Re: Request for Reimbursement

Dear Susan:

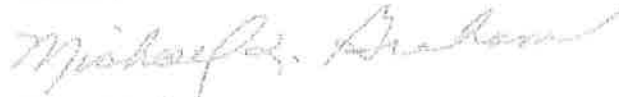

I have enclosed an updated request for reimbursement of expenses advanced by Mrs. Hopper. The highlighted items are those for which Mrs. Hopper has already been reimbursed and total \$51,552.01.

As instructed by both you and Tom Cantrill, she has included one half of the mortgage payments since death, along with various other house related expenses.

Mrs. Hopper does fully intend for the property on Robledo to continue to be her primary residence and homestead, and nothing about requesting these reimbursements is intended to be a waiver of those rights. After the closing of the estate, we can see about setting up some regular mechanism for the beneficiaries' payment of their share of the expenses.

In addition, there is some sort of seepage of water in part of the house through the foundation that has caused a portion of the hardwood floors to buckle. Mr. and Mrs. Hopper had been trying to figure out how to fix this problem prior to his death. I believe Mrs. Hopper has spoken to you about this, but I wanted to be sure that we got it on the list as an item with which the owners of the house (Mrs. Hopper and the two children) will need to deal to prevent more serious damage.

Sincerely,

Michael L. Graham
