

May 15, 2012 Alleged Signature of Eliot Bernstein. Note, in un-notarized document the date is in cursive and on the notarized document the signature is in Print make the two documents **NOT SIMILAR**. Note that E in signature for Eliot in un-notarized Crosses through the word By: and in the notarized document it does not strike through the By: making these wholly dissimilar signatures. Note, Eliot never met Kimberly Moran nor notarized any documents with her. Therefore, Moran did not just affix a stamp to the alleged original document. Moran recreated the document and added the date and the signature and forged the signatures as that is not Eliot's signature on the Notarized Document.
