we see that who gets the money has a major effect on how and who the money can be spent on and who is in charge of the estates. What is more important is the question of if the money be taken is being distributed according to the final wishes of SIMON and SHIRLEY, prior to all this fraud attempting to thwart their estate plans and wishes.

17 THE COURT: Mr. Bernstein, I want you to
18 understand something. Let's say you prove what
19 seems perhaps to be easy, that Moran notarized
20 your signature, your father's signature, other
21 people's signatures after you signed it, and
22 you signed it without the notary there and they
23 signed it afterwards. That may be a wrongdoing
24 on her part as far as her notary republic
25 ability, but the question is, unless someone
00060
1 claims and proves forgery, okay, forgery,
2 proves forgery, the document will purport to be
3 the document of the person who signs it, and
4 then the question is, will something different
5 happen in Shirley's estate then what was
6 originally intended? Originally intended they
7 say, the other side, was for Simon to close out
8 the estate.

307. That at the Emergency Hearing on September 13, 2013, MANCERI and SPALLINA attempted to claim that ELIOT was not a beneficiary of the estate of SHIRLEY and thus was not entitled to anything but personal effects, which he has still not received a single item of and where the other four children have already ransacked and looted the homes of SIMON and SHIRLEY of personal effects, jewelry, items of sentiment and more, divvying it up wholly between themselves as fast as they could before their crimes were exposed with the aid of estate counsel.

308. That ELIOT informed the Court that contrary to MANSERI claiming he was not a beneficiary, ELIOT was in fact a beneficiary until alleged forged and fraudulent documents were submitted to this Court in both estates attempting to make post mortem changes to SHIRLEY'S estate beneficiaries and SIMON'S and if this fraud does not hold up ELIOT will remain a true and proper beneficiary.

309. That without these fraudulent and forged documents ELIOT would still be a beneficiary and if these documents do not hold up in Court as valid and binding then ELIOT still is a beneficiary and why these fraudulently notarized documents that were discovered in the Court by Your Honor are so important, as they change who the true and proper beneficiaries are and allow assets to be converted to the wrong parties and cause great harm to ELIOT and CANDICE and their children.

MOTION TO ASSIGN NEW PERSONAL REPRESENTATIVES AND ESTATE COUNSEL TO THE ESTATE OF SHIRLEY FOR BREACHES OF FIDUCIARY DUTIES AND TRUST, VIOLATIONS OF PROFESSIONAL ETHICS, VIOLATIONS OF LAW, INCLUDING BUT NOT LIMITED TO ADMITTED AND ACKNOWLEDGED FRAUD, ADMITTED AND ACKNOWLEDGED FRAUD ON THE COURT, ALLEGED FORGERY, INSURANCE FRAUD, REAL ESTATE FRAUD AND MORE

310. That based on the evidence already presented herein and in Petitions 1-7 that the fiduciary and professional representatives of the estate of SHIRLEY, including but not limited to, TSPA, TESCHER, SPALLINA and TED have transgressed moral turpitude and law and can no longer be trusted, therefore, ELIOT requests that this Court on its own motion take Judicial Notice of the crimes admitted to and acknowledged before Your Honor already and order all estate counsel removed and all fiduciaries removed in any capacities, except

for ELIOT and CANDICE and ALL ITEMS REMOVED FROM THE ESTATES
RETURNED TO THIS COURT AND ACCOUNTED FOR INSTANTLY.

311. That with each day Your Honor allows estate counsel and alleged fiduciary TED to handle the estate and move this Court, it appears new crimes are being committed by those who have already admitted and acknowledged involvement in criminal acts and continue to lie and defraud this Court and fraud the true and proper beneficiaries under apparently the color of law with Your Honor's blessings and this appears a gross injustice that further punishes the victims.

312. That on September 22, 2013 ELIOT filed an Answer & Cross Claim against the following parties in the US District Court for the Northern District of Illinois Eastern Division, Case No. 13 cv 3643, TSPA, TESCHER, SPALLINA, TED, P. SIMON, D. SIMON, A. SIMON, THE SIMON LAW FIRM, IANTONI and FRIEDSTEIN and several business entities in response to ELIOT being added as a Third Party Defendant to a secreted Breach of Contract Lawsuit filed by A. SIMON (P. SIMON'S husband's law firm that operates out of P. SIMON'S offices) on behalf of TED and a "lost" "Simon Bernstein Irrevocable Insurance Trust, Dtd 6/21/95" That the filing can be found at the URL @ www.iviewit.tv/20130921AnswerJacksonSimonEstateHeritage.pdf , fully incorporated in entirety by reference herein.

313. That this a perfect example of a new crime being committed after Your Honor and Judge French's courts had evidence of wrong doing and that dead men appeared to be notarizing documents and much more in May 2013 and neither took EMERGENCY ACTION as requested. This insurance fraud starts with an initial life insurance claim filed for an insurance policy by estate counsel TSPA, TESCHER and SPALLINA.

314. That the claim was rejected by the insurance carrier who advised the applicants, TSPA, TESCHER, SPALLINA, TED and P. SIMON that to pay the death benefit to the purported beneficiary as proposed they would need a “court order” to approve their insurance trust and beneficiary scheme, whereby TED would be acting as an alleged trustee of a “lost” trust and creating a new post mortem trust with TED choosing the alleged beneficiaries he recalls were in the “lost” trust, namely TED, P. SIMON, IANTONI and FRIEDSTEIN, using his alleged fiduciary power as “trustee” gained from the “lost” trust to enforce his claim.
315. That where the scheme has TED claiming to be “trustee” of the “lost” trust and then converting the proceeds from being paid to the estate, where he and P. SIMON would be wholly excluded and their adult children would be paid if the changes to beneficiaries were to hold up, and instead have them paid to them instead, sounds like Kosher Pork.
316. That ELIOT again would not participate in what appears insurance fraud without counsel for his children and himself approving any insurance scheme that appeared an artifice to defraud and without having a “court order” to approve this madness. So instead of getting the “court order” they mislead ELIOT to believe they were getting the “court order” from this Court and instead hatched a new plan, put in place secretly behind the back of ELIOT and his children’s counsel YATES in efforts to skin the cat without the “court order” and without ELIOT and his children having any knowledge of the transaction until the monies had been converted and it was too late.
317. That TED, TSPA, TESCHER, SPALLINA, P. SIMON, IANTONI and FRIEDSTEIN and others then attempted a Federal Breach of Contract Lawsuit against the insurance company for failing to pay the life insurance benefit demanded without the requested “court order”

and in further efforts to abscond with the benefits. Where this scheme, from Jackson's Answer and Counter Complaint to the breach of contract complaint filed by P. SIMON'S husband law firm also seems to have failed, as Jackson refused the claim and countered the lawsuit, stating TED had filed the lawsuit against the advice of counsel who told him he had no "authority" to file on behalf of a "LOST" trust that he claims to remember he was "Trustee" to and remembers he was also a "beneficiary" of and then added ELIOT to the lawsuit and notified him of this back door dealing around the back of he and his children and their own children's backs.

318. That in all of these three attempts to convert the life insurance policy benefits to themselves from their children, their children have been unrepresented by independent counsel and are being left unrepresented by their parents acting as "trustees" and who knowingly are in direct conflict with their children to receive the benefits and further suppressing information from their children to make an informed decision and thus failing to act as honest alleged "trustees" for their children and trying to end around this Court and certain beneficiaries and dodge the requested "court order" to benefit themselves.
319. That despite being advised of their conflicts by ELIOT with their children who would receive the benefits if paid to the estate and themselves who pocket the money from their insurance trust and beneficiary fraud scheme and baseless breach of contract lawsuit, they have moved ahead three times in efforts to convert the death benefit and in all instances failed to parse the conflicts or retain separate non conflicted counsel for their children and in fact suppressed information from them and other beneficiaries to hide their actions.
320. That the SAMR Trust, if one looks at the signature pages proposed, one sees that they have the minor children's trustee/parents attempting to sign the deal for themselves personally

and then sign on behalf of their children as trustees to waive their own children's rights to the benefits. This is a severe breach of fiduciary and trust as Guardians and alleged "trustees."

321. That when SPALLINA was confronted by IANTONI on a conference call with several other parties present, and asked if she could one day be sued by her daughter for the insurance beneficiary and trust fraud scheme proposed by SPALLINA that appeared to convert money from her daughter to her own pocket, while she acted as alleged "Trustee" for her daughter in the transaction, SPALLINA responded that "only if she found out or you told her" or words to that effect, again exhibiting Willful, Wanton, Reckless, and Grossly Negligent behavior and disregard of the law.

322. That for these reasons TED, P. SIMON, IANTONI and FRIEDSTEIN'S children should all have Guardians Ad Litum appointed over them to protect them from the efforts of their parents who have conflicts in acting as "trustees" for their children while directly receiving benefits from their actions to inure benefits to themselves.

323. That TED should also have a Trustee Ad Litum assigned to any "alleged" roles he is claiming in the estate of SHIRLEY and SIMON, as it is apparent that he is breaching his fiduciary responsibilities in a variety of self-professed fiduciary roles and even brazen enough to lie to this Court that he was "trustee of the estate" at the hearing.

324. That this Court must notify that court of its findings at the hearings and how it is alleged that all these frauds on the courts and beneficiaries may be inter related and how this lawsuit may have been filed to evade this Court and get around the court order the life carrier demanded before paying benefit to the wrong parties and stop what appears a fraudulent claim.

**MOTION FOR GUARDIAN AD LITUM FOR THE CHILDREN OF TED, P. SIMON,
IANTONI AND FRIEDSTEIN AND ASSIGN A TRUSTEE AD LITUM FOR TED FOR
CONFLICTS OF INTEREST, CONVERSION AND MORE**

325. That TED, P. SIMON, IANTONI & FRIEDSTEIN should have Guardian Ad Litum assigned to act as their children's alleged "Trustees" until this Court can determine who the ultimate beneficiaries are and why they did not come forth regarding their knowledge that their signatures were fraudulent and as stated in their Affidavits FORGED, until after the authorities contacted them and other transgressions of fiduciary roles already evidenced herein and in Petitions 1-7.
326. That as ELIOT pointed out in the hearing, each child of SIMON is now conflicted with their children directly as beneficiaries and MANCERI agreed.

6 MR. ELIOT BERNSTEIN: I think there are
7 other beneficiaries that are also --
8 THE COURT: They signed off.
9 MR. ELIOT BERNSTEIN: No, just their
Page 36
In Re_ The Estate of Shirley Bernstein.txt
10 parents have. The children don't even know.
11 They're not even represented.
12 THE COURT: Well, the parents represent
13 the child.
14 MR. ELIOT BERNSTEIN: No, but they have
15 conflicting interests.
16 THE COURT: Well, you say that --
17 MR. ELIOT BERNSTEIN: Our attorney wrote a
18 subpoena and said it. I had to get two lawyers
19 because my attorney couldn't represent both
20 sides of this.
21 MR. MANCERI: I'm very concerned about
22 something Mr. Bernstein just told The Court.
23 **He's the one objecting they're in conflict,**
24 **he's stating from what I'm piecing together**
25 **that he believes that his children are getting**
00065
1 **money that the parents really was supposed to**
2 **go to him personally. He's got the inherent**
3 **conflict with that mindset.**

4 MR. ELIOT BERNSTEIN: I'm not saying I
5 don't.

This is true that ELIOT has a conflict with who the beneficiaries are ultimately to be, he or his children and has the same conflict in taking insurance money to himself through the SAMR Trust and Beneficiary Scheme and putting in his pocket instead of through the estate to his children, if they are determined the beneficiaries. In fact, ELIOT was the only child that retained independent counsel for his children with one law firm for them and ELIOT no longer represented and had to sign release papers to Tripp Scott to separate ELIOT and his children from being jointly represented by counsel due to the conflicts related to assets of the estates where conflicts arose, as in the insurance policy of SIMON or the Condominium sale. That despite knowing of these conflicts between themselves and their children and be fully advised that conflict existed, each of the children, except ELIOT, failed to retain independent counsel for their children separate from their counsel (which none of them have) in efforts to parse the inherent conflicts and still went ahead and acted as alleged "Trustees" for their children, while trying to walk the death benefit proceeds out the door of the insurance company to themselves and completely skip the estate and the requested "court order" in several failed schemes exhibited already herein and Petitions 1-7.

**MOTION TO RECONSIDER AND RESCIND ORDER ISSUED BY THIS COURT
"ORDER ON NOTICE OF EMERGENCY MOTION TO FREEZE ASSETS" ON
SEPTEMBER 24TH FOR ERRORS AND MORE**

327. That on September 24, 2013 this Court ruled in error that the cause before the Court was not an EMERGENCY and this partially to do with ELIOT'S inability to put forth his

arguments correctly and due to new evidence of criminal activity learned at the EMERGENCY HEARING compounding the emergencies before the Court that day.

328. That Your Honor's first error in the Order is that Your Honor allowed estate counsel to continue to plead to the Court after learning that estate counsel and their crew had tendered admittedly fraudulent and forged documents into the Court while closing the estate.
329. That it was learned at the hearing that SIMON had come to the Court while dead and closed the estate and somehow made changes in his estate that changed the beneficiaries of SHIRLEY'S estate, all using SIMON to transact this official business with the Court while he was dead.
330. That it was learned at the hearing that estate counsel, TED and MANCERI should have been read their Miranda Warnings based on the admitted acknowledgement that they had committed a Fraud upon the Court.
331. That it is evidenced herein that multiple lies were told to Your Honor in the hearing based on newly discovered information contained herein and gathered at the hearing.
332. That for these reasons, involving admission of felony fraud and fraud upon the Court that amounted to Miranda Warnings that should have been given, it appears against the policies and procedures of this Court and law to continue let them act in any professional or fiduciary capacities and should force them to retain new independent counsel for each role they are sued as Respondents in and therefore have their pleadings stricken in these matters and any Orders based upon them rescinded instantly.
333. That ELIOT failed to state clearly to the Court that part of the EMERGENCY was in fact due to newly discovered crimes being committed using documents now admitted fraudulently created and filed as part of a Fraud on this Court, including but not limited to,

real estate fraud and insurance fraud that are enabled by fraudulently gained fiduciary powers gained in the estates that Your Honor and Judge French are in charge of.

334. That therefore, to stop ongoing and potential new crimes from occurring, this Court must act as if the building is on FIRE and everyone is shouting FIRE and take immediate actions to rectify the damages already caused to their victims and call in the guards to read them their rights and take them to trail for these felony acts Your Honor has full knowledge of.
335. That therefore Your Order errs in stating that ELIOT'S motion was not an EMERGENCY and immediately declare it an EMERGENCY and rehear instantly all those claims within the motion.
336. That Your Honor at the hearing stated the EMERGENCY MOTION was only denied as an EMERGENCY and the remaining issues would be discussed at an Evidentiary Hearing and yet the Order states that Motion was denied, not as an emergency but in toto, leaving major issues of ongoing insurance fraud and more denied and the beneficiaries subjected to further possible fraud and looting of the estates.
337. That Your Honor errs when limiting the evidentiary hearing to solely SHIRLEY'S estate as obviously and without doubt the estates of SIMON and SHIRLEY are inter-related as certain as they were married for 50+ years and where the documents it was learned at the hearing in SIMON'S estate that are alleged fraudulent were used to make changes in SHIRLEY'S estate that absolutely have everything to do with the matters before this Court.
338. That all documents, records, evidence and other materials from SIMON'S estate that are relevant to SHIRLEY'S estate must be admitted and allowed by the Court to be entered as part of the proceeding to preclude bias from entering the hearing by banning the

information from SIMON that effects SHIRLEY and thus allowing possible wiggle room for the Respondents to try and keep the overall crimes occurring in both estates separate.

339. That the Court errs in attempting to further limited the hearing to alleged improprieties or defects in the form of pleadings or other documents submitted to the Court in furtherance of closing the estate of SHIRLEY, where now that there is admission of fraud and multiple allegations of five of six parties of FORGERY in estate documents in SHIRLEY'S estate, ALL documents should be subject to scrutiny and entered into the hearing in the furtherance of anything in SHIRLEY'S estate, to suppress this from the hearing in light of the admissions already of Fraud on the Court seems an error.

340. That therefore, Your Honor should demand ALL records of the estate be turned over to ELIOT and FORENSIC experts to be examined in all aspects of SHIRLEY'S estate for further possible FRAUD and FORGERY prior to any hearing so that all the evidence can be reviewed and the hearing can be properly prepared for, otherwise this suppression could also bias any planned hearing.

341. That any planned evidentiary hearing regarding the ADMITTED FRAUDULENT AND FORGED DOCUMENTS cannot have parties not legally represented or present as was with the hearing and where those representing others at the hearing cannot have been a part of the FRAUD or FRAUD ON THE COURT, which now includes MANCERIA who aided such fraud at the hearing through a series of lies to the Court with Spallina. How can estate counsel TSPA, TESCHER and SPALLINA represent themselves and the estate in an evidentiary hearings that they are the accused, will they call themselves as witnesses and then cross examine themselves with a dummy puppet? Will this Court trust their

statements in defense of themselves or their claims regarding the estate after knowing of the felony crimes already admitted to and crimes committed already upon this Court?

342. That ELIOT did not know of new crimes committed in the commissioning of the admitted fraudulent documents in the tendering of them to this Court and failing to notify the Court of the diabolical scheme to close the estate with a knowingly dead person.

343. That the Court errs in its Order in that to hold an evidentiary hearing without ELIOT having full disclosure of all documents, accountings, inventories, trusts, wills, etc. that have been suppressed in both estates against law would be to further prejudice ELIOT at the hearing by precluding evidence that is irrefutably due to him to prepare for any evidentiary hearing.

**MOTION TO RECONSIDER AND RESCIND ORDER ISSUED BY THIS COURT
“AGREED ORDER TO REOPEN THE ESTATE AND APPOINT SUCCESSOR
PERSONAL REPRESENTATIVES” ON SEPTEMBER 24TH FOR ERRORS AND
MORE**

344. That ELIOT wants to first thank the Court for reopening the estate on his Motion filed.

345. That ELIOT wants to question the Court’s sanity in appointing TED, who has lied to this Court in the hearing regarding his claimed fiduciary title in the estate as “trustee for the estate,” which was learned to be false at the hearing, as Personal Representative of the newly reopened estate, due to the fact that TED appears to have been appointed in the 2008 Will of SHIRLEY as successor to SIMON.

346. That TED has been acting without the appointment now be granted to him should preclude him from being elected as this imparts already breaches of fiduciary duties through false

titles in the estate, without letters and a complete disregard for process and procedure and illustrates that neither then or now is he qualified to act in any fiduciary capacity.

347. That ELIOT however thanks the Court for proving his point in the hearing and via the order that TED was not, nor is, either the Personal Representative or Trustee of the estate of SHIRLEY in the past and now even and therefore the transactions he handled with such false titles in the past appear fraudulent. That granting TED these fiduciary roles will not solve what has already transpired but should also make TED unqualified to serve and PR or trustee for the estate or trusts of SHIRLEY.

348. That Exhibit 9 herein is a copy of the complete 2012 improperly notarized SIMON BERNSTEIN AMENDED TRUST AGREEMENT.

349. That Exhibit 10 is a copy of the complete 2012 improperly notarized SIMON BERNSTEIN WILL.

WHEREFORE, ELIOT PRAYS FOR THIS COURT:

- i. to seize all documents, records and assets of the estates and put them under Your Honor's guardianship for the time being until everything can be adjudicated properly.
- ii. to release copies of all documents and records to ELIOT immediately to prepare for the upcoming Evidentiary Hearing.
- iii. to remove the personal representatives, (oops there are none), estate counsel, trustees, successor trustees, accountants and anyone else found handling estate assets at this time and have new appointments made.
- iv. to IMMEDIATELY remove TSPA, TESCHER & SPALLINA for Fraud on the Court and more, as this Court had enough evidence at the hearing, after reviewing the Court

record, for your Honor to issue Miranda Right Warnings, twice, and should have arrested them on the spot but did not at that time, for unknown reasons. Certainly, they should not be pleading forward in these matters on behalf of any party and need to get counsel to represent them individually and professionally and as estate counsel in these matters forward.

- v. Removal of TED as the alleged “Trustee of the Estate of SHIRLEY Bernstein”, where TED claimed in the hearing that was he was acting as the “Successor Trustee to the Estate to the estate of SHIRLEY.” TED stated he was not represented by counsel either personally or as “Trustee of the Estate.” There are no papers in the Court record to indicate TED as” Successor Trustee to the Estate” as the Court pointed out the estate was improperly closed by the Court due to the fraudulent filings with the Court by TSPA and MORAN.
- vi. That this Court should seize the records of TSPA, TESCHER and SPALLINA, including but not limited to, phone records dating back to the time where TSPA began representing SIMON, bank account information, files and computer hard drives and disks, tax returns, etc.
- vii. to secure counsel for ELIOT, his children and the grandchildren so that they may be properly represented by counsel at hearings and in pleadings in the future.
- viii. At dispute, now that the estate has been re-opened, is who the ultimate beneficiaries will be, in light of the bogus docs in both the estate of SHIRLEY and SIMON? Either the ten grandchildren of TED, P. SIMON, ELIOT, IANTONI and FRIEDSTEIN or ELIOT, IANTONI and FRIEDSTEIN and there are major differences in the outcome for ELIOT and his children beneficiaries.

- ix. That based on the evidence already presented herein and in Petitions 1-7, ELIOT requests that this Court order Forensic experts to examine ALL documents and records in the estates of both SHIRLEY and SIMON as they relate to SHIRLEY and force the parties who have created these messes through criminal acts upon this Court and others to pay all expenses to cover the costs and post further bonds and surety and any other relief Your Honor sees fit to protect the estate and ultimate beneficiaries from any of these costs due to the acts of others.
- x. Demand all insurance and bonding information and policies of TSPA, SPALLINA, TESCHER, MANCERI, BAXLEY and MORAN be turned over to ELIOT immediately and demand that they report these matters to their carriers and provide proof of such to this Court and ELIOT. ELIOT is surprised that attorneys for companies bonding or insuring the liabilities of MORAN and SPALLINA have not appeared already in these matters and how they would allow TSPA, TESCHER and SPALLINA to continue to represent parties and themselves in these matters after their admission to their involvement in Fraud, Fraud on the Court and more.
- xi. Release all Court documents and records in these matters to ELIOT that may not appear in the public docket for inspection and review prior to the scheduled Evidentiary Hearing, as it was apparent that Your Honor was looking at documents in the Court file at the hearing that ELIOT did not think he had been privy to from the public record. That any correspondences the Court finds confidential in any manner need be identified and marked as excluded due to their confidentiality.

NOTE TO COURT: All Uniform Resource Locators (URL's) and the contents of those URL's are incorporated in entirety by reference herein to be included in your hard copy file WITH ALL EXHIBITS, as part of this filing. **PRIMA FACIE EVIDENCE OF FORGERY AND FRAUD AND MORE IN SIGNATURES AND DATES FOR SIMON AND ELIOT
WAIVERS**

May 15, 2012 Alleged Signature of Eliot Bernstein. In the un-notarized Waiver the date is in cursive and on the notarized Waiver the signature is in Print making the two Waivers wholly dissimilar. The E in the signature for Eliot in the un-notarized Waiver crosses through the word "By:" and in the notarized document it does not strike through the word "By:" making these wholly dissimilar signatures. Note, Eliot never met Kimberly Moran nor notarized any documents with her. Therefore, Moran did not just affix a stamp to the alleged original Waiver, Moran instead recreated the Waiver and added the date, forged the signature and therefore these are dissimilar Waivers and Prima Facie evidence of Forgery and Fraud. As these Waivers were submitted to the Probate court constitutes alleged Fraud on the Court and more.

UN-NOTARIZED WAIVER SIGNATURE AND DATE

(h) Consents to the entry of an order discharging the personal representative without notice, hearing or waiting period and without further accounting.

Signed on May 15, _____, 2012.

Note E in Eliot does NOT cross through "By:"

Note NEW AFFIXED notary markings

Note document has no legal form markings or law firm markings.

April 09, 2012 Alleged Signature of Simon Bernstein. Note, in the un-notarized document the date number 9 crosses the date line and the two separators // for day/year cross the date line, in the notarized document the entire date and separators never cross the date line, indicating these are wholly dissimilar documents regarding the date. That in the un-notarized document date, the 2 in the year 12 is closed at the bottom and in the notarized document the 2 is open at the bottom, making them appear dissimilar documents. That the Signature of Simon appears wholly dissimilar as the S in Simon in the un-notarized waiver crosses through the word "Beneficiary" and in the notarized Waiver it never touches the word "beneficiary." The S in Simon in the un-notarized Waiver never touches the signature line and in the notarized Waiver the S rests on the signature line. That Simon was deceased in November 2012 when Moran notarized the Waiver at the Court's request and therefore this cannot be Simon's signature, especially if it is dissimilar to the alleged April 09, 2012 Waiver and the notarization took place in November 2012.

Therefore, Moran did not just affix a stamp to the alleged original document. Moran recreated the document and added the date and the signature and forged the signatures as that cannot be Simon's signature on the Notarized Document after he was deceased. Therefore, Moran did not just affix a stamp to the alleged original Waiver allegedly signed in April. Moran instead recreated the Waiver and added the date, forged the signature and therefore these are dissimilar Waivers and Prima Facie evidence of Forgery and Fraud. As the Waiver was submitted to the Probate court constitutes alleged Fraud on the Court and more. The Notary is also fraudulent as Simon could not have appeared on April 09, 2012.

UN-NOTARIZED WAIVER SIGNATURE AND DATE

(h) Consents to the entry of an order discharging the personal representative without notice, hearing or waiting period and without further accounting.

Signed on 4/9/12, 2012.

Note that the "9" and the separators "/" for date/year touch the date line. Note the bottom of the 2 is closed.

Note that "S" in Simon crosses through the "ici" in "Beneficiary and circles "iciary" in beneficiary

NOTARIZED WAIVER SIGNATURE AND DATE

Signed on 4/9/12, 2012.

Note that the "9" and the separators "/" for date/year DO NOT touch the date line. Note the bottom of the 2 is NOT closed.

Note the date change is not initialed that it was changed and by whom/

Note that "S" in Simon DOES NOT cross through the word "Beneficiary" at all and DOES NOT circle "iciary" in beneficiary

Additional Notes

1. The date inside the notarization of Simon and Eliot's Waivers are wholly forged as there was no notary stamp on the un-notarized documents.
2. That in Simon's notarization the crossed out 2 in 2012 in the notary section needs further analysis to determine what was crossed out and why no acknowledgement that change had been made.
3. That Candice and Eliot Bernstein on information and belief state that there was a handwritten note by Eliot on the bottom of his original Waiver with similar language to that sent in the email allegedly containing the Waiver signed. The original of all these documents is necessary to analyze for further evidence of forgery and fraud.
4. All documents lack any law firm marking or legal form service markings.

1. I am an adult son of Shirley Bernstein and reside at 880 Berkeley Street, Boca Raton, FL 33487.

2. My father, Simon Bernstein, was the Personal Representative of the estate and the sole devisee under the will as the sole probate assets consisted of tangible personal property specifically devised to him.

3. On or about May 12, 2012 and again on or about August 1, 2012 I received from the offices of Tescher & Spallina, P.A. a Waiver of Accounting and Portions of Petition For Discharge; Waiver of Service of Petition For Discharge; and Receipt of Beneficiary and Consent to Discharge (the "Waiver"), a copy of which is attached as Exhibit "A" to this Affidavit.

4. I freely and voluntarily signed the Waiver on August 1, 2012 and returned it to the offices of Tescher & Spallina, P.A. for filing in connection with the completion of my mother's probate.

5. It is my understanding that the Waivers filed on behalf of myself and others were rejected by the Court because of the lack of a notarization.

6. It is my understanding that the subsequently filed Waivers were not personally signed by me or the other heirs.

7. In order to permit my mother's estate to be closed without any question of the validity of my Waiver, I hereby state under oath that the attached Exhibit "A" is my free and voluntary act as if the Waiver had been originally executed in conformity with the requirements of the Court.

AFFIDAVIT OF PAMELA B. SIMON

Before me, the undersigned Notary, personally appeared PAMELA B. SIMON, who, after being duly sworn under oath, deposes and states:

1. I am an adult daughter of Shirley Bernstein and reside at 950 North Michigan Avenue, Suite 2603, Chicago, Illinois.

**EXHIBIT 6 - SAHM LETTER TO ELIOT AND SAHM LETTERS TO TED AND
SPALLINA**

9/22/13

This letter is a text transcription of the hand written letter on the next page.

Dear Eliot and Candy (Candace),

As we discussed on Friday evening, my calling you makes me very uncomfortable. This situation would never have transpired had Si not passed away.

You can see that he paid the first renewal interests as of June, 2012. The hand-written letter to Ted is self-explanatory. I forwarded the enclosed to him in early June 2013. He told me he would refer everything to Spallina (SP, Spallina and Tescher, SP?). We've heard nothing. Our attorney, John Cappeller, has left two phone messages of inquiry asking in essence, what they are doing to honor this mortgage and terms. Apparently Nothing!

For your edification, I've instructed Mr. Cappeller to take no action until we see if there is any movement on their part to honor the mortgage terms what is a shame is that your mom put \$90,000 + of renovations into your home and now this insane greed interfamilial in-fighting is occurring. I feel very badly for you both and your family. Si and Shirley would be mortified.

Eventually, I'll have to take some action. However, it won't happen until I've given you a "heads-up" before doing so. I hope you get your problems legally remedied. What a bitch you're going through!

Best regards and wishes,

Walt Sahm for Pat Sahm as well

Dear Eliot and Candy (CANDACE),

As we discussed on Friday evening, my calling you makes me very uncomfortable. This situation comes down from TRANSPARENT who Si will proceed away.

- You can see that he paid the taxes REWARD interest as of June, 2012. The hand-written letter to Ted is self-explanatory. I forwarded the enclosed to him in early June, 2013. Dear Ted,

We hope that you, Debra and your family are all doing well and that all of your kids are striving forward in their academic and or vocational pursuits. Several must be graduated from college by now.

If you'll recall we spoke one evening before the election re: what I was to do going forward in the protocol to be followed in future mortgage renewals between us (Walt and Pat) and Bernstein Family Realty, LLC.

At that time, you told me that all financial matters are now being handled by the attorneys for the Shirley and Simon Bernstein Estates. Do I still send the mortgage note renewal to you and, then, you'll send it on to the estate representative? I'll presume that this is the case.

This is the next-to-last renewal statement that we'll be sending. Next year, if not sooner, we'd like to have the balloon payment plus any accrued interest paid in full. Do you feel that Elliott and Candace will be able to obtain a mortgage if necessary? It was originally Si's stated intention to utilize his and your mother's personal annual exclusions payable to Candy, Elliott and their three children over two years to provide the \$110,000 to retire the mortgage balance.

Perhaps you might shed some light on this issue. Are you now the successor "manager" of the Bernstein Family Realty, LLC? One last request, Ted, would you have the estate Representative mail us a copy of the current "Proof of Insurance?" Thanks for your attention to this request. Stay Healthy!

Best wishes,
Walt

Dear Sirs,

Referencing the amendment to the original note, we offer three (3) options

TRUST AGREEMENT
FOR THE
JOSHUA Z. BERNSTEIN IRREVOCABLE TRUST

September 7, 2006

TRUST AGREEMENT
FOR THE
JOSHUA Z. BERNSTEIN IRREVOCABLE TRUST

SIMON BERNSTEIN, as Settlor, hereby creates the Joshua Z. Bernstein Irrevocable Trust ("the Trust") on September 7, 2006. Traci Kratish, P.A. is the trustee of this Trust and, in that capacity, he and his successors are collectively referred to in this Trust Agreement as the "Trustee."

ARTICLE 1
BENEFICIARY

This Trust is for the benefit of the Settlor's Grandchild, JOSHUA Z. BERNSTEIN ("Beneficiary").

ARTICLE 2
TRANSFERS TO TRUST

The Settlor hereby conveys to the Trustee all his interest in the assets listed on Schedule A, which together with any assets later added to this Trust are referred to as the "Trust Estate." Any person may transfer assets to the Trust Estate, if the Trustee agrees to accept them. Assets do not have to be listed on Schedule A to be part of the Trust Estate. Unless otherwise specified in writing at the time of the transfer, those assets will be held as provided in this Trust Agreement. The Trustee acknowledges receipt of the current Trust assets and agrees to hold the Trust Estate as set forth in this Trust Agreement.

ARTICLE 3
IRREVOCABLE PROVISION

The Settlor declares that he has no right to alter, amend, modify, or revoke this Trust Agreement; to withdraw assets from the Trust; or to require changes in the investments of the Trust. No part of the Trust may ever revert to the Settlor, be used for his benefit, or be distributed in discharge of his legal obligations.

ARTICLE 4
ADMINISTRATION OF TRUST

The Trustee shall hold, administer, and distribute the Trust Estate in accordance with the powers granted under this Trust Agreement as follows:

4.1 Discretionary Distributions. The Trustee shall pay or apply such sums of principal from this Trust as in the Trustee's discretion are necessary or advisable for Beneficiary's health, education, support, and maintenance.

4.2 Distribution of Principal. When Beneficiary has reached age 21, the trustee shall distribute one-half (½) of the corpus of trust to Beneficiary plus accrued income. When Beneficiary has reached age 25 the Trustee shall distribute the entire remaining principal balance of the corpus of the trust to Beneficiary plus accrued income.

4.3 Distribution Upon Death Before Age 25. Upon the death of Beneficiary prior to age 25, the Trustee shall distribute the remaining assets in the trust to the estate of Beneficiary.

**ARTICLE 5
PROVISIONS GOVERNING TRUSTEES**

The following provisions apply to all Trustees appointed under this Trust Agreement:

5.1 Incapacity of Trustee. If any Trustee becomes disabled, he or she will immediately cease to act as Trustee. If a Trustee who ceases to serve because of a disability, or who is suspended, thereafter recovers from that disability or consents to the release of relevant medical information, he or she may elect to become a Trustee again by giving written notice to the then serving Trustee, and the last Trustee who undertook to serve will then cease to be a Trustee until another successor Trustee is required.

5.2 Resignation. Any Trustee may resign by giving 30 days' written notice delivered personally or by mail to any then serving Co-Trustee and to the Settlor if he is then living and not disabled; otherwise to the next named successor Trustee, or if none, to the persons having power to appoint successor Trustees.

5.3 Power to Name Other Trustees. Whenever a successor Trustee is required and that position is not filled under the terms specified in this Trust Agreement, an individual Trustee ceasing to serve (other than a Trustee being removed) may appoint his or her successor, but if none is appointed, the remaining Trustees, if any, or the beneficiary shall appoint a successor Corporate Trustee. The appointment will be by a written document (including a testamentary instrument) delivered to the appointed Trustee. In no event may the Settlor ever be appointed as the Trustee under this Trust Agreement nor shall a Successor trustee be appointed that will cause this trust to be a grantor trust.

5.4 Powers of Successor Trustees. Successor Trustees will have all powers granted to the original Trustee, except that only an Independent Trustee will succeed to the powers vested exclusively in the Independent Trustee.

5.5 Accountings. Accountings must be given to the beneficiary of each trust at least annually (quarterly if a Corporate Trustee is serving). The accountings must show the assets held in trust and all receipts and disbursements. A beneficiary's written approval of an accounting will be final and binding upon that beneficiary and all persons represented by him or her as to all matters disclosed in that accounting. In any event, if a beneficiary fails to object to an accounting within six months of receiving it, his or her

approval is conclusively presumed. A successor Trustee may require the prior Trustee to render a full and final accounting.

5.6 Acts by Other Fiduciaries. The Trustee is not required to question any acts or failures to act of the fiduciary of any other trust or estate, and will not be liable for any prior fiduciary's acts or failures to act. The Trustee can require a beneficiary who requests an examination of another fiduciary's actions or omissions to advance all costs and fees incurred in the examination, and if the beneficiary does not, the Trustee may elect not to proceed or may proceed and offset those costs and fees directly against any payment that would otherwise be made to that beneficiary.

5.7 Court Supervision. The Settlor waives compliance by the Trustee with any law requiring bond, registration, qualification, or accounting to any court.

5.8 Compensation. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the Trust. Reasonable compensation for a Corporate Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a Corporate Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During the Settlor's lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by the Settlor in writing.

5.9 Indemnity. Any Trustee who ceases to serve for any reason will be entitled to receive (and the continuing Trustee shall make suitable arrangements to provide) reasonable indemnification and security to protect and hold that Trustee harmless from any damage or liability of any nature that may be imposed upon it because of its actions or omissions while serving as Trustee. This protection, however, does not extend to a Trustee's negligent actions or omissions that clearly and demonstrably result in damage or liability. A prior Trustee may enforce these provisions against the current Trustee or against any assets held in the Trust, or if the prior Trustee is an individual, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right will extend to the estate, personal representatives, legal successors, and assigns of a Trustee.

5.10 Successor Trustee. In the event the initial Trustee, Steven I. Greenwald, resigns or ceases to serve as Trustee, then and in that event, I hereby appoint Larry V. Bishins to serve as Trustee.

ARTICLE 6 PROTECTION OF INTERESTS

The interest of any beneficiary under this Trust Agreement, in either income or principal, may not be anticipated, alienated, or in any other manner assigned by the beneficiary, whether voluntarily or involuntarily, and will not be subject to any legal process,

bankruptcy proceedings, or the interference or control of the beneficiary's creditors or others.

ARTICLE 7
FIDUCIARY POWERS

The Settlor grants to the Trustee full power to deal freely with any property in the Trust. The Trustee may exercise these powers independently and without the approval of any court. No person dealing with the Trustee need inquire into the propriety of any of its actions or into the application of any funds or assets. The Trustee shall, however, exercise all powers in a fiduciary capacity for the best interest of the beneficiary of this Trust or any trust created under it. Without limiting the generality of the foregoing, the Trustee is given the following discretionary powers in addition to any other powers conferred by law:

7.1 Type of Assets. Except as otherwise provided to the contrary, to hold funds uninvested for such periods as the Trustee deems prudent, and to invest in any assets the Trustee deems advisable even though they are not technically recognized or specifically listed in so-called "legal lists," without responsibility for depreciation or loss on account of those investments, or because those investments are non-productive, as long as the Trustee acts in good faith.

7.2 Original Assets. Except as otherwise provided to the contrary, to retain the original assets it receives for as long as it deems best, and to dispose of those assets when it deems advisable, even though such assets, because of their character or lack of diversification, would otherwise be considered improper investments for the Trustee.

7.3 Tangible Personal Property. To receive and hold tangible personal property; to pay or refrain from paying storage and insurance charges for such property; and to permit any beneficiaries to use such property without either the Trustee or beneficiaries incurring any liability for wear, tear, and obsolescence of the property.

7.4 Specific Securities. To invest in assets, securities, or interests in securities of any nature, including (without limit) commodities, options, futures, precious metals, currencies, and in domestic and foreign markets and in mutual or investment funds, including funds for which the Trustee or any affiliate performs services for additional fees, whether as custodian, transfer agent, investment advisor or otherwise, or in securities distributed, underwritten, or issued by the Trustee or by syndicates of which it is a member; to trade on credit or margin accounts (whether secured or unsecured); and to pledge assets of the Trust Estate for that purpose.

7.5 Property Transactions. To buy, sell, pledge, exchange, or lease any real or personal property, publicly or privately, for cash or credit, without court approval and upon the terms and conditions that the Trustee deems advisable; to execute deeds, leases, contracts, bills of sale, notes, mortgages, security instruments, and other written instruments; to abandon or dispose of any real or personal property in the Trust which has little or no monetary or useful value; to improve, repair, insure, subdivide and vacate

any property; to erect, alter or demolish buildings; to adjust boundaries; and to impose easements, restrictions, and covenants as the Trustee sees fit. A lease will be valid and binding for its full term even if it extends beyond the full duration of the Trust.

7.6 Borrow Money. To borrow money from any source (including the Trustee in its nonfiduciary capacity), to guarantee indebtedness, and to secure the loan or guaranty by mortgage or other security interest.

7.7 Maintain Assets. To expend whatever funds it deems proper for the preservation, maintenance, or improvement of assets. The Trustee in its discretion may elect any options or settlements or exercise any rights under all insurance policies that it holds. However, no fiduciary who is the insured of any insurance policy held in the Trust may exercise any rights or have any incidents of ownership with respect to the policy, including the power to change the beneficiary, to surrender or cancel the policy, to assign the policy, to revoke any assignment, to pledge the policy for a loan, or to obtain from the insurer a loan against the surrender value of the policy. All such power is to be exercised solely by the remaining Trustee, if any, or if none, by a special fiduciary appointed for that purpose by a court having jurisdiction.

7.8 Advisors. To employ and compensate attorneys, accountants, advisors, financial consultants, managers, agents, and assistants (including any individual or entity who provides investment advisory or management services, or who furnishes professional assistance in making investments for the Trust) without liability for any act of those persons, if they are selected and retained with reasonable care. Fees may be paid from the Trust Estate even if the services were rendered in connection with ancillary proceedings.

7.9 Indirect Distributions. To make distributions, whether of principal or income, to any person under age 21 or to any incapacitated person according to the terms of this Trust Agreement by making distributions directly to that person whether or not that person has a guardian; to the parent, guardian, or spouse of that person; to a custodial account established by the Trustee or others for that person under an applicable Uniform Gift to Minors Act or Uniform Transfers to Minors Act; to any adult who resides in the same household with that person or who is otherwise responsible for the care and well-being of that person; or by applying any distribution for the benefit of that person in any manner the Trustee deems proper. The receipt of the person to whom payment is made will constitute full discharge of the Trustee with respect to that payment. No distributions may be made to the Settlor under this Section.

7.10 Non-Pro Rata Distribution. To make any division or distribution in money or in kind, or both, without allocating the same kind of property to all shares or distributees, and without regard to the income tax basis of the property. Any division will be binding and conclusive on all parties.

7.11 Nominee. Except as prohibited by law, to hold any assets in the name of a nominee without disclosing the fiduciary relationship; to hold the property

unregistered, without affecting its liability; and to hold securities endorsed in blank, in street certificates, at a depository trust company, or in a book entry system.

7.12 Custodian. To employ a custodian or agent ("the Custodian") located anywhere within the United States, at the discretion of the Trustee but at the expense of the Trust, whether or not such Custodian is an affiliate of the Trustee or any person rendering services to the Trust; to register securities in the name of the Custodian or a nominee thereof without designation of fiduciary capacity; and to appoint the Custodian to perform such other ministerial functions as the Trustee may direct. While such securities are in the custody of the Custodian, the Trustee will be under no obligation to inspect or verify such securities nor will the Trustee be responsible for any loss by the Custodian.

7.13 Settle Claims. To contest, compromise, arbitrate, or otherwise adjust claims in favor of or against the Trust, to agree to any rescission or modification of any contract or agreement, and to refrain from instituting any suit or action unless indemnified for reasonable costs and expenses.

7.14 Corporate Rights. To vote and exercise any option, right, or privilege to purchase or to convert bonds, notes, stock (including shares or fractional shares of stock of any Corporate Trustee), securities, or other property; to borrow money for the purpose of exercising any such option, right, or privilege; to delegate those rights to an agent; to enter into voting trusts and other agreements or subscriptions; to participate in any type of liquidation or reorganization of any enterprise; and to write and sell covered call options, puts, calls, straddles, or other methods of buying or selling securities, as well as all related transactions.

7.15 Partnership Interests. To hold interests in sole proprietorships, general or limited partnerships, joint ventures, business trusts, land trusts, limited liability companies, and other domestic and foreign forms of organizations; and to exercise all rights in connection with such interests as the Trustee deems appropriate, including any powers applicable to a non-admitted transferee of any such interest.

7.16 Self-Dealing. To exercise all its powers even though it may also be acting individually or on behalf of any other person or entity interested in the same matters. The Trustee, however, shall exercise these powers at all times in a fiduciary capacity, primarily in the interest of the beneficiaries of the Trust. Despite any other provision of this Trust Agreement, no Trustee may participate in the decision to make a discretionary distribution that would discharge a legal support obligation of that Trustee. No Trustee who has made a disclaimer, either individually or as a Trustee, may exercise any discretion in determining the recipient of the disclaimed property. All power to make such distributions, or to determine recipients of disclaimed property, will be exercised solely by the remaining Trustees, if any, or if there are no other Trustees then serving, by the person or persons named to serve as the next successor Trustee, or if there are none, by a special Trustee appointed for that purpose by a court having jurisdiction.

7.17 Expenses. An Independent Trustee may determine how expenses of administration and receipts are to be apportioned between principal and income.

7.18 Terminate Small Trusts. To exercise its discretion to refrain from funding or to terminate any trust whenever the value of the principal of that trust would be or is too small to administer economically, and to distribute the remaining principal and all accumulated income of the trust as provided in Section 7.9 to the income beneficiary of that trust. The Trustee shall exercise this power to terminate in its discretion as it deems prudent for the best interest of the beneficiaries at that time. This power cannot be exercised by the Settlor or any beneficiary, either alone or in conjunction with any other Trustee, but must be exercised solely by the other Trustee, or if none, by a special Trustee appointed for that purpose by a court having jurisdiction.

7.19 Allocations to Income and Principal. To treat premiums and discounts on bonds and other obligations for the payment of money in accordance with either generally accepted accounting principles or tax accounting principles and, except as otherwise provided to the contrary, to hold nonproductive assets without allocating any principal to income, despite any laws or rules to the contrary. The Trustee in its discretion may exercise the power described in Section 738.104 of the Florida Statutes to adjust between principal and income, as appropriate, and, in addition, may convert any income interest into a unitrust interest, or a unitrust interest to an income interest, as it sees fit, all as provided in Section 738.1041 of the Florida Statutes, despite any provision of those sections to the contrary.

7.20 Use of Income. Except as otherwise provided in this Trust Agreement, and in addition to all other available sources, to exercise its discretion in the use of income from the assets of the Trust to satisfy the liabilities described in this Trust Agreement, without accountability to any beneficiary.

7.21 Valuations. In making distributions or allocations under the terms of this Trust Agreement to be valued as of a particular date, the Trustee may use asset valuations obtained for a date reasonably close to that particular date (such as a quarterly closing date before or after that date) if, in the Trustee's judgment, obtaining appraisals or other determinations of value on that date would result in unnecessary expense, and if in the Trustee's judgment, the fair market value as determined is substantially the same as on that actual date. This paragraph will not apply if valuation on a specific date is required to preserve a qualification for a tax benefit, including any deduction, credit, or most favorable allocation of an exemption.

7.22 Incorporation. To incorporate any business or venture, and to continue any unincorporated business that the Trustee determines to be not advisable to incorporate.

7.23 Delegation. To delegate periodically among themselves the authority to perform any act of administration of any trust.

7.24 Advances. To make cash advances or loans to beneficiaries, with or without security.

7.25 Investment Manager. To employ any investment management service, financial institution, or similar organization to advise the Trustee and to handle all investments of the Trust and to render all accountings of funds held on its behalf under custodial, agency, or other agreements. If the Trustee is an individual, these costs may be paid as an expense of administration in addition to fees and commissions.

7.26 Depreciation. To deduct from all receipts attributable to depreciable property a reasonable allowance for depreciation, computed in accordance with generally accepted accounting principles consistently applied.

7.27 Disclaim Assets or Powers. To disclaim any assets otherwise passing or any fiduciary powers pertaining to any trust created hereunder, by execution of an instrument of disclaimer meeting the requirements of applicable law generally imposed upon individuals executing disclaimers. No notice to or consent of any beneficiary, other interested person, or any court is required for any such disclaimer, and the Trustee is to be held harmless for any decision to make or not make such a disclaimer.

7.28 Transfer Situs. To transfer the situs of any trust or any trust property to any other jurisdiction as often as the Trustee deems advisable, and if necessary to appoint a substitute or ancillary Trustee to act with respect to that property. The Trustee may delegate to the substitute Trustee any or all of the powers given to the Trustee; may elect to act as advisor to the substitute Trustee and receive reasonable compensation for that service; and may remove any acting or substitute Trustee and appoint another, or reappoint itself, at will.

7.29 Related Parties. To enter into any transaction on behalf of the Trust despite the fact that another party to that transaction may be: (i) a business or trust controlled by the Trustee, or of which the Trustee, or any director, officer, or employee of the Corporate Trustee, is also a director, officer, or employee; (ii) an affiliate or business associate of any beneficiary or the Trustee; or (iii) a beneficiary or Trustee under this Trust Agreement acting individually, or any relative of such a party.

7.30 Additional Powers for Income-Producing Real Estate. In addition to the other powers set forth above or otherwise conferred by law, the Trustee has the following powers with respect to any income-producing real property which is or may become a part of the Trust Estate:

- To retain and operate the property for as long as it deems advisable;
- To control, direct, and manage the property, determining the manner and extent of its active participation in these operations, and to delegate all or any part of its supervisory power to other persons that it selects;

- To hire and discharge employees, fix their compensation, and define their duties;
- To invest funds in other land holdings and to use those funds for all improvements, operations, or other similar purposes;
- Except as otherwise provided with respect to mandatory income distributions, to retain any amount of the net earnings for working capital and other purposes that it deems advisable in conformity with sound and efficient management; and
- To purchase and sell machinery, equipment, and supplies of all kinds as needed for the operation and maintenance of the land holdings.

**ARTICLE 8
SUBCHAPTER S STOCK**

Despite any other provisions of this Trust Agreement, if a trust created in this instrument is to become the owner of, or already owns, stock in a corporation that has an election in effect (or one that proposes to make an election) under Section 1362 of the Internal Revenue Code (an "S Corporation"), and that trust would not otherwise be permitted to be an S Corporation shareholder, the following provisions will apply:

8.1 Electing Small Business Trust. The Trustee in its discretion may elect for the trust to become an Electing Small Business Trust ("ESBT") as defined in the Internal Revenue Code.

8.2 Qualified Subchapter S Trust. If the Trustee does not cause the trust to become an ESBT, the Trustee shall set aside the S Corporation stock in a separate trust for the current income beneficiary of such trust, so that a Qualified Subchapter S Trust ("QSST") election under Section 1361 of the Internal Revenue Code can be filed with respect to that trust. The Trustee shall hold each share as a separate QSST for the persons described above, and each such person will be the sole beneficiary of his or her QSST. To the greatest extent possible, the Trustee shall administer each QSST under the terms of the trust from which it was derived, but subject to the following overriding provisions:

(a) **Consent.** The Trustee shall notify the beneficiary of each separate trust promptly that a QSST election must be filed with the Internal Revenue Service. Thereafter, each beneficiary shall file a timely and proper QSST election with the Internal Revenue Service. If a beneficiary fails or refuses to make the QSST election, the Trustee shall make an ESBT election for that trust. If the beneficiary does make the QSST election, then his or her separate trust will be administered as set forth below.

(b) **Income Payments.** During the beneficiary's life, the Trustee shall pay all net income of the trust to the beneficiary (and only to that beneficiary) in quarterly or more frequent installments. The beneficiary's income interest in the trust

will terminate on the earlier of his or her death or the termination of the trust under its terms.

(c) **Principal Invasions.** If the beneficiary is otherwise entitled to receive principal distributions, the Trustee may distribute principal from that separate trust during the beneficiary's life only to or for the benefit of that beneficiary (and no one else).

(d) **Final Distribution.** If the QSST is terminated during the beneficiary's life, the Trustee shall distribute all remaining assets of that separate trust to that beneficiary. If the beneficiary dies before that trust's termination, all remaining assets of the QSST are to be distributed as provided in the original trust, but subject to this article.

(e) **Termination of QSST Status.** If a separate trust would cease to qualify as an S Corporation shareholder, the Trustee in its discretion may: (i) make an ESBT election for that separate trust, or (ii) distribute all S Corporation stock to the beneficiary. The Trustee in its discretion also may convert a QSST to an ESBT, whether or not the beneficiary has consented to QSST treatment and, if the beneficiary consents, may convert an ESBT into a QSST.

ARTICLE 9 PERPETUITIES PROVISION

Despite any contrary provisions of this Trust Agreement, from the creation of this Trust and for up to 21 years after the death of the last of the Settlor's grandparents' descendants who are living at the creation of this Trust, a trust beneficiary (which includes persons succeeding to the interest of a deceased beneficiary) will be entitled to terminating distributions only at the ages specified in this Trust Agreement. In all events, however, the share of each beneficiary will vest (in the beneficiary or his or her estate) immediately prior to the expiration of the 21 year period described above.

ARTICLE 10 ADMINISTRATION AND CONSTRUCTION

10.1 Rules for Distributions. In making distributions to beneficiaries under this Trust Agreement, the Trustee must use the following criteria.

(a) **Other Resources.** Whenever the Trustee has the authority to decide how much to distribute to or for the benefit of a beneficiary, the Trustee can make decisions without taking into account any information about the beneficiary's other available income and resources. The Trustee can make payments directly to a beneficiary or to other persons for the beneficiary's benefit, but it does not have to make payments to a court appointed guardian.

(b) **Trustee's Decision.** Absent clear and convincing evidence of bad faith, the Trustee's decisions as to amounts to be distributed will be final.

(c) **Standard of Living.** Distributions to a beneficiary for health, education, support, or maintenance are to be based on his or her standard of living, determined as of the date of the distribution.

10.2 Funding Gifts. The following rules will apply to funding gifts under this Trust Agreement.

(a) **Pecuniary Gifts.** All pecuniary gifts under this Trust Agreement that are paid by an in-kind distribution of assets must use values having an aggregate fair market value at the date or dates of distribution equal to the amount of this gift as finally determined for federal estate tax purposes.

(b) **Adjustments.** The Trustee shall select one or more dates of allocation or distribution for purposes of satisfying gifts and funding shares or trusts. The Trustee may make allocations before the final determination of federal estate tax, with those allocations being based upon the information then available to the Trustee, and may thereafter adjust properties among the shares or trusts if it is determined that the allocation should have been made differently.

10.3 Accumulated Income. Any income not distributed to the beneficiaries pursuant to either a mandatory direction or a discretionary power is to be incorporated into principal, at such intervals as the Trustee deems convenient.

10.4 Estate Tax on Included Property. If assets of any trust created under this Trust Agreement are included in a beneficiary's estate for federal estate tax purposes, the following will apply.

(a) **Appointed Assets.** If the beneficiary exercises a power of appointment over those assets, the Trustee is authorized to withhold from those assets the amount of estate taxes apportioned to them by applicable law, if the beneficiary does not make provisions for the payment of those taxes from other sources.

(b) **Other Assets.** If the beneficiary does not have or does not exercise a power of appointment over those assets, the Trustee will pay the estate taxes attributable to those assets. The estate taxes attributable to those assets will be the amount that the beneficiary's estate taxes are increased over the amount those taxes would have been if those assets had not been included in the beneficiary's gross estate.

(c) **Certification and Payment.** The Trustee may rely upon a written certification by the beneficiary's personal representative of the amount of the estate taxes, and may pay those taxes directly or to the personal representative of the beneficiary's estate. The Trustee will not be held liable for making payments as directed by the beneficiary's personal representative.

10.5 Transactions With Other Entities. The Trustee may buy assets from other estates or trusts, or make loans to them, so that funds will be available to pay claims, taxes, and expenses. The Trustee can make those purchases or loans even if it

serves as the fiduciary of that estate or trust, and on whatever terms and conditions the Trustee thinks are appropriate, except that the terms of any transaction must be commercially reasonable.

ARTICLE 11
MISCELLANEOUS PROVISIONS

11.1 Definitions. As used in this Trust Agreement, the following terms have the meanings set forth below:

(a) Trustees.

- (1) Independent Trustee** means a trustee of a particular trust, either individual or corporate, who is not the Settlor or a beneficiary, and who is not a Related Person as to the Settlor or a beneficiary (if the Settlor or the beneficiary, respectively, is living and participated in that person's appointment). For purposes of this definition a beneficiary is a person who is a permissible distributee of income or principal, or someone with an interest in the trust in excess of five percent (5%) of its value, assuming a maximum exercise of discretion in his or her favor. Whenever this Trust Agreement requires an action be taken by, or in the discretion of, an Independent Trustee but no such Trustee is then serving, a court may appoint an Independent Trustee to serve as an additional Trustee whose sole function and duty will be to exercise the specified power.
- (2) Corporate Trustee** means a trustee that is a bank, trust company, or other entity authorized to serve as a trustee under the laws of the United States or any state thereof that is not a Related Person to the Settlor. A bank or trust company that does not meet this requirement cannot serve as Trustee.

(b) Internal Revenue Code Terms.

- (1) Internal Revenue Code** means the federal Internal Revenue Code of 1986, as amended from time to time, or successor provisions of future federal internal revenue laws.
- (2) The terms health, education, support, and maintenance** are intended to set forth an "ascertainable standard," as described in the Internal Revenue Code and its associated Regulations. To the extent not inconsistent with the foregoing, "health" means a beneficiary's physical and

mental health, including but not limited to payments for examinations, surgical, dental, or other treatment, medication, counseling, hospitalization, and health insurance premiums; "education" means elementary, secondary, post-secondary, graduate, or professional schooling in an accredited institution, public or private, or attendance at other formal programs in furtherance of the beneficiary's spiritual, athletic, or artistic education, including but not limited to payments for tuition, books, fees, assessments, equipment, tutoring, transportation, and reasonable living expenses.

- (3) **Related Person** as to a particular individual is someone who is deemed to be "related or subordinate" to that individual under Section 672(c) of the Internal Revenue Code (as though that individual was a grantor).

(c) **Other Terms.**

- (1) Distributions that are to be made to a person's **descendants, per stirpes**, will be divided into equal shares, so that there will be one share for each living child (if any) of that person and one share for each deceased child who has then living descendants. The share of each deceased child will be further divided among his or her descendants on a per stirpes basis, by reapplying the preceding rule to that deceased child and his or her descendants as many times as necessary.
- (2) **Disabled or under a disability** means (i) being under the legal age of majority, (ii) having been adjudicated to be incapacitated, or (iii) being unable to manage properly personal or financial affairs because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician confirming that person's impairment will be sufficient evidence of disability under item (iii) above, and all persons may rely conclusively on such a certificate.
- (3) **Removal of a Trustee for cause** includes, without limitation, the following: the willful or negligent mismanagement of the trust assets by that individual Trustee; the abuse or abandonment of, or inattention to, the trust by that individual Trustee; a federal or state charge against that individual Trustee involving the commission of a felony or serious misdemeanor; an act of theft,

dishonesty, fraud, embezzlement, or moral turpitude by that individual Trustee; or the use of narcotics or excessive use of alcohol by that individual Trustee.

- (4) The words **will** and **shall** are used interchangeably in this Trust Agreement and mean, unless the context clearly indicates otherwise, that the Trustee must take the action indicated; as used in this Trust Agreement, the word **may** means that the Trustee has the discretionary authority to take the action but is not automatically required to do so.

11.2 Powers of Appointment. The following provisions relate to all powers of appointment under this Trust Agreement.

- (a) A **general power of appointment** granted to a person is one that can be exercised in favor of that person or his or her estate, his or her creditors, or the creditors of his or her estate.
- (b) A **special power of appointment** is any power that is not a general power.
- (c) A **testamentary power of appointment** (either general or special) is exercisable upon the powerholder's death by his or her Last Will or by a revocable trust agreement established by that person, but only by specific reference to the instrument creating the power. A "testamentary power of appointment" may not be exercised in favor of the person possessing the power.
- (d) In determining whether a person has exercised a testamentary power of appointment, the Trustee may rely upon an instrument admitted to probate in any jurisdiction as that person's Last Will, or upon any trust agreement certified to be valid and authentic by sworn statement of the trustee who is serving under that trust agreement. If the Trustee has not received written notice of such an instrument within six months after the powerholder's death, the Trustee may presume that the powerholder failed to exercise that power and will not be liable for acting in accordance with that presumption.

11.3 Notices. Any person entitled or required to give notice under this Trust Agreement shall exercise that power by a written instrument clearly setting forth the effective date of the action for which notice is being given. The instrument may be executed in counterparts.

11.4 Certifications.

- (a) **Facts.** A certificate signed and acknowledged by the Trustee stating any fact affecting the Trust Estate or the Trust Agreement will be conclusive

evidence of such fact in favor of any transfer agent and any other person dealing in good faith with the Trustee. The Trustee may rely on a certificate signed and acknowledged by any beneficiary stating any fact concerning the Trust beneficiaries, including dates of birth, relationships, or marital status, unless an individual serving as Trustee has actual knowledge that the stated fact is false.

(b) Copy. Any person may rely on a copy of this instrument (in whole or in part) certified to be a true copy by the Settlor; by any person specifically named as a Trustee (or successor Trustee); by any Corporate Trustee whether or not specifically named; or, if there are none of the above, by any then serving Trustee.

11.5 Applicable Law. All matters involving the validity and interpretation of this Trust Agreement are to be governed by Florida law. Subject to the provisions of this Trust Agreement, all matters involving the administration of a trust are to be governed by the laws of the jurisdiction in which the trust has its principal place of administration.

11.6 Gender and Number. Reference in this Trust Agreement to any gender includes either masculine or feminine, as appropriate, and reference to any number includes both singular and plural where the context permits or requires. Use of descriptive titles for articles and paragraphs is for the purpose of convenience only and is not intended to restrict the application of those provisions.

11.7 Further Instruments. The Settlor agrees to execute such further instruments as may be necessary to vest the Trustee with full legal title to the property transferred to this Trust.

11.8 Binding Effect. This Trust Agreement extends to and is binding upon the Settlor's Personal Representative, successors, and assigns, and upon the Trustee.

SIMON L. BERNSTEIN

AMENDED AND RESTATED TRUST AGREEMENT

This Amended and Restated Trust Agreement is dated this 26 day of July, 2012, and is between SIMON L. BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SIMON L. BERNSTEIN, of Palm Beach County, Florida and SIMON L. BERNSTEIN's successors, as trustee (referred to as the "*Trustee*," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee).

WHEREAS, on May 20, 2008, I created and funded the SIMON L. BERNSTEIN TRUST AGREEMENT (the "*Trust Agreement*," which reference includes any subsequent amendments of said trust agreement);

WHEREAS, Paragraph A. of Article I. of said Trust Agreement provides, inter alia, that during my lifetime I shall have the right at any time and from time to time by an instrument, in writing, delivered to the Trustee to amend or revoke said Trust Agreement, in whole or in part.

NOW, THEREFORE, I hereby amend and restate the Trust Agreement in its entirety and the Trustee accepts and agrees to perform its duties and obligations in accordance with the following amended provisions. Notwithstanding any deficiencies in execution or other issues in regard to whether any prior version of this Trust Agreement was a valid and binding agreement or otherwise created an effective trust, this amended and restated agreement shall constitute a valid, binding and effective trust agreement and shall amend and succeed all prior versions described above or otherwise predating this amended and restated Trust Agreement.

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. Rights Reserved. I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement.

B. Payments During My Life. If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare. Any income not so paid shall be added to principal.

C. **Upon My Death.** Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. **Disposition of Tangible Personal Property.** If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. **Disposition of Trust Upon My Death.** Upon my death, the remaining assets in this trust shall be divided among and held in separate Trusts for my then living grandchildren. Each of my grandchildren for whom a separate trust is held hereunder shall hereinafter be referred to as a "*beneficiary*" with the separate Trusts to be administered as provided in Subparagraph II.C.

C. **Trusts for Beneficiaries.** The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the net income and principal of such beneficiary's trust as is proper for the Welfare of such individuals. Any income not so paid shall be added to principal each year. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any grandchild of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of any of my lineal descendants (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or
2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

D. Termination of Small Trust. If at any time after my death in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

E. Contingent Gift. If at any time property of these Trusts is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if I had then owned such property and had then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

F. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

G. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years after the date of creation of this Agreement, nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

ARTICLE III. GENERAL

A. **Disability**. Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. **Timing of Income Distributions**. The Trustee shall make required payments of income at least quarterly.

C. **Substance Abuse**.

1. **In General**. If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended. In that event, the following provisions of this Subparagraph III.C will apply.

2. **Testing**. The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. **Treatment**. If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an

in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*," "*grandchild*," "*grandchildren*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children born of female lineal descendants, and (c) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is

raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, for all purposes of this Trust and the dispositions made hereunder, my children, TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, shall be deemed to have predeceased me as I have adequately provided for them during my lifetime.

2. Code. "Code" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "Disabled" or being under "Disability" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "education" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. Needs and Welfare Distributions. Payments to be made for a person's "Needs" means payments necessary for such person's health (including lifetime residential or nursing home care), education, maintenance and support. Payments to be made for a person's "Welfare" means discretionary payments by the Trustee, from time to time, for such person's Needs and also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to

such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

6. Per Stirpes. In a division "*per stirpes*" each generation shall be represented and counted whether or not it has a living member.

7. Related or Subordinate Party. A "*Related or Subordinate Party*" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

8. Spouse. A person's "*spouse*" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

a. the legal termination of the marriage to my descendant (whether before or after my death), or

b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

The trust will be administered as if that person had died upon the happening of the terminating event described above.

9. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such

Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

H. Presumption of Survivorship. If any person shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Release of Medical Information.

1. **Disability of Beneficiary.** Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries and myself if a beneficiary) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested

beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Ability to Amend or Revoke. The foregoing provisions of this paragraph shall not constitute a restriction on myself to amend or revoke the terms of this trust instrument under paragraph I.A hereof, provided I otherwise have legal capacity to do so.

4. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any

decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole

proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided, unless otherwise provided in this instrument, the Trustee shall establish out of income and credit to principal reasonable reserves for depreciation, obsolescence and depletion, determined to be equitable and fair in accordance with some recognized reasonable and preferably uncomplicated trust accounting principle and; provided, further that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this

paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

26. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

27. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate.

28. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

29. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee.

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, ROBERT L. SPALLINA and DONALD R. TESCHER shall serve together as successor co-Trustees, or either of them alone as Trustee if either of them is unable to serve. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust

hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C, subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances provided that the foregoing appointments shall apply when and to the extent that no effective appointment is made below:

a. Trustee of Separate Trusts for My Grandchildren. Each grandchild of mine shall serve as co-Trustee with the immediate parent of such grandchild which parent is also a child of mine as to all separate trusts under which such grandchild is the sole current mandatory or discretionary income beneficiary upon attaining the age of twenty-five (25) years, and shall serve as sole Trustee of such trusts upon attaining the age of thirty-five (35) years. While serving alone as Trustee, a grandchild of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such grandchild and such grandchild may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

b. Trustee of Separate Trusts for My Lineal Descendants Other Than My Grandchildren. In regard to a separate trust held for a lineal descendant of mine other than a grandchild of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon attaining age twenty-five (25) years. While serving alone as Trustee, a lineal descendant of mine other than a grandchild of mine may designate a co-Trustee to serve with such lineal descendant and such lineal descendant may remove and/or replace such co-Trustee with another from time to time.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

- a. The remaining Trustees, if any; otherwise,
- b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or

entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. Power to Remove Trustee. Subsequent to my death, the age 35 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, other than a named Trustee or successor Trustee designated hereunder, or a Trustee appointed by me during my lifetime or under my Will or otherwise at the time of my death, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. Liability in General. No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

2. Indemnification of Trustee. Except in regard to liabilities imposed on a Trustee under Subparagraph IV.G.1, each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual

and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. Indemnification of Trustee - Additional Provisions. I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the

Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V. ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts. I direct (a) that the Trustee shall divide any trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions hereof) so that the generation-skipping tax inclusion ratio of one such trust is zero, (b) any property exempt from generation-skipping taxation shall be divided as otherwise provided herein and held for the same persons

designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and issue, as such beneficiary may appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such Trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. For purposes of funding any pecuniary payment to which there is allocated any GST exemption, such payment shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this paragraph which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution or otherwise or is not reasonably available. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. Gift Transfers Made From Trust During My Lifetime. I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. Gifts. If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. Trustee Limited. When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent (5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

E. Death Costs. If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and
5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the tangible personal property disposed of pursuant to the prior paragraph captioned "Disposition of Tangible Personal Property."

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section 663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. I reserve the right to reside upon any real property placed in this trust as my permanent residence during my life, it being the intent of this provision to retain for myself the requisite beneficial interest and possessory right in and to such real property to comply with Section 196.041 of the Florida Statutes such that said beneficial interest and possessory right constitute in all respects "equitable title to real estate" as that term is used in Section 6, Article VII of the Constitution of the State of Florida. Notwithstanding anything contained in this trust to the contrary, for purposes of the homestead exemption under the laws of the State of Florida, my interest in any real property in which I reside pursuant to the provisions of this trust shall be deemed to be an interest in real property and not personalty and shall be deemed my homestead.

SHIRLEY BERNSTEIN

TRUST AGREEMENT

This Trust Agreement is dated this 20 day of MAY, 2008, and is between SHIRLEY BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SHIRLEY BERNSTEIN, of Palm Beach County, and SHIRLEY BERNSTEIN's successors, as trustee (referred to as the "Trustee," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee). Said Trustee acknowledges receipt of the property described in the Attachment to this Agreement, and agrees to hold said property and all additions, in trust, as provided in this Agreement.

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. **Rights Reserved.** I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement. However, after my spouse's death I may not exercise any of said rights with respect to property added by my spouse upon my spouse's death by my spouse's Will or otherwise.

B. **Payments During My Life.** If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare, and also may in its discretion pay to my spouse such amounts of said net income and principal as is proper for his Welfare. Any income not so paid shall be added to principal.

C. **Gifts.** If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my spouse and my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. **Trustee Limited.** When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent

SB

(5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

D. Upon My Death. Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. Disposition of Tangible Personal Property. If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. Specific Cash Devise. The Trustee shall set aside in a separate trust the sum of Two Hundred Thousand (\$200,000.00) Dollars for MATTHEW LOGAN, and said separate trust shall be administered as provided in Subparagraph II.F below. If MATTHEW LOGAN does not survive me this devise shall lapse.

C. Marital Deduction Gift. If my spouse survives me:

1. Family Trust. The Trustee shall hold as a separate "*Family Trust*" (i) all property of the trust estate as to which a federal estate tax marital deduction would not be allowed if it were distributed outright to my spouse, and (ii) after giving effect to (i), the largest pecuniary amount which will not result in or increase any federal or state death tax otherwise payable by reason of my death. In determining the pecuniary amount the Trustee shall assume that none of this Family Trust qualifies for a federal estate tax deduction, and shall assume that all of the Marital Trust hereinafter established (including any part thereof disclaimed by my spouse) qualifies for the federal estate tax marital deduction. I recognize that the pecuniary amount may be reduced by certain state death taxes and administration expenses which are not deducted for federal estate tax purposes.

SP

2. Marital Trust. The balance of the trust remaining after the establishment of the Family Trust shall be held as a separate "*Marital Trust*."

3. Disclaimer. Any part of the Marital Trust my spouse disclaims shall be added to the Family Trust. My spouse shall not be deemed to have predeceased me for purposes of such addition. I suggest that my spouse or my spouse's fiduciaries consider an appropriate partial disclaimer to minimize the death taxes due upon both of our deaths.

If my spouse does not survive me, the entire trust shall be held as the Family Trust without regard to the provisions of Subparagraph II.B.1 describing or limiting which assets shall be held thereunder.

D. During Spouse's Life. Commencing with the date of my death the Trustee shall,

1. Marital Trust. Pay to my spouse from the Marital Trust, the net income, and such amounts of principal as is proper for my spouse's Welfare; and

2. Family Trust. Pay to my spouse from the Family Trust, the net income, and such amounts of principal as is proper for my spouse's Welfare. I request (but do not require) that no principal be paid to my spouse from the Family Trust for my spouse's Welfare unless the Marital Trust has been exhausted by use, consumption, distribution, or otherwise or is not reasonably available.

E. Disposition of Trusts Upon Death of Survivor of My Spouse and Me. Upon the death of the survivor of my spouse and me,

1. Limited Power. My spouse (if my spouse survives me) may appoint the Marital Trust and Family Trust (except any part added by disclaimer from the Marital Trust and proceeds of insurance policies on my spouse's life) to or for the benefit of one or more of my lineal descendants and their spouses;

2. Disposition of Balance. Any parts of the Marital Trust and the Family Trust my spouse does not or cannot effectively appoint (including any additions upon my spouse's death), or all of the Family Trust if my spouse did not survive me, shall be divided among and held in separate Trusts for my lineal descendants then living, *per stirpes*. Any assets allocated under this Subparagraph II.D. to my children (as that term is defined under this Trust), shall be distributed to the then serving Trustees of each of their respective Family Trusts, established by my spouse as grantor on even date herewith (the "*Family Trusts*" which term includes any successor trust thereto), to be held and administered as provided under said Trusts. The provisions of the Family Trusts are incorporated herein by reference, and if any of the Family Trusts are not then in existence and it is necessary to accomplish the foregoing dispositions, the current Trustee of this Trust is directed to take such action to establish or reconstitute such applicable trust(s), or if the Trustee is unable to do so, said assets shall be held in separate trusts for such lineal descendants and administered as provided in Subparagraph II.E. below. Each of my lineal descendants for whom a separate Trust is held hereunder shall hereinafter be referred to as a "*beneficiary*," with their separate trusts to be administered as provided in Subparagraph II.E. below.

F. Trusts for Beneficiaries. The Trustee shall pay to a beneficiary the net income of such beneficiary's trust. The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the principal of such beneficiary's trust as is proper for the Welfare of such individuals. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any child of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of my lineal descendants and their spouses (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or
2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living who is also a lineal descendant of my spouse.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

G. Termination of Small Trust. If at any time after the death of the survivor of my spouse and me in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

H. Contingent Gift. If at any time property of a trust held under this Agreement is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if my spouse and I had each then owned one-half of such property and had each then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

I. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be

liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

J. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years as provided in F.S. § 689.225(2)(a)(2), nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

K. Florida Homestead Possessory Rights. Notwithstanding anything herein to the contrary, if any portion of any Florida improved residential real estate (excluding commercial multi-unit rental property) is an asset of the Marital Trust, my spouse shall have the exclusive and continuous present right to full use, occupancy and possession of such real estate for life. It is my intention that my spouse's interest in such property shall constitute a "beneficial interest for life" and "equitable title to real estate" as contemplated by Section 196.041(2) of Florida Statutes, as amended from time to time or any corresponding provision of law.

ARTICLE III. GENERAL

A. Disability. Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary (other than my spouse as beneficiary of the Marital Trust) is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. Timing of Income Distributions. The Trustee shall make required payments of income at least quarterly.

C. Substance Abuse.

1. In General. If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended (excluding, however, mandatory income rights under the Marital Trust). In that event, the following provisions of this Subparagraph III.C will apply.

2. Testing. The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. Treatment. If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate

takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child, and (c) lawful adoptions of minors under the age of twelve years. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, as I have adequately provided for them during my lifetime, for purposes of the dispositions made under this Trust, my children, TED S. BERNSTEIN ("*TED*") and PAMELA B. SIMON ("*PAM*"), and their respective lineal descendants shall be deemed to have predeceased the survivor of my spouse and me, provided, however, if my children, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, and their lineal descendants all predecease the survivor of my spouse and me, then TED and PAM, and their respective lineal descendants shall not be deemed to have predeceased me and shall be eligible beneficiaries for purposes of the dispositions made hereunder.

2. Code. "**Code**" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "**Disabled**" or being under "**Disability**" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "**education**" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. My Spouse. "**My spouse**" is SIMON L. BERNSTEIN ("**SIMON**").

6. Needs and Welfare Distributions. Payments to be made for a person's "**Needs**" means payments for such person's support, health (including lifetime residential or nursing home care), maintenance and education. Payments to be made for a person's "**Welfare**" means payments for such person's Needs, and as the Trustee determines in its sole discretion also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

7. Per Stirpes. In a division "**per stirpes**" each generation shall be represented and counted whether or not it has a living member.

8. Related or Subordinate Party. A "Related or Subordinate Party" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

9. Spouse. A person's "spouse" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

- a. the legal termination of the marriage to my descendant (whether before or after my death), or
- b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

10. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself and other than my spouse as Trustee of the Marital Trust) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself and other than my spouse as Trustee of the Marital Trust) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

SD

H. Presumption of Survivorship. If my spouse and I die under circumstances which make it difficult or impracticable to determine which one of us survived the other, I direct that my spouse shall be deemed to have survived me for purposes of this Agreement (except in regard to any property passing hereunder that became part of this trust solely by reason of passage to my probate estate or this trust from the probate estate of or a revocable trust established by my spouse in which case the opposite presumption shall apply), notwithstanding any provisions of law which provide for a contrary presumption. If any person other than my spouse shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Mandatory Notice Required by Florida Law. The trustee of a trust may have duties and responsibilities in addition to those described in the instrument creating the trust. If you have questions, you should obtain legal advice.

L. Release of Medical Information.

1. **Disability of Beneficiary.** Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or

at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and

personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "*Business Entities*"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to

exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under

a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Selection of Assets for Marital Trust. The Trustee shall have sole discretion to determine which assets shall be allocated to the Marital Trust; provided, if possible no assets or the proceeds of any assets which do not qualify for the federal estate tax marital deduction shall be allocated to the Marital Trust. To the extent that other assets qualifying for the marital deduction are available, the Trustee shall not allocate to the Marital Trust any assets with respect to which a credit for foreign taxes paid is allowable under the Code, nor any policy of insurance on the life of my spouse. Any allocation of assets among the Family Trust and the Marital Trust shall, with respect to each such trust, be comprised of assets having an aggregate market value at the time of such allocation fairly representative of the net appreciation or depreciation in the value of the property available for such

allocation between the date of valuation for federal estate tax purposes and the date or dates of said allocation and selection.

26. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

27. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

28. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate or my spouse's estate.

29. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

30. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, SIMON and TED, one at a time and successively in that order, shall serve as successor Trustee. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C, subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances:

a. Trustee of the Marital Trust. SIMON and TED, one at a time and successively in that order, shall serve as Trustee of the Marital Trust. While serving as Trustee, my spouse may designate a co-Trustee to serve with my spouse and my spouse may remove and/or replace such co-Trustee from time to time.

b. Trustee of the Family Trust. SIMON and TED, one at a time and successively in that order, shall serve as Trustee of the Family Trust. While serving as Trustee, my spouse may designate a co-Trustee that is not a Related or Subordinate Party to serve with my spouse and my spouse may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

c. Trustee of Separate Trusts for My Children. Each child of mine shall serve as sole Trustee of his or her separate trust. While serving alone as Trustee, a child of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such child and such child may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

d. Trustee of Separate Trusts for My Lineal Descendants Other Than My Children. In regard to a separate trust held for a lineal descendant of mine other than a child of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon reaching age twenty-five (25) years.

e. Trustee of Separate Trust for MATTHEW LOGAN. In regard to a separate trust held MATTHEW LOGAN, his mother, DEBORAH BERNSTEIN ("**DEBORAH**"), shall serve as Trustee until MATTHEW attains age 25 years, at which time he shall serve as a co-Trustee with DEBORAH of such separate trust.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

a. The remaining Trustees, if any; otherwise,

b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. Power to Remove Trustee. Subsequent to my death, the age 25 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. Liability in General. No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

SB

2. Indemnification of Trustee. Except in regard to liabilities imposed on a Trustee under Subparagraph IV.G.1, each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. Indemnification of Trustee - Additional Provisions. I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V. ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts.

1. Family Trust. I direct (a) that the Trustee shall divide any trust other than the Marital Trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions of this Trust Agreement relating to the trust that is being divided) so that the generation-skipping tax inclusion ratio of one such trust is zero.

2. Marital Trust. I direct that, if possible, (a) the Trustee shall divide the Marital Trust into two separate Marital Trusts (each subject to the provisions hereof concerning the Marital Trust) so that through allocation of my GST exemption remaining unallocated at my death and not otherwise allocated to transfers occurring at or by reason of my death (including allocations to the Family Trust), if any, the generation-skipping tax inclusion ratio of one such Marital Trust is zero (the GST Marital Trust), (b) my Personal Representative to exercise the election provided by Code Section 2652(a)(3) as to the GST Marital Trust, and (c) that upon the death of my spouse the total amount recoverable by my spouse's estate from the property of the Marital Trusts under Code Section 2207A shall first be recoverable in full from the non-GST Marital Trust to the extent thereof.

3. Misc. I direct that (a) upon the death of the survivor of me and my spouse, any property then directed to be paid or distributed which constitutes a direct skip shall be paid first from property then exempt from generation-skipping taxation (by reason of the allocation of any GST exemption) to the extent thereof, (b) property exempt from generation-skipping taxation (by reason of the allocation of any GST exemption) and not directed to be paid or distributed in a manner which constitutes a direct skip shall be divided and distributed as otherwise provided herein and held for the same persons designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and lineal descendants, in such estates, interests, and proportions as such beneficiary may, by a will specifically referring to this general power appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution, or otherwise or is not reasonably available.

Notwithstanding any other provision of this Trust Agreement, for purposes of funding any pecuniary payment or trust division to which there is allocated any GST exemption, such payment or trust division allocation shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution or allocation could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. In regard to the division or severance of a trust hereunder, including the Marital Trust, such division or severance shall be made in a manner that all resulting trusts are recognized for purposes of Chapter 13 of the Code, including without limitation complying with the requirements of Treas.Reg. §26.2654-1(b). Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this Article which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to

a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. **Gift Transfers Made From Trust During My Lifetime.** I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. **Death Costs.** If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and

SR

5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the property disposed of pursuant to the prior paragraphs captioned "Disposition of Tangible Personal Property", "Specific Cash Devise" nor from the Marital Trust.

E. Marital Trust. I intend the maximum obtainable reduction of federal estate tax due by reason of my death by use of the federal estate tax marital deduction, and qualification of all property of the Marital Trust for the marital deduction. This Agreement shall be construed and all powers shall be exercised consistent with such intent. For example, the Trustee shall not allocate any receipt to principal or any disbursement to income if such allocation understates the net income of the Marital Trust under Florida law; and upon the written demand of my spouse, the Trustee shall convert unproductive or underproductive property of said trust into productive property within a reasonable time notwithstanding any other provision hereunder. The foregoing notwithstanding, if my spouse survives me but dies within six months after my death, the Marital Trust provided in Subparagraph II, B will be reduced to that amount, if any, required to obtain for my estate an estate tax marital deduction resulting in the lowest combined estate taxes in my estate and my spouse's estate, on the assumption that my spouse died after me on the date of my death, that my spouse's estate is valued on the same date and in the same manner as my estate is valued for federal estate tax purposes, and that elections in my spouse's estate were made that would be consistent with minimizing taxes. The purpose of this provision is to equalize, insofar as possible, our estates for federal estate tax purposes, based on the above assumptions.

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section 663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise

SB

manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. Regardless of anything herein to the contrary, while any residential real property located in Florida is owned by a trust, I, or my spouse if I am not then living and such trust is the Marital Trust, shall have the right to use, possess and occupy such residence as a personal residence so that such right shall constitute a possessory right in such real property within the meaning of Florida Statute Section 196.041.

SIMON L. BERNSTEIN

I, SIMON L. BERNSTEIN, of Palm Beach County, Florida, hereby revoke all my prior Wills and Codicils and make this Will. ARTICLE I. TANGIBLE PERSONAL PROPERTY

I give such items of my tangible personal property to such persons as I may designate in a separate written memorandum prepared for this purpose. I give to my children who survive me, divided among them as they agree, or if they fail to agree, divided among them by my Personal Representatives in as nearly equal shares as practical my personal effects, jewelry, collections, household furnishings and equipment, automobiles and all other non-business tangible personal property other than cash, not effectively disposed of by such memorandum, and if no child of mine survives me, this property shall pass with the residue of my estate.

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

Under Subparagraph E.1. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "*Shirley Trust*"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "*Existing Trust*"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." The residue shall be added to and become a part of the Existing Trust, and shall be held under

the provisions of said Agreement in effect at my death, or if this is not permitted by applicable law or the Existing Trust is not then in existence, under the provisions of said Agreement as existing today. If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

ARTICLE IV. PERSONAL REPRESENTATIVES

1. **Appointment and Bond.** I appoint ROBERT L. SPALLINA and DONALD R. TESCHER to serve together as my co-Personal Representatives, or either of them alone as Personal Representative if either of them is unable to serve (the "*fiduciary*"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.

2. **Powers of Personal Representatives.** My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:

a. **Investments.** To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.

b. **Distributions or Divisions.** To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.

c. **Management.** To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

d. **Borrowing.** To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the

estate; and to mortgage, margin, encumber and pledge real and personal property of the estate as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the estate and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from my fiduciary may be with or without interest, and may be secured with a lien on the estate assets or any beneficiary's interest in said assets.

e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.

h. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.

i. Business Entities. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the fiduciary with the following powers and authority in regard to Business Entities:

i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;

ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the

operation and may delegate all or any part of its power to supervise and operate to such person or persons as the fiduciary may select, including any associate, partner, officer or employee of the Business Entity;

iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;

vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;

viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.

j. Life Insurance. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

k. Reimbursement. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.

l. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

m. Ancillary Administration. To appoint or nominate, and replace with or without cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

n. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.

3. Survivorship. A beneficiary is not deemed to survive me unless he or she survives me by five days.

4. Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Article I of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs. If the amount of the above-described taxes, and interest and penalties arising by reason of my death (without regard to where payable from under the terms of this paragraph or applicable law) is increased because of the power of appointment granted to me under Subparagraph II.E.1. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, I hereby appoint to my probate estate from the property subject to such power (to the extent allowable under such power) the amount of such increase (calculating such increase at the highest applicable marginal rates) and exercise such power to this extent only, and notwithstanding the other provisions of this paragraph further direct my fiduciary to make payment of such increase in taxes,

interest and penalties to the appropriate taxing authorities from the appointed property or the proceeds thereof. Any trustee holding such appointive property may pay to my fiduciary the amount which my fiduciary certifies as due under this paragraph and is not responsible for the correctness or application of amounts so paid.

5. **Reimbursement for Debts and Expenses.** My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.

6. **Expenses of Handling Tangible Personal Property.** All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.

7. **Dealing with Estate.** Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

8. **Spouse.** The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.

9. **Other Beneficiary Designations.** Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

LAST WILL
OF SIMON L. BERNSTEIN

2012 OCT 10 PM 1:44

I, SIMON L. BERNSTEIN, of the County of Palm Beach, State of Florida, do hereby make, publish and declare my Last Will and Testament, hereby revoking all prior Wills, Testaments and Codicils at any time made by me.

SHARON R. POCK, CLERK
CLERK OF THE COUNTY OF PALM BEACH
SOUTH CITY SEARCH-FILED

FIRST: I direct that all my just debts and funeral and administration expenses be paid as soon after my death as may be practicable.

SECOND: I hereby direct that, pursuant to Florida Statutes §732.515, or the comparable provision in effect at the time of my death, my personal and household effects, including jewelry, works of art and automobiles, if any, be distributed in accordance with a separate written statement executed by me. In the event there shall be more than one such written statement, the statement bearing the last date shall be controlling. If no such written statement is found and properly identified by my Personal Representatives within thirty days after my Personal Representatives are appointed, it shall be conclusively presumed that no such writing exists. In the event there shall be no such written statement (or to the extent such written statement does not effectively dispose of all of my personal and household effects, including jewelry, works of art and automobiles, if any), I give and bequeath all (or the balance) of my personal and household effects, if any, to my wife, SHIRLEY BERNSTEIN, if she survives me, or, if she predeceases me, to such of my children, TED STUART BERNSTEIN, PAMELA BETH SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA SUE FRIEDSTEIN, as shall survive me, in shares as nearly equal as they shall agree upon, or, failing agreement, said personal and household effects shall be sold and the proceeds therefrom added to and disposed of as part of my residuary estate.

THIRD: If my wife, SHIRLEY BERNSTEIN, survives me, I

give and bequeath to my Trustees a "credit equivalent amount" (as defined below) to hold in separate trust to pay so much of the income therefrom and such sums out of the principal thereof (even to the extent of the whole thereof) to such of my wife and my descendants, living from time to time, equally or unequally, and to any one or more of them to the exclusion of the others, as my Trustees, in their absolute discretion, deem necessary or advisable; provided, however, that no such payment shall be made to my wife from the principal of the trust under this Article THIRD until the principal of her trust, if any, under Article FOURTH of this Will shall first have been exhausted. Any balance of the income shall be accumulated and added to principal annually.

Upon the death of my wife, the then principal of the trust shall pass to such one or more of my descendants in such shares, equal or unequal, and subject to such lawful trusts, terms and conditions as my wife shall by Will appoint. To the extent that said power of appointment is not effectively exercised, said principal shall be divided into as many equal shares as may be necessary to provide one for each of my then living grandchildren and one for each of my grandchildren who is then dead but who leaves descendants who are then living (such descendants to take in portions, per stirpes, the share set aside for them), and each such share or portion shall be distributed absolutely, except that any share or portion so set aside for a grandchild or more remote descendant of mine who has not then attained the age of thirty shall be disposed of as provided in Article SIXTH of this Will.

The "credit equivalent amount" shall be (a) the maximum amount which could comprise my taxable estate for Federal estate tax purposes without resulting in any Federal estate tax, after taking into account the applicable credit amount as defined in

Section 2010(c) of the Code, but no other credits allowable against such tax, reduced by (b) the aggregate of:

(1) the value (as finally determined for Federal estate tax purposes) of all property (including interests in property) includable in my estate for Federal estate tax purposes which passes under other provisions of this Will or otherwise than under this Will and with respect to which no marital deduction or charitable deduction is finally allowed in determining said tax, and

(2) the amount of my adjusted taxable gifts within the meaning of Section 2001(b) of the Code.

The trust under this Article THIRD shall be known as the "Simon L. Bernstein Credit Equivalent Trust."

FOURTH: I give and bequeath to my Trustees an amount equal to my "Unused GST Exemption" (as defined below) to hold in separate trust to pay the income therefrom in quarterly or more frequent installments to my wife, SHIRLEY BERNSTEIN, during her life.

I authorize and empower my Trustees, from time to time, to pay to my wife such sums out of the principal of her trust (even to the extent of the whole thereof) as my Trustees, in their absolute discretion, deem in her best interests; provided, however, that no such payment shall be made to my wife from the principal of her trust under this Article FOURTH until the principal of her trust, if any, under subdivision (a) of Article FIFTH of this Will shall first have been exhausted.

Upon the death of my wife, the then principal of the trust shall pass to such of one or more of my descendants in such shares, equal or unequal, and subject to such lawful trusts, terms and conditions as my wife shall by Will appoint. To the extent that said power of appointment shall not be effectively exercised, or upon my death if my wife predeceases me, said principal shall be divided into as many equal shares as may be necessary to provide one for each of my then living grandchildren

and one for each of my grandchildren who is then dead but who leaves descendants who are then living (such descendants to take in portions, per stirpes, the share set aside for them), and each such share or portion shall be distributed absolutely, except that any share or portion so set aside for a grandchild or more remote descendant of mine who has not then attained the age of thirty shall be disposed of as provided in Article SIXTH of this Will.

I direct that all estate and inheritance taxes of whatever kind imposed by reason of the inclusion of the trust under this Article in my wife's estate for such tax purposes shall (absent a contrary provision in my wife's Will) be charged, without right of reimbursement, against the principal of the trust for the benefit of my wife under subdivision (a) of Article FIFTH of this Will.

My "Unused GST Exemption" shall be an amount equal to the maximum GST exemption allowable to me pursuant to Section 2631 of the Code, reduced by the aggregate amount of my GST Exemption which has been allocated or deemed allocated by me or which shall be allocated by my Personal Representatives with respect to property transferred by me either under the provisions of this Will or otherwise than under this Will.

The trust under this Article FOURTH shall be known as the "Simon L. Bernstein Exempt Marital Trust."

FIFTH: All the rest, residue and remainder of my estate, real, personal or otherwise and wheresoever situate, including any lapsed legacy or bequest, hereinafter called my residuary estate, shall be disposed of as follows:

(a) If my wife, SHIRLEY BERNSTEIN, survives me, my residuary estate shall be held by my Trustees in separate trust to pay the income therefrom in quarterly or more frequent installments to my wife during her life.

I authorize and empower my Trustees, from time to time, to pay to my wife such sums out of the principal of her trust (even to the extent of the whole thereof) as my Trustees, in their absolute discretion, deem in her best interests.

Upon the death of my wife, the then principal of her trust shall pass to such one or more of my descendants, in such shares, equal or unequal, and subject to such lawful trusts, terms and conditions as my wife shall by Will appoint. To the extent that said power of appointment is not effectively exercised, said principal shall be divided into shares, per stirpes, for such of my children TED STUART BERNSTEIN, ELIOT BERNSTEIN, JILL IANTONI and LISA SUE FRIEDSTEIN as are then living and for the then living descendants of such of them as are then dead, and each such share shall be distributed absolutely, except that any share so set aside for a grandchild or more remote descendant of mine who has not then attained the age of thirty shall be disposed of as provided in Article SEVENTH of this Will.

The trust for my wife under this subdivision (a) shall be known as the "Simon L. Bernstein Non-Exempt Marital Trust.

(b) If my wife predeceases me, my residuary estate shall be divided into shares, per stirpes, for such of my children TED STUART BERNSTEIN, ELIOT BERNSTEIN, JILL IANTONI and LISA SUE FRIEDSTEIN as survive me and for the descendants who survive me of such of them as may predecease me, and each such share shall be distributed absolutely, except that any share so set aside for a grandchild or more remote descendant of mine who has not then attained the age of thirty shall be disposed of as provided in Article SEVENTH of this Will.

SIXTH: All shares, portions or parts above or below set aside for a grandchild or more remote descendant of mine and directed to be disposed of as provided in this Article SIXTH

shall be combined and held by my Trustees in separate trust to apply so much of the income therefrom for the health, education, maintenance or support of the beneficiary as my Trustees, in their absolute discretion, deem necessary or advisable, accumulating any balance of the income at least annually and adding the same to principal until the beneficiary attains the age of twenty-one; thereafter, the income shall be paid to the beneficiary in convenient installments.

I authorize and empower my Trustees, from time to time, to pay to the beneficiary such sums out of the principal of his or her trust (even to the extent of the whole thereof) as my Trustees deem that the beneficiary needs for his or her health, education, maintenance or support.

Upon the beneficiary's attaining the age of twenty-five, one-half of the then principal of his or her trust shall be distributed to the beneficiary absolutely, and upon the beneficiary's attaining the age of thirty, the balance of the principal of his or her trust shall be distributed to the beneficiary absolutely.

In the event of and upon the death of the beneficiary during the continuance of his or her trust, the then principal thereof shall be divided into portions or parts, per stirpes, for his or her then living descendants, or, in default thereof, for the then living descendants of the beneficiary's nearest ancestor who was a grandchild or more remote descendant of mine and who has descendants then living, or, in default thereof, shall be divided into as many equal portions or parts as may be necessary to provide one for each of my then living grandchildren, and one for each of them who is then dead but who leaves descendants who are then living (such descendants to take in parts, per stirpes, the share set aside for them), and each such portion or part shall be distributed absolutely, except that any portion or part

so set aside for a grandchild or more remote descendant of mine who is then the beneficiary of a trust under this Article SIXTH shall be added to the principal of said trust and disposed of as a part thereof, subject to subsequent, but not prior, mandatory distributions of principal, and any portion or part so set aside for a grandchild or more remote descendant of mine who has not then attained the age of thirty and who is not then the beneficiary of a trust under this Article SIXTH shall be disposed of as provided in this Article SIXTH.

SEVENTH: Each share or portion above or below set aside for a grandchild or more remote descendant of mine and directed to be disposed of as provided in this Article SEVENTH shall be held by my Trustees in separate trust to apply so much of the income therefrom for the health, education, maintenance or support of the beneficiary as my Trustees, in their absolute discretion, deem necessary or advisable, accumulating any balance of the income at least annually and adding the same to principal until the beneficiary attains the age of twenty-one; thereafter, the income shall be paid to the beneficiary in convenient installments.

I authorize and empower my Trustees, from time to time, to pay to the beneficiary such sums out of the principal of his or her trust (even to the extent of the whole thereof) as my Trustees deem that the beneficiary needs for his or her health, education, maintenance or support.

Upon the beneficiary's attaining the age of twenty-five, one-half of the then principal of his or her trust shall be distributed to the beneficiary absolutely, and upon the beneficiary's attaining the age of thirty, the balance of the principal of his or her trust shall be distributed to the beneficiary absolutely.

In the event of and upon the death of the beneficiary

during the continuance of his or her trust, the then principal thereof shall be divided into portions, per stirpes, for his or her then living descendants, or, in default thereof, for the then living descendants of the beneficiary's nearest ancestor who was a descendant of mine and who has descendants then living, or, in default thereof, for my then living descendants, and each such portion shall be distributed absolutely, except that any portion so set aside for a grandchild or more remote descendant of mine who is then the beneficiary of a trust under this Article SEVENTH shall be added to the principal of said trust and disposed of as a part thereof, subject to subsequent, but not prior, mandatory distributions of principal, and any portion so set aside for a grandchild or more remote descendant of mine who has not then attained the age of thirty and who is not then the beneficiary of a trust under this Article SEVENTH shall be disposed of as provided in this Article SEVENTH.

EIGHTH: I nominate and appoint my wife, SHIRLEY BERNSTEIN, as my Personal Representative. If my wife fails to qualify or ceases to be qualified, I nominate and appoint in her place the following individuals who shall be entitled to qualify, singly and in the order named: ALBERT W. GORTZ; LISA SUE FRIEDSTEIN; PAMELA BETH SIMON.

With respect to any trust created under Article THIRD, Article FOURTH or subdivision (a) of Article FIFTH of this Will, I nominate and appoint my wife, my daughter LISA SUE FRIEDSTEIN, and my daughter PAMELA BETH SIMON as Trustees hereunder.

With respect to any trust created under Article SIXTH or Article SEVENTH of this Will, I nominate and appoint my wife, SHIRLEY BERNSTEIN, and my daughter PAMELA BETH SIMON as Trustees. If my either my wife or PAMELA BETH SIMON fails to qualify or ceases to be qualified, I nominate and appoint in her place the following individuals who shall be entitled to qualify, singly

and in the order named: LISA SUE FRIEDSTEIN; JILL IANTONI.

My Personal Representatives and Trustees at any time qualified hereunder are authorized and empowered to designate a person or persons or a bank or trust company to act with them and, subject to the foregoing, a sole surviving Personal Representative or Trustee at any time qualified hereunder is authorized and empowered to designate a person or persons or a bank or trust company to act with or to succeed him or her; provided, however, that JEANNIE BERNSTEIN shall never be designated as or serve as a Personal Representative or as a Trustee of any trust created hereunder.

At all times at least one Trustee of any trust created hereunder shall not have an interest in the income or principal of such trust.

I direct that no bond or other security shall be required of any Personal Representative or Trustee named herein or designated as herein provided for any reason whatsoever.

NINTH: I hereby grant to my Personal Representatives and Trustees, in addition to the general powers conferred upon them by law, the following discretionary powers:

(a) To distribute my estate and set up the trusts herein at one time or at different times as soon after my death as they may deem practicable, whether before or after the expiration of any statutory period.

(b) To charge or credit to principal or income or to apportion between them, in such manner as they deem advisable, any ordinary or extraordinary expenses and any extraordinary, wasting or liquidating dividends and any dividends payable in the stock of the corporation declaring the dividend or payable in the stock of another corporation and so-called "capital gains dividends" declared by investment companies or investment trusts; to determine if and to what extent they shall amortize any premium paid by them on bonds or other obligations for the payment of money; upon the death of an income beneficiary, or any other termination of a trust herein, any accrued income (including dividends theretofore declared but not yet payable) shall be paid to the persons entitled to receive the income when it becomes payable, but any undistributed income which my Personal Representatives or Trustees are authorized in their discretion to accumulate shall be added to principal.

(c) To set apart out of the income of the trusts

herein (or out of the income of corporations of which the trusts own securities) reserves for such purposes including, without limitation, depreciation, depletion, obsolescence and other contingencies, and in such amounts as they, in their absolute discretion, shall deem advisable.

(g) To borrow such sums as they deem advisable for the proper administration of my estate and the trusts hereunder and to give security therefor.

(h) To continue, settle or discontinue any business or partnership in which I may be interested.

(i) To continue to hold any property, real, personal or otherwise, including, but not limited to, stocks, bonds or other securities, domestic or foreign, in the form in which it shall be at my death or when received by them hereunder (without regard to any rule of law that may require them to decide whether or not to retain such property) or as the form thereof may be changed pursuant to the provisions of the other subdivisions of this Article of my Will, so long as they, in their absolute discretion, deem it advisable.

(j) To invest and reinvest in any property, including, but not limited to, stocks, bonds or other securities or so-called derivative investments, domestic or foreign, options to sell or to purchase such securities or so-called derivative investments (whether or not then held hereunder), shares or interests in mutual funds, investment companies, investment trusts or common trust funds of a bank or trust company, currencies, precious metals, oil and gas properties or other natural resources and commodities, or interests in, rights to or options to sell or to purchase any of the foregoing (whether or not then held hereunder), improved or unimproved real property or tangible personal property or life insurance, endowment, annuity or similar contracts (including such contracts insuring the then income beneficiary of any trust hereunder) that they may, in their absolute discretion, deem advisable and without regard to any duty to diversify or, except with respect to any trust for the benefit of my spouse that qualifies for the marital deduction under either Federal or state law, to make such property productive of income, and in any manner, including by direct purchase, entry into a joint venture, creation of or purchase of

an interest in any form of partnership or corporation or through any other form of participation or ownership.

(k) To employ any person, firm, corporation, bank or trust company for advice with respect to investment policy, but my Personal Representatives or Trustees may, in their absolute discretion, follow or refrain from following any recommendations so obtained, and said recommendations shall not in any way limit the discretionary power and authority herein conferred upon, and not otherwise delegated by, them with respect to investments; to designate a corporation, partnership or other firm, authorized so to act, as custodian, and to employ attorneys, accountants and bookkeepers; and to charge the fees and expenses of the foregoing to my estate or any trust hereunder.

(l) To retain possession, in their absolute discretion, of any property payable absolutely to an infant, and to invest and reinvest the same, to collect the income therefrom, and, after deducting all proper expenses, to apply the income and principal to the use of said infant (and in the case of tangible personal property to permit the infant to have the custody and use of all or part of it from time to time), with all the powers, rights and compensation of Trustees hereunder, provided, however, that nothing herein contained shall be construed to prevent or postpone the vesting of said property in said infant or to suspend the alienability of said property.

(m) In determining the amounts applicable to the use of an infant, to consider or disregard the ability of the parent or parents of said infant to support said infant; and to make payment of any amount, applicable to the use of or payable to an infant, (1) to the guardian (whether qualified in my domicile or any other jurisdiction) of the person or property of such infant, or (2) to the parent or parents of such infant (whether or not legally appointed his or her guardian(s)), or (3) to the extent permitted by law, to a Custodian for such infant under a Uniform Gifts to Minors Act or a Uniform Transfers to Minors Act, or (4) to apply the same for his or her benefit; the receipt of such guardian, parent or Custodian or the evidence of the application of such amount shall be a full discharge to my Personal Representatives and Trustees for such payment; provided, however, that with respect to any such payments to or for the benefit of my grandchildren ALEXANDRA BERNSTEIN, ERIC BERNSTEIN and MICHAEL BERNSTEIN, no such payment shall be made to JEANNIE BERNSTEIN in any capacity as such grandchild's parent, guardian or Custodian.

(n) Severally to authorize, by instrument in writing, any person or corporation, including any co-fiduciary, bank or trust company, to act in the place of said Personal Representative or Trustee with respect to specified transactions, to sign a particular check or checks, or to execute any other specifically stated instruments in the name of said Personal Representative or Trustee.

(o) To remove any property held by them hereunder to or from my domicile or any other jurisdiction.

(p) To organize or participate in the organization of corporations, and to transfer to them any part or all of the property held by them hereunder in exchange for securities thereof.

(q) To exercise or perform every power, authority or duty, including discretionary powers, by the concurrence and in

the names of a majority of the Personal Representatives or Trustees qualified to participate, with the same effect as if all had joined therein; but by unanimous vote of the Personal Representatives or Trustees they may determine the number (one or more) who may give instructions to custodians, sign checks or have access to safe deposit boxes.

(r) To hold the principal or part of the principal of any of the trusts herein in one or more joint funds in which the separate trusts shall have undivided interests.

(s) To file such gift tax and income tax returns jointly with my spouse as they deem advisable.

(t) To compromise, settle, subordinate, arbitrate, extend, renew, modify, waive or extend the statute of limitations with respect to, or release, in whole or in part, any claim held by or against my estate or the trusts herein, or any mortgage or other security held by them or held against any property held by them hereunder.

(u) To participate in and consent to any corporate reorganization, dissolution, liquidation, merger, consolidation, sale or lease, or in and to any other change in any corporation or in its financial structure, and to become a depositor with any protective, reorganization or similar committee, and to make any necessary payments incident to the foregoing; to exercise or to sell any conversion, subscription or similar rights; and in general to exercise in respect to any securities the unrestricted rights of a personal owner, including voting in person and granting proxies, discretionary, general or otherwise.

(v) To the extent permitted by law, to register any property held by them hereunder in their names as Personal Representatives or Trustees or in the names of nominees, or to take and keep the same unregistered, in bearer form or otherwise in such condition as to pass by delivery.

(w) To lend such sums out of the income (other than of any trust for the benefit of my spouse that qualifies for the marital deduction under either Federal or state law) or principal of the trusts hereunder and upon such terms and conditions as they deem advisable; provided, however, that adequate security be obtained from, and reasonable interest be charged to, the borrower.

(x) To guarantee loans made to any beneficiary hereunder.

(y) To trade on margin (but only with the approval of my spouse in the case of any trust that qualifies for the marital deduction under either Federal or state law) and, for such purpose, to maintain and operate a margin account with any broker and to pledge any property held hereunder with such broker for loans and advances made to them. In connection with the foregoing, my Personal Representatives and Trustees are authorized and empowered to hold title in and to property in bearer, nominee or other form, without disclosure of any trust, so that title may pass by delivery.

TENTH: (a) All the powers granted to my Personal Representatives and Trustees hereunder may be exercised after the termination of the trusts hereunder in connection with the proper

administration and distribution thereof.

(b) Notwithstanding any provision in this Will to the contrary, any power (including discretionary powers) granted to my Personal Representatives and Trustees hereunder shall be absolutely void to the extent that the right to exercise or the exercise thereof would in any way cause my estate to lose all or part of the tax benefit afforded my estate by the marital deduction provisions under either Federal or state laws; without limiting the foregoing, with respect to the trusts for my spouse under Articles FOURTH and FIFTH of this Will, (1) subdivisions (a), (b), (c) and (p) of the preceding Article of this Will shall not apply and (2) my spouse may direct the Trustees, from time to time, to sell any property held as part of the principal, if it produces little or no income, and to invest the proceeds of sale in property that produces sufficient income to assure that such trust will qualify for the marital deduction.

(c) If any person beneficially interested hereunder shall die in the course of or as a direct result of the same disaster, accident or calamity as shall cause my death or the death of the life beneficiary upon whose death said person's interest is to take effect or under such circumstances that it cannot be readily determined whether I or said person, or the life beneficiary or said person, as the case may be, died first, then, for the purposes of this Will, said person shall be deemed to have died before me or before said life beneficiary, and my estate shall pass in such manner as would occur hereunder if said person had predeceased me or said life beneficiary, as the case may be.

(d) I direct that my Personal Representative(s) shall exercise the right, under Section 2207A(a)(1) of the Code and under any similar provision of any state law, to recover from the persons receiving any property referred to in said provisions (including the Trustees of any trust other than the pre-residuary trust under Article FOURTH of my spouse's Will) the amount of estate and inheritance taxes (and any interest and penalties relating thereto) paid by my estate attributable to such property. Subject to the direction in the preceding sentence, all estate and inheritance taxes of whatever kind imposed by reason of my death upon the property disposed of in this Will and upon any other property, including insurance but not including the pre-residuary trust under Article FOURTH of my spouse's Will (the taxes on which are to be paid out of the residuary trust thereunder), otherwise disposed of and subject to the imposition of said taxes, shall be charged, without right of reimbursement, (1) if my spouse survives me, against the property disposed of in Article THIRD of this Will, or, to the extent that said property is insufficient, against my residuary estate, or, (2) if my spouse predeceases me, against my residuary estate.

For the foregoing purposes, estate and inheritance taxes shall include any generation-skipping transfer tax on a direct skip taking effect at my death (other than a direct skip from a trust not created by me), but no other generation-skipping transfer tax.

(e) Any income or principal payable to a beneficiary hereunder may, in the discretion of my Personal Representatives and Trustees, be applied by them for the benefit of said beneficiary.

(f) All testamentary powers of appointment granted in

this Will shall be exercisable by specific reference to this Will and, except as provided in subdivision (p) herein, shall not be exercisable in favor of the donee of the power or the donee's estate or creditors of the donee or of the donee's estate.

(g) Any person may renounce, in whole or in part, any provision in his or her favor hereunder and, in such event, the property covered by said provision, to the extent renounced, shall be disposed of as though said person had predeceased me, and if said property is to be held in trust, to the extent renounced, said property shall become free of the trust for said person (and of any power of appointment said person may have with respect thereto) and shall be disposed of as though said person had predeceased me. I do not intend by the foregoing to suggest that any particular person should so renounce.

(h) Any Personal Representative or Trustee who is an income beneficiary of a trust hereunder shall not be qualified to participate in the exercise of any power to make discretionary distributions to himself or herself or to make allocations, in his or her own favor, of receipts or expenses as between principal and income of such trust; nor shall any Personal Representative or Trustee participate in the exercise of a discretionary power to pay or apply income or principal to or for the benefit of a beneficiary whom said Personal Representative or Trustee (in his or her individual capacity) is then legally obligated to support; all said powers shall be exercisable by the other Personal Representative(s) or Trustee(s).

(i) With respect to any Personal Representative or Trustee who is interested, in his or her individual capacity, in any firm or corporation in which my estate or any trust hereunder may have an interest, I direct that he or she may deal freely with said firm or corporation in his or her individual capacity, notwithstanding that there may be a conflict with his or her fiduciary capacity hereunder, but I direct that if one or more of my Personal Representatives or Trustees has no such personal interest, then as to all matters pertaining to said firm or corporation involving such conflict of interest the decision of my estate and of said trust shall be made by said disinterested Personal Representative(s) or Trustee(s).

(j) A person from time to time qualified as Personal Representative or Trustee hereunder shall not be disqualified from purchasing assets of my estate, provided (1) said purchaser shall not participate as Personal Representative or Trustee in the decisions of the Personal Representatives or Trustees as to the price, conditions and terms of the sale, all of which decisions shall be made by the other Personal Representative(s) or Trustee(s); and (2) in fixing said price, conditions and terms said other Personal Representative(s) or Trustee(s) shall in all respects treat said purchaser in the same manner as though he or she were a third party, not qualified as Personal Representative or Trustee.

(k) My Personal Representatives and Trustees may purchase assets from or sell assets to other estates or trusts not created hereunder, notwithstanding that one or more of my said Personal Representatives and Trustees are fiduciaries of or beneficially interested in said estates or trusts; provided, however, that if one or more of my Personal Representatives or Trustees has no such interest, then as to all such matters the decision of my estate or of the trusts hereunder shall be made by said disinterested Personal Representative(s) or Trustee(s).

(l) My Personal Representatives and Trustees may exercise any rights or options with respect to any policy of life insurance held by them, whether granted in said policy or allowed by the insurer, including, but not limited to, surrendering, converting (into paid up or extended term insurance) or borrowing upon said policy; applying dividends against premiums or to purchase paid up additions; and exercising options with respect to surrender or payment of death proceeds.

(m) In any judicial proceeding involving my estate or any trust hereunder and in any non-judicial settlement of the account of a Personal Representative or Trustee hereunder, the interest of a person under disability may be represented by a party to such proceeding or settlement who is not under disability and who has the same interest.

(n) I direct that any administration expenses or debts charged to principal and not claimed and allowed as estate tax deductions shall be charged, (1) if my spouse survives me, against the property disposed of in Article THIRD of this Will, or, to the extent that said property is insufficient, against my residuary estate, or, (2) if my spouse predeceases me, against my residuary estate.

(o) I direct that all charges incurred by my Personal Representatives in storing, packing, shipping, delivering and insuring any property passing under the provisions of this Will, whether such property is specifically bequeathed or otherwise, shall be paid by my Personal Representatives as expenses of administering my estate.

(p) Notwithstanding the provisions of Article SEVENTH of this Will, if (1) pursuant thereto, upon the death of the beneficiary of a trust thereunder, any trust property would be set aside for a person who is assigned to a generation younger than that of the beneficiary under Section 2651 of the Code and if (2) said property would be subject to a generation-skipping transfer tax on the death of the beneficiary, but would not be subject to said tax to the extent that said property is includable in the beneficiary's estate for Federal estate tax purposes, then and in that event said property shall instead pass in such manner, including to his or her estate, if he or she shall so appoint, as the beneficiary shall by Will appoint with the unanimous prior written consent of all of the then qualified Trustees of said trust, except those whose required concurrence would prevent said power of appointment from being a "general power of appointment" within the meaning of Section 2041(b)(1) of the Code. Only if and to the extent that said power of appointment is not effectively exercised shall said property be disposed of as provided in said Article SEVENTH.

(q) Wherever in this Will property is directed to be added to or combined with an existing trust for a descendant of mine hereunder, my Personal Representatives and Trustees shall not combine property with different generation-skipping transfer tax inclusion ratios, as defined in Section 2642(a) of the Code, but shall add such property to the trust for such descendant hereunder which has the same generation-skipping transfer tax inclusion ratio as defined in Section 2642(a) of the Code as such property, or, if necessary, such property shall be held in a separate trust for such descendant, with said trust to have identical provisions to the existing trust for such descendant hereunder.

(r) If, at any time, there shall be a trust under the Will of my spouse, or a trust created by me or by my spouse during our lifetimes, for the same beneficiaries and subject to the same provisions as a trust under this Will (or as a trust intended to be created under this Will), my Personal Representatives and Trustees are authorized and empowered, in their absolute discretion, to transfer the principal held (or intended to be held) in trust hereunder to the Trustees of such other trust (whether or not the Trustees of such other trust or their successors are the Trustees nominated or appointed hereunder) or to combine them (unless such trusts have different generation-skipping transfer tax inclusion ratios, as defined in section 2642(a) of the Code), to form a single trust for simplicity and convenience of administration; provided, however, that if any such trusts are prevented from being combined or otherwise consolidated pursuant to the provisions of this subdivision because any such trust has a different maximum period of time that property held in such trust could remain held in such trust (the "perpetuities period"), the Trustees shall be permitted to combine or otherwise consolidate such trusts pursuant to the provisions of this subdivision with the resulting trust assigned the lesser of the perpetuities periods of the original trusts.

(s) I authorize and empower my Personal Representatives to allocate the GST Exemption allowable to me pursuant to Section 2631 of the Code, to the extent that it shall not have been allocated (or deemed allocated) by me during my lifetime, in such manner as they, in their absolute discretion, shall determine.

(t) In no event shall any trust hereunder continue longer than the maximum term allowable under Florida law (or any other state that may govern the provisions of my Will) in effect at the time of my death, and any trust then still in effect hereunder shall thereupon terminate and the then principal thereof shall be distributed absolutely to the beneficiary thereof.

(u) Every Personal Representative and Trustee hereunder, original and substitute, shall be chargeable only with said fiduciary's own respective receipts or acts, and shall not be liable for any loss or damage occurring hereunder without said fiduciary's willful default or deliberate wrongdoing, unless such loss or damage be occasioned by a violation of an express provision of this Will, and shall not be liable to my estate or any person beneficially interested hereunder for any loss or depreciation which may arise from any investment retained or made in accordance with the provisions of this Will or which may be occasioned by the exercise of any discretion authorized herein, whether such investment be continued or made in accordance with or in disregard of recommendations obtained as above provided.

(v) Wherever the context permits, the words "Personal Representatives" or "Trustees" shall be deemed to include "their survivor or survivors, successor or successors."

(w) To the extent permitted by law, none of the beneficiaries hereunder shall have the power to convey, anticipate, assign, encumber or in any way dispose of any part of the income or principal of their respective trust funds, nor shall said principal or income be in any way or in any amount answerable or chargeable with their duties, obligations, judgments or claims however arising, nor shall said principal or income be

taken or reached by any legal or equitable process in satisfaction thereof, it being my intent, so far as the law allows, to make said trusts what are commonly known as "spendthrift trusts."

(x) In determining whether or not to exercise any discretionary power to pay income or principal of my estate or any trust hereunder, my Personal Representatives or Trustees may, but shall not be required to, (1) with respect to the trusts created under Article THIRD, Article FOURTH, and subdivision (a) of Article FIFTH of this Will, take into account any other resources available to the beneficiary under consideration; (2) take into account any effect the exercise thereof may have on the respective tax liabilities of my estate or any trust hereunder and the beneficiary under consideration; and (3) consider and accept as correct any statement concerning these matters made by the beneficiary under consideration or on behalf of such beneficiary.

(y) I waive compliance by my Trustees with any law now or hereafter in effect requiring qualification, registration or accounting by my Trustees to any Court.

(z) Wherever reference is made in this Will to the "Code" it shall mean the Internal Revenue Code of 1986, as amended, and, if to any specific provision, it shall include any comparable provision of any subsequently enacted revenue law of the United States in effect from time to time.

ELEVENTH: The term "descendants" as used in this Will shall specifically exclude my daughter PAMELA BETH SIMON and her

descendants. Except as provided in Article SECOND of this Will, I have not made any provisions herein for PAMELA BETH SIMON or any of her descendants not out of lack of love or affection but because they have been adequately provided for.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 15 day of August, Two Thousand.
