COMES NOW, Eliot Ivan Bernstein (“Petitioner”), as Beneficiary and Interested

and Trustee, PRO SE¹, and hereby files this his Motion to (I) STRIKE ALL PLEADINGS OF MANCERI AND REMOVE HIM AS COUNSEL; (II) FOR EMERGENCY INTERIM DISTRIBUTIONS AND FAMILY ALLOWANCE; (III) FOR FULL ACCOUNTING DUE TO ALLEGED THEFT OF ASSETS AND FALSIFIED INVENTORIES; (IV) NOT CONSOLIDATE THE ESTATE CASES OF SIMON AND SHIRLEY BUT POSSIBLY INSTEAD DISQUALIFY YOUR HONOR AS A MATTER OF LAW DUE TO DIRECT INVOLVEMENT IN FORGED AND FRAUDULENTLY NOTARIZED DOCUMENTS FILED BY OFFICERS OF THIS COURT AND APPROVED BY YOUR HONOR DIRECTLY; (V) THE COURT TO SET AN EMERGENCY HEARING ON ITS OWN MOTION DUE TO PROVEN FRAUD AND FORGERY IN THE ESTATE OF SHIRLEY CAUSED IN PART BY OFFICERS OF THE COURT AND THE DAMAGING AND DANGEROUS FINANCIAL EFFECT IT IS HAVING ON PETITIONER, INCLUDING THREE MINOR CHILDREN AND IMMEDIATELY HEAR ALL PETITIONER'S PRIOR MOTIONS IN THE ORDER THEY WERE FILED dated January 02, 2014 and in support thereof states, on information and belief, as follows:

BACKGROUND

1. That first off, Judge Martin Colin may not be able to review these Motions herein, including requests for Emergency Hearings to be scheduled immediately, as possible

¹ Pleadings in this case are being filed by Plaintiff In Propria Persona, wherein pleadings are to be considered without regard to technicalities. Propria, pleadings are not to be held to the same high standards of perfection as practicing lawyers. See Haines v. Kerner 92 Sct 594, also See Power 914 F2d 1459 (11th Cir1990), also See Hulsey v. Ownes 63 F3d 354 (5th Cir 1995). also See In Re: HALL v. BELLMON 935 F.2d 1106 (10th Cir. 1991)."

In Puckett v. Cox, it was held that a pro-se pleading requires less stringent reading than one drafted by a lawyer (456 F2d 233 (1972 Sixth Circuit USCA). Justice Black in Conley v. Gibson, 355 U.S. 41 at 48 (1957)"The Federal Rules rejects the approach that pleading is a game of skill in which one misstep by counsel may be decisive to the outcome and accept the principle that the purpose of pleading is to facilitate a proper decision on the merits." According to Rule 8(f) FRCP and the State Court rule which holds that all pleadings shall be construed to do substantial justice.

Disqualification of Judge Colin is asserted in Motion for valid legal reasons under law and it would appear improper under law for a Judge to adjudicate his own Disqualification Motion. As Emergency Hearings due to life threatening situations thrust upon Petitioner by Fiduciaries and Counsel in these matters, who have been proven to have committed criminal acts in and upon this Court and the Beneficiaries as fully defined herein and in prior unheard Motions and Petitions filed by Petitioner since May 2013 and largely unheard by this Court, ruling on these Motions herein must be had by NON CONFLICTED justices of the Court who are not involved in the nexus of events defined herein. That Petitioner is requesting this Court take Judicial Notice of the criminal acts proven of Officers of the Court and others and make on its own Motion an EMERGENCY HEARING FOR EMERGENCY RELIEF to Petitioner and his three minor children, which would have to be heard in a timely fashion as Emergencies.

2. That Petitioner prudently filed all of the following Motions and Petitions in the Estates of Shirley and Simon timely since May 2013 that remain largely unheard in particular to each Motion within the pleadings and languishing before the courts of Judge French and Your Honor and that have not been responded to by several of the Respondents since May 2013 and may impart their default as well;

NOTE: All pleading listed in items (i-xiv) above filed in each of the state and federal courts listed above are hereby incorporated by reference in entirety, including but not limited to inclusion of, ALL motions, petitions, orders, etc. in each case, as they all relate to the same

nexus of events in the Estates of both Simon and Shirley.

4. That in the aforesaid Petitions and Motions, relating to both Simon and Shirley's Estates and Trusts, Petitioner prayed to the courts already in numerous prior pleadings for numerous legally valid reasons to Freeze the Estates of both Simon and Shirley, Remove the Personal Representatives, Trustees and Counsel and Determine the Beneficiaries on various grounds, including but not limited to, alleged and proven now criminal activity evidenced in the Petitions and Motions. Petitioner sought proper and just relief in each and awaits this Court to hear each Motion in particular in the order they were filed.

5. That Petitioner requests this Court consider all the allegations, evidence and reliefs sought in the prior Petitions and Motions filed by Petitioner since May 2013 in particular and now consider each Motion contained in each pleading, in light of the new and damning **ADMITTED AND ACKNOWLEDGED CRIMINAL FELONY ACTS, INCLUDING BUT NOT LIMITED TO, SIX FORGERIES, SIX NOTARY PUBLIC FRAUDS, FRAUD ON THIS COURT AND FRAUD ON THE BENEFICIARIES AND INTERESTED PARTIES COMMITTED BY ATTORNEYS AT LAW ACTING AS OFFICERS OF THIS COURT, FIDUCIARIES OF THE ESTATE AND OTHERS.**

6. That Kimberly Moran ("Moran") was arrested and ADMITTED FORGERY, including a document FORGED and FRAUDULENTLY NOTARIZED POST MORTEM for Simon filed in Shirley's Estate and one FORGED and FRAUDULENTLY NOTARIZED for Petitioner by Moran. Moran was employed at the time of her criminal acts and supervised by Respondent Tescher & Spallina, P.A. and worked directly as legal assistant / notary public to Respondents Spallina and Tescher. The documents were wholly created by Moran with Forged

Signatures and Fraudulent Notarizations. That to focus on Moran's six Waivers that were FORGED AND FRAUDULENTLY NOTARIZED for six separate documents on behalf of six separate people is to miss the forest from the trees, as her crimes are only a fraction of the alleged crimes taking place, using a larger series of alleged Fraudulent and Forged documents in the Estates of Simon and Shirley to attempt to change the Beneficiaries POST MORTEM and Moran's documents are small part of them.

7. That evidence now exists that Moran made perjurious statements and false official statements to investigators that contradict her own story of how and why she committed the crimes. Statements made to two separate state investigatory agencies, the Notary Public Division of Governor Rick Scott and the Palm Beach County Sheriff. That Moran's attorney, David Roth of the law firm of Roth and Duncan made a further conflicting account of the reasons for her crimes to this Court in the Evidentiary Hearing held on October 28, 2013 before Your Honor, as will be discussed in greater depth herein.

8. That Spallina and Tescher and others then used these FORGED and FRAUDULENT documents knowingly and with intent, along with other alleged FORGED and FRAUDULENT documents not done by Moran and filed them as part of the record in official proceedings while acting as Officers of this Court and Judge French's court in Simon's Estate. These documents when put together were then all used to illegally seize Dominion and Control of the Estates and the Fiduciary roles and attempt to change the Beneficiaries of Shirley and Simon's Estates Post Mortem and to begin looting the Estates. The documents done not by Moran are currently under ongoing investigation with authorities.

9. That a Post Mortem Simon achieved all of the following acts in Shirley's estate as if

he were alive from his date of death of September 13, 2012 through January 2013, by positing Court documents ILLEGALLY filed for him as if alive and in the present by Tescher and Spallina in an official proceeding, perpetrating a ongoing and continuing Fraud on the Court and Fraud on the Beneficiaries.

10. That Tescher and Spallina, then concealed from Your Honor's Court that Simon had deceased and Spallina and Tescher failed intentionally to notify the Court that he was dead and elect a successor Trustee and Personal Representative to legally close the Estate and instead continued to file documents illegally to close the estate with Simon who was deceased. They allegedly needed Simon to appear alive when he then tried to change Shirley's beneficiaries once the Estate was closed and again it is important to note that these are separate and distinct criminal acts from those of the ones committed by Moran while employed by Tescher & Spallina, P.A. and instead were directly committed by the Attorneys at Law, Tescher, Spallina and Manceri, all part of an ongoing Pattern and Practice of Fraud on the Court and Fraud on the Beneficiaries. Simon was deceased on September 13, 2012, yet achieved all the following POST MORTEM, as if he were alive and acting as Personal Representative until the Estate was illegally closed in January 2013 by a dead Personal Representative:

OFFICIAL DOCUMENTS FILED WITH THE COURT AND ACTS DONE WHILE

SIMON "SERVED" ILLEGALLY AS PERSONAL REPRESENTATIVE WHILE

DEAD²

² That this listing of items was filed in previous pleadings was filed with incorrect information in the list as to who filed the documents and more and this was due to Petitioner only learning of the Fraud on the Court and these documents in the September 13, 2013 hearing when they were exposed by Your Honor. Thus, Petitioner based

- i. On 24-Oct-2012, Simon while deceased acted as Personal Representative and filed an AFFIDAVIT/STATEMENT RE: CREDITORS, filed by Tescher and Spallina as if Simon were alive and submitting the document as an Affidavit on this date of October 24, 2012. Petitioner alleges that this document is FORGED and FRAUDULENT. This document was alleged signed on April 09, 2012 and not deposited with the Court until October 24, 2012, after his date of death. The document is signed by Spallina as Simon's counsel for a dead Personal Representative Simon, knowing he was dead and that Simon could not serve anything legally. Further, Petitioner alleges Spallina and Tescher failed to notify the Court that Simon was dead and could no longer "serve" as Personal Representative and that this was done with intent and scienter.
- ii. On 24-Oct-2012, Simon while deceased acted as Personal Representative and filed a PETITION FOR DISCHARGE, filed by Tescher and Spallina as if Simon were alive and submitting the Petition on this date alive and in the present. Where almost all of the alleged statements made by Simon under penalty of perjury in this Petition are false, making it further suspect on the date the document is allegedly signed on April 09, 2012 months prior to positing it with the Court on October 24, 2013 when Simon was already dead. Petitioner alleges this document is Forged and Fraudulent, as there are many problems with the voracity and factual accuracy of the statements made by Simon in the Petition, as virtually every statement made under penalty of perjury on that date of April 09, 2012 when he allegedly signed the document are proven untrue. One instance of these alleged perjurious statements is that Simon allegedly claims in the Petition that he has all the Waivers for the Beneficiaries and Interested Parties, yet his daughter Jill Iantoni ("Iantoni") did not sign and return a Waiver until October 2012 after Simon was dead. How therefore could Simon claim in April 2012 that he had all the Waivers at any time when he was alive, as Iantoni's was never returned while he was alive? At no time while living did Simon have all the Waivers and this document appears wholly Forged and Fraudulent or Simon was committing major perjuries in his sworn, under penalty of perjury, claims in the estate documents of his beloved wife's estate. Spallina and Tescher knew Simon never had all the Waivers while alive as he was desperately concerned that Iantoni had not sent hers back after Simon's death, yet filed this perjurious statement with the Court acting as Simon's counsel when they also knew he was dead.
- iii. On 24-Oct-2012, Simon while deceased acted as Personal Representative and allegedly filed a WAIVER OF ACCOUNTING AND PORTIONS OF PETITION FOR DISCHARGE; WAIVER OF SERVICE OF PETITION FOR DISCHARGE; AND RECEIPT OF BENEFICIARY AND CONSENT TO DISCHARGE, allegedly filed by

information off the docket but upon getting and examining the documents it was learned that some of the prior statements were wrong and have been corrected herein after review of the documents and therefore any reference prior to this list should be replaced with this Amended version.

Simon on October 24, 2012 POST MORTEM with the Court acting as Personal Representative while factually dead. It is alleged that this is a FORGED and Fraudulent document created Post Mortem for Simon and was never filed and docketed with Judge Colin's court while Simon was alive, as this document filed Post Mortem was rejected as it lacked a NOTARIZATION per this Court's rules.

- iv. On 24-Oct-2012, Simon while deceased acted as Personal Representative and filed a NON-TAX CERT /RECEIPT/AFFIDAVIT of No Florida Estate Tax Due filed by Tescher and Spallina as if Simon were alive and acting as Personal Representative while deceased. Again, this document is posited with the Court by Simon acting as Personal Representative on Oct 24, 2012 POST MORTEM. That this may in fact be evidence of Tax fraud if the document is found to be further fraudulent.
- v. On 24-Oct-2012, Simon while deceased acted as Personal Representative and filed a PROBATE CHECKLIST and allegedly this Closing Document is Dated Feb 15, 2012 but not filed until October 24, 2012 when again Simon is still dead. The document is filed by Spallina and docketed with Simon listed as Personal Representative on the date the document was filed with the Court on October 24, 2012 when Simon was dead, yet filed as if Simon were alive and acting as Personal Representative. This PROBATE CHECKLIST closing document is dated February 15, 2012 almost a year before the closing of the Estate on January 03, 2013, yet it is not docketed by the Court until October 24, 2012 and signed by what appears to be Spallina's signature, but in an unidentified capacity with no name or title under the signature. Further, this Checklist done in February 2012, filed on October 24, 2013 and used to close the Estate almost a year later in January 2013 is void as it is not a properly completed Checklist at the time it was filed on October 24, 2012 as required by Probate Rules and Statutes. The Checklist is wholly missing docketed items filed from October 24, 2013 forward and therefore the Petition to Discharge filed October 24, 2013 shall not be reviewed by the Court according to Florida Probate Rules and Statutes as it was an intentionally an incomplete Checklist, which purposely hid the Waiver documents filed and other Fraudulently filed documents from this Court and the Beneficiaries and should have been on the closing Checklist. Further, Spallina knowing no successors PR's were elected to the Estate and Letters were not issued to a successor personal representative, due to Spallina and Tescher's Fraud on the Court. Therefore their acts done as counsel in this document were done for a dead PR Simon and Spallina listed Simon as PR on this Checklist he filed with the Court on October 24, 2012, while failing to notify the Court his client was dead on this date and therefore could not be the Personal Representative.
- vi. On 19-Nov-2012, Simon while deceased acted as Personal Representative and filed an alleged replacement and BRAND NEW SIGNED AND NOTARIZED, WAIVER OF ACCOUNTING AND PORTIONS OF PETITION FOR DISCHARGE; WAIVER OF

SERVICE OF PETITION FOR DISCHARGE; AND RECEIPT OF BENEFICIARY AND CONSENT TO DISCHARGE. **PROBLEM IS THAT IT WAS SIGNED FOR HIM THROUGH NOW PROVEN FORGERY AND THEN FRAUDULENTLY NOTARIZED FOR HIM AND ALL DONE POST MORTEM AND ON A WHOLLY CREATED FROM WHOLE CLOTH DOCUMENT DONE BY MORAN.**

That this was a NEW Waiver filed again by Simon acting as Personal Representative while dead to replace the Waiver that was filed with the Court on October 24, 2012 when he was dead and was rejected on November 06, 2012 by the Court. This New and Improved Waiver was then amazingly notarized in November 2013 for Simon while he was still dead, yet the Notary Moran pre dated her Notary Statement to April 09, 2012 on a document dated April 09, 2012, even though it was alleged signed and notarized sometime in November 2012 after the Court sent it back demanding a new notarized Waiver from the deceased Simon and others. This new Waiver was Forged for and Fraudulent Notarized for a dead man and it uses dates in the past as if in the present and was filed with the Court a second time for Simon illegally for him while acting as Personal Representative while dead. Simon filed five other WHOLLY FORGED AND FRAUDULENTLY NOTARIZED WAIVERS for his five children on this date while dead, ALL FORGED and FRAUDULENTLY NOTARIZED from scratch by Moran and filed by Tescher and Spallina for Simon acting as Personal Representative as if he were alive, now in November 2012 two months Post Mortem and still Spallina and Tescher never notify the Court Simon is dead and legally elect a Successor Personal Representative to replace him and close the Estate legally.

- vii. On 03-Jan-2013, Judge Colin signed an ORDER OF DISCHARGE that in part states, “On the Petition for Discharge [Petitioner showed above in (iv) to be invalid for lack of a proper Probate Checklist and showed it would have contained absolute fraudulent and perjured statements of Simon as shown in (ii) above] of Simon Bernstein as personal representative [meaning according to Judge Colin in the September 13, 2013 hearing Simon in the present as alive on the date Judge Colin is signing the Order on January 03, 2013, where Simon still was deceased] of the Estate of Shirley Bernstein, deceased.” That the Order of Discharge’s date is also scratched out on the document and changed from January 3, 2012 to January 3, 2013 and the handwritten change to the date has no marking or initials of who altered the document, which will need to be clarified through deposition of all those involved in this documents preparation, filing with the Court and signor, including but not limited to Judge Colin who signed the document.
- viii. On 03-Jan-2013, Judge Martin Colin signed a FINAL DISPOSITION SHEET in part based on FORGED AND FRAUDULENTLY NOTARIZED DOCUMENTS to close

the estate of Shirley, in part on a Checklist that was not proper, in part on a Petition for Discharge that fails and more.

11. That these documents are alleged part of a larger series of fraudulent documents than those Forged and Fraudulently Notarized by Moran taken alone and were used to facilitate and work with together with these other documents and now Moran has been arrested we can move on to the other multitudes of alleged criminal acts committed by others, including but not limited to, further alleged Document Forgeries and Fraud, Insurance Fraud, Creditor Fraud, Theft of Assets of the Estates, Real Estate Fraud, Fraud on the Probate Court, Fraud on a Federal Court, Identity Theft of a Decedent, Mail and Wire Fraud and Violations and Breaches by the Fiduciaries and Counsel acting in the Estates of Simon and Shirley of virtually all of their legally required duties to the Beneficiaries and Interested Parties, all in violation of multitudes of Probate Rules and Statutes, Attorney Conduct Codes and State and Federal Law. These alleged crimes were committed by others, not just by Moran but instead mainly by Theodore and his close personal friends and business associates, Spallina and Tescher et al., the acting alleged fiduciaries and counsel of the Estates to this point.

12. That due to the Proven and Admitted Felony acts already exposed and being prosecuted, the ongoing alleged criminal acts taking place with the Estates assets, the fact that Spallina and Tescher are responsible not only for their alleged criminal acts involving Fraud on this Court and the Beneficiaries but are wholly liable for the FELONY acts of Moran of FORGERY and FRAUDULENT NOTARIZATIONS, is just cause for all of the fiduciaries of the Estates and Trusts and counsel thus far be immediately removed, reported to the authorities and sanctioned by this Court. This disqualification and removal is further mandated now as

Theodore, Spallina, Manceri and Tescher all have absolute and irrefutable Adverse Interests now with Beneficiaries and Interested Parties, especially Petitioner who is attempting to have them prosecuted further for their crimes and jailed and all their personal and professional assets seized through civil and criminal remedies and their reputations ruined for their criminal acts against his Mother and Father's Estates and Trusts.

13. That with evidence of PROVEN FELONY ACTS against Beneficiaries, perjury and false official statements made by Moran in official proceedings and Spallina, Manceri and Theodore all making false statements in the September 13, 2013 Hearing before Your Honor, as fully described and identified in prior pleadings unheard at this time, Petitioner now requests that ALL documents in the Estates and Trusts of both Shirley and Simon now be seized by the Court and Petitioner allowed to examine them for further evidence of FRAUD and FORGERY. In an Order, Your Honor stated you would not be considering further review of documents filed by Simon while alive and "serving" legally as Personal Representative but now even these documents are called into question based on new evidence of further criminal acts alleged and evidenced further herein that make those documents appear Fraudulent as well. Your Honor had thought these were done without a problem but this will be proven questionable herein. Those documents Your Honor doesn't exculpate from further review in the Order are those filed for Simon POST MORTEM as Personal Representative by Spallina while he was dead and Simon could not have legally "served" them on this Court and these are still needing to be investigated fully, prosecuted and then adjudicated by this Court. From all of these egregious acts of bad faith and now forever unclean hands of these Personal Representatives and Counsel involved thus far, who CANNOT EVER AGAIN be trusted by

this Court and the Beneficiaries and therefore all of their work product in both Estates must be forensically examined and removed from the record and viewed as possibly ALL BEING CREATED AS PART OF A BIG FAT FRAUD ON THE COURT AND BENEFICIARIES in efforts to change Beneficiaries and seize illegally the Estates of Simon and Shirley and steal assets and convert them to the improper parties illegally.

14. That Spallina admitted in the September 13, 2013 that he was the Attorney at Law involved in Moran's criminal actions, in using six FORGED and FRAUDULENTLY NOTARIZED WAIVERS allegedly signed by Simon and others to illegally close the Estate of Shirley and Spallina filed these documents with the Court all Post Mortem for Simon as if he were alive and served them for him without notifying the Court he was deceased from September 13, 2012 to January 03, 2013. This is absolute irrefutable evidence of admitted criminal acts warranting not only Tescher and Spallina's arrest but their immediate disqualification and reporting by this Court to all proper criminal authorities for charges to filed against them for their admitted CRIMINAL ACTS in and upon the Court and Beneficiaries.

15. That Petitioner wonders how Your Honor can allow Spallina, Manceri, Tescher or Theodore to continue to operate in any capacity before this Court after Spallina admitted involvement before the Court in the September 13, 2013 Hearing to the criminal acts of FORGERY AND FRAUDULENT NOTARIZATIONS of his employed legal assistant and notary public, a one Kimberly Moran ("Moran"), who has been arrested by the Palm Beach County Sheriff and her Notary license revoked by Governor Rick Scott of Florida and who was arrested by the Palm Beach County Sheriff. Spallina further admitted to this Court that he, through he and Tescher's law firm, then filed a series of documents executed and deposited by

a dead Personal Representative as if alive. Petitioner claims this fraud was with intent to commit fraud upon the Court and the Beneficiaries, in order to close the Estate of Shirley and then Fraudulently attempt to the change the Beneficiaries of her estate POST MORTEM of both her and Simon. That Theodore has acted knowingly in fraudulent legal capacities and made false statements in official proceedings to this Court, as already pled in prior pleadings of Petitioner.

MOTION TO STRIKE ALL PLEADINGS OF MANCERI AND REMOVE HIM AS COUNSEL

16. That Mark Manceri, Esq. (“Manceri”) has not filed as Attorney of Record for any parties other than Tescher and Spallina personally. Manceri filed a Limited Appearance that states “on behalf of Ted Bernstein aka Theodore Bernstein [Petitioner is not sure if Theodore is legally also known as Ted Bernstein], as Successor Personal Representative [alleged Successor Personal Representative as Theodore did not have Letters issued by this Court on the date Manceri filed his pleading on October 22, 2013] of the Estate of Shirley Bernstein with respect to all matters relating to the Motion to Intervene filed by William E. Stansbury.”

17. That Manceri filed another Limited Appearance which states “on behalf of Ted Bernstein aka Theodore Bernstein [Petitioner is not sure if Theodore is legally also known as Ted Bernstein], as Successor Personal Representative [alleged Successor Personal Representative as Theodore did not have Letters issued by this Court on the date Manceri filed his pleading on October 25, 2013] of the Estate of Shirley Bernstein with respect to the Hearing to be held on October 28, 2013 at 4:00 p.m.”

18. That the present Notice of Hearing filed by Manceri is a bit tricky to unravel as to his misrepresentations as the Motion/Matter listed is for a status hearing on a “Motion to Transfer and Consolidate” and where the Motion to Transfer and Consolidate sent to the Court with the Notice of Hearing is a Motion to Transfer and Consolidate filed in Judge French’s court.

19. That the Motion to Transfer and Consolidate by Manceri in Judge French’s court was filed by Manceri acting as alleged counsel for Co-Personal Representatives Spallina and Tescher, whom Manceri is not Attorney of Record for in that case at the time he filed the Motion on December 12, 2013 or even as of today January 02, 2014. Robert Spallina is the only Attorney of Record for Co-Personal Representatives Tescher and Spallina, further invalidating the pleading filed by Manceri in Judge French’s court and this present Hearing, which is predicated on the hearing for Motion to Transfer and Consolidate that was cancelled in Judge French’s court on December 24, 2013, without notice to Petitioner and screwing up his wife and her mother visiting from out of town’s Christmas plans instead preparing for the hearing only to show up to a closed courthouse at 8:45am, you’ve got to hand it to them for wasting more time of Petitioner and his family on Holiday break. The notice that the hearing was cancelled was not sent to Petitioner until the day before the hearing and did not get delivered to him until days after the cancelled hearing.

20. That Manceri filed a Notice of Appearance to represent Spallina and Tescher in their individual capacity **only** in these proceedings on September 11, 2013.

21. That no one appears to be representing Tescher and Spallina as Respondents in their professional capacities at any of the Hearings and they were listed as Respondents both

Personally and Professionally and therefore in their Professional capacity they have defaulted.

22. That Respondent Tescher & Spallina P.A. has similarly not been represented as a Respondent or filed responses to any pleadings filed by Petitioner and therefore appear to have defaulted.

23. That Manceri is now a Respondent in these matters in three capacities (Personally, Professionally and his law firm, Mark R. Manceri, P.A.) all for good and just cause, in part due to the Excellent work of Your Honor in exposing his involvement in perpetrating and attempting to cover up the criminal matters in the September 13, 2013 Hearing, leading to Your Honor's Miranda Warning statement to him and others and where despite Your Honor later stating Manceri may be excluded from Miranda Warnings, it has been learned after the Hearing that in the Hearing Manceri made false statements to this Court as already pled to this Court in prior Motions still largely unheard by this Court.

24. Manceri is now a listed Respondent in both his Personal and Professional capacities and his law firm of Mark R. Manceri, P.A. is also a Respondent and no one has filed a Notice of Appearance or is Attorney of Record representing Manceri Personally, Professionally or his law firm.

25. That Petitioner is unclear which capacities is he moving the Court under at hearings and in pleadings and if he is acting as counsel for himself Personally or Professionally and is he also representing his law firm or is he moving the court as counsel for Spallina and Tescher in their personal capacities or for Theodore individually or as alleged Personal Representative and Successor Trustee?

26. That other Respondents have also failed to appear or to respond to Pleadings of

Petitioner timely since May 2013 and therefore anyone who has failed to appear in person for hearings or respond to Petitions and Motions filed, either Pro Se or through counsel appear to have defaulted.

27. That Manceri should also be removed from acting before this Court in any capacity until Petitioner's prior Motions and Petitions filed in this Court since May 2013 are heard in the order they were filed and in particular to each Motion, as some of them include allegations directly against Manceri for his alleged role in perpetrating a massive FRAUD ON THE COURT and for making false statements to the Court in a Hearing on September 13, 2013 before this Court regarding the FORGED and FRAUDULENT DOCUMENTS of Moran and the Fraud on the Court in the closing of the Estate of Shirley committed by his clients Tescher and Spallina.

28. That in the September 13, 2013 Hearing before this Court, Your Honor warned Manceri, Theodore, Spallina and Tescher that Your Honor had enough evidence of their Fraud on the Court and Beneficiaries at that moment that warranted reading them their Miranda Warnings, after learning that Simon had served as Personal Representative and Trustee for four months after he was deceased and closed Shirley's Estate while dead via an admitted to Fraud on the Court to close the Estate of Shirley. All in efforts to then change the Beneficiaries of Shirley's Estate through a series of alleged Fraudulent Documents that Petitioner claims are all FORGED and FRAUDULENT and legally deficient, including an alleged 2012 Will of Simon and an alleged 2012 Amended & Restated Trust of Simon, allegedly executed SIX weeks before Simon's death with Moran and Spallina executing these Wills and Trust documents as witness. That Simon's documents then were used to try and change Shirley's Beneficiaries of

her Estate and Trusts and his own and these documents are all filed POST MORTEM FOR SIMON AND SHIRLEY and all suffer legal defects as already pled in Prior Motions of Petitioner largely unheard at this time in both courts.

29. That Spallina and Manceri in the September 13, 2013 Hearing did not inform Your Honor that Moran had committed FORGERY of SIX PEOPLE on SIX separate documents she wholly created from scratch and then affixed a Notary Public stamp on the documents she FORGED and instead continued the Fraud on the Court by continuing to attempt to Cover Up for her and their crimes in and upon this Court and the Beneficiaries and claimed in the Hearing that the documents were not forged and that she merely applied her Notary Stamp to the documents returned by the Court for Notarization and the signatures were not FORGED but signed by the parties listed, **the same story Moran made in a sworn statement to the Governor's inquiry but which she later wholly contradicted to the Palm Beach Sheriff's Office where she claimed to investigators, "MORAN STATED THAT AT THIS TIME, SHE TOOK IT UPON HERSELF TO TRACE [aka FORGE] EACH SIGNATURE OF THE SIX MEMBERS OF THE BERNSTEIN FAMILY [including one for SIMON POST MORTEM] ONTO ANOTHER COPY [wholly new document] OF THE ORIGINAL WAIVER DOCUMENT. SHE THEN NOTARIZED THEM AND RESUBMITTED THEM TO THE COURT. WHEN I INTERVIEWED HER ON 9/24/13 SHE STATED SHE DID NOT REALLY HAVE A REASON SHE FORGED [EMPHASIS ADDED] THE SIGNATURES, OTHER THAN TO MAYBE SAVE TIME.**³"

³ Palm Peach County Sheriff's Report Case No. 13097087 completed by Detective Ryan Miller.

30. That Moran has not been charged with Forgery at this time despite her admission and the fact that it wholly voids documents in the Estate and her current charges may not reflect her actual crimes as the current charges reflect her affixing a fraudulent notarization to documents that were signed by the people without their notice and used in official proceedings when in fact the documents were wholly Forged by Moran and then she affixed a Fraudulent Motarization on documents she wholly created and were not signed at all by the parties and were made wholly by Moran and not others. These matters of false official statements and perjury are being taken up currently with the State Attorney handling the Moran case and the Palm Beach County Sheriff to make sure we get it right on her charges.

31. That Moran in her statement above to Sheriff Investigator, Detective Ryan Miller, perjures her sworn statement to the Governor's Inquiry further when she makes contradictory statements as to her reason for committing the crimes to both agencies. First telling the Governor's office in a sworn statement she did it because she was acting to save a grieving family from stress over a month after Simon died and while she was under the influence of birth control drugs that made her do it. Then later to the Sheriff, she said she did it to save time. Finally, to this Court in the Evidentiary Hearing before Your Honor on October 28, 2013, by and through her attorney David Roth of Roth & Duncan law firm, claimed in efforts to attempt to soften the damages to Spallina and Tescher that she did it due to fear of retribution from her employer Tescher & Spallina, P.A., supposedly acting on her own without their supervision or knowledge and Roth should be investigated for these contradictory statements to the Court on behalf of his client Moran. These contradictory statements in three official proceedings is alleged to be perjury and false official statements and more and demands

the answer to WHY she would do these crimes supposedly acting alone and then lie about it to three separate formal inquiries. Nothing Moran said or did can be trusted any longer and any documents she is involved with must be investigated forensically for further evidence of Fraud. Further, charges of Perjury and making False Official Statements in Official Proceeding should be added to her charges before he sentencing as well and well where there is smoke...

32. That worse yet, is Manceri and Spallina in the September 13, 2013 Hearing put forth the statements that the Waivers were not Forged and just improperly notarized and never stated to the Court the truth that the documents were FORGED, even when Your Honor questioned them on that directly in the Hearing further perpetrating and continuing the ongoing Fraud on the Court and Beneficiaries in an Cover Up attempt.

33. For more information on the mass of false statements made to this Court in the hearing see Petitions and Motions Filed by Petitioner above, (ix) section (II) MOTION TO FOLLOW UP ON SEPTEMBER 13, 2013 HEARING AND CLARIFY AND SET STRAIGHT THE RECORD for a more detailed account of the false statements of Manceri, Spallina and Theodore.

34. That Spallina also falsely claimed to this Court that he learned of Moran's crimes when she was contacted by the Florida Governor Rick Scott's Notary division she was being investigated by and this too is a big fat False Official Statement made by an Officer of the Court in an Official Proceeding before this Court. Spallina knew Moran Forged and Fraudulently Notarized the documents in May 2013 long before Moran was contacted by authorities, when he was served Petitioner's May 2013 Petition and he failed to take any actions to notify the Court or authorities at that time, in violation of Probate Rules and Statutes

and Law.

35. That Your Honor warned Spallina, Manceri, Theodore and Tescher twice of Miranda Warnings and Your Honor on the second warning stated that Manceri “personally” might not be included in the reading of Miranda’s but did not exclude Theodore, Tescher and Spallina from the second threat in any capacity or Manceri in his professional capacity.

36. Petitioner alleges that Manceri is directly involved in the nexus of criminal events occurring in the Estates of Shirley and Simon and also involved in a creditor lawsuit in Simon’s Estate of a one, William Stansbury (“Stansbury”), where criminal acts and civil torts have been alleged against Theodore by Stansbury.

37. That Manceri is representing several parties in that Creditor lawsuit caused mainly by the actions of Theodore, including a company, Bernstein Family Realty LLC (“BFR”) that is wholly owned by Petitioner’s three minor children, a company that has been hijacked recently right before the September 13, 2013 Hearing by Manceri, Spallina and Theodore, in efforts to takeover illegally the entity and cause intentional harm on Petitioner and his three minor children in efforts to stop Petitioner having them further prosecuted and their other crimes exposed, as will be further defined herein. Information regarding the hijacking of BFR and other companies of Petitioner’s family can be found @

<http://www.iviewit.tv/20131229EIBResponseToTedBernsteinandDonaldTescherReEmergencyDistributions.pdf> , hereby fully included by reference herein. Initial information about these

Extortionary tactics against Petitioner by those with ABSOLUTE IRREFUTABLE ADVERSE INTERESTS against him now were evidenced already herein in a filing with this Court listed in the Motions & Petitions Section above as Roman Numeral (ix) section (IV) MOTION TO

COMPEL FOR IMMEDIATE, EMERGENCY RELIEF!!!, INTERIM DISTRIBUTIONS AND FAMILY ALLOWANCE FOR ELIOT, CANDICE & THEIR THREE MINOR CHILDREN DUE TO ADMITTED AND ACKNOWLEDGED FRAUD BY FIDUCIARIES OF THE ESTATE OF SHIRLEY AND ALLEGED CONTINUED EXTORTION.

38. That since Manceri now has been warned by Your Honor that Miranda's may be issued for him, his clients Tescher and Spallina and Theodore, for their illegal misconduct, they all now have ABSOLUTE IRREFUTABLE ADVERSE INTERESTS with Petitioner, who is trying to have them all further prosecuted for their role in the alleged crimes defined herein and pled in prior Petitions and Motions to this Court and who has filed criminal complaints with state and federal, civil and criminal, authorities against them all in a variety of ongoing actions.

39. For these reasons, all of Manceri's filings should be stricken from the Record and Manceri should be sanctioned for these violations of procedure by filing inappropriate pleadings aware that he has Adverse Interests with Petitioner and his family, Conflicts of Interest that preclude his myriad of representations and for his part in continuing and further an ongoing Fraud on this Court and Fraud on the Beneficiaries.

40. That suddenly, after an arrest is made and Manceri, Spallina, Tescher and Theodore are warned they may be the next ones apprehended when Your Honor had enough Prima Facie evidence of Fraud on the Court and Beneficiaries to read them their Miranda's twice, a bold new attempt has begun to Harass, Slander, Extort and Defame Petitioner as their only defense.

41. That another improperly filed pleading by Manceri filed recently as a "First Request to Produce Directed to Eliot Ivan Bernstein" and requesting Production of boatloads of

documents of Petitioner and other information and should also be stricken as mere Harassment of the victim of their crimes, Petitioner. This Production request is in efforts to now cast a spell on Petitioner as if he were the one who filed FORGED and FRAUDULENT DOCUMENTS on the Court and Beneficiaries and not them. This pleading filed when Manceri was already aware of his Adverse Interests created when he became a Respondent in the proceedings and therefore knew he needed to withdraw as Counsel for any parties and immediately instead retain counsel for himself. Three, separate and distinct non-conflicted Attorneys at Law, to represent him for each capacity he is a Respondent and one separate and distinct Non Conflicted Attorney at Law to represent his law firm. Where even knowing today of his Adverse Interests and Conflict that preclude his further actions as counsel to any parties he still has not withdrawn as counsel and continues to act in violation of Attorney Conduct Codes and Law.

42. That if this Court decides to allow further improper pleadings from the Attorneys at Law involved in criminal acts, including Fraud Upon the Court and Beneficiaries while acting as Officers of the Court, including FILING FELONY FORGED AND FRAUDULENTLY NOTARIZED DOCUMENTS by counsel that are Court Appointed that now have absolute irrefutable Adverse Interests with Petitioner for his efforts to bring them to justice and Your Honor continues for some reason to ignore all this and continues to rule on these improperly filed pleadings and representations and allow them to pervert the record further with their attempt to pepper the record with false statements and more, then Petitioner asks that their pleadings only be heard in the order they were filed and after all of Petitioner's prior Motions and Petitions that remain almost entirely UNHEARD since May 2013 are heard first in the order they were filed and each Motion in Particular adjudicated on first before the

next is heard and then we can get on to Manceri's improper pleadings.

43. That Petitioner believes this Court after hearing each of Petitioner's pleadings in particular to each Motion filed since May 2013 and largely unheard by this Court will show the Personal Representatives, Trustees and Counsel have violated virtually all of the legal and fiduciary requirements owed to the Beneficiaries and Interested Parties under Probate Rules and Statutes since day one of administering the Estates and that all those parties involved as Fiduciaries and Counsel that have acted thus far in the Estates of Shirley and Simon will be removed, sanctioned and imprisoned for their criminal acts and Manceri's inappropriate pleadings will languish in the garbage other than as evidence of their continued and ongoing Fraud on the Court and the Beneficiaries.

44. That from May 2013 forward when Spallina, Tescher, Manceri and Theodore were served Petitioner's first Petition to this Court, showing Irrefutable and Absolute evidence of FORGERY and FRAUDULENT NOTARIZATIONS in documents that were admitted to the record by Spallina and Tescher and approved by this Court up until the time of the September 13, 2013 Hearing before this Court regarding the FORGERIES and FRAUDS committed in and upon the Court by Officers of the Court, not one of them having this knowledge of criminal acts, neither Counsel and the alleged Fiduciaries to the Estates and Trusts of Shirley and Simon came forth to the Courts or criminal authorities to notify them of their knowledge that they closed the Estate of Shirley illegally, with illegally posited documents filed by a dead man, including but not limited to, six forgeries on six separate documents for six separate people, including a document Forged and Fraudulently notarized for Theodore and one forged for his deceased father POST MORTEM, violating their alleged

Fiduciary Duties, Attorney Conduct Codes and Law, which would have required immediate reporting by them as Fiduciaries and Counsel of the criminal activities they were aware of to the Court and Authorities. Especially when they were DIRECTLY involved in the criminal activities and thus had prior knowledge well before Petitioner served them the Petition in May 2013 with the FORGED and FRAUDULENT documents attached. But did you really expect that they could turn themselves in and do the right thing under law to prosecute and jail themselves?

45. That in fact, none of them came forth until authorities came knocking on their doors. Even after authorities contacted them they did not notify the Court prior to the September 13, 2013 Hearing that they had knowledge of criminal acts they were all directly involved in and were committed in and upon the Court and Beneficiaries. Instead of coming clean to Your Honor at the Hearing they attempted to further conceal this information from the Court and continued the ongoing Fraud on the Court in hopes nobody would catch on and in the interim they could force Petitioner to Play or Pay with Extortionary tactics before he could fully expose them and have them prosecuted and tried before Your Honor and state and federal investigators could figure all this out. These Extortionary acts continue today and have been exacerbated since Your Honor has warned them that the end may soon be near by issuing them Miranda Warnings and almost reading them their rights, and they have therefore stepped up efforts to Harm, Harass, Slander and Extort Petitioner and cause grave and serious emotional and physical dangers and intentional financial harms on him, his wife Candice Bernstein (“Candice”) and their three minor children all to try and stop Petitioner before he can have them prosecuted and jailed.

46. That instead of withdrawing from all fiduciary roles and acting as counsel any longer as required by Probate Rules and Statutes and Law, and confessing to their crimes honestly to the Courts and Authorities and APOLOGIZING TO THEIR VICTIMS, once they were notified of the crimes in May 2013, they instead concealed the information from the Courts, Authorities and Beneficiaries and hurried to commit a series of alleged Frauds on the Beneficiaries and Interested Parties to convert assets of the Estates ILLEGALLY to the wrong Beneficiaries through a series of further alleged criminal acts. The criminal acts alleged all involve Theodore and Pamela trying to convert assets in a variety of schemes, aided by Theodore's close personal friends and business associates Tescher and Spallina, in efforts of thwarting the last wishes and desires of Simon and Shirley that wholly exclude Theodore and Pamela and their lineal descendants from the Estates and Trusts.

47. That further it is alleged that they have begun a series of fraudulent activities to attempt to lower the value of the Estates from an estimated 20-42 Million as Petitioner has pled to the Court to Theodore and Spallina's ridiculous estimated only four million dollar total worth of both Estates that they claimed to Your Honor in response to your question in the September 13, 2013 Hearing. This amount they guesstimated to Your Honor does not even add up with the current assets Petitioner has discovered in the Estates thus far and which are part of the record. That this variance in estimates of worth is due to the fact that no accountings for the Estates or Trusts has been given to Petitioner or Beneficiaries and no Inventories of the Trusts of Simon and Shirley have been provided as required by Probate Rules and Statutes to the Beneficiaries. Therefore their numbers are wholly worthless and not exact as they should be with accounting of every last cent. Perhaps, we now know the reasons why the financial

records are being suppressed and denied and the motive for why they would commit all these criminal acts, as there must be far more worth in the Estates than they are willing to disclose before they steal off with them and then say, see nothing was there, trust us despite their being no accounting for anything they claim.

48. That all of these crimes alleged benefit Theodore and Pamela directly to the disadvantage of Beneficiaries and where Theodore and Pamela were both wholly disinherited by both Simon and Shirley and were enraged with their father Simon at the time of his death for not including them back into the Estates plans. Even if the alleged changes to the Beneficiaries are somehow allowed by the Courts, both Theodore and Pamela remain wholly excluded from the Trusts of Simon and Shirley and this provides the reason for their efforts to abscond with the Estates and Trusts assets and fail to list them as assets of the Estates in inventories and hide financial records and estate documents while they try to convert assets in numerous illegal schemes.

49. That these frauds to convert the assets and to steal off with assets were aided by the fact that they concealed, suppressed and denied Estate documents, records and accountings from the Beneficiaries and even the alleged new Beneficiaries and continue denying and suppressing this information from either Petitioner as a Beneficiary or Petitioner as Guardian and Trustee for his three minor children as Beneficiaries and in so doing have violated endless amounts of Probate Rules and Statutes as prior pled by Petitioner in his Motions and Petitions filed with the Court since May 2013. New evidence of this concealment of assets from the Courts and Beneficiaries and alleged theft of the assets will be submitted herein that prove with Prima Facie evidence submitted herein that the inventories submitted in the Estates appear

fraudulent and missing assets that they were wholly aware of prior to filing and have since absconded with and failed to account for as Fiduciaries and Counsel.

50. That since illegally seizing Dominion and Control of the Estates through a series of Forged and Fraudulent Documents used in both Estates, a continued Pattern and Practice of Fraudulent activities emerges by the alleged Fiduciaries and Counsel to steal off with assets and keep them from proper accountings to benefit themselves at the detriment of the Beneficiaries and Interested Parties. This concealment of information from the Beneficiaries has led to absolutely no transparency at all in the Estates, left the Beneficiaries with no proper accountings of their interests and is in violation of virtually all Probate Rules and Law, as properly pleaded in Petitioner's prior Pleadings and Motions filed and unheard in toto since May 2013.

51. That these obvious, vexatious and abuse of process pleadings filed inappropriately by Manceri and failure to represent Respondents properly and without conflict or adverse interests violate Attorney Conduct Codes and Probate Rules and Statutes and thus for the all the reasons stated herein, Manceri and his pleadings should be removed by this Court and Manceri sanctioned and reported for his involvement in attempting to continue this Fraud on the Courts and Fraud on the Beneficiaries in the Estates of Shirley and Simon and Manceri should be forced to immediately retain separate counsel as Respondent in the three capacities he is listed as Respondent for.

52. That this Court must instantly remove the Fiduciaries and Counsel who are Officers of the Court and whom continue to act before the Court in efforts to Cover Up their crimes and continue to maintain illegally gained Dominion and Control of the Estates and

continue to Extort and Harass Petitioner, after they have all been exposed as involved in FORGERY, FRAUDULENT NOTARIZATIONS, FRAUD on the COURT, FRAUD on the Beneficiaries and more and this Court must instantly prevent them from further pleading and moving the Court in any way, especially in efforts to further Extort Petitioner and his family further and waste this Court's time and Petitioner's time and monies responding to this crap.

MOTION FOR EMERGENCY INTERIM DISTRIBUTIONS AND FAMILY ALLOWANCE

53. That due to the Court's failure to prevent absolute Adverse Interests and Conflicts from continuing between the alleged Fiduciaries and Counsel and the Beneficiaries and Interested Parties, especially with Petitioner who is having the current alleged Fiduciaries and Counsel criminally pursued by state and federal Authorities and civilly in State and Federal courts for their proven, admitted and alleged criminal acts, has allowed them to now further a Pattern and Practice of Extortion, Slander, Defamation and abuse of process against Petitioner. These acts all in attempts to cause harm to Petitioner and his family, including three minor children, by further illegally misusing their fiduciary capacities and legal and ethical obligations to harm and harass Petitioner before they can be further prosecuted and their whole scheme unraveled further. Especially, after the tip of the iceberg emerged with the arrest of Moran, then Spallina, Tescher, Theodore and Manceri, being caught by Petitioner and Your Honor perpetrating a Fraud on the Court, tendering FORGED and FRAUDULENT documents in the alleged Beneficiaries names and more and with state and federal criminal and civil actions filed against them by Petitioner.

54. That as these FORGERIES and FRAUDS took place in Your Honor's Court in

part by Officers of Your Honor's Court and were approved by this Court, under Judicial Cannons and Law they should be sanctioned and reported by Your Honor to the proper State and Federal Authorities and State and Federal courts already involved and instantly removed from the proceedings in any capacities and all their prior pleadings and submissions stricken from the Record.

55. That this Court once it was aware of proven felonious acts by Officers of the Court should have seized all of their records and taken control of the Estate and Trusts assets to prevent further harm to the Beneficiaries and yet instead it appears the Court is attempting to look the other way obstructing justice and denying due process to Petitioner by refusing to hear his Pleadings and Motions in detail that have been filed since May 2013 and further failing to take the requisite actions against Officers of the Court who have violated Law and report all those involved in any of the crimes now proven and admitted and those alleged to all the proper authorities.

56. That the Court's continuing to allow them to operate in Fiduciary and Legal Capacities (and L-rd knows how legally this is happening) has only allowed the Adverse Interests to ferment and result in an Extortion of Petitioner and his family and attempts to Defame, Slander and Harass Petitioner and his family further in violation of Fiduciary Duties and Law and through further alleged fraudulent and criminal acts as defined herein and in prior pleadings filed by Petitioner that remain largely unheard.

57. That Simon and Shirley took elaborate estate planning steps to protect Petitioner and his family, through the creation of Trusts and the creation of several Entities designed specifically for them and their unique situation. These Entities are either wholly owned or are

partially owned by Petitioner and his sisters Iantoni and Friedstein, including Bernstein Family Realty LLC (“BFR”), Bernstein Family Investments LLLP(“BFI”), Bernstein Holdings, LLC (“BHL”), several pre created Trusts for Petitioner and his children and more. The records for some of these Entities can be found at

<http://www.iviewit.tv/BFR%20BFH%20BFI%20RECORDS.pdf> and are fully incorporated by reference herein. These entities were designed while Simon and Shirley were alive and were created to protect the assets and inheritances of Petitioner and his family from exactly the type of crimes that are alleged to be now occurring by the Fiduciaries and Counsel.

58. That Simon and Shirley through these Entities paid for all expenses of Petitioner, Candice and their minor children for seven years prior to and after their deaths, for income, food, utilities, school through college and more and had set these up so that at their deaths the Entities would be funded with assets through Petitioner and his family’s inheritances for many years to come due to special circumstances of Petitioner and his family, as more fully described in the May 2013 Petition in the section “The Elephant in the Room.”

59. That Theodore and Spallina have now illegally seized control of BFR approximately three months ago in late August 2013 and have since begun an Extortionary campaign to shut Petitioner and his family down by illegally gaining control of BFR through an unauthorized and prohibited transfer of Manager Title in BFR from Oppenheimer to Theodore, without Petitioner’s consent as required under BFR’s bylaws and begin to play games with Petitioner’s utilities, school expenses, food monies and more, all which are controlled for years through BFR and Petitioner does even get the bills sent to him at his address.

60. That the transfer of Manager Title in BFR is also questioned after Simon died as

to how Oppenheimer was elected Manager and acted in such capacity, without Members approving of such transfer. That Oppenheimer similarly transferred Manager Title to Theodore without requisite notice to Members (The Members of BFR are DANIEL BERNSTEIN IRREVOCABLE TRUST dated September 7, 2006, JAKE BERNSTEIN IRREVOCABLE TRUST dated September 7, 2006 and JOSHUA Z. BERNSTEIN IRREVOCABLE TRUST dated September 7, 2006 who own 33.3% of BFR each) and without their consent and approval as required under BFR's records, which state;

"5.1.2 Initial Managers/Designation of Managers/Voting. The Members agree that the initial Manager of the Company is SIMON BERNSTEIN. Unless otherwise specifically agreed herein, business decisions of the Company shall be made by said Manager. The Members shall vote their Interests such that only the aforementioned person is Manager of the Company for so long as he is alive and not mentally disabled or incompetent. After proper notice, in the event of death or mental disability or incompetence of the Manager, the Members shall vote on and elect a new Manager."

"5.7 Resignation. Any Manager of the Company may resign at any time by giving written notice to the Members of the Company. The resignation of any Manager shall take effect upon receipt of notice thereof or at such later date specified in such notice; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. The resignation of a Manager who is also a Member shall not affect the Manager's rights as a Member and shall not constitute a withdrawal of a Member.

"5.9 Vacancies. To the extent not expressly provided for in Section 5.1.2 "Voting Agreement of Members," and only to said extent, if any: Any vacancy occurring for any reason in the number of Managers of the Company may be filled by the affirmative vote of Members holding a majority of the Percentage Interests present at an election at a meeting of Members called for that purpose or by the Members' unanimous written consent. A Manager elected to fill a vacancy shall be elected for the unexpired term of their predecessor in office and shall hold office until the expiration of such term and until their successor shall be elected and qualified or until the Manager's earlier death, resignation or removal. A

Manager chosen to fill a position resulting from an increase in the number of Managers shall hold office until his successor shall be elected and qualified, or until his earlier death, resignation or removal.

From Bernstein Family Investments we find the following language,

"6. Business and Purposes. The purpose and business of the Partnership shall be the ownership, investment, management and control of the Property and other investment properties (including, without limitation, investments in real property, loans, business enterprises, marketable securities, either directly or through interests in corporations, limited partnerships, limited liability companies, and other entities), to provide a means for the BERNSTEIN family to own investment property and preserve its assets, and to conduct such other activities as may be necessary or appropriate to promote such business and purposes, it being agreed that each of the foregoing is an ordinary part of the Partnership's business. In addition to the foregoing, or as part thereof, the Partnership shall accomplish among other things the following: (a) maintain control over BERNSTEIN family assets contributed to it, (b) consolidate fractional interests in BERNSTEIN family assets, (c) seek to increase BERNSTEIN family wealth, (d) establish a method by which gifts can be made without fractionalizing BERNSTEIN family assets, **(e) provide protection to BERNSTEIN family assets from future claims against members of the families,** (t) facilitate the administration and reduce the costs associated with the disability or probate of

the estate of members of the BERNSTEIN family, (g) provide a mechanism to resolve BERNSTEIN family disputes, and (h) if applicable, hold restricted securities until such securities become unrestricted and free of underwriting limitations of the Securities and Exchange Commission. The Partnership shall not engage in any other business without the prior consent of Limited Partners owning (in the aggregate) at least eighty (80%) percent of the limited partnership Interests owned by the Limited Partners.”

61. That Petitioner does not recall a vote to transfer Manager Role to Janet Craig of Oppenheimer after Simon’s death or from Janet Craig to Theodore on Spallina’s direction in August of 2013 after the heat was on them. Janet Craig claims she transferred the Manager role to Theodore who volunteered for it and she obliged in transferring it to him, as stated in her email of August 28, 2013 that she copied both Theodore and Spallina on and wherein she states,

“Please be advised [Eliot] that we will not be paying bills during this transition period.

Ted Bernstein has agreed to become the Managing Member of Bernstein Family Realty and all questions regarding the payment of household bills should be directed to him.”

62. That Janet Craig at the time of this transfer knew that Petitioner was pursuing criminally and civilly both Theodore and Spallina and yet transferred Manager title to them despite knowledge of their adverse interests with Petitioner and she did this on the direction of Spallina and Theodore.

63. That by illegally gaining control over BFR, which receives all the bills for Petitioner’s family and their home and which has paid them continuously, promptly and without interruption for almost seven years, both prior to Simon’s and Shirley’s passing and after, suddenly, when Theodore took charge almost four months ago, ALL the bills have become seriously past due and utilities, including phone, internet, etc. have been turned off with no notice to Petitioner and Theodore is further denying he has anything to do with paying

the bills or BFR to various parties as evidenced herein already @

<http://www.iviewit.tv/20131229EIBResponseToTedBernsteinandDonaldTescherReEmergencyDistributions.pdf> and already included by reference in entirety herein.

64. That an example of what is going on to harm Petitioner's family through these games, is the recent loss of home security, which puts Petitioner's family at risk of theft, fire and more and may cause a lapse in Homeowners coverage or price increases without it on the home owned by BFR, in the following series of email communications,

Hi Sue,

Below is a letter from Janet Craig, CTFA ~ Senior Vice President & Compliance Officer @ Oppenheimer Trust Company (Janet.Craig@opco.com) who was handing the bills for Bernstein Family Realty (BFR) as Manager since Simon died. Simon was Manager of BFR prior, which owns the house we live in. Janet has been paying your bills for the last year as Manager of BFR. As you can see from Janet's letter to Ted it is clear that Ted volunteered for the job of paying the bills of BFR a few months ago when your bills suddenly and unexpectedly began not to be paid. As I do not even get the bills for the last 7 or so years this all seems strange to me that Ted seems to not know he has assumed responsibility for BFR's bills when in fact, since Ted was copied on the Oppenheimer letter below and assumed responsibility as the letter indicates, I am not sure why he told you what he did not as it appears to be a lie. Perhaps you would like to call Janet Craig, CTFA ~ Senior Vice President & Compliance Officer @ Oppenheimer Trust Company (Janet.Craig@opco.com) the former Manager of BFR at (973) 245-4635 and check who is Manager of BFR and she has transferred the position to Ted yet or if she is still paying the bill. I do believe the BFR home owners insurance may also require your services to be on and she or Ted, whoever is handling these matters may want to notify the carrier of the lapse in service. You may also

want to contact Robert Spallina and Donald Tescher of Tescher & Spallina, P.A. law firm as they are also involved with Simon's estate and may know about the bills for BFR that Simon was paying for years and who and how is now paying them, since they I believe directed Janet to transfer the Manager role and bills to Ted.

I am very sorry for any confusion but as you can see from Janet's letter I really have nothing to do with the bills until we needed a battery and I made a call, which is about the extent of my involvement with your company in the many years of past service that has never been interrupted until recently when Ted took things over. I have never paid your bills I just live in the house that is owned by BFR and I guess if Ted is denying his involvement despite the evidence I too am unsure what to do and feel like I am caught in the middle to as I am not even on the account. I apologize for any problems this has caused you and understand your need to take actions against the appropriate parties, of which I am not one.

Candice

Hi Candice, this is truly a very unfortunate situation, and we are caught in the middle of it, we responded to your request for the battery and dropshipped it to you in good faith. I really do not understand why you would give me the wrong information.

We will cancel this account today and hand it over for collection, but I wanted you to know that Mr Ted Bernstein says he is not responsible for the account.

Thank you

Hi Ted,

The monitoring fees for this account has not been paid since 10/1/13, and we also sent out a battery in October when Candice called in and requested it. The invoice was sent to you because Candice advised us that the house is now part of Bernstein Family Realty, and you will process the invoices for payment.

The past due accounts are scheduled to be disabled today at close of business, and the monitoring discontinued. You may remedy the situation by bringing the account up to date before 3pm.

Thank you

65. That Reimbursements for food, medical needs and more have not been paid back to Petitioner's wife Candice since the day Theodore took over, as they have for years to provide

for Petitioner's family's life sustaining funds for food, medical, etc. and these acts have basically starved Petitioner and his family and thrown great economic disasters upon them with intent and scienter intensifying for the last three months since Moran's arrest and this Court's failure to remove them from fiduciary and legal capacities.

66. That school trust funds set aside for Petitioner's children and funded prior to the deaths of Simon and Shirley were then illegally misused to pay for Petitioner's expenses on the direction of Spallina who directed Oppenheimer to use the funds with no authority to do so and with the promise that he would replenish and replace them as needed from monies from the Estates if they were exhausted while he waited to receive monies in the Estates. When it came time to replace those funds, Spallina refused Oppenheimer's request and intentionally and with intent to harm Petitioner drained these funds and overnight has left Petitioner now with no school funds for his children, no funds for utilities and food three months that are past due three months without notice and which funds were supposed to have been available through their inheritances and all this misuse of funds was on the direction of Spallina, Tescher and Theodore with Oppenheimer. Where there would be no need for Emergency funds and distributions from anyone if it were not for all of these delays in the final distributions of the inheritances due to proven and alleged criminal acts and civil torts. Petitioner already has pled these matters to the Court in prior Motions filed that remain unheard in particular to these claims of Extortion as already exhibited herein.

67. That Your Honor at the September 13, 2013 Hearing did not think Petitioner's Motion was an Emergency because no one was without food, medical or utilities at that moment on that day. Despite at the Hearing Your Honor learning of FORGERIES,

FRAUDULENT NOTARIZATIONS, a FRAUD ON THE COURT by using a DEAD MAN TO CLOSE THE ESTATE AS IF ALIVE and FRAUD ON THE BENEFICIARIES, this Court surprisingly did not deem these criminal acts committed in Your Honor's court alone enough to constitute an Emergency in and of itself. However, since the Hearings, things have been worse every day and food monies and utilities have been shut off without notice by the fiduciaries Theodore, Spallina and Tescher, in attempts to further extort Petitioner to Play or Pay and take monies in the Estate to the improper parties despite knowing the Beneficiaries are going to have to now be litigated as learned at the October 28, 2013 hearing before Your Honor and this would amount to participating in illegal conversion of assets and Petitioner has refused to take monies that are from illegal transactions.

68. That Theodore and Spallina working together to seize BFR are now selectively and without notice ceasing payments of school, monies for food and medical, school trips and sporting events of the children, all without any prior notice to Petitioner and slowly starving the children and family, costing Petitioner large deposits to be lost, the children possibly removed from school shortly due to lack of payment for three months and more. For example, two of Petitioner's children have now missed, due to lack of final payment, an opportunity long in the making and in large part due to the efforts of Simon, to play with an International Israeli Lacrosse Team and travel to Poland and Israel and play in both countries with Professional Athletes and coached by Harvard's assistant coach Ben Smith & Florida's own Jeff Goldberg. This trip was already deposited for, plane tickets purchased nonrefundable, jersey's made and rosters completed, a final payment was due and the bill transitioned from Oppenheimer to Theodore, Spallina and Tescher and despite multiple written requests transmitted to all parties

requesting payment or knowledge as to what was happening with the bill, as the children were to lose their spots and deposits and tickets, they all failed to respond timely. After weeks of no response, hours after the expiration deadline and the children's spots given to other children, Theodore responded that he chose not pay the deposit as he did not think it prudent.

69. That had Petitioner and his children's inheritances not been intentionally and criminally delayed, in violation of Probate Rules and Statutes and Law and further interfered with from the onset, monies from the inheritances and Estates and Trusts of Simon and Shirley would have flowed properly into Trusts and Entities established for Petitioner and his children and the monies would have flowed seamlessly into BFR, BFI and BHL and directly to Petitioner and his children to fund their living expenses for many years to come as designed by Simon and Shirley without needing anyone to determine the prudence.

70. That Petitioner was to be Manager of these entities or elected Managers to work with him, further providing his family income from managing the assets in them and that Spallina, Tescher, Theodore and Manceri have instead illegally interfered with these entities and without authority to perpetrate this Extortion and to deny Petitioner and his family income and other assets that would have paid for their expenses.

71. That the Estates have enough liquid funds to release funds in the interim to cover these Emergency needs of Petitioner's family while these matters caused by the Fiduciaries and Counsel are being settled both civilly and criminally and the Beneficiaries determined by both courts.

72. That if or why Petitioner is employed to pay these expenses suddenly heaped upon his family due to the delay's caused wholly by others responsible for delaying these funds

being transferred to the proper Beneficiaries is irrelevant as this Court and the Fiduciaries are the ones who are responsible to the Beneficiaries for the damages being caused by the delays in the transference of the inheritances to the proper parties by Officers of this Court in part due to a Fraud in and upon this Court and the Beneficiaries. Where such delays will now be furthered while these criminal and civil matters are resolved as pointed out by Your Honor in the September 13, 2013 Hearing and yet, Your Honor allows them to continue to operate as Officers of this Court and as Fiduciaries despite their proven involvement in criminal acts that they are wholly liable for and allows them to further Extort and Harass Petitioner. Therefore, the need for EMERGENCY DISTRIBUTIONS due to these intentional delays and criminal acts by Officers of the Court and Fiduciaries appointed by the Court has now become life threatening to Petitioner and his family, including three minor children and this Court must order on its own Motion if necessary EMERGENCY INTERIM DISTRIBUTIONS and set up on its own Motion an EMERGENCY HEARING TO DO SO.

**MOTION FOR FULL ACCOUNTING DUE TO ALLEGED THEFT OF ASSETS AND
FALSIFIED INVENTORIES**

73. That on January 11, 2013, two years after Shirley's death Petitioner received, an un-docketed with the Court, alleged Inventory of Shirley after years of it being denied to Petitioner from her date of death on December 08, 2010 to May 2012 when Petitioner finally learned he was a Beneficiary of the Estate, to January 2013 when he finally received it.

74. That Petitioner had to retain counsel to finally get piecemeal information requested from Tescher and Spallina, including the Inventory that were all legally due Petitioner but had been suppressed and denied with intent. Due to the repeated refusals of

Tescher and Spallina to turn over the records to Petitioner, in violation of Probate Rules and Statutes, which has already been pled ad nauseum to this Court in Petitioner's prior pleadings that are largely unheard at this time, Petitioner was forced to retain counsel and was threatened by Spallina as evidenced in prior pleadings that he would be treated unkindly if he did.

75. That an example will show how Petitioner's counsel was then abused by Spallina and Tescher, running up huge bills in order to secure records and information legally owed to Petitioner and his children and further show how Spallina and Tescher were forcing costly litigation, another tactic to bleed the Estates in legal fees from their intentional misconduct. Petitioner then retained Tripp Scott law firm and Christine Yates, Esq. as counsel to secure records after months of refusal by Spallina and Tescher to turn over ANY records or financial information to Petitioner regarding his family's inheritance. Further, after learning of conflicts forced upon Petitioner by a lost insurance policy and a lost insurance trust of Simon's that then put him and his children in conflict for the proceeds, Yates was forced to then separate her representation for only Petitioner's children and Petitioner then was representing himself Pro Se to avoid Petitioner's OBVIOUS conflicts caused by Spallina and Tescher's lack of care of marshaling the missing insurance policy and trust. After Yates repeatedly requested information due to Petitioner, the following letter exchange illustrates between Attorney at Law Yates and another Attorney at Law, Marc R. Garber, Esq. who consults Petitioner on his RICO and other matters, the adversarial role Spallina and Tescher to Petitioner and Petitioner's COUNSEL becomes even more evident and Petitioner quotes from their letter exchange,

Christine:

I had difficulty sleeping, as I was sorting through our conversation. What troubles me has troubled me in prior situations. Spallina is not the first "bully lawyering" situation I have seen or heard about. "If you scream loud enough and pound the table hard and often, the other side will cave". It troubles me that many times this approach works. Sometimes it becomes a fee and time matter, other situations result in the good lawyer becoming tired of dealing with "hard headed" uncompromising opponent. I have heard some people actually seek out a bully lawyer for these reasons. The reasons include the fact that they win using this approach. Further, and as you implied, with all the time you expended, Spallina gave us very little, in terms of everything; from documents to involvement in the administration. It truly troubles me that Spallina continues to spin his web of deceit, and I believe this conduct is further circumstantial evidence that "something is very wrong". I am very glad Eliot filed whatever he filed and I do hope he prevails. I also hope Spallina is removed and perhaps punished for all he is doing. It also troubles me that once he learns of your withdrawal, Spallina will celebrate his victory. If I was licensed in Florida, I would take this on pro bono. Simply out of principal, and I would make certain a probate judge learns of Spallina's behavior. Unfortunately, I am not a Florida lawyer. If Eliot is able to get his motions before a probate judge, I hope he asks and you agree to testify as to how Spallina treated you. A judge may take real notice of that testimony.

Thanks,
Marc

Eliot and Candace, first I am glad that you are feeling better Eliot.

I have made no progress with Spallina in regards to obtaining documents and in my last call with him and Mark Manceri, Mr. Spallina reiterated his position that the mortgage on the property you are currently residing in was what your father wanted, and that any information regarding the trust of your father would have to be addressed to your brother as trustee.

At this time, in order to receive the information you want, I believe you will need to institute legal proceedings against the estate and trust. Since a new course of action will need to be undertaken, at this time, I will be withdrawing as counsel for your children, and believe that you should now hire separate litigation counsel for them. I will be happy to assist your new counsel in providing them with any information and thank you for the opportunity you gave me to assist you.

76. That instead of the alleged Co-Personal Representatives of Simon's Estate, Spallina and Tescher paying for counsel to review their insurance trust scheme they proposed due to an alleged lost policy and trust scheme (and if you believe that I have a bridge) and instead Spallina was forcing the legal costs to come out of Pre Funded School Trust funds of Petitioner's children, along with the other BFR bills, etc. all on his direction with Oppenheimer, all without legal authority. As illustrated in the following correspondence regarding why Yates was resigning as counsel, Your Honor can see how they are forcing economic ruin with scienter upon Petitioner and his family further through more dubious and alleged illegal acts and intentionally caused large legal fees and costs,

[Marc, it was nice to speak with you yesterday. As we discussed, the reasons for the the termination of my representation were due to the insufficiency of funds in the trust accounts and the the corresponding](#)

increase in litigation that would need to be filed in order to move this case forward. It is always a difficult decision as an attorney to proceed with litigation, using all funds in a trust to do so without a guarantee of results. This leaves the attorney in a difficult position with the trust beneficiary, their client...[omitted]

77. That at the October 28, 2013 hearing Theodore claimed while testifying that to the best of his knowledge, his mother Shirley was only worth in Personal Property not allocated in trusts, USD \$25,000.00. It should be noted that this was the last year unlimited marital transfers were allowed and therefore it would have benefited Simon to have inventoried and listed as many assets in Shirley's name, knowing no tax on the transfer would take place on any amount. Being a sophisticated Pioneer in estate planning tools almost his entire life, Simon would not have hid any assets or lowered their values to get them under a taxable amount as there was no fear of taxation and listing them in full was the advantage.

78. That on October 28, 2013 in an Evidentiary Hearing before this Court, Petitioner received an Inventory in the Estate of Simon electronically filed on June 11, 2013 (10 months after his DOD) unsealed by Your in Honor from Judge French's court and given to Petitioner for the first time. That again, this Inventory had been suppressed and denied from the Beneficiaries and Interested Parties in violation of Probate Rules and Statutes up until the Evidentiary Hearing, over a year after Simon's passing.

79. That on December 30, 2013 Petitioner received a NEW Amended Inventory of Simon, after this Court unsealed the previous one in the October 28, 2013 Evidentiary Hearing

and suddenly the amount of Simon's personal properties flourished with many new assets making the amount TEN TIMES what it was when the first one was allegedly done, illustrating the further failure to marshal the assets properly, as some of the new additions like a Promissory Note on Petitioner's children's home is listed. That Spallina and Tescher knew of this Promissory Note because they drafted and had executed the document and knew it was to be tossed in the garbage when Simon died but now apparently to threaten Petitioner that they (his siblings) are planning on stealing the home his children own and divvying it up between them using this Note have conveniently have added it to the Amended Inventory. The children's home and how it was being protected through the Promissory Note is further detailed in the May 2013 Petition filed with this Court and the question now becomes if Spallina and Tescher knew of this \$365,000 Promissory Note to Simon as an asset from day one, why did they fail to list it on his inventory for 15 months, until now that they are adverse to Petitioner for having one of their own arrested and hostile in fact knowing they may be next.

80. This Amended Inventory in Simon also added some other items that Spallina and Tescher should have known about from day one, including bank accounts and more and appear to be added after realizing through Petitioner's pleadings and the creditor Stansbury's pleading in Simon's Creditor action against the Estate of Simon, which notified the Courts and Authorities that assets were missing from the Inventory of Simon and therefore this Amended Inventory of Simon is a Cover Your Butt attempt to plug holes and further Extort Petitioner, amended sixteen months after Simon's death. It should be noted here that Simon's Estate was ordered closed by Judge French by October 02, 2013 and the deadline for closing was missed and no extensions filed, in further violation of Probate Rules and Statutes. Again, no

Inventories or Accountings have been provided for the Trusts in either the Estate of Shirley or Simon at this time, also in violation of Probate Rules and Statutes and making accurate accounting of the Estate impossible by Beneficiaries.

81. That after reviewing the Inventories, it has become apparent that Personal Property assets of Shirley were not listed in the Inventories of Shirley and Simon. That these missing assets, once properly accounted for and inventoried would have then transferred to Simon but instead the items PETITIONER DISCOVERED were wholly excluded from both Inventories, as if they vanished into thin air and did not exist at all. That for Simon to have done anything with these assets of Shirley's he would have first had to legally inventory them on her Personal Property list and then have them transferred tax free through the estate plans to himself.

82. That full audits of the Estates are now needed due to these findings by Petitioner, by forensic experts that should include tax returns for 10 years personally and for any/all corporate entities they owned, ten years of bank accounts of Simon and Shirley and all other information owed to Beneficiaries and Interested Parties under Probate Rules and Statutes. The reason bank accounts are necessary now is because evidence was presented in the May 2013 Petition filed with this Court and largely unheard at this time, that Spallina and Tescher were found directing others to use Simon Bernstein's bank account for BFR months after his death and where when Legacy Bank discovered that Simon was dead and no one had notified them and people were using the account who were not authorized to use the account, well they FROZE the accounts of Simon and demanded to speak to the Personal Representative. Spallina was not a Manager of BFR at this time as Simon had died and no

successor was voted in per the bylaws until Spallina nominated with no authority Janet Craig to the Manager position and directed her actions forward with no authority to take over BFR.

83. That Petitioner has requested and repeatedly been denied the full accounting of the BFR accounts at Legacy Bank that were frozen and allegedly funds were transferred to Oppenheimer to a new BFR account in order to see how much money was in the Legacy Bank account when Simon died and how much transferred over once the account was frozen months after his death, due to the FELONY MISUSE of a bank account under FL laws under, all under the direction of Spallina knowingly and acting as the fiduciary to use a DEAD Simon's account for months in a company BFR that he had no legal authority to act in any way under.

84. That with the damning evidence of PROVEN AND ADMITTED FORGERY, FRAUD ON THE BENEFICIARIES, FRAUD ON THE COURT and more, this Court should have already called in the cavalry and made arrests from evidence the Court has that Officers of the Court are involved in criminal acts worthy of being read their Miranda Rights by Your Honor and then this Court should have instantly ordered a seizure of all original documents, records and assets and demanded full forensically audited financials and forensic document verification and simultaneously notified the proper authorities of ALL the crimes this Court now has knowledge of. Further, this Court should force restitutions to the victims instantly and further forcing bonding and surety and payment of all Petitioner's and other injured parties legal costs by those who caused the costs and the Court should be acting on its own Motions after taking Judicial Notice of FORGERY AND FRAUDULENTLY NOTARIZED DOCUMENTS, FRAUD ON THE COURT, FRAUD ON THE BENEFICIARIES and more, to achieve protection of the Estates and Beneficiaries and certainly not waiting for Petitioner who

is Pro Se to plead all this correctly, as these crimes proven and admitted were done by Officers of Your Court, the Fiduciaries of the Estates YOU APPROVED and YOU are allowing to continue to operate in YOUR Court and their contracted and supervised employees who they are wholly liable for under FL Law.

85. That anything that ANY of these parties who were acting in anyway in the commissioning of these crimes have done in the past is questionable and anything they do in trying to remedy these situations now, after the fact that they have been caught, are not trusted by Petitioner due to, including but not limited to;

- i. the Forgery and Fraudulent Notarization of Petitioner's name on documents filed with the Court that they all participated in,
- ii. the POST MORTEM Forgery and POST MORTEM Fraudulent Notarization of Petitioner's father name on documents filed with the Court that they all participated in,
- iii. the fact that they then illegally used Simon's identity Post Mortem to file a series of documents to close the Estate of Shirley and then allegedly attempted to change the Beneficiaries of Shirley's with other documents that appear legally deficient and alleged Fraudulent and Forged in Simon's Estate,
- iv. the Fraud on the Court and Beneficiaries already proven committed by Officers of this Court,
- v. the Bank fraud alleged in the misuse of a dead persons accounts knowingly and with intent,
- vi. the Violations of Petitioner's family Entities and alleged criminal acts

thereunder, and,

- vii. the ongoing alleged, Insurance Fraud, Fraud on a Federal Court, Theft of Assets, Violation after Violation of Probate Rules and Statutes and Law, Extortion and more, as previously pled also in Petitioner's Motions and Petitions already languishing for months before this Court and exhibited herein.

86. That Petitioner has recently come into possession of an American Home Assurance Company Policy containing a Private Collection Coverage Policy Number PCG0001332360, Effective date August 10, 2009, containing a schedule of Shirley's Jewelry insured for a value of \$613,932.00, evidenced herein as EXHIBIT 1, which Petitioner alleges is a fraction of the value of her total Jewelry owned at that time and at the time of her death that is now missing from both Estates and was not inventoried as her personal property and does not show up in Simon's personal property either. Even if it is alleged Simon gave it away or ate it, for him to have done so the items would have to have been listed on Shirley's Inventory and then transferred legally to him to do as he pleased. If he gifted them later, gift tax returns and more would have to have been filed and still would have been listed as Shirley's personal properties first before the gifts were made by Simon.

87. That Petitioner alleges that Tescher, Spallina and Theodore knew about this Policy and its contents insured thereunder that were Personal Property of Shirley and that they have intentionally and with scienter suppressed and denied this information from both the Court Petitioner and left these items off the Inventories intentionally to steal off with the assets.

88. That there are also alleged to be Appraisals done for Shirley's Jewelry shortly

before her death for various items that also appears to have gone missing from the Estate records that were kept with each item that further confirm the value of many of Shirley's jewels. That if these jewels were added as her Personal Property, then Theodore and Spallina's testimony in the October 28, 2013 Hearing before this Court that she had only \$25,000.00 in personal property would be grossly off in just in the missing Jewelry alone. Again, the advantage for Simon at the time with no taxable transfer was to list it all on Shirley's Inventory, which being an expert Estate planner he would have done.

89. That Shirley's Jewelry does not appear in the Inventories and where Petitioner's father and mother had stated that bequeathments of various items were to be distributed with certain items going to individual Beneficiaries and others but those too appear missing from the Estate documents and Petitioner claims these too are being suppressed and denied, in violation of Probate Rules and Statutes.

90. That it is alleged that after Shirley died, on a visit to see Simon, Petitioner's sisters, Pamela Simon ("P. Simon"), Jill Iantoni ("Iantoni") and Lisa Friedstein ("Friedstein") removed from the Estate Shirley's Personal Properties, while their father thought they were cleaning out her closets and organizing things. Instead they overnight took off with and shipped boxes and boxes of Shirley's Personal Effects and took all of her Jewelry, Minks, Art and other valuable objects of hers.

91. On information and belief this removal of the property was claimed by P. Simon, Iantoni and Friedstein in order to prevent theft of the items from Simon's assistant, Rachel Walker and later his companion and friend, Maritza Rivera Puccio ("Puccio"), who they claimed were going to rob Simon of Shirley's personal properties and therefore they were

taking them to Chicago to their homes to protect them.

92. That later when Petitioner questioned Spallina and Tescher and his siblings on where the items were, as some were told to Petitioner by his Mother that they were being bequeathed to him, his wife and children, they attempted to then claim these were gifts to them by Simon and that they have no records of what they removed or inventories of the items that were allegedly now gifted to them.

93. That the problem with this story is that they were Shirley's Personal Property on the day she died and therefore had to be legally listed on her Inventory first before they could become Simon's to gift and Simon would not have committed tax evasion or other criminal acts to improperly transfer assets to himself. Petitioner and his children have not received one item of the Personal Property of Shirley's or the missing Jewelry, despite being Beneficiaries to either a 1/3 or 1/5 of the items depending on the ultimate beneficiaries determined by the courts.

94. That Petitioner has requested to see the Tax Returns of Simon and Shirley to confirm that at minimum, this \$613,932.00 of Jewelry was ever gifted legally but he and his children's former counsel were denied all such requests for information.

95. That Petitioner is aware of a Bentley automobile paid for in full as a gift from Simon to Shirley, owned and titled to Shirley and driven exclusively by Shirley for several years prior to her death that is also not listed on the Inventory of Shirley as Personal Property, again just vanishing into thin air, no accounting of it, no inventorying of it, poof. Again, even if Simon had later sold the car or ate it, he would have first had to inventory the item as an asset of her Estate.

96. That Petitioner has checked the Inventory of Simon and the items missing from Shirley's Inventory that are on the insurance policy do appear listed on Simon's Inventory or his recently Amended Inventory either.

97. That in fact, on December 20, 2013 Petitioner received an Amended Inventory of Simon that also failed to include the missing Jewelry and automobile but was amended to add a ten time increase in assets, as discussed already herein.

98. That these missing and unaccounted for assets of Shirley and Simon's Estates that appear to have gone missing from the Inventories, despite whether they were gifted, sold or ate, remain wholly unaccounted for, evidencing further foul play and egregious bad faith in marshaling the assets of the Estates, in violation of Probate Rules and Statutes and Law. Further, complaints have recently been lodged criminally for the alleged Theft of these assets, as claims will have to be filed with the insurance companies to collect on the stolen items or have them returned in toto or accounted for if they were sold or otherwise transacted.

99. That Petitioner is requesting now that the Estate of Shirley is reopened, a full and forensic accounting and inventorying of Shirley and Simon's Estates and Trusts, including ALL DOCUMENTS and RECORDS filed in the Court by any Party and an auditing of the Court records and files to further determine the extent of the criminal acts uncovered.

100. That due to these new discoveries in the Estate Inventories, FULL accounting is necessary and it was learned in the October 28, 2013 hearing that Spallina claimed that he did no inventorying of Shirley's Personal Property assets at all and relied only an alleged phone call with Simon to assess her worth, where Simon allegedly stated she was only worth \$25,000.00 to his counsel Spallina. That Simon then allegedly signed this inventory and in so

doing was committing fraud as he knew of the Jewelry and auto of Shirley, as did Robert Spallina, Tescher and Theodore.

101. That this Court must now overturn its prior Order to not deal with documents in Shirley's estate that were filed by Simon to close the Estate while he was "serving" as Personal Representative while alive and this Inventory of Shirley's that was ALLEGEDLY FILED while Simon was alive must now be evaluated and investigated further and is now challenged as to its authenticity based on this new information of missing assets, despite when it was alleged filed by Simon either alive or dead.

102. That this is NOT one of the documents that were served illegally for Simon by Tescher and Spallina Post Mortem upon the Court, used as if he were alive and "serving" them to the Court while he was dead and while legally one cannot serve anything while dead as Personal Representative, this is allegedly one of the documents Simon signed while allegedly alive. This would appear as possible tax evasion and theft of assets for no reason committed by Simon and Spallina in preparing this Inventory falsely and therefore the document becomes suspect and where items are then found missing that everyone had knowledge of and possession of and distributions were made between certain family members (not a single item to Petitioner) and all this information concealed from the Courts and Petitioner, which again should sound a FIRE ALARM IN THE COURT to take further instant action to call in the cavalry and FREEZE THE ESTATES and REMOVE THE PERSONAL REPRESENTATIVES AND COUNSEL and more.

103. That now with proven factual evidence of Post Mortem Forgery of Simon's name on documents submitted on his behalf while dead and now this Inventory which appears

to be falsified, there is need to review ALL the documents of Shirley and Simon's Estates forensically and call in the Attorney General or State Attorney to investigate all the documents used to perpetrate the Fraud on the Court, who prepared what and when, who signed what and when, who docketed what and when and more. Further this Court must now turn over any logs and records of the Courts for injured parties to have discovery on and determine who exactly was involved and if the documents are legitimate and properly entered into the record and therefore no documents pre or post Simon's death filed and served on his behalf with the Court or ANY documents should be excluded at this time from further investigation and they should instead be opened widely for inspection by Petitioner and the Authorities. Again, this Court should force the costs and legal expenses be burdened to the responsible parties and not come from the victimized Estates or victimized Beneficiaries and Interested Parties.

104. That this Court should take further Judicial Notice of the crimes, proven admitted and alleged in this case thus far and again act on its own Motions as required by Judicial Cannons and Law to report all those Attorneys at Law and Officers of this Court involved thus far in any way and the criminal matters of Fraud on the Court and Fraud on the Beneficiaries to the proper authorities and cease their ability to further harm and damage Petitioner and his family.

105. That for all these reasons Petitioner's Motion for Full and Formal Forensic Accounting and Document Analysis be granted and paid for by those parties who have caused these problems through criminal acts and more and the costs should not be burdened further on the victims or the Estates or the Court.

**MOTION TO NOT CONSOLIDATE THE ESTATE CASES OF SIMON AND SHIRLEY
BUT POSSIBLY INSTEAD DISQUALIFY YOUR HONOR AS A MATTER OF LAW
DUE TO DIRECT INVOLVEMENT IN FORGED AND FRAUDULENTLY
NOTARIZED DOCUMENTS FILED BY OFFICERS OF THIS COURT AND
APPROVED BY YOUR HONOR DIRECTLY**

106. That the six documents that are proven FORGED and FRAUDULENTLY NOTARIZED presented to Your Honor's Court and additionally regarding the multiple documents from September 13, 2012 to January 2013 that were filed illegally Post Mortem for Simon used to close the Estate, Your Honor and his court officials had direct involvement in and may be called as material and factual witnesses regarding these matters. As Your Honor admitted these FORGED and FRAUDULENTLY NOTARIZED documents to the record to close the Estate and had direct involvement in the Fraud on the Court that was perpetrated on the Court and Beneficiaries, including Petitioner and his three minor children, Your Honor's role in these events becomes directly inter-related and thus conflict arise and possible adverse interest arise as Your Honor may want to hurry this under the rug as it all occurred in your Court and it could be alleged that you are biased or covering up the acts of not only the guilty but your Court officers involved. Not to say that this is the case but that now it COULD be and on that ground Your Honor's handling of this case further may be improper under Judicial Cannon's and more.

107. That Petitioner requests that this Motion to Disqualify Judge Colin in Shirley's estate be heard by a non-conflicted Justice, due to Judge Colin's direct involvement in the matters, the direct involvement of Officers of his Court in FORGERIES, FRAUDULENTLY NOTARIZED DOCUMENTS and FRAUD ON THE COURT AND BENEFICIARIES and the fact that all of these Criminal Acts proven and those alleged have occurred in and upon his

Court and these conflict Judge Colin from handling the matters further without the possibility of bias or prejudice or more to Petitioner who has exposed this massive Fraud on the Court.

108. That as Petitioner is the one who has exposed these Frauds on the Courts and had them prosecuted and could lead to others arrest, including Officers and Fiduciaries of the Court directly involved causes possible Adverse Interests against Petitioner who has exposed these crimes occurring in the Court, committed by Officers of the Court and the Fiduciaries that Judge Colin approved to the record and allows to continue as Officers of the Court and Fiduciaries despite his firsthand knowledge of criminal acts they are involved in alleged violation of Judicial Cannon's and Law.

109. That this puts Judge Colin now in the uncomfortable position as Witness at minimum to what occurred and how his name and his courtroom were used to enable the frauds, but nonetheless, Judge Colin will be deposed by Petitioner regarding his signatures on the fraudulent documents in the record and his direct and personal knowledge regarding the Fraud on his Court and how exactly the crimes occurred and who was involved, crimes he himself observed on the record in both hearings, that led him to declare twice on the record in a September 13, 2013 hearing, that he had enough evidence of fraud on the court to read Tescher, Spallina, Theodore and Manceri their Miranda Warnings but inexplicably has not read them to them yet and has further enabled their criminal activities to continue and flourish. Why Judge Colin has failed to then report these felony frauds on his Court to all the proper authorities or have them arrested and instead gave the guilty parties opportunity to continue to operate as Fiduciaries and Officers of his Court and pollute the record further will also be questioned and perhaps new Judges will read them their Miranda Rights as Colin should have done but did not,

as of the date of this Pleading.

110. That any state or federal investigators that Judge Colin has had contact with to this point must also be removed from further investigation and new investigators who have not had ex parte conversations with Judge Colin must be introduced to investigate the matters without any prejudice that may have occurred in those conversations that may have impeded Petitioner's due process rights to file further complaints, including against the Officers of his Court that perpetrated the criminal Fraud on the Court or obstructed justice in any way.

111. That after speaking with Detective Ryan Miller of the Palm Beach County Sheriff who investigated the crimes of Moran, Judge Colin made it clear to him that he would be in charge of filing any criminal complaints regarding crimes permitted in his Court by Officers of his Court, Tescher, Spallina, Manceri and Ted (as an alleged Fiduciary). If Judge Colin were to fail to take the necessary actions and Petitioner was blocked of his due process and procedural rights from filing criminal complaints this could cause Petitioner to run into Statute of Limitations issues from the obstruction.

112. That Petitioner does not seek Disqualification out of disrespect or dispute with Your Honor at this time but because it now becomes the only legally justified action for Your Honor to take now that Felony Crimes have been committed in and upon Your Court and the Beneficiaries you are custodian for, including three minor children, and Your direct involvement can be questioned. Where this Court, whether intentionally or not, has allowed these FORGED and FRAUDULENTLY NOTARIZED documents to become part of the record of the Estate, polluting the record and trust in any documents filed by the Fiduciaries and Counsel of Record with the Court and therefore if Judge Colin is disqualified all orders and all

records, including all Original documents filed with and by the Court should become open to inspection by the injured parties.

113. That these acts of Officers of the Court, were approved and entered into the record by Your Honor and the Estate closed illegally with Your Honor's stamp of Approval on all of the questionable documents including those filed by Moran but many others as listed already herein done by Spallina and Tescher, which may prove later to be done without malice by Your Honor and other members of the Court but as fraud was committed upon Your Honor by Court Officers already puts Your Honor in conflict and with possible adverse interests to Petitioner inherently and partiality cannot be assured any longer and Disqualification, not recusal is sought for these reasons.

114. That instead of ruling further on Petitioner's Motions and Petitions that have languished before the Court since May 2013 virtually denying Petitioner's due process rights wholly, the Court has instead accepted new inappropriately filed motions by the opposing counsel and ruled on them despite that they were filed inappropriately by Officers of the Court and Fiduciaries who have admitted to and acknowledged Fraud on the Court and Beneficiaries. These motions filed were much later than Petitioners, almost eight months later and were filed in a cover their butt and pepper the record approach to cover up the crimes through further harassment and abuse of process in the Courts against Petitioner, which the Court may or may not be found to have been complacent in.

115. That the fact that the Court is no longer an independent Court involved directly in the criminal activity, whether innocently or not, the cases should not be merged and consolidated between the two Judges who are already involved but should instead instantly be

transferred to two new Judges of the Court, who are prescreened for Conflicts with Petitioner and all prior rulings stricken and all pleadings of counsel investigated for further fraud and reheard entirely free of conflict or adverse interest with Petitioner, as he is the one who has exposed these Frauds in the Court committed by Officers of the Court and the Fiduciaries.

116. That all Fiduciaries and Officer of the Court acting as counsel must also be disqualified instantly for their involvement in the criminal acts and all their pleadings stricken and further their records and all assets held of the Estates should immediately be seized by the new Judges hearing these matters forward and frozen and admitted as evidence.

117. That for all these reasons Petitioner's request to not consolidate the cases of Simon and Shirley at this time and if it is determined that they should be consolidated it should not be with either Judge French or Judge Colin for the obvious conflicts and adverse interest now created.

118. That Title 42 United States Code standard 1983, Entitles Petitioner to NOT have his RIGHTS Deprived as a matter of law. As does the rules of procedure, Florida Law, the Bill of Rights, the Constitution of the United States, UCC Codes, and Rules of Administrative Procedure.

119. That upon knowledge and belief, Petitioner alleges that Case Law states that when a judge acts as a trespasser of the law , when a judge does not follow the law, she then loses subject matter jurisdiction and the Judges orders are void ,of no legal force or effect . Judicial immunity is lost when a Judge lacks jurisdiction.

**MOTION FOR THE COURT TO SET AN EMERGENCY HEARING ON ITS OWN
MOTION DUE TO PROVEN FRAUD AND FORGERY IN THE ESTATE OF SHIRLEY
CAUSED IN PART BY OFFICERS OF THE COURT AND THE DAMAGING AND
DANGEROUS FINANCIAL EFFECT IT IS HAVING ON PETITIONER, INCLUDING
THREE MINOR CHILDREN AND IMMEDIATELY HEAR ALL PETITIONER'S
PRIOR MOTIONS IN THE ORDER THEY WERE FILED**

120. That Petitioner requests an Emergency Hearing be set on this Court's own Motion with new Judges to hear ongoing allegations of continued Extortion by Officers of this Court and Fiduciaries who are directly involved in the proven criminal acts thus far committed on the Court and Beneficiaries. These Extortionary acts are in efforts by the guilty parties to shut down Petitioner and his family immediately through life threatening calamities brought on by these same guilty Respondents acting still as Fiduciaries and Counsel to cause intentional harm against Petitioner, his wife Candice and their three minor children, by those guilty parties who now all have Adverse Interests as Fiduciaries and Counsel in these matters with Petitioner who is trying to have them further prosecuted and tried for additional ongoing criminal acts to those already proven and admitted.

121. That Petitioner respectfully requests that the new Judges hold immediate Emergency hearings on their own Motion to release EMERGENCY funds for Petitioner and his family, within 48 hours, as their lives are at risk as already defined herein and in prior unheard Motions and Petitions, due to the delay in inheritances being distributed to them caused in part by the crimes proven and those alleged herein, including criminal acts of Officers of the Court in and upon the Court and the Beneficiaries, including targeting Petitioner and his children who have exposed the Frauds, Forgeries, Fraud on two Courts, Fraud on a Federal Court, Theft of Assets and more with intent to harm them in dangerous financial ways without notice or

warning.

122. That Petitioner requests the new Judges hearing these matters also schedule further Emergency Hearings to investigate and call in State Prosecutors to investigate the ongoing alleged criminal frauds in the Estates and ongoing in the courts of Judge French and Colin, as defined at length in Petitioners previously unheard Motions and Petitions referenced herein that have been filed since May 2013 and virtually unheard in particular to the many Motions therein, languishing without adjudication that denies Petitioner's due process rights and is alleged to Obstruct Justice of Petitioner in violation of Judicial Cannons, Attorney Conduct Codes and Law.

M. Your Duties After a Loss

If you suffer a covered loss, you must perform these duties:

1. **Notification** - You must immediately notify us or your agent of your loss. In case of theft or accident, you must also notify the police or similar competent authority within 90 days of the loss.
2. **Protect Property** - You must protect property from further damage; and make any repairs that are necessary to protect the property; and keep an accurate record of your expenses. We will pay the reasonable costs of protecting the property from further damage. This will not increase the amount of coverage that applies.

It should describe the property in full, then show in detail the amount insured under this policy and actual amount of the loss. You must attach bills, receipts, and other documents to support your inventory.
4. **Display Property** - You must show us the damaged property when requested.
5. **Examination Under Oath** - We have the right to examine under oath as often as we may reasonably require, you and your family members. If an arbitrator is not agreed upon within that time, either party may request the arbitrator be selected by a judge. The independent appraisers will then appraise the loss and submit any differences to the arbitrator. A decision in writing agreed to by the two appraisers or either appraiser and the arbitrator will be binding. Each appraiser will be paid by the party that has selected him. You and we will share the expenses of the arbitrator equally.
