Subject: Eliot Bernstein. FW: We have been warned by counsel that we are in danger and need of Federal protection

Dear Inspector General Horowitz, please add this email to my ongoing case file with DOJ OIG. As this involves further potential dangers to my family, where it has been alleged my father was murdered and a Coroner's report reveals several elevated heavy metals, I take this warning very seriously, especially where I have uncovered and proven fraud and forgeries of deceased parties to gain Dominion and Control of my deceased father's estate, the crimes committed by Attorneys at Law. I have been trying to contact the FBI for several months to report several very serious crimes that require federal investigations and have supposedly contacted the FBI who refused to give me names of the people that were supposed to be doing the intake and have not heard back from them at all. I have tried to contact your offices and similarly I was unable to confirm anyone's name that I was speaking to and if in fact you had gotten my messages. Please feel free to contact me at my numbers below. Eliot

Dear Detective Panzer, please add this to the ongoing investigation of my family estate and trust matters. Barbara Stone is a Florida Attorney who is exposing Judicial Corruption. I got a call at 4am from attorney Candice Schwager who informed me and Candice my wife that our lives and those of our children were in imminent danger for our Whistleblowing efforts. This warning came from a licensed attorney. Paul Wright is at the FBI according to Barbara. I was told to contact state and federal authorities for protection. Eliot
