Yes I understand what you have said but I do not think you are listening carefully to what I have said, in that much of these transactions can be construed as part of a larger fraud and where Spallina is involved in documents in the estate that are admitted fraudulent and alleged forged, well, anything he was directing you to do and all documents tendered by him to you, are suspect at this time. Further, that both you and I were led to believe that Spallina would be replacing and replenishing the SCHOOL trusts that were used at his direction to pay living expenses and now that he is not living up to that unless I participate in fraudulent transactions in the estate, well you best work out with him these problems. There are also problems with his statements to the court regarding the transfer of the Legacy account and more to Oppenheimer that may indicate further fraud. Also, it was discovered at the hearing that Ted was not the trustee to the estate of Shirley as he claimed, as none had been elected since SIMON died as the PR and Trustee and no one informed the court of his death and filed documents as if he were alive so no successors were ever granted Letters and therefore any transfer of fiduciary to Ted or Spallina with this knowledge seems a breach of fiduciary duties and trust. I also recommended to you that you seek a court order for what you were doing with Spallina and Ted in attempting to close the accounts and transfer fiduciary titles and management titles and more and I have not signed any release papers until these matters can be rectified. Have you informed your legal department of the massive fiduciary liabilities that may result from these actions and do you have a contact for me to notify them as I do not think the legal department for Oppenheimer is copied on this email?

Again, as I do not have control over any of these accounts or trusts or Bernstein Family Realty LLC that you were in charge of as alleged trustee for my children, well, all I can say is that between the parties handling these trusts and matters as trustees or any other fiduciary role presumed, I would suggest you figure out together how to now protect the minor beneficiaries you have exposed to massive immediate life threatening risks and foreclosure (from incompetence and false statements to a note holder) in order to fulfill your fiduciary obligations legally and protect the beneficiaries you have exposed.

Please let me know as soon as possible regarding the requested information herein. Eliot

Eliot,

As I have told both you and Candice previously, there are no funds available in the boys' Trusts to pay any expenses. The only assets that remain in the Trust are the shares of Bernstein Family Realty LLC and LIC Holdings, neither of which are

liquid assets. I have been informed that no further funds will be coming to these Trusts and new Trusts will be set up for the boys once the Estate administration of your parents is allowed to proceed.

Please make other arrangements for the payment of these invoices.

Subject: EMERGENCY OCTOBER Bernstein Expenses and Reimbursements

Hi Janet and Hunt ~ I have attached in the pdf file the list of all the monthly bills and expenses for the children and invoices and receipts for each to be paid by the trustee of the three children's trust and Manager of Bernstein Family Realty LLC, which I believe is still you, I have received no paperwork to show any changes. The total amount we paid was \$5,966.20 for reimbursement and there is now \$27,000.39 outstanding bills that must be paid immediately in certain cases some are due within 72 hours (see report attached notes section on first page). As we are unclear of who is now in charge of the trusts and the LLC and how the changed occurred or why, please make sure that these get paid by whomever you designated and however you designated them, as far as I am concerned Oppenheimer still appear as the trustee and manager. I have sent you transcripts of a probate court hearing whereby SPALLINA and TED were told by the Judge that he should read them their Miranda Rights, based on the admitted and acknowledged crime of fraudulently notarized and forged documents in the estate, a fraud on the Court whereby my father Simon, who was deceased, notarized documents and closed an estate months after he passed. In light of this and the fact that you sent me unsigned trust agreements repeatedly and court orders on certain of the accounts authorizing Oppenheimer that are improperly notarized, well it is all starting to look a bit suspicious of what is going on. Further, we were contacted by Walt Sahn who has been owed interest on the home owned by Bernstein Family Realty LLC that you allegedly are Manager for and that has not been paid for months while you were in charge (similar to months that you let the home go without homeowners insurance, especially in light of Mr. Sahn's loan with Bernstein Family Realty LLC, forcing this man to get counsel and begin to foreclose on the home for interest unpaid and no one at Bernstein Family Realty LLC responding to his repeated oral and written demand for payment on his loan. As you can see from his letters attached from Mr. Sahn in the bill section of the attached PDF file he has been trying to get paid by SPALLINA and TED who claim instead to be Bernstein Family Realty LLC trustees for now several months to him, which contradicts your claim and it appears bizarre that you as trustee are not in possession and knowledge of this impending foreclosure and loan on the LLC you manage for the 3 minor children, all this appears furthered by your mismanagement as trustees. The other issues about using these school trust funds to pay living expenses until Spallina was to replenish and replace any funds and then your abandoning them when Spallina refused to repay the trusts seems also careless mismanagement but may also be construed as Willful, Wanton, Reckless, and Grossly Negligent behavior in disregard of law by alleged fiduciaries of the trusts, managers of the LLC and trust and LLC counsel. I am presuming that since you are taking orders from Spallina for unknown reasons in using the children's school trust funds that Tescher and Spallina P.A. authorized that you are also using them as your counsel in these matters, as they have authorized and directed you according to your letters on how to spend and manage the funds, etc. Since these bills are now coming past due from this month and last month and the refusal to replenish and replace them is causing a CRISIS, if these problems are not rectified instantly by the trustees of the trusts and managers of Bernstein Family Realty LLC, which until an unknown time was Oppenheimer we

will have to notify the Courts and criminal authorities of your further involvement in attempting to bleed these funds and leave three minor children without SCHOOL, LIVING EXPENSES and MORE based on your actions and in conjunction with Spallina and Ted Bernstein that are suspect and perhaps criminal. Please let me know instantly what your intent is.

Thanks, Eliot

Dear Clint and CANDY (CANDACE),

As we discussed on Friday evening, my calling you makes me very uncomfortable. This situation would never have transpired had Si not passed away.

You expect that he paid the taxes Renewal interest as of June 2012. The hand-written letter to Ted is self-explanatory & forwarded the enclosed to him in early June, 2013. He told me he would refer everything to Spallina & Tescher (Sp?). We've heard nothing. Our attorney, John Cappeller, has left two phone messages of inquiry asking in essence, what they are doing to honor this mortgage terms. Apparently nothing!

For your edification, I've instructed Dr Cappeller to take no action until we see if there is any movement on their part to honor the mortgage terms. What is a shame is that your mom put \$90,000+ of renovations into your home & now this insane greedy intrafamilial in-fighting is occurring. I feel very badly for you both & for your family. Si & Shirley would be mortified.

Eventually, you have to take some action; however, it won't happen until you give you a "heads-up" before doing so. I hope you get your problems legally resolved. What a bitch you're going through!

Best regards & wishes,

Dear Ted,

We hope that you, Debra and your family are all doing well and that all of your kids are striding forward in their academic and/or vocational pursuits. Several must be graduated from College by now.

If you'll recall, we spoke one evening before the election re: what I was to do going forward in the protocol to be followed in future mortgage Renewals between us (Walt and Pat) and Bernstein Family Realty, LLC.

At that time, you told me that all financial matters are now handled by the attorneys for the Shirley and Simon Bernstein estates. Do I still send the mortgage note Renewal to you AND, then, you'll send it on to the estate Representative? I'll presume that this is the case.

This is the next to - last Renewal statement that will be sending. Next year, if not sooner, will like to have the balloon payment plus any accrued interest paid in full. Do you feel that Elliott and Candy will be able to obtain a mortgage if necessary? It was originally Li's stated intention to utilize his and your mother's personal Annual excursions payable to Candy, Elliott and their three children over two years to provide the \$110,000 to Retire the mortgage BALANCE.

Perhaps you might shed some light on this issue. Are you now the Successor "Manager" of the Bernstein Family Realty, LLC? One last request, Ted. Would you have the estate Representative mail us a copy of the current "Proof of Insurance". Thank you for your attention to this Request. Stay healthy!

Best wishes,

Walt

RE: SECOND ANNIVERSARY of MORTGAGE AND PROMISSORY NOTE AMENDMENT ON RESIDENCE AT 2753 N.W. 34th St., Boca Raton, FL Effective June 19, 2013.

Dear Sirs

Referencing the amendment to the original note, we offer the (3) options:

- 1) Pay the Loan balance of \$110,000 + (1) one year's interest (\$110,000 X .035 = \$3850 = \$113,850);
- 2) Pay the interest due for this renewal year only (\$110,000 X .035) = \$3850.
- 3) Pay NO (ZERO) INTEREST OR PRINCIPAL THIS YEAR AND ALLOW THE INTEREST TO ACCRUE AND COMPOUND UNTIL THE FINAL BALLOON PAYMENT IS DUE & June 19, 2014.

If you wish to pay the balloon plus interest prematurely, I'll direct our attorney, John Cappella, who prepared the mortgage amendment, to draw up a "Satisfaction of Mortgage" document. Would you please check the box that represents the option that you are currently choosing, sign it and return a copy to us in the enclosed, self-addressed, stamped envelope? Hello Josh,

My name is Noah Miller and I am the head coach of the Israel Lacrosse U-19 program. You have been recommended to me as a player who would be a great addition to our program. I would like to discuss this opportunity in greater detail, in which you will have the chance to play against two European national teams, tour Israel, and visit Jewish sites in two countries.

Please let me know if you would like to discuss this opportunity. We need to speak ASAP to reserve your spot on the roster. Call me or we can schedule a time to talk.

Sincerely,

Coach Noah Miller

Noah Miller, MS

Dear Parent,

The Federation of International Lacrosse has encouraged us to compete in several international events as the worldwide lacrosse community prepares for the 2014 Men's World Lacrosse Championships next July in Denver, Colorado.

While our Senior team will be participating in many of these tournaments, the Israel Lacrosse Association will be dispatching our first ever Israel U-19 National Team to compete in an event in Warsaw, Poland this winter. The team, which will be comprised of both Jewish-American and Israeli players, will train for one week at the Wingate Institute for Sport – Israel's Official Olympic training facility in Netanya – before traveling to compete against the Slovakia and Poland men's national lacrosse teams.

During training camp, the team will visit Israeli sites such as Masada, the Dead Sea, Yad Vashem, and the Western Wall. They will teach lacrosse to young Israeli athletes, as well as play as a loaner for either the Jerusalem or Tel Aviv club team. Your son will also receive high-level instruction from players and coaches of the Israel Senior National Team, including Jewish MLL pros such as Jake Deane, Casey Cittadino and Adam Crystal.

We are able to offer a participant package which includes all housing, transportation (including group flight from New York to Warsaw/Tel Aviv), food, apparel (including Israel and club team uniforms, team helmet, gloves, and more), touring, insurance, and intangibles for \$4,000 USD. While we understand this is a significant expense, we are in the process of developing several fundraising programs to help alleviate the cost. That being said, we do not receive any government support, and thus the expense for this trip must be 100% self-funded.

I have included a copy of the trip itinerary on the next page. Please note the Israel Lacrosse Association is a 501(c)3 non-profit organization in New York State, and all financial contributions made in support of the Israel U-19 team are tax deductible.

Please do not hesitate to contact me if you have any questions, and let me know if you would like to set up a call to discuss this opportunity further.

Thank you,

Noah Miller

Eva Shafer (National Invitational 175) sent you a message.

CONGRATULATIONS

We are very pleased to tell you that you have been selected and are being invited to the National Invitational 175 Summer Showcase on July 28 -30th, 2014 being held in upstate NY at the college campus of RPI in Troy, NY. The overall demand for the summer 2014 showcase has been tremendous and we have been very pleased with the interest shown for this lacrosse recruiting showcase.

We believe that the opportunity to showcase your skills in front of many of the top college lacrosse coaches in the country will be a great experience for each player attending and we are excited to be able to offer you this opportunity. This past summer, we had a great coaches' turnout. While we cannot guarantee who will be there this upcoming summer, you can certainly review which coaches attended last summer, listed on our website. Internally, we believe that 2014 will offer an even greater turnout, now that we have established over the past 2 years that we have many of the strongest student athletes in the country seeking to attend this showcase.

Below is a link that will allow you to register and pay to confirm your spot at the showcase. This invitation, however, is NOT open for an infinite or long period of time. As mentioned on our website, you will have 72 hours to go to the website and sign up.

After that period, you may forfeit your spot. We sincerely want everyone invited to attend but we cannot hold open a spot, if you are not accepting, within this timeframe. As you can imagine, there are a great many players who genuinely want to attend and are highly skilled, but the decision process resulted in you being selected. It is our hope that you register and sign up in the allotted time period.

Players attending will receive "stuff." We would encourage you to go to that section on the website titled, "What Will Attending Players Receive?" to see what players will receive.

Once again CONGRATULATIONS ON BEING INVITED AND WE LOOK FORWARD TO SEEING YOU THIS SUMMER.
