**RE: CASE NO. 502014CP003698**

Dear Honorable Judge Colin,

Per our hearing held on September 15, 2014 and our understanding regarding the placement of witnesses under the counter-defendants in this case, I would like to seek leave to amend my counter complaint at the soonest convenience and before further distribution and servicing to parties occurs. This amendment would remove reference to those parties listed as Material and Fact Witnesses entirely from the list of parties in the complaint.

To live up to my Word to you, I would normally just file an amended complaint and remove them and the references but due to your request to have any filings first approved by you before filing with Court, I seek your approval first herein. These are the only changes at this time I am requesting. I further wish to preserve my right to seek further leave to amend in the future, as I am thinking of how to further address your technical changes and make it short and will send you a copy of that for approval in the next few weeks.

Respectfully Yours,

---
