#### RICO and other legislation

Under the close supervision of Senator [John Little McClellan](#), the Chairman of the Committee for which he worked, Blakey drafted the "RICO Act," Title IX of the [Organized Crime Control Act of 1970](#), signed into law by [Richard M. Nixon](#).<sup>[1]</sup> While in law school, Blakey edited a student note on the unsuccessful prosecution of attendees at the [Apalachin Meeting](#), which first sparked his interest in organized crime; he also wrote a note that analyzed civil liberties in the union movement.<sup>[5]</sup>

In 1960, after law school, Blakey joined the United States Department of Justice under its Honor Program, and he became a Special Attorney in the Organized Crime and Racketeering Section of the Criminal Division of the Department. After [Robert F. Kennedy](#) became Attorney General, the Department began a major effort to bring criminal prosecutions against organized crime members, corrupt political figures, and faithless union officials. The Section assigned Blakey to the effort.<sup>[6]</sup> He remained at Justice until 1964, leaving the summer after the November 1963 assassination of [John F. Kennedy](#).<sup>[1]</sup>

Subsequently, numerous states passed racketeering legislation with Blakey's assistance modeled on the federal statute. In addition, under the close supervision of McClellan, Blakey also drafted Title III on wiretapping of the Omnibus Crime Control and Safe Streets Act of 1968. Numerous states, too, have wiretapping legislation modeled on the federal statute, and Blakey aided in those efforts.

Check out the Source Link Below. G. Robert Blakey famous really for writing / drafting the Racketeer Influenced and Corrupt Organizations Act; which I have alleged in case after case all of these, or most involved in the Simon Bernstein and Shirley Bernstein estate fraud, forgery and possible murder are involed in I, of course ALLEGE.

[http://en.wikipedia.org/wiki/G.\\_Robert\\_Blakey](http://en.wikipedia.org/wiki/G._Robert_Blakey)

John Robert Blakey also served as both [the Chief of the Special Prosecutions Bureau](#) for the Office of the Cook County State's Attorney and as a Special Assistant United States Attorney in the Northern District of Illinois.

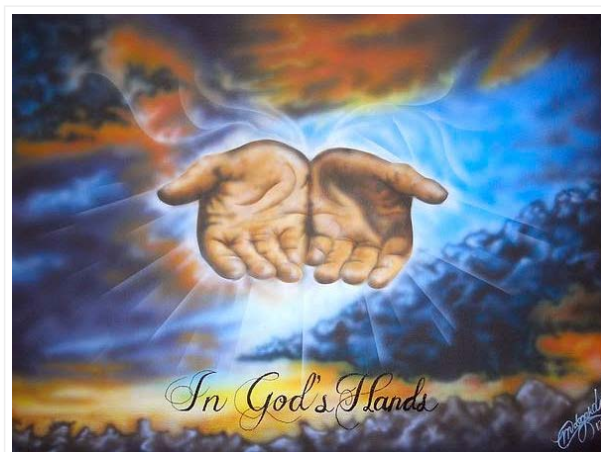

**WOW**

I don't think much CORRUPTION is going to slip by this DOCKET, well in my Opinion. I am SO EXCITED I can't wait to see what happens NEXT.

## President of Jackson National Life Distributors LLC Michael Wells

Why did Jackson National not seem to care that murder was alleged, that documents were forged, that dead guys were signing documents? And yet they paid out millions why? In hopes they did not get caught for other illegal activity?

Why did Jackson National protect Robert Spallina?

Got a Tip

ReverendCrystalCox@Gmail.com

Posted by Crystal L. Cox at 8:37 PM No comments:

## Mike Wells Jackson National CANNOT afford the TRUTH.

"Jackson National exec buys \$4M estate

Last week, right after Michigan-based insurer Jackson National Life Insurance Co. revealed plans to set up a regional headquarters that will bring some 400 jobs to Cool Springs, its second-in-command plunked down \$4 million on a 68-acre equestrian spread near Leiper's Fork.

Mike Wells, vice chairman and chief operating officer of Jackson National, announced the insurer's expansion last Tuesday in a local press conference and then closed the next day on the property, located at 3395 Bailey Road. Seller F. David Bender had put the four-bedroom home and lands on the market in October 2008 at \$4.9 million. Amenities of the gated estate include a riding ring, stables and two stocked ponds, with over a mile of paved roads connecting them.

Wells has previously been based in Jackson National's Santa Monica, Calif. office. Susan M. James and Mary Catherine McAnulty, agents with Viva Properties LLC, represented the seller. "

<https://www.nashvillepost.com/taxonomy/term/15778>

So Mike Wells, number 2 man with Jackson National, why did you let Robert Spallina commit insurance fraud? Or did you? Why did you pay millions with no policy? Why is it ok for dead guys to sign estate documents? Do you really think that you are Above the LAW? Well I don't.

Stay Tuned Folks

Got a Mike Wells, Jackson National Tip?
