**SUCCESSOR TRUSTEE'S MOTION FOR APPOINTMENT OF A  
GUARDIAN AD LITEM TO REPRESENT THE INTERESTS OF  
ELIOT BERNSTEIN'S CHILDREN; FOR A GAG ORDER TO PROTECT  
GUARDIAN AND OTHERS; AND TO STRIKE ELIOT'S FILINGS**

Successor Trustee, Ted S. Bernstein (the "Trustee"), moves the Court (i) to appoint a guardian ad litem to represent the interest of the children of Eliot Bernstein, D.B., Ja.B. and Jo.B.; (ii) to impose a gag order preventing Eliot from harassing and intimidating the retained or appointed fiduciaries (including any newly-appointed Guardian ad Litem), as well as all professionals and the Court; and (iii) for an order striking all of Eliot's filings in this case for lack of standing, and states:

1. Plaintiff, Ted S. Bernstein, as Successor Trustee of the Shirley Bernstein Trust Agreement dated May 20, 2008, seeks the appointment of a guardian ad litem to protect the interests of Eliot Bernstein's three children. By its ruling at the trial held on December 15th, the Court upheld the 2012 Will and Trust of Simon L. Bernstein and the 2008 Will and Trust of Shirley Bernstein. As a result of upholding these documents, the Court has determined that Eliot Bernstein, individually, is not a beneficiary of either Simon's or Shirley's Trusts or Estates. Instead, his three sons are among the beneficiaries of both Simon's and Shirley's Trusts, in amounts to be determined by further proceedings. Eliot lacks standing to continue his individual involvement in this case.

2. Based upon the events which have transpired and the pleadings and other papers filed by Eliot in this case, including statements in his Omnibus Petition to the Florida Supreme Court and his latest Motion to Disqualify this Court, the Trustee does not believe that Eliot is capable of adequately representing the interests of his children or willing to enable the Trustee to carry out Simon's and Shirley's wishes to benefit their grandchildren. Indeed, since the trial and the resulting Final Judgment, Eliot has increased his attacks on this Court and these proceedings.

3. Eliot shows no interest in seeing his parents' trusts and estates administered in an economic and efficient process to maximize the distribution among their grandchildren. Instead, he is on a never-ending crusade against injustice and corruption among judges, lawyers, fiduciaries, and others, including the Florida Supreme Court and the Florida Bar. In a recent filing, a *Motion for Rehearing En Banc* (Ex. A) of the dismissal of his "Petition for All Writs,"<sup>1</sup> he wrote:

---

<sup>1</sup> The Petition for All Writs sought prohibition against Judge Colin (who already recused himself in May) and an extraordinary writ to stop a routine, court-approved sale of Trust property. The sale would have closed March 31, 2015 but for Eliot's interference, and these delays will have cost the Trust far in excess of \$150,000 by the time of the eventual closing.

That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father . . . The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, *including multiple Frauds on the Court and Fraud by the Court itself* . . .

. . . many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights, his inheritancy and more.<sup>2</sup>

4. Further, because of Eliot's penchant to attack and try to exert pressure on fiduciaries, counsel and others who oppose his wishes, the Trustee believes it is necessary to enter an Order prohibiting Eliot and anyone acting in concert with Eliot from harassing the fiduciaries, counsel, and others, including any newly appointed Guardian ad Litem, and from disseminating or publishing by any manner or on any website any information about these matters. This internet cyber-bullying or cyber-terrorism has been ongoing for more than two years. (Composite Ex. C)

---

<sup>2</sup> These thought are similar to thoughts he expressed on an internet website, praising a "heroic" lawyer who is crusading "to whistle blow on the corruption of the Florida Courts and its members that she has witnessed firsthand committed by attorneys at law, guardians and the judges involved in her mother's guardianship in what can only be called an elder eugenics program designed to at once kill the victims entrapped and simultaneously deplete virtually their entire net worth from the family and covert it to the court appointed guardians and attorneys at law, while providing the courts with funding as well." (Ex. B)

Eliot ties that to his parents' trusts: "I have witnessed firsthand this same racket in the Florida Probate Courts as my family's estate and inheritance have been desecrated and robbed by Florida Attorneys at Law, . . . with the help of two Florida Probate Judges, David French and Martin Colin."

5. Eliot appears more interested in ruining lives and reputations by cyber-warfare than in seeing these proceedings come to a conclusion. Eliot has exhibited a pattern of irrational behavior, demonstrated by threats of criminal prosecution and slanderous statements made in an attempt to exert pressure on the fiduciaries. Eliot's behavior has reached such deplorable levels that he continues to malign and disparage all of the fiduciaries – counsel, the independent Successor PR of Simon's Estate, and everyone else who stands in his way – personally and professionally. Eliot disseminates inflammatory and defamatory information over the internet without any regard for the negative impact such information may have.

6. Two recent examples of Eliot's wasteful conduct already have costs the beneficiaries significant real dollars. Eliot opposed the sale of his parents' primary residence, which was on the market nearly four years before a serious offer was made. The all-cash, "as-is" offer was set to close on March 31st. Eliot persuaded Judge Colin to delay the sale – at significant expense to the Trust – so he could challenge the sale price as inadequate. After a six-week delay, Eliot presented no witnesses and no evidence, and the sale was approved in a final order. Eliot did not appeal the order, but filed his All Writs Petition to the Florida Supreme Court. The sale has yet to close due to Eliot's filings – including a Motion for Rehearing En Banc and a Notice of Appeal to the Florida Supreme Court. This already has cost the Trust far more than \$100,000 of the value it would have realized in March. Similarly, after claiming his father's 2012 testamentary documents were the product of mental incapacity, undue influence or fraud, at trial Eliot produced no witnesses or testimony to corroborate those baseless accusations. He did not even testify himself on any of the issues he raised. The Trust incurred substantial legal fees and costs addressing Eliot's fantastical claims.

7. Eliot will never stop until a court stops him. Now is the time for such drastic measures, while there are still some assets left for his children and the other grandchildren to receive as distributions. In light of the Final Judgment dated December 16, 2015, upholding Simon's 2012 documents, Eliot is not a beneficiary of the Shirley Trust or the Simon Trust. As such, he lacks standing to participate as an individual. All of his individual filings should be stricken with prejudice. His filings in his capacity as guardian of his children should be conditionally stricken, without prejudice to the Guardian ad Litem seeking leave of court to pursue such claims and issues as the Guardian deems to be in the best interests of Eliot's children.

8. Finally, the Court should order Eliot Bernstein and others acting in concert with him to remove all internet postings about the judges, lawyers, fiduciaries and others involved in these matter, and preclude any further public or widespread dissemination of information about these proceedings. The Court should be aware that Simon's grandchildren are all starting their lives, and the "garbage" Eliot puts on the internet will be following along with these innocent grandchildren for the rest of their lives. As the fiduciary responsible to act in the best interests of the grandchildren, the Trustee requests that the Court enter a confidentiality or "gag" order to protect their interest.

WHEREFORE, the Trustee respectfully suggests that this Court: (i) appoint a Guardian Ad Litem for Eliot's three children;(ii) enter a confidentiality or "gag order" to protect the integrity of these proceedings and to safeguard the ability of fiduciaries, including a Guardian Ad Litem, to act independently and in the best interests of the beneficiaries; (iii) strike and/or dismiss all of Eliot's filings in this case as described above for lack of standing; and (iv) grant such other relief as the Court deems appropriate.

ELIOT BERNSTEIN

v. ESTATE OF SIMON BERNSTEIN

Appellant / Petitioner(s)

Appellee / Respondent(s)

**Motion for Rehearing En Banc**

Eliot I. Bernstein, Petitioner-Appellant herein, respectfully shows this Court as follows:

1. I am the Petitioner Pro Se and file this Motion for a Rehearing En Banc of this Court's determination and dismissal of a prior petition for All Writs further seeking a Stay and Injunctive relief originally filed at the Florida Supreme Court on June 10, 2015, and re-filed on June 30, 2015 to conform with page requirements.
2. While acting pro se, I nonetheless express a belief that this case and issues are of exceptional importance under Florida Rules of Appellate Procedure 9.331.
3. The motion is further timely within Florida Rules of Appellate Procedure 9.330.
4. This Court originally issued a Decision on Nov. 30, 2015 Dismissing the All Writs Petition as "Moot" but in the caption of the Decision it only referenced the Writ of Prohibition making it unclear if the other portions of Petitioner's All Writs were Dismissed as well as

RECEIVED, 12/15/2015 9:54 PM, Clerk, Fourth District Court of Appeal

“moot” as Petitioner was seeking Mandamus relief against Florida Judge Martin Colin and other relief such as a Stay and Injunctive relief.

5. Petitioner initiated a procedural phone call to the 4th DCA on or about Nov. 30, 2015 the same day of the Decision to determine the procedure for such a Clarification and originally was told by the Clerk Staff from the 4th DCA the Dismissal applied to the entire petition.
6. Very shortly thereafter, in order to be clear on this Court’s ruling, Petitioner made a subsequent call on that same day of Nov. 30, 2015 speaking to the same 4th DCA Clerk Staff to again seek procedural guidance on how to clarify this ruling and the 4th DCA Clerk stated “they told me” the Dismissal applied to all parts of the Petition referring to the original Decision of Nov. 30, 2015 which Denied the Writ of Prohibition as “Moot” and referenced Oct. 15, 2015 as the filing date of the Petition which was filed June 30, 2015 at the Florida Supreme Court.
7. The 4th DCA Clerk clarified that this filing date was the date the All Writs Petition was Transferred by the Florida Supreme Court.
8. Within 15 minutes to a half hour or less on Nov. 30, 2015, I received an Amended copy of this Decision which now referenced the filing date of July 1, 2015 and Denying the entire Petition as “moot”.

**This is a Case of Exceptional Importance**

9. The Petition for All Writs brought up for the Florida Supreme Court the appropriateness of even ruling on the Petition for All Writs based upon a warned Conflict of Interest stemming from the following Petitioned in the All Writs:

“Eliot Ivan Bernstein has pursued in investigations since early 2000 to present, including a Petition to the White House<sup>1</sup>, the White House Counsel’s Office, the US Attorney General’s Office, investigations to the SEC<sup>2</sup>, FBI, and various State Attorney Generals, and actions with the USPTO, and other legal actions, including RICO and ANTITRUST civil litigation and criminal complaints several Florida Supreme Court Justices, The Florida Bar, several New York Supreme Court Justices, the New York Supreme Court Disciplinary Agencies 1<sup>st</sup> & 2<sup>nd</sup>, several large law firms and lawyers, political figures at the highest levels in both Florida and New York and others and this may cause any review of the following matters by any member of The Florida Bar, a subsidiary of the Florida Supreme Court, with any title in the organization, to prejudice the rights of Eliot Bernstein and his family and will be construed as a denial of due process that obstructs justice.”

10. This Conflicts of Interest section went on to further expressly name the following:

pdf would show any reviewing body or jurist that the underlying frauds at issue having been reported to the White House, White House Counsel’s Office, US Attorney General’s Office and various Federal Agencies such as the FBI implicate an ongoing Fraud upon the United States itself being fraud at the USPTO.

12. Even without reviewing the information at this resource locator, the plain text at the All Writs Petition further showed that the frauds had now elevated into Estate and Trust frauds within the State of Florida and the possible murder of Simon Bernstein and further implicating members of the Florida Supreme Court and Florida Bar as follows:

“That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father, as alleged by Petitioner’s brother Ted as a possible “murder.” The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed

after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, including multiple Frauds on the Court and Fraud by the Court itself, with irrefutable evidence of criminal acts by lawyers and law firms and now new allegations that Judges are involved on the attempt to fix and silence the crimes of other members of the Florida Bar and others.

That in the original instance of fraud that occurred against Petitioner and his family in the Courts, many of the Florida Supreme Court Justices named herein may recall that Bernstein in early 2000 began pursuing members of the Florida Bar from a case that began with Jorge Labarga and the international law firm Proskauer Rose intimately involved in thefts of technologies valued as “The Holy Grail” and “Priceless” by leading engineers and when Judge LaBarga was a circuit court judge in Palm Beach County and the complaints against the lawyers and judges involved made their way all the way up to the Supreme Court and why many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights, his inheritancy and more.

These matters are brought expressly to the forefront of this case so matters of conflicts of interest may be properly adjudicated even in the hearing of the instant petitions for writs and other relief and for consideration as to whether the entirety of these matters should be transferred to a jurisdiction outside the State of Florida and other proper relief. “ See, Petition for All Writs.

13. The case is thus of not only exceptional importance but statewide importance as not only implicating related ongoing frauds upon the United States but the fundamental Due Process issue of whether the Florida Courts themselves can be an appropriate forum for the Petitioner given the current Florida Supreme Court Judge Jorge Labarga’s involvement in the underlying frauds along with substantial members of the Florida Bar including Jerald Beer of the Ciklin, O’Connell law firm now in a case where possible murder has been alleged.
14. Thus the case should be heard En Banc as exceptional importance is shown.
15. Clearly neither the Florida Supreme Court nor this Court of the 4th DCA addressed the exceptional important issue of whether the fundamental due process can be served with the

Conflicts of Interest referenced in the petition and thus this part of the Petition was clearly overlooked and / or misapprehended.

16. Clearly the exceptional importance of the statewide due process conflict of interest issues are not moot and these matters were overlooked or misapprehended.

**Other Issues Overlooked, Misapprehended and Not Moot**

17. The Petition for All Writs further brought up mandamus against Judge Martin Colin to issue a Disqualification as a necessary and material fact witness and void all of his orders therein where clear fraud upon the Court has occurred and Judge Colin himself may be part of the machinery of the Court involved in the fraud.

18. While not stated in this Court's Decision, it was argued by Alan M. Rose on behalf of Ted Bernstein to this Court that due to Judge Colin's "recusal" which came within 24 hours of denying the mandatory Disqualification as a necessary and material fact witness rendered the Writ "moot".

19. However, this again must have been overlooked and misapprehended.

20. Judge Colin's sudden "recusal" does not change and did not change his status as a material fact witness in underlying fraud in his court which, quite interestingly, expressly involves Ted Bernstein who Alan Rose is representing.

21. Judge Colin remains a material fact witness and thus, this part of the Petition for All Writs was clearly not moot and mandamus should issue immediately so proper Disqualification Orders can be issued.

22. Further, the Petition brought up for review Judge Colin's "steering" and "poisoning" of the "Transfer" of the Case to the North Branch acts which were and are alleged to have been

beyond and outside his jurisdiction as one who mandatorily had to be disqualified under Florida law.

23. Once it is properly determined that Judge Colin should be mandatorily disqualified and subject to mandamus, all of these wrongful acts of Transfer without jurisdiction are clearly presently relevant to the case and must have been overlooked and or misapprehended by this Court and clearly were not and are not moot.
24. Further, the Petition for All Writs brought up for review under mandamus that Judge Colin's Orders issued as having been what should have been a Disqualified material fact witness at least as of Jan. 3, 2013 or by latest May of 2013 based upon when clear indisputable fraud had to have been discovered in his Court, that such Orders must be Voided.
25. In fact, the property referenced by Alan Rose to be sold was part of an illegal Order of Judge Colin grounded in fraud as a material fact witness and prohibiting this sale clearly is not moot and must have been overlooked and misapprehended.
26. This Court must have overlooked or misapprehended this part of the Petition as all of these Orders since either Jan. 3, 2013 or at least May 6, 2013 forward must now be Voided and clearly these Orders are presently impacting the Case and thus are not moot.
27. Still further, the Petitions sought specified Stay and injunctive relief none of which was or is moot and thus this Court must have overlooked and or misapprehended this part of the Petition as well.
28. Clearly the Petition for All Writs has substantial case law authority which should have been relied upon if the Petition had not been overlooked and / or misapprehended and Petitioner simply refers this Court back to the All Writs Petition for said authorities to stay in conformity of the rules preventing re-argument.

**WHEREFORE**, Petitioner respectfully prays for an Order granting En Banc rehearing relief and further issuing mandamus against Judge Colin as a material and fact witness, voiding of all Orders of Judge Colin since at least Jan. 3, 2013 or May 2013 to the present and further determination as to the impropriety of the interference in the orderly Transfer of this case to the North Branch thus transferring the case to a randomly selected independent neutral Judge unless the conflict of interest issues raised by any hearing within the State of Florida determine transfer outside the State and further that this Court should provide affirmative review of said Conflicts of interest in any further Order or Decision herein or alternatively certify the conflicts of interest and due process issue to the Florida Supreme Court as an exceptional issue of statewide and novel importance.

Dear Hon. Kerry I. Evander, VICE-CHAIR

My name is Eliot Ivan Bernstein and I

In attempting to expose this corrupt guardianship and those involved Barbara has done everything required under law and in response and retaliation her

due process rights were removed and she was portrayed as a criminal and in fact criminally arrested by Judge Genden's bizarre orders for her efforts to

protect her mother. She and her mother have been denied due process and the right to counsel and I witnessed in Federal Court before Magistrate Judge

Hunt in Florida an attorney, Deborah Rochlin, Esq. state on the stand under oath that Judge Michael Genden had issued threats against her in Ex Parte

communications that if she continued to represent the Stone family she would targeted for disciplinary actions and more, which caused her in fear of losing

her livelihood to immediately withdraw from representing the Stones. However, in heroic fashion and duty bound to report the misconduct of attorneys at

law and judges under Florida Rules of Professional Conduct, Ms. Rochlin did just that by signing a sworn affidavit stating that she was contacted by Judge Genden and a one Roy Lustig, Esq. and extorted and threatened. For this heroic act and following her duty to report misconduct, Judge Genden filed a bar complaint against Ms. Rochlin.

In Federal Court, it was exposed that Roy Lustig, Esq. has a pattern and practice of Fraud on the Court that was exposed by the Third DCA in a case involving Leo's Liquor and yet despite the courts recommendation for State Bar Sanctions and more, it appears Mr. Lustig walked protected by the State Bar of Florida and no action was taken despite his fraud on the court being proven by the court. In the hearing before Magistrate Judge Hunt however, Lustig made statements that appeared to claim that Barbara Stone, Esq. was not a lawyer and that she was some kind of fraud and this swayed and biased the opinion of Magistrate Judge Hunt so much so that he made his own efforts to discover if she were a lawyer and then in an opinion to Judge Zolch stated Barbara was a liar and not forthright with the Court. However, due to lack of diligence it appears that no one had checked her married name and thus both Judge Hunt and Lustig then had mud on the face. To resolve this problem it appears that despite Barbara having been a retired attorney at law with a blemish free career, the Florida Supreme Court through the aegis of its subsidiary The Florida Bar instantly moved to DISBAR Barbara Stone, Esq. on trumped up charges relating to her efforts to free her mother from the concentration camp she is in.

I have witnessed firsthand this same racket in the Florida Probate Courts as my family's estate and inheritance have been desecrated and robbed by Florida Attorneys at Law, including but not limited to, Robert L. Spallina, Esq., Donald R. Tescher, Esq. and Alan B. Rose, Esq. all with the help of two Florida Probate Judges, David French and Martin Colin. Attorneys Tescher and Spallina through their law firm Tescher & Spallina, PA have admitted to fraud on the court and fraud on the beneficiaries and have also admitted to submitting to the courts fraudulently notarized and forged signatures for six parties, including for my deceased father POST MORTEM and yet they have been allowed to continue to practice before the courts and the Florida Bar despite being fully aware of these crimes has done NOTHING to any of the attorneys involved, in fact, allowing Spallina to merely surrender his license without discipline despite his admitted felony criminal acts against my family, including three minor children who have been harmed by their actions. My brother on the day my father died alleged that he was murdered by poisoning and started a criminal complaint and autopsy that have also been mishandled once it was apparent that the person accused, his girlfriend was most likely innocent if he were murdered and now due to the financial crimes and fraud committed by the Attorneys at Law the potential accomplices to any murder may in fact be members of the Florida Bar who may have had a hand in any foul play due to the fact that they are the ones who have committed felony criminal acts and financial crimes against the estates and trusts beneficiaries for their own pecuniary gains. After a year a heavy metal test was finally performed and the results came back with 3 heavy metals elevated to reportable levels, including but not limited to, Arsenic and Cadmium. The attorney and judge self-regulating system of the Florida Bar and Judicial Qualifications Commission (which have no authority or jurisdiction to interfere in criminal complaints against their members) have become a joke and actually appear to be attorney protection agencies to protect the crimes being committed through the use of the courts by their members and steering and interfering with criminal charges made against members to Police and Sheriff agencies to derail the criminal investigations. Ms. Stone has also filed criminal charges against Michael Genden for his threats and extortion made upon her counsel and yet not a single law enforcement agency will investigate her criminal complaint filed in accordance with Florida Statutes. For Shame on our corrupted legal system that appears to start at the top and perverse the entire body of law in Florida and any lawyer standing up to this is instantly Witch hunted and Disbarred, effectively destroying their lives or forcing them to complicity in fear of their extorters.

My case is currently before the Supreme Court of Florida and can be found @

The crimes in these Probate cases have also caused multiple other actions to be filed both state and federally at great expense to the victims all due to criminal misconduct by Attorneys at Law and Judges. In fact, arrest has now been made of the Legal Assistant and Notary Public for Tescher & Spallina PA and similar arrest and investigation of the Attorneys at Law and Judges are underway but it appears that these may have been stymied, delayed and potentially derailed by interference in the criminal investigation by Judge Colin, which is currently under investigation as well.

All of the family estate problems may also be linked to another series of crimes still being pursued committed against both my father and myself involving Intellectual Property Thefts committed by our attorneys at law from Proskauer Rose, LLP and Foley & Lardner LLP for IP valued in the billions to trillions and which led my filing a RICO and ANTITRUST civil lawsuit that was subsequently related a New York Supreme Court Attorney Disciplinary Department Whistleblower Lawsuit of Christine C. Anderson, Esq. This lawsuit will shortly be petitioned to be reopened due to the alleged new RICO violations in the Florida Probate Courts, including new predicate acts of, Alleged Murder of Simon Bernstein, Fraud, Forgery, theft of estate and trust assets and more, all crimes again primarily committed by attorneys at law. The Florida Courts have been infected by criminals and it appears a top down takeover. Since you are at the top of the regulatory agency that is responsible for protecting the citizens of Florida from rogue and dangerous criminals disguised as Attorneys at Law and Judges I anticipate your immediate response to both Barbara and my own cases, seeking full investigation by the State Bar and JQC and joining the necessary State and Federal Criminal authorities as you are duty bound to do when members of your cartel are alleged by citizens to have committed felony acts and used the Courts as their vehicle to commit crimes. Recently, large amounts of Press have exposed the guardianship abuses running rampant in Florida and similar to the home foreclosure fraud in Florida, the crimes are being committed by “attorneys at law” and further aided and abetted by “judges” all members of an organization headed by you and where nothing is being done by your agency to take any action other than to protect the accused and aid and abet in the evasion of their criminal prosecutions.

Thank you,

**TO: JUDGE EVANDER**

**RE: RETALIATION AGAINST BARBARA STONE FOR WHISTLEBLOWING ON GUARDIANSHIP ABUSE IN THE STATE OF FLORIDA AND REPORTING THE CRIMES OF MICHAEL GENDEN AND THE FLORIDA BAR FROM: BARBARA STONE**

**DATE: AUGUST 7, 2012**

**CC: MEDIA, LEGISLATORS AND OTHER INTERESTED PARTIES**

Dear Judge Evander:

I am in receipt of the retaliatory disbarment against me for my reporting alleged criminal misconduct and wrongdoing of attorneys and judges as mandated by the Florida Bar rules. I am also in receipt of the retaliatory notice of disbarment that was filed of record in my Federal lawsuit against Michael Genden which was improper, an abuse of power and for apparently for the purpose of further prejudicing my case.

**I had expected you would investigate the crimes alleged against Michael Genden who is alleged to be engaged in heinous crimes of extortion, exploitation, holding my mother hostage and in grave danger instead of retaliating against me for exposing crimes as a mandated reporter under the Florida Bar Rules of Professional Conduct.**

It would seem that Honorable Judges would not want their profession to be tainted by judges who use the courts to engage in **alleged criminal racketeering activity and financial fraud on the order of a PONZI SCAM involving guardianship abuse.** As you are aware the State of Florida and Governor Rick Scott are trying to reform this widely reported predatory crime that runs rampant in the legal and judicial system in the State of Florida Courts whereby Elderly adults are being abused and financially devastated through the misuse of the Court system by rogue and dangerous Attorneys at Law and Judges. This dirty "secret" of guardian abuse and exploitation is so rampant that one legislator referred to these predators as "cockroaches."

I brought my mother to "guardianship court" to protect her and Michael Genden and Roy Lustig and predator "guardians" masterminded a Machiavellian scam to steal my mother, strip her rights, drug and abuse her until she is incoherent and extort her assets. These predators then rabidly escalate, retaliate and attack me to silence me from exposing this diabolical racket and **to divert, avoid, evade, dodge, obstruct, block, impede, thwart, cover up the criminal response to their alleged crimes by attacking their accuser.**

**I should be lauded for exposing the vile practice of terrorizing vulnerable adults in predator guardianships instead of attacked by vicious retaliation by judges no less.**

It is hardly "judicial" for the State of Florida to maintain a practice through its "probate/guardian" courts of slowly murdering vulnerable elderly adults by isolating them, depriving them of food, drugging them mercilessly until they are incoherent, removing them from their family so these crimes can be committed in secret, warehousing them in deplorable nursing homes and then retaliating against anyone trying to expose the crimes, including outstanding and long serving respectable members of the Florida Bar such as myself.

Please read the information attached herein. **These news stories and personal stories tell a tale of fraud and crimes and cover up in guardianship and probate courts so horrific that it is impossible to fathom. We are in a crises -reform cannot be instituted soon enough.** Steven King the master of macabre could not even contemplate the Machiavellian horrors devised by attorneys Roy Lustig and Steven Hertz (the husband of guardian Jacqueline Hertz) and others of their ilk who have **masterminded this guardianship probate racketeering scheme of theft** for years to the point where the problem has spread like wildfire and is endemic. One of the best exposes is reported by Marti Oakley, expert on guardian abuse in this YouTube that must be heard:

[https://ppig.files.wordpress.com/2014/05/renew\\_oakley\\_062911.mp3](https://ppig.files.wordpress.com/2014/05/renew_oakley_062911.mp3)

**The 3<sup>rd</sup> DCA exposed Roy Lustig's fraud and corruption in the case of Leo's Gulf Liquors v. Lakhani No. 3D00-130, 802 So. 2d 337 (2001) where he was found guilty of fraud on the court, repeatedly lying under oath and perjury. Yet due to the failure of that Court to refer him to the State Attorney and the Florida Bar as reported by the Sun Sentinel, the Florida Bar did not take disciplinary action against him, in fact they have colluded with him in retaliation against me yet Lustig who engaged in misconduct so brazen that although courts rarely issue such rulings against an attorney, they found Lustig's conduct so abhorrent they issued a scathing opinion against him.**

Due to the lack of prosecution by the Florida Bar or criminal authorities, he is unafraid of retribution and has now perfected his fraud on and in the court to terrorize and extort elderly adults. Lustig deliberately perjured a guardian report and fabricated pleadings in my case denying the life threatening condition of my mother thereby repeatedly placing my mother in grave danger all while Judge Genden aided and abetted and refused to take judicial action, instead retaliating against me and destroying my life to shut down my efforts to expose what is now fast becoming public knowledge.

Thus my mother, a once vital, healthy self-sufficient woman in need of only a short term financial guardianship was corralled into this vicious medically induced guardianship and now languishes in a disgusting nursing home, diapered, drugged, isolated, her stomach cut open to shove a feeding tube (a criminal battery) into her without need and she has almost died repeatedly. My mother has not eaten food or water in almost 2 years. These are hate crimes, crimes of ISIS terrorists posing as attorneys and judges and guardians. To remove and isolate an elderly woman from her daughter in the remaining years of her life is an act of malice and cruelty by someone devoid of morals. It is certainly not the act of a judge.

Jacqueline Hertz, now recently deceased was a master of this depraved human trafficking racket orchestrated in conjunction with Florida Bar members acting as Judges and Lawyers who are all involved in the feeding frenzy to rob family estates statewide.

When I reported and exposed alleged criminal acts to the Florida State Bar, the Judicial Conduct Commission and state and federal authorities, Genden in an monumental abuse of power, removed not only my access to the Court, but revamped the filing system to secret away the court documents from the public in violation of the Constitution to attempt to cover up the crimes of the probate Court and the Court appointed Guardians and Attorneys at Law.

My whistleblower complaint filed with the Supreme Court exposes this charade of justice and the incompetent system of having lawyers oversee the discipline of other lawyers and judges instead of having them independently investigated and criminally prosecuted. This self-regulating system is inherently conflicted and unconscionable and must be reformed by the use of independent investigatory agencies.

The cover up and whitewashing of violations of canons, ethics and crimes has exploded because there is no accountability and discipline. Christine Anderson, Esq. another whistleblower attorney in New York who was an insider in the disciplinary system attempted to expose the widespread corruption of the failed and criminal disciplinary system and she like myself was grossly retaliated against. Joanne Denison, Ken Ditkowsky and Lanre Amu exposed the corruption in Illinois and were suspended or disbarred. Other attorney whistleblowers across the country including Teddy Moore and Cole Stuart have been retaliatory disbarred or suspended for exposing the crimes of other lawyers and judges, their only crimes.

Wilfredo Ferrer, the Miami USDA said in an interview with Steven Kroft on 60 minutes that Miami is the most corrupt city in the country. Is this how the State of Florida wants to be identified?

1. Stripping an elderly adult of their Constitutional and civil rights, denying their due process, forcing them into medically induced guardianship, terrorizing and abusing them and extorting their assets and property while family members futilely try to free them, off their rights and stealing and extorting their family assets?
2. Protecting and covering up alleged crimes by so called "attorneys" and "judges" who operate a racketeering enterprise rife with corruption and fraud?. My mother confided to me on a recorded line that she was in fear of her life –that strange "aides" and other unknown persons from barely legitimate "care agencies" hired by Hertz and Lapidés were coming into her home every day, stealing her food, her money and drugging her until she was incoherent. These substandard agencies were used by these predators, Hertz and Lapidés to deprive my mother of quality care so her assets could be diverted to Hertz, Lapidés and Lustig.
3. Retaliating against many witnesses who saw and reported my mother's drugging, abuse, the deprivation of food and other heinous crimes? Michael Genden denied my mother the right to counsel to keep the racket under wraps and further denied me the right to independent counsel and to file Pro Se virtually stripping my rights to due process in his racketeering enterprise. Another Attorney at Law, Debra Rochlin exposed in an affidavit that Michael Genden threatened her to force her to cease representing my mother and myself or he would file a bar complaint against her. She was so fearful that she withdraw as counsel in fear of her livelihood, leaving her exposed to vicious retaliation and leaving my mother defenseless. Despite her withdrawal, Genden then viciously filed a Florida Bar Complaint against her in efforts to destroy her life as he has done mine and my mothers' and any party exposing his malice.
4. Enabling and covering up for a judge who is engaged in terrorist crimes against a vulnerable elderly woman and her daughter in a court that has descended into a terrorist enterprise?
5. Abetting a judge who isolates an elderly woman from her daughter and keeps her caged in a lock down unit where she is denied all visitors so she can be abused and extorted in secrecy? Please refer to the fraudulent invoices of these predators set forth in link on the enclosures.
6. Abetting a judge who issues orders that are a product of fraud, perjury and fabrication in order to defraud an elderly woman?
7. Abetting a judge who engages in extortion, threats, retaliation and knowingly and intentionally endangers the life of an elderly adult?
8. Abusing the Federal and appellate courts in the State of Florida that are presided over by Florida Bar members to cover up

and shield Michael Genden issuing brazenly irrational and retaliatory rulings that have no semblance of legitimacy. This is obvious in the “ruling” by Judge Kathleen Williams (apparently a “hand-picked” judge as she is familiarly referred to as “Kathy” by Genden and Lustig) wherein she stated in an order issued June 2, 2014 that even if Ms. Stone raised sufficient concerns about the danger to her mother, **she did not know how removing the guardians would alleviate that concern.**

There is not even a semblance of due process in any of my matters where emergency petitions are ignored, and judges are hand selected. The lack of due process is so open that an order was issued by one judge “hand-selecting” another conspiratorial judge to “preside” over the retaliatory “disbarment” of me, a retired attorney in direct violation of the rules that mandate blind assignment.

**It should be obvious that in none of my lawsuits, appeals or other legal actions, THERE HAS NEVER BEEN AN EVIDENCIARY HEARING NOR HAS MICHAEL GENDEN EVER RESPONDED TO ANY OF THE ALLEGATIONS. Instead, there is a rush to deny my due process, obstruct my justice, and aid and abet Michael Genden to enable him to avoid accountability for his alleged criminal acts and violation of judicial canons and ethics.**

What is apparent is that the Courts, the Prosecutors, the Judges, the Attorneys at Law involved are all working together to protect and cover up alleged crimes by so called “attorneys” and “judges” that operate a racketeering enterprise rife with corruption and fraud. Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community and the courts who fail to provide accountability and are tainting the legal process.

Judicial misconduct is running unchecked in all courts across the State of Florida, particularly in the very courts where families require the most protection—probate/guardian, family court, bankruptcy and foreclosure. Families are being destroyed by the very courts who should serve justice. Judges as in the case of my retaliatory disbarment are hand selected to silence reports of crime and misconduct. Lawyers and judges have fiduciary duties to insure the integrity of the judiciary and the legal system. A task force is urgently needed to address this tsunami of corruption/human trafficking.

Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community. The Federal and appellate courts who fail to provide accountability are subverting and perverting the legal process.

I came to Court to protect my mother. Instead we have been embroiled in a nightmarish vicious racket of criminal acts so depraved, they transcend comprehension.

This will request that Michael Genden be removed from the bench and an immediate independent investigation of these alleged criminal acts be commenced. Again, I provide you with the guardian playbook by which these crimes are committed and a request to return ethics, legitimacy and justice to the judiciary.

Sincerely,

Barbara Stone

Florida Judge, Judge L. Phillips RULES to not disqualify himself? WOW, is that Lawful? Ethical? What is Judge Phillips up to, I mean its been many years right and Ted Bernstein and his Cronies have run off with the money, forged documents and yet all are NOT in Jail and NOTHING happens in the Case.

Yet Judge JOHN L PHILLIPS wants to continue being the Judge in all these cases? Why? He is not doing anything to move them forward and sure seems to be aiding and abetting criminals. Umm and the OBVIOUS is, it is NOT legal for Judge Philips to rule on his disqualification. A higher Judge has to do that, been there many times. So what is the not so honorable Judge John Philips up to? Hmmm..

Here is Eliot Bernstein's motion to Disqualify Florida Circuit Judge, Click Below to Read

Here is Florida Judge, Judge John Philips ruling on his own disqualification. Gee YEP he ruled to keep himself as judge of a case that has been deliberately, maliciously, unethically, unconstitutionally and illegally stalled for years. All the while the Bad Guys sell off assets and move on with their life, and the Bad Guy attorneys continue to violate the constitutional rights of other clients in Florida. All while Bad Judges, such as Judge Colin and Judge Philips look the other way to aid and abet them.

**Investigative Blogger Crystal Cox THINKS it is time to File a Lien against ALL the Judges involved in the massive fraud on the courts, property theft, forgery, and constitutional rights violating case of the Shirley Bernstein Estate and Simon Bernstein Estate going on now in the Florida Probate Courts and involving Judge Martin Colin, Judge David French, Judge Charles E. Burton, Judge David Crow and possible the Sheriff of Palm County Florida.**

Let's take a look at your rights to PUT a lien on a Judge or Sheriff.

Information on filing a lien against a bond of a Judge.

I believe state officers are required by statute or by the head of any state department to secure and give a fidelity bond, a bond that ensures their actions.

It is my understanding that if you feel a Judge is corrupt or is not upholding the law or your constitutional rights, you Can You File A Lien Against His Bond On File In Order To Force Him To Do His JOB.

If a judge wants to play "god" in the courtroom, and totally ignore the rules of law and your constitutional rights. I believe you can file a lien upon his bond in order to force him into complying with the law. As it sure seems the Judge and Sheriff are neglecting their duties and neglecting their court.

If a Judge is "railroading" you, clearly acting outside of the laws of the United States and the State of Florida, then it is my understanding that you certainly can file a lien against this judge for his total ignoring of law and violating your rights of due process and constitutional rights.

It is my understand that a judge and a Sheriff cannot work in their job if they cant get bonded.

So why NOT file your Proof of Corruption AND the UnEthical, UnConstitutional, and UnLawful actions of the Judges in this case as a LIEN against their BOND?

Tips, Information and Laws on How to File a Lien against a Judges Surety Bond in Florida

It is my understanding that when you file a lien against a public servant the lien holder/ins company does an investigation, thus they must see proof as to the validity of the lien. In the Simon Bernstein and Shirley Bernstein Estate we see clear evidence of fraud, forgery and attorneys seem to be conspiring with Judges, or so it looks that way from what I have read.

We see clearly that these attorneys and Ted Bernstein conspired with or are connected to Kimberley Moran of Tescher and Spallina law firm to have it look as if Simon Bernstein signed documents, and had them notarized at Tescher & Spallina Law Firm with Kimberley Moran AFTER HE DIED.

This evidence is clear, it is on court dockets, in hearing transcripts, on Governor complaints and rulings, on sheriff reports and yet Judge Martin Colin and other Judges in this case seem to be protecting estate and probate law firm Tescher & Spallina and Boca Raton Insurance Company Life Insurance Concepts, Ted Bernstein.

Palm County Florida Sheriff

Ted Bernstein

This is all connected to the multi-Billion dollar legal action of the iViewit technology case and I myself believe that these judges are favoring what looks to be corrupt lawyers and they may possibly be getting a kick back as there is plenty of money to be had in this case, as we have previously seen from the iViewit case naming all of this same parties and worth 100's of BILLIONS. I believe the Judges involved in the Simon Bernstein and Shirley Bernstein Estate forgery and fraud case have violated title 42 USC code. I also believe they have ALL violated 28 U.S.C. § 455, the Due Process Clause of the Fourteenth Amendment to the Constitution, The Code of Conduct for United States Judges, and have violated human and civil rights of the victims of this case.

If Judge Martin Colin appointed Ted Bernstein executor of the Simon Bernstein state after he knew of clear forgery and fraud on the courts and crimes against the true heirs of the Simon Bernstein, and Shirley Bernstein Estate, is Judge Martin Colin liable for the financial damage and hardship that his rulings outside of law and the constitutional rights of those in his court?

Did Judge Martin Colin require a probate bond in this case where millions are at stake and there is massive fraud, estate assets sold off and stolen?

Do laws in the State of Florida require the executor of an estate to provide a probate bond to the courts? Probate bonds will guarantee that executors of the estate will not alter or damage the estate. Did Judge Martin Collin require a probate bonds in this case?

Did Tescher & Spallina provide a probate bond? This is a rather large estate and assets over a million dollars each have already been SOLD off, by what looks like the fraudulent activity of Ted Bernstein conspiring with Donald Tescher and Rober Spallina of Tescher & Spallina.

Are there any laws or ways to uphold the estate and probate law in Florida when someone dies and their own attorneys and estranged offspring loot their estate?

Also in this there was a condo already sold for over a million that may have undersold for a million, this involved a buyer named Wesley Voorheis, who I believe made a deal of some kind to get the property for at least a million less then it was worth, by way of some shady dealings with Life Insurance Concepts and Ted Bernstein, just how I see it.

Note: I am a REAL ESTATE Forensics EXPERT, I do not claim to know fully Florida Law. However, this property SOLD via Old Republic National Title Insurance Company, and had Title Insurance insuring that it was SOLD by the property own and there sure seems to be some fraudulent actions here in my opinion, here is my report and opinion on the Shirley Bernstein Condo Sale.

It appears to me that Gregory Gefen of Signature ALL REGENCY TITLE COMPANY, Signature Title Group Knowingly allowed Ted Bernstein to steal a 1.6 million dollar property, just how I see it.

So Is Wesley Voorheis a Proxy for Ted Bernstein?

I fully believe, in my opinion that the above sale involved mortgage fraud, title insurance fraud and banking fraud at least. It also seems that the Bank of Montreal is somehow connected to all this, in what sure seems to me to be white collar crime.

How in the world did what seems to be a Canadian Resident, Wesley Voorheis, get a single Family Fannie Mae loan on a condo of this value in FLORIDA? Is this a primary resident? Is this Fannie Mae FRAUD? Surely Fannie Mae, Wesley Voorheis, BMO Harris Bank N.A., and Steve Paraggua know about the fraud and forgery in connection with all of this.

Here is the Mortgage Document I am commenting on;  
<https://docs.google.com/file/d/0Bzn2NurXrSkiQjlmSmRoXJBdHc/edit>

I personally believe that Ted Bernstein of Life Insurance Concepts did some deal to hide this asset from the rightful heirs, either with Wesley Voorhei knowing or not knowingly conspiring, just my opinion.

A bit more on this Condo Sale

Note: Look at this Insurance company also questioning issues of these Estates, yet the Judges involved are "playing dumb". There is so many layers to all this, meanwhile the victims of all this, in this moment are children and are the heirs of the estate, in which Tescher and Spallina seem to have VIOLATED the wishes of their now deceased clients.

Judge David Crow, Judge in Kimberly Moran Case

So can the True and Correct lawful heirs of the Simon Bernstein, and Shirley Bernstein Estate file a lien against the Judges and Sheriff involved, as there are some pretty hefty price tags on these assets and I believe these judges now have some liability.

Folks, pay attention to this case as many of your parents, grandparents move to Florida, many of you in Florida over a lifetime; you work your whole life, pay your attorneys to carry out your wishes and the commit forgery having documents signed by you AFTER YOU DIE, and Florida Judges such as Judge Charles E. Burton, Judge David Crow and estate and probate Judges such as Judge Martin Colin and Judge David French, as well as the Sheriff of Palm County Florida should be liable for any action that violated the constitutional rights of the victims of this case or did not uphold the oath of their office.

It looks to me, in my Opinion, as if these Judges and the Sheriff violated 28 U.S.C. § 455, the Due Process Clause of the Fourteenth Amendment to the Constitution, The Code of Conduct for United States Judges, and 28 U.S.C. 455.

And I think that Victims of these Judges should file a Lien against their Bond.

## Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he favors and having conflicts of interest. Judge Martin Colin should have walked away from the Simon Bernstein Estate Case and the Shirley Bernstein Estate Case long Ago.

"The self-proclaimed adopted son of the late mob boss John Gotti, Kasman didn't like the way the Gambino crime family treated him after the Dapper Don died in prison in 2002. So the 51-year-old Boca Raton man strapped on an FBI wire and spilled information that in February helped the feds build criminal cases against 62 reputed New York mobsters.

Now Kasman has his sights set on a much less notorious target: Palm Beach County Family Court Judge Martin Colin.

Using court decisions that grew out of a long-running legal battle among Colin and his wife and her ex-husband, Kasman is on a tear to have the judge thrown out of office and get longtime Democratic power broker and attorney Henry Handler disbarred...

When the Judicial Qualifications Commission, which disciplines judges, meets in mid-July, it will consider claims from Kasman and at least two other men that the judge dished out favors to attorneys who represented his wife in her divorce. Similar allegations have been raised in a strange and tortuous legal battle that went all the way to the Florida Supreme Court. The Florida Department of Law Enforcement has investigated as well.

Colin and attorneys embroiled in the quagmire dismiss allegations that a conspiracy was afoot to tip the scales of justice against Kasman or anyone else."

"During the protracted divorce that chewed through at least five judges, Lewis Kasman accused one of them - Palm Beach County Circuit Judge Martin Colin - of failing to reveal his ties to the firm. Weiss Handler briefly represented Colin's wife in her divorce from a previous husband. While Colin had been ordered by the Fourth District Court of Appeal to tell litigants who came before him about his wife's connection to the firm, he didn't tell Lewis Kasman."

### Why is Judge Martin Colin of Boca Raton Florida still presiding over the Simon Bernstein Estate Case and the Shirley Bernstein Estate Case?

Judge Martin Colin knows of fraud, forgery, possible murder and claimed he "should" read the attorneys involved their Miranda Rights but still no one has a criminal investigation and on top of that Judge Martin Colin is letting these attorneys still have a say in these estates knowing full well that have committed crimes.

Judge Martin Colin knows that officers of his court, attorneys, and law firms have committed crimes yet he lets them have a say in who gets to be the personal representative in these estates. And seems to be planning to use some "Hat Trick Method", a law it seems he made up, in order to pick this powerful position over these estate matters.

Judge Martin Colin knows full well that these guys have acted illegally, so why would he still give them power in this case.

Judge Martin Colin knows that John J. Pankauski has massive conflicts of interest yet lets this lawyer have a say in these matters, knowing full well that John J. Pankauski is violating attorney client privilege, has misled Eliot Bernstein to get personal information, strategy in the case, and proprietary information in this case to then use against Eliot Bernstein acting as counsel

6/4/2014 the Ted Bernstein Report by Investigative Blogger Crystal L. Cox Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he fa... to the opposition.

Judge Martin Colin knows that John J. Pankauski SHOULD not even be allowed in the court room on this, so why is Judge Martin Colin letting all this still go on?

Why is Judge Martin Colin letting a clearly conflicted John J. Pankauski of Pankauski Law Firm get to pick a possible PR in this matter? Is this Legal? I say it is not LEGAL, as far as I see it and certainly there is no law that conflicts checks, due diligence and judicial duty in estate cases is about putting NAMES IN A HAT. This is ludicrous at best.

All of these crimes CLEARLY happened in Judge Martin Colin's court, yet he does not report the crimes, seems to do nothing to bring justice to these rogue and lawless lawyers and now Judge Martin Colin is a material witness to all this, and still does nothing and refuses to remove himself from these proceedings, WHY?

#### Who PROTECTS Judge Martin Colin to act completely outside of the Law?

The above articles seems to be saying that Judge Martin Colin is connected to the mob, abuses his judicial power to favor attorneys he likes, and blatantly ignores conflicts of interest.

Its the Law that Judge Martin Colin must reclude himself if he has a conflict, yet Judge Martin Colin refuses to remove himself and also rules on this matter himself, which is not lawful I have seen this in many courts, and the superior Judge rules on this motion, NOT the Judge who the litigant is asking to be removed. This is not LAWFUL.

#### HERE is a Bit on Judicial Laws and Judicial Disqualification

"According to, Judicial Disqualification: An Analysis of Federal Law, Second Edition, Charles Gardner Geyh, Associate Dean of Research, John F. Kimberling Professor of Law, Indiana University Maurer School of Law, a Federal Judicial Center Publication;

"For centuries, impartiality has been a defining feature of the Anglo-American judge's role in the administration of justice.

The reason is clear: in a constitutional order grounded in the rule of law, it is imperative that judges make decisions according to law, unclouded by personal bias or conflicts of interest.

Accordingly, upon ascending the bench, every federal judge takes an oath to "faithfully and impartially discharge and perform all the duties" of judicial office; and the Due Process Clause of the Fourteenth Amendment to the United States Constitution has been construed to guarantee litigants the right to a "neutral and detached," or impartial, judge.

Moreover, in a democratic republic in which the legitimacy of government depends on the consent and approval of the governed, public confidence in the administration of justice is indispensable.

It is not enough that judges be impartial; the public must perceive them to be so.

The Code of Conduct for United States Judges therefore admonishes judges to "act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary" and to "avoid impropriety and the appearance of impropriety in all activities"

"When the impartiality of a judge is in doubt, the appropriate remedy is to disqualify that judge from hearing further proceedings in the matter.

In Caperton v. A.T. Massey Coal Co., a case concerning disqualification of a state supreme court justice, the U.S. Supreme Court reaffirmed that litigants have a due process right to an impartial judge, and that under circumstances in which judicial bias was probable, due process required disqualification. The Court noted, however, that disqualification rules may be and often are more rigorous than the Due Process Clause requires.

So it is with disqualification requirements for federal judges, which require disqualification when a judge's impartiality "might reasonably be questioned."

(a) Any justice, judge, or magistrate judge of the United States shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned.

(b) He shall also disqualify himself in the following circumstances:

(1) Where he has a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding;

(2) Where in private practice he served as lawyer in the matter in controversy, or a lawyer with whom he previously practiced law served during such association as a lawyer concerning the matter, or the judge or such lawyer has been a material witness concerning it;

(3) Where he has served in governmental employment and in such capacity participated as counsel, adviser or material witness concerning the proceeding or expressed an opinion concerning the merits of the particular case in controversy;

(4) He knows that he, individually or as a fiduciary, or his spouse or minor child residing in his household, has a financial interest in the subject matter in controversy or in a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding;

(5) He or his spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person:

(i) Is a party to the proceeding, or an officer, director, or trustee of a party;

(ii) Is acting as a lawyer in the proceeding;

(iii) Is known by the judge to have an interest that could be substantially affected by the outcome of the proceeding;

(iv) Is to the judge's knowledge likely to be a material witness in the proceeding.

(c) A judge should inform himself about his personal and fiduciary financial interests, and make a reasonable effort to inform himself about the personal financial interests of his spouse and minor children residing in his household. 10 Judicial Disqualification: An Analysis of Federal Law

(d) For the purposes of this section the following words or phrases shall have the meaning indicated:

(1) "proceeding" includes pretrial, trial, appellate review, or other stages of litigation;

(2) the degree of relationship is calculated according to the civil law system;

(3) "fiduciary" includes such relationships as executor, administrator, trustee, and guardian;

(4) "financial interest" means ownership of a legal or equitable interest, however small, or a relationship as director, adviser, or other active participant in the affairs of a party, except that:

(i) Ownership in a mutual or common investment fund that holds securities is not a "financial interest" in such securities unless the judge participates in the management of the fund;

(ii) An office in an educational, religious, charitable, fraternal, or civic organization is not a "financial interest" in securities held by the organization;

(iii) The proprietary interest of a policyholder in a mutual insurance company, of a depositor in a mutual savings association, or a similar proprietary interest, is a "financial interest" in the organization only if the outcome of the proceeding could substantially affect the value of the interest;

(iv) Ownership of government securities is a "financial interest" in the issuer only if the outcome of the proceeding could substantially affect the value of the

securities.

(e) No justice, judge, or magistrate judge shall accept from the parties to the proceeding a waiver of any ground for disqualification enumerated in subsection (b). Where the ground for disqualification arises only under subsection (a), waiver may be accepted provided it is preceded by a full disclosure on the record of the basis for disqualification.

(f) Notwithstanding the preceding provisions of this section, if any justice, judge, magistrate judge, or bankruptcy judge to whom a matter has been assigned would be disqualified, after substantial judicial time has been devoted to the matter, because of the appearance or discovery, after the matter was assigned to him or her, that he or she individually or as a fiduciary, or his or her spouse or minor child residing in his or her household, has a financial interest in a party (other than an interest that could be substantially affected by the outcome), disqualification is not required if the justice, judge, magistrate judge, bankruptcy judge, spouse or minor child, as the case may be, divests himself or herself of the interest that provides the grounds for the disqualification.

Sections (a) and (b) occupy the core of § 455 and should be read together. The two sections divide the universe of disqualification into two halves: the general, catch-all category of § 455(a), which requires disqualification from any proceeding in which a judge's "impartiality might reasonably be questioned"; and a list of more specific grounds for disqualification in § (b).

The remainder of § 455 is directed at implementing §§ (a) and (b):

- Section (c) admonishes judges to keep abreast of their financial interests to ensure that they know when to disqualify themselves under § 455(b)(4).

- Section (d) defines terms employed in §§ (a) and (b).

- Section (e) provides parties with a limited opportunity to waive disqualification otherwise required by the catch-all § (a)—typically where the judge is poised to disqualify himself or herself *sua sponte*—but does not permit the parties to waive disqualification required by the more specific provisions of § (b).

- Section (f) provides a limited opportunity for judges to avoid the need to disqualify themselves for financial interest under § (b)(4) through divestiture.

## 2. Interpretive ground rules

### a. Interpreting § 455(a) in relation to § 455(b)

As embodied in § 455, §§ (a) and (b) are conceptually separate.

Section (a) compels disqualification for the appearance of partiality, while § (b) "also" compels disqualification for bias, financial interest, and other specific grounds. In contrast, the Model Code of Judicial Conduct—after which § 455 was originally modeled—and the current Code of Conduct for United States Judges unify the two halves conceptually by characterizing the specific grounds for disqualification as a nonexclusive subset of circumstances in which a judge's impartiality might reasonably be questioned.

For the most part, this may be a distinction without a difference—disqualification is required if the specific or general provisions are triggered, regardless of whether the specific provisions are characterized as a subset of or separate from the general.

On the other hand, by conceptualizing them separately, § 455 can require disqualification under specific circumstances enumerated in § (b) that might not reasonably be characterized as calling a judge's impartiality into question under § (a). For example, § (b)(4) requires judges to disqualify themselves for financial interest "however small," which necessarily includes an interest so small that it could not reasonably call the judge's impartiality into question.

Any circumstance in which a judge's impartiality might reasonably be questioned under § (a) requires disqualification, even if the circumstance is not enumerated in § 455(b).

At the same time, when § 455(b) identifies a particular situation requiring disqualification, it will tend to control any § 455

(a) analysis with respect to that specific situation. For example, §455(b)(5) requires disqualification when one of the parties is within the third degree of relationship to the judge. Consequently, a fourth-degree relationship to a party does not by itself create an appearance of partiality requiring disqualification under § 455(a)—although disqualification under § 455(a) might still be appropriate if, for example, the judge's personal relationship with the fourth-degree relative was so close as to call the judge's impartiality into question. As the Supreme Court explained, "[s]ection 455(b)(5), which addresses the matter of relationship specifically, ends the disability at the thirddegree of relationship, and that should obviously govern for purposes of § 455(a) as well."

The 1974 amendments to § 455, however, shifted the balance by requiring disqualification whenever a judge's impartiality "might" reasonably be questioned, and the legislative history made clear that in revising the statute, Congress sought to end the "duty to sit".

6/4/2014 the Ted Bernstein Report by Investigative Blogger Crystal L. Cox Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he fa...

“When Congress amended § 455(a), it made clear that judges should apply an objective standard in determining whether to disqualify. A judge contemplating disqualification under § 455(a), then, should not ask whether he or she believes he or she is capable of impartially presiding over the case.

Rather, the question is whether a judge’s impartiality might be questioned from the perspective of a reasonable person, and every circuit has adopted some version of the “reasonable person” standard to answer this question.

In the context of denying a motion for his disqualification from *Cheney v. United States District Court for the District of Columbia*, Justice Scalia noted that this reasonable person is aware “of all the surrounding facts and circumstances.” The Second Circuit has characterized the reasonable person as an “objective, disinterested observer” who is privy to full knowledge of the surrounding circumstances.”

...

“The question has sometimes arisen as to whether the standard for disqualification differs in a bench trial where the judge’s role is even more pivotal than in a jury trial. In *Alexander v. Primerica Holdings, Inc.*, the court of appeals said: “We cannot overlook the fact that this is a non-jury case, and that [the judge] will be deciding each and every substantive issue at trial . . . . When the judge is the actual trier of fact, the need to preserve the appearance of impartiality is especially pronounced”

Pursuant to 28 U.S.C. 455, and upon examination of the record, I, Personally believe that Judge Martin Colin is NOT impartial and is violating the constitutional and lawful rights of the victims in this case.”

<http://www.law.cornell.edu/uscode/text/28/455>

Judge Martin Colin SHOULD NOT, as a matter of law and the duties of his Judicial Office, be RULING on a Motion to NOT exclude HIMSELF. This is unethical, unconstitutional and sure seems to me to be illegal

### 7020 Lions Head Lane Boca Raton. Real Estate Buyers have a Legal Right to have FULL DISCLOSURE. Buyer Be AWARE.

Why Does Alan Rose Want to HIDE the TRUTH from the Buyers of this Property?

Why Does Judge Martin Colin Think it is ok to HIDE the Truth From Real Estate Consumers?

It is NOT ok for a Real Estate Broker, a Seller or a JUDGE to HIDE Known Facts about a Real Estate Transaction from a Real Estate Consumer. PERIOD.

Assets seem to have been stolen long ago. The property has been left to be run down. The courts simply do nothing to protect this asset and now a buyer is to get in the middle of a mess? I have been a real estate broker, owner of my own company for 15 year and a Real Estate Advocate for Real Estate Buyers. I would not go anywhere near this property until the estate is REALLY Legally Settled. Check out the transcript below as attorney Alan Rose whines and cries to PREVENT disclosure to the Real Estate Consumer.

Judge Martin Colin has no LEGAL Reason, as a matter of LAW to withhold to a real estate buyer that the property is in litigation, this is a violation of the BUYERS Rights, and again the LAW PERIOD.

John Poletto, a real estate broker in Florida seems to have no issue with hiding know facts from buyers. The law is that latent defects, lawsuits, and anything that can harm a buyer MUST be disclosed so why is the Florida Courts allowing this cover up that will cause BUYERS massive headache, stress and legal liability.

<https://drive.google.com/file/d/0Bzn2NurXr5kiVUFCVZKb1YtWnM/view?usp=sharing>

I am a Broker, a Real Estate Advocate, a Real Estate Whistleblower and I have owned my own real estate company for over 15 years. Check out the Transcript below as you see a JUDGE, and several attorneys seem to conspire to aid and abet a real estate sale and NOT disclose to BUYERS that they may spend years in litigation down the road after they have fixed up a place that Ted Bernstein let run down as a BAD PR for the property.

It is NOT ok for a JUDGE to want to hide this litigation from BUYERS. It is not lawful nor morally ethically for Judge Martin Colin to NOT want BUYERS to know when this affects their VERY life, the life of their children and their quality of life in EVERY WAY.

SHAME SHAME on this JUDGE.

Really, Look Below, this document clearly shows this JUDGE ranting about YOU, the Real Estate Consumer NOT having a right to know what the Real Estate Seller and the Real Estate Broker KNOW and by law have to disclose. WOW.

Donald Tescher on the Far Right

Check out the Documents in this Florida Estate Case. The overseeing judge is Judge Martin H. Colin who "almost" read the attorneys their Miranda Rights. We have forgery, fraud, dead people signing documents, possible murder, sibling rivalry and all the makings of a Law and Order mini series. Read these document, and decide for yourself who is committir fraud, who is lying, who is telling the truth, who is abiding the law and take a deep look as to whether you want to buy insurance from Ted Bernstein of Life Insurance Concepts, or your Estate "Handled" by what sure looks to me to be crooks who will do as they please after you die, regardless of your wishes.

Donald Tescher in the Middle

More Robert Spallina and Donald Tescher, Tescher and Spallina Law Firm, Ted Bernstein of Life Insurance Concepts, Greg Geffen Attorney Signature Title, and Florida Notary Kimbe Moran seem to be involved in a massive Florida Insurance Scam and Estate Fraud Case, overseeing judge is Judge Martin H. Yet it is clear from the court documents above, that Donald Tescher and TESCHER & SPALLINA, P.A will do as they please after you die, regardless of what your TRUE wishes are and regardless of how much you pay him, or to what lengths, efforts and legal means you go to prepare your ESTATE to be handled per your wishes.

And it sure seems that the JUDGES in Florida will assist Tescher and Spallina, even if they are involved in clear fraud, forgery and acting outside of the law and the wishes their clients estate plans.

Investigative Blogger Cryst: Cox Alleges that Ted Bernstein this is in connection with other insurance and high finance scams in which Ted Bernstein of Boca Raton Florida may be involved int.

"Boca woman arrested after police say she offered botox, told people she was a nurse

"BOCA RATON, Fla. - The Florida Department of Health's Investigative Services Unit- West Palm Beach, announced that their joint investigation with the City of Boca Raton Police Department and the Florida Department of Corrections has led to the arrest of Sheri Goldman for the unlicensed practice of a health care profession, which is a third degree felony punishable by up to five years in jail.

Goldman was also arrested for violation of probation based on a previous arrest for unlicensed activity in Palm Beach County.

The joint operation was conducted after the City of Boca Raton Police Department received an anonymous complaint that Sheri Goldman was offering Botox injections and claiming be a nurse.

Authorities say Goldman is not licensed to perform any health care profession within the state of Florida.

After a joint undercover operation with the listed agencies at Goldman's place of business, Beauty & Balance, she claimed to be an "OR nurse." In addition, a search of the website [www.groupon.com](http://www.groupon.com) revealed she was posing as a "surgical nurse" according to investigators.

DOH has several resources to combat unlicensed activity: Consumers are encouraged to use DOH's Web site [www.flhealthsource.com](http://www.flhealthsource.com) where they can view the license information o their health care practitioner.

## Simon Bernstein Irrevocable Insurance Trust Dtd 6/21/95 v. Heritage Union Life Insurance Company; Insurance Fraud, Forged Documents, Murder Allegations, No Policy and Millions Paid.

**Note:** All Cases on this property INVOLVE property located at 7020 Lions Head Lane Boca Ratonl, Florida, 2494 S Ocean Blvd, Apt C5, Boca Raton, FL 33432, and 880 Berkley St. Boca Raton. These properties are tied up in multi-millions in litigation and they don't want potential buyers to know. Do your homework folks. As a, what seems to be corrupt, lawless or just ignorant Florida Probate Judge is ordering that you, the REAL Estate Buyer NOT be told (DISCLOSED) as to what will inevitably affect your life.

The Ocean Blvd property was SOLD, I believe through a fraudulent residential loan. As it is clearly and investment property and the buyer does not even live in the country. I believe the buyer is friends with Ted Bernstein or associates, and is connected to the lender and others acting in Civil Conspiracy regarding buying this property with little mney down, a low interest residential loan out of Illinois and then profiting tax free acting as if it's a primary resident instead of an investment property.

Meanwhile in Judge Colin's Court in Palm County Florida there is massive crimes and cover up and Judge Martin Colin seems to want to sweep it all under the rug and get it out of the Illinois courts where Justice may be served.

Judge Martin Colin seems to be involved in a Probate Attorney Protection racket, and the victims are children and other innocent citizens. Meanwhile years go by and properties are run down, stolen, sold. .. money disappears, jewelry gone, and so much admitted fraud and forgery AND Judge Martin Colin DOES nothing.

Ted Bernstein pays for an attorney with Estate money and seems to pay for his own life, while other heirs have no attorney, no rights and some are minors. Judge Martin Colin has clearly broken the law and violated constitutional rights and seems to believe he is so connected (probably to Labarga and others from his Prosecutor job) that he will never face prison or any kind of justice. I say he is wrong and that one day someone will bring Judge Martin Colin to Justice.

Here is the Illinois Docket  
<http://ia601902.us.archive.org/6/items/gov.uscourts.ilnd.283534/gov.uscourts.ilnd.283534.docket.html>

Heritage Union Life Insurance Company, Jackson National will pay YOU millions and all you have to do is say oh ya my dad had a police for 2 million and the pay with NO Policy, simply to get out of a litigation. WOW?? oh and there is murder allegations and a Heavy Metal Toxin autopsy report. So I guess one can commit murder, then say hey Heritage Union Life Insurance Company, Jackson Life Insurance, I had a policy on that guy, now pay me 2 million and they say ok. Sounds LEGIT.

WOW ... Folks.. WTF comes to mind.

### More on the Illinois case

Why does Judge Martin Colin Protect Tescher and Spallina in CLEAR and Blatant Insurance Fraud, Forgery, and cover ups. And allow them ALL to keep creating victims? There is no policy? Yet millions was paid?? Why is Spallina not investigated by Heritage Life, Jackson National or the the LAW in any Way?

Disclose

DISCLOSURE is LAW

Attorney Robert Spallina, protected by Judge Martin Colin ( in my opinion) tried to collect 2 million in life insurance. The alleged policy holder with NO POLICY, looks to have been murdered. So why is Jackson National Insurance Company NOT investigating this matter?

Here is the Letter Robert Spallina, Florida Probate attorney sent to try and collect the millions.

"Dear Sir or Madam: Enclosed is the Claimant's Statement for the above referenced policy. together with an original Death Certificate for the insured, Simon Bernstein, .

We are also enclosing a copy of Internal Revenue Service Form SS-4, Application for Employer Identification Number for the Simon Bernstein Irrevocable Insurance Trust June 1. 1995, which is the trust listed as beneficiary of the above referenced policy.

We will provide wiring instructions for the trust bank account when you have processed the claim, if possible, in lieu of a check. Finally, we are enclosing a copy of the obituary for the decedent which was published in the Palm Beach Post.

We are unable to locate a copy of the original insurance policy.

If you have any questions with regard to the foregoing, please do not hesitate to contact me.

Sincerely

ROBERT L SPALLINA"

## District of Illinois Federal Case regarding insurance of deceased owner of 7020 Lions Head Lane

Folks do you want to put time, money, blood sweat and tears into making a family home, only to have it taken back by the true heirs once there real is clear and legal title in a way that a dead guy does not sign trust documents.

Buy at your own Risk. Below is a Link to more on the Illinois Case involving this Property ( the Simon-Bernstein Estate)

<http://tedbernsteinreport.blogspot.com/2015/04/illinois-master.html>

Regency Title dba US Title of Florida and Old Republic National Title Insurance Company seems to be involved in Florida Real Estate probate fraud. As we see that the Shirley Bernstein estate condo was SOLD and they guaranteed a clear title through Greg Gefen Florida attorney who seems to have several title companies. Regency Title dba US Title of Florida and Old Republic National Title Insurance Company is liable for the millions in property that they allowed the wrong owner to sell.

When the buyers find out in the future and sue, Eliot Bernstein or his children will be financially liable, he is abiding by the law and blocked by Judge

"Bates #JCK001262, is a letter regarding the filing of a claim dated October 09, 2012, sent from HERITAGE to SPALLINA with SPALLINA addressed as "LASALLE NATIONAL TRUST N.A. TRUSTEE C/O ROBERT SPALLINA, ATTORNEY AT LAW" address "4855 TECHNOLOGY WAY STE 720 BOCA RATON FL 33431" and the Letter starts "Dear Trustee."

"LaSalle National Trust, N.A." seems to basically be a national holding company, via big title companies and banks and simply a way to convey property, assets, holdings and real estate. Thing is what instrument gave Spallina the right to be the Trustee in the Simon Bernstein estate in this regard?

What was Robert Spallina really up to, using this huge company name and having documents sent to him directly? Or wanting to collect on the Heritage Union Life Insurance Company / Jackson National Life Insurance Company Policy, or lack of policy?

Seems to me that "LaSalle National Trust, N.A.", the real one, has a major claim against Tescher and Spallina unless Robert Spallina was acting with their authority???

"SPALLINA acting as both the TRUSTEE of "LaSalle National Trust, N.A." and as Trustee of the Lost or Suppressed Trust, HERITAGE would have to legally pay him as either the Primary or the Contingent Beneficiary in his fraudulent Legal and Fiduciary roles. "

If Robert Spallina claimed to speak for LaSalle National Trust then is this connect to Chicago Title Company, and perhaps real estate shady dealings involving Greg Geffen in Florida? Hmm...

Chicago Title is a pretty big deal in Title Insurance. I have owned my own real estate company for 14 years, and well um.. how is Spallina trying to pull off that he is successor trustee or whatever mumbo jumbo he was trying to pull off?

Did Robert Spallina real say he was speaking for Lasalle? really? Employee fund, real estate, SEC, how in the world is Spallina speaking for Lasalle? call me Confused.

Ok so we have a mortgage broker, banker out of Illinois, a lender out of Arizona, a property in Florida and a buyer in Ontario Canada. And we have a single family residential loan?? REALLY ??

I, Real Estate Expert and advocate Crystal L. Cox say that there is mortgage fraud involved in the sale of the above property, as well as no clear titles, SOLD by someone who had no legal right to sell, has title insurance fraud, RESPA violations and much more.

It says second home, so maybe its legit. But hmm now it's a million more? I say that Broker John Poletto and Ted Bernstein are in on a million dollar scam with the lender and the buyer to dupe the real and true, legal heirs.

What if a buyer knew that they were buying a property from someone who did not have the legal right to sell, and they got a loan like this? Hmm.. all kinds of trouble I'd say.

I know Florida law is different, however, I have never seen a title agent sign on a loan document such as this. Did Title Agent, Florida Attorney Greg Gefen get kickback from this mortgage? On the title insurance? Did Ted Bernstein? Hmm..

## **Gregory S. Gefen, John Poletto, Judge Martin Colin, Ted Bernstein and more seem to be involved in massive real estate fraud, forgery and cover up.**

" **Real Estate Forensics Report / Fraud Analysis: Shirley Bernstein Condo Sale**

**Real Estate Warranty Deed Transaction Date:** April 18th 2013

**Prepared by:** Gregory S. Gefen, PA

File Number U13-412

**Recorded:** 05/06/2013

Palm Beach County, Florida

AMT 1,600,000

Doc Stamp 11,200

Pages 1029 - 1031;

The Following report is my Professional Opinion and advice based on 13 years as a Real Estate Broker Owner, and Currently owning a Real Estate Consulting and Real Estate Forensics Firm. This report is written upon the knowledge and information of Crystal L. Cox, Broker.

### **Notes on Trustee Affidavit**

Regarding Warranty Deed prepared by Gregory S. Gefen, PA, File Number: U13-412

This recorded document now seems to be the only recorded documents regarding Ted Bernstein having Seller or Grantor rights in this matter. Before this closing, there appears to be no legal record, as a matter of law in which proves Ted Bernstein of having legal rights to sell subject property.

It appears to me that this real estate transaction is fraudulent, and that All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company have a liability to the buyer in this transaction and to the true and correct heirs of the Shirley Bernstein Estate.

I would tell the Title Company to show you the legal documentation they have that gave them the legal right to allow Ted Bernstein to sell this Condo, to sign as the Seller, Grantor of said Property?

**It is my understanding that the Shirley Bernstein Trust Agreement does not state that Ted Bernstein is the executor.** Or at least I see no proof provided in the closing documents in which the title company filed in the closing of this 1.6 Million dollar sale, that would give Ted Bernstein a legal right to be the "Grantor" of said property.

**What documentation did the title company have that gave them the legal right to let Ted Bernstein sell this real estate?** What documentation did the title company have that justified providing a title insurance policy on a 1.6 Million dollar real estate sale, that insured to the buyer, that Ted Bernstein was the legal Grantor / Seller in this sale?

**Ted Bernstein swore that the trust had not been revoked or terminated And that the the vesting Deed was**

**recorded that provides the trustee with the full power of sale and that the subject transaction will not violate the trust.** Yet there is no court documents, no judicial ruling that provides legal proof that Ted Bernstein is the person that gets to speak on behalf of the Shirley Bernstein estate.

There seems to have been no probate nor judicial order appointing Ted Bernstein as executor, successor of the Shirley Bernstein estate. So why would this title company guarantee title with no legal documents proving such and allow a \$1.6 million dollar real estate transaction and provide title policy on said property?

As a real estate broker, I would not let Ted Bernstein sign a listing on this property, as there is no documentation that he has Sellers rights and this would be a violation of law.

**Ted Bernstein Had no legal right to act as Seller in this deed transfer.** This title company provided title insurance in this matter and is liable to the Shirley Bernstein estate, as well as no liable to the buyer in this matter and the cost of this property being deed back to the rightful owner, as far as I see this case.

**This seems to be a matter of property theft.** All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company **guaranteed clear title in this real estate transaction via title insurance policy**, and I would demand to see the settlement statement and all related documents, especially any document that was used as legal proof that Ted Bernstein was the SELLER, legally in this transaction. I do not see such a legal document in the recorded documentations for the sale of the subject property.

Ted Bernstein, under penalty and perjury swore the document to be true. The fact is that is simply a "pinky swear", that is one man swearing that he owns a 1.6 million dollar property. There is no court document, no estate documents and no proof, of any kind that Ted Bernstein in fact has a legal right to convey title to this property, as far as I can see.

The Notary ONLY verified that it was indeed Ted Bernstein and that he showed proper ID, a Notary is not a lawyer, nor a court clerk. The title company needs to prove via a court recorded document that Ted Bernstein had a legal right to sell said property.

This is the reason to use a title company to close a LEGAL real estate transaction. The title company insures the title, researches recorded documents and PROVES who has rights to convey property.

Anyone can sign any document and swear that what the document says is true. The Notary swears that it is that person and not that the person is telling the truth, or has a legal document of FACT. Nor does the notary provide any kind of legal recorded proof that this person is entitled to swear to this information as a matter of law. A Notary simply verifies the identity of the person who signs the document.

All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company sold an insurance policy with this real estate transaction insuring that the title was clear to sell to said buyer, when in fact Ted Bernstein did not have a legal right to sell this property, as far as the documentation provide shows.

Ted Bernstein is NOT the true and correct, proper "Grantor" named in the warranty documents.

Ted Bernstein could have just as easily signed an affidavit swearing that he was the seller of the White House, and a Notary would have verified the document, only to the extent that it was indeed a man named Ted Bernstein, whom had the proper identification to prove his identity. And this has NOTHING to do with proof of title rights.

A signed affidavit from someone claiming rights to sell the White House, as in this example, would not give the person the legal right to do so, nor does it in the case of this real estate transaction.

**This is a fraudulent real estate transaction, in my expert opinion.** The question then becomes did the title company get kick back on this deal? Was the title company promised future deals with these powerful men Ted Bernstein and **George Wesley Thomas Voorheis?**

It is a title companies job, BEFORE issuing a title insurance policy, to make sure that the title is clear and is able to be Sold. Said property seems to be in major legal dispute and is part of an estate in litigation, of which Ted Bernstein is NOT the Trustee, as appointed by a court of law.

This title company took a man's word that he owned a 1.6 Million dollar property, and let said man sell this property, without legal ownership. Upon my knowledge and belief, this title company has massive liability over this issue.

**Notes on the Shirley Bernstein Trust Agreement pages provided in the closing documents of said property.**

This document has no clear sign of being true and correct. As a real estate Broker, I would not take this as proof that Ted Bernstein had a right to be a SELLER aKa Grantor of this property.

This is simply a document that may or may not have been actually signed by Shirley Bernstein. The correct and lawful procedure in these matters, in my expert opinion is the subject property to have gone through probate, and have a court appointed executor or trustee of the estate.

The legal process is not simply for someone who wants to be an heir to swear they are and then a Title Company allows

this person to sell millions of dollars of real estate they CLEARLY have no proof of owning.

In order for me to prove title and allow a person to act as Seller, I would have to see the probate documents, and the court rulings that granted Ted Bernstein the power to be the executor of the estate, have legal rights to the deed, and execute the sale of the subject property.

There seems to be no court document that gives Ted Bernstein the LEGAL right to sell subject property, there is only a man saying he has the right and a title company issuing title insurance on a multi-million dollar property insuring the title on said property.

In my experience, professional title companies go to the courthouse records for proof of liens, judgements, deed rights, estate issues and they do NOT simply take a sworn statement from a man who swears he is the legal Seller and give this man the absolute rights to millions of dollars of property of which he clearly has no probate, court stamped, judicial documents to prove this is true.

#### **Notes on the warranty deed dated the 18th day of April, 2013**

This appears to be fraudulent as there is no court document in which appoints Ted Bernstein as Successor of the Shirley Bernstein Trust. There does not seem to be any LEGAL documents that prove that Ted Bernstein has rights to the subject property as Successor, Executor, Trustee, Seller or Grantor.

Here we see a **Ted Bernstein who himself claims to be a "Successor Trustee", acting as Grantor selling subject property to Grantee G. Wesley Veorheis, a Canadian Resident, and there seems to be something amiss in this transaction.**

There appears to be fraud in this transaction and I advise the true and correct heirs of the Shirley Bernstein estate to file legal action against All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, against the Corporate Company and the individuals involved in the sale, who may have been involved in kickback schemes or other anti-trust and civil conspiracy violations in this real estate transaction.

From what I can determine, and in my expert opinion, **Ted Bernstein is not the legal "Grantor"** and therefore has no legal right to convey title to said property.

**All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company have no legal right to have provide an insurance policy that guaranteed this title.**

Just because there is a Notary and witnesses who signed the Warranty Deed, does not in any way legally prove that All Regency Title dba US Title of Florida had a LEGAL right to allow Ted Bernstein to act as Grantor or Seller of Subject Property.

I see no proof, whatsoever that Ted Bernstein is the rightful Grantor, and therefore this transactions appears to be fraudulent.

Just because there is a Notary and witnesses who signed the Warranty Deed, does not in any way legally give this title company right to provide title insurance through their title insurance provider Old Republic National Title Insurance Company, with corporate offices in Minneapolis, MN.

Again, a Notary stamp is not a COURT STAMP, nor a Judicial Ruling.

#### **Regarding the "Certificate of Approval"**

This document appears to be directly from the Condo Association. I have not read the bylaws of the Aragon Condominium Association, however, in my professional opinion, there may be some fraud between **Ted Bernstein and the Aragon Condominium Association president James McGee.**

The association in most cases can approve membership, and may be able to exclude certain people, however the association seems to be providing certification to further DUPE the title company, by claiming they have the power to **give Ted Bernstein approval to convey title for Wesley George T. Voorheis to acquire.**

Did the association have court documents that proved that Ted Bernstein had a right to convey title? If not then it is my opinion that the Aragon Condominium Association and that James McGee personally are also liable for what looks to be a real estate heist to me.

#### **Regarding Non Identity Affidavit**

This documented is suspected to be a fraudulent tax document. As Ted Bernstein has no proof that he is the court appointed Trustee in this matter and has no legal right to certify that he owes no estate tax in this matter.

Ted Bernstein may be committing fraud against the U.S. government in possibly illegally conveying title to a property he has no legal right to and at the same time claiming **himself tax exempt for this millions of dollars in alleged inheritance.**

I recommend that the true and correct heirs notify the Florida and U.S. Tax Authorities on this issue. As there may be a

great deal of estate tax due on this matter, and Ted Bernstein has no legal proof that he can speak on behalf of the Shirley Bernstein estate.

Based on my experience it is a standard of practice in real estate regarding estate issues, for the property to go through probate, have a court appointed trustee and proceed through the courts and **NOT through a sworn affidavit by a dreamy eyed family member wishing to receive millions of tax free dollars.**

If any potential heir or for that matter any person off the street can sign a document to swear they have rights to property, with no recorded deed or court order, well then this is a serious matter that the Department of Justice and Attorney General need to look into, as this title company may have done this before and thereby created many victims in this scheme. It is not lawful to let anyone claiming they have title right to sell other people's property.

It is the PURPOSE of purchasing the Title Insurance Policy, which I assume the Shirley Bernstein Estate paid for, that this policy guarantees to the buyer that Ted Bernstein has the right to sell the property and that all liens, judgments, tax issues on said property have been taken care of and cleared by a court of law.

If not then the Title Insurance company and policy provided has a serious liability not only to the buyer but to the actually true and correct heirs of the Shirley Bernstein estate, whomever the courts deem that to legally be.

As a professional real estate service provider, be it a title company or a real estate brokerage, we are taught to make absolute SURE that a Seller has a legal right to sell a property. This is mostly done by a true and correct, court filed warranty deed in the name of the SELLER aKa Grantor, with the names of the people who will be signing a listing agreement with a real estate brokerage or closing documents with a local title company.

It is not standard of practice, ethical nor lawful to use the closing process and title insurance policy of a local title company in place of a legal, court documented estate and probate proceedings, as a matter of law.

In my experience Sellers aKa Grantors do not sell properties by swearing to an affidavit that they have a right to sell. This would make it so that anyone who wanted to be an heir, or anyone of the street for that matter, could simply go to a notary and sign a document swearing they have a right to sell, and without title in their name sell millions of dollars in property.

It is my professional opinion that this title company is liable to the true heirs of the Shirley Bernstein estate and possibly even interest, punitive damage, and criminal charges.

It is my experience that in an Estate settlement, the Estate is settled in full before property is Sold, another words there would be probate and estate process as a matter of law. And if Ted Bernstein has proper legal documentation then he would have a deed in his name, and from that deed he would then be the Grantor.

See In Barnhart v. Hovde, 490 So.2d 1271 (Fla. 5th DCA) for reference on this matter., review denied 510 So.2d 543 (Fla. 1986), Hovde was named trustee for the beneficiaries, who were her stepchildren. Hovde sold a trust asset (an apartment complex) without obtaining a court order to do so in violation of Fla. Stat. 737.403(2). Hovde had conflicting interests with the beneficiaries of the trust, and the sale of asset resulted in benefit to the trustee and a detriment to the beneficiaries. Id. The Trustee had interests which definitely conflicted with those of the other beneficiaries, which resulted in a benefit to the trustee and a detriment to the other beneficiaries, and the Court found that Hovde violated the terms of the trust and applicable state statutes. Id.

Again an affidavit is not a legal document proving title rights. **This affidavit is a man claiming under penalty and perjury that he has legal rights to be the Grantor of said property**, however this is not a legally binding document in which I, as a Real Estate Broker would accept as proof of entitlement to act as Seller or Grantor.

It is not a Power of Attorney, it is not a legally filed Warranty Deed in Ted Bernstein's name, nor is it a court order ruling that Ted Bernstein is the true and correct, LEGAL Seller, Owner, Grantor of said property.

This document appears to be a Ted Bernstein claiming that he has the rights to be the Seller, Grantor and is the Successor Trustee, Executor of the Shirley Bernstein estate and that with this claim he promises to **NOT hold All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company liable for any legal actions, legal fees in the future, or any other future liability.**

Ted Bernstein does not seem to be the LEGAL Seller / Grantor of said property and therefore cannot be in a legal agreement releasing All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company of liability regarding the matters of the Shirley Bernstein estate.

### Conclusion

In my expert opinion, the title company in this case, All Regency Title dba US Title of Florida, has made a grave error in allowing Ted Bernstein to sell the subject property with the documents provided to them.

And it is my professional opinion that All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, needs to file notice of insurance claim, fraud and massive liability in this matter as soon as possible.

As a Real Estate Broker owning my own firm, I would not let Ted Bernstein have listed this property for sale, nor would I have allowed any agent working for me to do so. As there is no court documented proof that Ted Bernstein has a legal right to sell said property and I would not put my liability insurance provider nor my company at that risk.

A title company has even a greater risk in guaranteeing title, and is therefore liable to the heirs of the Shirley Bernstein Trust.

No reputable real estate company SHOULD take this property as a listing, due to the inability to prove who has property authority and rights of Grantor / Seller.

It is my opinion that Ted Bernstein has used **All Regency Title dba US Title of Florida** to circumvent the legal process and thereby gaining title to Shirley Bernstein's property.

Ted Bernstein went straight for the paycheck, and skipped the step of gaining legal title to the property first. Therefore avoiding estate tax, capital gains, and the process of fighting the legal heirs of the Shirley Bernstein Trust in order to obtain money from the sale of the subject property.

It is my opinion that the true and proper legal heirs of the Shirley Bernstein estate should use all legal means necessary regarding All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, in order to make this right.

**Florida Laws: FL Statutes - Title XLII Estates and Trusts Section 736.0101 Short title. seem to have been violated in this transaction.**

As a Real Estate Broker owner experienced in all manner of real estate for over 13 years, including estate, trust tax issues, and all related matters, I strongly advise the true legal heirs of the Shirley Bernstein estate to contact a Florida lawyer and sue All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company of Minneapolis.

## Eye on Alan Rose of Mrachek, Fitzgerald, Rose, Konopka, Thomas & Weiss, P.A. in West Palm Beach, Fla.. in West Palm Beach, Florida.

Alan Rose has a NEW CASE. Well Let's keep an eye on this one too; Transparency

"WEST PALM BEACH, Fla. (Legal Newsline) - A prominent class action law firm is suing two firms with which it partnered on a class action lawsuit in Florida for allegedly failing to pay it a fee.

Cohen, Milstein, Sellers & Toll, PLLC filed the lawsuit in Palm Beach County Circuit Court on May 5 against Anderson + Wanca and Bock & Hatch LLC, claiming it is owed about \$280,000 in fees for joining in on the class action lawsuit. Bock & Hatch removed the case to U.S. District Court for the Southern District of Florida on May 26.

The suit claims Cohen Milstein agreed in March 2012 to to serve as the local counsel for a class action suit in which the firms were involved in Florida. The two sides came to terms on a fee agreement and also agreed that Cohen would receive 20 percent of the attorneys' fees awarded in the class action suit, the complaint says.

In October, the court awarded about \$1.4 million in attorneys fees. Cohen Milstein claims Anderson has not paid the 20 percent contingency fee made in the fee agreement.

In March, Anderson acknowledged the fee agreement, but "demanded" Cohen Milstein reduce the fee, the lawsuit said.

In addition to the \$280,000, the plaintiff is also seeking lost profit damages, plus court costs for filing the suit.

The law firm is represented by Alan B. Rose of Mrachek, Fitzgerald, Rose, Konopka, Thomas & Weiss, P.A. in West Palm Beach, Fla.

## I am Reporting on the Simon Bernstein Estate CASE and will continue to do so. My reporting is NOT controlled by anyone but ME. Alan Rose continues to WHINE.

Alan Rose is acting suspicious, does he WANT Eliot to complain about Judge Coates? It sure looks like it. What is Alan Rose REALLY up to?

Why wine about this DRIBBLE now? There is a new judge, we shall see if the law is obeyed. Alan Rose seems to be pushing to disqualify Judge Coates, why is that?

I mean the Proskauer Rose thing is true, however if Judge Coates were to sign a Conflict of Interest Disclosure then maybe no issue, either way why in the world is Alan Rose so whiny about all this?

Sounds like Alan Rose should file a motion to disqualify himself instead of pushing Eliot Bernstein to do it.

Oh and I love that Florida Attorney Alan Rose is hanging on my every word INSTEAD of doing his JOB. Just obey the law and don't worry about the bloggers dude.

Either Coates will do a lawful, ethical, constitutional job or not?

I have never seen Alan Rose show so much knowledge about iViewit, oh and so much love for me, It kind of makes me blush actually.

Judge Coates must be a Good Guy for Alan Rose to show such disingenuous concern over possibly conflicts. Things that make you say hmmm...

Mr. Eliot Bernstein:

The estate/trust cases have been assigned to Judge Coates. One order is attached but he has all of the cases.

You already have started with the internet nonsense as to Judge Coates:

(<http://tedbersteinreport.blogspot.com>) as of mid-day Friday. Apparently, he worked at Proskauer, and we all know you labor under the belief that someone there stole trillions of dollars of intellectual property from you or your company.

If you object to his continued service, please advise the parties asap, so we can consider simply doing an agreed or joint motion/order requesting his recusal.

Please advise.

Now that Brian has set a hearing before Judge Coates, Eliot needs to speak now if he contests the court's ability to hear this case. Silence equals acceptance and waiver of any objections in my view.

Eliot has filed at least two and probably more motions to disqualify Judge Colin, and already has started with nonsense about Judge Coates.

For the record, we have no objection to Judge Coates. But Eliot may and he needs to assert that objection or waive it. There is no point having a hearing and wasting time just to have Eliot complain that day about Judge Coates.

Also for the record, the "journalist" Eliot corresponds and communicates with, Crystal Cox, posted the following highlighted material:

Judge Coates was at Proskauer between 1991 and 2000; I believe those are some of the years Proskauer represented iViewit and possibly during the times that Eliot sued that firm. Eliot has alleged that during these years is when Proskauer stole his patents. It was an unpleasant lawsuit for the firm I'm sure, and no doubt Eliot made it as unpleasant as possible for the partners of "Porksour Rose". Eliot lost his claim in federal court back in 2008 and I believe owes the firm a sanction award imposed by Judge Scheindlin, but he has not given up on that firm and continues to mention it in recent filings.

The point here is that Eliot must advise the parties of his position and the PR needs to get this resolved before there a number of hearings.

Also, you have set too many issues for one 30 minute hearing, particularly when it would be the Judge's first involvement in the case, in my opinion.

### Has Alan Rose gone ROUND the BEND? Alan Rose is already whining to a new Judge about my blogs reporting on this case? WOW

Calm Down Alan Rose, the Law Speaks for itself. Obey the Law, tell the TRUTH, the whole Truth and nothing but, and don't worry about those reporting on this high profile never ending Florida Estate Case which is a MASSIVE public concern.

Murder Allegations and millions paid in insurance, heirs waiting years for money while Ted Bernstein sells homes and let's them run down, Ted Bernstein getting an estate paid attorney and no one else, forged documents, documents signed by dead guys to close estates, and much MORE. This case is VERY important as so many go to Florida for their retirement, yet the attorneys in this case did NOT carry out the wishes of the Deceased. So why move to Florida if Probate Court will not carry out your wishes?

How in the world has all this been allowed to go on for years in Florida Probate court? Meanwhile Eliot Bernstein's family is starved out, kids lose their school and they are constantly harassed by Alan Rose attorney(paid by the estate in which is bullying the other heirs it seems) and others in the case. All this in a simple estate, that should have easily been settled years ago.

Now Alan Rose is WHINING to the New Judge about my blogs, again claiming my blogs are Eliot's and they are MY BLOGS, controlled by me.

### Heritage Union Life Insurance Company is well aware of what is going on in the Simon Bernstein Case. So is Heritage Union part of the fraud? If not then why have they, themselves not joined in to SUE Tescher & Spallina and to cry out fraud on the courts, insurance fraud and possible murder?

Letter To Mark Sarlitto ~ Senior Vice President and General Counsel of Heritage Union Life Insurance Company / WiltonRe and Chris Stroup ~ Chairman of the Board of Directors and Chief Executive Officer.

"From: Eliot Ivan Bernstein [mailto:iviewit@gmail.com]

Sent: Wednesday, May 21, 2014 6:19 AM

To: **Mark Sarlitto** ~ Senior Vice President and General Counsel @ Heritage Union Life / WiltonRe (msarlitto@wiltonre.com); **Chris Stroup** ~ Chairman of the Board of Directors and Chief Executive Officer @ Heritage Union Life / WiltonRe (cstroup@wiltonre.com)

Subject: URGENT RE INSURANCE FRAUD -

**Policy Number: 1009208 on the life of SIMON L. BERNSTEIN**

Dear Mr. Stroup and Mr. Sarlitto @ Heritage Union Life / Wilton RE,

I am writing regarding the Life Insurance Policy on my father, Simon L. Bernstein (deceased), Policy No. 1009208. It has come to my attention through a Federal Court case titled "Simon Bernstein Irrevocable Insurance Trust Dtd 612111995, et. al. v. Heritage Union Life Insurance Company, et. al," Case No.13 cv 3643 in the US District Court Northern District of Illinois that a claim was filed with Heritage by a one **Robert Spallina, Esq. of the law firm Tescher & Spallina PA**, acting as the Trustee for an **alleged lost trust** named "**The Simon Bernstein 1995 Irrevocable Insurance Trust**" claimed to be the Contingent Beneficiary, however **no executed copies of the Trust exist as of this date.**

Further, **Mr. Spallina represented that he has never seen nor been in possession of the lost trust**, yet he filed a claim with Heritage Union acting as the Trustee **of that lost trust he never saw or possessed.**

Further, from production documents in the Federal Case it was also learned that Spallina additionally **represented himself to the carrier as the Trustee of the alleged Primary Beneficiary of the Policy, a one LaSalle National Trust, N.A.**, of which he also is not.

The claim was **DENIED due to the inability to show a proper beneficiary and produce a legal valid trust document as beneficiary.**

Legally, a **valid executed trust instrument must be present at death for a trust to be paid any benefits and in the case of a lost beneficiary at death Florida law is clear that the benefit should be paid to the Estate of the insured.**

**Mr. Spallina and his partner Donald Tescher, Esq. have recently resigned as Personal Representatives/Executors, Trustees and Counsel to the Estate and Trusts of Simon Bernstein, after admittedly altering Trust documents in my parents Estates and Trusts to illegally change beneficiaries and whose Notary Public and Legal Assistant, a one Kimberly Moran has been arrested and convicted of Fraud and admitted to six counts of FORGERY of estate documents, including a POST MORTEM FORGERY of my deceased father's name in efforts to alter the beneficiaries of my deceased mother's estate.**

They also **used my deceased father to act as Personal Representative/Executor** after he was deceased and consummated a fraud **on the Florida Probate Court under Judge Martin Colin.**

**After the claim was rightfully denied by Heritage**, certain of Simon's children who were **wholly disinherited in the Estate** plan by both Simon and his deceased spouse Shirley, Theodore Stuart Bernstein and Pamela Simon, **filed a Breach of Contract lawsuit against Heritage Union** and in this action **Theodore suddenly now claimed he was the Trustee of the lost trust and not Spallina.**

Theodore Bernstein it has been learned from a Palm Beach County Sheriff investigation report, attached herein, is **alleged to have taken already improper distributions of assets in his alleged fiduciary capacities, AGAINST THE ADVICE OF COUNSEL.**

You will note that in Jackson National's initial opposition to the lawsuit on behalf of Heritage, **Jackson also claimed that Theodore had NO LEGAL STANDING to the file the lawsuit in the first place** and was advised by counsel of such, which appears a **correct legal analysis.**

Due to these alleged **FRAUDULENT ACTIVITIES** that took place in the filing of the life insurance claim, I have contacted the Jacksonville, IL Police department and spoke with **Detective Scott Erthal** who opened **Case No. 2014000865.**

Detective Erthal then contacted me and told me **he had spoken to Carol Ann Kindred at Heritage Union and that they would be conducting the initial FRAUD investigation internally.**

I was surprised when I got the attached letter from C.A. Kindred, which attempts to inform me that **Heritage is not investigating the alleged FRAUDULENT claim** filed with the company, most surprising is **why she did not direct her letter to Detective Erthal** and instead contacted me to inform me that Heritage was **refusing to conduct an investigation.**

**C.A. Kindred also stated that the Federal Court would be handling the Fraud issues and obviously Federal Courts do not conduct criminal investigations or insurance investigations.**

As you may know, **life insurance carriers are legally required to attempt to find the true and proper beneficiary of an**

**insurance contract upon death and in this instance no effort has been made** to either contact LaSalle National Trust, N.A. to join the Federal lawsuit by the life insurance carrier or any other party and attempts are being made to pay an alleged contingent beneficiary (the lost trust, which is **not listed with the carrier as the contingent beneficiary** according to their records) without first **paying the Primary Beneficiary, a truly bizarre case.**

The Life Insurance contract has also not been produced and it appears Heritage and their Successors and their reinsurers **have all lost the contract that the Breach of Contract lawsuit was filed on**, making an almost **surreal lawsuit where neither the alleged Plaintiff, the lost trust is legally nonexistent and the contract the breach is based upon also does not exist.**

In efforts to secure the contract I am asking that you check your files for Heritage and see if you can locate one. It also has come to my attention that no one has notified the Primary Beneficiary or made any efforts to this date to make contact with them, LaSalle National Trust, N.A., which is now owned by:

Chicago Title Land Trust Company  
10 South LaSalle Street, Suite 2750  
Chicago, Illinois 60603  
Tel: ☐ 312.223.2195

As hearings in the Federal Case are proceeding quickly, your prompt attention to these matters is required and please inform me of your work with the Jacksonville PD so that I may know if this matter has to be investigated **by Federal Authorities at this time for the initial alleged Fraudulent claim made to Heritage Union that Heritage and its successors refuse to investigate internally.**

I have contacted your offices as it appears that the Heritage Union Life Insurance Company website was taken down and refers now **to Wilton RE as the successor.**

Attorney for **Jackson National Life in the Federal case, Alexander Marks, Esq.** has told the Federal Court Judge, Amy St. Eve, that Heritage et al. while being discharged from the Federal lawsuit would be willing to help the parties in any way and **this refusal to investigate is directly opposite this claim** and if further problems stand in the way I will be forced to seek leave to have all parties **reinstated in the Federal action instantly, including now Wilton RE.**

Finally, from reviewing the production materials in the lawsuit, it appears that certain **carrier files may have been tampered with by an insider**, who Plaintiffs have claimed was willing to pay an insurance claim **without any proper beneficiary documentation and we are also looking to find who this party is.**

Thank you for your cooperation in these matters and please feel free to contact me with any questions or further information.  
Eliot

So Heritage Union Life Insurance Company is very aware of what is going on in this case. What will they do, if anything, is yet a mystery.

Do you need me to list cases to assist you in this? Besides my MAJOR, Landslide one of a kind court of appeals win, there are tons of courts that flat out state that blogging is a constitutionally protected activity.. just a factoid.

So here we go, more whining from the Ted Bernstein camp. Why? The TRUTH really would be easier. Simply DO THE RIGHT THING and OBEY the LAW.

oh and for the 10 millionth time, Eliot Bernstein DOES not control any of my blogs, never has and never will. I have a constitutionally protected right to report on this case.

Subject: Online defamation

...

"The 3rd anniversary of Dad's death is approaching and I feel obligated, as his son and your brother, to reach out to you on behalf of myself and the other professionals working for Dad's trusts and estates. "

Yes Sad isn't it Ted, that you have disgraced and dishonored your father so badly, and you have harmed his grand children, seemingly forged his signature and tied up millions of his money and your mom's money and greedily did what ever you pleased while your siblings suffered. And you feel a sense of morbid "OBLIGATION" now? What a Crock of Shit.

There were NO professionals working on your Dad's Trust, It seems to me that there were crooks, forgers, liars, thieves and those who massively dishonored your Dad's wishes, oh and broke the law.

" On numerous occasions and in many different ways, I have requested that you remove all of the blogs and websites in which you are slandering and defaming me, my family, my businesses and the judges and other professionals providing service to the trusts and estates of mom and dad; but so far you have refused. "

Does Eliot have things written online about you? Hmmm I can't seem to find them. I can't seem to find any websites or blogs that Eliot has about whiny baby Ted at all. And WOW crying about blogs defaming JUDGES?? What? Judges are public officials and COLIN umm he broke the law Ted for you, well not really you but to protect Tescher and Spallina for YOU. So it will all come out in a non-corrupt court one day, just keep on sitting there doing NOTHING to make things right and ENSURE your prison sentence COMING SOON, as far as I see it.

Slandering YOUR Business? Are you Kidding? Anyone who reads my news blogs that have nothing to do with Eliot, oh except he is a party to the case, well if they can read the actual DOCUMENTS then they can see you have broke the law, and looks to me personally that you were involved in your Dad's death or covering it up for whoever was.

So where is this slander of you, your family, your business? Oh and your business really? What business is that? the illegal Botox business? or the insurance business? whatever you actually do with that one?

"I also have asked you to cease publishing information about, and interfering in, the sale of our parents' home; but so far you have refused. "

Where has Eliot published anything about you? You mean documents of his case? or do you mean my blogs, that are published and COMPLETELY controlled by me, Crystal Cox, personally, as is my First Amendment right.

"To date, your actions have cost the Trust more than \$100,000 of net sales proceeds for this property alone. "

Is this a joke? Your actions have cost around a million in attorney fees right? to keep up your LIES, right? And you have sold off condos and personal property with NO money to the actual heirs, right? And you have used up, stolen or somehow hidden millions, or so it seems from the documents I have read over YEARS. And now your whining over \$100,000? WOW Alan Rose or even the Broker John Poletto got more then that right?

"As you know better than anyone, whether or not Dad adequately provided for us during his lifetime, Dad's final wishes were to leave his assets equally to his grandchildren, 3 of whom are your children. Your disappointment about this and your resulting actions are helping to ensure that most of his assets will be squandered in administrative costs and professional fees. Over the past three years, in my role as a fiduciary attempting to carry out Mom and Dad's final wishes, I have tolerated an incredible amount of abuse from you. "

Just so there is no error here to who ever you are spewing this bullshit to. YOU are the one who has hurt the grandkids and you have NOT carried out ANY final wishes. You are the abuser and NOT the VICTIM. You appear to be delusional, must be all that botox and the ???

"We hardly know one another, having virtually no contact over the past 30 years. Since our Dad died, you have made unfounded accusations about me that appear to be part of a playbook repeated by you over the past 20 years to intimidate and bully those who do not agree with you. Your motivation for slandering and defaming innocent people online is malicious and serves no purpose to the efficient administration of the trusts and estates. "

Slandering and Defaming "innocent" people? Really? Have you even read the thousands of documents of proof of the iViewit case, or even this estate case? Your CAUGHT Ted. Who ever you worked for or with at Proskauer, you are ALL caught. It is now only a matter of time before an honest court steps up to indict you ALL.

No Playbook, just Rules of Procedure and the LAW, oh and some pretty good reporting of course.

Hello Marc Randazza, Welc

"You endlessly level accusations against people without providing proof for what you claim. "

WHAT? Have you NOT read THOUSANDS, literally thousands of documents of proof in this and other cases connected in any way to Eliot Bernstein?

"Mom and Dad chose Tescher and Spallina to draft their documents and to act as their trusted fiduciaries upon their deaths."

YEP and Tescher and Spallina chose to go against their wishes, hook up with you and sign their name after they died and try and run off with millions. Can you say Aid and Abet?

"Members of that firm admittedly acted illegally and with poor judgment. I am sure Mom and Dad would not be pleased to learn what occurred. But their wrongdoing, which has been investigated by the proper agencies and will be addressed in a prudent manner, does not justify your continued and disruptive actions."

It doesn't? Well you helped them do those illegal acts Ted? You are the one who had poor judgement and broke the law right? Did you not work with them?

And here you are saying they admitted to the crimes, yet you want blogs talking about the crimes to stop publishing what you allege to be slander and defamation?

"Moreover, none of the people or professional firms who now provide service or act as fiduciaries, including myself, played any role in the creation of these documents. Despite these realities, you have made allegations for 3 years now, about all of us, ranging from murder, explosions and illegal Botox funding. Every allegation you have made remains only that, allegations and accusations made by you and Crystal Cox, your partner. No proof, no charges, no investigations. Nothing but carefully constructed blogs designed to trick unknowing readers.

I am not out to TRICK anyone. If these "unknowing readers" come to my blog, they can read the documents of the case and think for themselves. Read your depositions, read the police report and you claiming there was a murder then changing your story, they can KNOW as they read all of your words, and all of the documented proof that I give them and THINK for themselves. There is no requirement to believe me. I always insist that the reader have a BRAIN.

"Every single matter you are involved in results in you claiming fraud, car bombings, theft, ethical violations, professional misconduct, judicial misconduct, law suits, threats - and ultimately, online defamation of your opponents. None of these matters are related yet you use the same tactics each and every time."

Umm hey DUMBASS, there was a car bombing. Do you even give a shit that your family had someone try and murder them? hmm I guess not, why would you?

opponent?? defamation?? you mean the criminals who robbed him and his family?

"You represent yourself as an attorney, although you are not a lawyer and have no legal background or training whatsoever. Representing yourself, without competent legal counsel, you play without rules and eviscerate the boundaries and rules which counselors and judges must follow. "

Being pro se is a THING, dumb dumb. And Eliot is VERY good at it. Read the legal documents or have someone read them to you, ya um seems to be doing a very good job in the face of MASSIVE EVIL, and not just your face.

"You sued Florida Supreme Court justices, New York Supreme Court justices and dozens of companies and individuals. In New York, Judge Schiendlin has enjoined you from filing additional claims based upon your belief that your trillion-dollar technology has been stolen through a conspiracy involving courts, judges, lawyers and major tech companies, and entered sanctions against you.

"You have also litigated unsuccessfully in other states, including Nevada. Your behavior in the Palm Beach county courts is remarkably similar. You are a vexatious litigant. This appears to be a crucial part of your method."

Ummmm WHAT? Did Eliot litigate in Nevada? I have not seen

You signed a contract with Mom and Dad more than 10 years ago agreeing that you would never sue any member of your family. As a planner dealing in this area for the past 30 years, I have never heard of any other similar agreement between a child and his parents.

All of us understand that the death of Mom and Dad has been emotionally devastating for you and economically destabilizing. Your sisters and I understand the special challenges and circumstances you face and as a result, we have been extremely tolerant."

Tolerant? You have been made to obey the law and you have hated it, you have done all you can to be EVIL and have not been TOLERANT in any way"

"But history is repeating itself and you have turned this into an abusive tirade against your family. After 3 years of baseless accusations about fraud, frauds and fraud on the courts, enough is enough. "

Baseless, Really? You hypocrite, you just admitted above that there was fraud, illegal activity and poor judgement and now it's all baseless? What a Dumb Ass.

"The online defamation and slandering is simply no longer an acceptable way for you to cope."

Not about COPING Teddy, it is about reporting on corruption in the Probate court in FLORIDA. Actually documents and information, REPORTING and not a way to "cope".

"I am not suggesting that you stop your campaign to prove what you believe - that is your prerogative. I am, however, pleading with you to immediately stop the defamation and the slander about me and the other innocent professionals. "

What? Eliot cannot stop something he is not doing and Eliot is not my partner, and has no access or control over my blogs in ANY way. And there are no "innocent professionals", they know who broke the law and have not upheld their oath of honor, ethics and to the constitution. THEY have violated their professional standards and they are being exposed, period.

".. Please remove these sites from the Internet and instruct your partner, Crystal Cox, to do the same. If you do not immediately remove these sites and my name from them, you are leaving me with no other choice but to pursue all available legal remedies. "

Eliot has NOT ever controlled my blogs, nor will he ever. And the TRUTH about you and these not so professional professionals will remain online, eternally, no matter what, so there is that.

Eliot is not MY PARTNER, he is one of thousands of victims of corruption I report on my thousands of blogs. So what is this huff and puff legal remedy you are going to do to Eliot about my blogs? Well I guess we shall wait and see.

Ted
