That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father, as alleged by Petitioner's brother Ted as a possible "murder." The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These

estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, including multiple Frauds on the Court and Fraud by the Court itself, with irrefutable evidence of criminal acts by lawyers and law firms and now new allegations that Judges are involved on the attempt to fix and silence the crimes of other members of the Florida Bar and others.

That in the original instance of fraud that occurred against Petitioner and his family in the Courts, many of the Florida Supreme Court Justices named herein may recall that Bernstein in early 2000 began pursuing members of the Florida Bar from a case that began with Jorge Labarga and the international law firm Proskauer Rose intimately involved in thefts of technologies valued as “The Holy Grail” and “Priceless” by leading engineers and when Judge LaBarga was a circuit court judge in Palm Beach County and the complaints against the lawyers and judges involved made their way all the way up to the Supreme Court and why many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly

deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights and more.

These matters are brought expressly to the forefront of this case so matters of conflicts of interest may be properly adjudicated even in the hearing of the instant petitions for writs and other relief and for consideration as to whether the entirety of these matters should be transferred to a jurisdiction outside the State of Florida and other proper relief.

FOR PRESERVATION OF ALL EVIDENCE**

Now comes ELIOT IVAN BERNSTEIN (“PETITIONER”) who respectfully petitions and pleads and shows this court as follows:

- I. This is a Petition for All Writs and is a Writ of Mandamus, Writ of Prohibition and a Temporary Restraining Order-Stay prohibiting any transfer, sale or disposition of any assets herein under the Estates and Trusts of Simon and Shirley Bernstein and Trusts of PETITIONER’S minor children and further requiring the parties to preserve any and all evidence, documents, records, notes, statements,

properties and materials relating to these Estate and Trust matters in all cases stated in the caption.

2. It is respectfully submitted that Hon. Judge Martin Colin (“COLIN”) has failed to perform mandatory duties under Florida law by failing to mandatorily Disqualify himself under the Judicial Canons and as required by law by instead issuing a “Recusal” Order sua sponte within 24 hours of Denying the Disqualification motion “as legally insufficient” and then after “Recusal” acted outside of his jurisdiction to poison and prejudice these cases by communicating with other Judges to transfer the cases while acting as a “material witness” to fraud upon and in his own court. In so doing Judge Martin Colin has acted in excess of his jurisdiction and outside the law and must be prohibited by the writ herein. Because the Orders of Judge Colin who should have mandatorily Disqualified are a nullity and void and must be officially voided, there are no valid and proper Orders under which the parties are acting and thus the parties herein and each case listed in the caption shall be temporarily restrained from any further transfers, sale, disposition or compromise of any asset herein pending proper determinations of authority to act, proper determinations of who is and should be Trustee, the Personal Representative and what Dispositive documents prevail and other substantive orders in the case.

BASIS FOR INVOKING JURISDICTION

3. This is an Original Proceeding filed in the Florida Supreme Court pursuant to Florida Rule of Civil Procedure 9.100(b) and 9.030 for extraordinary writs.

4. Florida Rule of Appellate Procedure Provides:

Original Jurisdiction. The Supreme Court may issue writs of prohibition to courts and all writs necessary to the complete exercise of its jurisdiction, and may issue writs of mandamus and quo warranto to state officers and state agencies. The supreme court or any justice may issue writs of habeas corpus returnable before the supreme court or any justice, a district court of appeal or any judge thereof, or any circuit judge.

5. This Court has jurisdiction to issue writs of mandamus, prohibition and any other writ within the exercise of its judicial authority. See *McFadden vs. Fourth Dist. Court of Appeal*, 682 So.2d 1068 (Fla. 1996).

6. Florida Rule of Appellate procedure 9.100(h) provides:

Order to Show Cause. If the petition demonstrates a preliminary basis for relief, a departure from the essential requirements of law that will cause material injury for which there is no adequate remedy by appeal, or that review of final administrative action would not provide an adequate remedy, the court may issue an order either directing the respondent to show cause, within the time set by the court, why relief should not be granted or directing the respondent to otherwise file, within the time set by the court, a response to the petition. In prohibition proceedings, the issuance of an order directing the respondent to show cause shall stay further proceedings in the lower tribunal.

7. On May 14, 2015, Petitioner filed a “VERIFIED SWORN EMERGENCY PETITION AND AFFIDAVIT FOR IMMEDIATE DISQUALIFICATION OF

JUDGE MARTIN COLIN” (EXHIBIT A) and now seeks Mandamus to compel Hon. Judge Martin Colin to strike his Order Denying the Petition (EXHIBIT B) for mandatory Disqualification as “legally insufficient,” and further strike his Order (EXHIBIT C) for Sua Sponte Recusal ordered the day after denying the Petition for Disqualification and then enter an Order of Disqualification as required by law. Petitioners also seek Prohibition which is also appropriate to prevent Judge Colin from further acting in excess of lawful authority and outside his jurisdiction as Judge Colin acted unlawfully in denying the Motion for Mandatory Disqualification as “legally insufficient” and by his own Sua Sponte Recusal Order issued within 24 hours thereafter showed he had continued to act outside the law and further tainting and poisoning the case by communicating with two other local Judges which ultimately lead the action which is immersed in fraudulent filings, fraudulent documents and fraud on the court to somehow be Transferred to one Hon. Judge Coates who himself was previously a Partner working at Proskauer Rose, an international law firm whose conduct and actions are clearly implicated in these cases in the Probate Courts of Florida. In fact, Judge Coates who gets these Probate cases after Judge Colin acts to poison these cases with other Florida Judge, worked in the office of Proskauer Rose right across the hall from Petitioner here in Boca Raton, Florida during key times at issue in the underlying actions.

**IMMINENT AND IMMEDIATE PENDING ACTIONS MAKING
PROHIBITION, STAY AND TEMPORARY RESTRAINING ORDER
APPROPRIATE**

8. Prohibition and further Stay and Temporary Restraining Order is further appropriate since the unlawful acts of Judge Colin in denying Disqualification and instead issuing "Recusal" could have the effect of leading the parties herein to further act in fraud such as an immediately imminent illegal Sale of the deceased Simon Bernstein home in Boca Raton, Florida pursuant to an illegal Order of Sale by Judge Colin which should have been vacated as a nullity upon his mandatory disqualification, yet despite being a legal nullity and there being no lawful authority to act, the parties acting in fraud could infer this Sale still proper to move forward and thus must be Stayed and temporarily restrained pending further hearings and determinations. Of fundamental relevance herein and as set out in the mandatory Disqualification motion of Judge Colin, actions were permitted to continue in fraud in his courts for nearly 2.5 years yet Judge Colin had never held a hearing to determine a proper Trustee of the Trusts, no hearing for the meaning and proper construction of the Trusts , and likewise never held a hearing to determine the validity of any Will or Trust nor the Personal Representative of either estate and instead Judge Colin's Court simply permitted parties intertwined in the Fraud such as Ted Bernstein to continue to act illegally selling off property, stealing personal property and making other dispositions and

now the illegal sale of the deceased Simon Bernstein home by Ted Bernstein is imminently scheduled for sale by tomorrow, June 10, 2015. It is noted that in the Estate of Shirley Bernstein alone which was first filed in 2011, there has been no Trust accountings in over 4 years.

STATEMENT OF FACTS

9. The mandatory disqualification of Judge Colin herein came in the Estate cases of my parents, Shirley and Simon Bernstein, with Shirley predeceasing Simon in Dec. 2010 and Simon passing in Sept. 2012. According to the “official” Court records to date, Judge Colin presided over the Estate of Shirley Bernstein while initially Judge French presided over the Estate of Simon Bernstein although eventually Judge Colin begins making rulings and taking action in both cases. At the time of Simon Bernstein’s passing in 2012, his eldest son Ted Bernstein was claiming possible murder of his father at the hospital in Boca Raton, and proceeded to take steps to claim possible murder with the Coroner, members at the hospital and eventually the Palm Beach County Sheriff’s Office back at the home of Simon Bernstein shortly after he was declared deceased. Since that time, valuable personal property items and jewelry which itself was worth more than a million dollars has gone missing and unaccounted for, Simon’s home computer and hard drives had been wiped clean, Shirley’s condo on the beach was sold off illegally, while multiple key and critical documents like Trusts and other business

A blue ink signature, possibly reading 'T. Bernstein', is written over a circular fingerprint scan. The fingerprint scan is a standard latent print used for identification.

documents went “missing” and/or not produced by the involved attorneys and fiduciaries. Simon Bernstein had been in the insurance business some 50 years or so and a fair approximate combined worth of both estates could be \$50 to \$100 million.

10. This estimate of combined value does not consider the “missing Iviewit stock” wherein the international law firm of Proskauer Rose was directly involved with Simon Bernstein and the Bernstein family trust and estate planning where the “missing Iviewit stock” alone could send the value of the Estates into the billions of dollars.
11. Yet, despite significant estate and trust planning to provide for Petitioners minor children, Joshua, Jacob and Daniel Bernstein, under Judge Colin the minor children have not only been kicked out of the St. Andrew’s school for non-payment of education bills despite Shirley and Simon having planned for them to attend this school through graduation (including fully funded college plans) and provide for their welfare, but the minor children have even faced risk of having electricity cut off while the children’s home has already had the home security system cut off and other bills remaining unpaid while Ted Bernstein and others have secreted away monies, properties and documents and records while Judge Colin acted as Probate Judge.

12

12. Thus, Petitioner herein, Eliot I. Bernstein, filed a detailed and specified Motion for mandatory Disqualification of Judge Colin on or about May 14, 2015. The motion satisfied all requirements under the law and rules pertaining to mandatory Disqualification under the Canons of Judicial Conduct and was proper in all respects. The motion, which is annexed hereto, set out mandatory Disqualification under several provisions (Florida Rule of Judicial Administration 2.330, Florida Statute 38, and Florida Code of Judicial Conduct, Canon 3(B)7, 3(B)5, 3E(1), 3(E)1a, 3(E)1b and 3(E)1b(iv)) pertaining to (a) the judge has a personal bias or prejudice concerning a party or a party's lawyer; (b) or personal knowledge of disputed evidentiary facts concerning the proceeding; (c) is to the judge's knowledge likely to be a material witness in the proceeding.
13. While Petitioner set out a proper legally sufficient motion to mandate Disqualification under all three grounds, most troubling and critical for purposes of the Writ of Prohibition as it relates to Judge Colin's conduct acting in excess and outside jurisdiction is the continuing to act and interfere in proper adjudication of the cases with other judges while being a material witness to the ongoing and continuing frauds in his courts and on his court. See, COLIN Sua Sponte Recusal issued within 24 hours of illegal denial of mandatory disqualification motion.

13

14. It is noted that at the time this mandatory disqualification motion had been filed, Judge Colin had already permitted the cases to continue for nearly 2.5 years without ever holding a hearing to determine who the proper Trustees were, who proper Personal Representatives of the Estate were and are, what the construction and meaning of the Trusts and Estates should be all the while permitting parties such as Ted Bernstein and attorneys Tescher and Spallina who are involved in the direct frauds upon his court to nonetheless continue acting permitting properties to be illegally sold, substantial monies and assets transferred and disposed of while denying Petitioner and Petitioner's minor children rights of inheritancy causing substantial financial and related harm.
15. Such Disqualification motion was filed against the further backdrop of a case wherein the Trustee being illegally allowed to act, Ted Bernstein, had such concerns and suspicions that deceased Simon Bernstein (his father) may have been murdered that he sought action by the Coroner, action to get an independent autopsy and a complaint to the Palm Beach County Sheriff's all within a short amount of hours after Simon Bernstein passed.
16. The Motion for Mandatory Disqualification was filed nearly two years after Petitioner had first filed an Emergency Motion in both the Estate cases of Shirley and Simon Bernstein showing direct fraud on the Court of Judge Colin by the filings of Attorneys Donald R. Tescher, Esq. and Robert L. Spallina, Esq. dating

back to at least October of 2012. By the time the May 2015 Disqualification was filed herein, a paralegal Notary Public Kimberly Moran who was employed by Tescher and Spallina had already been under investigation and later charged and convicted in Notary Fraud involving the same filings made by the Attorney Tescher and Spallina law firm in Oct. 2012. Attorney Spallina, himself, later admitted to the Palm Beach Sheriff of fraudulent actions by himself personally in conspiracy with his partner Tescher involving one of the Trusts (2008 Shirley Bernstein Trust), wherein attorney Spallina admitted to fraudulently changing such 2008 Trust of Shirley Bernstein to change the beneficiaries of this Trust to benefit both Ted Bernstein and Pam Bernstein Simon.

17. Yet Judge Colin, despite stating on the Record on Sept. 13, 2013 that Miranda warnings were appropriate for Ted Bernstein and his attorneys Tescher and Spallina and others, continued to allow the parties to move forward in fraud and held no hearings to correct the frauds and took no actions to refer the attorneys Spallina and Tescher to proper authorities. This was the first hearing held after I filed a detailed Emergency Motion in May of 2013 detailing the fraud upon Judge Colin's Court and other improprieties and requests for relief.
18. While Judge Colin's full involvement in the frauds is presently unknown, it is clear that he was made directly aware of the frauds by Petitioner's Emergency motion filing in May, 2013, if not directly aware or involved earlier. It presently

15

remains unclear the extent to which Judge Colin's acts post sua sponte recusal have further poisoned the fair adjudication of the cases herein.

MANDAMUS

19. A Writ OF Mandamus is appropriate and required to direct JUDGE COLIN to vacate his prior illegal ORDERS, specifically the Sua Sponte Order of Recusal and Order Denying the motion for Disqualification as "legally insufficient" and to further enter an Order of Disqualification and Vacating all other Orders in the case. The writ of mandamus is appropriately used to require a government actor to perform a nondiscretionary duty or obligation that he or she has a clear legal duty to perform. See *Austin v. Crosby*, 866 So. 2d 742, 743 (Fla. 5th D.C.A. 2004) (holding that mandamus may only be granted if there is a clear legal obligation to perform a duty in a prescribed manner). It applies to enforce a right already established. *Austin*, 866 So. 2d at 744. The writ of mandamus will issue to require a trial court to comply with the mandate of an appellate court. *Superior Garlic Int'l, Inc. v. E&A Produce Corp.*, 29 Fla. L. Weekly D2341 (Fla. 3d D.C.A. Oct. 20, 2004).
20. "Mandamus is a common law remedy used to enforce an established legal right by compelling a person in an official capacity to perform an indisputable ministerial duty required by law." *Poole v. City of Port Orange*, 33 So. 3d 739, 741 (Fla. 5th DCA 2010) (citing *Puckett v. Gentry*, 577 So. 2d 965, 967 (Fla. 5th

16

DCA 1991)). “A duty or act is ministerial when there is no room for the exercise of discretion, and the performance being required is directed by law.” *Austin v. Crosby*, 866 So. 2d 742, 744 (Fla. 5th DCA 2004).”

21. “Mandamus is a common law remedy used to enforce an established legal right by compelling a person in an official capacity to perform an indisputable ministerial duty required by law.” *Poole v. City of Port Orange*, 33 So. 3d 739, 741 (Fla. 5th DCA 2010) (citing *Puckett v. Gentry*, 577 So. 2d 965, 967 (Fla. 5th DCA 1991)). “A duty or act is ministerial when there is no room for the exercise of discretion, and the performance being required is directed by law.” *Austin v. Crosby*, 866 So. 2d 742, 744 (Fla. 5th DCA 2004).

22. Petitioner’s motion for Disqualification clearly shows it was properly filed according to law and was facially valid and sufficient and thus Petitioner has established a clear legal right to Disqualification by Judge Colin and mandamus is thus appropriate to enforce this right. The only question before this Court is whether Petitioner met this burden in the filing of the mandatory Disqualification of May 2015 and this Petition and such original Disqualification motion (EXHIBIT A) clearly shows the burden was met by Petitioner thus making mandamus appropriate at this time.

DISQUALIFICATION MOTION SHOWED JUDGE COLIN AS A MATERIAL FACT WITNESS TO FRAUDULENT FILINGS BY ATTORNEYS ROBERT SPALLINA AND DONALD TESCHER USING A NOW DECEASED SIMON BERNSTEIN TO CLOSE THE ESTATE OF HIS WIFE, SHIRLEY BERNSTEIN, WHO PREDECEASED HIM

23. The Disqualification motion clearly demonstrated Judge Colin as a material fact witness in relation to the fraud by Attorneys Spallina and Tescher specifically in relation to an Oct. 24, 2012 filing wherein Attorney Spallina files multiple documents allegedly signed by then Deceased Simon Bernstein nearly 6 months before, yet filing these documents in Judge Colin's Court in the Estate of Shirley Bernstein as if Simon was present and still alive, thus using a Deceased person to attempt to close the Estate of Shirley Bernstein. One of the documents filed at this time is an April 9, 2012 Petition for Discharge which was signed before attorney Robert Spallina allegedly by Simon Bernstein. In addition to this document being fraud as purporting in October of 2012 to be filed by Simon who was now deceased, the document had further fraud in the document such as alleging Waivers by the Simon Bernstein children had been performed by such date and yet these Waivers were not completed as of April 9, 2012. These Waivers which were not completed as of April 9, 2012 are other documents later admitted by the Tescher Spallina employee and Notary Kimberly Moran to have been forged. The Disqualification motion further shows Judge Colin and his Court Officer having

18

Ex Parte contact with Attorney Spallina two weeks later on Nov. 5, 2012 but not even this Ex Parte communication is docketed until the next day, Nov. 6, 2012.

An excerpt of the Disqualification motion shows just some of the material fact issues relating to the scheme of fraud in Judge Colin's court as follows from paragraph 19:

19. This lack of impartiality by Judge Colin and his Court is further compounded by the facts shown by the face of the Court's own Docket and files that it took at least overnight to even Docket the Nov. 5, 2012 Ex Parte Memo on Nov. 6th, 2012 which leads right in and goes hand in hand with the other mandatory grounds for Disqualification on his own initiative for now having knowledge of disputed evidentiary facts involving the proceeding and being likely to be called as a material and-or fact witness, as it is unknown:

- a. Were the Oct. 24, 2012 Filings filed in person and if so by whom?;
- b. If filed in person is Case Manager Astride Limouzin the person who "received" the filings for the Court or is she just the go between with Spallina office and Judge Colin on the Ex Parte Memo?
- c. Who communicated on the file with Judge Colin? Just Limouzin or any other Clerks and Case Managers?
- d. If filed by Mail then by whom and where is the correspondence and envelopes that the filings arrived in to show who signed the correspondence and mailed them if so? ;
- e. If filed by mail then where are the envelopes and correspondence or has this evidence been destroyed?
- f. Why such a long delay between when the Nov. 5th 2012 Ex Parte Memo was created and then Docketed on Nov. 6, 2012?
- g. How was the Memo transmitted to Spallina office? By fax, by mail? Were any phone calls made by the Court or Court Clerks and Case Managers? Any other Ex Parte communications?
- h. Why was the Nov. 5th, 2012 Memo done Ex Parte and not Communicated to all parties with standing in Shirley's case not only for purposes of avoiding impartiality but also to timely apprise the parties of said filings and defects?

- i. Did Judge Colin review the documents?
- j. Did Judge Colin know if Simon was deceased and when did he know? Who told him?

24. Note: These are not an exhaustive list of material fact questions surrounding these fraudulent filings and actions but were sufficient for the mandatory Disqualification as set out in the May 2015 motion.

25. The Disqualification motion in Exhibit A shows other legally proper and valid grounds for disqualification based upon reasonable fear of bias and lack of impartiality and is detailed in the grounds. It is petitioned to this Court that this May 2015 Disqualification motion is not an exhaustive list of the errors and grounds for Disqualification of Judge Colin but was clearly legally sufficient at the time and Judge Colin and Mandamus should now be issued.

26. As a further except of the May 2015 Disqualification motion, the following is presented:

20. Finally, in his own words in the first day of the hearing to sell the house on March 26, 2015, Colin stated that he first had to have hearings to remove Ted, hearings for trust construction to determine validity and investigation of wrongdoings beyond Tescher and Spallina before being able to proceed further and yet with none of those things were achieved and at the next hearing he allows the sale of the house ignoring his prior statement:

13 MR. ROSE: We didn't share the appraisal
14 because, frankly, we were concerned it would be
15 public and that would defeat their chance of
16 selling it.

17 THE COURT: I'm not -- look, nothing is easy
18 here. It's not going to get easier until we can

19 get hearings where I can start to knock off some
20 of the issues, which is what I have been saying
21 now like a broken record.
22 At some point, either Eliot is going to be
23 sustained on his positions or he's going to be
24 overruled, but one way or the other, we can put
25 some of this stuff to rest. The problem is we're
1 doing all of this business with some of the metes [matters]
2 of the case still up in the air where I haven't
3 been able to adjudicate; the claims that Ted
4 should be removed; the claims that there's
5 wrongdoing beyond Spallina and Tescher, the trust
6 is not valid. I mean, give me a chance to rule on
7 that, because once I rule on that, then the matter
8 is over with on those and you'll know one way or
9 the other what to do.

27. Yet, despite Judge Colin proclaiming on the Record that he had to have hearings on whether Ted should be trustee and what the proper construction of the instruments are, Judge Colin proceeds to allow the Simon Bernstein home to be sold by Ted Bernstein in the next hearing and falsely proclaims this to be an “arms-length” transaction despite never having testimony from the alleged buyer of the home nor disclosing the identity of the buyer. See, Exhibit A Disqualification motion. This comes after Judge Colin has already allowed Ted Bernstein to sell a condo of Shirley Bernstein’s allegedly as the successor Trustee of Shirley’s Trust and yet it is the precise Shirley’s Trust of 2008 that attorney Spallina had admitted to fraudulently altering making such admission to the Palm Beach County Sheriff’s Office on or about Jan. 2014, nearly a year and a half before, without Judge Colin ever holding a hearing on these issues. It is further

24

noted that Ted Bernstein is acting almost solely upon the acts of Tescher and Spallina who were clearly shown by this time to have been engaged in massive fraud upon the Court, yet Colin permits Ted Bernstein to continue to act.

28. COLIN had a statutory duty and was mandated by judicial canons to disqualify himself on his own initiative years before his Sua Sponte Recusal on May 20, 2015 and after PETITIONER filed a Petition to Disqualify on May 14, 2015 that was legally sufficient within Fla. Stat. 38.10 and Fla. Rules Jud. Admin 2.330 and Judicial Canons.

29. That Petitioner, being Pro Se, also motioned COLIN several times to disqualify on his own initiative as required under statutes and Judicial Canons and COLIN failed to rule on the motion and disqualify himself.

30. The Florida Code of Judicial Conduct Canon 3 provides states:

A Judge SHALL disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances where: (a) the judge has a personal bias or prejudice concerning the party or a party's lawyers.

31. Disqualification is mandatory under Florida Rule of Judicial Administration Rule 2.330 and Florida Statute 38.10. In 1994, the U.S. Supreme Court held that "Disqualification is required if an objective observer would entertain reasonable questions about the judge's impartiality. If a judge's attitude or state of mind leads a detached observer to conclude that a fair and impartial hearing is unlikely, the

judge must be disqualified." *Liteky v. U.S.*, 114 S.Ct. 1147, 1162 (1994).

Positive proof of the partiality of a judge is not a requirement, only the appearance of partiality. *Liljeberg v. Health Services Acquisition Corp.*, 486 U.S. 847 (1988); *Levine v. United States*, 362 U.S. 610 (1960);

32. Should a judge not disqualify himself, the judge is in violation of the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996) ("The right to a tribunal free from bias or prejudice is based, not on section 144, but on the Due Process Clause.") "[A] fundamental requirement of due process is the opportunity to be heard . . . at a meaningful time and in a meaningful manner." *Armstrong v. Manzo*, 380 U.S. 545, 552 (1965) (internal quotation marks and citation omitted). *Garraghty v. Va. Dep't of Corr.*, 52 F.3d 1274, 1282 (4th Cir. 1995); *Mathews v. Eldridge*, 424 U.S. 319, 335 (1976);

33. Judges do not have discretion not to disqualify themselves. By law, they are bound to follow the law. Should a judge not disqualify himself as required by law, then the judge has given another example of his "appearance of partiality" which further disqualifies the judge. Should a judge not disqualify himself, then the judge is violation of the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996).

34. Disqualification is Mandatory under the Code of Judicial Conduct, Canon 3

"A Judge Shall Perform the Duties of Judicial Office Impartially and Diligently" Section E. Disqualification.

23

(1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances where: (d) the judge or the judge's spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person: (iv) is to the judge's knowledge likely to be a material witness in the proceeding.”

35. The issues before this Court are the failure of COLIN to mandatorily Disqualify and the “**legal sufficiency**” of the motion to Disqualify filed by PETITIONER and more importantly the failure of COLIN to mandatorily disqualify on his own initiative versus waiting for PRO SE PETITIONER to file sufficient pleadings. In order to demonstrate legal sufficiency, PETITIONER needed to show:

...a well-grounded fear that he will not receive a fair [hearing] at the hands of the judge. **It is not a question of how the judge feels; it is a question of what feeling resides in the affiant's mind and the basis for such feeling.**’

State ex rel. Brown v. Dewell, 131 Fla. 566, 573, 179 So. 695, 697- 98 (1938). *See also Hayslip v. Douglas*, 400 So. 2d 553 (Fla. 4th DCA 1981). **The question of disqualification focuses on those matters from which a litigant may reasonably question a judge's impartiality rather than the judge's perception of his ability to act fairly and impartially.** *State v. Livingston*, 441 So. 2d 1083, 1086 (Fla. 1983) (emphasis added). In a case where the PETITIONER'S liberty is at stake, the court “should be especially sensitive to the basis for the fear.” *Chastine v. Broome*, 629 So. 2d 293, 294 (Fla. 4th DCA 1993). The circumstances of this case are of such a nature that they are “sufficient to warrant fear on PETITIONER'S part] that he would not receive a fair hearing by the assigned

judge.” *Suarez v. Dugger*, 527 So. 2d 191, 192 (Fla. 1988).

36. For all the reasons set forth herein and by the attached Disqualification Motion of May 2015 in Exhibit A and upon all the proceedings, documents and records herein, Mandamus must now issue for Judge Colin to strike the prior Sua sponte Order of Recusal, strike the Order denying the Disqualification motion as legally insufficient, and void all Orders in the case from Nov. 2012 forward at minimum.

PROHIBITION

37. The writ of prohibition is issued when a judge improperly denies a motion for recusal or disqualification and appropriately directs the Judge to refrain from exceeding its jurisdiction. *Carroll v. Fla. State Hosp.*, 885 So. 2d 485 (Fla. 1st D.C.A. 2004) (noting that prohibition is the appropriate way to review a trial judge’s order denying a motion to disqualify).
38. WRIT OF PROHIBITION is proper to prevent an inferior court or tribunal from improperly exercising jurisdiction over a controversy and if a petition for a writ of prohibition demonstrates a preliminary basis for entitlement to relief, the court can issue an order to show cause why relief should not be granted. Once a show cause order issues in prohibition, it automatically stays the lower court proceeding. Fla. R. App. P. 9.100(h).

39. The writ of prohibition is issued when a judge improperly denies a motion for recusal or disqualification and appropriately directs the Judge to refrain from exceeding its jurisdiction. *Carroll v. Fla. State Hosp.*, 885 So. 2d 485 (Fla. 1st D.C.A. 2004) (noting that prohibition is the appropriate way to review a trial judge's order denying a motion to disqualify).
40. That COLIN influencing the matters after recusal appears further obstruction and may have given Proskauer inside information and records with intent and scienter in further efforts to derail PETITIONER'S rights.

The Court further stated:

In *Metropolitan Dade County v. Martinsen*, 736 So. 2d 794, 795 (Fla. 3d DCA 1999), this Court restated the well-settled principle "that a party who has been guilty of fraud or misconduct in the prosecution or defense of a civil proceeding should not be permitted to continue to employ the very institution it has subverted to achieve her ends." *Hanono v. Murphy*, 723 So. 2d 892, 895 (Fla. 3d DCA 1998) (citing *Carter v. Carter*, 88 So. 2d 153, 157 (Fla. 1956)).

41. This is the exact same divisive and devious conduct exhibited herein – these state actors are employing the very institution they have subverted to achieve their ends.
42. Thus, in this case, Judge Colin proceeded to poison the further hearing and adjudication of the cases in Florida by having ex parte communications with other Judges of the Florida Courts while he should have been disqualified as a material witness to the Tescher Spallina Moran frauds and for other grounds. Yet, this

26

process of poisoning the case with other Judges leads to the case being directed to one Judge Coates who himself was a Proskauer Rose partner out of the Boca Raton, Florida office right across the hall from Petitioner herein when Proskauer and related parties were stealing away patents and technologies valued in the hundreds of billions (if not trillions) over the lifetime of the IP and heralded by leading engineers and experts as the “holy grail” of the internet.

43. Proskauer Rose, themselves, had in fact “billed” for Estate and Trust work involving Simon Bernstein and Petitioner’s minor children in Billings that came out in a prior action here in Florida heard before Judge Labarga.

44. Judge Colin had already been petitioned and advised about the “elephant in the room” being the Proskauer Rose involvement and missing Iviewit stock and patent fraud by the May 2013 Emergency Motion attached herein and further set out in the May 2015 Disqualification motion. .
45. Attorneys Spallina and Tescher had already filed a Will of Simon Bernstein on or about Oct. 2, 2012 shortly after Simon’s passing that was prepared by Proskauer Rose and thus, clearly Simon Bernstein’s passing was noted in the State of Florida Palm Beach County Court System prior to the Oct. 24, 2012 fraud by Spallina and Tescher when now deceased Simon Bernstein is being used to “close” Shirley Bernstein’s Estate and certainly Simon’s passing was registered in the Florida Probate Court system at the time of the subsequent Nov. 2012 Ex Parte communication to Spallina by Judge Colin’s case assistant on behalf of Judge Colin.
46. Yet, even in “resigning” from the case by the sua sponte recusal Judge Colin continued to poison proceedings and a writ of prohibition must now issue along with protective Orders as requested.

ALL ORDERS OF JUDGE COLIN ARE A NULLITY AND ARE VOID

47. Where a judge fails to disqualify, there is no jurisdiction to act and any order issued is illegal and void. *Kilbourn v. Thompson*, 103 U.S. 168 (1881). In *Kilbourn*, the Sergeant-at-Arms of the United States House of Representatives

48

was held not to have immunity for ordering that the PLAINTIFF be arrested under a warrant issued by the House for refusing to testify because they lacked jurisdiction to issue such an order. *Id.* The court held that the House *did not have jurisdiction* to conduct the particular investigation. The Sergeant at Arms was liable for false arrest and could not assert the issuance of the warrant as a defense. *Id.* An order that exceeds the jurisdiction of the court is void, and can be attacked in any proceeding in any court where the validity of the judgment comes into issue. See *Pennoyer v. Neff* (1877) 95 US 714; *Windsor v. McVeigh* (1876) 93 US 274; A void judgment is no judgment at all and "a court must vacate any judgment entered in excess of its jurisdiction." *Lubben v. Selective Service System Local Bd. No. 27*, 453 F.2d 645 (1st Cir. 1972). *Kalb v. Feuerstein* (1940) 308 US 433.

48. "A void judgment does not create any binding obligation. *Kalb v. Feuerstein* (1940) 308 US 433. If a court grants relief, which, under the circumstances, it hasn't any authority to grant, its judgment is to that extent void." An illegal order is forever void. A void order is *void ab initio* and does not have to be declared void by a judge. The law is established by the *U.S. Supreme Court in Valley v. Northern Fire & Marine Ins. Co.*, 254 U.S. 348, (1920) as well as other state courts, in *People v. Miller*. "Courts are constituted by authority and they cannot go beyond that power delegated to them. If they act beyond that authority, and

certainly in contravention of it, their judgments and orders are regarded as nullities...” *Valley v. Northern Fire and Marine Ins. Co.*, 254 U.S. 348.

49. Thus, because Judge Colin should have disqualified and acted outside his jurisdiction, all such Orders of Judge Colin should now be vacated and voided. Judge Colin himself, even prior to the Sept. 2013 Hearing which occurred after his court was expressly petitioned on the Tescher Spallina fraud by the May 2013 Emergency Motion, must be charged with personally knowing of Simon’s passing by May of 2013 since he issued an Order denying the Emergency motion in BOTH the Estates of Shirley and Simon and thus must have known Simon had passed by that date. It is noted, however, that Judge French had been assigned to Simon’s estate in May of 2013 yet Judge Colin issued the Order denying the Emergency motion. Further, Judge Colin must be chargeable with reading the filings in his own Court by the time he issued the Order closing Shirley’s Estate in Jan. 2013 and thus should have known of Simon’s passing by that time and thus all Orders from Jan. 2013 on must be vacated.

**ALL PRIOR ORDERS OF JUDGE COLIN SHOULD BE VACATED AS
VOID AND A LEGAL NULLITY**

50. “Procedural due process promotes fairness in government decisions by requiring the government to follow appropriate procedures when its agents decide to deprive any person of life, liberty or property.” *John Corp. v. City of Houston*, 214 F.3d 573, 577 (5th Cir. 2000) (internal citations and quotations omitted).

30

“Substantive due process, by barring certain government actions regardless of the fairness of the procedures used to implement them, serves to prevent governmental power from being used for purposes of oppression.” Id. In order to establish either a substantive or procedural due process violation, a plaintiff must first establish the denial of a constitutionally protected property interest. See Bryan v. City of Madison, 213 F.3d 267, 276 (5th Cir. 2000).

LEGAL AUTHORITIES

MANDATORY DISQUALIFICATION

51. COLIN had a statutory duty and was mandated by judicial canons to disqualify himself on his own initiative years before his Sua Sponte Recusal on May 20, 2015 and after PETITIONER filed a Petition to Disqualify on May 14, 2015 that was legally sufficient within Fla. Stat. 38.10 and Fla. Rules Jud. Admin 2.330 and Judicial Canons.
52. That Petitioner, being Pro Se, also motioned COLIN several times to disqualify on his own initiative as required under statutes and Judicial Canons and COLIN failed to rule on the motion and disqualify himself.
53. The Florida Code of Judicial Conduct Canon 3 provides states:

A Judge SHALL disqualify himself or herself in a proceeding in which the judge’s impartiality might reasonably be questioned, including but not limited to

31

instances where: (a) the judge has a personal bias or prejudice concerning the party or a party's lawyers.

54. Disqualification is mandatory under Florida Rule of Judicial Administration Rule 2.330 and Florida Statute 38.10. In 1994, the U.S. Supreme Court held that "Disqualification is required if an objective observer would entertain reasonable questions about the judge's impartiality. If a judge's attitude or state of mind leads a detached observer to conclude that a fair and impartial hearing is unlikely, the judge must be disqualified." *Liteky v. U.S.*, 114 S.Ct. 1147, 1162 (1994). Positive proof of the partiality of a judge is not a requirement, only the appearance of partiality. *Liljeberg v. Health Services Acquisition Corp.*, 486 U.S. 847 (1988); *Levine v. United States*, 362 U.S. 610 (1960);
55. Should a judge not disqualify himself, the judge is violation of the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996) ("The right to a tribunal free from bias or prejudice is based, not on section 144, but on the Due Process Clause.") "[A] fundamental requirement of due process is the opportunity to be heard . . . at a meaningful time and in a meaningful manner." *Armstrong v. Manzo*, 380 U.S. 545, 552 (1965) (internal quotation marks and citation omitted). *Garraghty v. Va. Dep't of Corr.*, 52 F.3d 1274, 1282 (4th Cir. 1995); *Mathews v. Eldridge*, 424 U.S. 319, 335 (1976);

56. Judges do not have discretion not to disqualify themselves. By law, they are bound to follow the law. Should a judge not disqualify himself as required by law, then the judge has given another example of his “appearance of partiality” which further disqualifies the judge. Should a judge not disqualify himself, then the judge is violation of the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996).
57. Disqualification is Mandatory under the Code of Judicial Conduct, Canon 3 “A Judge Shall Perform the Duties of Judicial Office Impartially and Diligently” Section E. Disqualification. (1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances where: (d) the judge or the judge's spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person: (iv) is to the judge's knowledge likely to be a material witness in the proceeding.”
58. The issues before this Court are the failure of COLIN to mandatorily Disqualify and the “legal sufficiency” of the motion to Disqualify filed by PETITIONER and more importantly the failure of COLIN to mandatorily disqualify on his own initiative versus waiting for PRO SE PETITIONER to file sufficient pleadings. In order to demonstrate legal sufficiency, PETITIONER needed to show:

38

...a well-grounded fear that he will not receive a fair [hearing] at the hands of the judge. It is not a question of how the judge feels; it is a question of what feeling resides in the affiant's mind and the basis for such feeling.'

State ex rel. Brown v. Dewell, 131 Fla. 566, 573, 179 So. 695, 697- 98 (1938). See also Hayslip v. Douglas, 400 So. 2d 553 (Fla. 4th DCA 1981). The question of disqualification focuses on those matters from which a litigant may reasonably question a judge's impartiality rather than the judge's perception of his ability to act fairly and impartially. State v. Livingston, 441 So. 2d 1083, 1086 (Fla. 1983) (emphasis added). In a case where the PETITIONER'S liberty is at stake, the court "should be especially sensitive to the basis for the fear." Chastine v. Broome, 629 So. 2d 293, 294 (Fla. 4th DCA 1993). The circumstances of this case are of such a nature that they are "sufficient to warrant fear on PETITIONER'S part] that he would not receive a fair hearing by the assigned judge." Suarez v. Dugger, 527 So. 2d 191, 192 (Fla. 1988).

59. PETITIONER and his minor children are entitled to a full and fair proceeding, including a fair determination of the issues by a neutral, detached judge. Holland v. State, 503 So. 2d 1354 (Fla. 1987); Easter v. Endell, 37 F.3d 1343 (8th Cir. 1994). Due process guarantees the right to a neutral, detached judiciary in order "to convey to the individual a feeling that the government has dealt with him fairly, as well as to minimize the risk of mistaken deprivations of protected

interests.” Carey v. Piphus, 435 U.S. 247, 262 (1978). Principles of due process demand that this case be heard by another judge selected without COLIN’S prejudice and for COLIN to disqualify himself and remove his Orders issued outside his jurisdiction and outside the color of law:

The Due Process Clause entitles a person to an impartial and disinterested tribunal in both civil and criminal cases. This requirement of neutrality in adjudicative proceedings safeguards the two central concerns of procedural due process, the prevention of unjustified or mistaken deprivations and the promotion of participation and dialogue by affected individuals in the decision making process. See Carey v. Piphus, 435 U.S. 247, 259-262, 266- 267 (1978). The neutrality requirement helps to guarantee that life, liberty, or property will not be taken on the basis of an erroneous or distorted conception of the facts or the law. See Matthews v. Eldridge, 424 U.S. 319, 344 (1976). At the same time, it preserves both the appearance and reality of fairness, ‘generating the feeling, so important to a popular government, that justice has been done,’ Joint Anti-Fascist Committee v. McGrath, 341 U.S. 123, 172, (1951) (Frankfurter, J., concurring), by ensuring that no person will be deprived of his interests in the absence of a proceeding in which he may present his case with assurance that the arbiter is not predisposed to find against him. Marshall v. Jerrico, Inc., 446 U.S. 238, 242 (1980).

A blue ink handwritten signature is written over a blue ink fingerprint. The signature is stylized and appears to be the initials 'EJ'. The fingerprint is a standard ten-print pattern.

60. The disqualification rules require judges to avoid even the appearance of impropriety and COLIN'S self-dealing actions after knowing he would be a material and fact witness to crimes that occurred in his court by officers and fiduciaries he appointed, in which his own actions became questionable, establishes a prima facie case of appearance of impropriety:

It is the established law of this State that every litigant...is entitled to nothing less than the cold neutrality of an impartial judge. It is the duty of the court to scrupulously guard this right of the litigant and to refrain from attempting to exercise jurisdiction in any manner where his qualification to do so is seriously brought into question. The exercise of any other policy tends to discredit and place the judiciary in a compromising attitude which is bad for the administration of justice. Crosby v. State, 97 So.2d 181 (Fla. 1957); State ex rel. Davis v. Parks, 141 Fla. 516, 194 So. 613 (1939); Dickenson v. Parks, 104 Fla. 577, 140 So. 459 (1932); State ex rel. Mickle v. Rowe, 100 Fla. 1382, 131 So. 3331 (1930).

* *

The prejudice of a judge is a delicate question for a litigant to raise but when raised as a bar to the trial of a cause, if predicated on grounds with a modicum of reason, the judge in question should be prompt to recuse himself. No judge under any circumstances is warranted in sitting in the trial of a cause whose neutrality is shadowed or even questioned. Dickenson v. Parks, 104 Fla. 577, 140

36

So. 459 (1932); State ex rel. Aguiar v. Chappell, 344 So.2d 925 (Fla. 3d DCA 1977).

61. The United States Supreme Court has stated:

...the inquiry must be not only whether there was actual bias on respondent's part, but also whether there was 'such a likelihood of bias or an appearance of bias that the judge was unable to hold the balance between vindicating the interests of the court and the interests of the accused.' Ungar v. Sarafite, 376 U.S. 575, 588 (1964). 'Such a stringent rule may sometimes bar trial by judges who have no actual bias and who would do their very best to weigh the scales of justice equally between contending parties,' but due process of law requires no less. In re Murchison, 349 U.S. 133, 136, 75 S.Ct. 623, 625, 99 L.Ed. 942 (1955). Taylor v. Hayes, 418 U.S. 488, 501 (1974) (emphasis added).

62. The appearance of impropriety violates state and federal constitutional rights to due process. A fair hearing before an impartial tribunal is a basic requirement of due process. See In re Murchison, 349 U.S. 133 (1955). "Every litigant is entitled to nothing less than the cold neutrality of an impartial judge." State ex rel. Mickle v. Rowe, 131 So. 331, 332 (Fla. 1930). Absent a fair tribunal, there can be no full and fair hearing.

63. The issues before this Court are the dismissal of the Recusal order of Colin in favor of a mandated mandatory disqualification of COLIN and voiding of his

31

prior orders and the question of “legal sufficiency” of the motion filed by PETITIONER; there is no deference owed to the lower court. *Smith v. Santa Rosa Island Authority*, 729 So. 2d 944, 946 (Fla. 1st DCA 1998). The test for determining the legal sufficiency of a motion for disqualification is an objective one which asks whether the facts alleged in the motion would place a reasonably prudent person in fear of not receiving a fair and impartial hearing. See *Livingston v. State*, at 1087. The fact that the crimes were committed in COLIN’S court by Officers and Fiduciaries under COLIN’S tutelage requires mandatory disqualification on COLIN’S own initiative and casts “a shadow...upon judicial neutrality so that disqualification [of the circuit] is required.” *Chastine v. Broome*, at 295.

64. In *Partin v Solange et al*, 2015 WL 2089081 (Fla.App. 4 Dist., 2015), the court granted the petition to disqualify stating the lower court judge cut-off petitioners' counsel and expressed his prejudgment of the matter and in another hearing, the lower court judge made acerbic comments about petitioners and exhibited overall hostility toward both petitioners and their counsel. Not only did COLIN engage in this similar egregious conduct towards PETITIONER from the start but his disqualification is also mandated because of his direct involvement and handling of the fraudulently notarized and forged documents posited in his court and other direct involvement in the matters that eroded PETITIONER’S rights to fair and

38

impartial due process under law by retaliating for two years against PETITIONER instead.

65. The Due Process Clause serves to protect use of fair procedures to prevent the wrongful deprivation of interests and is a guarantee of basic fairness. *Johnson v. Mississippi*, 403 U.S. 212, 216 (1971); *Peters v. Kiff*, 407, U.S. 493, 502 (1972). "[A] fundamental requirement of due process is the opportunity to be heard . . . at a meaningful time and in a meaningful manner." *Armstrong v. Manzo*, 380 U.S. 545, 552 (1965) *Garraghty v. Va. Dep't of Corr.*, 52 F.3d 1274, 1282 (4th Cir. 1995); Denying access to important records, evidence, and witnesses and mistreating PETITIONER and his minor children as a pro se party are violations of Equal Protection and due process of law. Pro se parties are a distinct minority class in judicial proceedings. COLIN should have demanded that the minor children and PETITIONER were represented by counsel, forced bonding of the fiduciaries and officers he appointed involved in the criminal acts, posted bonds for the court, reported the misconduct, removed all parties involved in the fraud instead of allowing them to continue to participate for months and even to this day, disqualified himself and instead COLIN took opposite actions to harm PETITIONER and his minor children and delay their inheritances by continuing the Fraud on the court, Fraud in the court and Fraud by the court, to intentionally

cause catastrophic financial ruin upon PETITIONER and his minor children by continuing to hold fraudulent proceedings and illegally issue orders.

66. None of the orders issued by a judge who has been disqualified or should have been disqualified by law are valid. They are void as a matter of law, and are of no legal force or effect. The orders issued by COLIN are null and void and of no force and effect as they are procured by fraud, without jurisdiction, the result of unlawful rulings, are unconstitutional and violate due process causing criminal Obstruction of Justice.

ALL ORDERS OF JUDGE COLIN ARE A NULLITY AND ARE VOID

67. Where a judge fails to disqualify, there is no jurisdiction to act and any order issued is illegal and void. *Kilbourn v. Thompson*, 103 U.S. 168 (1881). In *Kilbourn*, the Sergeant-at-Arms of the United States House of Representatives was held not to have immunity for ordering that the PLAINTIFF be arrested under a warrant issued by the House for refusing to testify because they lacked jurisdiction to issue such an order. *Id.* The court held that the House did not have jurisdiction to conduct the particular investigation. The Sergeant at Arms was liable for false arrest and could not assert the issuance of the warrant as a defense. *Id.* An order that exceeds the jurisdiction of the court is void, and can be attacked in any proceeding in any court where the validity of the judgment comes into issue. See *Pennoyer v. Neff* (1877) 95 US 714; *Windsor v. McVeigh* (1876) 93

US 274; A void judgment is no judgment at all and "a court must vacate any judgment entered in excess of its jurisdiction." Lubben v. Selective Service System Local Bd. No. 27, 453 F.2d 645 (1st Cir. 1972). Kalb v. Feuerstein (1940) 308 US 433.

68. "A void judgment does not create any binding obligation. Kalb v. Feuerstein (1940) 308 US 433. If a court grants relief, which, under the circumstances, it hasn't any authority to grant, its judgment is to that extent void." An illegal order is forever void. A void order is void ab initio and does not have to be declared void by a judge. The law is established by the U.S. Supreme Court in Valley v. Northern Fire & Marine Ins. Co., 254 U.S. 348, (1920) as well as other state courts, in People v. Miller. "Courts are constituted by authority and they cannot go beyond that power delegated to them. If they act beyond that authority, and certainly in contravention of it, their judgments and orders are regarded as nullities..." Valley v. Northern Fire and Marine Ins. Co., 254 U.S. 348

**PETITION TO STAY CASES AND TEMPORARILY RESTRAIN ANY
SALE, TRANSFER, DISPOSITION OF ANY ASSET OR PROPERTY
AND PRESERVATION OF EVIDENCE**

69. Petitioners must establish the following four elements:

(1) a substantial likelihood that the plaintiffs will prevail on the merits; (2) a substantial threat that plaintiffs will suffer irreparable injury if the injunction is not granted; (3) the threatened injury to plaintiffs outweighs the threatened harm the injunction may do to the defendant; and (4) granting the preliminary injunction will not disserve the public interest. *Church v. City of Huntsville*, 30 F.3d 1332, 1342 (11th Cir.1994).

70. The mandamus petition herein and filed motion for mandatory Disqualification clearly shows said motion was legally sufficient and Judge Colin should have mandatorily disqualified. Thus Petitioners have a substantial likelihood to prevail on this application. In addition to an illegal sale of real property being the home of deceased Simon Bernstein imminently scheduled for sale by June 10, 2015, Petitioners have shown loss of property, loss of records, loss of documents and evidence, loss of trusts and inheritances and other issues of irreparable harm. Granting a temporary stay and injunction against further threatened injury to Petitioners outweighs and harm to Respondent –defendants. Granting a temporary stay is in the public interest until a neutral court can sort out the frauds and conflicts and proper parties and proper trustees and proper trusts and instruments.
71. PETITIONER has suffered at the hands of the Florida court system for thirteen years and has been denied INTELLECTUAL PROPERTIES and due process to seek redress as the alleged criminals are almost all attorneys at law in their various capacities as private lawyers, judges, prosecutors and politicians.

42

72. PETITIONER has suffered at the hands of the Florida court system for almost three years since the passing of PETITIONER'S father and has been denied PROPERTIES rightfully his through inheritance and again the criminals are almost all attorneys at law and many are connected to the prior INTELLECTUAL PROPERTIES thefts.
73. PETITIONER again cannot get redress or due process in the Florida court system and seeks to have the cases moved from the Florida court system as due to his pursuit of Supreme Court Justices, the Florida Bar and many Florida Lawyers and Law Firms and therefore PETITIONER fears he cannot get a fair and impartial hearing and adequate remedy of law by any party that is a member of the Florida Bar.
74. PETITIONER has battled two years to remove JUDGE COLIN for a situation of Fraud on the Court that was irrefutable and cause for disqualification on several grounds but who refused to follow Judicial Canons and Law and thus has caused severe harms to PETITIONER and his three minor children as the record reflects.
75. Even when "recusing" JUDGE COLIN influenced inappropriately the case knowingly to a former PROSKAUER partner and where PETITIONER was again harmed as the new judges COATES then had access to all the courts records to gain further advantage over PETITIONER. That COLIN and COATES knew of

43

the conflict of interest and that PROSKAUER was a Counter Defendant in the certain of PETITIONER'S Counter Complaints and a party to the matters.

76. That COATES had reviewed the case file and stated on the record that he was NOT CONFLICTED with PETITIONER and the matters until PETITIONER reminded JUDGE COATES that despite his desire to stay on the case that he had JUDICIAL CANONS that could make his retaining the case violate them, whereby JUDGE COATES after several attempts to claim NO CONFLICT suddenly SUA SPONTE recused himself.
77. That due to this nefarious setup of PETITIONER'S cases to further stymie and delay and interfere with PETITIONER'S due process and procedure rights PETITIONER fears that no matter how or who the cases are transferred to in Florida that PETITIONER cannot receive due process and any successor to Judge Coates was part of a forgone plan to derail due process.

CONCLUSION AND PRAYER

WHEREFORE, PETITIONER seeks a WRIT OF PROHIBITION to prohibit COLIN from:

- a. Acting in excess of his lawful jurisdiction;
- b. Attempting to enforce the May 20th 2015 SUA SPONTE RECUSAL or ANY OTHER ORDER;

44

- c. Taking any action in this matter other than vacating and voiding all Orders and immediately disqualifying himself;
- d. Prohibition is invoked for the protection of PETITIONER and his minor children, whose safety and well being are in danger if this WRIT is denied for lack of a legal remedy.

WHEREFORE, PETITIONER seeks a WRIT OF MANDAMUS, compelling the COLIN to:

- a. abide by the laws of the State of Florida, Federal law and the United States Constitution and cease acting beyond his jurisdiction immediately;
- b. set aside the May 20th 2015 Order to Recuse as void ab initio immediately and instead disqualify himself and make NO FURTHER ACTION;
- c. set aside the ALL ORDERS as void ab initio immediately;
- d. set aside all other Orders in his Court as *void ab initio* immediately as they are the product of fraud on, in and by the court; and,
- e. immediately disqualify himself from this case and take no further action.

A handwritten signature in blue ink is written over a circular blue fingerprint. The number '45' is printed in the center of the fingerprint.

WHEREFORE, PETITIONER seeks a 30 day STAY ORDER for all cases in order to move the cases to a prescreened conflict free venue, either state or federal.

- a. IMMEDIATELY SEIZE ALL ASSETS AND PROPERTIES OF THE ESTATES AND TRUSTS of Simon and Shirley Bernstein and have all assets that have been converted through the fraudulent orders immediately be returned and put in protective custody by this Court, until all matters of document fraud, trust constructions, trust validity, fraud and breaches of fiduciary duties can be adjudicated by a fair and impartial court of law; and,
- b. Reverse COLIN'S acts to interfere with the next venue in these matters by having the case assigned to a proper jurisdiction and venue without COLIN'S steering the case to a court and judge that he influenced the outcome in choosing.

And for such other and further relief as to this Court may seem just and proper.

Astride Limouzin, Case Manager which by the express notations on said document was done on behalf of Judge Martin Colin, the Judge in this case at that time.

11. Notwithstanding the fact that this is listed as an Ex Parte communication in the Court's own Docket which will be addressed later, the Ex Parte communication is addressed to Attorney Robert L. Spallina. The Memorandum document purports to be notifying Attorney Spallina on behalf of Judge Colin that "Receipts for assets from all of the specific beneficiaries were not notarized." It is important to note that Attorney Spallina is fully aware at this time that his client Simon Bernstein the Personal Representative has passed away on September 13, 2012 and yet he continues to file with the Court documents on his deceased clients behalf to close the Estate months after his passing and presumably without notifying the Court.
12. However, by the time of this Ex Parte communication which purports to be by Astride Limouzin of Judge Colin's Court on behalf of Judge Colin to Attorney Spallina dated Nov. 5, 2012 by the express language of the document and is rejecting for filing Waivers not notarized by decedent Shirley's deceased at the time husband, Simon Bernstein², and, Eliot Ivan Bernstein, Jill Bernstein-Iantoni, Pam Bernstein-Simon, Theodore Stuart Bernstein and Lisa Bernstein-Friedstein, as the adult surviving children of Shirley Bernstein in the Shirley Bernstein Estate case, Judge Colin's Court had already received for filing:
 - a. A Petition for Discharge (Full Waiver)³ (also needing notarization but not notarized) to close Shirley's Estate allegedly dated April 9th, 2012 and allegedly signed by Simon

Bernstein on said date and Subscribed before Attorney Robert Spallina on same date of April 9, 2012, yet which is not Filed and Docketed with the Court until Oct. 24, 2012 with Judge Colin's Court and time-stamped by the Clerk's Office on said date, thus meaning Simon Bernstein was acting as Personal Representative/Executor to close Shirley's Estate a month after he was Deceased on Sept. 13 2012; being filed and time-stamped as received by the Court Clerk of Judge Colin's Court nearly 2 weeks before the Nov. 5, 2012 Ex Parte Memo above;

- b. A Tax Statement⁴ allegedly dated April 9, 2012 and allegedly signed by Simon Bernstein on said date indicating no Florida Estate Tax due yet again this Document was Filed and Time-stamped with Judge Colin's Court Oct. 24, 2012 nearly 2 weeks before the Ex Parte Memo from Judge Colin to Robert Spallina allegedly made by Judge Colin's Case Manager Astride Limouzin on Nov. 5, 2012 and again posited with the Court by Simon acting as the Personal Representative/Executor after he is deceased; and
- c. A Probate Checklist⁵ dated Feb. 15, 2012 which again references Attorney Robert Spallina as the involved attorney, Simon Bernstein as the Personal

Representative/Executor of the Estate but which is not only substantially defective in the items it references but again is not filed until Oct. 24, 2012 and time-stamped as received by Judge Colin's Court Clerks on said date again being filed by Simon acting as Personal Representative/Executor *nearly a month after Simon Bernstein passed away and was deceased but nearly 2 weeks before the Ex Parte Memo to Attorney Spallina by Judge Colin via Case Manager Astride Limouniz dated Nov. 5, 2012.*

13. Judge Colin is chargeable with knowledge of the documents filed and entered into his Court upon which he is adjudicating and presiding over.
14. Thus, prior to transmitting the Nov. 5th 2012 Ex Parte Memorandum from Judge Colin via his Case Manager Astride Limouzin to Attorney Robert Spallina, Judge Colin's Court had received multiple filings as referenced above which are not only dated many months prior to the actual filing date but are clearly filed nearly an entire month after Simon Bernstein was deceased and at least one of these documents is Subscribed and witnessed by Attorney Robert Spallina being the Petition to Discharge to close Shirley's Estate and Judge Colin is now communicating with Attorney Spallina Ex Parte according to the Court's own Docket.
15. As of this date itself, Nov. 5, 2012, Judge Colin should have been Disqualified under the Florida Rules and Statutes and now should be Disqualified under at least 3 separate grounds of the Rules and Codes as an instance in which a Judge's impartiality may be reasonably questioned, as one with knowledge of disputed evidentiary facts concerning the proceeding and both as a material witness or likely material witness and - or fact witness of disputed and material evidentiary facts in the proceeding.

Motion for Disqualification Judge Colin

16. Now, back to the Ex Parte nature of the Nov. 5, 2015 Memo from Judge Colin through Judge Colin's Caseworker Astride Limouzin to Attorney Robert Spallina who is now shown and presumably already known to Judge Colin and his Court Clerks to have filed with the Court multiple documents on behalf of a Deceased person Simon Bernstein and being filed months and months after allegedly performed and completed, yet secrets this information from the Court presumably.
17. A careful review of the Nov. 5, 2012 Ex Parte Memo shows that while the Memo is dated Nov. 5, 2012 on the face of the document, the document is not time-stamped with the Court Clerk's for 24 hours or so or at least until sometime the next day Nov. 6, 2012 as shown by the time stamp on the face of the document.
18. Judge Colin's impartiality can reasonably be questioned by the act of he and his Court Clerk Case Manager Astride Limouzin discovering filings in the Court by Attorney Robert Spallina on Oct. 24, 2012 purporting to act on behalf of a Deceased person Simon Bernstein without any authority demonstrated to act for now Deceased Simon Bernstein and by filing documents purportedly completed nearly 6 months earlier in April 2012, yet instead of Ordering Attorney Spallina for Disciplinary Investigation and to also immediately appear before his Court to Show Cause why said actions should not be immediately referred to Investigative and Prosecutorial authorities, Judge Colin and his Case Manager send an Ex Parte Memo to correct un-notarized Waivers with no mention of the Petition for Discharge now filed on behalf of Deceased Simon Bernstein clearly not able to act on said date.
19. This lack of impartiality by Judge Colin and his Court is further compounded by the facts shown by the face of the Court's own Docket and files that it took at least overnight to even Docket the Nov. 5, 2012 Ex Parte Memo on Nov. 6th, 2012 which leads right in and goes hand

in hand with the other mandatory grounds for Disqualification on his own initiative for now having knowledge of disputed evidentiary facts involving the proceeding and being likely to be called as a material and-or fact witness, as it is unknown:

- a. Were the Oct. 24, 2012 Filings filed in person and if so by whom?;
- b. If filed in person is Case Manager Astride Limouzin the person who "received" the filings for the Court or is she just the go between with Spallina office and Judge Colin on the Ex Parte Memo?
- c. Who communicated on the file with Judge Colin? Just Limouzin or any other Clerks and Case Managers?
- d. If filed by Mail then by whom and where is the correspondence and envelopes that the filings arrived in to show who signed the correspondence and mailed them if so? ;
- e. If filed by mail then where are the envelopes and correspondence or has this evidence been destroyed?
- f. Why such a long delay between when the Nov. 5th 2012 Ex Parte Memo was created and then Docketed on Nov. 6, 2012?
- g. How was the Memo transmitted to Spallina office? By fax, by mail? Were any phone calls made by the Court or Court Clerks and Case Managers? Any other Ex Parte communications?
- h. Why was the Nov. 5th, 2012 Memo done Ex Parte and not Communicated to all parties with standing in Shirley's case not only for purposes of avoiding impartiality but also to timely apprise the parties of said filings and defects?
- i. Did Judge Colin review the documents?
- j. Did Judge Colin know if Simon was deceased and when did he know? Who told him?

20. For purposes of avoiding even the appearance of impropriety, Judge Colin should have Disqualified on Nov. 5, 2012 or at the moment his Court and - or Court Clerk or Case Manager had any involvement in the receipt, handling and processing of any of the filings of Oct. 24, 2012 made by a deceased Personal Representative/Executor, Simon Bernstein.
21. Judge Colin should have disqualified then and must be disqualified now.
22. Even assuming arguendo that Judge Colin had no actual knowledge of the Oct. 24, 2012 filings attempting to use Deceased Simon Bernstein to close the Estate of Shirley Bernstein and had no actual knowledge of the Nov. 5th 2012 Ex Parte communication on his behalf to Attorney Spallina directly involved in the fraudulent illegal acts of using Deceased Simon Bernstein to close Shirley's Estate, at that time, clearly by the time Judge Colin issued the Order to Close the Estate in Jan. 2013⁶ Judge Colin must be presumed to have read and reviewed the documents and filings upon which he issues and rationally bases his Order closing the Estate in Jan. 2013 upon and thus should have not only not issued such an Order but should have halted, frozen and stayed the case and case files of all those involved for investigation by this time and then Disqualified himself as clearly at minimum his own Court officers and Case Manager Astride Limouzin had direct involvement and knowledge of material facts and he could not be in charge of investigating himself and his officers.
23. Now if it is assumed arguendo that Judge Colin will somehow claim he had no knowledge of the Court Docket and filings upon which he issued in Jan. 2013 closing Shirley's Estate upon documents filed by Attorney Spallina which purport to have Simon Bernstein take action as the Personal Representative/Executor while deceased because somehow Judge Colin will claim

that he had not read the documents upon which he based this Order, then this raises a separate basis of Disqualification under the rule requiring the Judge to diligently (and competently) hear cases that are assigned and thus Judge Colin should have been disqualified then and must now be disqualified.

24. Yet even if it is assumed arguendo that Judge Colin had no knowledge of these matters as of the date he issues the Jan. 2013 Order to close Shirley's estate, which of course again raises Disqualification under the rule of "diligently" hearing cases assigned, clearly by the time of May 06, 2013 upon the first filing of Petitioner's "EMERGENCY PETITION TO: FREEZE ESTATE ASSETS, APPOINT NEW PERSONAL REPRESENTATIVES, INVESTIGATE FORGED AND FRAUDULENT DOCUMENTS SUBMITTED TO THIS COURT AND OTHER INTERESTED PARTIES, RESCIND SIGNATURE OF ELIOT BERNSTEIN IN ESTATE OF SHIRLEY BERNSTEIN AND MORE"⁷ this Court and Attorney Spallina are both put on Notice by Petitioner's motion of :

- a. The fraud and alleged fraud in the filings directly involving Spallina including but not limited to documents filed to close Shirley's Estate by Simon Bernstein acting as the Personal Representative of Shirley when Simon Bernstein was already Deceased (Pages 40-43 - Section "IX.FORGED AND FRAUDULENT DOCUMENTS FILED IN THE ESTATE OF SHIRLEY IN THIS COURT BY TESCHER AND SPALLINA CONSTITUTING A FRAUD ON THIS COURT AND THE BENEFICIARIES AND MORE);

- b. That there were improper notarizations in Dispositive Documents including a Will and Trust (Pages 43-45 Section “X. INCOMPLETE NOTARIZATION IN THE ALLEGED 2012 AMENDED TRUST OF SIMON AND MORE” and “XI. INCOMPLETE NOTARIZATION IN THE 2012 WILL OF SIMON AND MORE”)
- c. That Spallina and Tescher had withheld from beneficiaries in violation of Probate Rules and Statutes any documents on Shirley’s Estate and Trusts for approximately 18 months which should have created further bases for this Court to Order investigation and a prompt hearing to determine truth and authenticity in the Trusts and Estate dispositive documents (Pages 37-40 Section “VIII. PETITIONER FORCED TO RETAIN COUNSEL DUE TO PERSONAL REPRESENTATIVES LACK OF DUTY AND CARE, BREACHES OF FIDUCIARY DUTIES AND CONFLICTS OF INTEREST REGARDING MISSING ESTATE ASSETS AND DOCUMENTS AND MORE”);
- d. Of utmost importance should have been information that Ted Bernstein himself and with the aid of his counsel reported the possible Murder of he and Petitioner’s Father, which was reported by Ted Bernstein on the date Simon passes away to the Palm Beach County Sheriff and the Coroner and starting two official inquiries into allegations of Murder⁸ (Pages 85-86 Section “XVII. ALLEGED MURDER OF SIMON BERNSTEIN”);

The Court should note that the initial autopsy failed to run a poison heavy metal test but Petitioner upon finding out that this had not been done ordered the Coroner to test for poison and on March 10, 2014, over a year and half after Simon died, it was completed (Pages 42-44) and several poisons showed elevated levels and the deceased had morphed to a **113 year old male**.

- e. That the Court and Spallina are notified of substantial personal property missing (stolen) including jewelry and artwork worth millions of dollars and that Shirley's condominium had already been sold by Ted Bernstein and yet no Determination had been made by this Court regarding the validity of the Trusts and Ted Bernstein's right to act and dispose of assets (Pages 51-57 "XIV. VANISHING ESTATE ITEMS AND ASSETS");
- f. That the Court and Spallina are notified of the "Elephant in the Room" relating to the Iviewit stock and Intellectual Property Interests that Simon Bernstein had, worth an estimated billions of dollars, which is tied into a prior RICO action and a prior car-bombing of Petitioner's Minivan (see www.iviewit.tv for graphic images of the Car Bombing that looks like a scene from a war) that was now relating to the case before this Court (Pages 57-82 Section "XV. THE ELEPHANT IN THE ROOM THE IVIEWIT COMPANIES STOCK AND PATENT INTEREST HOLDINGS OWNED BY SIMON AND SHIRLEY, AS WELL AS, INTERESTS IN A FEDERAL RICO ACTION REGARDING THE THEFT OF INTELLECTUAL PROPERTIES AND ONGOING STATE, FEDERAL AND INTERNATIONAL INVESTIGATIONS.");
- g. That the Court is notified of an alleged Life Insurance fraud scheme (Pages 27-37 Sections "VI. MISSING LIFE INSURANCE TRUST AND LIFE INSURANCE POLICY OF SIMON" and "VII. INSURANCE PROCEED DISTRIBUTION SCHEME");
- h. That other assets were remaining that should have been been frozen such as the St. Andrew's home recently listed by Petitioner's father weeks before his passing for over \$3 million.

25. Simply reviewing the September 13, 2013 Hearing Transcript⁹ of a proceeding before Judge Colin regarding the Emergency Petition filed on May 06, 2013 and heard on September 13, 2013 (held on the anniversary of Simon's death four months after filing) shows further clear basis for Disqualification of Judge Colin on numerous grounds including knowledge of disputed evidentiary facts and likelihood of being called as a fact witness premised upon his involvement and knowledge of the Ex Parte Communications with Attorney Spallina on Nov. 5th 2012 after the fraudulent filings of Spallina on Oct. 24, 2012 but also based upon clear bias and prejudice and lack of impartiality as by this date September 13, 2013 Judge Colin:

- a. knows about Tescher and Spallina using alleged documents of Deceased Simon Bernstein to close Shirley's Estate filed on Oc. 24, 2012;
- b. knows of the fraudulent Notaries made upon the Waivers that had first been rejected by his Court via the Ex Parte Memo of Nov. 5, 2012 for having no Notaries and then later submitted with the fraudulent Notaries to help close the Estate;
- c. knows that Tescher and Spallina have never been Ordered to Show Cause before his Court about the fraud;
- d. knows he had not referred Tescher and Spallina's law firm's conduct for Attorney Discipline investigation;
- e. knows of the claims of substantial personal properties stolen and missing from Shirley's Estate;

- f. knows of Spallina's firm withholding any documents on Shirley's Trusts from beneficiaries for over two years, which should have raised clear red flags particularly in light of the frauds on his own Court by Tescher and Spallina's firm;
- g. knows of the failure to have any Accounting of Shirley's Estate with the failure ongoing for years by this time in violation of Probate Rules and Statutes;
- h. knows he has conducted no Hearing to determine the proper construction and meaning of Shirley's Trusts and Estate, which remains incomplete to this date and determine who the proper Beneficiaries, Trustee and Representatives should be, all which remains unknown to this date;
- i. knows that Ted Bernstein himself reported possible Murder of Simon Bernstein to police authorities and the state Medical Examiner for autopsy on the date of Simon's passing¹⁰;
- j. knows of the "elephant in the room"¹¹ being Iviewit and the Iviewit stock and patents valued in the billions involving Simon Bernstein and now a missing part of the Estates and Trusts and tied into a prior RICO and Antitrust Lawsuit and a car-bombing of Petitioner's minivan reported and investigated by authorities; and
- k. knows that Petitioner's minor children have been intentionally and with scienter denied the trust and inheritance funds for their food, shelter, and well being for months that were all part of their inheritance and yet Judge Colin wants to talk instead that day for most of the hearing about Dunkin Donuts, Burger King and having Petitioner cut his

Court lawn¹², instead of addressing any of the serious crimes and frauds in his own Court where he and his Court staff are now witnesses and centrally involved in the fraudulent activities.

26. Now perhaps Judge Colin missed lunch and was hungry that first hearing four months after an Emergency Motion was filed by Petitioner and was thinking about Dunkin Donuts and Burger King but there is no way to look at this proceedings and the transcript without not only finding clear bias and prejudice and lack of impartiality in adjudicating rights to such a gross degree as to constitute not only an abdication of Judicial function, duties and responsibility but done in such a way as to be a mockery of the judicial system and process and denying very important rights and claims raised in Petitioner's filings.
27. Consistent with what has emerged in not only this and other Florida Probate Courts but other Courts in New York and around the nation, a review of the Transcripts of proceedings before Judge Colin shows the standard "M.O.", modus operandi, used by corrupted and conflicted Courts by neglecting and burying the real issues of fraud and integrity of proceedings and filings and actions of licensed attorneys and instead proceeding to threaten and harass those exposing the wrongdoings, as is the case with Petitioner as the exposor of fraud, who then is assaulted with multiple hearings for his alleged Contempt, attempts to have Guardians appointed over his family, threats of sanctions and acts of judicial mockery.
28. Judge Colin falsely claims on this September 13, 2013 date not only that no Emergency issues had been raised in Petitioner's Emergency Motion but also that no assets were left to freeze as

¹² September 13, 2013 Hearing Page 11

requested in the relief of the Emergency Motion when in fact the St. Andrews's home that had been listed and valued at over \$3 million dollars by Simon Bernstein in the months before his passing still had not been sold and of course there is and was the millions in personal property reported as missing and stolen and the illegal sale of Shirley's Trust Beach Condominium all of which can be subject to claw back processes and other injunctive relief while of course the very real emergency issues of actual fraud upon the Court had been shown involving Judge Colin, the Courts employees and his appointed Officers and Fiduciaries making them all Fact and Material Witnesses at minimum and thus emergency and related relief could and should have been granted, including the voluntary disqualification and more.

29. By the time of this hearing on September 13, 2013, not only did Judge Colin wholly fail to have attorneys Tescher and Spallina Show Cause after the Nov. 5, 2012 Ex Parte Memo and discovery of fraud filings by their office knowingly acting on behalf of their client a deceased Personal Representative/Executor Simon Bernstein to FRAUDULENTLY close Shirley's Estate, Judge Colin also wholly failed to have Attorney Tescher and Spallina and the alleged Fiduciary of Shirley's Trust Ted Bernstein answer in Court that day, especially after Tescher, Spallina and Ted Bernstein had never even submitted a written answer to Petitioner's very specific, detailed Emergency Motion filed May 06, 2013 and subsequently filed motions (Non-Emergency as Colin had forced Eliot to refile his Emergency Pleading several times as a Non-Emergency before allowing it to be heard) placing Tescher, Spallina and Ted Bernstein on further notice of fraud allegations and more.
30. The date of this Hearing was nearly an entire year after Tescher and Spallina had first submitted the fraudulent filings before Judge Colin's Court in Oct. 2012 and yet they were not Ordered to answer the Emergency Petition while allowing Shirley's Estate and Trust to be

squandered in fraud and unaccounted for, as Spallina, Tescher and Ted seized Dominion and Control of the Estates and Trusts of both Simon and Shirley Bernstein through a series of fraudulent dispositive documents and refused to give beneficiaries any documents in violation of Probate Statutes and Rules and Colin remained asleep at the wheel.

31. It is respectfully submitted that by this time on September 13, 2013, Judge Colin is engaging in the aiding and abetting of the fraud and attempting to cover up past fraud in, upon and by the Court, by what is known as "Steering" and orchestrating of the proceedings away from the crimes and criminals and begins a cleverly disguised retaliation against Petitioner that continues to bias and prejudice Petitioner to this date.

32. This can be more clearly seen in the subsequent Evidentiary Hearing of Oct 28, 2013¹³ when again, Judge Colin at the helm, steers and directs the proceedings to avoid the issues of Fraud upon and before his own Court by limiting the proceeding to testimony about a \$25,000 value to Shirley's Estate Inventory (which was never served to beneficiaries in Violation of Probate Rules and Statutes) and discusses not throwing Spallina's Legal Assistant and Notary Public, Kimberly Moran "under the bus" who has by this time admitted to the Governor's Office and West Palm Beach police that she not only falsely Notarized the Waivers, including for a deceased Simon but also forged the signatures for six separate parties, including for the decedent Simon Bernstein Post Mortem, that are ultimately filed before Judge Colin to illegally close the Shirley Estate. Note, while Moran admits to falsifying Notaries and forging signatures on Waivers, not only is there no full record of her acts before Colin's Court but more importantly none of her admissions addresses the other clear fraud such as the Petition for

Discharge containing Spallina's signature on the document filed on behalf of Deceased Simon Bernstein on Oct. 24, 2012 by Tescher and Spallina, utilizing a Deceased person to close Shirley's Estate and Colin has direct knowledge that no examination of Spallina and Tescher regarding their involvement in the Petition and other document frauds used to close the Estate illegally and knowledge of Moran's admitted activities has occurred even to this date in his Court with his own office and Case Manager implicated by the Ex Parte Memo yet Colin has continued to allow Ted Bernstein who has been represented by Spallina and Tescher continue to act with no accountability where almost all the crimes committed directly benefited Ted Bernstein who had been disinherited.

33. At no time does Judge Colin in the Evidentiary Hearing with Tescher, Spallina and Ted Bernstein present seek to ascertain the truth of the fraud, forgeries and fraud on his Court but more importantly wholly failed to force Spallina or Tescher to Show Cause or swear them in to answer questions to explain the acts of Tescher and Spallina's Legal Assistant and Notary Public Moran and explain their law firms acts of filing documents with a deceased client acting as a fiduciary while dead and more importantly no investigation into how Spallina's signature is on the Petition for Discharge also fraudulently filed before Judge Colin, which is Not the subject of any Admissions by his employee Kimberly Moran and where she was not involved in that crime.
34. Judge Colin simply later permits Spallina and Tescher to withdraw as attorneys, instead of removing them instantly and securing their files and the corpus of the Estate and Trusts while the material facts surrounding the fraud that directly involve Spallina by his own Signature on the Petition for Discharge, Judge Colin and his Case Manager Limouzin, by the Nov. 5th 2012 Ex Parte Memo communication remain undetermined and unheard.

35. These are additional grounds for removal in that Judge Colin's failure to Order attorneys Tescher, Spallina and the fiduciary Ted Bernstein at minimum to Show Cause before the Court on the frauds on the Court and for Discipline having actual knowledge of the substantial likelihood of misconduct by the fraud by presence of Spallina's own signature on the document purported to be April 9, 2012 Petition for Discharge but not filed with Judge Colin's Court until Oct. 2012 when Simon Bernstein is Deceased nearly a month is itself a failure to discharge Judicial obligations; and then being further Disqualified for being the necessary fact witness of his own Ex Parte Communication to Spallina as evidenced by the Nov. 5th, 2012 Memo and by prejudice and bias shown by the failure to Order Tescher, Spallina and Ted Bernstein for investigation and discipline and Show Cause before his own Court not only in Nov. 2012 but which has still not happened to this day in May of 2015 some 2.5 years later while permitting Ted Bernstein to continue to act as Trustee and Personal Representative/Executor when Ted Bernstein is directly intertwined, interconnected and involved with his own counsel Spallina and Tescher (as they represented Ted in Shirley's Estate and Trusts while acting as Co-Personal Representatives and Co-Trustees of Simon's Estate and Trusts and further represented themselves in their fiducial capacities in Simon's Estate and Trusts) as attorneys involved in the fraud that ultimately benefit their client and business associate Ted and his lineal descendants who are all considered predeceased for all purposes of dispositions of the Shirley Trust and without their fraudulent documents and fraudulent scheme upon the Court would remain so.
36. That after reopening the illegally closed Estate of Shirley in the September 13, 2013 Hearing and immediately prior to the Evidentiary Hearing, Judge Colin, knowing of the Fraud on the Court and already stated to Ted and his counsel Spallina, Tescher and Manceri that he had enough evidence in the hearing to read them all their Miranda Warnings for two separate

crimes identified in the hearing (the Moran fraudulent notarizations and forgeries and Spallina's using a dead Simon to posit documents with Court to close Shirley's Estate) then shockingly and appallingly appointed Ted as a Successor Personal Representative to the newly reopened Shirley Estate shortly thereafter although Ted was not then qualified to serve under Florida Probate Rules and Statutes..

37. It is noted that while an Attorney was present as Counsel for the Petitioner's Minor children in the hearing this Court held on or about Oct. 28 2013, the record should reflect that this counsel Brandan J. Pratt, Esq. not only failed to inform the Court he was retained to represent Petitioner's Minor children Josh, Jacob and Danny Bernstein and instead in the hearing misrepresented to the Court he was representing Eliot and Candice despite their opposition to this claim, but said counsel Pratt further wholly failed to properly and competently cross examine Spallina, Tescher, Moran and Ted Bernstein and call proper witnesses at this hearing to delve into the criminal and civil torts against the beneficiaries despite advance preparation and planning to the contrary with Eliot and Candice. Pratt claimed he was very close to Judge Colin after the hearing and knew what he wanted.
38. Counsel Pratt failed to examine any of the witnesses about the Tescher and Spallina Petition to Discharge fraud, the fraudulent positing of fraudulent records with the court and failed to examine Ted Bernstein, Spallina and Tescher about known personal property items valued at over \$1 million that they were in had custody over as fiduciaries that he knew were alleged stolen and Counsel Pratt was immediately after the hearing withdrawing as counsel but was requested by Petitioner in writing to notify his malpractice carrier of malpractice for his conduct and misrepresentations of this hearing. The Transcript in this regard clearly speaks for

Motion for Disqualification Judge Colin

itself on what material issues were not only never addressed by Judge Colin but also never asked by Counsel Pratt. See Discharge letter to Counsel Pratt¹⁴.

39. Improper representation by attorney Pratt, likely malpractice itself, does not eliminate Judge Colin's obligations to address fraud upon his own Court by licensed attorneys and fiduciaries he appointed and in fact the actions of attorney Pratt may likely be part of additional steering and orchestration of the proceedings to cover-up the real fraud and delay and denial to Petitioner, his wife Candice Bernstein, and their Minor children Josh, Jacob and Danny of lawful inheritance and monies due under the Trusts.
40. Pratt seemingly falls out of the sky days before the Hearing and is retained by Eliot and Candice for their children's representation, it was later learned that Pratt, on information and belief, was close personal friends and business associates with Andrew Shamp, Esq. and where Shamp it was later learned worked directly for Ted Bernstein in the past as an employee.
41. This pattern of aiding, abetting and obfuscation of the fraud and criminal enterprise and pattern of acts at play as seen further in Judge Colin's continued abdication of judicial functions in duties in relation to the sale of the St. Andrew's home.
42. This Court's recent Order on May 06, 2015 (which falls under the 10 day rule for disqualification herein) permitting the Sale of the St. Andrew's Home shows even further grounds for mandatory Disqualification of Judge Colin (on his own initiative without waiting for Pro Se Petitioner to file a disqualification pleading) although ample grounds have already been established dating back to Nov. 2012.

43. Judge Colin has absolute, unequivocal direct knowledge that no testimony of the alleged “buyer” occurred during the Hearing on the sale of the St. Andrew’s Home and knows Florida law requires no undue influence or pressure must be exerted or buyer or seller for there to be an “arms-length” transaction yet issues an Order May 6, 2015 as if the Buyer provided testimony when in fact the buyer’s identity is not even known.
44. In fact, despite Florida’s rigid Disclosure laws Judge Colin has withheld a lis pendens I attempted to file on the property and still has not let said lis pendens be filed or published to this Buyer or any prospective buyer and has threatened Petitioner that if he disclosed the Lis Penden or the fact that the home was tangled in these litigations he would hold him in contempt.
45. According to the Florida Real Property Appraisal Guidelines Adopted Nov. 26, 2002 by the Florida Department of Revenue Property Tax Administration Program Definitions Section 3.1.8 Arm’s-Length Transaction: “ This means a sale or lease transaction for real property where the parties involved are not affected by undue stimuli from family, business, financial, or personal factors.” See, <http://dor.myflorida.com/dor/property/tp/pdf/FLrpg.pdf>.
46. Yet, not only does Judge Colin have actual knowledge he took no testimony from the Buyer since the Buyer was not only not present in Court but the identity not disclosed, but Judge Colin knows the case is ripe with nothing but pressure and undue influence such that Judge Colin has covered up fraud upon his own Court involving licensed attorneys, failed to discharge Judicial obligations and failed to abide by the Code of Judicial Conduct, knows the Trustee he is permitting to act Ted Bernstein reported a possible murder of Petitioner’s father Simon Bernstein the property owner prior to passing, allowing Ted Bernstein to act despite knowing his attorneys and Ted are involved in fraud on the Court and yet failing to conduct a

hearing into the construction and truth of the Trusts even though he says on the Record he knows he has to conduct a hearing and feigned at reading the attorneys Miranda Warnings, has reasons to investigate and suspect these are a continuation of RICO acts tied to a car-bombing, knows or has reason to know the sale is grossly undervalued at \$1,100,000.00 as the property was listed for \$3,200,000.00 weeks prior to the possible murder of Simon Bernstein, knows he and his own Court staff are at least involved as witnesses if not for the fraud itself and is willing to forego his own Judicial responsibilities which could lead to the end of his Judicial career but issues a false order nonetheless saying an arm's length transaction to an unknown buyer, possible straw man buyer was made.

47. Judge Colin knows and should know due process is violated by withholding the identity of the alleged buyer and making such person or entity available for cross-examination.
48. This would seem more than reflective of substantial pressure and influence at play and reflective of a fire sale.
49. Last, fair market value has been defined as "the sum arrived at by fair negotiation between an owner willing to sell and a purchaser willing to buy, neither being under pressure to do so." *Flagship Bank of Orlando v. Bryan*, 384 So.2d 1323 (Fla. 5th DCA 1980). A witness for the appellee admitted at the deficiency hearing that the bank was under pressure to sell the lots and that its bid was lowered because the bank would not be able to sell the lots for what they were worth. The bid price was therefore more an indication of a "quick sale" value than of the property's true fair market value. *BARNARD v. FIRST NAT. BK. OF OKALOOSA CTY.* 482 So.2d 534 (1986) District Court of Appeal of Florida, First District. February 4, 1986.
50. Judge Colin could have Judicially Subpoenaed the Realtor Petitioner had originally spoken to who initially had a far differing opinion of the sales price and value of the home but who then

refused to get involved due to the presence of another of Ted Bernstein's attorneys Alan Rose who, according to his bio at his firm's website, "Handled securities arbitration for investor in a Madoff feeder fund against major brokerage firm which recommended the investment. confidential terms." The case was settled on confidential terms." See, <http://mrachek-law.com/ourteam/alan-b-rose/>.

51. Further, Judge Colin silenced Petitioner via an illegal Order that mandated that Petitioner could do nothing to directly or indirectly notify the buyer of the Lis Penden or that litigation involving the house was at play and had testimony from the Realtor, John Poletto that he had not notified the buyer of any potential litigation and this seems to force Petitioner to not disclose pertinent facts to a buyer in opposite Florida's disclosure laws.
52. Finally, in his own words in the first day of the hearing to sell the house on March 26, 2015, Colin stated that he first had to have hearings to remove Ted, hearings for trust construction to determine validity and investigation of wrongdoings beyond Tescher and Spallina before being able to proceed further and yet with none of those things were achieved and at the next hearing he allows the sale of the house ignoring his prior statement:

13 MR. ROSE: We didn't share the appraisal
14 because, frankly, we were concerned it would be
15 public and that would defeat their chance of
16 selling it.
17 THE COURT: I'm not -- look, nothing is easy
18 here. It's not going to get easier until we can
19 get hearings where I can start to knock off some
20 of the issues, which is what I have been saying
21 now like a broken record.
22 At some point, either Eliot is going to be
23 sustained on his positions or he's going to be
24 overruled, but one way or the other, we can put
25 some of this stuff to rest. The problem is we're
I doing all of this business with some of the metes [matters?]

2 of the case still up in the air where I haven't
3 been able to adjudicate; the claims that Ted
4 should be removed; the claims that there's
5 wrongdoing beyond Spallina and Tescher, the trust
6 is not valid. I mean, give me a chance to rule on
7 that, because once I rule on that, then the matter
8 is over with on those and you'll know one way or
9 the other what to do.

53. That since May 06, 2013 Judge Colin, knowing of the fraudulent documents in the Estates and Trusts of Simon and Shirley Bernstein, knowing that Simon Bernstein's 2012 Will and Amended Trust done only days before his death when Simon was suffering severe mental and physical duress have been determined by Governor Rick Scott's Notary Public Division to be improperly notarized and further Petitioner has alleged they are wholly fraudulent, knowing that there are ongoing criminal investigations into the documents of both Estates and Trusts, knowing that the new Executor of Simon's Estate has claimed that Ted is not a legally valid Trustee of Simon's Trust¹⁵ by the very terms of the Trust that claim that a Successor cannot be related to the issuer, knowing that Ted is considered predeceased for all purposes of dispositions under the Shirley and Simon trust, knowing that Peter Feaman, Esq., has stated to Colin that Ted and his counsel Alan B. Rose are not qualified as Trustee and Counsel due to serious problems with Ted and Alan's misconduct¹⁶, knowing that Ted and his counsel Alan B. Rose are counter defendants in two counter complaints filed by Petitioner in these matters with allegations of serious breaches of fiduciary duties (which Colin stayed) and more, knowing that Eliot has filed a

Counter Complaint in the Shirley Trust case that has both he and Judge French listed as material and fact witnesses that may be Defendants in future amended pleadings¹⁷, has ignored all of these facts and held hearing, after hearing, after hearing and has:

- a. allowed Estate and Trust properties to be disposed of and distributed without knowing who the beneficiaries are at this time due to the fraudulent documents affects not being resolved at this time,
- b. allowed Estate and Trust properties to be disposed of and distributed without knowing if the Wills and Trusts are valid,
- c. allowed assets to be converted and changed, including allowing a JP Morgan IRA to be converted to a new account when the old account was missing beneficiaries and monies are alleged stolen from it,
- d. allowed assets to be sold and converted without any accountings in violation of Probate Statutes and Rules,
- e. allowed assets to be sold and distributions made to improper beneficiaries despite not having held trust construction or validity hearings to determine first who the true and proper beneficiaries are, thus delaying intentionally beneficiaries inheritances, while allowing assets to be distributed will now have to be clawed back,
- f. allowed fiduciaries and counsel involved in the commission of the fraud to continue to operate in the courtroom with impunity,
- g. allowed continuous hearings where the alleged Trustee Ted has brought in up to five lawyers to defend himself misusing Trust and Estate assets to do so, who have all now resigned other than Alan B. Rose,

- h. deprived Minor possible beneficiaries from counsel despite their need arising from the criminal misconduct of his Court and its Officers, Fiduciaries and employees,
- i. deprived Eliot's family from inheritances that has caused massive financial damages to them despite their financial damage arising from the delays in their inheritances from the criminal misconduct of his Court and its Officers, Fiduciaries and employees,
- j. forced the Creditor William Stansbury for two years to accrue hundreds of thousands of dollars of legal fees, while blocking him from being able to have his counsel file to remove Ted, while the job of removing Ted was Colin's from the moment he became aware that Ted and his counsel had committed Fraud on the Court and stated he had enough to read them all their Miranda's twice,
- k. allowed a settlement with Stansbury where Ted Bernstein acting as the Trustee of the Shirley Trust and simultancously a Defendant in the Stansbury Lawsuit with his attorney at law Rose acting as counsel to Ted in his conflicting capacities, that settled Ted personally out of the lawsuit and shifted the burden of the settlement cost entirely to the Trusts of Shirley and Simon beneficiaries and where Ted has no beneficial interests, thereby stiffing the beneficiaries with the settlement cost for acts Stansbury alleges were done primarily by Ted,
- l. allowed Ted and his counsel to block the Estate and Trust of Simon to intervenc in an Illinois Federal Breach of Contract Lawsuit where the beneficiaries of the Estate and Trusts of Simon have potential interest in an insurance policy, where Ted is acting in conflict to achieve this as the Plaintiff in the Breach of Contract lawsuit who stands to get one fifth of the insurance benefit, whercas if the Estate and Trusts of Simon receive the proceeds Ted again would get nothing. Colin only allowing the Estate to intervenc after Stansbury, in efforts to protect the beneficiaries who were unrepresented in the Federal lawsuit and himself to pay the entire cost of the litigation expense for the Estate?

- m. been rude to Petitioner repeatedly and continuously shut him down during hearings, whenever fraud on the court is brought to his attention, and,
- n. interfered with Palm Beach County Sheriff investigations, having detectives told not to pursue Petitioner's criminal complaints and claiming his Court would handle the criminal matters and fraud upon his Court.

54. That from at least the September 13, 2013 hearing Judge Colin had a mandated duty to disqualify himself on his own initiative according to Judicial Canons, Attorney Conduct Codes and Law, as he became fully cognizant that his Court had become a crime scene involving Fraud on the Court and Fraud in the Court, directly involving Judge Colin and Judge French and their court, the Officers of the Court, including Attorneys at Law practicing before them, Fiduciaries appointed by them (Personal Representatives and Trustees) and other Court employees.
55. That once it was determined that crimes had been committed in Judge Colin and Judge French's courts constituting Fraud on the Courts and Fraud in the Courts in which Judge Colin would now be a material and fact witnesses to events in the matter, to avoid the appearance of impropriety and conflicts caused due to his direct involvement as both a material and fact witness, Judge Colin should have voluntarily on his own initiative disqualified himself and distanced himself from the matters, allowing a conflict free adjudicator to replace him who could have investigated the involvement of, the Court, Judge Colin, Judge French, the Officers of the Court and the Fiduciaries of the Court and this would have eliminated the appearance of impropriety created due to Judge Colin's direct involvement in the frauds that had occurred and his subsequent handling of investigations or lack thereof of himself and his court.
56. That failing to disqualify himself on his own initiative for mandated causes by Judicial Canons, Attorney Conduct Codes and Law, Judge Colin lost jurisdiction in this case and his continued actions are all outside the color of law.
57. That Judge Colin's acts forward in these matters from the point that he had knowledge of criminal misconduct in the Court that would make him a material and fact witness constitute Fraud by the Court.

It is alleged that Judge Colin began a Pattern and Practice of Fraud by the Court by continuing to rule in a matter where disqualification was mandated on his own initiative and so each judicial ruling and proceeding is therefore void.

58. That Petitioner fears that Judge Colin's acts after having cause to disqualify himself have prejudiced and biased the case and continue to prejudice and bias the case, as they are now viewed as part of a Cover Up of the crimes committed in his Court and on his Court by Colin's court appointed Officers and Fiduciaries and the effectuation of new crimes by his Court.
59. That Petitioner fears that Judge Colin's acts outside the color of law after knowing of the causes mandating him to instantly disqualify have been prejudicial to Petitioner and favor those Court officials and fiduciaries that he appointed who committed the criminal acts in and on his Court and these acts have protected himself, his Court appointed officials, fiduciaries and employees who were involved and aid and abet them in evading prosecution and investigation in efforts to cover up criminal acts and have provided legal cover for new criminal acts to be committed under the guise of legal proceedings.
60. Colin is biased and prejudiced against Petitioner who has exposed the crimes of his Court and those committed in Judge David E. French's court in the Simon and Shirley Bernstein Estate and Trust cases and the case involving Petitioner's Minor children.
61. The Estate and Trust cases of Simon and Shirley Bernstein were improperly merged by Judge Colin and Judge French in violation of Probate Rules and Statutes as it was achieved without separate hearings by both Judges and thus improperly transferred to Colin's Court. This included a complex bait and switch, whereby once Colin had approved the transfer to himself of Judge French's case. Judge French's hearing was scheduled on the day before Christmas when the courthouse was closed entirely and Petitioner and his wife showed up to an empty building, ruining their holiday family planned trip to attend. That at the subsequent rescheduled hearing before Judge French, Judge Colin was instead presiding and when asked where Judge French was Colin stated it did not matter if he were there as he routinely handled French's cases. When Petitioner cited the rule calling for separate hearings by each

Judge, Colin proceeded ahead. That Petitioner fears that since the crimes were committed in both courts this improper merging of the cases was to cover up and protect Judge French and his court officials from investigation and possible prosecution and remove one of the crime scenes entirely since similar acts of fraud are alleged in Judge French's court and similarly all his case files should have been sealed for investigation and he and his court officials questioned as to the Fraud on the Court and Fraud in the Court.

62. Once Colin had evidence that FELONY crimes were committed in his Court and Judge French's court by Officers of their courts and fiduciaries of their courts, Colin and French had obligations under Judicial Cannons, Rules of Professional Conduct and Law to report the misconduct to the proper criminal and civil authorities for investigation and failed to do so.
63. Once Colin had evidence of Fraud on the Court, he had obligations to immediately disqualify and allow for the resetting of the proceeding by removing all elements of the fraud, removing all officers of the court involved, all fiduciaries involved and have all court and other records of those involved seized for investigation, have all assets seized and frozen and turn the case over to a new adjudicator and Judge Colin did not do any of these things, in fact, he has intentionally and with scienter done the opposite.
64. That instead of doing what was mandated when Fraud on the Court is discovered, Colin has allowed a pattern and practice of retaliation against Eliot to take place for his efforts in exposing the criminal acts and has continuously allowed conflicted attorneys at law and fiduciaries, involved with the original fraudsters, to file pleading after pleading to attempt to harm Eliot and his family, including several contempt and guardianship hearings held against Eliot, all bleeding the estates and trusts of thousands upon thousands of illegal legal billings for conflicted counsel.
65. Petitioner has blown the whistle on corruption that took place in both Judge Colin and French's courts and has also been involved in an over a decade old whistleblowing lawsuit and other actions against members of this courthouse the 15th Judicial, The Florida Bar and many Judges of the Supreme Court of

Florida and Petitioner fears this also creates prejudice and bias against Petitioner with virtually the entire State of Florida legal machine conflicted with him.

66. Petitioner's prior Federal RICO sued the following parties of the Florida Bar Association:

67. Petitioner feels that Judge Colin's acts outside the color of law have been intentional to prevent Petitioner from gaining his inheritance and having funds that could be used in this legal action against his court and Petitioner's other legal actions against members of the Florida Bar, including protecting what Judge Colin claims in a Florida Bar Publication to be his mentor¹⁹, Chief Judge Jorge Labarga, who is a central figure in Petitioner's ongoing civil and criminal complaints regarding theft of Intellectual Properties of Petitioner's and his father.
68. Judge Colin is acting outside his jurisdiction once he was mandated to disqualify on his own initiative and acting outside the color of law and therefore he should disqualify on his own initiative instantly and his orders must then be voided. Judge Colin is a disqualified judge who has not relinquished his unlawful jurisdiction.
69. Judge Colin now is also adverse to Petitioner because Petitioner has filed with the Federal Court in the Northern District of Illinois under The Honorable John Robert Blakey exposing the corruption in his Colin's court and throughout the Probate courts in Florida²⁰. Petitioner is seeking to have these Probate cases transferred to the Federal Court involving estate related subject matter (the insurance breach of contract proceeds) under Blakey for investigation, review and further adjudication of the matters free

of conflicts and illegal activities, once Judge Colin complies with the mandated disqualification or is forced off the case if he continues to refuse.

70. Petitioner has sought Federal Court intervention due to the fact that Petitioner is adverse to all Florida State Bar Members and where he has taken civil action and filed criminal complaints against the Florida State Bar and thus all members are technically and legally conflicted and adverse to Petitioner as members of the organization Petitioner is pursuing.
71. Petitioner has been viciously retaliated by Judge Colin by denying him due process in one manner or another, acting above the law and removing rights of Petitioner and his Minor children, while protecting his Court and those involved in criminal misconduct from exposure of the crimes committed in his and Judge French's court by Officers and Fiduciaries of the Court.
72. Where it may be learned by investigation that both Judge Colin and Judge French may be involved directly in the original Frauds Upon the Court and were willing participants in such crimes against Petitioner and his family, including but not limited to, Fraud on the Court, Fraud in the Court, Fraud by the Court, Forged documents posited with the Court by officers and fiduciaries of the Court, Fraudulent Notarizations (including Post Mortem for decedents in the actions) filed and posited with the Court, Illegal Closing of an Estate using a deceased person's identity and ultimately the possible Murder of Simon Bernstein as alleged by Ted Bernstein and others (not Petitioner) on the day Simon died.
73. Judge Colin's actions once he failed to disqualify as mandated, outside the color law and without jurisdiction, make him an accomplice to current and ongoing fraud against Eliot and Eliot's Minor children who are beneficiaries of the Estates and Trusts of Simon and Shirley Bernstein and it is clear that Eliot has valid fear that he has been denied due process and procedure once his mandatory disqualification was not entered on his own initiative.

Rule 2.330 (d) Grounds.

(2) That the judge before whom the case is pending, or some person related to said judge by consanguinity or affinity within the third degree, is a party thereto or is interested in the result thereof, or that

Motion for Disqualification Judge Colin

said judge is related to an attorney or counselor of record in the cause by consanguinity or affinity within the third degree, or that said judge is a material witness for or against one of the parties to the cause.

74. Judge Colin will be a material and fact witness regarding his direct involvement in the documents used fraudulently in his Court, regarding the interaction with the Officers of his Court involved, regarding the interaction with the Fiduciaries of his Court he appointed and his interaction with the Court employees involved in this case as described above, regarding the criminal misconduct that has occurred in and on his Court and that of Judge French's court. Judge Colin's position now as a material and fact witness MANDATE under Judicial Canon his INSTANT DISQUALIFICATION.
75. Judge Colin due to his direct involvement in the matters and failure to disqualify upon mandated grounds requiring his disqualification on his own initiative will now also make him a party of interest in ongoing and future criminal and civil actions to determine if he has committed felony acts and more in so acting outside the color of law. Now there is not only an appearance of impropriety but the alleged possible criminal misconduct of Judge Colin which may constitute criminal impropriety and again cause for MANDATORY DISQUALIFICATION.
76. Judge Colin cannot investigate his own court, himself and the officers and fiduciaries of his Court, especially where he is directly involved, due to the appearance of impropriety this creates and this appearance of impropriety prejudices Petitioner from due process rights.

Rule 2.330 Grounds.

(e) Time. A motion to disqualify shall be filed within a reasonable time not to exceed 10 days after discovery of the facts constituting the grounds for the motion and shall be promptly presented to the court for an immediate ruling. Any motion for disqualification made during a hearing or trial must be based on facts discovered during the hearing or trial and may be stated on the record, provided that it is also promptly reduced to writing in compliance with subdivision (c) and

Motion for Disqualification Judge Colin

promptly filed. A motion made during hearing or trial shall be ruled on immediately.

77. This Motion is being made within 10 days from Petitioner's receipt of a "FINAL ORDER GRANTING SUCCESSOR TRUSTEE'S MOTION TO APPROVE SALE OF TRUST PROPERTY" signed May 06, 2015. Where this Order, as with all Orders issued after Judge Colin's Mandatory Disqualification was failed, is an illegally obtained Order and therefore legally void, other grounds for this Order mandating disqualification have also been described herein.
78. This Motion for Disqualification is timely because all actions past and future of Judge Colin are void as his disqualification from the matters should have occurred the instant he was aware that crimes occurred in his Court and on his Court by his appointed Officers and Fiduciaries and thus all judicial acts both past, present and future are all grounds for immediate investigation, disqualification, voiding of all orders and sanctions.

Rule 2.330 Grounds.

(f) Determination - Initial Motion.

The judge against whom an initial motion to disqualify under subdivision (d)(1) is directed shall determine only the legal sufficiency of the motion and shall not pass on the truth of the facts alleged. If the motion is legally sufficient, the judge shall immediately enter an order granting disqualification and proceed no further in the action. If any motion is legally insufficient, an order denying the motion shall immediately be entered. No other reason for denial shall be stated, and an order of denial shall not take issue with the motion.

79. Petitioner states that the Motion is legally sufficient under Rule 2.330 as it fully complies with this code and whether Petitioner has filed a legally sufficient pleading would not negate the fact that Judge Colin has to voluntarily disqualify under Judicial Canons, Attorney Conduct Codes and Law and whereby whether legally sufficient or not 2.330 allows Colin to disqualify on his own.

Rule 2.330 Grounds.

(g) Determination - Successive Motions.

If a judge has been previously disqualified on motion for alleged prejudice or partiality under subdivision (d)(1), a successor judge shall not be disqualified based on a successive motion by the same party unless the successor judge rules that he or she is in fact not fair or impartial in the case. Such a successor judge may rule on the truth of the facts alleged in support of the motion.

80. Petitioner states there have been no Successive Motions.

Rule 2.330 Grounds.

(h) Prior Rulings.

Prior factual or legal rulings by a disqualified judge may be reconsidered and vacated or amended by a successor judge based upon a motion for reconsideration, which must be filed within 20 days of the order of disqualification, unless good cause is shown for a delay in moving for reconsideration or other grounds for reconsideration exist.

81. Petitioner seeks that upon disqualification of Judge Colin, that all prior factual or legal rulings be vacated by the successor judge due to the alleged criminal acts and civil torts against Petitioner. That further, Petitioner seeks a replacement Judge who is not a member of the Florida Bar to preside over the cases of Judge Colin involving the Estates and Trusts of Simon and Shirley Bernstein and the case involving the Trusts of Petitioner's minor children. That due to the fact that Petitioner does not feel he can get a fair and impartial hearing in the State of Florida by members of the Florida Bar Petitioner is seeking this Court to move the matters to a Federal Court²¹. The following cases that Judge Colin presides over are all tainted for the same reasons as stated herein and judge Colin should immediately voluntarily disqualify himself from these cases as well and save Petitioner the expense and aggravation of having to file Disqualification pleadings in each case to force his mandated disqualification:

Rule 2.330 Grounds.

(i) Judge's Initiative.

Nothing in this rule limits the judge's authority to enter an order of disqualification on the judge's own initiative.

82. Petitioner states that Judge Colin should have already entered an order of disqualification on his own initiative according to Judicial Canons, Statutes and Rules when he became aware that disqualification was mandated of him but refused to do so on the repeated requests of Petitioner. If for any reason Judge Colin finds this Motion legally insufficient for any reason, Judge Colin must disqualify himself on his own initiative as set forth under this rule 2.330 (i) and Judicial Canon, Attorney Conduct Codes and Law.

Rule 2.330 Grounds.

(j) Time for Determination.

The judge shall rule on a motion to disqualify immediately, but no later than 30 days after the service of the motion as set forth in subdivision (c). If not ruled on within 30 days of service, the motion shall be deemed granted and the moving party may seek an order from the court directing the clerk to reassign the case.

83. Petitioner demands due to the EMERGENCY NATURE of this case where claims have been made that Petitioner's children are in life threatening dangers due to the abusive Probate rulings thus far that have interfered intentionally with their and Petitioner's expectancies that this Disqualification be made instantly as it is legally sufficient and MANDATED. Delays could cause further harm of Petitioner's minor children and Petitioner which would result in

additional damages and liabilities to those parties ultimately held accountable for the acts of Judge Colin outside the Color of Law.

84. That PRIOR to any other actions by Judge Colin, this Disqualification must first be ruled on.

Florida Statutes 38.10

Disqualification of judge for prejudice; application; affidavits; etc.—

Whenever a party to any action or proceeding makes and files an affidavit stating fear that he or she will not receive a fair trial in the court where the suit is pending on account of the prejudice of the judge of that court against the applicant or in favor of the adverse party, the judge shall proceed no further, but another judge shall be designated in the manner prescribed by the laws of this state for the substitution of judges for the trial of causes in which the presiding judge is disqualified. Every such affidavit shall state the facts and the reasons for the belief that any such bias or prejudice exists and shall be accompanied by a certificate of counsel of record that such affidavit and application are made in good faith.

85. Petitioner has supplied a legally sufficient Affidavit herein.

WHEREFORE, the PRO SE Petitioner requests that Judge Colin immediately disqualify as this is a legally sufficient pleading. In the alternative if it is determined by Judge Colin that this Pro Se pleading is legally insufficient then he must on his own motion and initiative disqualify himself as required by Judicial Cannons, Attorney Conduct Codes and Law.

Under Penalties of perjury, I swear under oath and affirm that I have read the foregoing and the facts

alleged are made in good faith and are true to the best of my knowledge and belief.

RE: CASE NO. 13 CV 3643 - SCHEDULING AND DISCOVERY

Dear Honorable Judge John Robert Blakey,

I write to acknowledge and express my understanding of my obligations to conform my filings to the formatting rules of the Court and matters within the Court's jurisdiction. I also write in regards to Scheduling issues after our status call this week with your Court indicating Discovery to be closed upon the taking of the Deposition of my brother, Plaintiff, Ted Bernstein.

I will respectfully be seeking leave by way of formal motion to open the Discovery not only for further examination of Ted Bernstein but also to Notice for

RE: CASE NO. 13 CV 3643 - SCHEDULING AND DISCOVERY

Deposition Judge Martin Colin of the Palm Beach Probate Court who I have just petitioned for Mandatory Disqualification on numerous grounds under the Florida Rules and Code including but not limited to being a necessary fact witness and material witness to actions of fraud upon his Court involving licensed attorneys Tescher and Spallina who have also been part of the litigation before this Court.

I have attached the Disqualification motion herein with respect to Florida Judge Colin for good faith reference and seek leave to move by way of formal motion within this Court's formatting rules to demonstrate the intertwined nature of the actions in this Court with the fraud and actions in Judge Colin's Court.

Please note that the car-bombing of my family mini-van in Boynton Beach, Florida was a very real thing and not a day goes by when I don't wonder what will happen any time my wife, children or I get in to a car. Full pictorial evidence and reports by involved authorities thus far can be found at www.iviewit.tv .

This car-bombing was also reported as part of a Petition I filed with the White House to President Obama, the White House Counsel's Office, the US Attorney General, FBI, SEC and other related federal and state agencies and I have attached a link to this Petition which provides a good overview of the "elephant in the room" being the nature of my Technology which is used on the Hubble Space Telescope, for a mass of US Defense applications, across the globe for digital imaging across the internet and more and also outlines how I was directed by Harry I. Moatz of the Office of Enrollment and

Discipline of the USPTO to file a Petition claiming fraud upon the United States as well as myself and shareholders involving the Technology, which led to suspensions of the Intellectual Properties. The Technology was validated, used, tested and approved by leading engineers and computer experts on property owned by Lockheed Martin in Orlando, Florida at Real3d, Inc. which was at that time a consortium owned by the Intel Corporation, Lockheed Martin and Silicon Graphics and the technologies were valued in the hundreds of billions of dollars over the life of the IP claimed as the "holy grail" of the internet by these leading engineers. See,

Also please note that not only is the car-bombing a very real event that occurred in my life during this ongoing Technology fraud and theft, but as noted in the White House Petition and elsewhere even a Federal Agent such as FBI Special Agent Luchessi of the Palm Beach Office of the FBI has "gone missing" according to West Palm Beach Florida FBI Office (leading to my being directed to former Inspector General Glenn Fine of the Department of Justice for resolution, which still has not occurred) while investigating the Iviewit matters leaving myself in a position of not being able to trust even federal officers and agents and thus I typically err on the side of documenting all

important information in all known places and federal state and international offices. Now as you may be aware from my prior filings, there are new frauds and criminal acts by same, similar, and/or related actors with reports that my father may have been murdered.

Since the time of the February 2009 White House Petition filing when I was personally on the phone line confirming the fax number and receipt for the White House and White House Counsel's office, not a single US Secret Service Officer, Capitol Police, US Marshall or other federal agent has shown up to say I filed a frivolous and harassing Petition to the President or to challenge the veracity of my statements in the Petition. Again, I respectfully remind the Court that I was directed by a Federal official, Harry I. Moatz, Director of the Office of Enrollment and Discipline, to file a petition for suspension claiming Fraud Upon the United States by Patent Bar Attorneys and others

Judge St. Eve had already granted me Leave to Amend my Complaint and the motion to take Florida Judge Colin's Deposition in this Court will demonstrate the relevance to these proceedings and action by the intertwined orchestration of fraud cover up by Judge Colin in his Court also involving Ted Bernstein who is a party in this action and attorney Spallina and others common in both cases also exposing the depth and breadth of the powerful financial interests at play. See the 2009 SEC Petition for general background,
