WILL OF

SIMON L. BERNSTEIN

I, SIMON L. BERNSTEIN, of Palm Beach County, Florida, hereby revoke all my prior Wills and Codicils and make this Will. I am a widower, but in the event that I marry subsequent to the execution of this Will, I specifically make no provision for my spouse. My children are TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN.

ARTICLE I. TANGIBLE PERSONAL PROPERTY

I give such items of my tangible personal property to such persons as I may designate in a separate written memorandum prepared for this purpose. I give to my children who survive me, divided among them as they agree, or if they fail to agree, divided among them by my Personal Representatives in as nearly equal shares as practical my personal effects, jewelry, collections, household furnishings and equipment, automobiles and all other non-business tangible personal property other than cash, not effectively disposed of by such memorandum, and if no child of mine survives me, this property shall pass with the residue of my estate.

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

Under Subparagraph E.I. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "Shirley Trust"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "Existing Trust"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." The residue shall be added to and become a part of the Existing Trust, and shall be held under

the provisions of said Agreement in effect at my death, or if this is not permitted by applicable law or the Existing Trust is not then in existence, under the provisions of said Agreement as existing today. If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

ARTICLE IV. PERSONAL REPRESENTATIVES

- 1. <u>Appointment and Bond</u>. I appoint ROBERT L. SPALLINA and DONALD R. TESCHER to serve together as my co-Personal Representatives, or either of them alone as Personal Representative if either of them is unable to serve (the "fiduciary"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.
- 2. <u>Powers of Personal Representatives</u>. My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:
- a. <u>Investments</u>. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "estate"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.
- b. <u>Distributions or Divisions</u>. To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.
- c. <u>Management</u>. To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.
- d. <u>Borrowing</u>. To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the

- e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.
- f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.
- g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.
- h. <u>Claims</u>. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.
- i. <u>Business Entities</u>. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "Business Entities"). I vest the fiduciary with the following powers and authority in regard to Business Entities:
- i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;
- ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the

operation and may delegate all or any part of its power to supervise and operate to such person or persons as the fiduciary may select, including any associate, partner, officer or employee of the Business Entity;

- iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;
- iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities:
- v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;
- vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;
- vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;
- viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorised and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and
- ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.
- j. <u>Life Insurance</u>. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

An

- k. <u>Reimbursement</u>. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.
- I. <u>Voting</u>. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

- 3. <u>Survivorship.</u> A beneficiary is not deemed to survive me unless he or she survives me by five days.
- Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Article 1 of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs. If the amount of the above-described taxes, and interest and penalties arising by reason of my death (without regard to where payable from under the terms of this paragraph or applicable law) is increased because of the power of appointment granted to me under Subparagraph II.E.1. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, I hereby appoint to my probate estate from the property subject to such power (to the extent allowable under such power) the amount of such increase (calculating such increase at the highest applicable marginal rates) and exercise such power to this extent only, and notwithstanding the other provisions of this paragraph further direct my fiduciary to make payment of such increase in taxes,

interest and penalties to the appropriate taxing authorities from the appointed property or the proceeds thereof. Any trustee holding such appointive property may pay to my fiduciary the amount which my fiduciary certifies as due under this paragraph and is not responsible for the correctness or application of amounts so paid.

- 5. Reimbursement for Debts and Expenses. My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.
- 6. Expenses of Handling Tangible Personal Property. All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.
- 7. <u>Dealing with Estate</u>. Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.
- 8. <u>Spouse</u>. The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.
- 9. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

- e. <u>Lending</u>. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

I vest the fiduciary with the following powers and authority in regard to Business Entities:
- i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;
- ii. To control, direct and manage the Business Entities. - iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right

to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

- v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;
- vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;
- vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;
- viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorised and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and
- ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.
- j. <u>Life Insurance</u>. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.
- k. <u>Reimbursement</u>. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.
- I. <u>Voting</u>. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.
 - m. Ancillary Administration. To appoint or nominate, and replace with or without

cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

- n. <u>Tax Elections</u>. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.
- 3. <u>Survivorship.</u> A beneficiary is not deemed to survive me unless he or she survives me by five days.
- Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Articles I and II of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs.
- 5. Reimbursement for Debts and Expenses. My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.
- 6. Expenses of Handling Tangible Personal Property. All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.
- 7. <u>Dealing with Estate</u>. Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

- 8. <u>Spouse</u>. The term "spouse" herein means, as to a designated individual, the person to whom that individual is from time to time married.
- 9. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.
