**Subject:** Re: Bernstein/Simon & Shirley - ABR to Parties 06-12-14 re Draft N-Status Conf

There was a discussion outside of court today. I thought Ben Brown was sitting right there during the entire conversation, but I may be mistaken.

Tescher and Spallina's counsel indicated they were not noticed and are not available for this hearing, so they will move to continue it, it likely will be continued, and we will incur time and money doing that.

I suggested doing the status conference then, but would you consider using those two hours to do the PR motions which are more important.

That is a two hour block of time in mid July.

Also, once there is a PR that is the person to object or take the lead on objecting to Tescher and Spallinas fees, because the curator cannot do that. In my view it makes more sense to do the PR first and deal with everything else later that is only my view.

Please respond simply yes or no whether you think it is appropriate to switch the hearings and do the PR first. You might want to consult with Peter Feaman and Ben Brown first before answering to get their views

Again, I did not know you were trying to reschedule hearings of mine and I object.

I did not suggest we re-set that hearing, and neither of those motions involves the Curator. I only spoke to the motions to appoint PR, and do not believe (but could be wrong) I was present today for the discussion about whether the 7/11 date would be used for a status conference.

The hearing was set without consulting Tescher and Spallina's counsel; Ben Brown suggested we reset it, and I raised the issue with the Court today. That is why we are holding a Status Conference that day and then an evidentiary hearing in August.

Also, we need your deposition to be prepared to address any such hearing. Please advise what dates you are available for deposition on or after July 7<sup>th</sup> to end of July.
