AMENDED AND RESTATED TRUST AGREEMENT

This Amended and Restated Trust Agreement is dated this ____ day of _____, 2012, and is between SIMON L. BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SIMON L. BERNSTEIN, of Palm Beach County, Florida and SIMON L. BERNSTEIN's successors, as trustee (referred to as the "*Trustee*," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee).

WHEREAS, on May 20, 2008, I created and funded the SIMON L. BERNSTEIN TRUST AGREEMENT (the "*Trust Agreement*," which reference includes any subsequent amendments of said trust agreement);

WHEREAS, Paragraph A. of Article I. of said Trust Agreement provides, inter alia, that during my lifetime I shall have the right at any time and from time to time by an instrument, in writing, delivered to the Trustee to amend or revoke said Trust Agreement, in whole or in part.

NOW, THEREFORE, I hereby amend and restate the Trust Agreement in its entirety and the Trustee accepts and agrees to perform its duties and obligations in accordance with the following amended provisions. Notwithstanding any deficiencies in execution or other issues in regard to whether any prior version of this Trust Agreement was a valid and binding agreement or otherwise created an effective trust, this amended and restated agreement shall constitute a valid, binding and effective trust agreement and shall amend and succeed all prior versions described above or otherwise predating this amended and restated Trust Agreement.

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. Rights Reserved. I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement.

B. Payments During My Life. If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare. Any income not so paid shall be added to principal.

C. **Upon My Death.** Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. **Disposition of Tangible Personal Property.** If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. **Disposition of Trust Upon My Death.** Upon my death, the remaining assets in this trust shall be divided among and held in separate Trusts for my then living grandchildren. Each of my grandchildren for whom a separate trust is held hereunder shall hereinafter be referred to as a "*beneficiary*" with the separate Trusts to be administered as provided in Subparagraph II.C.

C. **Trusts for Beneficiaries.** The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the net income and principal of such beneficiary's trust as is proper for the Welfare of such individuals. Any income not so paid shall be added to principal each year. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any grandchild of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of any of my lineal descendants (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or
2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

D. Termination of Small Trust. If at any time after my death in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

E. Contingent Gift. If at any time property of these Trusts is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if I had then owned such property and had then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

F. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

G. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years after the date of creation of this Agreement, nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

ARTICLE III. GENERAL

A. Disability. Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. Timing of Income Distributions. The Trustee shall make required payments of income at least quarterly.

C. Substance Abuse.

1. **In General.** If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended. In that event, the following provisions of this Subparagraph III.C will apply.

2. **Testing.** The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. **Treatment.** If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an

in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*," "*grandchild*," "*grandchildren*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children born of female lineal descendants, (c) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is

raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child, and (d) lawful adoptions of minors under the age of twelve years. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, for all purposes of this Trust and the dispositions made hereunder, my children, TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, shall be deemed to have predeceased me as I have adequately provided for them during my lifetime.

2. Code. "**Code**" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "**Disabled**" or being under "**Disability**" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "**education**" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. Needs and Welfare Distributions. Payments to be made for a person's "**Needs**" means payments necessary for such person's health (including lifetime residential or nursing home care), education, maintenance and support. Payments to be made for a person's "**Welfare**" means discretionary payments by the Trustee, from time to time, for such person's Needs and also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to

such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

6. Per Stirpes. In a division "*per stirpes*" each generation shall be represented and counted whether or not it has a living member.

7. Related or Subordinate Party. A "*Related or Subordinate Party*" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

8. Spouse. A person's "*spouse*" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

- a. the legal termination of the marriage to my descendant (whether before or after my death), or
- b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

The trust will be administered as if that person had died upon the happening of the terminating event described above.

9. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such

Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

H. Presumption of Survivorship. If any person shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Release of Medical Information.

1. **Disability of Beneficiary.** Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries and myself if a beneficiary) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested

beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Ability to Amend or Revoke. The foregoing provisions of this paragraph shall not constitute a restriction on myself to amend or revoke the terms of this trust instrument under paragraph I.A hereof, provided I otherwise have legal capacity to do so.

4. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any

decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole

proprietorship, or other form (all of which business entities and enterprises are referred to herein as "*Business Entities*"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorised and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided, unless otherwise provided in this instrument, the Trustee shall establish out of income and credit to principal reasonable reserves for depreciation, obsolescence and depletion, determined to be equitable and fair in accordance with some recognized reasonable and preferably uncomplicated trust accounting principle and; provided, further that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this

paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

26. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

27. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate.

28. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

29. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee.

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, WILLIAM E. STANSBURY shall serve as successor Trustee. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C, subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances provided that the foregoing appointments shall apply when and to the extent that no effective appointment is made below:

a. Trustee of Separate Trusts for My Grandchildren. Each grandchild of mine shall serve as co-Trustee with the immediate parent of such grandchild which parent is also a child of mine as to all separate trusts under which such grandchild is the sole current mandatory or discretionary income beneficiary upon attaining the age of twenty-five (25) years, and shall serve as sole Trustee of such trusts upon attaining the age of thirty-five (35) years. While serving alone as Trustee, a grandchild of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such grandchild and such grandchild may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

b. Trustee of Separate Trusts for My Lineal Descendants Other Than My Grandchildren. In regard to a separate trust held for a lineal descendant of mine other than a grandchild of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon attaining age twenty-five (25) years. While serving alone as Trustee, a lineal descendant of mine other than a grandchild of mine may designate a co-Trustee to serve with such lineal descendant and such lineal descendant may remove and/or replace such co-Trustee with another from time to time.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

a. The remaining Trustees, if any; otherwise,

b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. **Power to Remove Trustee.** Subsequent to my death, the age 35 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, other than a named Trustee or successor Trustee designated hereunder, or a Trustee appointed by me during my lifetime or under my Will or otherwise at the time of my death, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. **Liability in General.** No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

2. **Indemnification of Trustee.** Except in regard to liabilities imposed on a Trustee under Subparagraph IV.G.1, each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. **Indemnification of Trustee - Additional Provisions.** I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in

money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V. ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts. I direct (a) that the Trustee shall divide any trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions hereof) so that the generation-skipping tax inclusion ratio of one such trust is zero, (b) any property exempt from generation-skipping taxation shall be divided as otherwise provided herein and held for the same persons designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such

fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and issue, as such beneficiary may appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such Trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. For purposes of funding any pecuniary payment to which there is allocated any GST exemption, such payment shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this paragraph which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution or otherwise or is not reasonably available. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. Gift Transfers Made From Trust During My Lifetime. I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. Gifts. If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. **Trustee Limited.** When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent (5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

E. Death Costs. If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and
5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the tangible personal property disposed of pursuant to the prior paragraph captioned "Disposition of Tangible Personal Property."

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section

663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. I reserve the right to reside upon any real property placed in this trust as my permanent residence during my life, it being the intent of this provision to retain for myself the requisite beneficial interest and possessory right in and to such real property to comply with Section 196.041 of the Florida Statutes such that said beneficial interest and possessory right constitute in all respects "equitable title to real estate" as that term is used in Section 6, Article VII of the Constitution of the State of Florida. Notwithstanding anything contained in this trust to the contrary, for purposes of the homestead exemption under the laws of the State of Florida, my interest in any real property in which I reside pursuant to the provisions of this trust shall be deemed to be an interest in real property and not personalty and shall be deemed my homestead.

12. The Defendant, LINCOLN is an Indiana corporation, authorized to do business and is doing business in the State of Florida and Palm Beach County, Florida. LINCOLN has licensed and/or appointed agents to represent it in Florida and has informed the Florida Office of Insurance regulation that it is bound by their acts. Among others, BERNSTEIN ESTATE and T. BERNSTEIN were licensed and/or appointed

Marvin Schiller vs. Life Insurance Concepts, et. al.
Complaint
Page 6 of 24

agents of Defendant, LINCOLN, and at all times material hereto acted pursuant to such licenses. Likewise, all named Defendants herein were associated with and/or were appointed agencies of LINCOLN and acted pursuant to such associations/appointments.

13. In or about 2008, the Defendant BERNSTEIN ESTATE, individually, and in his capacity as a licensed and/or appointed agent of the Defendant, LIC, and/or the other Defendants named herein, approached MARVIN SCHILLER to urge him to buy a life insurance policy (the "Policy") even though SCHILLER had no interest or need to buy additional life insurance. The Policy is attached hereto as Exhibit "A".

14. As part of BERNSTEIN ESTATE'S urging, SCHILLER was advised that, as an exit strategy, the Policy could always be sold in the life settlement market should SCHILLER desire.

15. On or about March 26, 2008, Defendant, T. BERNSTEIN, prepared and delivered to SCHILLER "A LIFE INSURANCE ILLUSTRATION" in an effort to assist BERNSTEIN ESTATE'S push to sell SCHILLER the Policy and to further convince SCHILLER to purchase the subject Policy. (Exhibit "B")

16. At this time, T. BERNSTEIN was acting in his capacity as an agent, officer and/or director of either or all of Defendants: 1) LIC; 2) INT. MGT.; 3) CAMBRIDGE; 4) HOLDINGS; 5) CONNECTION; 6) INNOVATIONS; 7) ALLIED; and/or, 8) LINCOLN.

17. As part of the sale of the Policy, BERNSTEIN ESTATE and/or T. BERNSTEIN, acting within their capacity as agent, officer, and/or director of any/all Defendants named herein, convinced SCHILLER to use premium financing, despite knowing that SCHILLER did not need that option.

Marvin Schiller vs. Life Insurance Concepts, et. al.
Complaint
Page 7 of 24

18. Additionally, BERNSTEIN ESTATE and T. BERNSTEIN failed to disclose and properly advise SCHILLER about the terms and costs of the Policy.

19. Moreover, the Policy was so poorly designed that it was not going to perform well under any circumstance, and the Policy clearly benefited BERNSTEIN ESTATE, T. BERNSTEIN, LIC as well as all other named Defendants herein.

20. Further, the application for the Policy shows that BERNSTEIN ESTATE and/or T. BERNSTEIN materially misrepresented their discussions with SCHILLER regarding the possibility of selling the Policy in the life settlement market; to wit, the application is marked "No" regarding the question of whether the policyholder had been involved in any talks about the "possible sale or assignment" of the Policy. (Exhibit "B")

21. In or about May, 2011, SCHILLER sought to surrender the Policy due to his belief that the Policy was not performing and could not be sold in the life settlement market.

22. Upon learning of SCHILLER'S desire to surrender the Policy, BERNSTEIN ESTATE and/or T. BERNSTEIN, acting as agents for the other named Defendants herein, advised and convinced SCHILLER to reduce the policy from TEN MILLION and 0/100 DOLLARS (\$10,000,000.00) to FIVE MILLION and 0/100 DOLLARS (\$5,000,000.00). (Exhibit "C")

23. This reduction of the Policy triggered substantial partial surrender charges and mortality charges and also forfeited SCHILLER'S guaranteed death benefit (the most valuable feature of the Policy), which was associated with the \$10,000,000.00 Policy.

24. Importantly, neither BERNSTEIN ESTATE nor T. BERNSTEIN advised

Marvin Schiller vs. Life Insurance Concepts, et. al.
Complaint
Page 8 of 24

SCHILLER that the reduction would void the guaranteed death benefit associated to his \$10,000,000.00 Policy or would irreparably harm the Policy by causing an immediate loss and permanent loss.

25. As a result of SCHILLER'S initial purchase of the \$10,000,000.00 Policy and then reduction to the \$5,000,000.00 Policy, BERNSTEIN ESTATE and/or T. BERNSTEIN made substantial commissions by way of their relationship/capacity/licenses with Defendants, LIC; INT. MGT.; CAMBRIDGE; HOLDINGS; CONNECTION; INNOVATIONS; ALLIED; and/or, LINCOLN.

26. The Plaintiff, MARVIN SCHILLER, individually, has been forced to retain the services of the undersigned counsel in order to prosecute this action and is obligated to pay reasonable attorneys' fees on a contingency fee basis.

Summary of Policy Features

This Summary is an overview of the important features and operations of Your policy. It is meant to give You a basic understanding of Your policy. Specific details regarding these features are only provided in the policy provisions and cannot be fully described in a summary. This summary is not a substitute for reading the entire policy carefully.

Flexible Premium Adjustable Life Insurance – This title is Our generic name for universal life insurance. "Flexible premium" means that You may pay premiums by any method agreeable with Us, at any time prior to the Insured's Attained Age 121 and in any amount subject to certain limitations. "Adjustable life insurance" means that You, with Our agreement, can change the death benefit to meet Your changing needs.

Coverage Duration – Your policy will remain in effect to the insured's death if You have a positive Cash Surrender Value or if the Coverage Protection Guarantee test is met.

Policy Value – The Policy Value is a key component of Your policy. It's where Your premiums go and where We assess Our charges for providing coverage. We apply a charge to each premium You pay, then add the balance to the Policy Value. We deduct the cost of providing the coverage (the cost of insurance) plus the cost of any additional benefits and/or riders and administrative expense charges from this value each month as a "monthly deduction". We then credit interest to the difference.

Simply put - premium and interest additions increase the Policy Value, Our charges decrease the Policy Value. If additions exceed deductions, Your Policy Value increases; if deductions exceed additions, Your Policy Value decreases. If the Policy Value, less surrender charge, less Debt (Cash Surrender Value) becomes so small that We cannot take an entire monthly deduction, Your policy may terminate; see, however, the Coverage Protection Guarantee below and the policy provisions describing the Grace Period.

Coverage Protection Guarantee – Your policy provides an important Coverage Protection Guarantee which can ensure that Your coverage will continue even if Your Cash Surrender Values are insufficient to cover the monthly deductions.

How does the Coverage Protection Guarantee work? The guarantee references an "alternate" policy value calculated in the same manner as the actual Policy Value but utilizing different charges (cost of insurance, cost of additional benefits and/or riders, administrative expense charges) and interest rates. All charges used in this alternate policy value calculation are guaranteed not to increase and all interest rates used in this alternate policy value calculation are guaranteed not to decrease.

The alternate policy value is not used in determining the actual Policy Value, it is simply a reference value used to determine whether the Coverage Protection Guarantee is in effect.

Note that the length of time the Coverage Protection Guarantee can continue Your policy in force may vary based upon the following factors:

- changes in premium frequency, timing or amount;
- policy changes such as loans, partial surrenders, changes in the death benefit and addition of riders.

In addition, if You have allowed the policy to lapse longer than 90 days, the guarantee is permanently lost.

We will provide You with an annual notification of the status of Your Coverage Protection Guarantee, which You should review carefully.

Variables – Many variables affect Your policy's performance. The better You understand these variables, the better You will be able to monitor Your policy's performance and take advantage of its flexibility:

- **Credited Interest Rates.** Credited interest is a significant component of Your policy. Do not assume that interest rates will remain constant for any extended period of time or that interest rates credited to this Policy will correlate with changes in interest rates on other policies owned by You. We can change interest rates at any time based on certain contractually identified factors subject to a minimum rate.
- **Monthly Cost of insurance and Expense Charges.** These charges are assessed against Your Policy Value to cover the company's cost of insurance and other expenses. These charges will be detailed in Your annual Statement of Account. We can change these charges based on certain contractually identified factors subject to the maximum guaranteed factors shown in Your policy.
- **Premium Payments.** Payment of premiums, even planned premiums, may not result in Policy Value performance as originally expected. Premium payments are only one variable affecting the performance of Your Policy Value. Your policy could perform better or worse than expected due to the effect of changes in interest rates, monthly cost of insurance and expense charges, as well as the timing, amount and frequency of Your premium payments. Obviously, if You choose to pay lower premiums or skip premium payments, such actions will have the impact of slowing Your Policy Value growth and increasing the potential that Your policy will lapse.

Summary of Policy Features (Cont'd)

Monitoring Your Policy's Performance - We will send You an annual Statement of Account to help You monitor Your policy's performance and compare it to Your objectives when You purchased Your policy. Begin by verifying that Your planned premiums will accomplish Your insurance objective. Ask Your life insurance agent to explain anything You do not understand. You may need to adjust Your premiums to achieve Your insurance objectives. You may request a projection of future death benefits and Policy Values from Us at any time. We are also available to answer Your questions and assist You in making changes to Your policy.

The interest of any beneficiary, including any Irrevocable Beneficiary, who dies before the Insured, will belong to the Owner unless otherwise provided.

General Provisions

The Contract This policy is issued in consideration of the application and payment of the initial premium. This policy, the attached copy of the application and/or endorsements, and any attached supplemental applications and riders form the entire contract. All statements made by or for the Insured are, in the absence of fraud, considered to be representations and not warranties. We will not use any statement by or for the Insured to void this policy or to deny a claim unless it is contained in an application.

Policy Changes Only an authorized officer of the Company can change the terms or waive provisions of this policy. A change must be in writing.

Incontestability We will not contest this policy after it has been in force during the Insured's lifetime for 2 years from the Issue Date. An increase in the Specified Amount will not be contested after it has been in force during the Insured's lifetime for 2 years from its effective date.

Suicide If the Insured, while sane or insane, commits suicide within 2 years from the Issue Date, the amount payable will be no more than the sum of the premiums paid less any Debt and any partial surrenders. If the Insured, while sane or insane, commits suicide within 2 years from the effective date of an increase in the Specified Amount, the amount payable under such increase will be the sum of the monthly deductions for such increase. The amount payable under this provision will be paid to the Beneficiary. Any amount payable will first be used to pay the interest of anyone to whom the policy has been assigned.

Assignment Only You have the right to assign this policy. We are not bound by an assignment unless it has been recorded at Our Service Office. We are not responsible for the validity or effect of any assignment.

Misstatement of Age or Sex If the age or sex of the insured has been misstated, the amount of death benefit will be adjusted to the amount which would have been provided by the most recent cost of insurance deduction at the true age and sex. The Policy Value will not be affected.

Compliance with the Internal Revenue Code This policy is intended to qualify as life insurance under the Internal Revenue Code. The death benefit provided by this policy is intended to qualify for the Federal income tax exclusion. If at any time the premium paid under this policy exceeds the amount allowable for such qualification, We will refund the premium to You with interest within sixty days after the end of the policy year in which the premium was received. If, for any reason, We do not refund the excess premium within sixty days after the end of such policy year, the excess premium will be held in a separate deposit fund and credited with interest until refunded to You.

The interest rate used on any refund or credited to the separate deposit fund created by this provision will be the current rate of interest We are paying on this policy. We also reserve the right to refuse to make any change in the Specified Amount or the Death Benefit Option or any other change if such change would cause this policy to fail to qualify as life insurance under the Internal Revenue Code.

Modified Endowment This policy will be allowed to become a modified endowment contract under the Internal Revenue Code only with Your consent. Otherwise, if at any time the premiums paid under the policy exceed the limit for avoiding modified endowment contract status, the excess premium will be refunded to You with interest within sixty days after the end of the policy year in which the premium was received. If, for any reason, We do not refund the excess premium within sixty days after the end of such policy year, the excess premium will be held in a separate deposit fund and credited with interest until refunded to You. The interest rate used on any refund or credited to the separate deposit fund created by this provision will be the current rate of interest We are paying on this policy.

Annual Report We will provide an Annual Report to You. This report will show the activity of the policy for the past policy year. It will list premiums paid, expenses charged, monthly deductions, interest credited, and partial surrenders. It will show the then current death benefit, Policy Values and Debt, as well as any other information required by state law and regulation. By comparing the actual Policy Values to the projection of values received when this policy was purchased You can determine whether this policy is performing as planned.

Upon request, We will provide a projection of illustrative future death benefits and Policy Values. The first illustration in any policy year will be furnished free of charge. If You request more than one illustration in a policy year We reserve the right to apply a charge for this service.

Settlement Payment or settlement under this policy will be made at Our Service Office in a lump sum payment unless You elect to receive proceeds under a Settlement Option as stated in the Settlement Options provision. At the time of settlement, any Debt will be deducted. At the time of settlement, We reserve the right to require surrender of this policy.

Payment of Claims When this policy becomes a claim due to the death of the Insured, settlement will be made within 2 months after receipt of due proof of death.

Deferment We may defer making a partial surrender or policy loan up to 6 months after We receive Your request, however a partial surrender or loan for payment of premiums to Us will not be deferred.

Premium Provisions

Premium Payment The initial premium is due on the Policy Date and is payable on or before delivery of this policy. Thereafter, premiums may be paid at any time and in any amount, subject to the following conditions, unless otherwise agreed to in writing by Us, however sufficient premium must be paid to keep this policy in force.

The amount of each premium must be at least \$25.

We reserve the right to limit the amount of premiums paid in accordance with the Compliance with the Internal Revenue Code and Modified Endowment provisions. We also reserve the right to require evidence of insurability satisfactory to Us for any premium payment that would result in an immediate increase in the difference between the Death Benefit and the Policy Value. If satisfactory evidence of insurability is not received, the premium or portion thereof may be returned.

Your premiums are payable in United States currency. Premium payments, after the first, can be made as follows:

1. through prearranged withdrawals by contacting the Service Office;
2. sent to any premium address designated by Us,
3. made to Our authorized agent. A receipt signed by one of Our Officers will be provided upon request.

Grace Period If on a Monthly Anniversary Day the Cash Surrender Value is less than the monthly deduction due, Your policy will enter the grace period unless the Coverage Protection Guarantee is in effect. A grace period of 60 days from the date that the policy enters the grace period will be allowed for the payment of the minimum amount needed to continue the policy. If the Coverage Protection Guarantee is in effect, the grace period will not begin and this policy will not be subject to termination under this provision.

We will notify You and any assignee of the minimum amount due at least 30 days before the end of the grace period. If the amount specified is not paid within the grace period, this policy will terminate without value at the end of such period. If the Insured dies within the grace period, the amount needed to continue this policy to the end of the policy month of death will be deducted from the amount otherwise payable.

Reinstatement Application to reinstate this policy may be made within 5 years after the date of termination and prior to the Insured's Attained Age 121 provided this policy has not been surrendered for its Cash Surrender Value. Limitations exist for reinstatement of the Coverage Protection Guarantee Provisions as stated in this provision. You may apply to reinstate this policy even if the Coverage Protection Guarantee Provisions can no longer be reinstated.

In addition to the application, reinstatement will require all of the following:

1. You must furnish evidence of insurability satisfactory to Us;

2. You must pay an amount that results in a Cash Surrender Value on the date of reinstatement that is sufficient to keep this policy in force for at least 2 months;

3. You must pay or reinstate any Debt.

The Cash Surrender Value on the date of reinstatement will equal:

- (a) The Policy Value at the time of policy termination; plus
- (b) Net Premiums credited at the time of reinstatement; less
- (c) The surrender charge at the time of reinstatement; less
- (d) Any Debt at the time of reinstatement.

The surrender charge will be based on the duration from the original Policy Date as though the policy had never lapsed.

Reinstatement will be effective on the date We approve the application unless another date acceptable to Us is requested. In addition to the required payment to keep the policy in force as stated in 2. above, We recommend that You resume Your modal premium payments in order to provide coverage beyond the initial period following the date of reinstatement.

We will not contest this policy for misrepresentations made in the application for reinstatement after this policy has been in force during the lifetime of the Insured for 2 years from the date of the last reinstatement.

The Coverage Protection Guarantee Provisions may be reinstated at the time of policy reinstatement if application for reinstatement is received during the Coverage Protection Guarantee Provisions Reinstatement Period as shown on page 4. In order to reinstate the Coverage Protection Guarantee Provisions We will require payment at the time of policy reinstatement of the lesser of:

- (i) the amount stipulated in 2. above; and
- (ii) an amount required to reinstate the Coverage Protection Guarantee Provisions on the date of reinstatement that is sufficient to keep the Coverage Protection Guarantee in effect for at least 2 policy months.

You will be advised at the time of reinstatement of the amount required in order for the guarantee described in the Coverage Protection Guarantee Provisions to become effective, additional payment may be required. Your request for reinstatement of the Coverage Protection Guarantee Provisions must be received during the specified time period.

Premium Refund at Death Any premium paid after the beginning of the policy month of death will be refunded as part of the proceeds, unless You request otherwise prior to such payment.

Insurance Coverage Provisions

Death Benefit The death benefit of this policy is the larger of:

- (a) The death benefit under the Death Benefit Option in effect; or
- (b) The Policy Value at the beginning of the policy month of death times the Corridor Factor shown in the table on page 4.

The death benefit will be reduced by any Debt on the date of death. The Policy Value at the beginning of the policy month of death used in calculating the death benefit is after subtracting all parts of the monthly deduction for the policy month except for the cost of insurance.

Death Benefit Qualification Test This policy is intended to qualify as life insurance under the Internal Revenue Code. The death benefit provided by this policy is intended to qualify for the Federal income tax exclusion. Two methods of qualifying as life insurance are the Cash Value Accumulation Test and the Guideline Premium Test, as defined in Internal Revenue Code Section 7702. The Death Benefit Qualification Test for this policy is shown on page 4 and cannot be changed. Unless You elected otherwise, the Death Benefit Qualification Test is the Guideline Premium Test.

Death Benefit Options There are three death benefit options as described in this provision. The death benefit option for this policy is shown on page 3.

- **Option I** The death benefit is the Specified Amount on the date of death.
- **Option II** The death benefit is the Specified Amount on the date of death plus the Policy Value at the beginning of the policy month of death.
- **Option III** The death benefit is the Specified Amount on the date of death plus the total of the premiums paid prior to the Insured's Attained Age 100 less the total of any partial surrenders taken to the date of death. If the total of the partial surrenders taken to the date of death is greater than the total of premiums paid prior to the Insured's Attained Age 100, then the death benefit will be less than the Specified Amount.

Continuation of Policy After Age 121 If this policy is in force at the Attained Age 121 of the Insured (but not in the grace period) the following will occur:

- (a) Your policy will continue in force for the lifetime of the Insured unless You surrender this policy;
- (b) the Death Benefit Option in effect may not be changed;
- (c) no further premium payments may be made;
- (d) no further monthly deductions will be taken;
- (e) Policy loans and partial surrenders can continue to be taken. Loan rates will apply as stated on Page 4;

(f) All supplemental riders and benefits will terminate.

If this policy is in the grace period at Attained Age 121 You will need to pay the minimum amount required to remove this policy from the grace period in order to guarantee continuation of this policy beyond Attained Age 121.

Changes in Insurance Coverage Upon request, the insurance coverage may be changed at any time after the first policy year as described in this provision.

- **Increases in Specified Amount** The Maximum Attained Age for an increase in Specified Amount is as shown on Page 4. If a change would result in an increase in the amount payable at death, such change will be subject to satisfactory evidence of insurability.
- **Decreases in Specified Amount** A decrease in Specified Amount may be made prior to the Attained Age 121 of the Insured. The Specified Amount may not be decreased below the minimum shown on page 4. A decrease in the Specified Amount will apply first against insurance with the most recent effective date, with the Initial Specified Amount being last to be decreased. A surrender charge will be applied as specified in the Surrender Charges provision.
- **Changes in Death Benefit Option** Prior to the Insured's Attained Age 121 You may request a change in death benefit option to Option I or Option II. Changes to Option III are not permitted. If a change would result in an increase in the amount payable at death, such change will be subject to satisfactory evidence of insurability.

Rating class changes that may occur upon your request (such as a change in Tobacco User status) can be made at any time after the first policy year and prior to the Insured's Attained Age 121. Changes in insurance coverage will be effective on the Monthly Anniversary Day on or next following the date of approval by Us of the request for the change, unless another date acceptable to Us is requested.

Policy Changes and the Coverage Protection Guarantee Rating class changes that result in a more favorable mortality rating will require a change to Table A, B and the Table of Coverage Protection Guarantee Administrative Charges used in determining the Coverage Protection Guarantee. A new specifications page will be sent to You after such change. Decreases in Specified Amount for the policy or any attached rider and death benefit option changes will not require a change to Table A, B or the Table of Coverage Protection Guarantee Administrative Charges. A charge will be applied in determining the Coverage Protection Guarantee following an increase in Specified Amount as stipulated in the Coverage Protection Guarantee provisions.

Nonforfeiture Provisions

Policy Value The Policy Value on the Policy Date will be equal to all net premiums paid for this policy. The Policy Value of this policy is then determined on each Monthly Anniversary Day by accumulating with interest the Policy Value for the prior month increased by net premiums credited and decreased by monthly deductions and by the reduction in Policy Value caused by any partial surrender since the preceding Monthly Anniversary Day.

On any day other than a Monthly Anniversary Day, the Policy Value will be the Policy Value as of the preceding Monthly Anniversary Day minus both the monthly deduction for the current policy month and the reduction in Policy Value caused by any partial surrender since the preceding Monthly Anniversary Day.

In addition, if the surrender is processed as of the preceding Monthly Anniversary Day We will refund any premium received since the preceding Monthly Anniversary Day.

Net Premium Each net premium will be computed by multiplying each gross premium by the guaranteed net premium factor shown on page 4. A higher net premium factor may be applied as determined by Us.

Interest Rate The interest rate used in the calculation of the Policy Value will never be less than the Interest Rate Used to Calculate Minimum Cash Surrender Values as shown on page 4. Interest in excess of the guaranteed rate may be applied as determined by Us. Such interest is referred to in this policy as excess interest.

Interest will begin to accumulate as of the date the net premium is credited.

Monthly Deduction The monthly deduction for a policy month will be computed as (1) plus (2) where:

- (1) is the cost of insurance and the cost of any additional benefits provided by rider for the policy month.
- (2) is the sum of all administrative charges for the policy and any attached riders shown on page 4 as being due for the policy month.

If there is an increase in the Specified Amount, additional charges will be in effect for the increase as shown on page 4. A new specifications page will be sent to You following an increase in Specified Amount.

Cost of Insurance The cost of insurance is determined on a monthly basis as the cost of insurance rate for the month multiplied by the net amount at risk for the month. The net amount at risk for the Policy Value calculation is computed as (1) minus (2) where:

- (1) is the death benefit for the month before reduction for any Debt, discounted to the beginning of the month at the guaranteed interest rate.
- (2) is the Policy Value at the beginning of the month.

For months in which Death Benefit Option I is in effect, for the purpose of allocating the cost of insurance between different parts of the Specified Amount, the Policy Value will be considered as part of the Initial Specified Amount. If such value exceeds the Initial Specified Amount, any excess will be considered part of the earliest addition to the Specified Amount. This allocation will continue in order of all additions to the Specified Amount until all value is allocated.

Cost of Insurance Rates The monthly cost of insurance rates are determined by Us. The table of guaranteed maximum rates is shown on pages 13 and 14. We may use rates lower than those guaranteed maximum rates. We will never use higher rates. The guaranteed maximum rates are based on the mortality table shown on page 4.

Continuation of Insurance This policy and all riders will continue in force according to the terms as long as either the Cash Surrender Value is sufficient to cover the monthly deduction or the total of the Coverage Protection Accounts equals or exceeds Debt. If neither amount is sufficient, the policy will terminate according to the grace period provision. If premiums are discontinued on any date, the Cash Surrender Value on that date will be used to provide insurance under this provision.

Basis of Values Minimum Policy Values are based on the mortality assumptions and interest rates shown on page 4. The values for this policy are at least equal to the minimum required by law. If required, a detailed statement of the method used to determine policy values and reserves has been filed with the states in which this policy is delivered.

Changes in Rates At Our sole discretion, We may change the monthly cost of insurance rates or excess interest rate at any time. We will base any change on Our future expectations as to investment earnings, mortality, persistency, expenses and taxes. We will not make any change in order to distribute past gains or recoup prior losses. Any change in the monthly cost of insurance rates will apply to all Insureds with the same combination of the following: Attained Age, sex, Initial Specified Amount, length of time the policy has been in force and rate class. Changes in rates will affect the Policy Value. Changes in rates may also affect length of insurance coverage.

Nonforfeiture Provisions (Continued)

Surrender and Surrender Value Upon request, You may surrender this policy for its Cash Surrender Value. Surrender within 31 days after a policy anniversary date will be treated as a surrender on that date, otherwise the surrender request will be effective on the Monthly Anniversary Day nearest the date We receive Your request.

Partial Surrender Upon request, You may make a partial surrender of this policy. The partial surrender may be for any amount equal to or greater than the Partial Surrender Minimum Amount shown on page 4, not to exceed the Cash Surrender Value less \$500.

When a partial surrender is made:

1. the Policy Value will be reduced by the amount of the partial surrender, plus the partial surrender fee shown on page 4;
2. the death benefit will be reduced by the amount at least equal to the reduction in Policy Value. Such a reduction may be produced without changing the Specified Amount. If not, We will reduce the Specified Amount so that the reduction in death benefit is equal to the reduction in value. If Death Benefit Option III is in effect and the total of the partial surrenders is greater than the premiums paid, then the Death Benefit will be less than the Specified Amount. A partial surrender cannot be allowed if it would reduce the Specified Amount below the minimum shown on page 4.

Surrender Charges The charge for full surrender will be the amount shown on Page 4 for the number of completed policy months preceding surrender. There will be a partial charge if there is a decrease in the Specified Amount while there is a surrender charge in effect. If there is an increase in the Specified Amount, an additional surrender charge may be in effect for the increase. If there is an additional surrender charge in effect for an increase in Specified Amount, a new schedule of surrender charges will be provided after such increase.

Surrender charges are computed based on the number of thousands of Specified Amount. The partial charge for a decrease in Specified Amount will be based on the per thousand charge for the number of thousands of the decrease. A decrease in Specified Amount will apply first against insurance with the most recent effective date.

A new schedule of surrender charges will be provided after a change in such charges.

Coverage Protection Guarantee Provisions

Coverage Protection Guarantee When the Coverage Protection Guarantee is in effect, this guarantee will provide that this policy will not enter the grace period because the policy's Cash Surrender Value is insufficient to cover the current monthly deductions as defined in the policy. The Coverage Protection Guarantee is in effect if the total of the Coverage Protection Accounts (herein referred to as "CPA I", "CPA II" and "CPA III" or the "account(s)") equals or exceeds Debt. The total of the Coverage Protection Accounts is a value equal to what the Policy Value would have been if calculated using the provisions described below. The Coverage Protection Accounts are used only for determining if the Coverage Protection Guarantee is in effect and are not used in calculating the actual Policy Value provided under this policy.

Coverage Protection Value The value of CPA I, CPA II and CPA III on the Policy Date will be equal to all net premiums allocated to each account. The value of each account is then determined on each Monthly Anniversary Day by accumulating with interest the value for the prior month increased by net premiums credited to that account and decreased by monthly deductions charged to that account and by the reduction in value caused by any partial surrender charged to that account since the preceding Monthly Anniversary Day. The total of the Coverage Protection Accounts may become less than zero.

On any day other than a Monthly Anniversary Day, the value of the account will be the value as of the preceding Monthly Anniversary Day minus both the monthly deduction for the current policy month charged to that account and the reduction in value caused by any partial surrender charged to that account since the preceding Monthly Anniversary Day.

Net Premium Each net premium will be computed by multiplying each gross premium by the Coverage Protection Guarantee Net Premium Factor on Page 4.

Interest Rate The interest rate for all accounts is shown on Page 4.

Interest will begin to accumulate as of the date the net premium is credited.

Monthly Deduction The monthly deduction for a policy month will be computed as (1) plus (2) where

- (1) is the cost of insurance and the guaranteed maximum cost of any additional benefits provided by rider for the policy month.
- (2) is the administrative charges. The Coverage Protection Guarantee Administrative Charges on Page 4 will be used, plus the maximum guaranteed administrative charges for any attached riders shown on page 4 as being due for the policy month.

This amount will include any Coverage Protection Guarantee charge in effect for an increase. Such charge will be based upon the Attained Age, sex, class of the Insured and the amount of the increase and will be shown on a supplemental specifications page that We will send to You.

Cost of Insurance The cost of insurance is determined on a monthly basis as the cost of insurance rate for the month multiplied by the net amount at risk for the month.

The net amount at risk for an account is computed as (1) minus (2) where

- (1) is the death benefit for the month before reduction for any Debt, discounted to the beginning of the month at the CPA III guaranteed interest rate.
- (2) is the total of all Coverage Protection Accounts at the beginning of the month.

Cost of Insurance Rates The monthly cost of insurance rates for use in the account calculations are shown in the Coverage Protection Guarantee Cost of Insurance Table A and B on Page 4. Table B will be applied if CPA III is not equal to zero otherwise Table A will be applied. The rate in the designated Table will apply to all accounts.

Changes in Rates The cost of insurance rates and the interest rates described in the Coverage Protection Guarantee provisions are fixed and guaranteed and not subject to change.

Allocation Among Accounts Net premiums, partial surrenders and monthly deductions will be allocated among the accounts by the following rules:

- **Net Premiums**
 - a) If the initial premium, allocate to CPA I.
 - b) If any other premium paid in the first policy year while the total of all accounts exceeds zero, allocate to CPA I.
 - c) If any other premium paid while the total of the accounts is equal to or less than zero, allocate to CPA III.
 - d) Otherwise, allocate to CPA II.
- **Partial Surrenders**

Each account will be reduced by the same proportion as the Cash Value.
- **Monthly Deductions**
 - a) Allocate to CPA III until it is reduced to zero.
 - b) Allocate balance to CPA II until it is reduced to zero.
 - c) Allocate any additional balance to CPA I until it is reduced to zero.
 - d) Allocate remaining balance to CPA III (in addition to any allocation to CPA III made in a) above).

Coverage Protection Guarantee Provisions Continued

Disability Waiver Benefits If a Disability Waiver of Monthly Deduction Benefit is attached to this policy and if You qualify for a Disability Waiver Benefit, monthly deductions due for the purposes of determining if the Coverage Protection Guarantee is in effect will be waived. If a Disability Waiver of Specified Premium Benefit is attached to this policy, any premium paid to this policy will be applied as premium for the purposes of determining if the Coverage Protection Guarantee is in effect.

Policy Loans

When Available A loan may be obtained by request when this policy has a loan value. This policy will be the sole security for the loan.

Amount Available The loan value at any time is the then current Policy Value if this policy were surrendered on the date of determination.

The maximum additional loan at any time is the loan value at that time less:

1. any existing loan;
2. accrued interest on any existing loan; and
3. interest on the total outstanding loan to the end of the policy year.

Loan Interest Interest on a policy loan is due and payable on each policy anniversary. If You do not pay the interest when it is due, We will add the amount of interest to the loan. We will charge interest on this amount at the same interest being charged on the loan. The effective annual policy loan interest rate is shown on page 4.

You must assign this policy to Us to the extent of the outstanding loan. If the Insured dies, We will deduct the outstanding loan from the death benefit before We pay the death benefit to the beneficiary.

Loan Repayments You may repay all or part of a loan at any time while this policy is in force. Each partial repayment must be at least \$25.

Every payment to Us on this policy will be considered a premium payment unless clearly marked for loan repayment or for payment of loan interest.

Preferred Loan Amounts Beginning with the 21st policy year, all loan balances will be considered to be preferred loan amounts at the policy loan interest rate for preferred loans as shown on page 4.

Maximum Loan Amount If the Debt at any time equals or exceeds the loan value, this policy will enter the grace period.

Settlement Options

Instead of payment in one sum, all or part of the Proceeds may be applied under one or more of the settlement options shown below. The right to elect and payments under a settlement option are subject to the conditions stated in this provision.

You may make, change or revoke an election at any time while the Insured is alive. Following the death of the Insured, the beneficiary may elect an option if You have not elected one or if Proceeds are payable in one sum. A beneficiary may make a change in payment under a settlement option only if You provided for it in Your election.

A change of beneficiary automatically cancels a previous election of a settlement option.

If this policy is assigned, the assignee's portion of Proceeds will be paid in one sum. Any balance of Proceeds may be applied under settlement options.

Proceeds placed under a settlement option for the benefit of any beneficiary must be at least \$2,500 and payments to any payee must be at least \$25.

If Proceeds are payable to an executor, administrator, trustee, corporation, partnership or association, payment will be in one sum unless We agree to payment under a settlement option.

Options

1. **Income for a Fixed Period** Monthly installments will be paid for a period agreed upon.
2. **Life Income** Monthly installments will be paid as elected under a, b or c:
 - a. **Life Only** Installments will be paid for as long as the payee lives.
 - b. **Guaranteed Period** Installments will be paid during the guaranteed period. After that, installments will be paid for as long as the payee lives.
 - c. **Installment Refund** Installments will be paid until the sum of payments equals all Proceeds retained. After that, installments will be paid for as long as the payee lives.

The amount of each installment is determined by the payee's sex and age nearest birthday when payments begin.

3. **Interest Installments** For a period agreed upon, Proceeds will be held by Us and will earn interest at a rate We declare annually. This rate will be at least the rate shown on page 16.

During the period agreed upon:

- a. interest will be paid monthly to the payee; or
- b. interest can be allowed to accumulate.

At any time during the period agreed upon, Proceeds may be placed under one of the other settlement options.

4. **Income of Fixed Amount** Monthly installments will be paid in an amount agreed upon until Proceeds and interest are exhausted.
5. **Annuity Settlement Option** Instead of any other settlement option, the Proceeds may be used to provide an income based on Our Single Premium Immediate Annuity rates and rules in effect on the date the Proceeds are payable. The amount of each installment will be adjusted to make it payable at the beginning of the payment period.

The amount of each installment provided by the Proceeds will be consistent with the installment which normally would be paid under Our Single Premium Immediate Annuity.

The amount of each installment based on Our Single Premium Immediate Annuity is determined by the payee's sex and age nearest birthday when installments begin.

When Installment Payments Begin Interest under option 3 will be paid at the end of each payment period. Payments under other options are made at the beginning of each payment period. Payment periods begin on the date Proceeds become due and payable.

Guaranteed and Excess Interest Payments are calculated at the guaranteed interest rate as shown on page 16. When We declare more than that rate, the excess will be paid as part of each payment under options 1, 3 and 4 and during the guaranteed and refund periods under option 2.

Protection Against Creditors Funds held and payments made under settlement options shall not be assigned and, to the extent permitted by law, shall not be subject to levy, attachment or other judicial process.

Other Conditions and Provisions Before payments begin under a settlement option, this policy must be exchanged for a supplementary contract expressing the terms of settlement.

Unless otherwise provided in the supplementary contract, the present value of any payments due after the death of the last surviving payee will be paid to that payee's estate.

Any Debt will decrease the amount placed under a settlement option unless the Debt is paid before installment payments begin.

Section A: Understanding Your Illustration

Lincoln LifeGuaranteeSM Plus UL

Lincoln LifeGuaranteeSM Plus provides life insurance protection with a secondary death benefit guarantee that can guarantee coverage for life (Coverage Protection Guarantee), plus significant account value growth. Premiums are payable until the insured's age 121. If the policy is in force at that time, the policy is guaranteed to continue in force to the death of the insured, unless otherwise surrendered. The death benefit option in effect may not be changed after that date and the following changes will occur: no further premiums may be paid, monthly deductions will cease and loans and partial surrenders can continue.

Underwriting Class: Male Standard Non-Tobacco

This illustration assumes the policy is issued with the classification shown above. The actual underwriting class will be assigned when the application is reviewed in accordance with the Company's underwriting standards. If the policy's actual underwriting class differs from that shown above, premiums and/or values will vary from those illustrated. If so, you will receive a revised illustration.

Initial Death Benefit: \$10,000,000

The death benefit assumed at issue is shown above. The actual amount payable at death of the insured may be decreased by loans or any amount deducted from the policy value as a result of a partial surrender, or increased by additional insurance benefits. Your policy specifies how to determine the benefit. The death benefit proceeds will be reduced by any Debt on the date of death. The death benefit may increase from these amounts because of the required corridor (described in the policy). The specified amount may be increased or decreased as specified in the policy. An increase is subject to evidence of insurability acceptable to us and additional charges.

Initial Death Benefit Option: Level

The policy provides three death benefit options as shown below:

Level: specified amount;

Increase/Cash Value: specified amount plus the policy value;

Increase/Premium: specified amount plus the total of the premiums paid thru the insured's age 100 less the total of any partial surrenders taken to the date of death.

The Option assumed at issue is shown above.

Premium Outlay

The policy you are illustrating allows flexible premium payments to the insured's age 121. You may vary the amount and timing of your planned premium provided the premium outlay is within guidelines set by the Internal Revenue Service. Premium limits and requirements may change after issue if unscheduled changes are made or if originally scheduled changes are made at different times than originally assumed. It is important for premiums to be paid on or before their scheduled modal due date, as late payments may have a negative impact on policy values. Please be aware that the timing of premium payments is critical to calculating and monitoring the policy's compliance with IRS guidelines. If premiums or any other funds are received and applied to the policy at a time other than as assumed in this illustration, the tax treatment of the policy may be significantly different. Unless otherwise noted in Section E, this illustration assumes premium payments are received on the first day of each policy year, or the first day of the selected premium payment mode, if other than annual.

In the case of a backdated policy, or a replacement, the timing and amount of payments can be uncertain, and the guaranteed and non-guaranteed benefits may vary from those illustrated. A revised illustration should be prepared once all initial payments are received. If your policy is backdated, or if there are replacement funds coming from an external source, please see Section E for more information on the assumed timing of these payments.

Non-Guaranteed Elements

Many aspects of your life insurance contract are guaranteed, including your minimum credited interest and maximum cost of insurance charges. However, the interest rate credited may exceed the guaranteed rate and monthly charges may be less than the maximum guaranteed charges.

The non-guaranteed columns provide snapshots of your policy assuming different crediting rates and charges than those that are guaranteed. Since these elements are not guaranteed, a range of results are illustrated. The actual policy values may be less or more favorable than these illustrated results. Variations in these factors could affect death benefits, policy values, cash flow (projected loans and withdrawals), total payment outlay over the lifetime of the policy, and the date coverage ends.

You should periodically request an updated in-force illustration to review the status of your policy values and guarantees.

Coverage Protection Guarantee

The Coverage Protection Guarantee (CPG) can ensure that the coverage will continue even if the cash surrender value is insufficient to cover the monthly deduction. The CPG is reflected in the illustration in years where the death benefit remains in force while the cash surrender value is zero. If actual payments differ from those illustrated in frequency, timing or amount, the length of the guarantee may shorten. The CPG includes a Premium Relief Feature such that any premium received during the current policy month, and prior to the next monthiversary, is treated as though it was received at the beginning of the policy month. Any changes to your policy not reflected in your illustration (such as loans, partial surrenders, changes in the death benefit and addition of riders) will have an impact on the length of the guarantee. Your advisor can show you the impact any changes you may be considering will have on your CPG. You may make additional payments to place the guarantee back into effect as illustrated unless you have allowed the policy to lapse longer than 90 days (this period may vary by state), in which case the guarantee is permanently lost. Under Section C: Guaranteed Values, this illustration assumes guaranteed death benefit protection through policy year 33, month 2.

A LIFE INSURANCE ILLUSTRATION

Flexible Premium Adjustable Life Policy

Section A: Understanding Your Illustration

Key Terms you will find in this illustration are explained below.

Values - All values illustrated are end of the policy year values.

Policy Value or Fund Value - Equal to the sum of premiums paid less a premium expense charge, less monthly deductions and any partial surrenders, plus interest earnings.

Cash Value - The policy value less any surrender charge.

Cash Surrender Value - The cash value less any debt (the principal amount of any loan outstanding against this policy, plus any accrued loan interest which has not been paid).

Monthly Deductions - Each month the cost of insurance, cost of any additional benefits provided by rider, any expense charges and any monthly administrative charges will be deducted from your policy. Deductions from the policy value are made every month to the insured's attained age 121, regardless of whether or not premiums are paid.

Cost of Insurance - The rates charged are based on the policy year, the amount at risk, and the underwriting class.

Illustrated Values - Illustrated values use the current credited interest rate, policy expenses and cost of insurance rates. Alternate basis may use alternate rates and expenses as described in Section E. These elements are subject to change and are not guaranteed. Actual results may be more or less favorable.

Mid-Point Values - Uses the average of the following: current and guaranteed interest, current and guaranteed policy expenses, and current and guaranteed cost of insurance. Actual results may be more or less favorable.

Guaranteed Values - Uses guaranteed interest rate, guaranteed policy expenses and guaranteed cost of insurance charges.

Partial Surrenders - You may withdraw part of your cash surrender value at any time. The minimum partial surrender is \$500. A partial surrender charge may apply per partial surrender and will be deducted from the policy. An additional charge may be applied if the partial surrender reduced the specified amount. The death benefit will be reduced by the same amount as the policy value. Once the death benefit has been reduced to the product minimum no further partial surrenders will be permitted.

Surrender Charges - During the surrender charge period, there will be a charge as noted in Section E in the event that the policy is fully surrendered. There will be a pro-rata partial surrender charge if there is a decrease in the Specified Amount while there is a surrender charge in effect. If there is an increase in the Specified Amount, additional surrender charges may be in effect for the increase and, if so, a new schedule of surrender charges will be provided after such increase.

Loans - You may take a maximum loan of 100% of the cash surrender value at any time including after the younger insured's age 121. The interest rates charged on loans are 6.50% up to policy year 21 and then 5.50% in policy years 21 and later. The interest credited on loan collateral is 5.50% all years. Interest accrues on a daily basis from the date of the loan and is compounded annually. Interest is payable at the end of each policy year. Interest unpaid on a policy anniversary is added to and becomes part of the loan principal.

WILL OF

SIMON L. BERNSTEIN

I, SIMON L. BERNSTEIN, of Palm Beach County, Florida, hereby revoke all my prior Wills and Codicils and make this Will. I am a widower, but in the event that I marry subsequent to the execution of this Will, I specifically make no provision for my spouse. My children are TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN.

ARTICLE I. TANGIBLE PERSONAL PROPERTY

I give such items of my tangible personal property to such persons as I may designate in a separate written memorandum prepared for this purpose. I give to my children who survive me, divided among them as they agree, or if they fail to agree, divided among them by my Personal Representatives in as nearly equal shares as practical my personal effects, jewelry, collections, household furnishings and equipment, automobiles and all other non-business tangible personal property other than cash, not effectively disposed of by such memorandum, and if no child of mine survives me, this property shall pass with the residue of my estate.

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

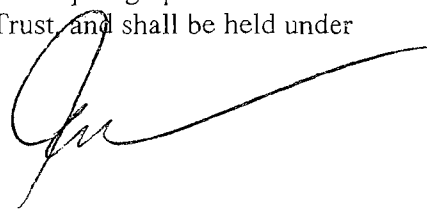

Under Subparagraph E.1. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "*Shirley Trust*"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "*Existing Trust*"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." The residue shall be added to and become a part of the Existing Trust and shall be held under

the provisions of said Agreement in effect at my death, or if this is not permitted by applicable law or the Existing Trust is not then in existence, under the provisions of said Agreement as existing today. If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

ARTICLE IV. PERSONAL REPRESENTATIVES

1. **Appointment and Bond.** I appoint ROBERT L. SPALLINA and DONALD R. TESCHER to serve together as my co-Personal Representatives, or either of them alone as Personal Representative if either of them is unable to serve (the "*fiduciary*"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.

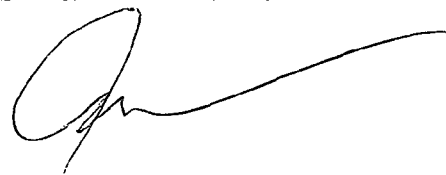

2. **Powers of Personal Representatives.** My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:

a. **Investments.** To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.

b. **Distributions or Divisions.** To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.

c. **Management.** To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

d. **Borrowing.** To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the

estate; and to mortgage, margin, encumber and pledge real and personal property of the estate as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the estate and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from my fiduciary may be with or without interest, and may be secured with a lien on the estate assets or any beneficiary's interest in said assets.

e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.

h. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.

i. Business Entities. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the fiduciary with the following powers and authority in regard to Business Entities:

i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;

ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the

operation and may delegate all or any part of its power to supervise and operate to such person or persons as the fiduciary may select, including any associate, partner, officer or employee of the Business Entity;

iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;

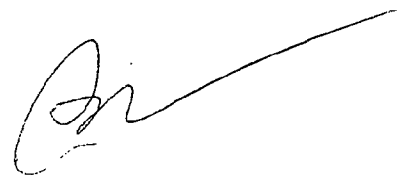

vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;

viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.

j. Life Insurance. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

k. Reimbursement. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.

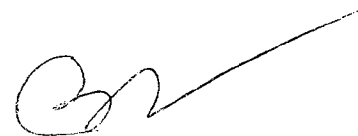

l. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

m. Ancillary Administration. To appoint or nominate, and replace with or without cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

n. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.

3. Survivorship. A beneficiary is not deemed to survive me unless he or she survives me by five days.

4. Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Article I of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs. If the amount of the above-described taxes, and interest and penalties arising by reason of my death (without regard to where payable from under the terms of this paragraph or applicable law) is increased because of the power of appointment granted to me under Subparagraph H.E.1. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, I hereby appoint to my probate estate from the property subject to such power (to the extent allowable under such power) the amount of such increase (calculating such increase at the highest applicable marginal rates) and exercise such power to this extent only, and notwithstanding the other provisions of this paragraph further direct my fiduciary to make payment of such increase in taxes,

interest and penalties to the appropriate taxing authorities from the appointed property or the proceeds thereof. Any trustee holding such appointive property may pay to my fiduciary the amount which my fiduciary certifies as due under this paragraph and is not responsible for the correctness or application of amounts so paid.

5. **Reimbursement for Debts and Expenses.** My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.

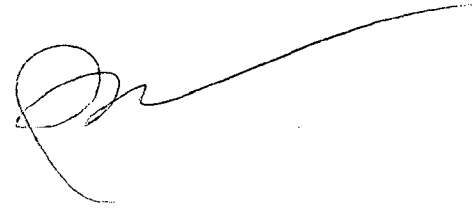

6. **Expenses of Handling Tangible Personal Property.** All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.

7. **Dealing with Estate.** Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

8. **Spouse.** The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.

9. **Other Beneficiary Designations.** Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

Robert and Rachel,

I called FACTS Management Company and they will not release information to me. I would appreciate it if Rachel would call them, confirm that the automatic ACH withdrawal has been cancelled and get me a balance due for each of the three boys. Their tuition payments are different and I would like to make each tuition payment from the appropriate trust. My estimate is I will be paying approximately \$9500 from each trust.

I have also attached an ACH form for Robert to complete so that regular monthly transfers can be made to the family LLC. Those transfer will begin once I get the finalized numbers.

Thank you for your assistance.

You are allowed a maximum of two exchanges per month. After the exchange limit, you may move 100% of your account to a money market or stable value fund where it must remain for 30 days. Trading can resume only once the 30 days have expired. Also, additional restrictions may be imposed if it is determined that any exchange activity may disrupt or be potentially disruptive to an investment option, even though in compliance with our policy. What investment options make up your account (continued)

It is important for your long-term retirement security that your portfolio be well-balanced and diversified. If you invest more than 20% of your portfolio in any one industry or company, your savings may not be properly diversified. Market or other economic conditions generally have different impact on different asset categories. Although it is not a guarantee against loss, diversification among different types of investments can help you manage investment risk. In deciding how to invest your retirement savings, you should take into account all your assets, and other factors such as your financial goals, time horizons, and risk tolerance. It is also important to periodically review your investment portfolio, your investment objectives, and the investment options under the Plan to help ensure that your retirement savings will meet your retirement goals. For more information on individual investing and diversification, visit the Department of Labor's website at www.dol.gov/ebsa/investing.html.

Investment options and performance are as of September 30, 2012.

* Performance data for a sub-account for any period prior to the date introduced is hypothetical based on the performance of the underlying portfolio. All other performance data is actual. Returns for any period greater than one year are annualized. Performance data reflects changes in the prices of investments, reinvestment of any dividends and capital gains, and deductions for the Annual Investment Charge. Performance does not reflect any contract-level or participant recordkeeping charges, which would otherwise reduce the total return for an account. Past performance is no guarantee of future results. An investment in a sub-account will fluctuate in value to reflect the investment results of the underlying portfolio and, when redeemed, may be more or less than original cost.

Re: **Due Diligence Request - iviewit Technologies, Inc. and its affiliates (collectively, the "iviewit Entities")**

Dear Mr. Bell:

In connection with the proposed purchase of shares of preferred stock of iviewit Technologies, Inc. (f/k/a iviewit Holdings, Inc.) by Alpine Venture Capital Partners, LP, enclosed please find documents and information (collectively, "Documents") in response to your Due Diligence Request List (the "Request"). For ease of reference, we have organized the Documents to correspond with the numbering system set forth on the Request. We have prepared three binders, each of which contain Documents for the main iviewit Entities, as well as each of their predecessor (or affiliated) entities. In instances where the iviewit Entities had no relevant Documents under the applicable sections of the Request, we have left the sections in the binders empty. We will fax to you tomorrow an annotated copy of the Request, noting the sections for which there are no applicable Documents.

We will continue to send you Documents as such becomes available to us. These will include, among other things, an updated list of stockholders and members, as applicable, of the current iviewit Entities.

In order to help you more easily understand the relationship of the Documents to the current and predecessor iviewit Entities, please note that effective December 30, 1999, iviewit Technologies, Inc. (formerly known as iviewit Holdings, Inc.) ("Technologies"), as the sole member of iviewit.com LLC ("LLC"), exchanged its membership interests in LLC for 100 shares of iviewit.com, Inc., a newly organized Delaware corporation ("com, Inc.") (representing all of the issued and outstanding

common stock of com, Inc.). As a result, LLC became a wholly-owned subsidiary of com, Inc. Immediately thereafter, effective December 30, 1999, the then majority-owned subsidiary, iviewit LLC ("iviewit LLC"), transferred all of its assets and liabilities (including the 100 shares of com, Inc.) to Technologies in exchange for shares of Class A and Class B Common Stock of Technologies. The holders of iviewit LLC Class A Membership Interests received, on a pro-rata basis, shares of Technologies Class A Common Stock and holders of iviewit LLC Class B Membership Interests received, on a pro-rata basis, shares of Technologies Class B Common Stock. Thereafter, iviewit LLC distributed the shares of Technologies Class A and Class B Common Stock to its members, on a pro-rata basis, and based upon the class of Membership Interests in iviewit LLC then held. Re: **Due Diligence Request - iviewit Holdings, Inc. and its affiliates (collectively, the "iviewit Entities")**

Dear Mr. Bell:

Attached hereto please find a revised chart of the iviewit entities. The name of the parent entity in the chart attached to my letter to you dated January 13, 2000 (the "Letter") was incorrectly labeled. Additionally, the Letter reflects that Alpine Venture Capital Partners, LP, is commencing a due diligence review with respect to a proposed purchase of preferred stock of iviewit Technologies, Inc; however, the proper entity should have been reflected as iviewit Holdings, Inc. I apologize for any inconvenience this may have caused you.

I look forward to working with you on this matter.

Very truly yours,

Mara Lerner Robbins

- (i) A term used in the descent and distribution of the estate of one who dies without a will. It means to share and share alike according to the number of individuals. An equal share of an estate is given to each heir, all of whom stand in equal degree of relationship from a decedent. *For example, a woman died without a will. Her husband and three children predeceased her, and her only living heirs are her ten grandchildren. These grandchildren will take per capita; they will each receive one-tenth of the estate.*
- (ii) A term used to denote a method used in dividing the estate of a person. In a per stirpes distribution, a group represents a deceased ancestor. The group takes the proportional share to which the deceased ancestor would have been entitled if still living. *For example, and man died without a will; his wife predeceased him. He had four children, three of whom are still living at the time of his death. The deceased child had three children, all still living. These three grandchildren will share equally in one-fourth of their grandfather's estate, the share the deceased parent would have taken if still alive. The three living children will also each receive one-fourth of the estate.*

Jill: Your mother's probate estate only consisted of her tangible personal property (clothing, jewelry, etc.) which passed to your father under her will. All other assets were either in her Revocable Trust or passed to your father by operation of law. Consequently, there really is no accounting to be prepared for Shirley's probate estate. Ted, as the successor trustee of the trust for benefit of your father under Shirley's Revocable Trust, would be responsible for providing an accounting of that trust.

Re: Estate of Simon Bernstein - Disposition of Jewelry

Dear Ladies and Gentlemen:

As you may recall, we previously provided to you a formal appraisal of the jewelry. We would like to dispose of the jewelry which under the Last Will of your father would pass in equal shares to the five of you. We can do this in one of two ways: either negotiate a sale of all of the jewelry to a third party and divide the proceeds equally or you could each bid on a particular item or items in an amount that is equal to or greater than the appraised value. In the latter case, if more than one of you wishes to bid on the same item, we would provide for a procedure for each bidder to provide us with their maximum purchase price and the highest price will prevail.

We have had an offer for a bulk sale of all of the jewelry from David Schneider, a local jeweler. He has offered to purchase most of the jewelry for approximately \$60,000.00 to \$65,000.00.

Unless we hear from one or more of you that you would prefer a bidding process as to some or all of the jewelry within ten (10) days from the date of this letter, we will proceed to consummate a bulk sale with Mr. Schneider.

Naturally, should you have any questions regarding the foregoing, please do not hesitate to contact us.

Sincerely yours,

ROBERT L. SPALLINA

Christine - The condo sold and Ted will be making partial distributions to the trusts. We assigned EINs yesterday and today to the children's trusts see below. Eliot should open an account wherever he chooses. Those trusts are created under Si's Trust through the exercise of his POA over Shirley's Trust which you have copies of. Other than that, we have extricated ourselves from the insurance matter and Ted is handling that with his brother-in-law. With regard to the estate, the Stansbury litigation is ongoing with no resolution yet in sight.

Robert,

To be completely on the safe side, I think it makes more sense for me to give Si's renewal checks, that we currently deposit into the business, to you to deposit into the estate account and then you can cut a check back to the business. I have held on to a few of the recent checks and I would like to bring them by today or Monday and swap with you. I don't see any downside doing it this way, only upside. Let me know if you agree.

Thanks,

Ted

Mr. Spallina,

Please complete the enclosed Claimant's Statement and return it to us, along with a certified copy of Simon's death certificate, a copy of Shirley's death certificate, and appointment papers showing you as the Executor.

The State of Illinois requires that we notify you that we will pay 10% interest if we have not processed the claim within 31 days of receipt of claim requirements.

If you have questions, you may contact Penny Kenny, who will be handling this claim. We appreciate your assistance.

Re: Estate of Simon Bernstein - Disposition of Jewelry

Dear Ladies and Gentlemen:

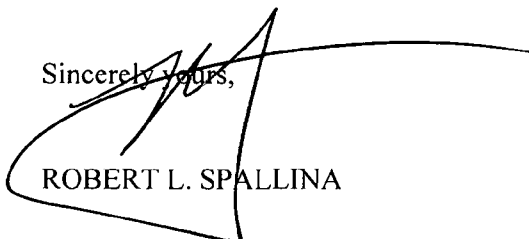

As you may recall, we previously provided to you a formal appraisal of the jewelry. We would like to dispose of the jewelry which under the Last Will of your father would pass in equal shares to the five of you. We can do this in one of two ways: either negotiate a sale of all of the jewelry to a third party and divide the proceeds equally or you could each bid on a particular item or items in an amount that is equal to or greater than the appraised value. In the latter case, if more than one of you wishes to bid on the same item, we would provide for a procedure for each bidder to provide us with their maximum purchase price and the highest price will prevail.

We have had an offer for a bulk sale of all of the jewelry from David Schneider, a local jeweler. He has offered to purchase most of the jewelry for approximately \$60,000.00 to \$65,000.00.

Unless we hear from one or more of you that you would prefer a bidding process as to some or all of the jewelry within ten (10) days from the date of this letter, we will proceed to consummate a bulk sale with Mr. Schneider.

Naturally, should you have any questions regarding the foregoing, please do not hesitate to contact us.

Sincerely yours,

ROBERT L. SPALLINA

We will contact Chris Prindle directly and request each of the 2012 monthly brokerage statements for Bernstein Family Investments and the year end 1099 for Bernstein Holdings, LLC. To our knowledge there is nothing with the Stanford CD which was written off in prior years.

Thanks,

Anthony

This information would come from Chris Prindle at JP Morgan. There should be a 1099 for the activity. Not sure what else was reported on prior returns for the entity?? Was there a Stanford CD and associated write-offs??

Robert,

Just checking in to see when we should expect to receive the 2012 information for the Bernstein Family Investments, LLLP. This entity passes through to various other entities and I just wanted to get the ball rolling and not wait for the 9/15/13 deadline.

Please advise.

Thanks,

Anthony

Sorry about not getting back to you after our call. I am placing a very large policy right now and it's crunch time. I will give you a call tomorrow and will try to run over a batch of mail.

Mr. Bernstein,

We received a call from Mrs. Bernstein this afternoon to set up online access for the Shirley Bernstein account, but we first need to have her added to the account for inquiry access. To add her to the account, please see the attached document. Please have Mrs. Bernstein fill out the top of the form with her information. You will only need to sign and date the bottom of the form. I will follow with a separate email containing a password to unlock the document. You can either fax (866-225-2315) or PDF the completed form back to me. Once I receive the form, it will take about 3 business days to have the user ID created. Please feel free to call me with any questions, my number is 800-576-0938. Have a great day.

Christine - The condo sold and Ted will be making partial distributions to the trusts. We assigned EINs yesterday and today to the children's trusts see below. Eliot should open an account wherever he chooses. Those trusts are created under Si's Trust through the exercise of his POA over Shirley's Trust which you have copies of. Other than that, we have extricated ourselves from the insurance matter and Ted is handling that with his brother-in-law. With regard to the estate, the Stansbury litigation is ongoing with no resolution yet in sight.

Do you communicate with your siblings other than Pam and Scooter? Below is an email to Robert from Jill and Lisa. In addition to being factually inaccurate, clearly indicates that they are not being kept in the loop. As a reminder, you were to obtain an appraisal from the jeweler as the one he gave you is inadequate. Also, you were to provide us with an accounting. How is that coming?

It has been over a month since we last heard any update on the Bernstein Estate, the insurance proceeds, the real estate, the law suit(s) and jewelry. It is our understanding that everything EXCEPT for the jewelry and insurance proceeds is under your jurisdiction as the Executor, so I am not clear on where that jewelry is or the appraisals I had asked for. I shared with my siblings, that once we have those appraisals I have several strong contacts that we will use to sell it, unless anyone of us wants to purchase it. We understand your Partner, Don has resigned from his duties regarding my Dad's estate. We would like to know why, so we fully understand what is going on. Please send us the sale information of the condo and where that money is going for our beneficiaries and the latest update with the insurance company and the proceeds.

Good. Spoke to Scooter yesterday. They are sending us a letter agreeing to dismiss the Cook County lawsuit upon a filing of the interpleader action in the Palm Beach County Circuit Court. However, a new wrinkle has cropped up: the insurance company has now been formally served. I will ask Scooter to modify the letter to indicate that they need not file an answer or other pleading and the suit will be dismissed provided they file the interpleader here within the time for filing an answer or other responsive pleading in the Cook County matter. I will call the in house counsel at the carrier and make sure that this will be acceptable.

Importance: High

Dear Mr. Simon,

Thank you for your correspondence.

I just tried to call you, but neither you nor your colleague David Simon were available.

I have briefly discussed this matter with Cook County counsel.

It is my understanding that Jackson has a very short timeframe in which to remove this action to federal court, should it choose to do so. Inasmuch as I am out of the office all next week, I would like to resolve this issue sooner rather than later.

My understanding of this matter is that the Trustee of the Simon Bernstein Irrevocable Insurance Trust has not authorized you to file this lawsuit on behalf of the Trust. Indeed, the Trust's counsel (Robert Spallina) and I have had several amicable and productive dialogues regarding this matter, and have agreed that the best way to resolve this matter is for Jackson to file a federal interpleader action in Palm Beach Florida, where venue indisputably lies.

If I am incorrect, and if the Trustee of the Trust HAS directed you to file this suit, please advise me of same at your soonest convenience.

I will allow you until Wednesday, April 24, 2013 to voluntarily dismiss the above action, and provide me with email confirmation of the dismissal.

If I do not receive confirmation of the dismissal by that date, I will instruct our Cook County counsel to file an Appearance, and then seek to dismiss the action on the grounds that the Trust never authorized the suit.

Naturally, I will ask that our fees and costs be recovered from whichever person or entity is appropriate.

I remain committed to working with the Trust to resolve this matter amicably and with as little expense as possible. However, I decline to do so with an improperly filed lawsuit hanging over my head.

Please give this matter your prompt attention.

Ted: This is principally addressed to you but have included others so that they are aware. I feel that we have serious conflicts in continuing to represent you as Trustee of the Life Insurance Trust and need to withdraw from further representation in regard to that matter. We have been under the impression that the interpleader action to be filed in Palm Beach County, Florida would be filed in the Circuit Court which is a State court. That is where Sy's estate is being administered. I have spent the past couple of days acting as an intermediary with Scooter and Scott and thought that we had reached a reasonable resolution that would permit the carrier to bring the action here and have Adam then dismiss the Cook County suit. It appears that I was unsuccessful. Given the conflicting issues of who is representing the Trust, our removal will at least solve that issue. If you gave written authority to the Simon Lawfirm it was without our knowledge.

Should our testimony or affidavits regarding Sy's intent or any other aspects of this matter that we may have knowledge be useful we will certainly be available to assist.

Do you communicate with your siblings other than Pam and Scooter? Below is an email to Robert from Jill and Lisa. In addition to being factually inaccurate, clearly indicates that they are not being kept in the loop. As a reminder, you were to obtain an appraisal from the jeweler as the one he gave you is inadequate. Also, you were to provide us with an accounting. How is that coming?

It has been over a month since we last heard any update on the Bernstein Estate, the insurance proceeds, the real estate, the law suit(s) and jewelry. It is our understanding that everything EXCEPT for the jewelry and insurance proceeds is under your jurisdiction as the Executor, so I am not clear on where that jewelry is or the appraisals I had asked for. I shared with my siblings, that once we have those appraisals I have several strong contacts that we will use to sell it, unless anyone of us wants to purchase it. We understand your Partner, Don has resigned from his duties regarding my Dad's estate. We would like to know why, so we fully understand what is going on. Please send us the sale information of the condo and where that money is going for our beneficiaries and the latest update with the insurance company and the proceeds.

**FINAL NOTICE
NOTICE OF INTENT TO LEVY AND NOTICE OF YOUR RIGHT TO A HEARING
PLEASE RESPOND IMMEDIATELY**

Why We Are Sending You This Letter

Your federal tax is still unpaid. We asked you to pay the tax, but we still haven't received your payment. This letter is your notice of our intent to levy (under Internal Revenue Code (IRC) Section 6331) and your right to request an Appeals hearing (under IRC Section 6330(a)).

What You Need To Do

Please send us a full payment today to prevent additional collection action. Make your check or money order payable to "United States Treasury". Write your Social Security number or Employer Identification Number on your payment. Send your payment to us in the enclosed envelope, along with a copy of this letter. The amount you owe through 04/13/2013 is \$1,183.34. Additional penalty and interest charges will be due if you pay after this date.

If you wish to request an Appeals hearing, complete the enclosed Form 12153, *Request for a Collection Due Process or Equivalent Hearing*, and send it to us within 30 days from this letter's date. You must complete, sign, and return this form to the above address within 30 days to preserve your rights to contest an Appeals' decision in the U.S. Tax Court.

Information about Interest and Penalty Charges

The unpaid amount from prior notices may include tax, penalties, and interest you still owe. It also includes any credits and payments we've received since we sent our last notice to you. Below is a brief explanation of the interest and/or failure to pay penalty that may be included in the amount you owe:

Interest - Internal Revenue Code Section 6601

We charge interest when your tax is not paid on time. Interest is computed from the due date of your return (regardless of extensions) until paid in full. Interest is also charged on penalties for late filing and failure to pay tax owed. Interest compounds daily, except on late or underpaid estimated income taxes for individuals or corporations.

Corporate Interest – We charge additional interest of 2 percent if, according to our records, you didn't make your corporate tax (income, employment, excise, etc.) payment within 30 days after we notified you of the underpayment of tax. This interest begins on the 31st day after we notify you of the underpayment of tax amounts you owe over \$100,000, minus your timely payments and credits.

Paying Late - Internal Revenue Code Section 6651(a)(2), (a)(3) and (d)(1)

We charge a late penalty of ½ percent of the tax owed each month or part of a month that the tax remains unpaid from the due date, up to a maximum of 25 percent of the tax due. The ½ percent increases to 1 percent for each subsequent month or part of a month if the tax remains unpaid 10 days after we issue a notice of intent to levy.

What We Are Going To Do

We may file a Notice of Federal Tax Lien at any time to protect the government's interest. A lien is a public notice to your creditors that the government has a right to your current assets, including any assets you acquire after we file the lien.

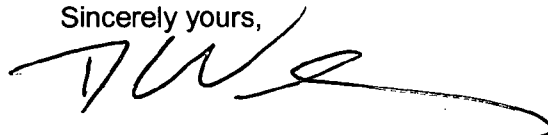

If you don't pay the amount you owe, make alternative arrangements to pay, or request an Appeals hearing within 30 days from this letter's date, we may take collection action against your property, or rights to property, such as real estate, automobiles, business assets, bank accounts, and other income.

How To Get Help

If you have recently paid this tax or if you can't pay it, call us immediately at the telephone number shown at the top of this letter.

The enclosed Publication 594, *The IRS Collection Process*, and Publication 1660, *Collection Appeal Rights*, provide more information.

Although we previously sent you a notice of our intention to collect your unpaid tax through enforced collection, our records show that you still have not paid the amount you owe. Enforced collection may include placing a levy on your bank accounts, wages, receivables, commissions, etc. It could also involve seizing and selling your property, such as real estate, vehicles, or business assets.

To prevent collection action, please pay the amount you owe by 04/18/2013.

Make your check or money order payable to the United States Treasury, and write your social security number or employer identification number on it. Send your payment to us in the enclosed envelope with a copy of this letter. **The amount you owe is shown on the next page.**

Paying Late - Internal Revenue Code Section 6651(a)(2)

Robert -

This confirms our telephone conversation today, wherein you advised me that you would have Mr. Bernstein's son, who is also the successor trustee to Mrs. Bernstein's trust, and therefore the owner of the Lot, pay the amounts due the POA arising after his father's death. Attached is a "Worksheet" showing that the total amounts due the POA are \$3,464.85, which includes 1 hour of my time sorting out this matter today, our phone conversation, and this email. The 4th quarter 2012 and 1st quarter 2013 POA bills would have been sent to the property address, unless the POA had been advised of another mailing address.

The above amounts do not include any amounts that may be due St. Andrews Country Club, Inc. (the Club), who we do not (yet) represent in this matter. I anticipate that you or Mr. Bernstein (the son) will be hearing

from the Club (or an attorney representing the Club) in the near future regarding amounts owed to it. Alternatively, if Mr. Bernstein has previously received invoices from the Club (which I think is likely), then he can also pay those now.

Thank you for your prompt attention to this matter.

Robert,

I don't think any of us are thinking that you have taken too long. We realize what is causing delay.

Regarding where proceeds are paid, we cannot put them in jeopardy. It appears unwise to us to pay them to any receptacle connected to your firm. It is tempting fate. It impossible to predict all the things Eliot could allege so it seems prudent to separate them completely. We don't see any downside to directing them to an account unrelated to your firm.

It's probably a good idea to arrange a call with you and the 4 of us, Monday or Tuesday?

Theo- if Robert already has the 'form' approved by the carrier to file with the courts then why don't we just direct the proceeds to a lawyer outside of Roberts firm to avoid co-mingling. If Robert has not gotten this form, should we hire another attorney either in fla or illinois to get this done immediately. It has been nearly 6 months and there is too much at stake. What are your thoughts?

I think this a point very well taken. We should not do anything that would have a remote chance of placing the life insurance proceeds in jeopardy. I have not received any kind of invoice from Robert's firm relating to the insurance policy or their work as estate reps. I am not sure what the billing procedure is and I agree that we should ask Robert to explain how they work so there are no misunderstandings.

I do think we should move as soon as possible at this point. There is no reason to delay this process and we should be pressing to get into court and get the document needed to pay those proceeds.

Theo- I've been thinking that maybe we should use another firm on Dad's life insurance proceeds as it seems Robert may have a difficult time with Eliot and other lawsuits in the mix getting this done. Maybe if we remove it entirely from the firm and separate it, it will be less likely to get caught up in what we see is happening. I think it was said that the insurance company is waiting for a court order and Robert is working on a draft to get pre-approved from the carrier first. Then Robert would file it in palm beach and then have the proceeds paid to his trust account. Again having the funds at that firm where they are executors of some of the estates makes me nervous as the money will be at the same firm as "creditors " and trouble makers having nothing to do with the proceeds.

Also, please get a bill from Robert up to this point - he had said he wasn't charging for the insurance stuff earlier but we should know where we stand at this point. Unless you having been paying his bills all along in your course of managing this nightmare, I think we need to know.

Talk to you soon,

Robert,

I am on call with Lisa, Jill, Pam and Scooter. It has been for the better part of 2 hours. They want me to send an email summarizing the concerns about the proceeds, the process, Eliot, etc. They are preparing it now and they will either send it to you or send it to me to. Scooter feels it should come from me since I will be the person you are representing. I am going to be in 2 meetings starting at 4. I won't be done until 7 or so. I think they are clarifying our understanding of our call today, your emails and procedure going forward.

Eliot – We want to propose something and hope you and Candice are amenable. Don and I would like to meet with the two of you and give you the lay of the land as we see it. Don has done this for forty years and there truly is no one out there that knows this stuff better than him. Please understand that we are fair as it gets and want the best for EVERYONE. There are some issues as it relates to the house that you're living in, the insurance and mom's and dad's estates that we think we should discuss so that you can get comfortable with things and understand the interrelations. I can tell you that hiring lawyers and spending your children's money or your own will not benefit you or your children and will only cause frustration and grief for everyone. Again, Don and I are about as nice a guys as you will find in this area of practice and I think you owe it to your parents to come in and find out for yourselves who we are, what we're all about, and what needs to be done to get things distributed and let everyone go about their way. You can always go out and hire a lawyer but our doors are open and we hope that you take the opportunity to pass through them and meet us. Clean slate Eliot. I promise you we are here for you and your family as much as any of your siblings. Please advise.

Robert

Eliot,

I have no way of knowing if you currently have homeowner's insurance. I have copied Robert Spallina and Rachel Walker on this email to see if they have any information. The payment and paperwork for the electrical work was mailed to the vendor earlier this week.

After speaking with Mr. Spallina, Oppenheimer Trust Company has agreed to step in as Manager for Bernstein Family Realty LLC while funds are available. To that end, we have cancelled the monthly remittance to your wife's checking account and ask that you send all household bills to my attention upon receipt. Household bills include utility, phone and cable bills. You should also send us any bills for the boys medical and educational expenses. All other bills will need to be covered by you and your wife.

We have set up a custody account for Bernstein Family Realty LLC and I have set you up to receive statements. We will add that account to your online access when that is set up.

Please feel free to contact me with any questions.

Hi Janet, I spoke to Rachel who stated you were handling the electrician and electrical work order that the homeowners insurance is contingent upon and sending the paperwork and payment to them directly. I am unclear if we have homeowners insurance at the moment or if this is presenting an immediate liability for us, please let me know if we have homeowners and if not when these matters will be resolved and when the scheduled work is for to reinstate it. Just starting to work on the paperwork re the online statements and will get it over shortly. Thanks and have a great weekend ~ Eliot

Eliot,

Hope all is well. Happy Chanukah and hi to Candice and the boys.

Have you or your attorney reviewed the document regarding the insurance proceeds for the Heritage policy that should be paid to 1995 ILIT?

Insurance company will soon be ready to make payment and there appears to be only one smart decision, based solely on taxes and economics. I can see absolutely no reason to subject these proceeds (whatever the net amount of the policy may be) to creditors of dad's estate.

After signing document, proceeds will be paid to 5 children in equal amounts, free of tax and safe from creditors. Any other option has the proceeds paid to his estate with the eventual outcome being nothing but downside.

Not speaking for Pam, Lisa or Jill, I do believe everyone has reached the same conclusion.

If you or your attorney would like to speak with me, feel free to give me a call. I am happy to go through this.

Can you get this done by Monday or Tuesday? If so, the agreement will need to be sent to carrier by Robert Spallina, with original signatures. The proceeds should be payable to the trust account shortly thereafter, and then I can make distributions immediately. Once I have distributed proceeds, the trust account can be closed and I can file tax return for this year only.

FYI...Robert recently told me that he has tried contacting your attorney a few times, with no luck. Let me know if you would like me to arrange a conference call with her and Robert and I am happy to do that.

Let me know. I have a lot on my plate and I would like to get this one done and off.

Hi All,

I just got off the phone with my attorney who looked over the document, which I have not yet signed, as I had questions of my own. Her response was that the document regarding the insurance money looked straight forward and she did not see a reason not to sign it.

On a separate note, that is not related to the insurance proceeds, she did agree with Eliots request for documents.

Open to anything suggested.

I don't think everyone has signed the insurance document yet. For those having counsel look at it, when do you expect the review will be done? I would think we want to be in a position to execute when the insurance company is ready to issue a check. I can't see any reason to delay and the life insurance issues are fairly simple and straightforward.

No news on the real estate front, not much activity lately and only one low-ball offer since I lowered the price two months ago.

The assets in the house will be appraised in mid January. However, the firm doing the appraisal indicated that there is not a great deal of value of the assets in each home, which does not include the remaining jewelry.

Keep me posted...

We were there today and here are some ideas to finish the wall cover:

1. On Dads side a pic of Dad from the same era as Moms pic
 2. Do we want Simon Leon Bernstein or Solomon Leon Bernstein
 3. A saying on Dads side might be 'Beloved husband, father and zayda'
 4. There may be room above the light fixture in the center to write a joint short statement such as 'Together forever'
 5. A picture is below for reference
- Comments? Should I get a quote?

I will get it distributed to my trust account and his share will sit there until he makes a decision and signs the waiver and release. He should be ashamed of how he has conducted himself. Christine Yates should be reprimanded for her poor counsel. They have turned this into a circus. An agreement must be among all the parties that are heirs/beneficiaries. The money would escheat to the State only if a claim is not filed which is not the case.

Christine - Your client needs to get control over his paranoia. Everything he does costs the estate more money and accomplishes nothing. My partner and I had a candid conversation with you about your client and his idiosyncrasies at the time you were engaged. He has turned this entire matter into a circus. Providing counsel to him means walking him off the ledge at certain times. This is one of those times. Please counsel him to go along with the planning that his father intended. Both Si and Shirley Bernstein are rolling around in their graves at this point.

Lisa - You need the decision to be unanimous or moving forward is not going to be possible. If money goes to the estate it is subject to creditor claims and cannot be distributed until we close the estate after creditors are paid. Any legal fees incurred by a beneficiary are their own and not the estate's fees. Stansbury is trying to substitute the estate for your father. That hearing is next week. Hope this helps

Subject: Bernstein Estate 1/24/2013

Hi Robert,

thanks for todays call. Three questions.

One, if the 5 kids do NOT all agree that we should split the insurance proceeds amongst the 5 of us, what happens to the insurance proceeds? Can 4 out of 5 (or whatever the number is) over rule and move forward with the court hearing requesting that the insurance proceeds get paid out to the 5 children? If that is a NO, do the proceeds go directly to the estate? If the answer is the 10 grandchildren, will that be subject to creditors or would that money get paid out quickly (just as it would to the 5 of us) and avoid any potential law suit/creditors?

Two, if any of the 5 children have personal counsel representing them, are they allowed to have their bills sent to you/Estate for payment? If yes, is there a provision that the others can put in place that regulates the amount/or a provision that states it come out of their child(ren) portion of the estate?

Can you also clarify, that based on the conversation today, there is a chance that Bill S. case will be null and void and even if it is not, it is not towards Si Bernstein or his estate? Did I understand that correctly?

Thanks so much,
Jill

Thanks Ted, I and my counsel have his address and phone and stuff but he is refusing to talk to my and my children's attorneys who have already contacted him for information. Since I and the children are represented by counsel at this point he will need to deal with them regarding all these matters so I am not sure how anything can transpire while he refuses to release documents or meet with counsel, as I mentioned he told them already that he did not know me or my children first and then scheduled a meeting and cancelled and refuses to reschedule. Not sure what is up but I would be careful as Executor of any transactions that have not first gone through our counsel in any regard to any assets, etc. until these things are resolved. Let me know. eb

Ted, as you know I have none of the documents, policies, trusts, etc. regarding the life policy(ies) in question. My attorneys have requested Robert to send them the documents, all of them relevant to me and my children, including the policies and trust agreements they were in etc. and it is in their hands at this point. I am waiting to hear from them but this may take several weeks or more based on Robert's refusal to talk with counsel and then some time to get our hands around the documents that we are still waiting for Robert to send since May 2011 meeting and on. Also, being a trustee of the kids trusts I would not want to make any decisions while they are represented by counsel that could interfere, as receiving the benefit directly would put me in conflict of interest with their estates as trustee I believe, again, why I hired counsel and think you should too and with fiduciary liabilities as one of the three executors of the estate you may even have another level of conflict that you should probably check with counsel regarding. Thanks, Eliot

Hi Eliot > probably the best thing to do is to forward the document to the counsel you retained, if you have not done so already. This should be fairly simple and straightforward for them to review. Speak to you soon...

Hello,

Good news; the Heritage Union Life Insurance company is ready to make payment on the policy that insured Dad. There was an exhaustive search for the original trust document from 1995, which is the beneficiary of the policy owned by Dad. Since we have not been able to locate it, the attached agreement will permit the insurance company to make payment to a Trust account that will then distribute the proceeds in equal parts to the 5 of us. Robert Spallina recommended that I distribute this document so it can be reviewed by each of you, signed and then it can be submitted to the carrier. Please sign the document where applicable. Then email to me the signature page and Fedex the original to Robert Spallina's office. Once we have all signatures, the carrier should release proceeds quickly.

Diana,

Earlier this year I requested a copy of the K-1 for LIC Holdings. I have not yet received it.

We filed the fiduciary tax returns prior to the extension deadline expiring, but we will need to file amended returns once we receive the K-1.

Robert,

Is there any way we can get the assets re-registered to the trusts so the K-1 is mailed to us directly?

Thank you both for your assistance.

Robert,

We do not know what the 1995 trust says but are concerned about repercussions to us and the trustee if the insurance policy is distributed equally among the children and eventually the trust is found and it states the policy should be split among 4 of the 5 children or something similar.

What are your thoughts

Thank you

Re: Simon Bernstein Trust/Maritza Puccio

Dear Robert:

Thank you for taking my phone call of October 9th and discussing the above captioned matter. Enclosed please find Ms. Puccio's list of personal property that is to be returned. We request that a time be scheduled for Ms. Puccio, accompanied by Investigator Roy Strohacker and two movers, to meet with a representative of the Trust at the residence. If there are any disputed items on the list, I do not want that to hold up our getting the personal property about which there is no dispute.

Please review the enclosed list and let me know if there are any disputed items and give me some choices as to when would be a good time for the transfer of the personal property to take place.

Very Truly Yours,

Richard W. Springer, Esquire

Re: Joshua
Costa Rica Trip

Dear Mr. and Mrs. Bernstein:

Due to the high cost of the Costa Rica trip, financial aid has been made available to those students currently receiving aid for tuition for the 2012/2013 academic year. Joshua has been awarded financial assistance in the amount of \$139 for the Tenth Grade trip which leaves a balance due in the amount of \$1,261. The balance due is payable as follows:

Payment 1 due September 7, 2012	\$ 442
Payment 2 due September 30, 2012	630
Payment 3 due October 15, 2012	<u>189</u>
Total	\$ 1,261

If you have already submitted the \$500 first payment, just reduce the amount of the remaining payments due by the overage you paid on the first payment.

Please forward the payments to Nick Dorn in the Upper School office by the dates indicated above. Please indicate the student's name and that the payment is intended for the Costa Rica trip.

Also, please be advised that all payments for the trip are non-refundable. If full payment has been made and the student misses the trip due to illness, if ticketed, he or she holds a ticket that can be used for up to a year.

Sincerely,

Kathy J. Van Valkenburg

The First Annual Invitation Only Winter/Spring Competitive Lacrosse-Training Program!

We want only the best young players in the local South Florida area!

Our Philosophy:

To teach an explosive, up-tempo attacking style of play that develops and capitalizes upon creating odd man advantages.

Our situational drills and scrimmages will demand that players use both their strong and weak hands, thus preparing them for an elite level of play. In addition to on-field training, players will receive specialized speed and agility training from *Athletes Edge* to build the explosiveness needed to create space at the highest level.

Over the years *Athletes Edge* has developed many high-level lacrosse players. Many of which have gone on to play Division-1 and Professional Lacrosse. *Athletes Edge* will be utilizing it's expertise in LAX to dedicate a full 30 minutes each session to building speed/power/explosion/strength as well as agility through LAX-specific planes of motion.

Morgan may acquire or hold a copy of all or part of the instrument governing the Trust in addition to this Certification, knowledge of the terms of the Trust may not be inferred from the fact that a copy of all or part of such trust instrument is held by J.P. Morgan. It is also acknowledged and agreed that J.P. Morgan has no responsibility for, and should bear no liability in connection with, determining whether any transaction contemplated in this Certification is a prudent or reasonable exercise of a Trustee's authority.

Hi Theo - couple of Comments if you can forward to Robert spallina for me as I don't have his email handy:
- I think it's wise to have maritza, Diana and rachel turn over all items dealing with money such as credit cards and keys and all further correspondence with them be in writing. I heard the Diana deal Dad had put well over the \$200,000 Eliot mentioned into and that deal will likely be problematic and expensive. In writing seems safest. Please let me know if mr Spallina has any issues with this. Thanks and get some sleep. Sorry for punctuation - in zonked !

Ted – thank you for the heads up. I spoke to Jon and told him that we will meet at an appropriate time in the next couple weeks to go through and review the open litigation matters.

On a separate note, as discussed, you are designated as the successor trustee to Si on your mother's trust document. In this regard, both the residence and the beach condo were titled in the name of her trust. All of the contents in both places are the subject of your father's estate, over which Don and I have been named as Personal Representatives. Please make sure that both homes are secure and that the contents contained therein are protected. As a fiduciary of your mother's trust and during the period of administration of your father's estate, you owe a duty to the ultimate beneficiaries to protect the assets. As we discussed, to the extent that there may be keys to both places in the hands of others, we would suggest that you change the locks so that no one can gain access to either home without your consent. It may be helpful to take pictures and even create an inventory of the contents so that when there is a division of the assets among the family there are no issues.

Again, we are truly saddened by your father's death and are here to help in any way that we can. Please do not hesitate to contact us. If you need anything over the weekend my cell is 561-504-3805.

Speak to you soon.

COMPLAINT
And JURY DEMAND

WILLIAM STANSBURY (PLAINTIFF”), by and through his undersigned co-counsel,
hereby demanding trial by jury of all issues so triable, hereby sues the Defendants, and says

1. This is an action for money damages in excess of \$15,000, and for equitable relief.
2. Plaintiff is *sui juris*, and a resident of Palm Beach County, Florida.
3. Defendants TED S. BERNSTEIN (“TED BERNSTEIN”), and SIMON BERNSTEIN are both *sui juris*, and are both residents of Palm Beach County, Florida.
4. The corporate Defendants, LIC HOLDINGS, INC.; and ARBITRAGE INTERNATIONAL MANAGEMENT, L.L.C., f/k/a ARBITRAGE INTERNATIONAL HOLDINGS, L.L.C., are entities organized and existing under the laws of the State of Florida, all do business in the State of Florida and all have their principal offices in the State of Florida, and in Palm Beach County, Florida.
5. Defendants SIMON BERNSTEIN and TED BERNSTEIN (collectively “Defendants

BERNSTEIN”) are, respectively, one another’s father and son. They both own and control all of the corporate Defendants, and work closely together with respect thereto. In all matters involved herein, they worked closely together and were virtually one another’s alter egos.

7 The acts and incidents giving rise to these causes of action occurred in Palm Beach County, Florida.

Background

8. Plaintiff has worked in the insurance field virtually all his adult life, and by 2003 had become well-known and highly regarded by major insurance companies, their principals, and by others throughout the insurance industry, at all levels thereof, as well as by professionals, including attorneys, CPAs, financial advisors, wealth managers and others who were involved in serving, or otherwise dealing with, insurers and insurance brokers.

9. SIMON BERNSTEIN dealt at high levels of the insurance industry, and specialized in developing and marketing insurance concepts suitable for persons of high net worth to incorporate in their wealth management and estate planning.

10. TED BERNSTEIN was actively involved in selling life insurance products in conjunction with attorneys, CPAs and other professionals, to be incorporated into clients’ financial planning.

11. In 2003, TED BERNSTEIN approached Plaintiff, urging Plaintiff to spearhead the marketing of a unique insurance concept (“the said concept”), newly developed by a prominent law firm, which was designed for use in the financial and estate planning of wealthy individuals.

12. TED BERNSTEIN told Plaintiff that he knew of Plaintiff’s knowledgeability, and reputation in the insurance and related industries and professions, and that Plaintiff was skilled

at, and accustomed to, speaking and marketing insurance products to, large groups of professionals, and that he realized that Plaintiff, because of his knowledgeability, reputation and abilities, would be ideal to market this concept nationwide, through prominent and experienced professionals..

13. SIMON BERNSTEIN proposed that Plaintiff work as an independent contractor for the Corporate Defendants, marketing the product to the above-described He offered Plaintiff an arrangement whereby Plaintiff would receive twenty percent (20%) of all net retained amounts of commissions received from insurance companies and general agents' overrides (hereinafter, "commissions") which chose to issue policies of the type to be marketed, for use in the said financial and estate planning, and all other sales by the companies. Plaintiff would receive no other salary remuneration, but would have his travel and marketing expenses advanced or reimbursed. In time, when Plaintiff agreed to become an employee rather than an independent contractor, he agreed to a salary of the equivalent of 15% of commissions received on all products.

14. After reviewing the concept and considering the terms of the arrangement offered by SIMON BERNSTEIN, Plaintiff agreed with BERNSTEIN to accept the proposal described in preceding paragraph 13, and all the parties proceeded to act in accordance therewith.

15. Thereafter, Plaintiff worked with diligence and skill, traveling throughout the United States, generating ever increasing sales, and generating very large commissions for Defendants and for Plaintiff, who received the agreed salary equal to 15% thereof. By 2006, the parties hereto began receiving checks, not only for commissions on new policies sold, but also renewal commissions. Initially, the Plaintiff and Defendants BERNSTEIN, and one secretary, comprised the entire workforce. At the height of the sales campaign, Defendants' staff for serving the

business generated by Plaintiff consisted of more than 40 individuals.

16. In 2005, the Plaintiff was paid his commissions in the form of two IRS forms 1099, from National Services Association, and from Defendant ARBITRAGE INTERNATIONAL MARKETING, INC. for his services as an independent contractor.

17. In 2006, Plaintiff received his agreed salary as an employee, reflected in two IRS forms W-2., One W-2 was from ARBITRAGE INTERNATIONAL MARKETING, INC., and the other was from ARBITRAGE INTERNATIONAL HOLDINGS, INC., which later became Defendant ARBITRAGE INTERNATIONAL MANAGEMENT, INC.

18. Also in 2006, SIMON BERNSTEIN told Plaintiff that Plaintiff, was being rewarded for the explosive growth of business, through receiving a 10% interest in LIC.

19. In 2007, Plaintiff received his agreed salary as an employee, which salary was reflected in an IRS Form W-2.

20. With the economic downturn in 2008, Defendants looked for ways to withhold from Plaintiff compensation to which he was entitled, and to deceive him into believing that the money which would have been paid to both Defendants as well as to Plaintiff as compensation, was instead being held in the company's coffers.

21. In order to hide from Plaintiff the real fact that Defendants were paying to Defendants BERNSTEIN the full earnings received as commissions, and thereby depriving Plaintiff of the 15% thereof to which he was entitled, they knew they had to terminate Plaintiff's function of calculating each person's entitlement to payment out of commissions received. Therefore, in early 2008, SIMON BERNSTEIN told Plaintiff that the Defendants BERNSTEIN felt that Plaintiff was spending too much time on making the said calculations, and that Plaintiff's time would be better spent in building the business. SIMON BERNSTEIN told

Plaintiff that he and TED BERNSTEIN had decided to pay themselves and Plaintiff identical salaries of not less than \$1,000,000 each for 2008, and to distribute any profits beyond the total thus paid to the three owners, the Defendants BERNSTEIN and Plaintiff, according to their respective percentages of ownership, Plaintiff's share being 10%. Plaintiff, having thus far believed he was receiving whatever compensation he was entitled to, and having no reason to realize that this was a ruse to keep him in the dark as to the true state of affairs, readily acceded to his being relieved of the bookkeeping duties regarding calculating the disposition of moneys received.

22. Through misrepresentations made from 2008 through the date of filing of this Complaint, Defendants knowingly made false statements to Plaintiff to hide their scheme to withhold from Plaintiff's money to which he was entitled. For example, at times they claimed that money being received was not being paid as salary or distributions to either of Defendants BERNSTEIN but was being withheld and placed in company accounts, for eventual distribution. As Plaintiff and Defendants could afford to wait until year's end to be paid their distributions, and as Defendants BERNSTEIN assured Plaintiff that the payment arrangement would apply to all three equally, Plaintiff did not question the truthfulness of their representations..

23. In furtherance of their scheme to deprive Plaintiff of salary he had earned and to which he was entitled, Defendants intercepted mail addressed to Plaintiff, removed therefrom commission checks representing full commissions, deposited the same to their own accounts or otherwise converted the funds,, and willfully withhold from Plaintiff his salary. Defendants BERNSTEIN also opened Plaintiff's mail containing checks payable to him which were unrelated to Defendants' business.

24. In 2011, the Defendants BERNSTEIN decided to deceive Plaintiff into giving up

his 10% share in the business. Although he had never seen a stock certificate, Plaintiff had in fact been given K-1 statements reflecting his salary, which appeared to approximate 10% of the net profits or losses of LIC, after salary was paid. TED BERNSTEIN told Plaintiff that their accountants had discovered a taxable event which could cause all the owners of the company to have to pay taxes, and that they thought it would be unfair for Plaintiff to have to pay 10% of that tax, so TED BERNSTEIN promised that if Plaintiff would sign a paper ceding his 10% interest, TED BERNSTEIN would simply hold it and it would not become operative unless the tax liability came to exist. Plaintiff was assured that nothing would happen with the stock ownership until Plaintiff and the Defendants BERNSTEIN discussed the situation further after the Holiday Season.

25. Because of the misrepresentations, willful concealments of material facts, duplicity and deceit practiced by Defendants upon Plaintiff as described in preceding paragraphs 20 through 24, Plaintiff was reasonably of the belief that Defendants had complied, or intended to comply, with their material obligations to Plaintiff under the contract between them, and therefore was prevented from knowing, for a period of years, that these causes of action existed. The acts of Defendants in making false statements and withholding material information continues from its inception to the date of the filing hereof.

I. ACCOUNTING
(Against LIC and ARBITRAGE, for Accounting
as to Withholding of Money Due Plaintiff)

26. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

27. The relationship between Plaintiff and the Defendants, particularly as affected by

Defendants' acts described in preceding paragraphs 20 through 25, inclusive, created a situation where Defendants had sole access to, receipts generated by Plaintiff's efforts, and to books and records reflecting said receipts and the other information from which can be calculated all moneys due to Plaintiff under his arrangement with Defendants.

28, The period of time during which Plaintiff has been deprived of moneys due him spans approximately four and a half years, the numerosity of the sources of receipts by Defendants of moneys from which the amounts due Plaintiff may be calculated, and the changes in the formula under which, and manner in which, Plaintiff was to be paid, all involve extensive and complicated accounts, and Plaintiff's remedy at law could not be as full, adequate and expeditious as it is in equity.

WHEREFORE, Plaintiff prays for an adjudication of Plaintiff's right to a full and complete accounting from Defendants, and for such orders of Court as will require the Defendants to provide Plaintiff with all records and copies of documents, dated from the date in 2003 when Plaintiff first began his efforts to generate sales of the concept described in paragraph 11 above to the present, as will reveal his right to, and the amount of, all amounts: (a) received as commissions on said concepts or any other commissions as to which Plaintiff was entitled to a share; (b) due to Plaintiff, whether paid or not; (c) paid to Plaintiff, whether for commissions, salary, distributions, expenses or any other reason; (d) paid to each of the Defendants out of moneys received as commissions; (e) deposits of any and all moneys received as commissions by any Defendants to any accounts, including the name of the entity whose account was involved, the number(s) of each such account; the address of the branch or other facility through which any Defendant dealt with such entity; (f) calculations as to moneys paid, to be paid, or not to be paid to Plaintiff, together with such other and further relief as the Court may deem just

and appropriate.

II. ACCOUNTING
(Against TED S. BERNSTEIN and SIMON BERNSTEIN, for Accounting
as to Money Due to Plaintiff Which Said Defendants Converted)

29. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

30. The relationship between Plaintiff and the Defendants, particularly as affected by Defendants' acts described in preceding paragraphs 20 through 25, inclusive, created a situation where Defendants had sole access to, receipts generated by Plaintiff's efforts, and to books and records reflecting said receipts and the other information from which can be calculated all moneys due to Plaintiff under his arrangement with Defendants.

31. The period of time during which Plaintiff has been deprived of moneys due him spans approximately four and a half years, the numerosity of the sources of receipts by Defendants of moneys from which the amounts due Plaintiff may be calculated, and the changes in the formula under which, and manner in which, Plaintiff was to be paid, all involve extensive and complicated accounts, and Plaintiff's remedy at law could not be as full, adequate and expeditious as it is in equity.

WHEREFORE, Plaintiff prays for an adjudication of Plaintiff's right to a full and complete accounting from Defendants, and for such orders of Court as will require the Defendants to provide Plaintiff with all records and copies of documents, dated from the date in 2003 when Plaintiff first began his efforts to generate sales of the concept described in paragraph 11 above to the present, as will reveal his right to, and the amount of, all amounts: (a) received as commissions on said concepts or any other commissions as to which Plaintiff was entitled to a

share; (b) due to Plaintiff, whether paid or not; (c) paid to Plaintiff, whether for commissions, salary, distributions, expenses or any other reason; (d) paid to each of the Defendants out of moneys received as said commissions; (e) deposits of any and all moneys received as commissions by any Defendants to any accounts, including the name of the entity whose account was involved, the number(s) of each such account; the address of the branch or other facility through which any Defendant dealt with such entity; (f) calculations as to moneys paid, to be paid, or not to be paid to Plaintiff, together with such other and further relief as the Court may deem just and appropriate.

III. BREACH OF ORAL CONTRACT
(Against All the Defendants)

32. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

33. The arrangement between Plaintiff and Defendants as described in paragraphs 11 and 13 above, and as modified by the parties as further described above, constituted a contract between them.

34. An express term of that contract involved the commitment of Defendants to calculate, and to pay to Plaintiff, fully and timely, all sums due to him under the parties' contract, whether as commissions, salary, distributions, expenses or any other reason

35. The parties initially performed the duties required of them under said contract.

36. However, as described above in paragraphs 20 through 25, inclusive, Defendants willfully and maliciously agreed to breach their contract with Plaintiff by withholding from Plaintiff moneys due him under the contract.

37. Defendants did withhold such moneys due Plaintiff.

38. The withholding of such moneys constituted a material breach of the contract between Plaintiff and Defendants.

39. There is therefore due to Plaintiff from Defendants all amounts due under said contract, together with prejudgment and post-judgment interest on said amounts.

WHEREFORE, Plaintiff prays for judgment against Defendants, jointly and severally, for the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts, together with such other and further relief as the Court may deem just and appropriate.

IV. BREACH OF IMPLIED COVENANT OF GOOD FAITH and FAIR DEALING

40. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive, and paragraphs 33 through 38, inclusive.

41. The said contract, as a matter of law, contained an implied covenant of good faith and fair dealing, obligating the parties to honor every express term of the agreement..

42. Among the express terms of the oral contract between the parties were (a) that Plaintiff would be constantly apprised, either through being permitted to calculate all amounts due the Defendants out of commissions, or through being advised of all receipts of commissions and the disposition thereof, or the amounts due to Plaintiff for any reason under the terms of the contract; and (b) that Plaintiff would be fully and promptly paid all such amounts due him.

43. Through their actions as described in preceding paragraphs 20 through 25, inclusive, the Defendants willfully breached the said express of the contract.

WHEREFORE, Plaintiff prays for judgment against Defendants, jointly and severally, for

the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts, together with such other and further relief as the Court may deem just and appropriate.

V. BREACH OF FIDUCIARY DUTY

41. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

42. Plaintiff reposed full confidence in the defendants BERNSTEIN, and trusted them and relied on them to be as good as their word and to deal honestly with him, for a variety of reasons. Plaintiff knew of SIMON BERNSTEIN as a major figure in the insurance industry, prior to their becoming parties to the agreement involved herein. Moreover, Plaintiff and the Defendants BERNSTEIN had formed a social relationship which had grown into what Plaintiff regarded as friendship. Moreover, as the initial situation under their contractual relationship had Plaintiff receiving all information as to commissions received and calculating the amount of money due to Plaintiff and the Defendants BERNSTEIN, as mentioned in preceding paragraphs 21 and 22, and also because Plaintiff was told he had been given a minority shareholder interest in LIC, Plaintiff reasonably felt that the Defendants would deal with Plaintiff honestly and fairly, and that the Defendants had no intention of hiding from Plaintiff any information as to the amounts due Plaintiff or as to the Defendants' intention of paying said amounts to Plaintiff

43. Moreover, when Defendants proposed to Plaintiff that Plaintiffs cease being the one to calculate moneys due the parties out of commissions received, the Plaintiff trusted Defendants to make proper, accurate and complete calculations, as Plaintiff had done, and to pay Plaintiff accordingly.

44. Furthermore, when Defendants BERNSTEIN made statements to Plaintiff as to why payments due him were not being paid, as described, for example, in preceding paragraphs 22 through 25, inclusive, and 42, he trusted Defendants to be telling Plaintiff the truth,

45. As a result of the foregoing, a fiduciary relationship existed between Defendants BERNSTEIN and Plaintiff, and there existed in Plaintiff complete confidence and trust in the said Defendants, of which confidence and trust said Defendants were well aware.

46. Defendants BERNSTEIN accepted the trust which Plaintiff reasonably placed in them.

47. Through Defendants' willful misrepresentations and withholding of material information as to their intentions and the purposes for which Plaintiff's payments were not being paid, and through their diversion from Plaintiff of amounts which should have been paid to him, Defendants abused and betrayed Plaintiff's trust and confidence in them, to Plaintiff's great detriment, in that he has been deprived of the said amounts due him, the precise amount of which cannot be calculated without access to Defendants' books and records, and a full accounting by them.

WHEREFORE, Plaintiff prays for judgment against Plaintiffs, jointly and severally, for the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts, together with such other and further relief as the Court may deem just and appropriate.

VI. CIVIL THEFT
Against All Defendants

48. This is an action for Civil Theft under Chapter 772, Florida Statutes, more

specifically §772.11, Fla.Stats.

49. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

50. All funds which Defendants' records will reveal are due to Plaintiff but which have been deposited to any of the Defendants' accounts or which have been received by any Defendant or diverted by any Defendant to any recipient but Plaintiff are the specific funds to which this Count relates.

51. By refusing to pay to Plaintiff funds due him under their agreement, and by paying said sums to themselves or to others, Defendants have been guilty of criminal theft by conversion, which has been and continues to be performed by Defendants with the criminal intent of stealing his money and depriving him of the possession and use thereof.

52. Written demand for payment of all amounts due Plaintiff has been made to Defendants, more than 30 days preceding the filing of this Complaint, to no avail.

WHEREFORE, Plaintiff prays for judgment against Plaintiffs, jointly and severally, for three times the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts, and such other remedies as may be awarded Plaintiff under other Counts herein, together with such other and further relief as the Court may deem just and appropriate, together with such other and further relief as the Court may deem just and appropriate.

VII. FRAUD
(Against All Defendants)

53. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated

herein, preceding paragraphs 1 through 24, inclusive.

54. Defendants, with the intent to defraud Plaintiff by preventing his receipt of moneys due him from Defendants as commissions, salary, distributions, expenses, and otherwise, made false statements to him and withheld material information from him, all as specifically set forth in preceding paragraphs 20 through 24 above.

55. At the time said statements were made, Defendants knew that they were material and false, and that Plaintiff would rely thereon. At the time said material information was withheld from Plaintiffs, Defendants knew that the information being withheld was material, and that the withholding of the information would cause Plaintiff to rely on the absence of said information

56. Defendants intended for Plaintiff to rely on said false statements of material fact and to rely on the absence of the material facts which were withheld.

57. Plaintiff did rely on the false statements and the withholding of material information, and was damaged thereby. Through the loss the possession and use of moneys due him but withheld by Defendants under their scheme to defraud him of said money.

58. The behavior of Defendants in deceiving Plaintiff and in abusing the trust they had engendered in Plaintiff, as set forth in preceding paragraphs 42 through 47, which are incorporated herein by reference as if expressly restated herein, was in willful and conscious disregard of his rights, and was of such a concerted, premeditated, and outrageous nature as to go beyond the bounds of decency, and constituted rampant fraud.

WHEREFORE, Plaintiff prays for judgment against Plaintiffs, jointly and severally, for the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts, together with such other and further relief as the Court may deem just and appropriate.

VIII. EQUITABLE LIEN

59. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive, and paragraphs 54 through 58, inclusive.

60. The bank accounts into which any of the commissions received by Defendants as to which Plaintiff was to receive a share of commissions received, and the operating accounts and other accounts of the corporate Defendants into which said commission checks were deposited were intended by Defendants and by Plaintiff to be the source out of which Plaintiff would be paid, and they therefore were intended to be, and therefore should be, charged by this Court with the obligation of being the source of all amounts Plaintiff was and is to be paid, including amounts not yet paid.

61. Any and all other accounts into which were deposited said commissions or any part thereof, out of which Plaintiff was to be paid, should, out of general considerations of right and justice as applied to the relations of the parties and the circumstances of their dealings, be charged with the obligation of paying Plaintiff.

WHEREFORE, Plaintiff prays for judgment against Plaintiffs, jointly and severally, for the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts. Plaintiff further prays for the Court to declare and establish an equitable lien in favor of Plaintiff on all the accounts described in preceding paragraphs 60 and 61, and for all other accounts into which said commissions have been or will be wholly or partly diverted, and on all assets of Defendants or third parties which have been purchased wholly or partly with the

diversion of said funds due Plaintiff. Plaintiff further prays for such other and further relief as the Court may deem just and appropriate.

IX. CONTRACT IMPLIED IN LAW

62. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 25, inclusive.

63. By keeping the moneys due Plaintiff, Defendants have been unjustly enriched.

64. By agreeing to permit Defendants to receive, possess and control the paperwork revealing commissions received, and by agreeing that Defendants would assume the function of calculating amounts due the parties, Plaintiff conferred on Defendants the benefit of controlling the disposition of the funds received, including those due Plaintiff. The Defendants, having induced Plaintiff to confer said benefit, knew of the benefit and accepted and retained the benefit and abused it to defraud the Plaintiff.

65. The Circumstances are such that it would be inequitable for the Defendants to retain the benefit of the possession and use of funds due Plaintiff

WHEREFORE, Plaintiff prays for judgment that there exists a contract implied in law with the terms against Defendants described above, and for judgment against all Defendants, jointly and severally, for the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts, together with such other and further relief as the Court may deem just and appropriate.

X. CONSTRUCTIVE TRUST

66. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

67. The bank accounts into which any of the commissions received by Defendants as to which Plaintiff was to receive a share of commissions received, and the operating accounts and other accounts of the corporate Defendants into which said commission checks were deposited were intended by Defendants and by Plaintiff to be the source out of which Plaintiff would be paid, and they therefore were intended to be, and therefore should be, charged by this Court with the obligation of being the source of all amounts Plaintiff was and is to be paid, including amounts not yet paid.

68. Any and all other accounts into which were deposited said commissions or any part thereof, out of which Plaintiff was to be paid, should, out of general considerations of right and justice as applied to the relations of the parties and the circumstances of their dealings, be charged with the obligation of paying Plaintiff.

.WHEREFORE, Plaintiff prays for judgment against Plaintiffs, jointly and severally, for the full amount of moneys due to Plaintiff under the terms of their contract, including agreed-upon modifications thereof, together with prejudgment and post-judgment interest on said amounts. Plaintiff further prays for the Court to declare and establish a constructive trust in favor of Plaintiff on all the accounts described in preceding paragraphs 60 and 61, and for all other accounts into which said commissions have been or will be wholly or partly diverted, and on all assets of Defendants or third parties which have been purchased wholly or partly with the diversion of said funds due Plaintiff. Plaintiff further prays for such other and further relief as the Court may deem just and appropriate.

XI. INDEMNIFICATION

69. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 24, inclusive.

70. When Defendants entered the arrangement with Plaintiff described in preceding paragraph 13, SIMON BERNSTEIN, acting for himself and on behalf of the corporate Defendants and TED BERNSTEIN, and for their collective and shared benefit, told Plaintiff that it would be better for the simplicity of administration, if Plaintiff would arrange for all commissions, paid by insurance companies for sales of the said product by the Defendant companies, to be paid in the name of Plaintiff., even though Plaintiff would ultimately receive only 15% thereof.

71. Plaintiff, believing the representation that this was being requested solely to simplify bookkeeping and administration, agreed to receive all commissions in his own name, even though the bulk of each commission would become the property of the various Defendants.

72. At the time Defendants, through SIMON BERNSTEIN, represented to Plaintiff that the reason for their request that Plaintiff receive all commissions solely in his own name was for administrative simplicity, they knew that they had an ulterior motive in making this request. Their said motive was that, in the event any insurance company which had paid a commission for sale of the said product were to request a full refund of the commission on the ground that the insurance client or the broker had falsified the application for the policy, Defendants intended to disclaim liability therefor, and to avoid personal and corporate responsibility for any requests for refund of commissions paid, even though they collectively have received 85% of each such commission.

73. Plaintiff, acting in good faith, did not realize that Defendants were concealing this motive, or that such was their motive, and he reasonably relied on their representations as to the reason for the request, to his detriment.

74. As a direct and proximate result of the Defendants' representations, Plaintiff will have nominal full liability for refund of any commissions thus sought to be refunded as described in preceding paragraph 72. Such liability creates the certainty that requests for refunds will be made solely to Plaintiff, even though Defendants received 85% of the commissions.. Such disproportionate and unfair liability has been caused by the willful misrepresentation by Defendants.

75. Plaintiff was without fault in reasonably relying on the said representations.

76. Defendants were solely at fault in creating the said liability.

77. There was a special relationship between Plaintiff and the Defendants, because Plaintiff was acting as the nominal agent for Defendants in receiving in his name 100% of the commissions, making him vicariously liable for the refund of the 85% of commissions which were retained by Defendants for their own benefit.

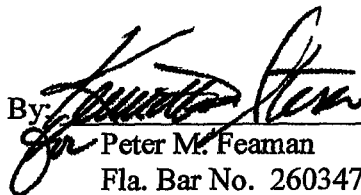

78. Moreover, Defendants had ceased to pay Plaintiff any commissions. Instead, as an employee he was now receiving a salary. To reflect Plaintiff's successful generation of Defendants' business, Defendants made Plaintiff's salary approximate 15% of the amount of commissions received. Nonetheless, as Plaintiff was not receiving any share of commissions *per se*, he should not have his indemnification limited to 85%, but rather it should be to the full 100% of all commissions being refunded.

WHEREFORE, Plaintiff prays for a Judgment in his favor, and against all Defendants, Adjudicating them under an obligation to defend, hold harmless and indemnify Plaintiff from

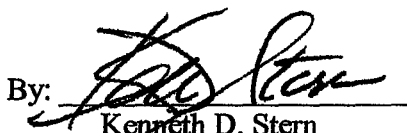

and against refund claims for said commissions, to the extent of 100% thereof, and for such other and further relief as the Court shall deem just and appropriate.

Background

10. STANSBURY has worked in the insurance industry for virtually all of his adult life. After 30 years, he had become well-known and highly regarded by major insurance companies, their principals and others throughout the insurance industry, at all levels thereof, as well as by professionals, including attorneys, CPA's, financial advisors, wealth managers and others who were involved in serving, or otherwise dealing with insurers, insurance brokers and life insurance products.

11. SIMON BERNSTEIN dealt at sophisticated levels of the insurance industry and specialized in developing and marketing insurance concepts suitable for persons of high net worth to incorporate into their wealth management and estate planning.

12. TED BERNSTEIN, the son of SIMON BERNSTEIN, was also actively involved in selling life insurance products in conjunction with attorneys, CPAs and other professionals, to be incorporated into high net worth individuals' financial and estate planning.

13. TED BERNSTEIN approached STANSBURY, urging STANSBURY to spearhead the marketing of a unique insurance concept, newly developed by a prominent law firm, which was designed for use in the financial and estate planning of high net worth individuals.

14. TED BERNSTEIN told STANSBURY that he knew of STANSBURY's expertise and reputation in the insurance and related industries, and that STANSBURY was skilled at and accustomed to speaking and marketing insurance products to groups of professionals. He realized that STANSBURY, because of his knowledge, reputation and abilities, would be well suited to market this concept nationwide through prominent and experienced professionals.

15. In 2006, SIMON BERNSTEIN and TED BERNSTEIN (collectively, "BERNSTEIN" or the "BERNSTEINS") formed Defendants LIC Holdings and ARBITRAGE for the purpose of marketing and selling certain life insurance products to high net worth individuals for their wealth management and estate planning needs.

16. STANSBURY agreed to become an employee of LIC Holdings, Inc. and ARBITRAGE and agreed to a salary of 15% of net commissions received on all products, including renewals.

17. STANSBURY worked with diligence and skill, traveling throughout the United States, generating ever-increasing sales and generating very large commissions. By 2006, nationwide sales were resulting in substantial commissions on new policies and renewal commissions.

18. Also in 2006, SIMON BERNSTEIN told STANSBURY that STANSBURY was being rewarded for his efforts and the explosive growth of the business, such that he would receive a 10% ownership interest in LIC Holdings, Inc.

19. In February of 2008, SIMON BERNSTEIN approached STANSBURY with the suggestion that rather than STANSBURY performing computations on a monthly basis as to how much should be paid to him based upon 15% of the commissions derived from policies sold by STANSBURY, the BERNSTEINS and STANSBURY should forego monthly payouts and defer compensation until the end of 2008, when year-end computations could be made. It was suggested that in December, year-end computations would be made and salaries would be paid in December 2008 or January of 2009. It was specifically represented to STANSBURY that neither SIMON BERNSTEIN, TED BERNSTEIN nor STANSBURY would take any compensation until the year-end accounting was performed in December of 2008 or January, 2009.

20. STANSBURY relied on SIMON BERNSTEIN's representations that, among other things, his time would be better spent building the business rather than performing monthly calculations of income. STANSBURY relied on SIMON BERNSTEIN's representation that they would all be paid identical annual salaries of not less than \$1,000,000 at the end of 2008 to be applied against STANSBURY's 15%. Any compensation to STANSBURY over and above his 15% would be paid to him in accordance with his ownership percentage of 10%.

21. STANSBURY, having no reason to believe that the representations by SIMON BERNSTEIN were false and only a ruse to keep him from inquiring as to corporate revenue and distributions, acceded to his being relieved of the bookkeeping duties regarding calculating the disposition of monies on a monthly basis throughout the year.

22. In 2008, STANSBURY received only \$420,018.00, all from commissions earned for sales in 2007 but paid in the January of 2008. STANSBURY received no payments for commissions received after January, 2008.

23. Unbeknownst to STANSBURY at that time, SIMON BERNSTEIN was paid \$3,756,229.00 and TED BERNSTEIN was paid \$5,225,825.00 in 2008.

24. The net retained commissions by LIC Holdings and ARBITRAGE, not including renewals for 2008 were approximately \$13,442,549.00. As such, STANSBURY was entitled to, at the very minimum, 15% of \$13,442,549.00, or \$2,016,382.35.

25. Since that time, SIMON BERNSTEIN and TED BERNSTEIN have secreted commissions received by LIC Holdings and ARBITRAGE into Bernstein family trusts and other entities as more specifically set forth below. Those trusts have since invested in real estate, also as more particularly set forth below.

26. Throughout 2009, SIMON BERNSTEIN and TED BERNSTEIN continued to make false statements to STANSBURY to hide the fact that they had looted the corporations for their

own personal benefit by withdrawing millions in 2008 and 2009, all to the financial detriment of STANSBURY. The BERNSTEINS represented that the money was not being paid as salary or distributions because the funds needed to be held in the corporate bank accounts to show to potential lenders the financial stability of the company.

27. STANSBURY relied upon these continuing representations of Defendants to his detriment. Because STANSBURY was told that potential funding sources for the business needed to see that capital of the company was available, he took no action when he did not receive any compensation for 2009 and paid only \$30,000 in 2010.

28. STANSBURY believes that some or all of the funds to which he was entitled and/or assets attributable to such funds were placed into certain entities, including but not limited to BERNSTEIN FAMILY REALTY, LLC and SHIRLEY'S TRUST. For example, based on information and belief, some or all of the funds to which STANSBURY was entitled were invested in certain parcels of real property, which parcels were conveyed to the trustee of SHIRLEY'S TRUST on or about May 20, 2008, including but not limited to a 4,220 square foot oceanfront condominium unit in a complex known as "The ARAGON" in Boca Raton, located at 2494 So. Ocean Boulevard, Boca Raton, Florida and a mansion in St. Andrew's Country Club located at 7020 Lions Head Lane, Boca Raton, Florida.

29. In order to continue their scheme to defraud, SIMON BERNSTEIN and TED BERNSTEIN failed and refused to account for renewal commissions and failed to supply any financial information to STANSBURY concerning LIC Holdings, Inc. or ARBITRAGE INTERNATIONAL MANAGEMENT, LLC.

30. In furtherance of their scheme to deprive STANSBURY of salary he had earned and shareholder distributions to which he was entitled, SIMON BERNSTEIN and TED BERNSTEIN intercepted mail addressed to STANSBURY, removing commission checks representing

commissions due to STANSBURY, deposited the funds into their own accounts and otherwise converted the funds. SIMON BERNSTEIN and TED BERNSTEIN also opened STANSBURY's mail containing checks payable to him which were unrelated to them and the businesses.

31. In 2011, the Defendants BERNSTEIN decided to deceive STANSBURY further. STANSBURY had for years been given K-1 statements reflecting his 10% ownership of LIC Holdings. At the end of 2011, TED BERNSTEIN told STANSBURY that the company accountant had discovered a taxable event which could cause STANSBURY, as an owner of LIC Holdings to pay taxes on phantom income. TED BERNSTEIN promised that if STANSBURY would sign a paper ceding his 10% interest in LIC Holdings, he would not have to pay the tax. TED BERNSTEIN promised he would hold the paper, promising it would not become operative until STANSBURY and the Defendants BERNSTEIN discussed the situation further in the first quarter of 2012.

32. Because of the misrepresentations, willful concealments of material facts, duplicity and deceit practiced by Defendants upon STANSBURY, STANSBURY reasonably believed that Defendants had complied, or intended to comply with their obligations to STANSBURY under the contract between them. STANSBURY, therefore, was prevented from knowing for a period of years that the causes of action ASSERTED HEREIN existed.

33. By the second quarter of 2012, STANSBURY developed the belief that the BERNSTEINS' representations over the years were wholly false and he sought legal counsel.

34. STANSBURY has retained the law firm of Peter M. Feaman, P.A. and has agreed to pay it a reasonable fee for its services rendered herein.

COUNT I - ACCOUNTING
(Against LIC Holdings and ARBITRAGE, for Accounting)

35. STANSBURY hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 34, inclusive.

36. The relationship between STANSBURY and the Defendants, particularly as affected by Defendants' acts described in preceding paragraphs 19 through 27 created a situation where Defendants had sole access to receipts generated by STANSBURY's efforts, and to books and records reflecting said receipts and the other information from which can be calculated all moneys due to STANSBURY under his arrangement with Defendants.

37. The period of time during which STANSBURY has been deprived of monies due him spans approximately four and a half years. The various sources of revenue to Defendants of monies from which the amounts due STANSBURY may be calculated, the manner in which STANSBURY was to be paid, and the amount due STANSBURY all involve extensive and complicated accounts, and STANSBURY's remedy at law cannot be as full, adequate and expeditious as it is in equity.

WHEREFORE, Plaintiff STANSBURY prays for an adjudication of Plaintiff's right to a full and complete accounting from Defendants, LIC Holdings and ARBITRAGE, and for such orders of Court as will require such Defendants to provide STANSBURY with all records and copies of documents from January 1, 2006 to the present, in order to reveal his right to, and the amount of all sums: (a) received as commissions to which STANSBURY was entitled to a share; (b) due to STANSBURY, whether paid or not; (c) paid to STANSBURY, whether for commissions, salary, distributions, expenses or any other reason; (d) paid to each of the BERNSTEIN Defendants out of monies received as commissions; (e) deposits of any and all moneys received as commissions by any Defendants to any accounts, including the name of the

entity whose account was involved, the number(s) of each such account; the address of the branch or other facility through which any Defendant dealt with such entity; (f) calculations as to moneys paid, to be paid, or not to be paid to STANSBURY, together with an award of court costs and such other and further relief as the Court may deem just and proper.

II. BREACH OF ORAL CONTRACT

(Against LIC Holdings, Inc. and Arbitrage International Management, LLC)

38. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 34, inclusive.

39. The arrangement between STANSBURY and Defendants as described in paragraphs 16 and 24 above, constituted a contract between them.

40. An express term of that contract involved the commitment of LIC Holdings and ARBITRAGE to calculate and to pay to STANSBURY all sums due to him under the contract, whether as commissions, salary, distributions, expenses or any other reason.

41. The Defendants initially performed the duties required of them under said contract.

42. However, Defendants breached their contract with STANSBURY by withholding from STANSBURY monies due him under the contract.

43. The withholding of such monies constitutes a material breach of the contract between STANSBURY and LIC Holdings and ARBITRAGE.

44. There is due to STANSBURY from such Defendants all amounts due under said contract, together with prejudgment and post-judgment interest on said amounts.

WHEREFORE, Plaintiff prays for judgment against Defendants, LIC Holdings, Inc. and ARBITRAGE INTERNATIONAL MANAGEMENT, LLC, jointly and severally, in excess of \$1,500,000.00 for the amounts due to Plaintiff under the terms of their contract, together with

prejudgment and post-judgment interest, court costs and such other relief as the Court may deem just and proper.

III. BREACH OF FIDUCIARY DUTY
(Against SIMON BERNSTEIN and TED BERNSTEIN [“BERNSTEINS”])

45. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 34, inclusive.

46. At all material times hereto, SIMON BERNSTEIN and TED BERNSTEIN were officers and majority shareholders of LIC Holdings and ARBITRAGE.

47. As shareholders and officers of LIC Holdings and ARBITRAGE, SIMON BERNSTEIN and TED BERNSTEIN did have and have a fiduciary duty to STANSBURY to act in good faith towards STANSBURY and to act in the best interests of LIC Holdings and ARBITRAGE.

48. At all material times hereto, STANSBURY was and is a shareholder of LIC Holdings.

49. STANSBURY reposed trust and confidence in SIMON BERNSTEIN and TED BERNSTEIN as a result of their position as majority shareholders and officers of LIC Holdings and ARBITRAGE.

50. Further, SIMON BERNSTEIN and TED BERNSTEIN held positions of advantage and control over STANSBURY, not only by virtue of their majority shareholder status, but by having access to the accounting books and records of LIC Holdings and ARBITRAGE, to the exclusion of STANSBURY.

51. STANSBURY reasonably believed that the BERNSTEIN Defendants would deal with STANSBURY honestly and fairly and believed that such Defendants had no intention of

hiding from STANSBURY any information as to the amounts due STANSBURY or payment of the money due to STANSBURY.

52. Moreover, when Defendants proposed to STANSBURY that STANSBURY cease being the one to calculate monies due from the commissions received, STANSBURY trusted the BERNSTEINS to make proper, accurate and complete calculations just as STANSBURY had done and to pay STANSBURY accordingly. As majority shareholders and directors of LIC Holdings and ARBITRAGE, the BERNSTEINS were in a superior position of knowledge and control concerning the finances and affairs of those companies.

53. As a result of the foregoing, a fiduciary relationship existed between the BERNSTEINS and STANSBURY and there existed in STANSBURY complete trust in the BERNSTEIN Defendants.

54. The BERNSTEIN Defendants accepted the trust which STANSBURY reasonably placed in them.

55. The BERNSTEIN Defendants breached their fiduciary duty to STANSBURY by repeated conduct of self-dealing and violations of corporate protocol, including:

a) directing LIC Holdings and ARBITRAGE to make payments to third parties not employed by the corporations and who had performed no services on behalf of the corporations for the personal benefit of the BERNSTEINS;

b) directing the corporations to pay for personal expenses of the wives and other friends of the BERNSTEIN Defendants through corporate credit cards and other forms of payment, notwithstanding that they provided no services for the corporations;

c) transferring monies from LIC Holdings and ARBITRAGE to third party entities including the BERNSTEIN Defendants, the BERNSTEIN FAMILY REALTY, LLC and the

SHIRLEY BERNSTEIN TRUST AGREEMENT for the benefit of the BERNSTEINS,

personally;

d) paying themselves exorbitant compensation to the exclusion of STANSBURY;

e) treating LIC Holdings and ARBITRAGE as alter egos of themselves and otherwise handling the affairs of LIC Holdings and ARBITRAGE without regard to corporate protocol;

f) failing to convene annual meetings of the stockholders of LIC Holdings and ARBITRAGE, in violation of Florida law;

g) committing corporate waste by unnecessarily expending corporate assets on unrelated corporate activities;

h) failing to account for the revenue and expenses of LIC Holdings and ARBITRAGE to STANSBURY, who was entitled to compensation as an employee and as a minority shareholder;

i) directing LIC Holdings and ARBITRAGE to take actions to reduce the profit of LIC Holdings and ARBITRAGE so as to prevent STANSBURY from earning his just compensation, in violation of prior agreement of the parties.

56. SIMON BERNSTEIN further breached his fiduciary duty owed to STANSBURY as a minority shareholder by neglecting to perform his duties as an officer and director in a prudent and reasonable fashion.

57. Through Defendants BERNSTEINS' willful misrepresentations and withholding of material information as to their intentions and the purposes for which STANSBURY's payments were not being paid, and through their diversion from STANSBURY of amounts which should have been paid to him, such Defendants abused and betrayed STANSBURY's trust and confidence in them to STANSBURY's great detriment. STANSBURY has been deprived of the amounts due him, the precise amount of which cannot be calculated without access to Defendants' books and records and a full accounting by them.

58. The monetary damages suffered by STANSBURY as a result of the foregoing conduct was suffered by STANSBURY individually and not to the corporation LIC Holdings as a whole, because the conduct as described above prevented STANSBURY from obtaining the benefits of the bargain of his oral agreement with the corporations as more particularly described in Count II above.

59. The foregoing conduct by the BERNSTEINS was done with gross and intentional disregard of the rights of STANSBURY as an employee and minority shareholder of LIC Holdings.

WHEREFORE, Plaintiff prays for judgment against Defendants, SIMON BERNSTEIN and TED BERNSTEIN, jointly and severally, for damages in excess of \$1,500,000.00 together with prejudgment and post-judgment interest, court costs and such other relief as the Court may deem just and proper. STANSBURY reserves the right to move to amend to request punitive damages in accordance with Florida Law.

IV. CIVIL THEFT
(Against ARBITRAGE INTERNATIONAL MARKETING, LLC)

60. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 34, inclusive.

61. This is an action for Civil Theft under Chapter 772, Florida Statutes, more specifically §772.11, Fla.Stat.

62. In February, 2012 and March, 2012, Defendant ARBITRAGE intercepted two separate checks made payable to William STANSBURY intended as payment to STANSBURY for matters arising wholly outside his business transactions with the BERNSTEINS, LIC Holdings and ARBITRAGE.

63. Notwithstanding that the checks made payable to William STANSBURY was for sums due STANSBURY by a third party not in connection with the aforesaid business transactions, ARBITRAGE and/or someone acting on its behalf, caused the negotiation of STANSBURY's checks, wrongfully endorsing the checks and retaining the sums that should have been payable to STANSBURY.

64. As a result of the foregoing, Defendant ARBITRAGE has been guilty of criminal theft by conversion with the criminal intent to steal his money and deprive STANSBURY of his possession and use thereof.

65. Written demand for payment of all amounts due STANSBURY has been made to Defendants, more than 30 days preceding the filing of this Complaint, to no avail. A copy of the demand letter is attached hereto as Exhibit "A."

WHEREFORE, Plaintiff prays for judgment against Defendant, ARBITRAGE for three times the full amount of the check made payable to STANSBURY, together with pre-judgment interest and post-judgment interest, attorneys' fees, court costs and any other relief this Court deems just and proper.

V. CONVERSION

66. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 60 through 65, inclusive.

67. Further, during 2012, Defendants TED BERNSTEIN, SIMON BERNSTEIN, LIC Holdings, Inc., ARBITRAGE, or someone acting on their behalves, received and cashed in excess of \$30,000.00 worth of commissions checks otherwise payable to Plaintiff.

WHEREFORE, Plaintiff prays for judgment for damages against Defendant, ABRITRAGE, SIMON BERNSTEIN, LIC Holdings, Inc. and TED BERNSTEIN, together with

pre-judgment interest and post-judgment interest, court costs and any other relief this Court deems just and proper.

VI. FRAUD IN THE INDUCEMENT
(Against Ted Bernstein and LIC Holdings, Inc.)

68. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 1 through 34, inclusive.

69. In the fourth quarter of 2011, TED BERNSTEIN embarked upon a plan to defraud from STANSBURY his 10% ownership interest in LIC Holdings, Inc. As set forth in paragraph 31 above Defendant TED BERNSTEIN fraudulently induced STANSBURY to sign a document giving up his 10% interest in and to LIC Holdings, Inc.

70. The ceding of his shares in LIC Holdings, Inc. was procured by fraud and STANSBURY relied upon the representations made by BERNSTEIN with regard to signing the document apparently ceding his stock.

71. It was reasonable for STANSBURY to rely on the representations made by BERNSTEIN because at that time STANSBURY was unaware of the breaches of fiduciary duty and breaches of the oral contract that had taken place.

72. As a result of STANSBURY's reliance, STANSBURY has been damaged by the loss of 10% of the shares of LIC Holdings and the rights and remedies to a shareholder related thereto.

WHEREFORE, Plaintiff prays for a judgment for damages against Defendants BERNSTEIN and LIC Holdings, Inc. for the damages caused by the fraudulent conduct of BERNSTEIN as described herein, together with reasonable costs, pre-judgment interest and any other relief this Court deems just and proper.

VII. EQUITABLE LIEN

73. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, paragraphs 1 through 34, above.

74. Defendants, SIMON BERNSTEIN and/or TED BERNSTEIN wrongfully diverted funds from LIC Holdings and ARBITRAGE that rightfully should have been paid to STANSBURY pursuant to their oral agreement.

75. Upon information and belief, SIMON BERNSTEIN and/or TED BERNSTEIN, or both, wrongfully diverted funds from LIC Holdings and/or ARBITRAGE and acquired and/or maintained or improved property located at 7020 Lion's Head Lane, Boca Raton, Florida, legally described as

Lot 781, St. Andrews Country Club (a PUD) Plat No. 14 according to the plat thereof recorded in Plat Book 57, Page 132 of the public records of Palm Beach County, Florida.

76. Further, upon information and belief, as a result of the funds being wrongfully diverted from LIC Holdings and/or ARBITRAGE, which otherwise rightfully belonged to and should have been paid to STANSBURY, the property legally described as

Lot 68, Block G Boca Madeira, Unit 2 according to the plat thereof recorded in Plat Book 32, Pages 59 and 60 of the public records of Palm Beach County, Florida, with a property address of 2753 NW 34 Street, Boca Raton, Florida,

was encumbered with a mortgage representing wrongfully diverted funds which were loaned in the form of a second mortgage to Defendant, BERNSTEIN FAMILY REALTY, LLC, a Florida limited liability company.

77. Upon information and belief, as a result of the funds being wrongfully diverted from LIC Holdings and/or ARBITRAGE which otherwise should have been paid to STANSBURY, such funds were used to satisfy a mortgage for the benefit of TED BERNSTEIN on property legally described as

Lot 139, Saturnia Isles, Plat One, recorded in Plat Book 91 at Page 108 of the property records of Palm Beach County, Florida, with a property address of 15807 Menton Bay Court, Delray Beach, Florida

WHEREFORE, Plaintiff prays for the Court to declare and establish an equitable lien in favor of Plaintiff in an amount equal to the funds wrongfully diverted, on the property described herein, and on all other assets of Defendants or third parties as yet unknown, which assets have been purchased wholly or in part, improved or benefitted by the diverted funds due Plaintiff, together with court costs and such other and further relief as this Court may deem just and proper.

VIII. CONSTRUCTIVE TRUST

78. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, preceding paragraphs 73 through 77 above.

WHEREFORE, Plaintiff prays for the Court to declare and establish a constructive trust in favor of Plaintiff on the property described in paragraphs 75 through 77 in an amount equal to the funds wrongfully diverted and on all assets of Defendants or third parties as yet unknown, which assets have been purchased wholly or partly, improved or mortgaged by the diversion of said funds due Plaintiff. Plaintiff further prays for an award of court costs and such other and further relief as the Court may deem just and proper.

IX. VIOLATION OF FLA. STAT. 607.1602 **(As to Defendant, LIC Holdings, Inc.)**

79. Plaintiff hereby reiterates and incorporates herein by reference, as if fully restated herein, paragraphs 1 through 34, above.

80. STANSBURY owns 10% of the issued and outstanding shares of LIC Holdings and has owned these shares since 2006.

81. Pursuant to §607.1602 Fla. Stat. (2012), STANSBURY made demand on LIC Holdings to inspect and copy certain records. A copy of the Demand is attached hereto as Exhibit “A.” LIC Holdings refused to respond to the request in direct violation of 607.1602 Fla. Stat. (2012).

82. Section 607.1604(2) Fla. Stat. (2012) states:

If a corporation does not, within a reasonable time, allow a shareholder to inspect and copy any other record, the shareholder who complies with §607.1602(2) and (3) may apply to the Circuit Court in the county where the corporation’s principal office is located for an order to permit inspection and copying of the records demanded.

83. Section 607.1604 Fla. Stat. (2012) requires that the court dispose of an application brought under this section “on an expedited basis.”

84. Pursuant to §607.1604(2) Fla. Stat. (2012), Plaintiff requests that this court summarily order inspection and copying of the record previously demanded at the corporation’s expense.

85. Pursuant to §607.1604(3) Fla. Stat. (2012), STANSBURY is entitled to an award of his costs including reasonable attorneys’ fees incurred in order to obtain the order and enforce his rights unless the corporation or its officers, director or agent proves that the refusal of the inspection is made in good faith because the corporation had a reasonable basis for doubt about the right of the shareholder to inspect or copy the records demanded.

WHEREFORE, Plaintiff, WILLIAM E. STANSBURY requests this Honorable Court to summarily order inspection and copying of the records of LIC Holdings, Inc. previously demanded, at the corporation’s expense, together with an award of reasonable costs and attorneys’ fees incurred herein.

Re: William (Bill) Stansbury

Dear Mr. Bernstein:

The undersigned represents William (Bill) Stansbury and we are writing this letter on his behalf. Mr. Stansbury received your proposed letter agreement reflecting LIC Holdings' proposal to indemnify its shareholders concerning policies sold under the Cambridge Financing Program. As a result of your proposal, Mr. Stansbury has reviewed with me in detail his dealings with you and your companies over the past 4 to 5 years.

After reviewing the facts with Mr. Stansbury, some of which will be summarized below, I was shocked that he had not consulted legal counsel until now. Be that as it may, and based upon the facts presented to us, we believe you have engaged in fraud, civil theft, breaches of fiduciary duties, and breach of contract, just to name a few. The purpose of this letter is to a). respond to your indemnity proposal and b). request that you pass this letter on to your counsel immediately in the off-chance that these very serious matters can be resolved prior to the filing of legal action. The issues can be summarized as follows:

1. The first issue concerns you and your company's failure to pay salary compensation to Mr. Stansbury. Mr. Stansbury has been making inquiries concerning this for the past 5 months, but to no avail. Mr. Stansbury's claim for unpaid salary arises from three categories:

EXHIBIT A large, hollow triangle symbol, likely used as a reference marker for an exhibit.

Page 2

a. Failure to pay salary based on net retained commissions.

i. Based upon reports prepared by your company for the period of 2007 through 2011, LIC Holdings, Inc. and/or Arbitrage International Holdings, n/k/a Arbitrage International Management, LLC, received \$35,384,246.00 in net retained commissions. According to Mr. Stansbury's salary arrangement, he is entitled to 15% of those net retained commissions, which amounts to \$5,307,636.90. During this time period, Mr. Stansbury's salary compensation was \$2,844,910.00. The shortfall in salary owed to Mr. Stansbury is \$2,462,726.90.

ii. There is salary compensation owed to Mr. Stansbury as a result of bridge loans in 2008. You received a \$2,000,000.00 settlement in 2010 resulting from the resolution of a lawsuit involving Global Secured Capital. Mr. Stansbury is entitled to 15% of those funds, which is \$300,000.00.

iii. In addition, you received \$507,891.00 in commissions in connection with the Biviano matter. Mr. Stansbury is entitled to 15% of those funds, which is \$76,183.65.

iv. In April of 2012, you received three commissions totaling approximately \$200,000.00 in the Levine, Wiss and Berley matters. Mr. Stansbury has been requesting payment of this for weeks, again to no avail. Mr. Stansbury is due salary compensation for these items in the amount of \$30,000.00.

Therefore, Mr. Stansbury's total claim for salary arising out of net retained commissions is approximately \$2,868,910.55.

The liability for payment of this salary is not limited to LIC Holdings, Inc. or Arbitrage International Management, LLC. This liability also flows to you individually as a result of your breaches of your fiduciary duty owed to Mr. Stansbury and utter failure to abide by corporate governance standards, which conduct is more particularly described below.

b. Mr. Stansbury is also due unpaid salary based on 15% of all renewal commissions since 2008. Mr. Stansbury's salary claim for renewal commissions cannot as yet be determined with specificity due to the fact that you and your office have been opening mail directed to Mr. Stansbury and negotiating checks made payable to him by falsifying his endorsement and depositing those checks into accounts which only you control. This conduct constitutes civil theft and breach of fiduciary duty. We believe this claim amounts to hundreds of thousands of dollars.

c. Salary compensation for 2008. Mr. Stansbury has recently learned that you and Mr. Simon Bernstein received \$8,982,124.00 in salary in 2008. By contrast, Mr. Stansbury received \$420,018.00, paid to him in January 2008, based on policies sold in 2007. He received zero (no salary compensation) for his 2008 production. It is obvious that you and Simon treated your corporations as personal ATM machines, while completely ignoring your fiduciary

Page 3

responsibilities to your employee and minority shareholder, Mr. Stansbury. It further appears that after the exorbitant salaries were paid to you, you then loaned the money back to the corporation at an interest rate significantly above market rates in order to meet the cash flow needs of the various entities, again, clearly disregarding your corporate governance responsibilities.

2. Indemnification issues.

Mr. Stansbury has been served with three lawsuits from Phoenix Insurance Company and one from Mr. Wright seeking indemnification as a result of agent misconduct which was in no way attributable to the conduct of Mr. Stansbury. Although all of these matters have been settled, because he was the qualifying agent of record for other policies, he could be the subject of future litigation for refunds of commissions paid. All of these commissions were paid over to you or your companies.

The Indemnification Agreement which you sent to Mr. Stansbury is completely insufficient. You have a duty as a matter of law to indemnify Mr. Stansbury. Your offer of future indemnity is contingent upon "all" commissions that have been received by LIC's present or past shareholders be turned over to LIC. This is nothing short of extortion. Further, your second paragraph states that LIC is "presently insolvent" and has a "negative net worth." You then conclude with the sentence that with the indemnification agreement in place, LIC "may" have sufficient funds to meet its current obligations. Therefore, a simple indemnification from LIC Holdings to Mr. Stansbury is insufficient. Any such indemnification would have to be personally guaranteed by you and Mr. Simon Bernstein.

3. Unauthorized interception of U.S. Mail.

I have been given the understanding that your office has been opening mail directed to Mr. Stansbury personally. This is a federal offense and also constitutes a breach of the fiduciary duty you owe to Mr. Stansbury as an employee and minority shareholder.

There has been no accounting to Mr. Stansbury for any of the checks which may have been sent to him personally on which his signature has been forged, the checks cashed and placed out of the reach of Mr. Stansbury. In 2012, Mr. Stansbury has been receiving checks from Phoenix Life Insurance Company and TransAmerica Life Insurance Company. Mr. Stansbury has been holding these checks. They have now been remitted to the undersigned as attorney for Mr. Stansbury. This office is holding these funds in a separate interest-bearing trust account pending the resolution of this matter.

With regard to all of the other insurance companies for whom Mr. Stansbury is listed as the qualifying agent, he has now informed those companies that all future renewal commissions paid to him personally be sent to Mr. Stansbury at his home address. These funds will then be remitted to the undersigned counsel of record for Mr. Stansbury. We will place these funds in a separate interest-bearing trust account as well. Any attempts by you to contact these insurance

Page 4

companies will be considered a tortious interference of his business relationship and such activity will be added as a claim in any future legal proceedings.

4. Shareholder status.

Mr. Stansbury has been a 10% shareholder of LIC Holdings, Inc., pursuant to the terms of a Shareholders Agreement. On behalf of Mr. Stansbury, demand is hereby made, pursuant to Florida Statute 607.1602, for inspection of the corporate records including the following:

I. Minutes of the Board of Directors meetings from January 1, 2008 to the present.

II. Minutes of Shareholders' meetings from January 1, 2008 to the present.

III. Records of any actions taken by the Shareholders and/or the Board of Directors without a meeting, from January 1, 2008 to the present.

IV. Accounting and financial records of LIC Holdings, Inc., Arbitrage International Management, LLC, formerly known as Arbitrage International Holdings, LLC, and all other subsidiary or affiliated companies under your control, including, without limitation, income tax returns, general ledgers, balance sheets, profit and loss statements, stock books, bank statements, loan agreements or guarantees, and any other financial books and records from January 1, 2008 to the present.

Mr. Stansbury is seeking to inspect these records in good faith and for the purpose of determining if misappropriation of corporate assets for improper purposes has previously taken or is presently taking place.

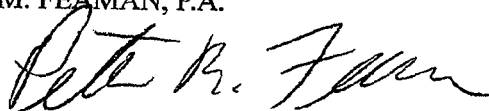

I have been made aware of a letter dated December 22, 2011 in which Mr. Stansbury purportedly "ceded" his shares of stock in LIC Holdings, Inc. back to the company. This letter was obtained under false pretenses and is not recognized by Mr. Stansbury as validly conveying his ownership interest in LIC Holdings, Inc.

Please have your legal counsel contact us within ten (10) days. Should we fail to receive a response within that time, Mr. Stansbury will take legal action to protect his rights and interests.

Very truly yours,

Ted:

We will need each grandchild's full name and date of birth. Each parent (you and your siblings) will be the trustee of their child's trust. At age 25 the child becomes a co-trustee. Each of the trusts will be assigned a tax ID number. You all can individually decide where you wish to open any bank or brokerage accounts. All of the provisions for these trusts are spelled out in Simon's Trust document. As trustees, you each have fiduciary duties and responsibilities to your beneficiary-child.

Unless separately engaged by us, we do not represent the grandchildren or their trustee-parent with respect to these trusts. At the conclusion of Simon's estate administration, Robert and I as the personal representatives and trustees will cause the remaining assets of his estate and trust to be distributed to these trusts.

Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "*Existing Trust*"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." The residue shall be added to and become a part of the Existing Trust, and shall be held under

LAST WILL
OF SIMON L. BERNSTEIN

LAW OFFICES
TESCHER & SPALLINA, P.A.

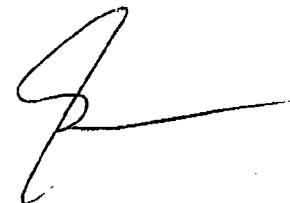

C. **Upon My Death.** Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. **Disposition of Tangible Personal Property.** If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. **Disposition of Trust Upon My Death.** Upon my death, the remaining assets in this trust shall be divided among and held in separate Trusts for my then living grandchildren. Each of my grandchildren for whom a separate trust is held hereunder shall hereinafter be referred to as a "*beneficiary*" with the separate Trusts to be administered as provided in Subparagraph II.C.

C. **Trusts for Beneficiaries.** The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the net income and principal of such beneficiary's trust as is proper for the Welfare of such individuals. Any income not so paid shall be added to principal each year. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any grandchild of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of any of my lineal descendants (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

Subject: Trusts for my kids

Donald - what do we need to do for creation of the 3 kids trusts to establish enough for me to transfer money into their accounts? I have paperwork from JP Morgan to open accounts. Is this something we can do in next day or two?

Thanks...

Fair Market Value Appraisal
Scope of Work /Terms and Conditions**

This appraisal (the "Appraisal") has been prepared by April L. Matteini, G.G. and A. Matteini & Co. LLC (the "Appraiser") and is intended solely for the use of The Estate of Mr. Simon Bernstein (the "Client"), or Client's duly authorized representative, and shall not be disseminated to, relied upon by, or used by any third party. By acceptance and/or use of the Appraisal and/or this appraisal report (the "Appraisal Report") by Client or Client's authorized representative(s), Client agrees to these Scope of Work/Terms and Conditions. The Appraisal Report may not be reproduced in any form without the written consent of Appraiser. Appraiser assumes no responsibility for any unauthorized use of the Appraisal. Possession of the Appraisal Report or any copy of it does not carry with it the right of publication.

To determine the value of the property subject to the Appraisal, Appraiser has used the Market Comparison approach. This approach considers the most accessible information on recent sales of like material. The market comparison approach determines the value which one would pay for an object of similar style, origin, artistic merit or maker. The values in this report are the Fair Market Values, as defined by the IRS, for the piece(s) on September 13, 2012, the date of Mr. Bernstein's death. The appraised property is assumed to be marketable. The value is not valid for retail purposes. In no way does the Appraisal constitute an offer to buy. The Appraisal should not be construed as proof of ownership of the items appraised. The appraised value is based on Appraiser's professional opinion and is not guaranteed. No opinion is expressed as to future or past value. Opinion of quality and grade may vary upon reexamination by another qualified appraiser/gemologist. Changing market conditions may require reappraisal and updated valuation in the future. It shall be Client's obligation to request a reappraisal

Unless noted, Appraiser personally inspected each item of property included in the Appraisal Report. Any sizes or weights were measured, but must still be considered approximate. The weights of mounted gemstones are estimated using accepted gemological formulas. Actual unmounted weights may differ. The quality of the evaluation of a gemstone may differ when removed from the mounting. Some enhancing treatments of diamonds and/or colored gemstones are undetectable by standard gemological equipment. Detection of any enhancements is limited to the gemological equipment on hand. Client has the option, at Client's expense, to submit any article described in the Appraisal to a fully equipped gemological laboratory for further evaluation. Mountings bearing a metal karat or content mark have not been tested to verify their content. Unless otherwise noted, watch cases have not been opened to prevent the voiding of any manufacturer's warranties. The condition of any item, unless otherwise noted, should be considered fair to good.

The descriptions of property in the Appraisal Report are statements of opinion and are not an endorsement expressed or implied, as to the merchantability, correctness of description, genuineness, authenticity or provenance of the particular piece described. The photographs attached to the Appraisal Report are for reference only and not an accurate representation of the size, color, or condition of the gemstone or jewelry.

Fees for the Appraisal are calculated hourly and/or as a flat fee. Compensation to Appraiser for completing the Appraisal is not contingent upon reporting a predetermined value, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of the Appraisal.

Client shall indemnify, defend, and hold Appraiser harmless from and against any actions, claims, liabilities, expenses,

April Matteini, G.G.
A. Matteini & Co. LLC
Fair Market Value Appraisal
Scope of Work /Terms and Conditions

This appraisal (the “Appraisal”) has been prepared by April L. Matteini, G.G. and A. Matteini & Co. LLC (the “Appraiser”) and is intended solely for the use of The Estate of Mr. Simon Bernstein (the “Client”), or Client’s duly authorized representative, and shall not be disseminated to, relied upon by, or used by any third party. By acceptance and/or use of the Appraisal and/or this appraisal report (the “Appraisal Report”) by Client or Client’s authorized representative(s), Client agrees to these Scope of Work/Terms and Conditions. The Appraisal Report may not be reproduced in any form without the written consent of Appraiser. Appraiser assumes no responsibility for any unauthorized use of the Appraisal. Possession of the Appraisal Report or any copy of it does not carry with it the right of publication.

To determine the value of the property subject to the Appraisal, Appraiser has used the Market Comparison approach. This approach considers the most accessible information on recent sales of like material. The market comparison approach determines the value which one would pay for an object of similar style, origin, artistic merit or maker. The values in this report are the Fair Market Values, as defined by the IRS, for the piece(s) on September 13, 2012, the date of Mr. Bernstein’s death. The appraised property is assumed to be marketable. The value is not valid for retail purposes. In no way does the Appraisal constitute an offer to buy. The Appraisal should not be construed as proof of ownership of the items appraised. The appraised value is based on Appraiser’s professional opinion and is not guaranteed. No opinion is expressed as to future or past value. Opinion of quality and grade may vary upon reexamination by another qualified appraiser/gemologist. Changing market conditions may require reappraisal and updated valuation in the future. It shall be Client’s obligation to request a reappraisal

Unless noted, Appraiser personally inspected each item of property included in the Appraisal Report. Any sizes or weights were measured, but must still be considered approximate. The weights of mounted gemstones are estimated using accepted gemological formulas. Actual unmounted weights may differ. The quality of the evaluation of a gemstone may differ when removed from the mounting. Some enhancing treatments of diamonds and/or colored gemstones are undetectable by standard gemological equipment. Detection of any enhancements is limited to the gemological equipment on hand. Client has the option, at Client’s expense, to submit any article described in the Appraisal to a fully equipped gemological laboratory for further evaluation. Mountings bearing a metal karat or content mark have not been tested to verify their content. Unless otherwise noted, watch cases have not been opened to prevent the voiding of any manufacturer’s warranties. The condition of any item, unless otherwise noted, should be considered fair to good.

The descriptions of property in the Appraisal Report are statements of opinion and are not an endorsement expressed or implied, as to the merchantability, correctness of description, genuineness, authenticity or provenance of the particular piece described. The photographs attached to the Appraisal Report are for reference only and not an accurate representation of the size, color, or condition of the gemstone or jewelry.

Fees for the Appraisal are calculated hourly and/or as a flat fee. Compensation to Appraiser for completing the Appraisal is not contingent upon reporting a predetermined value, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of the Appraisal.

Client shall indemnify, defend, and hold Appraiser harmless from and against any actions, claims, liabilities, expenses,

FAIR MARKET VALUE APPRAISAL REPORT

January 22, 2013

Theodore Bernstein
880 Berkeley Street
Boca Raton, Florida 33487

Dear Mr. Bernstein,

At your request, Robert Hittel and Diane Marvin conducted an appraisal inspection and of the personal property located at 7020 Lions Head Lane, Boca Raton, Florida, and Robert Hittel conducted an appraisal inspection at 2494 South Ocean Boulevard, Unit C-5, Boca Raton, Florida. The property was represented as belonging to the estate of Simon L. Bernstein. The intended use of this appraisal is for the purpose of estate settlement.

This appraisal is to be used only for the function of estate settlement. Any other use of this appraisal renders it null and void. This report is intended for use by you, my client, your agents and by the Internal Revenue Service. Use of this report by others is not intended. In accordance with the *Uniform Standards of Professional Appraisal Practice* (USPAP), this report makes use of the Self-contained Appraisal Report option.

In this appraisal assignment I developed an opinion of **Fair Market Value**.

Treasury Estate Tax Regulation § 20.2031-1(b) defines fair market value as: "The price at which the property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of relevant facts. The fair market value of a particular item of property includible in the decedent's gross estate is not to be determined by a forced sale price. Nor is the fair market value of an item of property to be determined by the sale price of an item in a market other than that in which the item is most commonly sold to the public, taking into account the location of the item whenever appropriate."

The total FAIR MARKET value of the appraised items listed is \$51,135.00

Relevant dates associated with this assignment include the following:

- Date of Inspection: January 8, 2013
- Effective Date of Appraisal: Value opinions are effective as the date of death, which you stated was September 13, 2012
- Date of Report: This report was prepared and signed on this date, January 22, 2013

SIMON L. BERNSTEIN FAIR MARKET VALUE APPRAISAL – EFFECTIVE DATE SEPTEMBER 13, 2012

Scope of Work

The scope of work employed in this assignment, including the report content and the detail of that content, was dependent upon the needs of the client, the intended use of the report, the definition of value that we used, the effective date of the report, and the subject property's value-relevant characteristics.

- We personally inspected the items that are subject of this report to determine their value-relevant characteristics.
- While on site, we documented the relevant information in writing and took detailed high-resolution digital images of the property.
- We completed the necessary value research for past comparable sales and items currently offered for sale by searching Internet websites including, auction houses, completed E-bay sales, and specialty dealers.
- Value research also included making use of relevant resource books and value guides along with personal observations made at secondary market retail establishments, and local auctions and estate sales.
- We analyzed the market data, making adjustments as necessary for differences in value characteristics between the comparable and subject property, and arrived at our final opinion of value.
- Markets analyzed appeared stable: values were neither falling nor rising.
- For items of nominal value, for which extensive research is neither necessary, cost-effective, nor required by the client, minimal value research was conducted.
- We did not list foodstuffs, home office supplies, consumables, clothing (other than furs and appreciable articles of clothing having collector appeal), or items of personal nature such as family photographs, health aids, personal hygiene products, etc.
- No one provided us with significant assistance (either appraisal or otherwise) in the development of my opinions, analysis, or conclusions.

Approach to Value

After due consideration of the cost approach and the income approach, the sales comparison approach to value was employed to determine the fair market value of the subject properties. In the sales comparison approach, the most relevant market is researched to locate comparable items which have sold in the past or which are currently being offered for sale. Adjustments in value are made to reflect differences (if any) in value-relevant characteristics between comparable properties and the subject properties.

The appraisers have relied on information supplied to them by the client, concerning undisputed title to the objects, acquisition history and purchased price, etc. The client in accepting this report acknowledges that the information supplied by him has been accurately transcribed and utilized by the appraisers. The client, in accepting this report, also acknowledges that no significant information has been withheld from the appraisers which may have caused the appraisers to arrive at a valuation conclusion different from the one(s) stated in the report, had such information been known at the time of the report's preparation.

SIMON L. BERNSTEIN FAIR MARKET VALUE APPRAISAL – EFFECTIVE DATE SEPTEMBER 13, 2012

Value conclusions were based on the appraisers' opinions of the items that were partially formed on critical assumptions based on information provided to the appraiser by the client. Critical assumptions are assumptions, which could be contrary to fact and which, if contrary to actual fact, could result in a different value conclusion.

Items were generally found to be in good condition and of good quality. Any alterations from original condition or damage are so noted in the appraisal report. Ordinary wear and tear common to these pieces is not noted. Quality, condition and desirability affect the appropriate market where items would be purchased by the public. This appraiser has considered several markets for the items of personal property.

All notes used in the preparation of this appraisal along with a copy of this appraisal are retained and are confidential. No one will have access without your permission. With the exception of you, my client, possession of this report or its copy does not carry with it the right of publication, nor may this report be used for any purpose by anyone other than you or authorized users without my previous written consent. If this report is reproduced, copied, or otherwise used it must be done so in the report's entirety including the cover document and all attachments. I am not responsible for any unauthorized changes to this report.

This report has been prepared, in conformity with the current version of the International Society of Appraisers Appraisal Report Writing Standard and Code of Ethics.

No change to any item in this report shall be made by anyone other than myself. Should, in conjunction with this appraisal, additional services of the appraiser be requested by the client, his agent, or his lawyer, or the courts (such as for added time researching for other value purposes, pretrial conferences, court appearances, court preparations, etc.), compensation for same time shall be at the customary hourly rate charged by the appraiser at that time.

The appraisers have based descriptions of the appraised objects on their professional experience in the field of antiques and residential contents, and on information supplied by third parties who are named in the report, when appropriate. Consequently, the appraisers believe that the descriptions of the appraised objects are accurate and correct. However, additional research by scholars in the field, at some point in the future, may cause the appraisers to alter their assessment of the objects described in the report. While every effort has been made by the appraisers to ascertain the accuracy of the descriptions of the appraised objects and their attributions, this report is not intended to serve as a certificate of authenticity or warranty.

Unless otherwise stated herein, the appraisal is based only on the readily apparent identity of the items appraised. In my opinion, no further guarantee of authenticity, genuineness, attribution, or authorship is required.

The appraisal values are based upon the whole interest undiminished by any liens, fractional interests, or any other forms of encumbrance. Mere possession of this appraisal is neither an indication of nor a certificate of title of ownership. Ownership and ownership interest at the time of donation were represented to me by you, my client, and no inquiry or investigation will be made nor is any opinion to be given as to the truth of such representation. There are no known prior sales of the subject property that have occurred within a reasonable time preceding the effective date of this appraisal.

There are no known current agreements of sale, validated offers, third-party offers to sell, options, or listings of the subject property as of the effective date of the appraisal. There are no known prior sales of the subject property that have occurred within a reasonable time preceding the effective date of this appraisal.

Amounts shown above under "Estimated Value" for private equity funds are estimates based on the latest fund values received from each underlying fund, which value may be as of a date (underlying fund value date) prior to the period covered by this statement. The values provided by the underlying fund have been adjusted for any cash flows between your account and such fund that have occurred subsequent to the underlying fund value date to derive the "Estimated Value". Therefore, such "Estimated Value" may not reflect the value of your interest shown on any fund's actual books and records as of the date of this statement. For additional information, please contact your J.P. Morgan representative.

For private equity funds, Estimated Values are based on estimates provided by the underlying funds that are generally presented on a US GAAP basis, which records investments at fair value, or "marked-to-market". Most of these underlying funds also present their audited financial statements on a US GAAP basis (i.e., "marked-to-market"). However, some of these underlying funds present their audited financial statements using the Income Tax Basis of Accounting, which records investments "at cost" based on the accrual basis of accounting for Federal income taxes. Where the underlying fund provides periodic estimates on a "marked-to-market" basis but reflects investments "at cost" in its audited financial statements, the marked-to-market Estimated Value shown herein for a private equity fund may be materially different from the value reflected on such fund's audited financial statements (which are also based on the audited financial statements of the underlying fund).

For your convenience we have combined statement(s) for activity you conduct through J.P. Morgan in one package. Below are important disclosures relating to these different accounts. These statements may relate to various account types. Some of the disclosures are applicable to all of your accounts. For ease of reference the disclosures applicable to a particular type of account have been grouped together by descriptive headers.

IMPORTANT GENERAL INFORMATION APPLICABLE TO ALL OF YOUR ACCOUNT(S)

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Important information regarding Auction Rate Securities (ARS). ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced".

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

In cases where we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced". Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced".

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

To the extent applicable, please note the following regarding estimated annual income (EAI) and estimated yield (EY): EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

As required by Regulation T, a permanent record of your separate account is available upon your request.

Free credit balances in your margin account(s) are not segregated and may be used in the operation of JPMCCs business, subject to the limitations of SEC Rule 15c3-3. Unless otherwise noted, JPMCC or its agents and depositories will hold your securities. PRODUCT RELATED DISCLOSURE: IMPORTANT INFORMATION ABOUT ALTERNATIVE INVESTMENTS: FOOTNOTES 1 - 4

Private Equity, Hedge Funds, Exchange Funds, Real Estate and Other Alternative Assets

1. Direct private equity investments and pooled private investments (e.g., interests in limited partnerships and limited liability companies) are generally illiquid securities. 25040730390010025314

For the Period 8/1/12 to 8/31/12

Direct private equity investments are generally valued at cost, unless there is an active secondary trading market in the securities, in which case, direct private equity investments are valued using market prices as of the close of the last business day for this statement period. Pooled private equity investments are valued according to the General Partner's or Manager's stated methodology. Please refer to the limited partnership agreement, limited liability company agreement or other operative documentation for each investment for the specific valuation methodology used by the General Partner or Manager for that investment or for your Investment Management or Trust account contact your J.P. Morgan team. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the information and the methodology used by the General Partner or Manager in deriving valuations, (2) any errors or omissions in compiling or disseminating the valuations, and (3) any use to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use.

Hedge funds generally calculate the price (the "Net Asset Value" or "NAV"), 10-15 business days following the last business day of the month. For that reason, hedge fund NAVs shown will generally be the NAV of the month preceding this statement period. In general, the NAV is stated net of management and incentive fees. The NAV is calculated according to the General Partner's or Manager's stated methodology. Please refer to the limited partnership agreement, limited liability company agreement or other operative documentation for each hedge fund for the specific methodology used by the General Partner or Manager for that hedge fund or for your Investment Management or Trust account contact your J.P. Morgan team. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the information and the methodology used by the General Partner or Manager in deriving valuations, (2) any errors or omissions in compiling or disseminating the valuations, and (3) any use to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use.

These statements do not provide tax reporting on private investments. Please continue to rely upon the General Partner or Manager of the investment vehicle for this information or for your Investment Management or Trust account contact your J.P. Morgan team.

2. The 'Capital Called Since Inception USD' and 'Cash/Security distributions Since Inception USD' columns are updated monthly to reflect activity (capital calls and distributions), if any.

3. Hedge funds generally allow subscriptions on a monthly or quarterly basis. An interest in a hedge fund or hedge fund of funds is generally as of the first business day of the subscription period. Due to early funding requirements by the applicable fund, your account may be debited for the subscription amount prior to the subscription date. Please refer to the applicable hedge fund's operative documentation for further details or for your Investment Management or Trust account contact your J.P. Morgan team.

Hedge fund redemptions are generally on a monthly, quarterly or annual basis but can sometimes be subject to a multi-year lockup before a redemption is permitted. For redemptions, there is generally a notification period that can be a long interval before the actual redemption date. Redemption proceeds are generally paid 15 calendar days after the final NAV is issued, but can be subject to a holdback of a portion of the proceeds until an annual audit of the Fund has been completed. Please refer to the applicable hedge fund's operative documentation for further details or for your Investment Management or Trust account contact your J.P. Morgan team.

Global Access Portfolios share certain characteristics with hedge funds. In particular, an investor who withdraws from a Global Access Portfolio will not receive the withdrawal proceeds in their entirety until 30-60 days after completion of the Portfolio's audit, which may be 18 months or longer after the redemption date. Interest might not be paid on any proceeds pending distribution. These restrictions apply even if the investor's account at JPMorgan is closed. The Confidential Private Placement Memorandum and applicable Supplements contain other important information about the Global Access Portfolios and are available upon request or for your Investment Management or Trust account contact your J.P. Morgan team.

4. Alternative assets may include publicly available mutual funds that utilize non-traditional investment management strategies, for example, strategies commonly employed by hedge funds. Mutual funds generally calculate the price (the "Net Asset Value" or "NAV") on a daily basis and mutual fund NAVs shown on your statement generally will be the NAV as of the close of the last business day for this statement period. Please refer to the applicable mutual fund prospectus for further details. If the applicable mutual fund is a JPMorgan Fund, please refer to disclosures on this statement concerning JPMorgan Funds for other important information.

TS004781

For the Period 8/1/12 to 8/31/12

For your convenience we have combined statement(s) for activity you conduct through J.P. Morgan in one package. Below are important disclosures relating to these different accounts. These statements may relate to various account types. Some of the disclosures are applicable to all of your accounts. For ease of reference the disclosures applicable to a particular type of account have been grouped together by descriptive headers.

IMPORTANT GENERAL INFORMATION APPLICABLE TO ALL OF YOUR ACCOUNT(S)

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Important information regarding Auction Rate Securities (ARS). ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced".

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

In cases where we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced". Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced".

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

To the extent applicable, please note the following regarding estimated annual income (EAI) and estimated yield (EY): EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

As a result, the Asset Account statement(s) reflect brokerage transactions executed through JPMS but (except for exchange listed options) held in custody at JPMCB. Securities purchased or sold through JPMS in U.S. markets (other than mutual funds) are cleared through an affiliate of JPMS, in non-U.S. markets securities are cleared through JPMS. Positions in exchange-listed options are held by JPMCC. For your convenience, however, positions in exchange-listed options are presented in Asset Account statement(s) together with other assets held in such account(s). All pertinent information about your settled and pending purchases and sales effected through your JPMS account during the period covered by these statement(s), is summarized in the "Trade Activity" portion of the statement(s).

In Case of Other Errors or Questions About Your Asset Account Statement(s)

We must receive your written communication no later than 30 days after the statement on which the error or problem appeared is sent or made available. If you do not so notify us, you agree that the statement activity and account balance(s) are correct.

JPMCC and JPMS are members of the Securities Investor Protection Corp ("SIPC"), a not-for-profit membership corporation funded by broker-dealers registered with the Securities and Exchange Commission. Securities and cash held for a customer at JPMCC are protected by SIPC up to \$500,000 per customer, which includes up to \$250,000 of protection for cash. SIPC does not protect against losses from fluctuations in the value of the securities. Assets held in custody by JPMCB are not subject to SIPC. You may obtain information about SIPC, including the SIPC Brochure, on their website, at "www.sipc.org" or by contacting them at (202) 371-8300.

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. If you have a margin account as permitted by law we may use certain securities in such account for, among other things, settling short sales and lending the securities for short sales, and as a result may receive compensation in connection therewith.

Please keep the following in mind when using a statement to track your brokerage activity in a margin account: The statement combines your general margin account with the special memorandum account required by Section 220.6 Regulation T. As required by Regulation T, a permanent record of your separate account is available upon your request.

Free credit balances in your margin account(s) are not segregated and may be used in the operation of JPMCCs business, subject to the limitations of SEC Rule 15c3-3. Unless otherwise noted, JPMCC or its agents and depositories will hold your securities. Upon your demand, JPMCC will pay to you the amount of your free credit balance, and will deliver to you fully-paid securities held on your behalf.

For your convenience we have combined statement(s) for activity you conduct through J.P. Morgan in one package. Below are important disclosures relating to these different accounts. These statements may relate to various account types. Some of the disclosures are applicable to all of your accounts. For ease of reference the disclosures applicable to a particular type of account have been grouped together by descriptive headers.

IMPORTANT GENERAL INFORMATION APPLICABLE TO ALL OF YOUR ACCOUNT(S)

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Important information regarding Auction Rate Securities (ARS). ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced".

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

In cases where we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced". Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced".

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

To the extent applicable, please note the following regarding estimated annual income (EAI) and estimated yield (EY): EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

PRODUCT RELATED DISCLOSURE: IMPORTANT INFORMATION ABOUT ALTERNATIVE INVESTMENTS: FOOTNOTES 1 - 4

Private Equity, Hedge Funds, Exchange Funds, Real Estate and Other Alternative Assets

1. Direct private equity investments and pooled private investments (e.g., interests in limited partnerships and limited liability companies) are generally illiquid securities. Values are estimates only and are not warranted for accuracy or completeness. Values do not represent the actual terms at which transactions or securities could be bought or sold or new transactions could be entered into or the actual terms on which existing transactions could be liquidated as of the date of this statement.

For the Period 8/1/12 to 8/31/12

Direct private equity investments are generally valued at cost, unless there is an active secondary trading market in the securities, in which case, direct private equity investments are valued using market prices as of the close of the last business day for this statement period. Pooled private equity investments are valued according to the General Partner's or Manager's stated methodology. Please refer to the limited partnership agreement, limited liability company agreement or other operative documentation for each investment for the specific valuation methodology used by the General Partner or Manager for that investment or for your Investment Management or Trust account contact your J.P. Morgan team. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the information and the methodology used by the General Partner or Manager in deriving valuations, (2) any errors or omissions in compiling or disseminating the valuations, and (3) any use to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use.

Hedge funds generally calculate the price (the "Net Asset Value" or "NAV"), 10-15 business days following the last business day of the month. For that reason, hedge fund NAVs shown will generally be the NAV of the month preceding this statement period. In general, the NAV is stated net of management and incentive fees. The NAV is calculated according to the General Partner's or Manager's stated methodology. Please refer to the limited partnership agreement, limited liability company agreement or other operative documentation for each hedge fund for the specific methodology used by the General Partner or Manager for that hedge fund or for your Investment Management or Trust account contact your J.P. Morgan team. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the information and the methodology used by the General Partner or Manager in deriving valuations, (2) any errors or omissions in compiling or disseminating the valuations, and (3) any use to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use.

These statements do not provide tax reporting on private investments. Please continue to rely upon the General Partner or Manager of the investment vehicle for this information or for your Investment Management or Trust account contact your J.P. Morgan team.

2. The 'Capital Called Since Inception USD' and 'Cash/Security distributions Since Inception USD' columns are updated monthly to reflect activity (capital calls and distributions), if any.

3. Hedge funds generally allow subscriptions on a monthly or quarterly basis. An interest in a hedge fund or hedge fund of funds is generally as of the first business day of the subscription period. Due to early funding requirements by the applicable fund, your account may be debited for the subscription amount prior to the subscription date. Please refer to the applicable hedge fund's operative documentation for further details or for your Investment Management or Trust account contact your J.P. Morgan team.

Hedge fund redemptions are generally on a monthly, quarterly or annual basis but can sometimes be subject to a multi-year lockup before a redemption is permitted. For redemptions, there is generally a notification period that can be a long interval before the actual redemption date. Redemption proceeds are generally paid 15 calendar days after the final NAV is issued, but can be subject to a holdback of a portion of the proceeds until an annual audit of the Fund has been completed. Please refer to the applicable hedge fund's operative documentation for further details or for your Investment Management or Trust account contact your J.P. Morgan team.

Global Access Portfolios share certain characteristics with hedge funds. In particular, an investor who withdraws from a Global Access Portfolio will not receive the withdrawal proceeds in their entirety until 30-60 days after completion of the Portfolio's audit, which may be 18 months or longer after the redemption date. Interest might not be paid on any proceeds pending distribution. These restrictions apply even if the investor's account at JPMorgan is closed. The Confidential Private Placement Memorandum and applicable Supplements contain other important information about the Global Access Portfolios and are available upon request or for your Investment Management or Trust account contact your J.P. Morgan team.

4. Alternative assets may include publicly available mutual funds that utilize non-traditional investment management strategies, for example, strategies commonly employed by hedge funds. Mutual funds generally calculate the price (the "Net Asset Value" or "NAV") on a daily basis and mutual fund NAVs shown on your statement generally will be the NAV as of the close of the last business day for this statement period. Please refer to the applicable mutual fund prospectus for further details. If the applicable mutual fund is a JPMorgan Fund, please refer to disclosures on this statement concerning JPMorgan Funds for other important information.

For the Period 8/1/12 to 8/31/12

For your convenience we have combined statement(s) for activity you conduct through J.P. Morgan in one package. Below are important disclosures relating to these different accounts. These statements may relate to various account types. Some of the disclosures are applicable to all of your accounts. For ease of reference the disclosures applicable to a particular type of account have been grouped together by descriptive headers.

IMPORTANT GENERAL INFORMATION APPLICABLE TO ALL OF YOUR ACCOUNT(S)

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Important information regarding Auction Rate Securities (ARS). ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced".

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

In cases where we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced". Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced".

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

To the extent applicable, please note the following regarding estimated annual income (EAI) and estimated yield (EY): EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

Fund manager disclosure information available upon request

If you have an investment account that is managed by an SEC-Registered Investment Advisor, J.P. Morgan will provide a copy of the advisor's Form ADV II or brochure upon written request.

These statements are not official documents for income tax reporting purposes and should not be relied upon for such purposes, including determination of income, cost basis, amortization or accretion, or gain/loss. Such information, which may be inaccurate, incomplete or subject to updating, should be confirmed with your records and your tax advisor.

Please take the steps indicated below if you think statement(s) are incorrect or contact your J.P.Morgan team if you require additional information about a transaction on your statement(s).

IMPORTANT ADDITIONAL INFORMATION APPLICABLE ONLY TO YOUR ASSET ACCOUNT(S) (LINKED TO JPMS)

Your Asset Account consists of a bank account that custodies assets linked to a brokerage account through which securities transactions are executed. As a result, the Asset Account statement(s) reflect brokerage transactions executed through JPMS but (except for exchange listed options) held in custody at JPMCB. Securities purchased or sold through JPMS in U.S. markets (other than mutual funds) are cleared through an affiliate of JPMS, in non-U.S. markets securities are cleared through JPMS. Positions in exchange-listed options are held by JPMCC. For your convenience, however, positions in exchange-listed options are presented in Asset Account statement(s) together with other assets held in such account(s). All pertinent information about your settled and pending purchases and sales effected through your JPMS account during the period covered by these statement(s), is summarized in the "Trade Activity" portion of the statement(s).

In Case of Other Errors or Questions About Your Asset Account Statement(s)

Please review your statement(s) and promptly report any inaccuracy or discrepancy including possible unauthorized trading activity, unrecorded dividend payments, unaccounted cash positions, improper payments or transfers in writing to both the introducing broker, JPMS and the clearing firm, JPMCC at the addresses shown on your statement(s). Any oral communication should be re-confirmed in writing to further protect your rights, including your rights under the Securities Investor Protection Act (SIPA). If you have any questions please contact your J.P.Morgan team.

In your written communication, please provide the following information: (1) your name and account number; (2) the dollar amount of the suspected error; and (3) a description of the error and explanation, if you can, why you believe there is an error. If you need more information, you must describe the item you are unsure about. We must receive your written communication no later than 30 days after the statement on which the error or problem appeared is sent or made available. If you do not so notify us, you agree that the statement activity and account balance(s) are correct.

JPMCC and JPMS are members of the Securities Investor Protection Corp ("SIPC"), a not-for-profit membership corporation funded by broker-dealers registered with the Securities and Exchange Commission. Securities and cash held for a customer at JPMCC are protected by SIPC up to \$500,000 per customer, which includes up to \$250,000 of protection for cash. SIPC does not protect against losses from fluctuations in the value of the securities. Assets held in custody by JPMCB are not subject to SIPC. You may obtain information about SIPC, including the SIPC Brochure, on their website, at "www.sipc.org" or by contacting them at (202) 371-8300.

In Case of Errors or Questions About Your Electronic Transfers.

For the Period 8/1/12 to 8/31/12

Contact your J.P. Morgan Team at one of the telephone numbers on the front of your statements or write us at J.P. Morgan, 500 Stanton Christiana Road, 1/OPS3, Newark, DE 19713-2107 as soon as you can, if you think your statement is wrong or if you need more information about a transfer on the statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. (1) Tell us your name and account number. (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. (3) Tell us the dollar amount of the suspected error. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or 20 business days for new accounts) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

In Case of Errors or Questions About Non-Electronic Transfers (Checks or Deposits)

Contact JPMorgan Chase Bank, N.A. ("JPMCB") Member FDIC immediately if a statement is incorrect or if you need more information about any non-electronic transactions (checks or deposits) on this statement. If any such error appears, you must notify the bank in writing as soon as possible after your statement was made available to you. For more complete details, see the applicable account agreements and appendices that govern your account.

Deposit products and services are offered by JPMCB Member FDIC.

You must promptly advise your J.P.Morgan representative of material changes in your investment objectives or financial situation or if you wish to modify the management of your account. Unless you inform otherwise, your J.P.Morgan representative will consider the information currently in its files to be complete and accurate.

With reference to JPMS and JPMCC: A financial statement of this organization is available to you for personal inspection at its offices, or a copy will be mailed to you upon written request.

You should have received (or have made available to you) separate confirmations for each securities transaction. Further information with respect to commissions and other charges related to the execution of transactions, including options transactions, has been included in confirmations that were previously furnished or have made available to you. What you need to do immediately

Pay immediately

- Send us the amount due of \$1,758.03, or we will seize ("levy") your property or rights to property on or after December 26, 2013.
 - If you can't pay the amount due, pay as much as you can now and make payment arrangements that allow you to pay off the rest over time. Visit www.irs.gov and search for keyword: "tax payment options" for more information about:
 - Installment and payment agreements—download required forms or save time and money by applying online if you qualify
 - Automatic deductions from your bank account
 - Payroll deductions
 - Credit card payments
- Or, call us at 1-800-829-0115 to discuss your options.

If you think there's been a mistake

If you've already paid your balance in full or think we haven't credited a payment to your account, please call 1-800-829-0115, and have your payment information available to review with us. You can also contact us by mail. Fill out the Contact information section, detach, and send it to us with any correspondence or documentation including proof of payment.

- If you still have an outstanding balance after we make these seizures, we may send you a notice giving you a right to a hearing before the IRS Office of Appeals, if you have not already received such a notice. We may then seize ("levy") or take possession of your other property or your rights to property. Property includes:
 - Wages, real estate commissions, and other income

 - Personal assets (including your car and home)
 - Social Security benefits
- If you don't pay the amount due or call us to make payment arrangements, we can file a Notice of Federal Tax Lien on your property at any time, if we haven't already done so.
- If the lien is in place, you may find it difficult to sell or borrow against your property. The tax lien would also appear on your credit report—which may harm your credit rating—and your creditors would also be publicly notified that the IRS has priority to seize your property.
- If you don't pay your tax debt, we have the right to seize ("levy") your property.

Interest charges

We are required by law to charge interest on unpaid tax from the date the tax return was due to the date the tax is paid in full. The interest is charged as long as there is an unpaid amount due, including penalties, if applicable. (Internal Revenue Code section 6601)

The Ending Daily Balance does not reflect any pending withdrawals or holds on deposited funds that may have been outstanding on your account when your transactions posted. If you had insufficient available funds when a transaction posted, fees may have been assessed.

IMPORTANT ACCOUNT INFORMATION

Effective November 7, 2012, debit or ATM card cash withdrawals made in person at non-Wells Fargo locations or in person using the cash advance feature at Wells Fargo banking locations will be subject to your daily ATM withdrawal limit.

In addition, in the Terms & Conditions for Wells Fargo Consumer Debit Cards, the section titled "Authorization Holds for Card transactions" and Consumer Account Agreement section titled "Authorization holds for card transactions" are changing to clarify that the Bank is permitted to place authorization holds for up to 30 days on certain debit card transactions.

Remember, an "authorization hold" is a "pending" transaction that will reduce the current available balance that you can withdraw or use to pay transactions from your account. If you do not have sufficient available funds in your account, transactions may be paid with an overdraft protection advance, paid into overdraft or returned unpaid as applicable.

The Bank is permitted to place an authorization hold on your account for purchases for up to three (3) business days on most transactions (or for up to thirty (30) business days for certain types of debit or ATM card transactions, including but not limited to, car rental transactions, cash transactions, and international transactions), from the time of the authorization or until the transaction is paid from your primary-linked checking account. Please note that if the transaction is not submitted for payment by the merchant within the three (3) business days (or thirty (30) business days, as applicable), the Bank will release the authorization hold, which will increase the available balance in your primary-linked checking account until the transaction is submitted for payment by the merchant and finally posted to your primary-linked checking account.

The merchant may submit the transaction for payment after the Bank has released the authorization hold. If this happens, the Bank must honor the prior authorization and will pay the transaction from your primary-linked checking account.

J.P.Morgan

For the Period 11/1/12 to 11/30/12

For your convenience we have combined statement(s) for activity you conduct through J.P. Morgan in one package. Below are important disclosures relating to these different accounts. These statements may relate to various account types. Some of the disclosures are applicable to all of your accounts. For ease of reference the disclosures applicable to a particular type of account have been grouped together by descriptive headers.

IMPORTANT GENERAL INFORMATION APPLICABLE TO ALL OF YOUR ACCOUNT(S)

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

Important information regarding Auction Rate Securities (ARS). ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced".

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

In cases where we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced". Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced".

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

To the extent applicable, please note the following regarding estimated annual income (EAI) and estimated yield (EY): EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

As a result, the Asset Account statement(s) reflect brokerage transactions executed through JPMS but (except for exchange listed options) held in custody at JPMCB. Securities purchased or sold through JPMS in U.S. markets (other than mutual funds) are cleared through an affiliate of JPMS, in non-U.S. markets securities are cleared through JPMS. Positions in exchange-listed options are held by JPMCC. For your convenience, however, positions in exchange-listed options are presented in Asset Account statement(s) together with other assets held in such account(s). All pertinent information about your settled and pending purchases and sales effected through your JPMS account during the period covered by these statement(s), is summarized in the "Trade Activity" portion of the statement(s).

In Case of Other Errors or Questions About Your Asset Account Statement(s)

Please review your statement(s) and promptly report any inaccuracy or discrepancy including possible unauthorized trading activity, unrecorded dividend payments, unaccounted cash positions, improper payments or transfers in writing to both the introducing broker, JPMS and the clearing firm, JPMCC at the addresses shown on your statement(s). Any oral communication should be re-confirmed in writing to further protect your rights, including your rights under the Securities Investor Protection Act (SIPA). If you have any questions please contact your J.P.Morgan team.

In your written communication, please provide the following information: (1) your name and account number; (2) the dollar amount of the suspected error; and (3) a description of the error and explanation, if you can, why you believe there is an error. If you need more information, you must describe the item you are unsure about. We must receive your written communication no later than 30 days after the statement on which the error or problem appeared is sent or made available. If you do not so notify us, you agree that the statement activity and account balance(s) are correct.

JPMCC and JPMS are members of the Securities Investor Protection Corp ("SIPC"), a not-for-profit membership corporation funded by broker-dealers registered with the Securities and Exchange Commission. Securities and cash held for a customer at JPMCC are protected by SIPC up to \$500,000 per customer, which includes up to \$250,000 of protection for cash. SIPC does not protect against losses from fluctuations in the value of the securities. Assets held in custody by JPMCB are not subject to SIPC. You may obtain information about SIPC, including the SIPC Brochure, on their website, at "www.sipc.org" or by contacting them at (202) 371-8300.

In Case of Errors or Questions About Your Electronic Transfers.

For the Period 11/1/12 to 11/30/12

Contact your J.P. Morgan Team at one of the telephone numbers on the front of your statements or write us at J.P. Morgan, 500 Stanton Christiana Road, 1/OPS3, Newark, DE 19713-2107 as soon as you can, if you think your statement is wrong or if you need more information about a transfer on the statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. (1) Tell us your name and account number. (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. (3) Tell us the dollar amount of the suspected error. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or 20 business days for new accounts) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

In Case of Errors or Questions About Non-Electronic Transfers (Checks or Deposits)

Contact JPMorgan Chase Bank, N.A. ("JPMCB") Member FDIC immediately if a statement is incorrect or if you need more information about any non-electronic transactions (checks or deposits) on this statement. If any such error appears, you must notify the bank in writing as soon as possible after your statement was made available to you. For more complete details, see the applicable account agreements and appendices that govern your account.

Deposit products and services are offered by JPMCB Member FDIC.

You must promptly advise your J.P.Morgan representative of material changes in your investment objectives or financial situation or if you wish to modify the management of your account. Unless you inform otherwise, your J.P.Morgan representative will consider the information currently in its files to be complete and accurate.

With reference to JPMS and JPMCC: A financial statement of this organization is available to you for personal inspection at its offices, or a copy will be mailed to you upon written request.

You should have received (or have made available to you) separate confirmations for each securities transaction. If you have a margin account as permitted by law we may use certain securities in such account for, among other things, settling short sales and lending the securities for short sales, and as a result may receive compensation in connection therewith.

Please keep the following in mind when using a statement to track your brokerage activity in a margin account: The statement combines your general margin account with the special memorandum account required by Section 220.6 Regulation T. As required by Regulation T, a permanent record of your separate account is available upon your request.

Free credit balances in your margin account(s) are not segregated and may be used in the operation of JPMCC's business, subject to the limitations of SEC Rule 15c3-3. Unless otherwise noted, JPMCC or its agents and depositories will hold your securities. Upon your demand, JPMCC will pay to you the amount of your free credit balance, and will deliver to you fully-paid securities held on your behalf.

Hi Kimberly,

Here are the additional forms that only require Robert's signature. And last but not least, the account maintenance area is requesting a simple letter signed by both Robert and Donald stating that Robert can act singly regarding these entities since they are co-PRs, otherwise we need to add Donald to all the forms.

Unfortunately since we did the original document package with Mr. Bernstein, FINRA has added new rules that require additional information we were not required to ask previously. In essence, we are resigning all the documents that are used to open an account for an LLC/LLLP. We filled in everything we could from the previous documents to make this as painless as possible. Let me know if you have any questions.

Best,

The Chief Financial Officer for the State of Florida has adopted a rule to facilitate the fair and timely handling of residential property insurance claims. The rule gives you the right to attend a mediation conference with your insurer in order to settle a covered claim with a disputed value of \$500 or greater. An independent mediator, who has no connection with your insurer, will be in charge of the mediation conference. You can start the mediation process after receipt of this notice by calling the Department of Financial Services at (877) 693-5236. The parties will have 21 days from the date of the notice to otherwise resolve the dispute before a mediation hearing can be scheduled.

An insured may request mediation by contacting the Department at (877) 693-5236; by faxing a request to the Department at (850) 488-6372; or by writing to the Department of Financial Services, Mediation Section, Bureau of Education, Advocacy, and Research, 200 East Gaines Street, Tallahassee, Florida 32399-4212. If an insured requests mediation prior to receipt of the notice of the right to mediation, the insurer shall be notified by the Department of the existence of the dispute twenty-one (21) days prior to the Administrator processing the insured's request for mediation. If an insurer receives a request for mediation, the insurer shall notify the Mediation Section within forty-eight (48) hours of receipt of the request by fax or email. The Administrator shall notify the insurer within Seventy-Two (72) hours of receipt of requests filed with the Department. The insured shall provide the following information, if known:

- a. Name, address, e-mail address, and daytime telephone number of the insured and location of the property if different from the address given;
- b. The claim and policy number for the insured;
- c. A brief description of the nature of the dispute;
- d. The full name of the insurer and the name, address, e-mail address, and phone number of the contact person for scheduling mediation; and
- e. Information with respect to any other policies of insurance that may provide coverage of the insured property for named perils such as flood or windstorm.

The parties have Twenty-One (21) days from the date of the notice within which to settle the claim before the Department will assign a mediator. The Administrator will select the mediator. At any time, the parties have the right to disqualify a mediator for good cause. Good cause consists of conflict of interest between a party and the mediator, that the mediator is unable to handle the conference competently, or other reasons which would reasonably be expected to impair the conference. The insured is to notify the mediator Fourteen (14) days before the mediation conference if the insured will bring representation to the conference, unless the insurer waives the right to the notice of representation. Upon receipt of such notice from the insured, the mediator shall provide notice to the insurer that the insured will be represented at the mediation conference.

Nothing herein constitutes nor should it be construed by you as a waiver of any of the rights of the Chartis Property Casualty Co under its policy of insurance, nor is it the purpose of this letter to waive any of the policy terms and/or conditions or defenses which further investigation or discovery, if suit is instituted, may reveal.

You can request additional information from Chartis Property Casualty Co at the address listed in your policy or call them at 888-724-8882.

Dear valued customer,

In recent months we have been encountering a new pest, the "Rugose Spiraling Whitefly". This is not to be confused with the "Ficus Whitefly" which has been systematically destroying Ficus hedges in our area over the last few years. While the species has been around for a few years in Florida, it has only recently become an issue for us and some of our customer's swimming pools. Please call your exterminator or look up "Rugose Spiraling Whitefly" on the internet to get the latest facts on this pest. They look like a very small white moth and can be seen floating on top of your pool and attached to the tile and coping.

If you have the whitefly infested trees near your swimming pool, you may experience a sticky substance on your deck or patio and your pool water turning green and murky. This may be a result of honeydew. A clear, sticky substance secreted from the whiteflies. It gets into your pool and destroys chlorine and clogs the pool filter. While we are still learning how to best combat this, we have had good luck temporarily super-chlorinating (shocking) pools and then add an enzyme that will dissolve and get rid of the "honeydew". We will have to charge a fee for this added service and chemical, which can run from \$50.00 and higher, depending on the level of infestation. Please note that this is not an automatic charge for everyone. If you have (or begin to have) this problem we will be in contact with you to discuss what must be done. If you do notice that you start to have these flies in your pool please call us and your exterminator.

Thank-you.

Line of Credit Information

Each principal balance shown on your statement represents the unpaid amount of the loan advances under your line of credit for that day and each day thereafter until a change in the principal balance is shown. All the Finance Charge that is Interest on Home Equity Line of Credit and the Interest on Personal and Portfolio Line of Credits will be determined as follows:

- Determine the principal balance for each day during this statement period; then
- Multiply the principal balance for each day during this statement period by the daily periodic rate in effect for such day; and
- Add these results

If your account is a Line of Credit with a Fixed Promotional Rate, the above is the method used to calculate your Finance Charge during and after the expiration of the introductory period. Please see your Fixed Promotional Rate offer for further details.

If your Home Equity Line of Credit account is subject to balance based pricing, the daily periodic rate and corresponding annual percentage rate (APR) will be determined each day based on the outstanding balance of your account. The daily periodic rate and corresponding APR applicable to each balance range are shown in the Summary of Finance Charge section on your statement.

If your Home Equity Line of Credit account is subject to a Promotional Discount, your total finance charge for the billing cycle is calculated by subtracting from the above described standard finance charge calculation a Promotional Interest Credit applicable to all Promotional Period Net Advances on your account during the billing cycle. Your "Net Advances" are that portion of each daily balance during the Promotional Period that exceed the principal balance of your account immediately before your Promotional Period began ("Principal Balance before Promotional Advance Period Began"), after adding new advances and subtracting all payments or credits. This Promotional Interest Credit is calculated by adding your Net Advances for each day during the Promotional Period in the billing cycle. If the daily balance is less than the Principal Balance before the Promotional Advance Period Began, the difference between these balances for that day will be subtracted from this calculation. This number is then divided by the number of Promotional Period days in the billing cycle, resulting in your Average Daily Promotional Balance. Your Average Daily Promotional Balance is then multiplied by the number of Promotional Period days in the billing cycle and by the Promotional Interest Credit Average Daily Periodic Rate, resulting in the Promotional Interest Credit. The Promotional Interest Credit is then subtracted from the total finance charge at your standard rate(s) to obtain the total finance charge for the billing cycle.

If your account is a Home Equity Line of Credit it is subject to a promotional discount and is subject to balanced based pricing, your total finance charge will be determined by using the above calculation and applying this calculation to all promotional net advances in the lines shown on this statement.

Payments received after normal business hours will be credited the following business day. Normal business hours are posted in each office or branch and will be furnished upon request, or may be obtained by calling the Customer Service phone number listed on your statement.

We must receive payment of at least the amount of the Total Payment Due as shown on your billing statement by the Payment Due Date or within the applicable grace period or a late fee will be assessed. Non-electronic payments must be accompanied by the remittance portion of your billing statement, be made by check, and be drawn on a US bank and payable in US dollars.

Payments accepted by Wells Fargo prior to a 5:00 p.m. cut off or branch closing hours via: bank branch, online (using Transfer Tab), ACH, ATM, (on your Home Equity Lines of Credit Only), phone or at the remittance address indicated on your billing statement (using the enclosed envelope and payment coupon), will be credited as of the date received. Payments received after the cut off time may be credited as of the next day.

Payments made in any other way may take up to 5 business days to be credited.

Diana,

In preparing the year end accounting and tax return for Bernstein Family Investments LLLP, we have found a \$30,000 loan to Bernstein Family Realty, LLC. To our knowledge has been dormant since its inception in 2008, however this transaction makes it active.

Therefore, we will need the following information for Bernstein Family Realty, LLC:

- Copies of all 2011 bank statements:
- Copy of either the cancelled checks or check register for 2011:
- Source of any deposits made:
- Copy of the operating agreement
- Schedule of ownership %

If this entity is owned 100% by Simon then there is no need to prepare a separate partnership tax return; instead the activity will be reported on Simon's personal return.

If you have any questions please give me a call.

Thanks

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

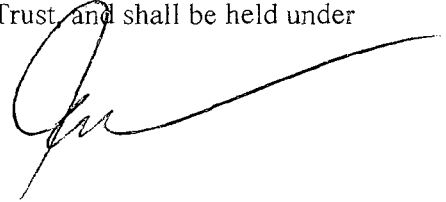

Under Subparagraph E.1. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "*Shirley Trust*"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "*Existing Trust*"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." the provisions of said Agreement in effect at my death, or if this is not permitted by applicable law or the Existing Trust is not then in existence, under the provisions of said Agreement as existing today. If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

ARTICLE IV. PERSONAL REPRESENTATIVES

1. **Appointment and Bond.** I appoint ROBERT L. SPALLINA and DONALD R. TESCHER to serve together as my co-Personal Representatives, or either of them alone as Personal Representative if either of them is unable to serve (the "*fiduciary*"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.

2. **Powers of Personal Representatives.** My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:

a. **Investments.** To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.

b. **Distributions or Divisions.** To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.

c. **Management.** To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

d. **Borrowing.** To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the

estate; and to mortgage, margin, encumber and pledge real and personal property of the estate as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the estate and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from my fiduciary may be with or without interest, and may be secured with a lien on the estate assets or any beneficiary's interest in said assets.

e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.

h. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.

i. Business Entities. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the fiduciary with the following powers and authority in regard to Business Entities:

i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;

ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the

operation and may delegate all or any part of its power to supervise and operate to such person or persons as the fiduciary may select, including any associate, partner, officer or employee of the Business Entity;

iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;

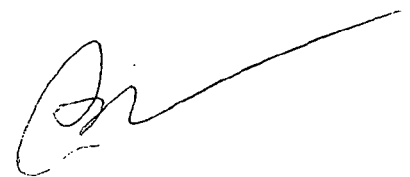

vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;

viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorised and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.

j. Life Insurance. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

k. Reimbursement. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.

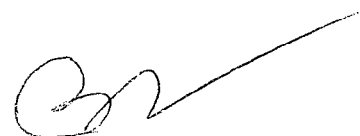

l. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

m. Ancillary Administration. To appoint or nominate, and replace with or without cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

n. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.

3. Survivorship. A beneficiary is not deemed to survive me unless he or she survives me by five days.

4. Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Article I of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs. If the amount of the above-described taxes, and interest and penalties arising by reason of my death (without regard to where payable from under the terms of this paragraph or applicable law) is increased because of the power of appointment granted to me under Subparagraph II.E.1. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, I hereby appoint to my probate estate from the property subject to such power (to the extent allowable under such power) the amount of such increase (calculating such increase at the highest applicable marginal rates) and exercise such power to this extent only, and notwithstanding the other provisions of this paragraph further direct my fiduciary to make payment of such increase in taxes,

interest and penalties to the appropriate taxing authorities from the appointed property or the proceeds thereof. Any trustee holding such appointive property may pay to my fiduciary the amount which my fiduciary certifies as due under this paragraph and is not responsible for the correctness or application of amounts so paid.

5. **Reimbursement for Debts and Expenses.** My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.

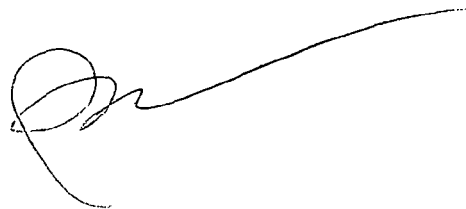

6. **Expenses of Handling Tangible Personal Property.** All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.

7. **Dealing with Estate.** Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

8. **Spouse.** The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.

9. **Other Beneficiary Designations.** Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

ROBERT SPALLINA

Contract Number: UD000166N
Insured: SIMON L BERNSTEIN

Dear ROBERT SPALLINA :

We were notified of the death of SIMON L BERNSTEIN and wish to extend our sincerest condolences to the family. We will process the claim as quickly and efficiently as possible with the hope that the policy proceeds will provide some peace of mind during this difficult time.

To complete the claims process, we will need the following:

- An original Long Form CERTIFIED death certificate for SIMON L BERNSTEIN.
- Enclosed Proof of Death Claimant's Statement to be completed by the beneficiary. Important information is enclosed with this form, so please review carefully.
- The original contract, if available. If you are unable to locate the contract, please note that on the claim form in the space provided.
- The obituary, if available.

We have found that many beneficiaries prefer not to make immediate decisions at such a traumatic time. To help you with this, if the benefit amount payable is \$10,000.00 or more, you may choose to receive payment through an interest earning account with check writing privileges. Please review the enclosed important information describing the account.

We realize that life insurance is only one of the tasks faced by a bereaved family. To help guide you through the settling of an estate, claiming insurance benefits and other details, enclosed is a brochure entitled "When a Loved One Dies". We hope it may prove to be useful.

We understand and are sympathetic to the questions you may have, so please do not hesitate to contact us at the 800# listed below to help you through this process.

Sincerely,

Important Information Regarding Claim Payment

Instant Access Account

Making financial decisions at an emotional time can be difficult. One method of payment that may be available to help you is through the Instant Access Account ("Account") settlement option. The Instant Access Account is designed to provide you with immediate access to the funds, while allowing you all the time you need to consider how you wish to use your insurance benefit.

If total payments are \$10,000 or more you may choose to receive payment through the Instant Access Account option. The Account is an interest earning account in your name if you are an individual, or the name of the Trust or Estate designated to administer the proceeds. The proceeds are payable to you as the beneficiary of a life insurance policy. This is a draft account whereby you may draw down insurance proceeds and interest by drafting checks which are payable through State Street Bank and Trust Company. This is a convenient, easy option that gives you great flexibility. By writing a check using the provided checkbook, you may access funds immediately, or, in the future after you have had the opportunity to consider all of your financial options.

Trusts with one or two trustees and Estates may also be able to take advantage of the Instant Access Account settlement option if total payments are \$10,000 or more.

Some of the Instant Access Account features include:

Immediate Access: The Instant Access Account gives you immediate access to your money starting on the day you receive your checkbook. You may withdraw all or part of your money at any time. You cannot make deposits into the Account.

Time to Decide: The Instant Access Account allows you to defer making long term investment decisions and provides time to consider your options. Other available settlement options are preserved until the entire balance is withdrawn or the balance drops below the minimum payment requirements.

Convenient: To access funds, simply write a check for at least \$250 to yourself or to any third party. There are no monthly service charges, per-check charges or check fees. Fees will be charged for special services.

Interest Rates: The Instant Access Account earns a periodic interest rate determined by the company which is set after monitoring current short term rates and other prevailing rates available in the marketplace. The interest rate is subject to periodic review and may be adjusted by the company. There is not a minimum interest rate credited to the account. Interest is compounded daily and credited to your account monthly. Interest may be taxable; please consult with your tax advisor regarding taxable interest amounts. To obtain the current interest rate the program is offering please call 1-800-487-5433 and select the claims option.

Toll Free Service: Questions regarding your account will be answered via a toll free telephone number provided to you with your Instant Access Account checkbook.

Record Keeping: Proceeds paid through the Instant Access Account allow for easy record management through the receipt of monthly statements. The monthly statements will provide your current balance, account activity, interest earned and interest rate paid. Account holders with no activity will receive a quarterly statement. No account activity for an extended period of time, as specified by your individual state law, could result in funds being transferred to the appropriate state under their unclaimed property laws.

If you choose the Instant Access Account a Welcome Kit will be sent to you that includes:

- A book of personalized checks that give the beneficiary the ability to write a check as soon as they are received.
- A Certificate of Account Confirmation and Terms and Conditions.
- A pamphlet detailing your account options and features.

Please note that benefits will not be payable by way of the Instant Access Account if any of the following circumstances exist:

- The benefits payable are less than \$10,000. If the amount payable is less than \$10,000 a lump sum check will be issued to you.
- The beneficiary is a minor, corporation or partnership.
- The beneficiary resides in Alaska, Arkansas, Connecticut, Indiana, Kansas, Kentucky, Louisiana, Maryland, New Jersey, New York or outside of the U.S.
- The type of policy or contract does not offer the payment option of an Instant Access Account.

Additional Options

You may request a lump sum settlement check or your insurance policy or contract also may provide other settlement options for payment. Please refer to the insurance contract regarding these settlement options.

Open Solutions BIS Inc. is the administrator of the Instant Access Account. Check clearing is provided by State Street Bank and Trust Company, Boston, MA. **Your account is not insured by the Federal Deposit Insurance Corporation (FDIC).** The funds are guaranteed by the State Guaranty Associations. Robert,

We believe we have a solution to the life insurance policy which provides the desired result. We would like to discuss this with you at your earliest convenience. Until we have this conversation, please do not process anything further with the insurance company as we would like to avoid any unnecessary confusion for them. Pam, her husband Scooter, and I would like to have this initial conversation with you.

Let me know what is good for you and I can coordinate with Pam and Scooter.

Take care...

Pam - My office is processing the claim as your father was the owner of the policy and the proceeds will likely be paid to the estate in the absence of finding the trust. As I mentioned previously there was a discussion with the carrier about possibly using the 2000 trust (the one you are carved out of but would be split 5 ways according to Ted) but I'm not sure that we will achieve that result. 11:00 on Tuesday your time is my lunch hour. I am out of the office all day and will reach out to you on Monday as my calendar is fairly packed next week and a status call will have to be later in the day sometime next week. Have a nice weekend.

Important Information About Your Statement

1. This statement reflects activity on loans with a common billing date. Loans with a different billing date will appear on a separate statement.
2. In accruing interest, the number of days for any period includes the "From" date, but not the "To" date.
3. Interest is calculated according to the following formula:

$$\left(\frac{\text{Principal} \times \text{Rate}}{\text{Basis}} \right) \times \text{No. of Days}$$

4. Please be advised that the Bank calculates interest accrued to eight decimal places, and does not round to cents until the end of a billing period. For your convenience, however, the statement shows interest due for each individual transaction rounded to cents. For this reason, the sum of the individual interest amounts may not equal the actual total for interest due.

This statement reflects the Bank's current bill to you. To the extent any additional or different amounts are due or different terms apply under your loan documents, the Bank reserves all of its rights. JPMorgan Chase Bank, N.A. Member FDIC

Interest Paid YTD and Interest Paid Prior Year totals contained within this statement are provided for information purposes only, and include payments processed as of the statement date.

received from other persons when we act as agent for such other persons. JPMS has acted as your agent unless otherwise indicated. We may execute your transaction through an affiliated brokerage firm, which may have a long or short position in this security, and may have profited or lost in connection with this transaction.

The Securities Investor Protection Act of 1970, as amended, will not protect you with respect to a repurchase or other financing transaction hereunder. You agree that we may share credit and other information concerning you with our affiliates to the extent permitted by law.

You may be eligible for mutual fund breakpoint discounts based on the size of your purchase, current holdings or future purchases. The sales charge you may pay may differ slightly from the prospectus disclosed rate due to rounding calculations. Please refer to the prospectus.

Shareholders of certain funds may be charged a redemption fee equal to some percentage of the proceeds, as specified in the prospectus, if they exchange or redeem shares of such funds within a timeframe of purchase, as specified in the prospectus, subject to certain exceptions set forth in the prospectus of the applicable fund. Please consult your JPMS representative if you need additional assistance or for a list of the JPMorgan Funds that impose redemption fees. As a matter of policy JPMS does not receive payments in return for directing customer order flow to particular broker/dealers or market centers. JPMS may receive discounts, rebates, and reductions of fees or credits, generally based on overall volume of trading activity. As a result of sending orders to other market centers or ECN's, however these will not exceed the fees or expenses incurred for executing the order. This does not alter JPMS's policy to route customer orders to the market where it believes clients will receive the best execution, taking into account price, reliability, market depth, quality of service, speed and efficiency.

Your capacity was for your own account, unless you expressly specified otherwise to us, prior to the transaction, in writing, with sufficient information for us to rely upon the credit of another party or your credit in another capacity. We may execute your transaction through an affiliated brokerage firm, which may have a long or short position in this security, and may have profited or lost in connection with this transaction.

The Securities Investor Protection Act of 1970, as amended, will not protect you with respect to a repurchase or other financing transaction hereunder. Shares of mutual funds sold, offered or recommended are not bank deposits and are not guaranteed by any bank, government entity or the FDIC, unless we disclose otherwise. Return and share price will fluctuate and redemption value may be more or less than original cost. While the money market mutual funds seek to maintain a stable net asset value ("NAV") of \$1.00 per share, there is no assurance that they will continue to do so. We are a corporate entity separate from our affiliates and no activity or obligation of ours is guaranteed by or will be performed by any of our affiliates. An affiliate of ours may from time to time issue instruments underwritten, dealt in or placed by us, or may lend to an issuer of instruments underwritten/dealt in by us, and the offering document will disclose additional information on such loan. You agree that we may share credit and other information concerning you with our affiliates to the extent permitted by law.

You may be eligible for mutual fund breakpoint discounts based on the size of your purchase, current holdings or future purchases. The sales charge you may pay may differ slightly from the prospectus disclosed rate due to rounding calculations. Please refer to the prospectus.

Shareholders of certain funds may be charged a redemption fee equal to some percentage of the proceeds, as specified in the prospectus, if they exchange or redeem shares of such funds within a timeframe of purchase, as specified in the prospectus, subject to certain exceptions set forth in the prospectus of the applicable fund. Please consult your JPMS representative if you need additional assistance or for a list of the JPMorgan Funds that impose redemption fees. As a matter of policy JPMS does not receive payments in return for directing customer order flow to particular broker/dealers or market centers. JPMS may receive discounts, rebates, and reductions of fees or credits, generally based on overall volume of trading activity. As a result of sending orders to other market centers or ECN's, however these will not exceed the fees or expenses incurred for executing the order. This does not alter JPMS's policy to route customer orders to the market where it believes clients will receive the best execution, taking into account price, reliability, market depth, quality of service, speed and efficiency.

Your capacity was for your own account, unless you expressly specified otherwise to us, prior to the transaction, in writing, with sufficient information for us to rely upon the credit of another party or your credit in another capacity. We or our affiliates may participate or be financially interested in a primary or secondary distribution in the instrument (or related instruments) purchased from or sold to you. If this transaction is a sale by you of an instrument not held in your account with us and it is not marked short, you represent that you own such instrument and it is agreed that you will promptly deliver such instrument to us.

We may execute your transaction through an affiliated brokerage firm, which may have a long or short position in this security, and may have profited or lost in connection with this transaction.

The Securities Investor Protection Act of 1970, as amended, will not protect you with respect to a repurchase or other financing transaction hereunder. Shares of mutual funds sold, offered or recommended are not bank deposits and are not guaranteed by any bank, government entity or the FDIC, unless we disclose otherwise. Return and share price will fluctuate and redemption value may be more or less than original cost. While the money market mutual funds seek to maintain a stable net asset value ("NAV") of \$1.00 per share, there is no assurance that they will continue to do so. We are a corporate entity separate from our affiliates and no activity or obligation of ours is guaranteed by or will be performed by any of our affiliates. An affiliate of ours may from time to time issue instruments underwritten, dealt in or placed by us, or may lend to an issuer of instruments underwritten/dealt in by us, and the offering document will disclose additional information on such loan. You agree that we may share credit and other information concerning you with our affiliates to the extent permitted by law.

You may be eligible for mutual fund breakpoint discounts based on the size of your purchase, current holdings or future purchases. The sales charge you may pay may differ slightly from the prospectus disclosed rate due to rounding calculations. Please refer to the prospectus.

Shareholders of certain funds may be charged a redemption fee equal to some percentage of the proceeds, as specified in the prospectus, if they exchange or redeem shares of such funds within a timeframe of purchase, as specified in the prospectus, subject to certain exceptions set forth in the prospectus of the applicable fund. Please consult your JPMS representative if you need additional assistance or for a list of the JPMorgan Funds that impose redemption fees. As a matter of policy JPMS does not receive payments in return for directing customer order flow to particular broker/dealers or market centers. JPMS may receive discounts, rebates, and reductions of fees or credits, generally based on overall volume of trading activity. As a result of sending orders to other market centers or ECN's, however these will not exceed the fees or expenses incurred for executing the order. This does not alter JPMS's policy to route customer orders to the market where it believes clients will receive the best execution, taking into account price, reliability, market depth, quality of service, speed and efficiency.

Your capacity was for your own account, unless you expressly specified otherwise to us, prior to the transaction, in writing, with sufficient information for us to rely upon the credit of another party or your credit in another capacity. We or our affiliates may participate or be financially interested in a primary or secondary distribution in the instrument (or related instruments) purchased from or sold to you. If this transaction is a sale by you of an instrument not held in your account with us and it is not marked short, you represent that you own such instrument and it is agreed that you will promptly deliver such instrument to us.

Box 770001, Cincinnati, OH 45277-0003.

Income Summary Shows income by tax status for the statement and year-to-date periods. Except for interest income earned on, or distributed by, tax-exempt securities, Fidelity reports dividends and capital gains held in taxable accounts as taxable income. A portion of income reported as tax-exempt income may be subject to alternative minimum taxes and/or state and local taxes. In Traditional IRAs, Rollover IRAs, SEP-IRAs, SIMPLE IRAs and Keoghs, earnings are reported as tax-deferred income. In Roth IRAs and HSAs, earnings are reported as tax-exempt income as they may be federally tax-exempt if certain conditions are met.

Change in Investment Value The appreciation or depreciation of your holdings due to price changes, plus any distributions and income earned during the statement period, less any transaction costs, sales charges, or fees.

Cost Basis, Gain/Loss, and Holding Period Information Cost basis is the original amount paid to purchase a security, including the amount of reinvested dividends and capital gains. Generally, we adjust cost basis for events such as returns of capital (including dividend reclassifications) and disallowed losses on wash sales on identical securities within the same account. NFS is required to report certain cost basis and holding period information to the IRS on Form 1099-B. However, cost basis, realized gain and loss, and holding period information may not reflect adjustments required for your tax reporting purposes. Fidelity and NFS specifically disclaim any liability arising out of a customer's use of, or any tax position taken in reliance upon, such information. Unless otherwise specified, NFS determines cost basis at the time of sale using its default methods of average cost for open-end mutual funds (except ETFs) and first-in, first-out (FIFO) for all other securities (including ETFs and shares held in dividend reinvestment plans). Customers should consult their tax advisors for further information.

Cost Fidelity provides purchase cost information for securities held in retirement and HSA accounts. Such information may be adjusted for certain transactions and does not reflect dividends or capital gains reinvestments. Fidelity reports transaction profit or loss information when securities are sold within a retirement or HSA account. Transaction profit or loss is calculated by subtracting purchase cost from sales proceeds using the FIFO method if shares were purchased at different times or prices.

Additional Information About Your Brokerage Account, If Applicable

Customer Free Credit Balance You are entitled to free credit balances in your brokerage account, subject to open commitments of your cash accounts. Free credit balances are not segregated and may be used in NFS's business in accordance with federal securities law. There is no free credit balance in a retirement or HSA.

Assets Separate from Your Brokerage Account Only securities in the margin portion of your brokerage account contribute to margin and maintenance requirements. Other assets, which may be reported on your statement, including insurance products that are distributed by FBS and Fidelity Insurance Agency, Inc. and mutual fund only accounts held directly with the fund (Fidelity Mutual Fund Accounts) are not carried by NFS, not covered by the Securities Investor Protection Corporation (SIPC) and do not count toward your margin and maintenance requirements. Assets held by Portfolio Advisory Services (PAS) are carried by NFS and are covered by SIPC but do not contribute toward your margin and maintenance requirements.

Short Account Balances Securities sold short are held in a segregated short account. These securities are marked-to-market for margin purposes, and any increase or decrease from the previous week's value is transferred weekly to your margin account. Fidelity represents your short account balance as of the last weekly mark-to-market, not as of the statement end date.

Information About Your Option Transactions Each transaction confirmation previously delivered to you contains full information about commissions and other charges. Assignments of American and European-style options are allocated among customer short positions pursuant to a random allocation procedure, a description is available upon request. Short positions in American-style options are liable for assignment anytime. The writer of a European-style option is subject to exercise assignment only during the exercise period. For more information about these, please call Fidelity at 800-544-6666.

Equity Dividend Reinvestment Shares credited to your account resulted from transactions by FBS acting as agent for your account, or the Depository Trust Company (DTC).

Price Information/Total Market Value The Total Market Value has been calculated out to 9 decimal places; however, the individual unit price is displayed in 5 decimal places. The Total Market Value represents prices obtained from various sources, may be impacted by the frequency with which such prices are reported and such prices are not guaranteed. Prices received from pricing vendors are generally based on current market quotes, but when such quotes are not available the pricing vendors use a variety of techniques to estimate value. These estimates, particularly for fixed income securities, may be based on certain minimum principal amounts (e.g. \$1 million) and may not reflect all of the factors that affect the value of the security, including liquidity risk. The prices provided are not firm bids or offers. Certain securities may reflect N/A or unavailable if the price for such security is generally not available from a pricing source. The Market Value of a security, including those priced at par value, may differ from its purchase price and may not closely reflect the value at which the security may be sold or purchased based on various market factors. The sale or redemption of any fixed income security prior to maturity may result in a loss. Prices for Certificates of Deposit (CDs) on your statement are generally estimates and are not based on actual market prices. The secondary market for CDs is generally illiquid. You should always request a current valuation for your securities prior to making a financial decision or placing an order. In executing orders on the Floor of the NYSE, the Floor broker may permit

Wash Sales If a wash sale occurs, the loss from the transaction is disallowed for federal income tax purposes but may be added to the cost basis of the newly-purchased shares. Fidelity adjusts the cost basis of newly-purchased shares when a wash sale occurs within an account as the result of an identical security purchase. Fidelity does not report disallowed losses or adjust cost basis related to wash sales triggered by sales and purchases of the same security *within different accounts* or by sales and purchases of "substantially identical" securities *within the same or different accounts*.

We deliver statements at least four times during the calendar year for any account with a balance. **Please review your statement and report any inaccuracies or discrepancies. Inquires, concerns or questions regarding your brokerage account or the activity therein should be directed to Fidelity Brokerage Services LLC (FBS) by calling 800-544-6666, and NFS, who carries your brokerage accounts, by calling 800-800-6890.** Any oral communications regarding inaccuracies or discrepancies should be reconfirmed in writing to protect your rights, including those under the Securities Investor Protection Act ("SIPA"). Please advise us of material changes in your investment objectives or financial situation related to your brokerage account(s).

Information About Mutual Funds and Their Performance An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other government agency. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the fund. Before investing, consider the fund's investment objectives, risks, charges, and expenses. Contact Fidelity for a prospectus containing this information. Read it carefully. Performance data shown represents past performance and is no guarantee of future results. Investment return and principal value will fluctuate, so you may have a gain or loss when shares are sold. Current performance may be higher or lower than that quoted. Visit Fidelity.com/performance for most recent month-end performance.

Each fund reserves the right to terminate or modify its exchange privilege in the future. In addition to sales loads and 12b-1 fees described in the prospectus, FBS or NFS receives other compensation in connection with the purchase and/or the on-going maintenance of positions in certain mutual fund shares and other investment products in your brokerage account. This additional compensation may be paid by the mutual fund or other investment product, its investment advisor or one of its affiliates. Additional information about the source(s) and amount(s) of compensation as well as other remuneration received by FBS or NFS will be furnished to you upon written request. At the time you purchase shares of a no-load fund, those shares will be assigned either a transaction fee (TF) or no transaction fee (NTF) status. When you subsequently sell those shares, any applicable fees will be assessed based on the status assigned to the shares at the time of purchase.

Unless otherwise indicated, the values shown in this statement for such investments have been provided by the management, administrator or sponsor of each program or a third-party vendor without independent verification by FBS and represent their estimate of the value of the investor's participation in the program, as of a date no greater than 18 months from the date of this statement. Therefore, the estimated values shown herein may not necessarily reflect actual market values or be realized upon liquidation. If an estimated value is not provided, valuation information is not available.

Securities in accounts carried by NFS, a Fidelity Investments company, are protected in accordance with the Securities Investor Protection Corporation ("SIPC") up to \$500,000 (including cash claims limited to \$250,000). For details, including the SIPC brochure, please see www.sipc.org or call 1-202-371-8300. NFS has arranged for additional protection for cash and covered securities to supplement its SIPC coverage. Neither coverage protects against a decline in the market value of securities.

Fidelity Distributors Corporation (FDC) is the distributor for Fidelity Funds with marketing and shareholder services provided by FBS or NFS. **Brokerage services are provided by FBS, which clears all transactions through its affiliate, NFS. NFS carries all brokerage accounts. FBS and NFS are members of the NYSE and SIPC.** FBS, NFS, and FDC are direct or indirect subsidiaries of FMR LLC. SIMON L. BERNSTEIN

AMENDED AND RESTATED TRUST AGREEMENT

This Amended and Restated Trust Agreement is dated this 26 day of July, 2012, and is between SIMON L. BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SIMON L. BERNSTEIN, of Palm Beach County, Florida and SIMON L. BERNSTEIN's successors, as trustee (referred to as the "*Trustee*," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee).

WHEREAS, on May 20, 2008, I created and funded the SIMON L. BERNSTEIN TRUST AGREEMENT (the "*Trust Agreement*," which reference includes any subsequent amendments of said trust agreement);

WHEREAS, Paragraph A. of Article I. of said Trust Agreement provides, inter alia, that during my lifetime I shall have the right at any time and from time to time by an instrument, in writing, delivered to the Trustee to amend or revoke said Trust Agreement, in whole or in part.

NOW, THEREFORE, I hereby amend and restate the Trust Agreement in its entirety and the Trustee accepts and agrees to perform its duties and obligations in accordance with the following amended provisions. Notwithstanding any deficiencies in execution or other issues in regard to whether any prior version of this Trust Agreement was a valid and binding agreement or otherwise created an effective trust, this amended and restated agreement shall constitute a valid, binding and effective trust agreement and shall amend and succeed all prior versions described above or otherwise predating this amended and restated Trust Agreement.

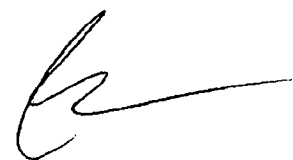

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. Rights Reserved. I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement.

B. Payments During My Life. If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare. Any income not so paid shall be added to principal.

C. **Upon My Death.** Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. **Disposition of Tangible Personal Property.** If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. **Disposition of Trust Upon My Death.** Upon my death, the remaining assets in this trust shall be divided among and held in separate Trusts for my then living grandchildren. Each of my grandchildren for whom a separate trust is held hereunder shall hereinafter be referred to as a "*beneficiary*" with the separate Trusts to be administered as provided in Subparagraph II.C.

C. **Trusts for Beneficiaries.** The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the net income and principal of such beneficiary's trust as is proper for the Welfare of such individuals. Any income not so paid shall be added to principal each year. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any grandchild of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of any of my lineal descendants (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or

2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

D. Termination of Small Trust. If at any time after my death in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

E. Contingent Gift. If at any time property of these Trusts is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if I had then owned such property and had then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

F. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

G. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years after the date of creation of this Agreement, nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

ARTICLE III. GENERAL

SIMON L. BERNSTEIN
AMENDED AND RESTATED TRUST AGREEMENT

- 3 -

LAW OFFICES
TESCHER & SPALLINA, P.A.

A. **Disability.** Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. **Timing of Income Distributions.** The Trustee shall make required payments of income at least quarterly.

C. **Substance Abuse.**

1. **In General.** If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended. In that event, the following provisions of this Subparagraph III.C will apply.

2. **Testing.** The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. **Treatment.** If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an

in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*," "*grandchild*," "*grandchildren*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children born of female lineal descendants, and (c) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is

raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, for all purposes of this Trust and the dispositions made hereunder, my children, TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, shall be deemed to have predeceased me as I have adequately provided for them during my lifetime.

2. Code. "Code" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "Disabled" or being under "Disability" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "education" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. Needs and Welfare Distributions. Payments to be made for a person's "Needs" means payments necessary for such person's health (including lifetime residential or nursing home care), education, maintenance and support. Payments to be made for a person's "Welfare" means discretionary payments by the Trustee, from time to time, for such person's Needs and also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to

such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

6. Per Stirpes. In a division "*per stirpes*" each generation shall be represented and counted whether or not it has a living member.

7. Related or Subordinate Party. A "*Related or Subordinate Party*" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

8. Spouse. A person's "*spouse*" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

a. the legal termination of the marriage to my descendant (whether before or after my death), or

b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

The trust will be administered as if that person had died upon the happening of the terminating event described above.

9. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such

Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

H. Presumption of Survivorship. If any person shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Release of Medical Information.

1. Disability of Beneficiary. Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries and myself if a beneficiary) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested

beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Ability to Amend or Revoke. The foregoing provisions of this paragraph shall not constitute a restriction on myself to amend or revoke the terms of this trust instrument under paragraph I.A hereof, provided I otherwise have legal capacity to do so.

4. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any

decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole

proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided, unless otherwise provided in this instrument, the Trustee shall establish out of income and credit to principal reasonable reserves for depreciation, obsolescence and depletion, determined to be equitable and fair in accordance with some recognized reasonable and preferably uncomplicated trust accounting principle and; provided, further that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

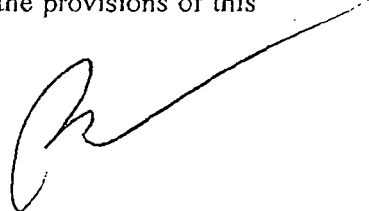

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this

paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

26. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

27. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate.

28. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

29. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee.

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, ROBERT L. SPALLINA and DONALD R. TESCHER shall serve together as successor co-Trustees, or either of them alone as Trustee if either of them is unable to serve. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust

hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C., subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances provided that the foregoing appointments shall apply when and to the extent that no effective appointment is made below:

a. Trustee of Separate Trusts for My Grandchildren. Each grandchild of mine shall serve as co-Trustee with the immediate parent of such grandchild which parent is also a child of mine as to all separate trusts under which such grandchild is the sole current mandatory or discretionary income beneficiary upon attaining the age of twenty-five (25) years, and shall serve as sole Trustee of such trusts upon attaining the age of thirty-five (35) years. While serving alone as Trustee, a grandchild of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such grandchild and such grandchild may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

b. Trustee of Separate Trusts for My Lineal Descendants Other Than My Grandchildren. In regard to a separate trust held for a lineal descendant of mine other than a grandchild of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon attaining age twenty-five (25) years. While serving alone as Trustee, a lineal descendant of mine other than a grandchild of mine may designate a co-Trustee to serve with such lineal descendant and such lineal descendant may remove and/or replace such co-Trustee with another from time to time.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

- a. The remaining Trustees, if any; otherwise,
- b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or

entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. Power to Remove Trustee. Subsequent to my death, the age 35 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, other than a named Trustee or successor Trustee designated hereunder, or a Trustee appointed by me during my lifetime or under my Will or otherwise at the time of my death, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. Liability in General. No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

2. Indemnification of Trustee. Except in regard to liabilities imposed on a Trustee under Subparagraph IV.C.1, each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual

and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. Indemnification of Trustee - Additional Provisions. I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the

Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V. ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts. I direct (a) that the Trustee shall divide any trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions hereof) so that the generation-skipping tax inclusion ratio of one such trust is zero, (b) any property exempt from generation-skipping taxation shall be divided as otherwise provided herein and held for the same persons

designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and issue, as such beneficiary may appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such Trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. For purposes of funding any pecuniary payment to which there is allocated any GST exemption, such payment shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this paragraph which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution or otherwise or is not reasonably available. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

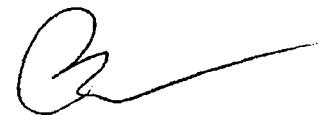

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

SIMON L. BERNSTEIN
AMENDED AND RESTATED TRUST AGREEMENT

-20-

LAW OFFICES

TESCHER & SPALLINA, P.A.

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. Gift Transfers Made From Trust During My Lifetime. I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. Gifts. If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. Trustee Limited. When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent (5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

E. Death Costs. If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

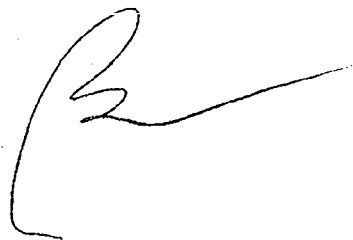

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and
5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the tangible personal property disposed of pursuant to the prior paragraph captioned "Disposition of Tangible Personal Property."

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section 663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. I reserve the right to reside upon any real property placed in this trust as my permanent residence during my life, it being the intent of this provision to retain for myself the requisite beneficial interest and possessory right in and to such real property to comply with Section 196.041 of the Florida Statutes such that said beneficial interest and possessory right constitute in all respects "equitable title to real estate" as that term is used in Section 6, Article VII of the Constitution of the State of Florida. Notwithstanding anything contained in this trust to the contrary, for purposes of the homestead exemption under the laws of the State of Florida, my interest in any real property in which I reside pursuant to the provisions of this trust shall be deemed to be an interest in real property and not personalty and shall be deemed my homestead.

SHIRLEY BERNSTEIN

TRUST AGREEMENT

This Trust Agreement is dated this 20 day of MAY, 2008, and is between SHIRLEY BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SHIRLEY BERNSTEIN, of Palm Beach County, and SHIRLEY BERNSTEIN's successors, as trustee (referred to as the "*Trustee*," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee). Said Trustee acknowledges receipt of the property described in the Attachment to this Agreement, and agrees to hold said property and all additions, in trust, as provided in this Agreement.

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. **Rights Reserved.** I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement. However, after my spouse's death I may not exercise any of said rights with respect to property added by my spouse upon my spouse's death by my spouse's Will or otherwise.

B. **Payments During My Life.** If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare, and also may in its discretion pay to my spouse such amounts of said net income and principal as is proper for his Welfare. Any income not so paid shall be added to principal.

C. **Gifts.** If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my spouse and my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. **Trustee Limited.** When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent

(5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

D. Upon My Death. Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. Disposition of Tangible Personal Property. If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. Specific Cash Devise. The Trustee shall set aside in a separate trust the sum of Two Hundred Thousand (\$200,000.00) Dollars for MATTHEW LOGAN, and said separate trust shall be administered as provided in Subparagraph II.F below. If MATTHEW LOGAN does not survive me this devise shall lapse.

C. Marital Deduction Gift. If my spouse survives me:

1. Family Trust. The Trustee shall hold as a separate "*Family Trust*" (i) all property of the trust estate as to which a federal estate tax marital deduction would not be allowed if it were distributed outright to my spouse, and (ii) after giving effect to (i), the largest pecuniary amount which will not result in or increase any federal or state death tax otherwise payable by reason of my death. In determining the pecuniary amount the Trustee shall assume that none of this Family Trust qualifies for a federal estate tax deduction, and shall assume that all of the Marital Trust hereinafter established (including any part thereof disclaimed by my spouse) qualifies for the federal estate tax marital deduction. I recognize that the pecuniary amount may be reduced by certain state death taxes and administration expenses which are not deducted for federal estate tax purposes.

2. Marital Trust. The balance of the trust remaining after the establishment of the Family Trust shall be held as a separate "*Marital Trust.*"

3. Disclaimer. Any part of the Marital Trust my spouse disclaims shall be added to the Family Trust. My spouse shall not be deemed to have predeceased me for purposes of such addition. I suggest that my spouse or my spouse's fiduciaries consider an appropriate partial disclaimer to minimize the death taxes due upon both of our deaths.

If my spouse does not survive me, the entire trust shall be held as the Family Trust without regard to the provisions of Subparagraph II.B.1 describing or limiting which assets shall be held thereunder.

D. During Spouse's Life. Commencing with the date of my death the Trustee shall,

1. Marital Trust. Pay to my spouse from the Marital Trust, the net income, and such amounts of principal as is proper for my spouse's Welfare; and

2. Family Trust. Pay to my spouse from the Family Trust, the net income, and such amounts of principal as is proper for my spouse's Welfare. I request (but do not require) that no principal be paid to my spouse from the Family Trust for my spouse's Welfare unless the Marital Trust has been exhausted by use, consumption, distribution, or otherwise or is not reasonably available.

E. Disposition of Trusts Upon Death of Survivor of My Spouse and Me. Upon the death of the survivor of my spouse and me,

1. Limited Power. My spouse (if my spouse survives me) may appoint the Marital Trust and Family Trust (except any part added by disclaimer from the Marital Trust and proceeds of insurance policies on my spouse's life) to or for the benefit of one or more of my lineal descendants and their spouses;

2. Disposition of Balance. Any parts of the Marital Trust and the Family Trust my spouse does not or cannot effectively appoint (including any additions upon my spouse's death), or all of the Family Trust if my spouse did not survive me, shall be divided among and held in separate Trusts for my lineal descendants then living, *per stirpes*. Any assets allocated under this Subparagraph II.D. to my children (as that term is defined under this Trust), shall be distributed to the then serving Trustees of each of their respective Family Trusts, established by my spouse as grantor on even date herewith (the "*Family Trusts*" which term includes any successor trust thereto), to be held and administered as provided under said Trusts. The provisions of the Family Trusts are incorporated herein by reference, and if any of the Family Trusts are not then in existence and it is necessary to accomplish the foregoing dispositions, the current Trustee of this Trust is directed to take such action to establish or reconstitute such applicable trust(s), or if the Trustee is unable to do so, said assets shall be held in separate trusts for such lineal descendants and administered as provided in Subparagraph II.E. below. Each of my lineal descendants for whom a separate Trust is held hereunder shall hereinafter be referred to as a "*beneficiary*," with their separate trusts to be administered as provided in Subparagraph II.E. below.

SR

F. Trusts for Beneficiaries. The Trustee shall pay to a beneficiary the net income of such beneficiary's trust. The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the principal of such beneficiary's trust as is proper for the Welfare of such individuals. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any child of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of my lineal descendants and their spouses (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or
2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living who is also a lineal descendant of my spouse.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

G. Termination of Small Trust. If at any time after the death of the survivor of my spouse and me in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

H. Contingent Gift. If at any time property of a trust held under this Agreement is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if my spouse and I had each then owned one-half of such property and had each then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

I. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be

SP

liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

J. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years as provided in F.S. § 689.225(2)(a)(2), nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

K. Florida Homestead Possessory Rights. Notwithstanding anything herein to the contrary, if any portion of any Florida improved residential real estate (excluding commercial multi-unit rental property) is an asset of the Marital Trust, my spouse shall have the exclusive and continuous present right to full use, occupancy and possession of such real estate for life. It is my intention that my spouse's interest in such property shall constitute a "beneficial interest for life" and "equitable title to real estate" as contemplated by Section 196.041(2) of Florida Statutes, as amended from time to time or any corresponding provision of law.

ARTICLE III. GENERAL

A. Disability. Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary (other than my spouse as beneficiary of the Marital Trust) is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. Timing of Income Distributions. The Trustee shall make required payments of income at least quarterly.

C. Substance Abuse.

1. In General. If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended (excluding, however, mandatory income rights under the Marital Trust). In that event, the following provisions of this Subparagraph III.C will apply.

2. Testing. The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. Treatment. If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate

takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child, and (c) lawful adoptions of minors under the age of twelve years. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, as I have adequately provided for them during my lifetime, for purposes of the dispositions made under this Trust, my children, TED S. BERNSTEIN ("*TED*") and PAMELA B. SIMON ("*PAM*"), and their respective lineal descendants shall be deemed to have predeceased the survivor of my spouse and me, provided, however, if my children, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, and their lineal descendants all predecease the survivor of my spouse and me, then TED and PAM, and their respective lineal descendants shall not be deemed to have predeceased me and shall be eligible beneficiaries for purposes of the dispositions made hereunder.

SB

2. Code. "**Code**" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "**Disabled**" or being under "**Disability**" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "**education**" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. My Spouse. "**My spouse**" is SIMON L. BERNSTEIN ("**SIMON**").

6. Needs and Welfare Distributions. Payments to be made for a person's "**Needs**" means payments for such person's support, health (including lifetime residential or nursing home care), maintenance and education. Payments to be made for a person's "**Welfare**" means payments for such person's Needs, and as the Trustee determines in its sole discretion also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

7. Per Stirpes. In a division "**per stirpes**" each generation shall be represented and counted whether or not it has a living member.

8. Related or Subordinate Party. A "Related or Subordinate Party" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

9. Spouse. A person's "spouse" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

- a. the legal termination of the marriage to my descendant (whether before or after my death), or
- b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

10. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself and other than my spouse as Trustee of the Marital Trust) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself and other than my spouse as Trustee of the Marital Trust) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

SD

H. Presumption of Survivorship. If my spouse and I die under circumstances which make it difficult or impracticable to determine which one of us survived the other, I direct that my spouse shall be deemed to have survived me for purposes of this Agreement (except in regard to any property passing hereunder that became part of this trust solely by reason of passage to my probate estate or this trust from the probate estate of or a revocable trust established by my spouse in which case the opposite presumption shall apply), notwithstanding any provisions of law which provide for a contrary presumption. If any person other than my spouse shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Mandatory Notice Required by Florida Law. The trustee of a trust may have duties and responsibilities in addition to those described in the instrument creating the trust. If you have questions, you should obtain legal advice.

L. Release of Medical Information.

1. **Disability of Beneficiary.** Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or

at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "estate"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

SB

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and

SB

personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "*Business Entities*"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

SB

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to

exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under

SB

a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Selection of Assets for Marital Trust. The Trustee shall have sole discretion to determine which assets shall be allocated to the Marital Trust; provided, if possible no assets or the proceeds of any assets which do not qualify for the federal estate tax marital deduction shall be allocated to the Marital Trust. To the extent that other assets qualifying for the marital deduction are available, the Trustee shall not allocate to the Marital Trust any assets with respect to which a credit for foreign taxes paid is allowable under the Code, nor any policy of insurance on the life of my spouse. Any allocation of assets among the Family Trust and the Marital Trust shall, with respect to each such trust, be comprised of assets having an aggregate market value at the time of such allocation fairly representative of the net appreciation or depreciation in the value of the property available for such

allocation between the date of valuation for federal estate tax purposes and the date or dates of said allocation and selection.

26. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

27. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

28. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate or my spouse's estate.

29. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

30. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, SIMON and TED, one at a time and successively in that order, shall serve as successor Trustee. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

SB

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C, subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances:

a. Trustee of the Marital Trust. SIMON and TED, one at a time and successively in that order, shall serve as Trustee of the Marital Trust. While serving as Trustee, my spouse may designate a co-Trustee to serve with my spouse and my spouse may remove and/or replace such co-Trustee from time to time.

b. Trustee of the Family Trust. SIMON and TED, one at a time and successively in that order, shall serve as Trustee of the Family Trust. While serving as Trustee, my spouse may designate a co-Trustee that is not a Related or Subordinate Party to serve with my spouse and my spouse may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

c. Trustee of Separate Trusts for My Children. Each child of mine shall serve as sole Trustee of his or her separate trust. While serving alone as Trustee, a child of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such child and such child may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

d. Trustee of Separate Trusts for My Lineal Descendants Other Than My Children. In regard to a separate trust held for a lineal descendant of mine other than a child of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon reaching age twenty-five (25) years.

e. Trustee of Separate Trust for MATTHEW LOGAN. In regard to a separate trust held MATTHEW LOGAN, his mother, DEBORAH BERNSTEIN ("DEBORAH"), shall serve as Trustee until MATTHEW attains age 25 years, at which time he shall serve as a co-Trustee with DEBORAH of such separate trust.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

a. The remaining Trustees, if any; otherwise,

SB

b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. Power to Remove Trustee. Subsequent to my death, the age 25 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. Liability in General. No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

2. Indemnification of Trustee. Except in regard to liabilities imposed on a Trustee under Subparagraph IV.G.1., each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. Indemnification of Trustee - Additional Provisions. I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts.

1. **Family Trust.** I direct (a) that the Trustee shall divide any trust other than the Marital Trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions of this Trust Agreement relating to the trust that is being divided) so that the generation-skipping tax inclusion ratio of one such trust is zero.

2. **Marital Trust.** I direct that, if possible, (a) the Trustee shall divide the Marital Trust into two separate Marital Trusts (each subject to the provisions hereof concerning the Marital Trust) so that through allocation of my GST exemption remaining unallocated at my death and not otherwise allocated to transfers occurring at or by reason of my death (including allocations to the Family Trust), if any, the generation-skipping tax inclusion ratio of one such Marital Trust is zero (the GST Marital Trust), (b) my Personal Representative to exercise the election provided by Code Section 2652(a)(3) as to the GST Marital Trust, and (c) that upon the death of my spouse the total amount recoverable by my spouse's estate from the property of the Marital Trusts under Code Section 2207A shall first be recoverable in full from the non-GST Marital Trust to the extent thereof.

3. **Misc.** I direct that (a) upon the death of the survivor of me and my spouse, any property then directed to be paid or distributed which constitutes a direct skip shall be paid first from property then exempt from generation-skipping taxation (by reason of the allocation of any GST exemption) to the extent thereof, (b) property exempt from generation-skipping taxation (by reason of the allocation of any GST exemption) and not directed to be paid or distributed in a manner which constitutes a direct skip shall be divided and distributed as otherwise provided herein and held for the same persons designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and lineal descendants, in such estates, interests, and proportions as such beneficiary may, by a will specifically referring to this general power appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution, or otherwise or is not reasonably available.

Notwithstanding any other provision of this Trust Agreement, for purposes of funding any pecuniary payment or trust division to which there is allocated any GST exemption, such payment or trust division allocation shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution or allocation could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. In regard to the division or severance of a trust hereunder, including the Marital Trust, such division or severance shall be made in a manner that all resulting trusts are recognized for purposes of Chapter 13 of the Code, including without limitation complying with the requirements of Treas.Reg. §26.2654-1(b). Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this Article which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to

SB

a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. **Gift Transfers Made From Trust During My Lifetime.** I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. **Death Costs.** If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and

SB

5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the property disposed of pursuant to the prior paragraphs captioned "Disposition of Tangible Personal Property", "Specific Cash Devise" nor from the Marital Trust.

E. Marital Trust. I intend the maximum obtainable reduction of federal estate tax due by reason of my death by use of the federal estate tax marital deduction, and qualification of all property of the Marital Trust for the marital deduction. This Agreement shall be construed and all powers shall be exercised consistent with such intent. For example, the Trustee shall not allocate any receipt to principal or any disbursement to income if such allocation understates the net income of the Marital Trust under Florida law; and upon the written demand of my spouse, the Trustee shall convert unproductive or underproductive property of said trust into productive property within a reasonable time notwithstanding any other provision hereunder. The foregoing notwithstanding, if my spouse survives me but dies within six months after my death, the Marital Trust provided in Subparagraph II.B will be reduced to that amount, if any, required to obtain for my estate an estate tax marital deduction resulting in the lowest combined estate taxes in my estate and my spouse's estate, on the assumption that my spouse died after me on the date of my death, that my spouse's estate is valued on the same date and in the same manner as my estate is valued for federal estate tax purposes, and that elections in my spouse's estate were made that would be consistent with minimizing taxes. The purpose of this provision is to equalize, insofar as possible, our estates for federal estate tax purposes, based on the above assumptions.

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section 663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise

SB

manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. Regardless of anything herein to the contrary, while any residential real property located in Florida is owned by a trust, I, or my spouse if I am not then living and such trust is the Marital Trust, shall have the right to use, possess and occupy such residence as a personal residence so that such right shall constitute a possessory right in such real property within the meaning of Florida Statute Section 196.041.

At any time when there is more than one Manager, any one Manager may take any action permitted to be taken by the Managers, unless the approval of more than one of the Managers is expressly required pursuant to this Agreement or the Act. The Managers may create a Board of Directors, and may also appoint individuals with or without titles, including the titles of General Manager, Executive Director, President, Vice President, Treasurer, Secretary, and Assistant Secretary, to act on behalf of the Company with such power and authority as the Managers or Board of Directors may delegate to any such Person.

5.9 *Vacancies.*

The General Partner and the Limited Partners are herein sometimes referred to individually as a "Partner" and collectively as "Partners."

The parties agree as follows:

1. Formation. BERNSTEIN FAMILY INVESTMENTS, LLLP, a limited partnership under the Revised Uniform Limited Partnership Act of Florida ("Act"), became effective on February 15, 2008, the date of filing of the Certificate of Limited Partnership with the Florida Secretary of State by the General Partner. Except as otherwise provided in this Agreement, the Act shall govern the rights and liabilities of the Partners. The limited partnership has elected to be a Florida limited liability limited partnership.

2. Name. The name of the Partnership is BERNSTEIN FAMILY INVESTMENTS, LLLP. The General Partner may, in its discretion, change the name of the Partnership and adopt such trade or fictitious names as it may deem appropriate.

3. Definitions. In this Agreement, the following terms have the following meanings unless the context otherwise requires:

3.1 "Act" means the Revised Uniform Limited Partnership Act of Florida, as amended from time to time.

3.2 "Adjusted Capital Account Deficit" means, with respect to any Partner, the deficit balance, if any, in such Partner's Capital Account as of the end of the relevant fiscal year, after giving effect to the following adjustments:

3.2.1 Credit to such Capital Account any amounts which such Partner is obligated to restore (pursuant to the terms of such Partner's promissory note or otherwise) or is deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

3.2.2 Debit to such Capital Account the items described in Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), and 1.704-1(b)(2)(ii)(d)(6) of the Regulations.

The foregoing definition of Adjusted Capital Account Deficit is intended to comply with the provisions of Section 1.704-1(b)(2)(ii)(d) of the Regulations and shall be interpreted consistently therewith.

9.2.2 The Losses allocated pursuant to Section 9.2.1 hereof shall not exceed the maximum amount of Losses that can be so allocated without causing any Partner who is not a General Partner to have an Adjusted Capital Account Deficit at the end of any Fiscal Year. In the event some but not all of the Partners who are not General Partners would have Adjusted Capital Account Deficits as a consequence of an allocation of Losses pursuant to Section 9.2.1, the limitation set forth in this Section 9.2.2 shall be applied on a Partner by Partner basis so as to allocate the maximum permissible Losses to each Partner who is not a General Partner under Section 1.704-1(b)(2)(ii)(d) of the Regulations. All Losses in excess of the limitation previously set forth in this Section 9.2.2 shall be allocated to the General Partner.

9.3 Special Allocations. The following special allocations shall be made in the following order:

9.3.1 Minimum Gain Chargeback. Except as otherwise provided in Section 1.704-2(f) of the Regulations, notwithstanding any other provision of this Section 9, if there is a net decrease in Partnership Minimum Gain during any Partnership Fiscal Year, each Partner shall be specially allocated items of Partnership income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Partner's share of the net decrease in Partnership Minimum Gain, determined in accordance with Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(f)(6) and 1.704-2(j)(2) of the Regulations. This Section 9.3.1 is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

9.3.2 Partner Minimum Gain Chargeback. Except as otherwise provided in Section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of this Section 9, if there is a net decrease in Partner Nonrecourse Debt Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Fiscal Year, each Partner who has a share of the Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Partnership income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section 9.3.2 is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

9.3.3 Qualified Income Offset. In the event any Partner who is not a General Partner unexpectedly receives any adjustments, allocations, or distributions described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), Regulations Section 1.704-1(b)(2)(ii)(d)(5), or Regulations Section 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of such Partner as quickly as possible, provided that an allocation pursuant to this Section 9.3.3 shall be made if and only to the extent that such Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 9 have been tentatively made as if this Section 9.3.3 were not in the Agreement.

9.3.4 Gross Income Allocation. In the event any Partner who is not a General Partner has a deficit Capital Account at the end of any Partnership Fiscal Year which is in excess of the sum of (i) the amount such Partner is obligated to restore (pursuant to the terms of such Partner's promissory note or otherwise), and (ii) the amount such Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Partner shall be specially allocated items of Partnership income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 9.3.4 shall be made if and only to the extent

that such Partner would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Section 9 have been tentatively made as if this Section 9.3.4 and Section 9.3.3 hereof were not in the Agreement.

9.3.5 Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Limited Partners.

9.3.6 Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the General Partner or Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

9.3.7 Section 754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a General Partner or Partner in complete liquidation of his Interest in the Partnership, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the General Partner and the Partners in accordance with their Interests in the Partnership in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Partners to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

9.3.8 Allocations Relating to Taxable Issuance of Partnership Interests. Any income, gain, loss, or deduction realized as a direct or indirect result of the issuance of an Interest in the Partnership by the Partnership to a Partner (the "Issuance Items") shall be allocated among the Partners so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations under this Agreement to each Partner, shall be equal to the net amount that would have been allocated to each such Partner if the Issuance Items had not been realized.

9.4 Curative Allocations. The allocations set forth in Sections 9.2.2, 9.3.1, 9.3.2, 9.3.3, 9.3.4, 9.3.5, 9.3.6 and 9.3.7 hereof (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. It is the intent of the Partners that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss, or deduction pursuant to this Section 9.4. Therefore, notwithstanding any other provision of this Section 9 (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Partner's Capital Account balance is, to the extent possible, equal to the Capital Account balance such General Partner or Partner would have had if the Regulatory Allocations were not part of the Agreement and all Partnership items were allocated pursuant to Sections 9.1, 9.2.1, 9.3.8, and 9.5. In exercising its discretion under this Section 9.4, the General Partner shall take into account future Regulatory Allocations under Sections 9.3.1 and 9.3.2 that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 9.3.5 and 9.3.6.

9.5 Other Allocation Rules.

9.5.1 Generally, unless otherwise explicitly provided, all Profits and Losses allocated to the Partners shall be allocated among them in proportion to the Partnership Interest held by each. In the event additional Limited Partners are admitted to the Partnership on different dates during any Fiscal Year, the Profits (or Losses) allocated to the Partners for each such Fiscal Year shall be allocated among the Partners in proportion to the Partnership Interest each holds from time to time during such Fiscal Year in accordance with Code Section 706, using any convention permitted by law and selected by the General Partner.

9.5.2 The Partners are aware of the income tax consequences of the allocations made by this Section 9 and hereby agree to be bound by the provisions of this Section 9 in reporting their shares of Partnership income and loss for income tax purposes.

9.5.3 Solely for purposes of determining a General Partner's or Partner's proportionate share of the "excess nonrecourse liabilities" of the Partnership within the meaning of Regulations Section 1.752-3(a)(3), the Partner's Interests in Partnership profits are as follows: Limited Partners one hundred percent (100%) (in proportion to their Partnership Interests).

9.5.4 To the extent permitted by Sections 1.704-2(h)(3) of the Regulations, the General Partner shall endeavor to treat distributions of Net Cash From Operations or Net Cash From Sales or Refinancings as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Partner who is not a General Partner.

9.6 Tax Allocations: Code Section 704(c). In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Partnership shall, solely for tax purposes, be allocated among the General Partner and Partners so as to take account of any variation between the adjusted basis of such property to the Partnership for federal income tax purposes and its initial Gross Asset Value (computed in accordance with Section 3.13.1 hereof). In the event the Gross Asset Value of any Partnership asset is adjusted pursuant to Section 3.13.2 hereof, subsequent allocations of income, gain, loss, and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder. Any elections or other decisions relating to such allocations shall be made by the General Partner in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 9.6 are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Partner's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement.

10. Distributions.

10.1 Net Cash From Operations. Except as otherwise provided in Section 10.3 hereof, Net Cash From Operations not needed in the General Partner's determination for the reasonable needs of the Partnership business, shall be distributed to the Partners in proportion to their respective Partnership Interests.

To the extent such cash is comprised in whole or in part of nonrental income-type items derived from Partnership passive investment assets (e.g., dividends, interest, and partnership operating distributions), reinvestments of such proceeds in other investment assets shall constitute expenditures for the reasonable needs of the business in the determination of the General Partner.

10.2 Net Cash From Sales or Refinancings. Except as otherwise provided in Section 10.3 hereof, Net Cash From Sales or Refinancings not needed in the General Partner's determination for the reasonable needs of the Partnership business, shall be distributed in the following order and priority:

10.2.1 First, proportionally to the Partners until their aggregate Capital Account balances are reduced to zero; and

10.2.2 thereafter, to the Partners in proportion to their Partnership Interests.

To the extent such cash is comprised in whole or in part of cash from the sale of Partnership non-real property passive investment assets (e.g., marketable securities), reinvestments of such proceeds in other investment assets shall constitute expenditures for the reasonable needs of the business in the determination of the General Partner.

10.3 Liquidating Distributions. Notwithstanding the distribution provisions, liquidating distributions of the partnership, including all distributions made pursuant to a liquidation described in Regulations Section 1.704-1(b)(2)(ii)(g), shall be distributed as follows:

10.3.1 First, to the payment and discharge of all of the Partnership's debts and liabilities to creditors other than the General Partners;

10.3.2 Second, to the payment and discharge of all of the Partnership's debts and liabilities to General Partners; and

10.3.3 The balance, if any, proportionally to the Partners until their aggregate Capital Account balances are reduced to zero; and

10.3.4 thereafter, to the Partners in proportion to their Partnership Interests.

The foregoing liquidating distributions are intended to be made in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(2) and subsequent to a revaluation of Partnership property and corresponding adjustment of Capital Accounts under Treas.Reg. §1.704-1(b)(2)(iv)(f). If any General Partner's Capital Account has a deficit balance (after giving effect to all contributions, distributions, and allocations for all Fiscal Years, including the Fiscal Year during which such liquidation occurs), such General Partner

shall contribute to the capital of the Partnership the amount necessary to restore such deficit balance to zero in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(3). If any Limited Partner who is not a General Partner has a deficit balance in his Capital Account (after giving effect to all contributions, distributions, and allocations for all Fiscal Years, including the Fiscal Year during which such liquidation occurs), such Limited Partner shall have no obligation to make any contribution to the capital of the Partnership with respect to such deficit, and such deficit shall not be considered a debt owed to the Partnership or to any other Person for any purpose whatsoever. In the discretion of the General Partner, a pro rata portion of the distributions that would otherwise be made to the General Partner and Limited Partners pursuant to this subsection may be (a) distributed to a trust established for the benefit of the General Partner and Limited Partners for the purposes of liquidating Partnership assets, collecting amounts owed to the Partnership, and paying any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partner arising out of or in connection with the Partnership. The assets of any such trust shall be distributed to the General Partner and Limited Partners from time to time, in the reasonable discretion of the General Partner, in the same proportions as the amount distributed to such trust by the Partnership would otherwise have been distributed to the General Partner and Limited Partners pursuant to this Subsection 10.3; or (b) withheld to provide a reasonable reserve for Partnership liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Partnership, provided that such withheld amounts shall be distributed to the Partners as soon as practicable.

10.4 Division Among Partners. Except as otherwise provided above, all distributions to the Partners pursuant to this Section 10 shall be divided among them in proportion to the Partnership Interest held by each.

10.5 Amounts Withheld. All amounts withheld pursuant to the Code or any provision of any state or local tax law with respect to any payment, distribution, or allocation to the Partnership, the General Partner, or the Partners shall be treated as amounts distributed to the General Partner and the Partners pursuant to this Section 10 for all purposes under this Agreement. The General Partner is authorized to withhold from distributions, or with respect to allocations, to the General Partner and Partners and to pay over to any federal, state, or local government any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state, or local law and shall allocate such amounts to the General Partner and Partners with respect to which such amount was withheld.

10.6 Special Tax Elections. At the written request of any Partner the Partnership shall make an election pursuant to Section 754 of the Code upon a distribution of property described in Code Section 734 or a transfer described in Code Section 743 of a Partnership Interest in accordance with this Agreement. Each Partner shall, upon request, supply the General Partner with the information necessary to make such election.

10.7 General Elections and Limitations. The General Partner is authorized, in its sole discretion, to make any other elections required or permitted with respect to Federal or state taxes in any Partnership tax return; provided, however, no election shall be made by either the Partnership or the Partners to be excluded from the application of the provisions of Subchapter K, Chapter I of Subtitle A of the Code or from any similar provisions of any state tax laws.

10.8 Distribution in Kind. If any assets of the Partnership are distributed in kind, such assets shall be distributed to the Partners entitled to participate in the distribution as tenants-in-common in the same proportions as such Partners would have been entitled to cash distributions.

10.9 Rights of Partners to Property. No Partner shall have the right to withdraw or reduce his capital contribution to the Partnership except as a result of the dissolution of the Partnership or as otherwise provided by law. No Partner shall be entitled to demand and receive property other than cash in return for his capital contribution to the Partnership, and, to the maximum extent permissible under applicable law, each Partner hereby waives all right to partition the Partnership Property.

10.10 Priorities of Limited Partners. No Limited Partner shall have any priority over any other Limited Partner as to the return of his contribution to the capital of the Partnership or as to compensation by way of income.

10.11 Minimum Interest of General Partner. Notwithstanding the allocations contained in these Sections 9 and 10, it is the intent of this Agreement that in no event shall the General Partner be allocated less than 1% of Profits, Losses, Net Cash from Operations or Net Cash From Sales or Refinancings allocated to the Partners.

11. Rights, Duties and Powers of the General Partner and Limited Partners.

11.1 Management. The General Partner shall be solely responsible for the management of and shall use its best efforts to manage and control the Partnership business with all rights and powers generally conferred by law or necessary, advisable or consistent with such responsibility.

11.2 Rights. In addition to any other rights and powers which it may possess, the General Partner shall have all specific rights and powers required or appropriate to the management of the Partnership business which, by way of illustration, but not by way of limitation, shall include the right and power:

11.2.1 To evaluate, select, negotiate for, acquire, purchase, operate, hold, trade, sell, exchange, convey or lease the Partnership Property, and any real property which is or may become a part of the Partnership property, as well as personal or other property connected with it, and except as may be limited by this Agreement to acquire or grant options for the purchase or sale of or sell the Partnership property from or to any Person, including, without limitation, the General Partner for such price, cash or otherwise, and upon such terms as the General Partner in its sole discretion deems to be in the best interests of the Partnership.

11.2.2 To manage, develop, improve, maintain and service Partnership properties; to form corporations or acquire shares of stock in corporations to carry out any of the purposes of the Partnership and to acquire title to property in the name of such corporations and to guarantee or otherwise secure the obligations of such corporations in furtherance of Partnership purposes.

11.2.3 To borrow and lend money and, if security is required for a borrowing, to mortgage or subject to any other security device any portion of the property of the Partnership, to execute replacements of any mortgage or other security device, and to prepay, in whole or in part, refinance, increase, modify and consolidate such indebtedness as determined in their discretion to be in the best interest of the Partnership.

11.2.4 To place of record, title to, or the right to use, Partnership assets in the name or names of a nominee or nominees, including, but not limited to, the General Partner, or a land trustee, for any purpose convenient or beneficial to the Partnership.

11.2.5 To acquire and to enter into any contract of liability and other insurance which the General Partner deems necessary and proper for the protection of the Partners and Partnership, for the conservation of its assets or for any purpose convenient or beneficial to the Partnership.

11.2.6 To employ from time to time persons, firms or corporations for the operation and management of the Partnership business, including, but not limited to, attorneys, accountants, advisors, administrators, property managers and personnel, managing and supervising agents, construction, maintenance and repair contractors, independent contractors furnishing full service components, architects, land planners, financial consultants, engineers, insurance brokers, real estate brokers and loan brokers on such terms and for such compensation as the General Partner may determine. The General Partner is hereby specifically authorized in its sole discretion to employ the General Partner as provided in, and subject to, the provisions of this Agreement. Compensation connected with any such employment shall be an expense of the Partnership.

11.2.7 To make elections under the tax laws of the United States or any state as to the treatment of Partnership income, gain, loss, deduction and credit, and as to all other relevant matters.

11.2.8 To determine the Profits, Losses, Net Cash from Operations and Net Cash From Sales or Refinancings of the Partnership for any period and from any transaction.

11.2.9 To transfer all or part of the real or personal property belonging to the Partnership to one or more general or limited partnerships or corporations in exchange for partnership interests or shares of stock which the Partnership may hold or distribute among the Partners in accordance with their respective Interests in the Partnership.

11.2.10 To perform any and all other acts or activities customary or incidental to the Partnership purposes and businesses.

11.2.11 Adjust Partner Capital Account balances to reflect a revaluation of Partnership property on the books of the Partnership in accordance with and as permitted by the provisions of Treas.Reg. §1.704-1(b)(2)(iv)(f).

11.3 Certain Limitations. The General Partner shall have all of the rights and powers and be subject to all of the restrictions and liabilities of a partner in a partnership without limited partners,

except that without the written consent of all of the Limited Partners as provided in this Agreement, or as otherwise provided by law, the General Partner shall not have authority to do any of the following:

11.3.1 Any act in contravention of the Certificate or this Agreement.

11.3.2 Confess a judgment against the Partnership.

11.3.3 Possess Partnership property, or assign the rights of the Partnership in specific Partnership property, for other than a Partnership purpose.

11.3.4 Admit a Person as a General Partner, except as otherwise provided in this Agreement.

11.3.5 Admit a Person as a Limited Partner, except as otherwise provided in this Agreement.

11.3.6 Require any Limited Partner to make any contribution to the capital of the Partnership not provided in Section 7.

11.4 Other Interests. Any of the Partners and any affiliates of the Partners, or any shareholder or any other Person holding a legal or beneficial interest in an entity which is a Partner or an affiliate of the General Partner, may engage in or possess an interest in other business ventures which may be competitive with the business of, or which may transact business with, the Partnership. Neither the Partnership nor the Partners shall have any right by virtue of this Agreement in and to such independent ventures or to the income or profits derived from them.

11.5 Agreement Beyond the Partnership Term. Agreements entered into by the Partnership, including, but not limited to, security agreements, mortgages and leases, may extend for terms in excess of the term of the Partnership.

11.6 General Partner as Limited Partner. The General Partner or its affiliates may acquire and own Interests as Limited Partners, in addition to its Interest as General Partner. In addition, the General Partner may become a Limited Partner in accordance with the provisions of Section 16.5.2.

11.7 Time Devoted to Partnership Business. The General Partner shall devote only such time to the business of the Partnership as it, in its sole discretion, shall deem to be necessary to manage and supervise the Partnership business.

11.8 General Partner's Liability. The General Partner shall not be liable for the return of any portion of the Aggregate Capital Contributions of the Limited Partners.

11.9 Exculpation and Indemnification of General Partner. No General Partner shall be liable, responsible or accountable in damages or otherwise to the Partnership or any other Partner for

any act performed or failure to act by it unless such act or failure to act is attributable to willful misconduct or gross negligence. The Partnership shall indemnify and hold harmless the General Partner from and against any and all loss, damage, liability, cost or expense, including reasonable attorneys' fees, arising out of any act or failure to act by the General Partner if such act or failure to act is in good faith within the scope of this Agreement and is not attributable to willful misconduct or gross negligence. The General Partner shall indemnify and hold harmless the Partnership and the Partners for any loss, damage, liability, cost or expense (including reasonable attorneys' fees) arising out of any act or failure to act by the General Partner, where such act or failure to act is attributable to willful misconduct or gross negligence.

11.10 Tax Matters Partner. BERNSTEIN HOLDINGS, LLC, shall be the Tax Matters Partner; provided, however, if it is no longer General Partner then it shall be a successor appointed by Limited Partners owning in the aggregate 51% of the Limited Partnership Interests. The Tax Matters Partner shall notify all Partners as to the beginning of any administrative proceedings at the Partnership level with respect to Partnership items and shall further notify the Partners as to any final Partnership administrative adjustment resulting from any such proceeding. The Tax Matters Partner shall be entitled to reimbursement for all costs and expenses incurred in connection with its services to the Partnership as Tax Matters Partner, and shall be indemnified and held harmless by the Partners with respect to such services, except with respect to willful misconduct or gross negligence.

11.11 Powers of Limited Partners. The Limited Partners shall take no part in or interfere in any manner with the conduct or control of the Partnership business and shall have no right or authority to act for or to bind the Partnership. The Partnership may engage Limited Partners or persons associated with them for specific purposes and may otherwise deal with such Limited Partners on terms and for compensation to be agreed upon by any such Limited Partner and the Partnership. The exercise of any of the rights and powers of the Limited Partners pursuant to the terms of this Agreement shall not be deemed taking part in the day-to-day affairs of the Partnership or the exercise of control over Partnership affairs.

11.12 Liability of Limited Partners. A Limited Partner shall not be bound by, or personally liable for, any of the debts, contracts, liabilities, or other obligations of the Partnership or the General Partner, or for any losses of the Partnership in excess of their required capital contribution, and the liability of each Limited Partner shall be limited solely to the amount of his contribution to the capital of the Partnership required by the provisions of Section 7. Notwithstanding any of the foregoing to the contrary, and only to the extent otherwise required by applicable law, a Partner receiving a distribution in part or full return of his aggregate Capital Contribution shall be liable to the Partnership for any sum, not in excess of such amount returned plus interest, necessary to discharge the liabilities of the Partnership to creditors who extended credit or whose claims arose before such distribution, excluding liabilities of the Partnership represented by debt, the repayment of which is secured solely by the Partnership Property.

12. Loans to the Partnership. From time to time any Partner, including the General Partner, upon the request of the General Partner, may make optional loans to the Partnership or advance money on its

behalf. Such loans and advances may be in the form of direct loans, payment of sums payable by the Partnership, payments of guarantees of Partnership indebtedness or otherwise. Loans and advances under this Section shall be accounted for as loans and not as capital contributions to the Partnership. All sums loaned or advanced, together with interest on such sums, shall be deemed an obligation of indebtedness from the Partnership to the lending Partner, and such loan or advance shall bear interest at a reasonable rate agreed to by the Partnership and the lending Partner.

13. Books, Records, Reports, Bank Accounts and Tax Elections.

13.1 Books of Account. At all times during the existence of the Partnership, the General Partner shall keep, or cause to be kept, full and true books of account of the Partnership in accordance with generally accepted accounting principles. The books shall be maintained on such method of accounting, accrual or cash, as the General Partner determines in its discretion to be in the best interests of the Partnership. The books of the Partnership, together with a certified copy of the Certificate, shall be maintained at the principal place of business of the Partnership. During reasonable business hours the Limited Partners and their authorized representatives may inspect and copy the Partnership's books of account.

13.2 Financial Statements. At least annually, unaudited financial statements and an annual report of the business of the Partnership shall be prepared at the direction of the General Partner. If a Partner wishes to obtain an audited financial statement, he may cause it to be prepared, but he shall pay all fees and expenses for its preparation.

13.3 Tax Returns. In addition to the financial statement and annual report, the General Partner shall cause income tax returns for the Partnership to be prepared and filed with the appropriate authorities and the General Partner shall also cause such reports as may be required by regulatory agencies to be prepared, filed and distributed as required.

13.4 Dissemination. The General Partner shall distribute annual reports of the business of the Partnership, financial statements and income tax information to the Limited Partners as soon as is practicable after the close of each fiscal year of the Partnership.

13.5 Fiscal Year. The Partnership tax year shall be the calendar year, unless a General Partner elects another fiscal year and obtains the approval of the Internal Revenue Service to such year.

13.6 Bank Accounts. All funds of the Partnership shall be deposited in the Partnership name in such bank account or accounts as may be designated by the General Partner. Withdrawals from any such bank account or accounts shall be made upon such signature or signatures as the General Partner may designate.

14. Transfer of Limited Partnership Interest.

14.1 Method of Transfer. No Transfer of all or part of a Limited Partner's Interest may be effected except as permitted in this Section 14, and then only if a counterpart of the instrument of Transfer, executed and acknowledged by the parties to the Transfer is delivered to the Partnership. A permitted Transfer shall be effective as of the date specified in the instruments of Transfer. This Partnership is formed by those who know and trust one another, who have surrendered certain management rights (in exchange for limited liability in the case of a Limited Partner), or who have assumed management responsibility and risk (in the case of a General Partner) based upon their relationship and trust. Capital is material to the business and investment objectives of the Partnership and its federal tax status. An unauthorized Transfer of a Limited Partner's Interest could create a substantial hardship to the Partnership, jeopardize its capital base, and adversely affect its tax structure. The restrictions on Transfers set forth in this Section are not intended as a penalty, but as a method to protect and preserve existing relationships based upon trust and the Partnership's capital and its financial ability to continue.

14.2 Transfers by Limited Partners. Except as expressly provided herein, no Limited Partner may Transfer any part or all of his Interest. Notwithstanding the foregoing and without being subject to the right of first refusal provisions of Section 14.3, a Partner may Transfer all or any part of his Interest to (i) another Partner, (ii) a lineal descendant of both SIMON L. BERNSTEIN and SHIRLEY BERNSTEIN, (iii) a trust of which a majority in interest of the beneficiaries are Partners and/or lineal descendants of both SIMON L. BERNSTEIN and SHIRLEY BERNSTEIN; or (iv) to another partnership or corporation provided that a majority of the voting stock of the corporation or the general partnership interest in the case of a limited partnership or the interest in capital in a general partnership are owned and controlled by SIMON L. BERNSTEIN and/or lineal descendants of SIMON L. BERNSTEIN and SHIRLEY BERNSTEIN.

14.3 Right of First Refusal. Notwithstanding the above restrictions on Transfer of Interest, a Limited Partner may Transfer all or any part of his Interest, other than by gift or devise, pursuant to a Bona Fide offer as defined in Section 14.3.2, and in such instance the Partnership shall have a right of first refusal to purchase any Interest which any Limited Partner may wish to Transfer, on the terms and subject to the conditions set forth in Section 14.3.1 through 14.3.3:

14.3.1 In the event that any Limited Partner receives a Bona Fide Offer, as herein defined, from a third party (the "Proposed Assignee") to purchase all or any portion of his Interest and he is willing to accept such Bona Fide offer, that Limited Partner (the "Offeror-Limited Partner") shall promptly send written notice (the "Notice") to the General Partner, offering to sell his Interest to the Partnership at the same price and upon the same terms and conditions that are contained in the Bona Fide Offer. The Notice shall contain a true and complete copy of the Bona Fide Offer, the price, the portion of the Interest to be sold, and all terms and conditions and the name and addresses, both home and office, and businesses or other occupations of the Proposed Assignee.

14.3.2 As used in this Agreement, "Bona Fide Offer" means an offer in writing, signed by the Proposed Assignee, who must be a Person financially capable of carrying out the terms of the Bona Fide Offer, in a form legally enforceable against the Proposed Assignee.

14.3.3 Whenever an Offeror-Limited Partner gives the Partnership notice of a Bona Fide Offer to purchase his Interest, the following procedure shall be complied with:

14.3.3.1 For a period of ten days from its receipt of the Notice, the Partnership shall have the option to notify the Offeror-Limited Partner that it intends to purchase the Interest.

14.3.3.2 If the Partnership does not give the Offeror-Limited Partner notice within the prescribed time period that it will purchase the Interest covered by the Bona Fide Offer, the Offeror-Limited Partner shall have the right to accept the Bona Fide Offer and sell the Interest subject to the provisions and restrictions of this Agreement, but only in strict accordance with all of the terms of the Bona Fide Offer and only if the sale is fully consummated within 45 days after the mailing of the Notice. If the Interest is not sold to the Proposed Assignee pursuant to the Bona Fide Offer within that 45 day period, then, before disposing of the Interest the Offeror-Limited Partner shall again be obligated to reoffer the Interest to the Partnership pursuant to the terms of this Section.

14.3.3.3 If the Partnership exercises its option to purchase the Interest a closing shall be held within 15 days after the Partnership gives notice of its election to exercise the option to purchase. The closing shall be on the basis of the terms and other provisions of the Bona Fide Offer.

14.4 Rights of Transferees. No transferee of the Interest of any Limited Partner, including transferees described in Sections 14.2 or 14.3, shall have the right to become a Substitute Limited Partner, unless:

14.4.1 His transferor has stated such intention in the instrument of assignment.

14.4.2 The transferee has executed an instrument reasonably satisfactory to the General Partner accepting and adopting the terms and provisions of this Agreement.

14.4.3 The transferor or transferee pays to the Partnership any reasonable expenses in connection with the admission of the transferee as a Limited Partner.

14.4.4 The transferor and transferee furnish the Partnership with the transferee's tax identification number, sufficient information to determine the transferee's initial tax basis in the Interest transferred, and any other information reasonably necessary to permit the Partnership to file all required federal and state tax returns and other legally required information statements or returns. Without limiting the generality of the foregoing, the Partnership shall not be required to make any distribution otherwise provided for in this Agreement with respect to any transferred Partnership Interest (without regard to whether the transferee is admitted as a Substitute Limited Partner) until it has received such information.

14.4.5 In the case of an assignee or transferee who is not otherwise a Partner, the General Partner, in its sole, absolute and unfettered discretion, consents to such person becoming a

Substitute Limited Partner, including assignees of Partnership Interests whose interest arises by reason of the death of a Partner.

The assignor of a Limited Partnership Interest shall not act for or on behalf of the assignee of the Limited Partnership Interest who does not become a Substitute Limited Partner, and until an assignee of a Limited Partnership Interest is admitted as a Substitute Limited Partner, both the Partnership and the Partners shall be entitled, but not required, to treat the transferor of the Partnership Interest as the absolute owner thereof in all respects. An assignee of a Limited Partnership Interest who does not become a Substitute Limited Partner, unless otherwise a Partner, does not become a Partner and is not entitled to exercise the rights of a Partner.

14.5 General Partner's Acquisition of Limited Partner Interest. If a General Partner should acquire any Limited Partner Interest, that General Partner with respect to that Interest shall become a Limited Partner and enjoy all of the rights and be subject to all of the obligations and duties of a Limited Partner to the extent of such Interest.

14.6 Income/Loss Allocations Upon Transfer. Unless otherwise agreed between the transferor and the transferee, upon the Transfer of an Interest the Profits and Losses attributable to the Interest transferred shall be allocated between the transferor and the transferee as of the date set forth in the instrument of Transfer, and such allocation shall be based upon the number of days during the applicable fiscal year of the Partnership that the Interest transferred was held by each of them, without regard to the results of Partnership activities during the period in which each was the holder. All distributions with respect to such Interest shall be made only to the holder of record of the Interest on the date of distribution.

15. Death, Incompetency, Bankruptcy or Dissolution of a Limited Partner.

15.1 Individual Limited Partner. Upon the death, adjudication of bankruptcy, insolvency or legal incompetency of an individual Limited Partner, his personal representative shall have all the rights of a Limited Partner for the purposes of settling or managing his estate and such power as the decedent, bankrupt or incompetent possessed to constitute a successor as an assignee of his Interest in the Partnership and to join with such assignee in making application to the General Partner to have such assignee become a Substitute Limited Partner.

15.2 Other Limited Partners. Upon the adjudication of bankruptcy, insolvency, dissolution or other cessation to exist as a legal entity of a Limited Partner not an individual, the authorized representative of such entity shall have all of the rights of a Limited Partner for the purpose of effecting the orderly winding up and dissolution of the business of such entity and such power as such entity possessed to constitute a successor as an assignee of its Interest in the Partnership and to join with such assignee in making application to the General Partner to have such assignee become a Substitute Limited Partner.

16. Resignation, Removal and Election of a General Partner; Assignment; Transfer.

16.1 Substitution for a General Partner. The General Partner may not admit any Person as a substitute General Partner.

16.2 Resignation of a General Partner. A General Partner may resign as such by delivering thirty (30) days advance written notice of its resignation to all Partners.

16.3 Removal of a General Partner. A General Partner shall be removed and cease to be a General Partner of the Partnership:

16.3.1 If (a) the General Partner being removed is in default of a material provision of this Agreement and (b) has not cured such default within 30 days after written notice of such fact is given to the General Partner sought to be removed and to all other Partners by Limited Partners owning at least 75% of the Interests owned by the Limited Partners. Written notice pursuant to this section shall set forth the day upon which the removal is to become effective if the default is not cured. However, the removal of a General Partner shall not take effect unless and until that General Partner is released from all liability by all lenders who have made loans to the Partnership, including loans made to the General Partner, on behalf of the Partnership. Such release shall be evidenced by written instruments executed by the lenders and any releases of liability shall extend to such General Partner in his capacity as such and individually. The removal of a General Partner shall be effective on the later of the date set forth in the notice or the date of delivery of the releases to the General Partner.

16.3.2 The occurrence of an Event of Withdrawal.

16.4 Liability of General Partner After Resignation or Removal. If a General Partner resigns or is removed in accordance with the provisions of this Agreement, his liability as a General Partner shall cease upon resignation or removal as provided in the Act, and the Partnership shall promptly take all actions reasonably necessary under the Act to cause such cessation of liability. The Partnership shall indemnify the General Partner with respect to any such liability. However, claims, demands, liabilities, costs and damages held against or incurred by the General Partner in violation of the terms of this Agreement shall be held as an offset against the General Partner's Interest.

16.5 Interest of a General Partner After Resignation or Removal.

16.5.1 The resignation or removal of a General Partner shall not affect its rights as the owner of any Limited Partnership Interest.

16.5.2 Subject to the provisions of Section 16.5.3, upon the resignation or removal of a General Partner, the Interest which he had as a General Partner in Profits and Losses and distributions of Net Cash from Operations and Net Cash From Sales or Refinancings shall be retained by him and be converted into a "Special Limited Partner's" Interest and the Partnership shall take all actions necessary to admit such General Partner as a Special Limited Partner with respect to such converted Interest. Such conversion shall not, however, result in the General Partner becoming a Substituted Limited Partner with respect to such Interest. As a Special Limited Partner, the former General Partner shall be sent copies

of all notices, reports and other information furnished to Limited Partners by the General Partner or the Partnership.

16.5.3 Upon the resignation or removal of:

16.5.3.1 A General Partner leaving the Partnership with one or more General Partners whose total Interest in the Profits and Losses of the Partnership would be less than 1%, the Interest of the resigned or removed General Partner in such portion of the Partnership's Profits and Losses which is necessary to bring the total Interest of the remaining General Partners in the Profits and Losses of the Partnership up to 1% shall be automatically transferred to the remaining General Partner without any payment.

16.5.3.2 One or more General Partners leaving the Partnership without a General Partner and the election of a successor General Partner pursuant to Section 16.6, the rights and interest in 1% of the Partnership's Profits and Losses of the last General Partner who has resigned or been removed, shall be sold to and purchased by his successor as of the date of such resignation or removal at such price as shall be agreed upon between them; provided, however, that if no such agreement is reached within 30 days of the election of a successor then such price shall be determined by arbitration in the State of Florida under the rules of the American Arbitration Association. Within 60 days after the determination of such price it shall be paid in cash together with interest at the then prevailing short-term applicable federal rate under Internal Revenue Code Section 1274. The cost of arbitration shall be paid equally by the successor and the departing General Partner. If any sums payable under this Section to the resigned or removed General Partner are not paid to him when due, then such sums shall be paid to him by the Partnership.

16.6 Election of a Substitute General Partner. If there is only one General Partner and he resigns, or is removed in accordance with this Agreement, and if, pursuant to Section 18.1.2, the Limited Partners unanimously elect to continue the business of the Partnership, then a substitute General Partner shall be elected by an Eighty (80%) percent vote of the Limited Partners, and he shall take all actions necessary to continue the business of the Partnership. Notwithstanding the foregoing, if in the written opinion of counsel for the Partnership it is more likely than not that all Limited Partners must agree on a substitute General Partner to avoid a dissolution under the Act, then in lieu of the foregoing Eighty (80%) percent vote, all Limited Partners shall agree to the election of each substitute General Partner. Such election shall be accomplished in the following manner: Any one or more of the Limited Partners shall, promptly after the election to continue, nominate a person or entity for election as the substitute General Partner. Such nominee shall not become the General Partner unless elected by a vote of Eighty (80%) percent (or, One Hundred (100%) percent, as provided above) of the Interests owned by the Limited Partners. In the event that such nominee is not elected, then any one or more of the Limited Partners shall as soon as practicable nominate another substitute General Partner and such procedure shall continue until a substitute General Partner is elected or the Partnership is dissolved pursuant to Section 18.1.

16.7 Transfer of Interest of a General Partner. No General Partner may transfer, assign, encumber or otherwise dispose of his Interest as a General Partner in the Partnership except as provided for in this Section 16. All General Partners' Interests in the Partnership pursuant to Section 9 transferred pursuant to Section 16, including for this purpose, but not limited to, conversions to a Special Limited Partner's Interest, are included in the allocations to and distributive shares of the Partners in Section 9 as a Partner's Interest and shall be allocated and distributed to the transferees of such Interest.

17. Involuntary Transfers of Partnership Interests. In the event of any Involuntary Transfer, which for this purpose shall include a charging order, by any Partner or assignee of any Partnership Interest, the following procedures shall apply:

17.1 The Partner or assignee deprived or divested of any Partnership Interest by the Involuntary Transfer (the "Transferor") promptly shall give written notice of such Involuntary Transfer in reasonable detail to the Partnership and all Partners other than the Transferor, and the Person(s) who take or propose to take any interest in such Partnership Interest (for purposes of this Section 17, such Person(s) are referred to hereinafter as the "Transferee" and such Partnership Interest referred to hereinafter as the "Subject Partnership Interest") as a result of such Involuntary Transfer shall hold such interest subject to the rights of the Partnership as set forth in this Section 17.

17.2 Upon receipt of the notice referred to in the preceding subparagraph or upon discovery by the General Partner of such Involuntary Transfer by the General Partner, the Partnership shall have the irrevocable option, exercisable at the sole discretion of the General Partner, but not the obligation, for a period of sixty (60) days following receipt of such notice or such discovery, to purchase all or any part of the Subject Partnership Interest, pursuant to the terms set forth in this Section 17. All exercises of such option shall be in writing, shall specify the portion of the Subject Partnership Interest to be purchased, and shall be effective upon receipt thereof by the Transferee.

17.3 The closing for any such sale of the Subject Partnership Interest to the Partnership shall be held at the offices of the Partnership no later than forty-five (45) days after the receipt by the Transferee of the notice exercising the Partnership's irrevocable option to purchase such Subject Partnership Interest. The purchase price of any Subject Partnership Interest purchased pursuant to this Section 17 shall be the fair market value of the Subject Partnership Interest, taking into account all potential discounts for lack of control, lack of marketability and other relevant valuation factors that would be applicable to a sale of the Subject Partnership Interest to a party unrelated and unaffiliated with any existing Partner or assignee, as determined by a reasonably qualified appraiser selected by the Partnership.

17.4 The valuation date for the determination of the purchase price shall be the first day of the month following the month in which notice is given pursuant to Section 17.2 above.

17.5 The purchase price shall be paid by the Partnership by making and delivering to the Transferor or the Transferee, as the case may be, of an unsecured ten (10) year nonrecourse promissory note. Interest on such note shall be payable at the long-term applicable federal rate under Internal

Revenue Code Section 1274. The first installment will be due and payable on the first day of the calendar year following the closing, and subsequent annual installments, with accrued interest, will be due and payable on the first day of each succeeding calendar year until the entire amount of the obligation is paid. The Partnership shall have the right to prepay all or any part of the note at any time without penalty.

17.6 If the Partnership does not exercise its option to purchase all or part of the Subject Partnership Interest under this Section 17, the remaining Partners within the same sixty day exercise period shall have the right but not the obligation to purchase as set forth in this Section 17 in proportion to their Partnership Interests in the manner so set forth. However, to the extent that one or more of the Partners declines to exercise such Partner's right, the remaining Partners shall be offered the right but not the obligation, on a pro-rata basis, to purchase the remaining portion of the Subject Partnership Interest. Such Partners may provide written notice of exercise prior to the expiration of the period notwithstanding that the Partnership may still exercise its option, and such notice may provide that the portion sought to be purchased is the maximum portion available to be purchased by such Partner, with such notice to be effective only if and to the extent that the Partnership does not preempt such Partner by exercising its option.

17.7 In the event the Partnership and the Partners do not purchase all of the Subject Partnership Interest involved in an Involuntary Transfer, the Transferee shall become an assignee of the Subject Partnership Interest, except as admitted as a Substitute Limited Partner in accordance with the terms of this Agreement, provided, however, if a third party obtains a charging order, its rights shall be limited accordingly.

17.8 For purposes of this Section 17, the term "Partner or Assignee" shall include the beneficiaries of a trust that is a Partner or assignee of a Partnership Interest, and the term "Partnership Interest" shall include the beneficial interests of the beneficiaries of a trust that is a Partner or assignee of a Partnership Interest.

17.9 Neither the Transferee of an Involuntary Transfer nor the Transferor will have the right to vote on Partnership matters during the period when the option to purchase granted under this Section 17 may be exercised nor during the period subsequent to exercise and prior to the closing thereunder, and in regard to such voting and any particular voting threshold percentages described in this Agreement such Partnership Interest shall be deemed not to exist.

18. Dissolution and Winding up of Partnership.

18.1 Dissolution of Partnership. The Partnership shall be dissolved upon the first to occur of any of the following events:

18.1.1 December 31, 2058.

18.1.2 The happening of an Event of Withdrawal of a General Partner authorized hereunder to carry on the business of the Partnership, unless

18.1.2.1 at the time there is at least one other General Partner authorized hereunder to carry on the business of the Partnership and such General Partner does carry on the business of the Partnership; or

18.1.2.2 within ninety (90) days of the Event of Withdrawal, (a) all of the then Partners agree in writing to continue the business of the Partnership and to elect one or more additional General Partners under the procedures of Section 16.6, and (b) one or more additional General Partners are elected under the procedures of Section 16.6.

18.1.3 The Partnership becoming insolvent or bankrupt.

18.1.4 The unanimous vote to dissolve of all Partners.

18.2 Winding Up of Partnership. Upon the dissolution of the Partnership pursuant to Section 18.1, the General Partner, or if there is no General Partner, a substitute General Partner elected by vote of 51% of the Interests owned by the Limited Partners, shall take full account of the Partnership's assets and liabilities and the assets shall be liquidated as promptly as is consistent with obtaining their fair value, and the proceeds of such liquidation therefor shall be applied and distributed as provided in Section 10.3.

18.3 Survival of Obligations. Except as otherwise provided in this Agreement, no dissolution of the Partnership shall relieve, release or discharge any Partner or any of his successors, assigns, heirs or legal representatives, from any previous breach or default of, or any obligation previously incurred or accrued under, any provision of this Agreement, and any and all such liabilities, claims, demands or causes of action arising from any such breaches, defaults and obligations shall survive such dissolution and termination.

18.4 Termination. Upon compliance with Section 18.2, the General Partner shall file or cause to be filed a certificate of cancellation of the Certificate and the Partnership shall then be terminated.

19. Amendment of the Certificate and Agreement.

19.1 When Required. This Agreement and the Certificate shall be amended by the General Partner without any additional consent of the Limited Partners when required by law whenever:

19.1.1 There is a change in the name of the Partnership or the amount or character of the contribution of any Partner including, but not limited to, withdrawal or reduction, pursuant to this Agreement.

19.1.2 A person ceases to be, is substituted as, or becomes a General or Limited Partner.

19.1.3 There is a false or erroneous statement in the Certificate, provided the amendment does not adversely affect the interest of the Limited Partners and the General Partner has obtained an opinion of its counsel to that effect.

19.1.4 In the opinion of counsel for the Partnership, it is necessary or appropriate to satisfy a requirement of the Code with respect to partnerships, provided such amendments do not adversely affect the interests of the Limited Partners, and the General Partner has obtained an opinion of its counsel to that effect, and any amendment in this regard shall have retroactive effect to the date of this Agreement.

19.2 Limitation. Except as provided in Section 19.1, amendments shall only be made with the approval of Limited Partners as provided in Section 19.3. No amendment shall be made under Section 19 which would adversely affect the federal income tax treatment to be afforded Partners or adversely affect the liabilities of the Limited Partners or change the method of the allocation of Profits and Losses or preferences or distributive shares without full disclosure to the Partners and unless all of the Partners consent to such amendment.

19.3 Consent of Limited Partners. The General Partner shall obtain the written consent or approval or vote of Limited Partners owning in the aggregate at least Eighty (80%) percent of the Limited Partnership Interests with respect to any amendment other than an amendment allowed or permitted by Sections 19.1 and 19.2.

20. Conflict of Interest Waiver. The Partners and the Partnership acknowledge that the law firm of Tescher & Spallina, P.A. has represented the Partnership in connection with the drafting of this Agreement and the formation and structuring of the Partnership, and that said law firm also represents one or more of the Partners and owners of interests in entity Partners both in context of this Partnership and other matters (namely, SIMON L. BERNSTEIN, SHIRLEY BERNSTEIN, SHIRLEY BERNSTEIN FAMILY FOUNDATION, INC., and BERNSTEIN HOLDINGS, LLC). The Partnership and the Partners acknowledge that they have been advised that there are material income tax consequences and economic ramifications from being a Partner in the Partnership, that they fully understand the tax consequences and economic ramifications of a Partner's investment in the Partnership, and that they have been encouraged to consult with separate and independent counsel to advise them on Partnership and Partner issues including this Agreement and the formation of the Partnership. The Partnership and the Partners hereby waive any conflicts of interest with respect to the foregoing law firm's representation of the Partnership and the afore described Partners and owners of interests in entity Partners, in connection with the services set forth in this Section.

21. Miscellaneous.

21.1 Notices. Any notices, payments, demand, offer or communication required or permitted to be given by any provision of this Agreement shall be deemed to have been delivered and given for all purposes (a) if the same is delivered personally, or (b) whether or not the same is actually received, if sent by registered or certified mail, postage and charges prepaid, addressed as follows:

21.1.1 If to a General Partner, at BERNSTEIN HOLDINGS, LLC, 950 Peninsula Corporate Circle, Suite 310, Boca Raton, Florida 33487, or such other address as the General Partner may from time to time specify by written notice to the other Partners.

21.1.2 If to a Limited Partner, at BERNSTEIN FAMILY INVESTMENTS, LLLP, 950 Peninsula Corporate Circle, Suite 310, Boca Raton, Florida 33487, or to such other address as such Partner may from time to time specify by written notice to the General Partner, which other address shall be noted by the General Partner on the records of the Partnership.

21.1.3 If to any other Person, at the address of such person as shown by the Partnership's records.

21.2 Captions. Captions contained in this Agreement are for reference purposes only and are in no way intended to describe, interpret, define or limit the scope, extent or intent of this Agreement or any of its provisions.

21.3 Severability. Every provision of this Agreement is severable. If any term or provision is held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the validity of the remainder of this Agreement or any other provision.

21.4 Right to Rely Upon the Authority of the General Partner. No person dealing with a General Partner shall be required to determine his authority to make any commitment or undertaking on behalf of the Partnership, nor to determine any fact or circumstance bearing upon the existence of his authority. In addition, no purchaser of any asset owned by the Partnership shall be required to determine the sole and exclusive authority of the General Partner to sign and deliver on behalf of the Partnership any such instrument of transfer, or to see to the application or distribution of revenues or proceeds paid or credited to the Partnership, unless such purchasers shall have received written notice from the Partnership affecting the same.

21.5 Litigation. The General Partner shall prosecute, defend and settle such actions at law or in equity as they may deem in their sole and absolute discretion to be necessary to enforce or protect the interest of the Partnership. The Partnership and the General Partner shall respond to any final decree, judgment or decision of a court of competent jurisdiction or board or authority having jurisdiction in the matter.

21.6 Applicable Law. The laws of the State of Florida shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties.

21.7 Counterpart Execution. This Agreement may be executed in any number of counterparts with the same effect as if all parties had signed the same document. All counterparts shall be construed together and shall constitute but one Agreement.

21.8 Binding Effect. Each and every covenant, term, provision and agreement contained in this Agreement shall be binding upon and inure to the benefit of the successors and assigns of the respective parties.

21.9 Right to Rely Upon Authority of Person Signing Agreement. In the event that a Limited Partner is an estate, a trust with or without disclosed beneficiaries, partnership, limited partnership, joint venture, corporation, or any entity other than a natural person, the Partnership and the General Partner shall (a) not be required to determine the authority of the Person signing this Agreement or any amendment to make any commitment or undertaking on behalf of such entity, nor to determine any fact or circumstance bearing upon the existence of his authority; (b) not be required to see to the application or distribution of revenues or proceeds paid or credited to the Person signing the Agreement or any amendment on behalf of such entity; (c) be entitled to rely upon the authority of the Person signing this Agreement or any amendment with respect to voting of the Partnership Interests of such entity and with respect to the giving of consent on behalf of such entity or any other Person in connection with any matter for which consent is permissible or required under this Agreement; and (d) be entitled to rely upon the authority of any general partner, joint venturer, co-or successor trustee or president, vice president, or other officer, as the case may be of any such entity the same as though such Person were the Person originally executing this Agreement or any amendment on behalf of such entity.

21.10 Rights of Nonrecourse Creditors. A creditor who makes a nonrecourse loan to the Partnership shall not have or acquire, at any time as a result of making any loan or advance, any direct or indirect interest in the profits, capital, or property of the Partnership other than, if applicable, as a secured creditor.

21.11 Number and Gender. Whenever the singular number is used in this Agreement and when required by the context, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

21.12 Entire Agreement. This Agreement constitutes the entire Agreement of the parties with respect to matters set forth in this Agreement and supersedes any prior understanding or agreement, oral or written, with respect thereto.

BERNSTEIN and SHIRLEY BERNSTEIN, either directly, or indirectly, as beneficiaries of a Trust, or other entity beneficially owned solely for or by that Member (including, but not limited to a revocable trust established by a Member for the sole lifetime benefit of the Member or the Member’s descendants) shall be Members upon their written agreement to be bound by the terms of this Agreement and shall be subject to the voting agreements described in Article V, hereinabove.

10.2 *Right of First Refusal.*

(a) If a Selling Member desires to sell all or any portion of its Membership Interest in the Company to a third party purchaser, the Selling Member shall obtain from such third party purchaser a bona fide written offer to purchase such Interest, stating the terms and conditions upon which the purchase is to be made and the consideration offered; provided, however, the offer shall include a “tag along” or “take along” provision, pursuant to which, all Members have the right to sell a pro-rata portion (determined in accordance with the Percentage Interests of all of the Members) of their Interests to the third party. The Selling Member or Transferee shall give written notification to the remaining Members, by certified mail or personal delivery, of its intention to so transfer such Interest, furnishing to the remaining Members a copy of the written offer to purchase such Interest.

(b) Each of the remaining Members, on a basis pro rata to their Percentage Interests or on a basis pro rata to the Percentage Interests of those remaining Members exercising their rights of first refusal, shall have the right to exercise a right of first refusal to purchase all (but not less than all) of the Interest proposed to be purchased by the third party and sold by the Selling Member and the “tag along Members” upon the same terms and conditions as stated in the aforesaid written offer to purchase

by giving written notification to the Selling Member and the “tag along Members”, by certified mail or personal delivery, of the intention to do so within thirty (30) days after receiving written notice from the Selling Member. Subject to the following paragraph, the failure of the remaining Members to so notify the Selling Member and the “tag along Members” of their desire to exercise this right of first refusal within said thirty (30) day period shall result in the termination of the right of the first refusal and the Selling Member and the “tag along Members” shall be entitled to consummate the sale of its Interest in the Company to such third party purchaser, provided that the sale shall be consummated within sixty (60) days following the expiration of the aforesaid thirty (30) day period. In the event the remaining Members (or any one or more of the remaining Members) give written notice to the Selling Member and the “tag along Members” of their desire to exercise this right of first refusal and to purchase all of the Interests of the Selling Member and the “tag along Members” offered upon the same terms and conditions as are stated in the aforesaid written offer to purchase, the remaining Members shall have the right to designate the time, date and place of closing, provided that the date of closing shall be within sixty (60) days after written notification to the Selling Member of the remaining Member or Members’ election to exercise their right of the first refusal. In the event that two (2) or more Members give written notice of their desire to exercise their right of first refusal, absent an agreement between all the Members so exercising such right, each such Member exercising their right of first refusal shall be entitled to purchase that percentage of the selling Member’s share according to the proportion that their Percentage Interests bears to the total Percentage Interests exercising such right of first refusal. The Members shall communicate with each other during the pendency of any offer made in accordance with the terms of this Section 10.2 in order to effectuate the intent of this Section.

(c) As a condition to the Company recognizing the effectiveness of either the sale or gift of an Interest in the Company (including, in both cases, a Transferee Interest), the remaining Members may require the Selling Member, Gifting Member and/or the proposed purchaser, donee or successor-in-interest, as the case may be, to execute, acknowledge and deliver to the remaining Members such instruments of transfer, assignment and assumption and such other certificates, representations and documents, and to perform all such other acts which the remaining Members’ may deem necessary or desirable to:

- (1) verify the purchase, gift or transfer, as the case may be;
- (2) confirm that the person desiring, to acquire an Interest in the Company, or to be admitted as a Member, has accepted, assumed and agreed to be subject and bound by all of the terms, obligations and conditions of the Agreement (whether such Person is to be admitted as a new Member or as a Transferee);
- (3) maintain the status of the Company as a partnership for federal tax purposes; and
- (4) assure compliance with any applicable state and federal laws including securities laws and regulations.

(d) Any sale or gift of a Membership Interest or Transferee Interest in compliance with this Article X shall be deemed effective upon the last day of the calendar month in which all the terms and conditions hereof relating thereto have been satisfied. The admission of a Member in compliance with this Article X shall be deemed effective as of the last day of the calendar month in

which the remaining Members' consent thereto was given. The Selling Member hereby indemnifies the Company and the remaining Members against any and all loss, damage, or expense (including, without limitation, tax liabilities or loss of tax benefits) arising directly or indirectly as a result of any transfer or purported transfer in violation of this Article X.

10.3 ***Permitted Transfer to Descendants/Mandatory Offer at Death.***

10.3.1 ***No Mandatory Offer At Death.*** If a Member's Interest is Transferred to a lineal descendant of the Member, to a Trust or other entity beneficially owned solely for or by that Member or the lineal descendant of that Member, the Transferee shall not be required to sell or offer to sell his or her Interest, shall be eligible to become a Member pursuant to Sections 10.1.1 and 10.1.2 above, and shall be subject to the voting agreements described in Article V, above. If Members of the Company are trusts for the lifetime benefit of the lineal descendants of a Member either directly or indirectly, then the successors in interest to the Interests in the Company pursuant to the terms of such trusts shall be considered as Members hereof (regardless of indirect ownership as trust beneficiaries) as long as the beneficial interests are owned by the lineal descendants of the Member, and said persons shall be subject to the voting agreements described in Article V, above.

10.3.2 ***Mandatory Offer At Death.*** Except with transfers described in 10.3.1., above, the death of any Member or Transferee who owns an Interest shall constitute an offer by the Member's Estate, Trust, or other legal successor in interest, to sell all of the Member's Interest to the Company (the "Offer") at its fair market value (determined as of the date of death). The Company shall have one hundred eighty (180) days in which to accept the Offer at an agreed price, which acceptance shall be made by delivery of written notice thereof to the legal representative of the estate of the Member or Transferee, by certified mail or personal delivery, within said one hundred eighty (180) day period. If the Company does not elect to purchase the Interest within said one hundred eighty (180) day period, the remaining Members shall have the right, but are not required to, purchase the remaining part, or all, as the case may be, of the Interest at its fair market value (as determined herein) determined as of the date of death, in proportion to their existing Interests. Such right to purchase shall be exercised by delivery of written notice thereof, by certified mail or personal delivery, during the thirty (30) days immediately after the one hundred eighty (180) day period (the "30 Day Period"). If any such Member does not desire to purchase his/her or its full proportionate part of the Interest offered for sale, but the remaining Members desire to purchase all of the Interest offered for sale, said Members shall then have the right to purchase said Interest proportionally in accordance with their respective Interests and the Members shall communicate with each other during the 30 Day Period in order to effectuate the intent of this Section 10.3. Except as provided in Section 10.1.2 and 10.1.3, to the extent that any part, or all, of an Interest is not purchased under the provisions of this Section 10.3, the deceased's Member's Interest shall become a Transferee's Interest, if not owned beneficially or directly by another Member hereof. The purchase price shall be as agreed by the parties, and, unless otherwise agreed, shall be paid in cash at the closing, which shall occur no later than thirty (30) days after the end of the 30 Day Period. For purposes of this Agreement, the "fair market value" of an Interest is equal to its Percentage Interest multiplied by the value of the Company (as agreed by the parties). If the value of the Company is not agreed to by the parties, then for purposes of this Agreement "fair market value" of a Member's Interest shall be determined without reduction for minority, lack of marketability or other entity/Company level discounts, based upon a reasonable appraisal procedure to determine the fair market value of the Company's assets. The appraisal procedure shall be agreed upon by the Member and Company. If the
