Underground repair

Committed to reliable service

FPL is investing to make our infrastructure stronger every day, in good weather and bad.

That's why,

FPL will repair or upgrade the underground power line(s) serving your home or business.

Our contractor, VIKING will repair or upgrade the underground power line(s) serving your home or business.

We may need to dig on your property to make the necessary repairs to the underground power lines. If so, we will restore your property after we complete our repairs.

We pledge to work safely and respectfully in your community.

We will notify you in advance if we need to schedule a power outage to complete our repairs.

Thank you for your patience as we work to improve your service quality.

If you have any questions, please contact:

By signing below, I represent that I am at least 18 years old; I am the Comcast account holder or I am the authorized agent of the Comcast account holder named above. If this equipment is for the activation of my XFINITY service(s), I acknowledge receipt of the Comcast Welcome Kit which contains the Comcast subscriber agreement(s), the Comcast subscriber privacy notice(s) and other important information about the Comcast service(s) I agree to be bound by the Comcast subscriber agreement(s) which constitute the agreement between myself and Comcast for the XFINITY service(s). I authorize Comcast to obtain a credit report from a consumer credit agency in connection with the provision of the XFINITY service(s) I am receiving. IF I AM SUBSCRIBING TO XFINITY VOICE OR XFINITY UNLIMITED SELECT (collectively "XV"), I ACKNOWLEDGE MY RECEIPT AND UNDERSTANDING OF THE E911 NOTICE BELOW.

E911 Notice

This notice is required by the rules of the Federal Communication Commission. XV may have the E911 limitations specified below:

In order for my 911 calls to be properly directed to emergency services, Comcast must have my correct service address. If I move XV to a different address without Comcast's approval, 911 calls may be directed to the wrong emergency authority, may transmit the wrong address, and/or XV (including 911) may fail altogether. XV uses electrical power in my home. If there is an electrical power outage, 911 calling may be interrupted. Calls, including calls to 911, may not be completed if there is a problem with network facilities including network congestion, network/equipment/power failure, or another technical problem. Prior to changing my address, or if I have any related questions, I will call 1-800-COMCAST. Comcast will need several business days to update my service address in the E911 system.
