Dear Mr. Bernstein:

Thank you for contacting Annuity & Life Reassurance, Incorporated. It is a pleasure to be of assistance.

We have received your request to pay the December quarterly premium by the Automatic Premium Loan (APL) provision. According to our records, APL is not a provision of this policy. However, when no payment is received for this type of plan, we will simply deduct the cost of insurance charges from your policy value as long as there is sufficient policy value to cover these charges.

If you have any questions, please feel free to call our office at 800/825-0003.

Sincerely,

Client Services

Dear Simon Bernstein:

We are required by your state of residence to provide you, the policy/certificate owner, with annual notification of your right to designate an individual as a secondary addressee for receipt of possible lapse notices for this life insurance policy or certificate. You will continue to receive annual notification, even if this right has already been elected and a secondary addressee has been named.

If elected, the secondary addressee will receive these notices, if any, in all years following the policy/certificate owner or insured reaching age 64. If you wish to exercise this right, please complete the enclosed form and return it to us in the enclosed envelope.

While we are obligated to provide the secondary addressee with notification of a pending lapse if you so elect, we are restricted from providing anyone other than the policyowner any further details.

We are proud to be your insurance company and thank you for being our customer.

Dear Mr. Bernstein:

Thank you for contacting Annuity & Life Reassurance America.

Our office received your recent request for the minimum premium due. To keep your policy in a current status, you will need to remit a payment of \$2,000.00 within 15 business days from the date of this letter. This payment will pay the policy to December 27, 2007, when your next quarterly premium will be due.

Our records indicate the current scheduled quarterly premium of \$28,275.80 is sufficient to cover the cost of insurance plus any policy expenses to the next policy anniversary date of December 27, 2008.

Since you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year according to the insured's attained age. You may want to contact us upon receipt of your annual statement to verify your current minimum premium is sufficient to cover the cost of insurance.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Service

Dear SIMON BERNSTEIN:

Thank you for contacting Annuity & Life Reassurance America Inc.. We have received your request to calculate the minimum premium required for the above referenced policy.

Our records indicate the current scheduled premium of \$31,131.25 is sufficient to cover the cost of insurance plus any policy expenses to the next policy anniversary date of December 27, 2009.

The quarterly minimum premium for December 27, 2008 thru December 27, 2009, will be approximately \$19,521.62.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Dear SIMON BERNSTEIN:

Thank you for contacting Annuity & Life Reassurance America Inc.. We have received your request to calculate the minimum premium required for the above referenced policy. In order to bring this policy to a current status, please remit a premium payment of \$38,555.11 prior to grace period ending date of August 31, 2009. This premium will pay this policy to December 27, 2009.

The current scheduled premium amount of \$32,526.65 is no longer adequate to cover your cost of insurance plus any policy expenses and maintain a positive cash value. The minimum premium for December 27, 2009 to December 27, 2010 will be approximately \$94,755.91.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the minimum premium required for the above referenced policy.

Our records indicate the current scheduled premium of \$34,397.20 is sufficient to cover the cost of insurance plus any policy expenses to the next policy anniversary date of December 27, 2010. Please remit a payment in the amount of \$22,704.87 to our office within 30 business days.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the minimum premium required for the above referenced policy. In order to bring this policy to a current status, please remit a premium payment of \$11,180.00 prior to grace period ending date of October 28, 2010.

Effective September 17, 2010 the annual premium has been changed to \$31,831.00.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Dear SIMON BERNSTEIN:

Thank you for contacting Heritage Union Life Insurance Company. We are writing in response to your inquiry on the above-referenced policy.

This policy is a flexible-premium life insurance contract, which accumulates cash value with interest. A charge is deducted from each premium paid to cover sales and administrative expenses. The remainder of the premium goes into a cash value account.

Your policy will remain in effect as long as you have sufficient cash value to cover your monthly deductions. At the point your cash value was insufficient to meet the monthly cost of insurance deductions due the policy lapsed. The premiums of \$11,180.00 received 10/15/2010 was enough to get policy back to positive cash value but only had a cash surrender value \$2,333.09. Policy then ran out of value on 10/27/2010. You can pay as much as you wish (up to established federal guidelines) or as little as you wish (not below the minimum). The minimum premium required is the minimum amount you can pay to keep you policy in effect during its no-lapse period outlined in your contract.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

OUR PRIVACY POLICY
Required by the federal Gramm-Leach-Bliley Act and state privacy law
(State law will apply if it provides more protection than federal law.)
ANNUITY & LIFE REASSURANCE AMERICA, INC.

We are committed to keeping the non-public personal information ("NPI") we collect confidential and secure. We want to let you know how we protect your privacy. Our Privacy Policy applies to potential, current and former customers.

How do we protect your privacy?

- We restrict access to NPI to our employees who need it for their jobs.
- We use your NPI only as is necessary for us to provide insurance products and services.
- We require nonaffiliates that perform services for us to protect your NPI and not use it for any other purpose.
- We verify that anyone asking for your NPI is entitled to it before we give it.
- We collect your health information only with your written authorization.
- We disclose your NPI only as permitted or required by law.
- We do not disclose your NPI to others for their own marketing purposes.
- We do not reveal your health, character, personal habits or reputation to anyone for marketing purposes.
- We maintain physical, electronic, and procedural safeguards to protect your NPI.

What information do we collect?

We need some NPI to determine if you are eligible for our products. Once a contract is issued, we typically only seek NPI when someone asks for more coverage or submits a claim. Some examples of what we may collect:

- Data you provide on applications (name, address, date of birth, Social Security number, income, and beneficiary).
- Medical information from health care providers obtained with your authorization.
- Information about your policies with us (policy number, coverage, premium, and payment history).
- As you have authorized: credit reports from consumer reporting agencies; driving records from the Bureau of Motor Vehicles; medical records from the Medical Information Bureau. (NPI obtained from insurance support organizations may be kept by them and disclosed to others.)

To whom do we disclose information?

We may share your NPI when you ask or authorize us to do so. Also, the law allows certain disclosures without your authorization. We may share some or all of your NPI with affiliates or nonaffiliates, as permitted or required by law. The law does not allow you to opt out of these disclosures. Examples of who we may share NPI with:

- Nonaffiliates we have hired to help us provide insurance services, such as claims, billing, and customer service vendors and insurance agents; affiliates that help us provide services or audit our operations.
- A consumer reporting agency to detect or prevent fraud.
- A regulatory, legal or government authority, for a compliance audit or under a subpoena or court order.
- Affiliates or nonaffiliates that market our products. These parties may include life and health insurers, insurance agents, and marketing firms. We may share your name, address, product purchased, and policy number for these purposes.

What are your rights?

- You have the right to know what NPI we have collected about you; this does not apply to NPI that relates to an actual or possible claim or civil or criminal action. You may ask us in writing to correct any NPI you believe is not correct.
- You may ask us in writing for a list of those to whom we have disclosed your medical records within the past two years.
- If we wish to disclose your NPI for reasons not allowed by law, we will ask for your written authorization. If you give it to us, you may revoke it at any time. Revocation is subject to the rights of anyone who acted in reliance of your authorization before it was revoked.
- We may change our Privacy Policy from time to time. If we do, we will provide you with all of the legal rights to which you are entitled. This privacy notice supersedes all such prior notices we may have provided to you.

NOTICE TO UNITED STATES RESIDENTS UNDER FAIR CREDIT REPORTING ACT

Thank you for choosing us for your insurance program. We would like to explain a part of our underwriting process that is frequently misunderstood.

You are entitled to know that, as part of our routine selection procedure, we may request an investigative consumer report concerning the insurability of each person proposed for coverage. This report would include information as to character, general reputation, personal characteristics and mode of living, except as may be related directly or indirectly to your sexual orientation, obtained through personal interviews with friends, neighbors, and associates of the Proposed Insured. The Proposed Insured may request to be interviewed in connection with this report.

Should you desire additional information about the nature and scope of this report, please make a written request to the Servicing Office, P.O. Box 1147, Jacksonville, Illinois 62651-1147. Please include the name of your agent as well as your own full name, date of birth and return address.

You selected us for excellent financial planning services and quality protection. In order to provide the best possible products on the most favorable basis, it is necessary for us to be somewhat selective in issuing our policies. We sincerely believe that the consumer investigative report is an essential and proper tool to assist us in meeting these mutual objectives.

We will do our best to serve you both now and in the future. Please call us any time at our toll-free number: (800) 825-0003.

IMPORTANT NOTICE – PLEASE READ BOTH SIDES
NOTICE REGARDING MEDICAL INFORMATION BUREAU

Information regarding your insurability will be treated as confidential. The Company and its reinsurers may, however, make a brief report thereon to the Medical Information Bureau, a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If you apply to another Bureau member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, the Bureau, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, the Bureau will arrange disclosure of any information it may have in your file (medical information will be disclosed only to your attending physician). If you question the accuracy of information in the Bureau's file, you may contact the Bureau and seek a correction. If you are a United States resident, your request will be handled in accordance with the procedures set forth in the Fair Credit Reporting Act. The address of the Bureau's information office in the United States is Post Office Box 105, Essex Station, Boston, Massachusetts 02112, telephone number (617) 426-3660. I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy, medical or medically-related facility, federally assisted alcohol or substance abuse program, Veterans Affairs health care facility, or other health care provider or facility that has provided payment, treatment, or services to me or on my behalf or the behalf of me and my minor children who are insured or for whom I am seeking insurance, if any, ("My Providers") to disclose the entire medical record and any other protected health information concerning me or me and my minor children to Heritage Union Life Insurance Company ("the Company") and its agents, employees, and representatives. This includes information on the testing, diagnosis, treatment or prognosis of any physical or mental condition, including, but not limited to, Human Immunodeficiency Virus (HIV) infection and AIDS (Acquired Immune Deficiency Syndrome), sexually transmitted or communicable diseases, mental illness, developmental disabilities, sickle cell anemia, and the use of alcohol, drugs and tobacco, but excludes psychotherapy notes. By my signature below, I acknowledge that any agreements I have made with My Providers to restrict my or my minor children's protected health information do not apply to this Authorization. I further instruct My Providers to release and disclose my/our entire medical records without restriction, if requested under this Authorization.

The Company may use and disclose information received under this Authorization to: 1) underwrite my application for coverage and make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with the Company. I understand that any information that is disclosed pursuant to this Authorization may be re-disclosed and no longer covered by federal rules governing privacy and confidentiality of health information.

This Authorization shall remain valid for 24 months following the date of my signature. A copy of this Authorization is as valid as the original.

I have the right to revoke this Authorization in writing, at any time, by sending a written request for revocation to the Company at the address shown on the attached correspondence. A revocation of this Authorization is not effective to the extent that the Company or others have relied on it, or to the extent that the Company has a legal right to contest a claim under an insurance policy or to contest the policy itself. My Providers may not refuse to provide treatment or payment for health care services if I refuse to sign this Authorization. I understand that if I refuse to sign this Authorization, the Company may not be able to process my application, or, if coverage has been issued, may not be able to make any benefit payments. I have received a copy of this Authorization which I have signed and will retain for my records.

OUR PRIVACY POLICY
Required by the federal Gramm-Leach-Bliley Act and state privacy law
(State law will apply if it provides more protection than federal law.)
ANNUITY & LIFE REASSURANCE AMERICA, INC.

We are committed to keeping the non-public personal information ("NPI") we collect confidential and secure. We want to let you know how we protect your privacy. Our Privacy Policy applies to potential, current and former customers.

How do we protect your privacy?

- We restrict access to NPI to our employees who need it for their jobs.
- We use your NPI only as is necessary for us to provide insurance products and services.
- We require nonaffiliates that perform services for us to protect your NPI and not use it for any other purpose.
- We verify that anyone asking for your NPI is entitled to it before we give it.
- We collect your health information only with your written authorization.
- We disclose your NPI only as permitted or required by law.
- We do not disclose your NPI to others for their own marketing purposes.
- We do not reveal your health, character, personal habits or reputation to anyone for marketing purposes.
- We maintain physical, electronic, and procedural safeguards to protect your NPI.

What information do we collect?

We need some NPI to determine if you are eligible for our products. Once a contract is issued, we typically only seek NPI when someone asks for more coverage or submits a claim. Some examples of what we may collect:

- Data you provide on applications (name, address, date of birth, Social Security number, income, and beneficiary).
- Medical information from health care providers obtained with your authorization.
- Information about your policies with us (policy number, coverage, premium, and payment history).
- As you have authorized: credit reports from consumer reporting agencies; driving records from the Bureau of Motor Vehicles; medical records from the Medical Information Bureau. (NPI obtained from insurance support organizations may be kept by them and disclosed to others.)

To whom do we disclose information?

We may share your NPI when you ask or authorize us to do so. Also, the law allows certain disclosures without your authorization. We may share some or all of your NPI with affiliates or nonaffiliates, as permitted or required by law. The law does not allow you to opt out of these disclosures. Examples of who we may share NPI with:

- Nonaffiliates we have hired to help us provide insurance services, such as claims, billing, and customer service vendors and insurance agents; affiliates that help us provide services or audit our operations.
- A consumer reporting agency to detect or prevent fraud.
- A regulatory, legal or government authority, for a compliance audit or under a subpoena or court order.
- Affiliates or nonaffiliates that market our products. These parties may include life and health insurers, insurance agents, and marketing firms. We may share your name, address, product purchased, and policy number for these purposes.

What are your rights?

- You have the right to know what NPI we have collected about you; this does not apply to NPI that relates to an actual or possible claim or civil or criminal action. You may ask us in writing to correct any NPI you believe is not correct.
- You may ask us in writing for a list of those to whom we have disclosed your medical records within the past two years.
- If we wish to disclose your NPI for reasons not allowed by law, we will ask for your written authorization. If you give it to us, you may revoke it at any time. Revocation is subject to the rights of anyone who acted in reliance of your authorization before it was revoked.
- We may change our Privacy Policy from time to time. If we do, we will provide you with all of the legal rights to which you are entitled. This privacy notice supersedes all such prior notices we may have provided to you.

NOTICE TO UNITED STATES RESIDENTS UNDER FAIR CREDIT REPORTING ACT

Thank you for choosing us for your insurance program. We would like to explain a part of our underwriting process that is frequently misunderstood.

You are entitled to know that, as part of our routine selection procedure, we may request an investigative consumer report concerning the insurability of each person proposed for coverage. This report would include information as to character, general reputation, personal characteristics and mode of living, except as may be related directly or indirectly to your sexual orientation, obtained through personal interviews with friends, neighbors, and associates of the Proposed Insured. The Proposed Insured may request to be interviewed in connection with this report.

Should you desire additional information about the nature and scope of this report, please make a written request to the Servicing Office, P.O. Box 1147, Jacksonville, Illinois 62651-1147. Please include the name of your agent as well as your own full name, date of birth and return address.

Upon receipt of a request from you, the Bureau will arrange disclosure of any information it may have in your file (medical information will be disclosed only to your attending physician). If you question the accuracy of information in the Bureau's file, you may contact the Bureau and seek a correction. RE: Insured: Simon Bernstein
Policy Number: 1009208
Planned Periodic Premium: \$34,397.20
Total Amount Required to Continue Coverage: \$24,735.16

NOTICE OF POLICY GRACE PERIOD

Dear Simon Bernstein:

Your policy does not have sufficient value to pay the monthly deductions now past due and has entered its grace period. In order to keep your valuable coverage in force, remit your payment so that it is received at the address shown below on or before October 28, 2010, which is the end of your Grace Period. If payment is not received at the address shown below on or before October 28, 2010, your coverage will terminate effective October 28, 2010 unless your policy has a net cash value and provides for and coverage continues under any of the following: 1) a non-forfeiture option, 2) an option to discontinue premium payments, or 3) an automatic premium loan election. Common non-forfeiture options are the purchase of extended term insurance, the purchase of reduced paid-up insurance or you may surrender your policy for the net cash value. Refer to your policy for time limits and options available.

HERITAGE UNION LIFE INSURANCE COMPANY
PO Box 19099
Newark, NJ 07195-0099

If you are making your Planned Periodic Premium payments when billed, the amount and/or frequency is not sufficient to keep your coverage in force. In order to prevent this from happening in the future, we encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your Planned Periodic Premium is necessary.

If this policy should terminate, you may be eligible for reinstatement. The reinstatement of terminated coverage will require evidence of insurability, underwriting approval and payment of all past due premiums during the lifetime of the insured.

OUR PRIVACY POLICY
Required by the federal Gramm-Leach-Bliley Act and state privacy law
(State law will apply if it provides more protection than federal law.)
ANNUITY & LIFE REASSURANCE AMERICA, INC.

We are committed to keeping the non-public personal information ("NPI") we collect confidential and secure. We want to let you know how we protect your privacy. Our Privacy Policy applies to potential, current and former customers.

How do we protect your privacy?

- We restrict access to NPI to our employees who need it for their jobs.
- We use your NPI only as is necessary for us to provide insurance products and services.
- We require nonaffiliates that perform services for us to protect your NPI and not use it for any other purpose.
- We verify that anyone asking for your NPI is entitled to it before we give it.
- We collect your health information only with your written authorization.
- We disclose your NPI only as permitted or required by law.
- We do not disclose your NPI to others for their own marketing purposes.
- We do not reveal your health, character, personal habits or reputation to anyone for marketing purposes.
- We maintain physical, electronic, and procedural safeguards to protect your NPI.

What information do we collect?

We need some NPI to determine if you are eligible for our products. Once a contract is issued, we typically only seek NPI when someone asks for more coverage or submits a claim. Some examples of what we may collect:

- Data you provide on applications (name, address, date of birth, Social Security number, income, and beneficiary).
- Medical information from health care providers obtained with your authorization.
- Information about your policies with us (policy number, coverage, premium, and payment history).
- As you have authorized: credit reports from consumer reporting agencies; driving records from the Bureau of Motor Vehicles; medical records from the Medical Information Bureau. (NPI obtained from insurance support organizations may be kept by them and disclosed to others.)

To whom do we disclose information?

We may share your NPI when you ask or authorize us to do so. Also, the law allows certain disclosures without your authorization. We may share some or all of your NPI with affiliates or nonaffiliates, as permitted or required by law. The law does not allow you to opt out of these disclosures. Examples of who we may share NPI with:

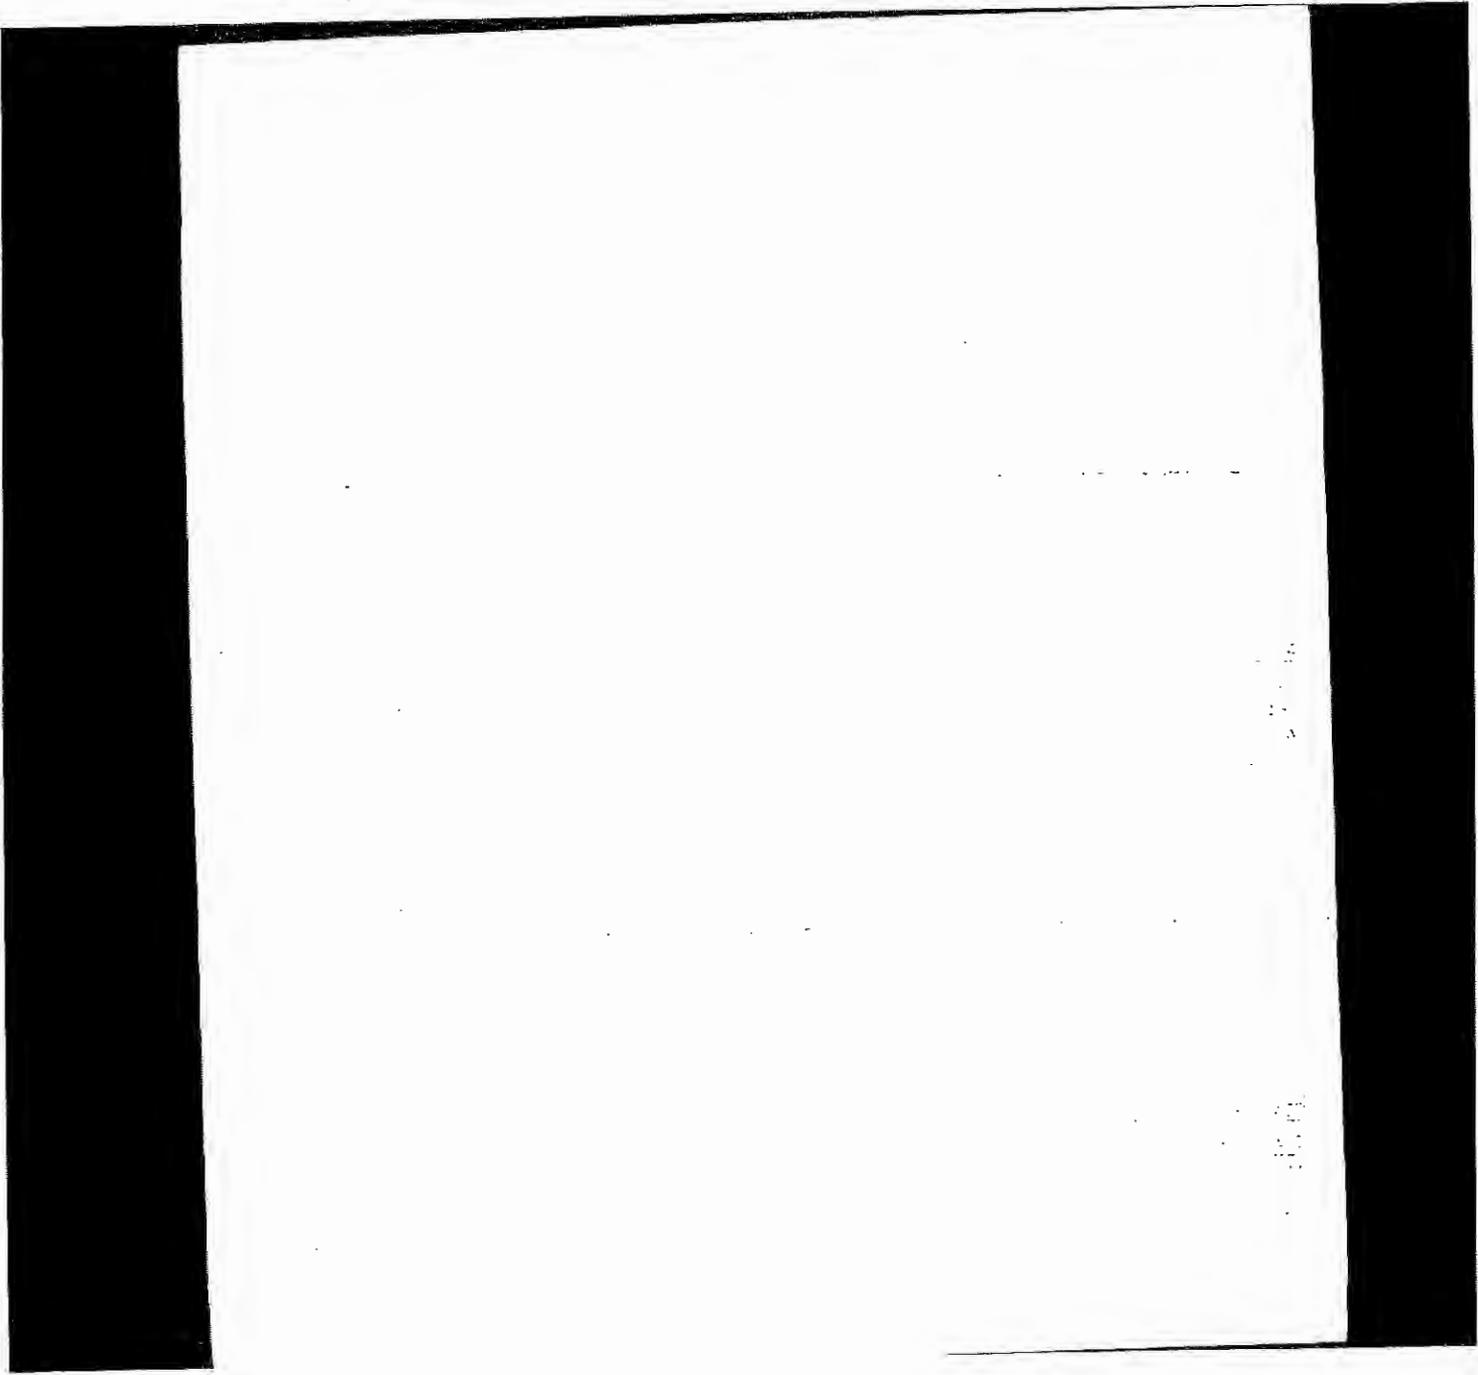

- Nonaffiliates we have hired to help us provide insurance services, such as claims, billing, and customer service vendors and insurance agents; affiliates that help us provide services or audit our operations.
- A consumer reporting agency to detect or prevent fraud.
- A regulatory, legal or government authority, for a compliance audit or under a subpoena or court order.
- Affiliates or nonaffiliates that market our products. These parties may include life and health insurers, insurance agents, and marketing firms. We may share your name, address, product purchased, and policy number for these purposes.

What are your rights?

- You have the right to know what NPI we have collected about you; this does not apply to NPI that relates to an actual or possible claim or civil or criminal action. You may ask us in writing to correct any NPI you believe is not correct.
- You may ask us in writing for a list of those to whom we have disclosed your medical records within the past two years.
- If we wish to disclose your NPI for reasons not allowed by law, we will ask for your written authorization. If you give it to us, you may revoke it at any time. Revocation is subject to the rights of anyone who acted in reliance of your authorization before it was revoked.
- We may change our Privacy Policy from time to time. If we do, we will provide you with all of the legal rights to which you are entitled. This privacy notice supersedes all such prior notices we may have provided to you.

Dear Mr. Bernstein:

In connection with your application for reinstatement, we regret that we are unable to fulfill your request due to history of Coronary Artery Disease as provided in medical records obtained from Dr Baum, and history of Hepatitis C as provided in medical records obtained from Dr Homer. Because this medical information indicates a significant change in health since your insurance policy was originally issued, reinstatement is not possible. You no longer qualify for the premium rate at which your policy was issued.

If you have any questions concerning this matter, please call our Customer Support Center toll-free at 1-877-627-3618, Monday through Friday, from 7:30 a.m. to 4:30 p.m. CT.

Service Request Description: Simon Bernstein, the Insured, purchased a Universal Life (UL) policy with your company about 35 years ago. In October 2010, his Executive Assistant, Diana Banks (Diana), contacted your company by phone to get the minimum premium payment due for that quarter. Diana calls your company every quarter to make the minimum payments in order to keep the policy in force. On that particular phone call, Diana was advised that the minimum premium due was \$11,180, and payment was issued accordingly. The check was paid and cancelled by the bank on October, 15, 2010. The insured further indicates he received a letter dated October 26, 2010, indicating that his policy had lapsed without any additional information. On November 9, 2010, he received a second letter indicating that his policy lapsed effective October 27, 2010, for non-payment of premium. Diana contacted your company to inquire about the lapse and learned the policy had cancelled because the minimum premium payment fell short by \$2,333. She offered to pay the difference right away but your company did not accept the payment. However, Diana was advised that your company agreed to take the policy back to the Underwriting Department for reinstatement. The insured further indicates a final letter was issued to him advising that the policy could not be reinstated. At this point, the insured is requesting the reinstatement of his policy. He further indicates he never received a notice of cancellation indicating that his premium payment fell short by \$2,333. He came to know this information right after the policy was cancelled. Please advise your position on this matter and provide a copy of all the Notices of Cancellation that were mailed to the insured along with proof of mailing. Please also advise whether the wrong premium amount was communicated to Diana by phone. Thank you.

Dear Mr. Brown:

Your correspondence dated July 12, 2011 addressed to Gabor Molnar regarding the above-referenced policy has been referred to my attention for a response.

Upon our receipt of your correspondence, we conducted a thorough review of our policy records. Based on our review, we will make a one-time exception and return policy number 1009208 to an active premium-paying status upon receipt of a payment in the amount of \$76,255.00 within 14 days from the date of this letter (July 28, 2011). Please have the payment mailed to the address noted below in order to expedite our processing:

Debbie Jacobs
 12750 Merit Drive, Suite 500
 Dallas, TX 75251

If the required payment is not received by July 28, 2011, the policy will remain terminated.

This individual non-participating interest sensitive Current Value Life insurance policy with a sum insured (death benefit) of \$1,689,070.00 was issued on December 27, 1982 insuring the life of Simon Bernstein. The policy was issued by Capitol Bankers Life Insurance Company, now known as Heritage Union Life Insurance Company. The policy provides for the payment of premiums during the lifetime of the insured or to age 100.

Our records indicate that we mailed our Notice of Policy Grace Period dated August 27, 2010 to Mr. Bernstein's address of record notifying him that the policy was in the grace period and a payment of \$24,735.16 was needed on or before October 28, 2010 in order for the policy to continue in force. We also advised if the payment was not received and the policy terminated, reinstatement of the policy would require evidence of insurability, underwriting approval, and

Nicholas Brown, B. S., MPA

Policy Number: 1009208

payment of all past due premiums during the lifetime of the insured. We also mailed the September 27, 2010 quarterly Payment Notice on August 30, 2010 for the premium due in the amount of \$34,397.20. This notice also advised Mr. Bernstein that the payment was needed by the due date shown on the policy would enter the grace period.

We were contacted by telephone on September 9, 2010 and requested to provide the minimum premium needed to keep the policy in force for the next year. We mailed our letter dated September 20, 2010 (attached) advising that a payment of \$11,180.00 was needed on or before October 28, 2010, and as of September 17, 2010, the annual premium had been changed to \$31,831.00. However, this letter was in error as we should have stated that the quarterly premium had been changed to \$31,831.00. Please note that the amount of \$11,180.00 was correct on the day of Diana's phone call to our office had the amount of \$31,831.00 also been paid by the September 27, 2010 due date. However, it doesn't appear that this was sufficiently communicated to her.

We received the payment of \$11,180.00 on October 15, 2010, which was applied to the policy. However, when we did not receive a payment sufficient to bring the loan amount to below the policy value, the policy lapsed as we advised in our letter dated October 29, 2010. As requested, attached are copies of the cancellation notices.

We subsequently provided Mr. Bernstein with the reinstatement forms on November 12, 2010 and November 15, 2010, which were returned to us for review. Upon our review of the completed reinstatement forms, we found that we were unable to approve reinstatement of the policy as we advised in our letter dated March 9, 2011. However, due to the confusion with regard to our letter dated September 20, 2010 and as stated on the first page of this letter, we will return the policy to an active premium-paying basis upon receipt of a payment of \$76,255.00, which will cover the overloan amount and pay premiums to December 27, 2011. If the payment is not received within 14 days from the date of this letter (July 28, 2011), the policy will remain in a terminated status.

We strive to provide accurate and timely service, and we apologize for any inconvenience Mr. Bernstein may have experienced in connection with this matter. If you have any specific questions about this response, please feel free to contact me toll-free at (800) 888-9772 and select option 7 or call me directly at (972) 776-8606.

RE: Insured: Simon Bernstein
Policy Number: 1009208
Planned Periodic Premium: \$34,397.20
Total Amount Required to Continue Coverage: \$24,735.16

NOTICE OF POLICY GRACE PERIOD

Dear Simon Bernstein:

Your policy does not have sufficient value to pay the monthly deductions now past due and has entered its grace period. In order to keep your valuable coverage in force, remit your payment so that it is received at the address shown below on or before October 28, 2010, which is the end of your Grace Period. If payment is not received at the address shown below on or before October 28, 2010, your coverage will terminate effective October 28, 2010 unless your policy has a net cash value and provides for and coverage continues under any of the following: 1) a non-forfeiture option, 2) an option to discontinue premium payments, or 3) an automatic premium loan election. Common non-forfeiture options are the purchase of extended term insurance, the purchase of reduced paid-up insurance or you may surrender your policy for the net cash value. Refer to your policy for time limits and options available.

HERITAGE UNION LIFE INSURANCE COMPANY
PO Box 19099
Newark, NJ 07195-0099

If you are making your Planned Periodic Premium payments when billed, the amount and/or frequency is not sufficient to keep your coverage in force. In order to prevent this from happening in the future, we encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your Planned Periodic Premium is necessary.

If this policy should terminate, you may be eligible for reinstatement. The reinstatement of terminated coverage will require evidence of insurability, underwriting approval and payment of all past due premiums during the lifetime of the insured.

Re: Service Request Number: 1-705957085
Company Name: Heritage Union Life Insurance Company (Heritage Union)

Dear Mr. Bernstein:

We have received a response from your insurance company in regard to the request for service you filed.

Heritage Union indicates they have made a one-time exception to reinstate your policy upon receipt of a payment in the amount of \$76,255.00 within 13 days from the date of this letter. Your payment should be mailed to the following address:

Debbie Jacobs
12759 Merit Drive, Suite 500
Dallas, Texas 75251

Heritage Union also indicates that this decision was made based on the confusion generated by a letter dated September 20, 2010. The letter was issued in error advising that a minimum payment in the amount of \$11,180.00 was due on October 28, 2010. However, your annual premium was changed to \$31,831.00, as of September 17, 2010. The amount of \$11,180.00 was correct on the day of Diana Banks's phone call, if the amount of \$31,831.00 would have also been paid by September 27, 2010.

It appears your request has been resolved. Please be aware that your policy will not be reinstated if your payment is not received by July 28, 2011. If this information is incorrect, or you have additional questions regarding this matter, please contact me at (727) 587-7284.

Thank you for the opportunity to be of assistance. For additional information on insurance or financial matters, please visit us on the web at www.myfloridacfo.com. While there, be sure to check out *Consumer eViews*, Chief Financial Officer Jeff Atwater's weekly newsletter.

Adv this is to catch up the missed COI between October 2010 and current, plus a couple of months COI, and probably interest. Once we have the payment and policy is back in force, we can run the illustrations or quotes. Verified that the payment needs to be mailed to Debbie Jacobs attention in Dallas Overnight.

Dear Mr. Brown:

Your correspondence dated July 12, 2011 addressed to Gabor Molnar regarding the above-referenced policy has been referred to my attention for a response.

Upon our receipt of your correspondence, we conducted a thorough review of our policy records. Based on our review, we will make a one-time exception and return policy number 1009208 to an active premium-paying status upon receipt of a payment in the amount of \$76,255.00 within 14 days from the date of this letter (July 28, 2011). Please have the payment mailed to the address noted below in order to expedite our processing:

Debbie Jacobs
12750 Merit Drive, Suite 500
Dallas, TX 75251

If the required payment is not received by July 28, 2011, the policy will remain terminated.

This individual non-participating interest sensitive Current Value Life insurance policy with a sum insured (death benefit) of \$1,689,070.00 was issued on December 27, 1982 insuring the life of Simon Bernstein. The policy was issued by Capitol Bankers Life Insurance Company, now known as Heritage Union Life Insurance Company. The policy provides for the payment of premiums during the lifetime of the insured or to age 100.

Our records indicate that we mailed our Notice of Policy Grace Period dated August 27, 2010 to Mr. Bernstein's address of record notifying him that the policy was in the grace period and a payment of \$24,735.16 was needed on or before October 28, 2010 in order for the policy to continue in force. We also advised if the payment was not received and the policy terminated, reinstatement of the policy would require evidence of insurability, underwriting approval, and

payment of all past due premiums during the lifetime of the insured. We also mailed the September 27, 2010 quarterly Payment Notice on August 30, 2010 for the premium due in the amount of \$34,397.20. This notice also advised Mr. Bernstein that the payment was needed by the due date shown on the policy would enter the grace period.

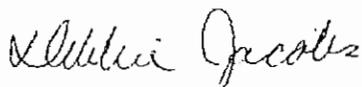

We were contacted by telephone on September 9, 2010 and requested to provide the minimum premium needed to keep the policy in force for the next year. We mailed our letter dated September 20, 2010 (attached) advising that a payment of \$11,180.00 was needed on or before October 28, 2010, and as of September 17, 2010, the annual premium had been changed to \$31,831.00. However, this letter was in error as we should have stated that the quarterly premium had been changed to \$31,831.00. Please note that the amount of \$11,180.00 was correct on the day of Diana's phone call to our office had the amount of \$31,831.00 also been paid by the September 27, 2010 due date. However, it doesn't appear that this was sufficiently communicated to her.

We received the payment of \$11,180.00 on October 15, 2010, which was applied to the policy. However, when we did not receive a payment sufficient to bring the loan amount to below the policy value, the policy lapsed as we advised in our letter dated October 29, 2010. As requested, attached are copies of the cancellation notices.

We subsequently provided Mr. Bernstein with the reinstatement forms on November 12, 2010 and November 15, 2010, which were returned to us for review. Upon our review of the completed reinstatement forms, we found that we were unable to approve reinstatement of the policy as we advised in our letter dated March 9, 2011. However, due to the confusion with regard to our letter dated September 20, 2010 and as stated on the first page of this letter, we will return the policy to an active premium-paying basis upon receipt of a payment of \$76,255.00, which will cover the overloan amount and pay premiums to December 27, 2011. If the payment is not received within 14 days from the date of this letter (July 28, 2011), the policy will remain in a terminated status.

We strive to provide accurate and timely service, and we apologize for any inconvenience Mr. Bernstein may have experienced in connection with this matter. If you have any specific questions about this response, please feel free to contact me toll-free at (800) 888-9772 and select option 7 or call me directly at (972) 776-8606.

Sincerely,

RE: Insured: Simon Bernstein
Policy Number: 1009203
Planned Periodic Premium: \$34,367.20
Total Amount Required to Continue Coverage: \$24,785.16

NOTICE OF POLICY GRACE PERIOD

Dear Simon Bernstein:

Your policy does not have sufficient value to pay the monthly deductions now past due and has entered its grace period. In order to keep your valuable coverage in force, remit your payment so that it is received at the address shown below on or before October 28, 2010, which is the end of your Grace Period. If payment is not received at the address shown below on or before October 28, 2010, your coverage will terminate effective October 28, 2010 unless your policy has a net cash value and provides for and coverage continues under any of the following: 1) a non-forfeiture option, 2) an option to discontinue premium payments, or 3) an automatic premium loan election. Common non-forfeiture options are the purchase of extended term insurance, the purchase of reduced paid-up insurance or you may surrender your policy for the net cash value. Refer to your policy for time limits and options available.

HERITAGE UNION LIFE INSURANCE COMPANY
PO Box 19089
Newark, NJ 07185-0099

If you are making your Planned Periodic Premium payments when billed, the amount and/or frequency is not sufficient to keep your coverage in force. In order to prevent this from happening in the future, we encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your Planned Periodic Premium is necessary.

If this policy should terminate, you may be eligible for reinstatement. The reinstatement of terminated coverage will require evidence of insurability, underwriting approval and payment of all past due premiums during the lifetime of the insured.

Insured Name: SIMON BERNSTEIN

Correspondence Number: 09479736

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the *minimum premium* required for the above referenced policy. In order to bring this policy to a current status, please remit a premium payment of \$32,662.94 prior to grace period ending date of December 01, 2011. This premium will pay this policy to December 27, 2011

The current scheduled premium amount of \$31,831.00 is no longer adequate to cover your cost of insurance plus any policy expenses and maintain a positive cash value. Effective September 19, 2011 the annual premium has been changed to \$99,416.00. As of December 27, 2011 the annual premium will need to be increased to \$108,928.00.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

Insured Name: SIMON BERNSTEIN
Policy Number: 1009208
Correspondence Number: 09479736

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the minimum premium required for the above referenced policy. In order to bring this policy to a current status, please remit a premium payment of \$32,662.94 prior to grace period ending date of December 01, 2011. This premium will pay this policy to December 27, 2011

The current scheduled premium amount of \$31,831.00 is no longer adequate to cover your cost of insurance plus any policy expenses and maintain a positive cash value. Effective September 19, 2011 the annual premium has been changed to \$99,416.00. As of December 27, 2011 the annual premium will need to be increased to \$108,928.00.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

BOCA RATON, FL 33496

Insured Name: SIMON BERNSTEIN
Policy Number: 1009208
Correspondence Number: 09540870

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the minimum premium required for the above referenced policy. In order to bring this policy to a current status, please remit a premium payment of \$108,926.89 prior to grace period ending date of February 12, 2012. This premium will pay this policy to December 27, 2012.

The current scheduled premium amount of \$99,416.00 is no longer adequate to cover your cost of insurance plus any policy expenses and maintain a positive cash value. Effective December 27, 2011 the annual premium has been changed to \$108,927.00.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

Correspondence Number: 09583466

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the minimum premium required for the above referenced policy. In order to bring this policy to a current status, please remit a premium payment of \$18,296.01 prior to grace period ending date of March 03, 2012. This premium will pay this policy to March 27, 2012.

The current scheduled annual premium amount of \$108,950.00 is no longer adequate to cover your cost of insurance plus any policy expenses and maintain a positive cash value. Effective February 09, 2012 the quarterly premium has been changed to \$27,238.00.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age. We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

- 7. **DUPLICATE POLICY** (\$10.00 fee required) or **CERTIFICATE OF INSURANCE** (no fee)
I hereby declare that the above policy was lost or destroyed under the following circumstances:

I agree that, upon issuance of a duplicate policy, the original policy will be null and void, and that, if the original is found, it will be promptly returned to the Company. I agree to hold Capital Investors Life harmless from any claim or expense under the original policy.

- 8. **POLICY LOAN**

 - I request the addition of the Automatic Premium Loan provision to my policy:
 - Variable Interest Rate

Note that a Fixed Rate Loan reduces the cash value and face amount at anniversary. This transaction may cause premiums to increase.

A Variable Loan affects the values of the policy only upon death or surrender.

If the loan rate option is not specified, the loan will be processed under the loan rate provisions of the policy.

- 9. **POLICY SURRENDER.** I am surrendering the policy. I request a full surrender.

INCOME TAX WITHHOLDING NOTICE AND ELECTION: In 1982, Congress passed the Tax Equity and Fiscal Responsibility Act (TEFRA). This law requires that a tax of 10% be withheld from the taxable portion of certain life insurance payments you receive unless you decide not to have tax withheld. Withholding applies only to the taxable portion of the payment you receive and not to the entire payment. The taxable portion, which is subject to withholding, is, in general, equal to the excess of the amount you receive over the total net amount which is considered to be your cost basis for such amount. In many instances, when a life insurance policy is surrendered for its cash value, there is no such excess.

Elect withholding or no withholding by checking the appropriate box below. Please complete this section of this form by signing it and filling in your Social Security Number. If you do not make a choice, we will withhold 10% for Federal income taxes from any taxable portion of your payment.

Even if you decide not to have Federal income tax withheld, you are still liable for payment of Federal income tax on the taxable portion of this payment. You may be subject to tax penalties under the Estimated Tax Payment Rules if your payments of estimated tax and withholding, if any, are not sufficient.

PLEASE (✓) ONE BLOCK

- I have read the above notice and elect to have no income tax withheld.
- I have read the above notice and elect to have income tax withheld.

BY MY SIGNATURE BELOW, I ACKNOWLEDGE THAT: I understand that this request is subject to the provisions and conditions of the above policy and that the Company may request additional information or impose additional requirements. I agree that my signature shall apply to each request which has been checked on this form and further agree that no request which is not checked will become effective. Comments: we got the 36,800.35 that we requested for overloan amount - this was applied to the policy as a reg premium payment - there is still a loan amount of 13,776.38 that is not on the system - even after the 36,800.35 reg premium payment we still do not have enough cash value in the policy to add the 13,776.38 loan - should the 36,800.35 reg premium amount be reversed and applied as a 23,023.97 loan payment with the additional 13,776.38 journaled to the loan account for the loaned amount that is not on the system - or is the policy still truly overloaned?

7. **Estate as Beneficiary:** The estate of John H. Doe, Insured.
8. **Funeral Home Beneficiary:** If you reside in a state other than New York or Texas, you may name a funeral home as beneficiary under a life insurance policy or annuity contract except for policies or contracts used to fund pre-need funeral contracts. If naming a funeral home as beneficiary, please include the exact name of the funeral home and the phrase "as their interest may appear." Please be aware that if the funeral home's interest is less than the death proceeds and they are listed as the only beneficiary, they are under no obligation to give any remaining funds to your family or estate. We recommend that you still name a trusted family member or friend as contingent beneficiary.

For life insurance policies or annuity contracts that are used to fund pre-need funeral contracts, different requirements apply and states may prohibit you from naming a funeral home as beneficiary. Please seek legal advice before naming a funeral home as beneficiary under this type of life insurance policy or annuity contract.

9. The relationship of the proposed beneficiary to the person whose life is insured is needed for the purpose of identification. If no relationship exists, please furnish other information that will serve to identify the beneficiary.

Insured Name: SIMON BERNSTEIN
Policy Number: 1009208
Correspondence Number: 09708430

Dear Simon Bernstein:

Thank you for contacting Heritage Union Life Insurance Company. We have received your request to calculate the minimum premium required for the above referenced policy.

In order to bring this policy to a current status, please remit a premium payment of \$36,000.36 prior to grace period ending date of 08/28/2012. This premium will pay this policy to 9/27/2012.

Our records indicate the current scheduled premium of \$27,238.00 is sufficient to cover the cost of insurance plus any policy expenses to the next policy anniversary date of 12/27/2012.

As you are paying the minimum premium, it may be necessary to increase the premium to cover the cost of insurance each year which increases according to the insured's attained age.

We encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your minimum premium is necessary.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

Sincerely,

Client Services

Dear Simon Bernstein:

We are required by your state of residence to provide you, the policy/certificate owner, with annual notification of your right to designate an individual as a secondary addressee for receipt of possible lapse notices for this life insurance policy or certificate. You will continue to receive annual notification, even if this right has already been elected and a secondary addressee has been named.

If elected, the secondary addressee will receive these notices, if any, in all years following the policy/certificate owner or insured reaching age 64. If you wish to exercise this right, please complete the enclosed form and return it to us in the enclosed envelope.

While we are obligated to provide the secondary addressee with notification of a pending lapse if you so elect, we are restricted from providing anyone other than the policyowner any further details.

We are proud to be your insurance company and thank you for being our customer.

Re: Policy Number: 1009208
Insured: Simon Bernstein

Dear Simon Bernstein:

We are required by your state of residence to provide you, the policy/certificate owner, with annual notification of your right to designate an individual as a secondary addressee for receipt of possible lapse notices for this life insurance policy or certificate. You will continue to receive annual notification, even if this right has already been elected and a secondary addressee has been named.

If elected, the secondary addressee will receive these notices, if any, in all years following the policy/certificate owner or insured reaching age 64. If you wish to exercise this right, please complete the enclosed form and return it to us in the enclosed envelope.

While we are obligated to provide the secondary addressee with notification of a pending lapse if you so elect, we are restricted from providing anyone other than the policyowner any further details.

We are proud to be your insurance company and thank you for being our customer.

RE: Policy #1009208 - SIMON BERNSTEIN

Dear SIMON BERNSTEIN:

To date we have not received the premium payment of \$17,303.15 which was due Jun 27, 1999, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to SEP 27, 1999:	
Net Loan	\$17,303.15
Interest	\$679.99
Gross Loan	\$17,983.14
Other Outstanding Loans	\$18,335.02
Total Loan Balance as of 12/27/99	\$36,318.16

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-0003.

Re: Policy No. 1009208

Dear Mr. Bernstein:

Following your request we have applied the Nonforfeiture Option of Automatic Premium Loan to cover the semi-annual premium amount due on the policy to keep it in force. For an explanation of this option, please refer to the "Nonforfeiture Option" in your policy.

A loan was created for an amount of \$34,506.03. The total loan on your policy is \$36,318.16.

This APL was the semi-annual premium only. If you wish to APL the next premium due on 27 September 1999, we will need a written request from you to do so.

If you do not wish this loan to be on your policy and accrue interest, you may send us your premium payments within 10 days to avoid an interest charge.

If you elect to retain the payment of your premium by Automatic Premium Loan, we will bill for loan interest once a year. You are under no obligation to pay the interest at that time. The loan interest will be automatically added to the loan amount which reduces the cash value available to you and the death benefit payable to your beneficiary.

Alternative options may be available. For additional information, please contact our Customer Service Department at 800/825-0003.

Sincerely,

Brenda Piper

7. DUPLICATE POLICY (\$10.00 fee required) or CERTIFICATE OF INSURANCE (no fee)
I hereby declare that the above policy was lost or destroyed under the following circumstances:

I agree that, upon issuance of a duplicate policy, the original policy will be null and void, and that, if the original is found, it will be promptly returned to the Company. I agree to hold Capital Investors Life harmless from any claim or expense under the original policy.

8. POLICY LOAN

- I request a policy loan of \$ _____, or the Maximum Loan Value, if less.
 - Variable Interest Rate
 - Fixed Interest Rate
- I request a policy loan to pay premiums due:
 - Variable Interest Rate
 - Fixed Interest Rate
- I request the addition of the Automatic Premium Loan provision to my policy:
 - Variable Interest Rate
 - Fixed Interest Rate

Note that a Fixed Rate Loan reduces the cash value and face amount at anniversary. This transaction may cause premiums to increase.

A Variable Loan affects the values of the policy only upon death or surrender.
If the loan rate option is not specified, the loan will be processed under the loan rate provisions of the policy.

9. POLICY SURRENDER. I am returning the policy. I request a full surrender.

INCOME TAX WITHHOLDING NOTICE AND ELECTION: In 1982, Congress passed the Tax Equity and Fiscal Responsibility Act (TEFRA). This law requires that a tax of 10% be withheld from the taxable portion of certain life insurance payments you receive unless you decide not to have tax withheld. Withholding applies only to the taxable portion of the payment you receive and not to the entire payment. The taxable portion, which is subject to withholding, is, in general, equal to the excess of the amount you receive over the total net amount which is considered to be your cost basis for such amount. In many instances, when a life insurance policy is surrendered for its cash value, there is no such excess.

Elect withholding or no withholding by checking the appropriate box below. Please complete this section of this form by signing it and filling in your Social Security Number. If you do not make a choice, we will withhold 10% for Federal income taxes from any taxable portion of your payment.

Even if you decide not to have Federal income tax withheld, you are still liable for payment of Federal income tax on the taxable portion of this payment. You may be subject to tax penalties under the Estimated Tax Payment Rules if your payments of estimated tax and withholding, if any, are not sufficient.

PLEASE (✓) ONE BOX

- I have read the above notice and elect to have no income tax withheld.

BY MY SIGNATURE BELOW, I ACKNOWLEDGE THAT: I understand that this request is subject to the provisions and conditions of the above policy and that the Company may request additional information or impose additional requirements. I agree that my signature shall apply to each request which has been checked on this form and further agree that no request which is not checked will become effective. I certify that the above policy is not pledged or assigned to any other person or corporation, except where stated in the request, and that no proceedings in bankruptcy are pending.

9. **POLICY SURRENDER.** I am returning the policy; I request a full surrender.

INCOME TAX WITHHOLDING NOTICE AND ELECTION: In 1982, Congress passed the Tax Equity and Fiscal Responsibility Act (TEFRA). This law requires that a tax of 10% be withheld from the taxable portion of certain life insurance payments you receive unless you decide not to have tax withheld. Withholding applies only to the taxable portion of the payment you receive and not to the entire payment. The taxable portion, which is subject to withholding, is, in general, equal to the excess of the amount you receive over the total net amount which is considered to be your cost basis for such amount. In many instances, when a life insurance policy is surrendered for its cash value, there is no such excess.

Select withholding or no withholding by checking the appropriate box below. Please complete this section of this form by signing it and filling in your Social Security Number. If you do not make a choice, we will withhold 10% for Federal income taxes from any taxable portion of your payment.

Even if you decide not to have Federal income tax withheld, you are still liable for payment of Federal income tax on the taxable portion of this payment. You may be subject to tax penalties under the Estimated Tax Payment Rules if your payments of estimated tax and withholding, if any, are not sufficient.

PLEASE (✓) ONE BLOCK

- I have read the above notice and elect to have no income tax withheld.

BY MY SIGNATURE BELOW, I ACKNOWLEDGE THAT: I understand that this request is subject to the provisions and conditions of the above policy and that the Company may request additional information or impose additional requirements. RE: Policy #1009208 - SIMON BERNSTEIN

Dear Sir or Madam:

To date we have not received the premium payment of \$5,065.22 which was due Nov 27, 1996, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to DEC 27, 1996:	
Net Loan	\$5,065.22
Interest	\$32.11
Gross Loan	\$5,097.33
Other Outstanding Loans	\$21,500.50
Total Loan Balance as of 12/27/96	\$26,597.83

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-0003.

RE: Policy #1009208 - SIMON BERNSTEIN

Dear Sir or Madam:

To date we have not received the premium payment of \$4,603.25 which was due Oct 27, 1994, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to NOV 27, 1994:	
Net Loan	\$4,603.25
Interest	\$59.53
Gross Loan	\$4,662.78
Other Outstanding Loans	\$43,586.25
Total Loan Balance as of 12/27/94	\$48,249.03

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-0003.

RE: Policy #1009208 - SIMON BERNSTEIN

Dear Sir or Madam:

To date we have not received the premium payment of \$5,065.22 which was due Feb 27, 1996, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to MAR 27, 1996:	
Net Loan	\$5,065.22
Interest	\$333.81
Gross Loan	\$5,399.03
Other Outstanding Loans	\$10,904.40
Total Loan Balance as of 12/27/96	\$16,303.43

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-0003.

RE: ~~XXXXXXXXXXXX~~ 409208 - SIMON BERNSTEIN

Dear Sir or Madam:

To date we have not received the premium payment of \$4,416.53 which was due Aug 27, 1993, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to SEP 27, 1993:	
Net Loan	\$4,416.53
Interest	\$114.96
Gross Loan	\$4,531.49
Other Outstanding Loans	\$23,248.49
Total Loan Balance as of 12/27/93	\$27,779.93

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-0003. You may reach me at ext. 4092.

Sincerely,

RE: Policy #1009708 - SIMON PERNSTEIN

Dear Sir or Madam:

To date we have not received the premium payment of \$4,416.53 which was due Feb 27, 1993, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to MAR 27, 1993:	
Net Loan	\$4,416.53
Interest	\$291.06
Gross Loan	\$4,707.59
Other Outstanding Loans	\$4,769.47
Total Loan Balance as of 12/27/92	\$9,477.06

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-7073. You may reach me at extension 303.

Policy #10C9208

Dear Sir/Adam:

I am writing this letter in response to your request. The above mentioned policy has been paid to December 27, 1991 by a premium loan.

The status of the loan is as follows:

Net Loan	\$3,494.02
Interest	\$22.15
Total Gross Loan	\$3,516.17

Total Outstanding Loan Balance to 27DEC1991: \$29,609.44

If the loan is not repaid by the next anniversary date, the cash value and face amounts will be reduced by the amount of the loan. The premium may increase so that the cash value will equal the policy face amount at the policy target age.

Dear Don:

Re: National Service Association and S. B. Lexington, Inc. v. Capitol Bankers Life
Insurance Company,
Case #91 C 7040

Our company has had an opportunity to review the proposed offer of settlement, conveyed under cover of December 1, 1992, offering to settle the above captioned action if our company would be prepared to maintain, in full force, Policy # 1009394 insuring the life of Sheldon Simon and Policy # 1009208 insuring the life in Mr. Simon Bernstein.

I am informed that the policyowner has been paying the premium for Policy # 1009208, insuring the life of Mr. Simon Bernstein, through premium loans against the policy's cash value. The policy has insufficient cash value to permit continuation of loaning of the premium for the next policy year, 1992 to 1993, and therefore, an annual premium will need to be paid so that the policy does not lapse. I have enclosed an Annual Report for this policy which reflects a premium required of \$50,779.00, providing a sum insured of \$1,810,671.00 at the new interest rate of 7.25%. The mortality costs for the policy is \$12,764.75. With respect to Policy # 1009394 insuring the life of Mr. Sheldon Simon, the policy will remain in full force through 1996 if no additional premiums are paid and if they continue their current practice of borrowing the cash value to pay the premiums when due.

Mr. Donald C. Pasulka
Page Two

Our company cannot agree to the settlement offer requiring our company to waive all future premiums as our company within two years, would pay in excess of the alleged damages suffered by the plaintiffs in the above captioned action.

I look forward to your thoughts, and if I can be of any further service, please let me know.

Sincerely,

L. John Ratzel, Jr.

Re: Policy #1000000000 - SIFON GARRET II

Dear Sir or Madam:

We regret we have not received the premium payment of \$3,494.22 which was due July 27, 1991, for the insurance policy named above. Since the premium is overdue, the automatic premium loan provision which you elected has gone into effect.

Under the automatic premium loan provision, overdue premiums are paid by a loan taken from the cash surrender value of the policy. The loan which has been taken to pay your premium consists of the following:

Automatic Premium Loan to pay policy to July 27, 1991:	
Net Loan	\$3,494.22
Interest	114.44
Gross Loan	\$3,608.66
Other Outstanding Loans	10,780.97
Total Loan Balance as of 12/27/91	14,389.63

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The cash surrender value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Letting your insurance needs in important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 414-777-9449. You may reach us at extension 333.

Sincerely,

James J. O'Connell, Policyowner Services

Total Outstanding Loan Balance to 27JUL1991: 814,763.97

If the loan is not repaid by the next anniversary date, the cash value and face amounts will be reduced by the amount of the loan. The premium may increase so that the cash value will equal the policy face amount at the policy target age.

Re: Policy 1100971 - SLOM BERSTEN

Dear Sir or Madam:

To date we have not received the premium payment of \$3,494.02 which was due May 27, 1991, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to July 27, 1991:	
Net Loan	\$3,494.02
Interest	\$161.20
GROSS Loan	\$3,655.22
Other Outstanding Loans	\$7,457.52
Total Loan balance as of 12/27/91	\$11,112.74

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Continued your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-825-0033. You may reach me at extension 383.

Sincerely,

Terese Holbert, Policyowner Services

Dear Sir/Madam:

Re: Policy #1009208 - Simon Bernstein

To date, we have not received the premium payment of \$3,494.02 which was due November 27, 1990, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has gone into effect. I have also enclosed the corrected Annual Report reflecting your current values.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premiums consists of the following:

Automatic Premium Loan to pay policy to December 27, 1990:	
Net Loan	\$3,494.02
Interest	\$279.22
Gross Loan	\$3,773.24
Other Outstanding Loans	\$0.00
Total Loan Balance as of 12/27/90	\$3,773.24

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Re: Policy # 9003 - SI 31 6125211

Dear Sir or Madam:

To date we have not received the premium payment of \$3,323.04 which was due June 27, 1979, for the insurance policy named above. Since the premium is overdue, the Automatic Premium Loan provision which you elected has come into effect.

Under the Automatic Premium Loan provision, overdue premiums are paid by a loan taken from the Cash Surrender Value of the policy. The loan which has been taken to pay your premium consists of the following:

Automatic Premium Loan to pay policy to JUL 27, 1979:	
Net Loan	\$3,323.04
Interest	213.47
Gross Loan	\$3,536.51
Other Outstanding Loans	\$1,389.11
Total Loan Balance as of 12/27/79	\$49,276.57

If the loan is not repaid by the next anniversary date, the cash value and face amounts of the policy will be reduced by the amount of the loan. The premium may increase in order to enable the cash value to become equal to the policy's face amount at the policy target age.

We will continue to take loans to pay premiums under this provision until one of the following events occurs:

- You resume regular premium payments.
- The Cash Surrender Value is no longer sufficient to pay premiums.
- We receive a written request from you to discontinue this provision.

Meeting your insurance needs is important to us. For assistance with your coverage, please feel free to contact your Capitol Bankers Life agent or our office at 1-800-329-1100. You may reach us at extension 300.

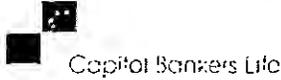

Sincerely,

Re: Simon Bernstein, policy #1009208

Dear Terri:

Per my telephone conversations with yourself and Cheryl at Capitol Bankers Life today, I am Federal Expressing a check in the amount of \$3,486.30 for the past due owed on the 12/27/89 - 1/27/90 monthly in the amount of \$162.46, and for the 1/27/90 - 2/27/90 monthly in the amount of \$3,323.84.

As you know, all of our checks must be turned around at the Bank, which will delay the check by two days. As I previously said, I am federal expressing the check out of our office today to the bank and have requested the bank to federal express the check back immediately.

I have enclosed a copy of the check which I sent to you for the 12/27/89 - 1/27/90 monthly in the amount of \$3,161.38. Considering that when I sent this check in, the billing statement which I received from Capitol Bankers Life showed the amount due for the December monthly as \$3,161.38 (copy of billing statement enclosed). The check will be in your office March 6th and I will expect no lapse at least through this period. Also, I called Capitol Bankers Life in January, 1990 to see if there was sufficient funds in the policy to APL Mr. Bernstein's policy for two monthly premiums. At that time, I was told there was sufficient funds in the policy for the APL, and I proceeded to request the APL. Now, I am told that there are no funds available to process the APL for the two monthlies.

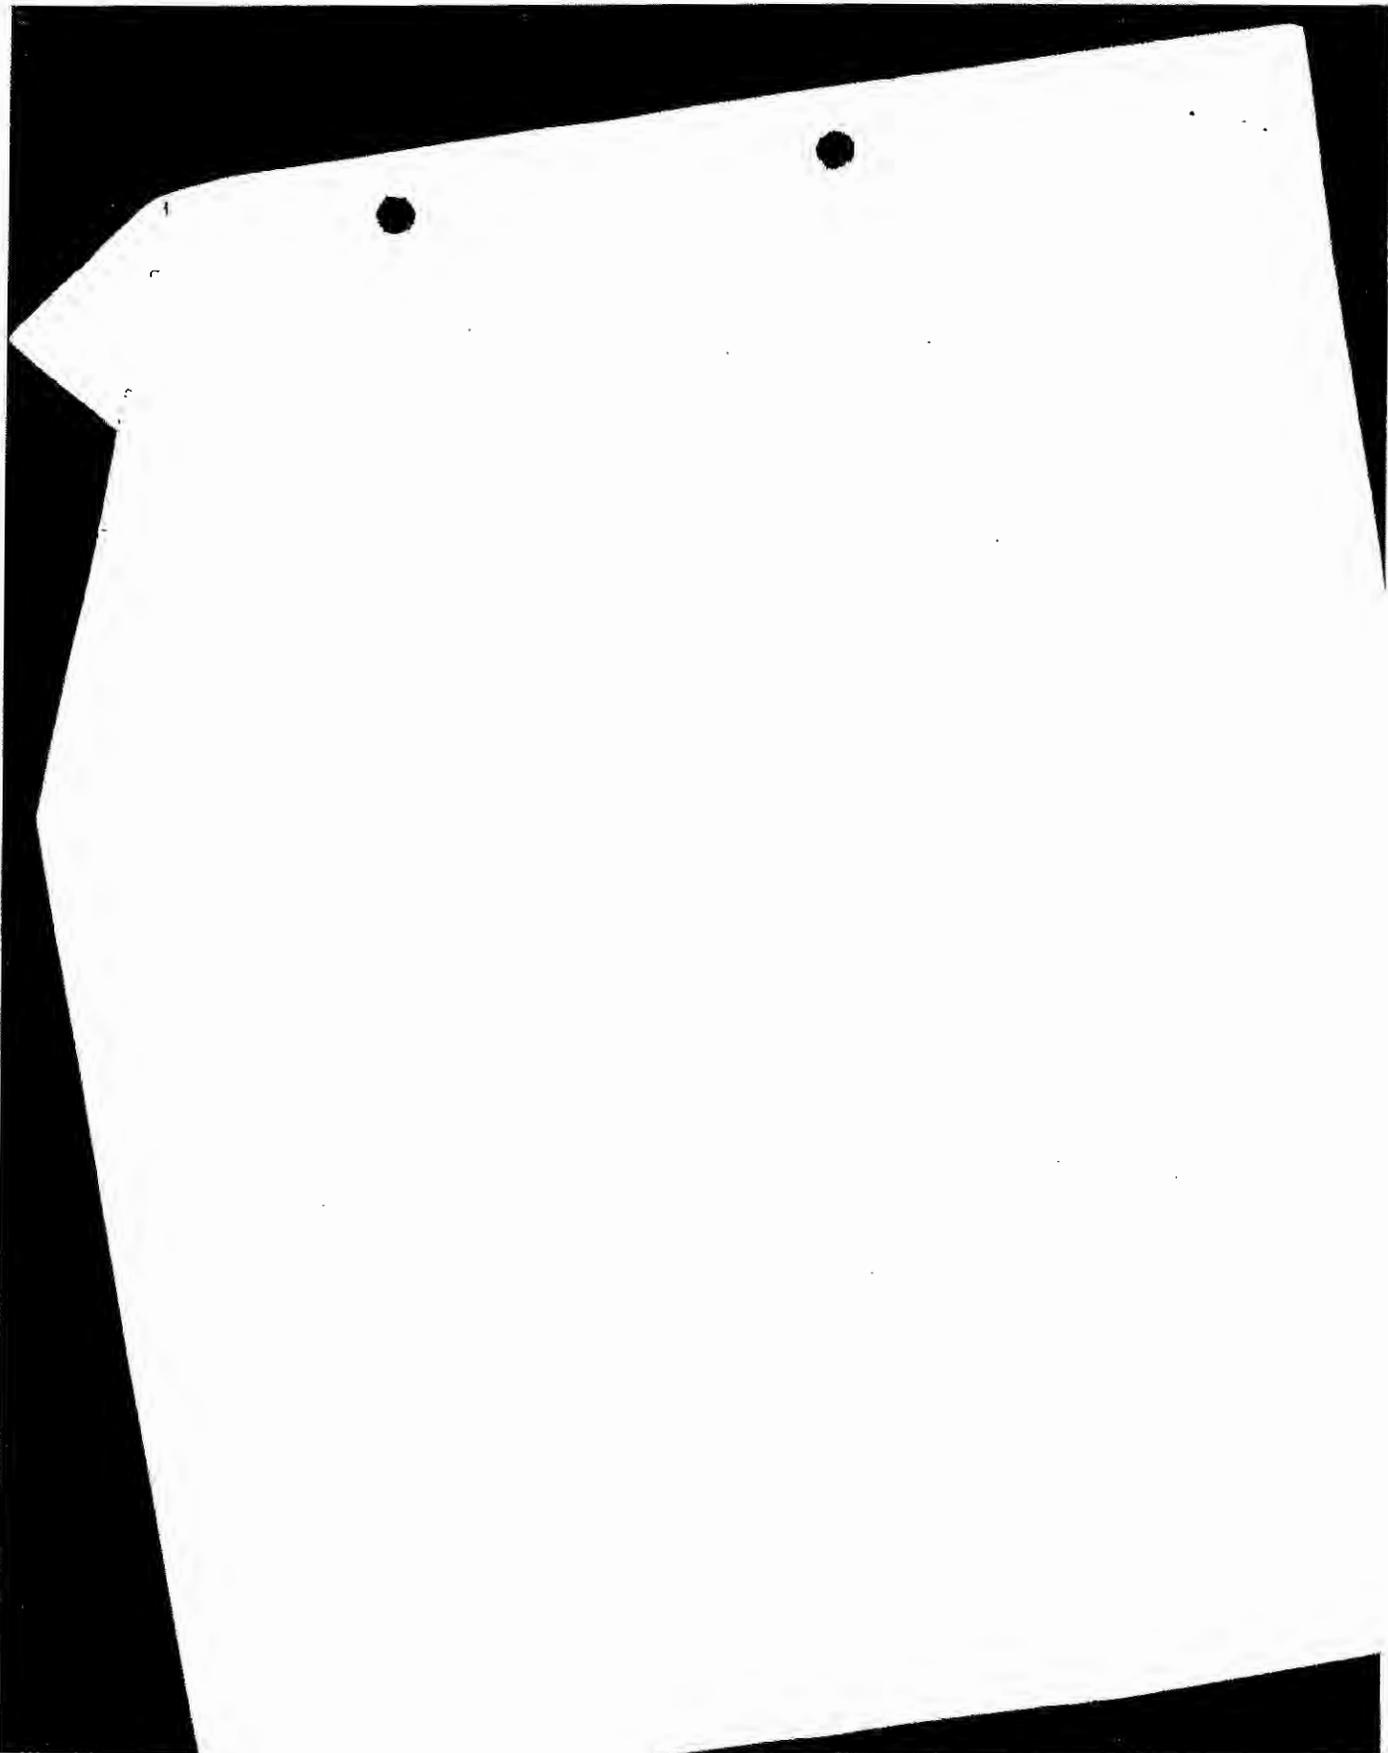

I appreciate your patience in this matter and believe that there will be no problem to hold this policy open until Tuesday, March 6th, when you will be receiving by Federal Express a check to pay this policy to 2/27/90.

Sincerely yours,

Simon Bernstein

Dear Mr. Bernstein:

In response to our telephone conversation on January 7, 1988, there is no loan amount available on the above mentioned policy, due to the fact that the premiums due, to the next anniversary are greater than the end of the year's cash value. Once premiums are credited to the policy, which will build up the cash value, there will be loan amount available.

We are happy to be of service to you. If you have any questions, feel free to contact our office at 1-800-558-1011, extension #383.

RE: Policy #1009208 - Simon L. Bernstein

Dear Ms. Bernstein:

In reponse to your request, the above mentioned policy has been paid to December 27, 1987, by premium loan. The following is the breakdown of the loan:

Net Loan	\$15,399.51
Interest	605.18
Gross Loan	\$16,004.69

If the loan is not repaid by the next anniversary date, the cash value and face amounts will be reduced by the amount of the loan. The premium may increase so that the cash value will equal the policy face amount at the policy target age.

We are happy to be of service to you. If you have any questions, feel free to contact our office at 1-800-825-0003, extension 383.

Sincerely,

Teri Qualmann

Dear Jerry:

I recently received a telephone call from a former employee of the aboved named insured. This person indicated that there were significant misrepresentations made in the application for the above policy and we should check into this.

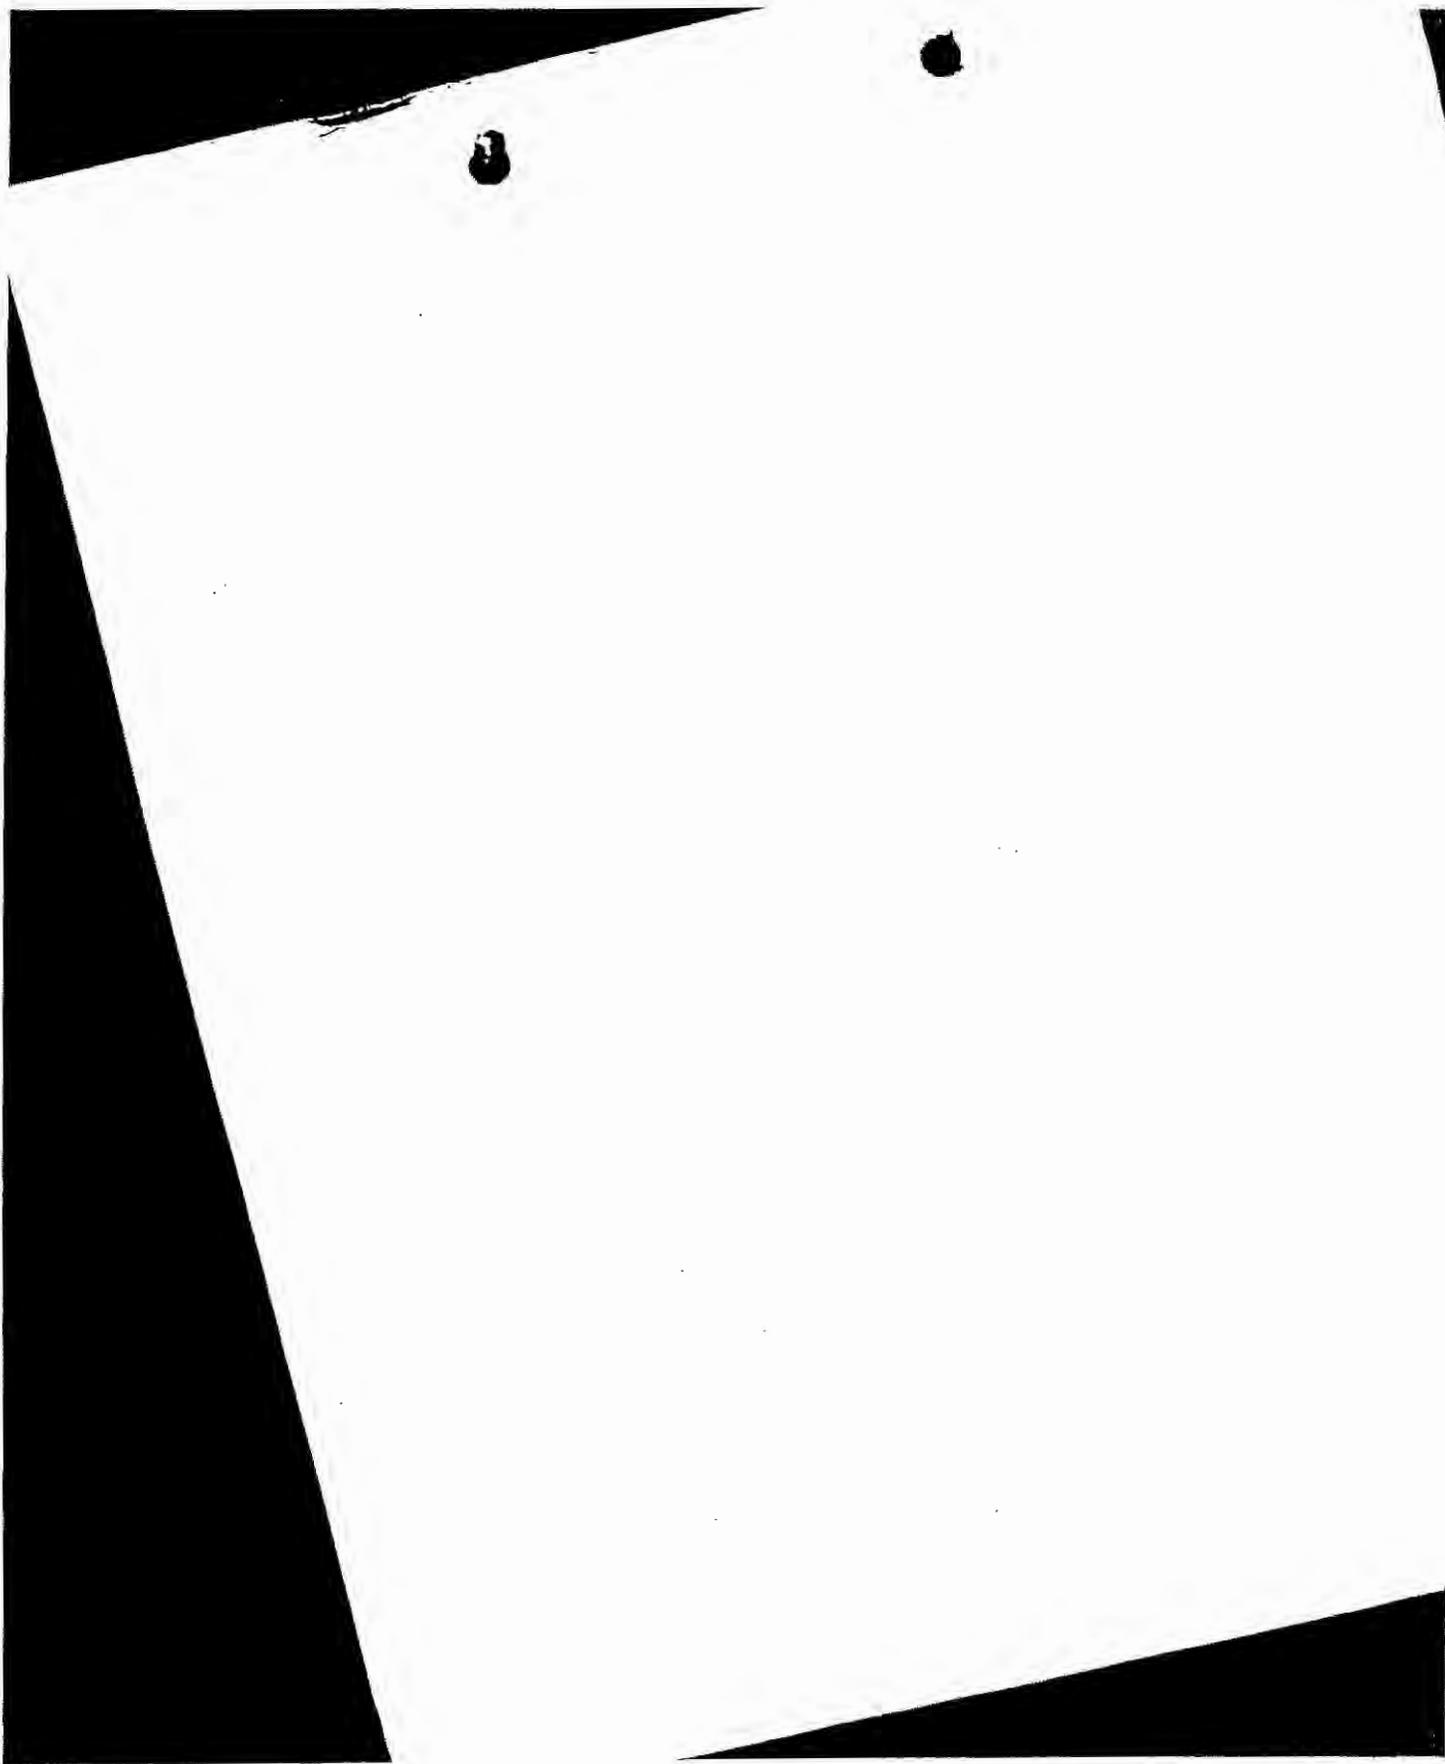

The policy is dated 12-27-82 and is well beyond the contestible period. In discussion with council, we both felt that there was nothing we could do but to mark the records to "not reinstate without underwriting approval." Beyond that action, we felt that it would be an exercise to attempt to prove fraud.

Never, you have the lion share of this risk and we defer your wishes. Please give me a call Jerry, if you feel that we should take a different tact, or if you like, call and tell me what's new. I look forward to hearing from

Firm also sells property and casualty line insurance through the business associate, Richard K. Klink, who is the remaining 50% owner of this organization.

In addition to the above, he is also an investor of the Cambridge Associates at the same above business address. This is a real estate firm specializing in acquisition and brokerage of real estate properties. This firm has one full-time employe and has been established since 1972. WORTH/INCOME: Mr. Bernstein indicates that he did make a personal financial statement approximately one year ago, but refused to have a copy of this submitted to the field representative. He was cooperative in the sense that he did read off figures from the last financial statement. He has achieved his net worth through his own efforts and ambition.

Included in the above figures of the real estate entry of \$555,000 is the current market value of his home in Glencoe, Illinois, valued at \$400,000. That property currently has a \$220,000 existing mortgage. Additionally, he owns 50% of a condominium in Fort Lauderdale, Florida, valued at \$220,000 of which his share is \$110,000 market value. His share of the outstanding \$118,000 mortgage on that property would be \$59,000. He is a one-third owner of a condominium unit in Cleveland, Ohio, which has a current total market evaluation of \$135,000 of which his share would be \$45,000. or \$22,000.

Included in the \$700,000 business equity entry is the current book value of the Cambridge Associates of which he is a 50% owner and his share would be worth \$200,000. He holds 50% of the stock in the S.B. Lexington, Incorporated of which the book value of that would be \$500,000. He has an estimated \$30,000 vested in four pension plans through insurance companies with which he writes business.

There is also a \$250,000 trust fund associated with the S.B. Lexington, Incorporated. There is \$500,000 in insurance renewals, but this is included in his share of the above firm.

The applicant indicated that he will earn an estimated \$200,000 annually in the form of commissions and insurance renewals. He takes out \$30,000 annually from pension plans with four insurance companies.

FINANCIAL REPUTATION: A local banking official indicates that the applicant and his firm have been banking at their bank over the past fifteen years and the bank has extended a high limit of credit in the low five figures on a secured basis. At the present time the applicant has a personal loan in the high four figures. This loan is being met as per agreement. Bank does not hold any of the applicant's personal or company accounts at this time. This banking source indicates that the applicant and his firm have a good future financial potential. Above financial information which was supplied by the applicant in a direct interview was stated to be accurate by an accounting source who has handled the accounting matters of the applicant and his firm over the past 5½ years. Banking, accounting, and legal sources indicate that his worth and income have been increasing steadily and he has a record of meeting his financial obligations very promptly. He has no financial pressures, good future outlook.

In the direct interview the applicant stated that he is currently in the process of waiting for a court decision in which he was named in a suit filed by the Marina Bank of Chicago involving a mortgage foreclosure on his home. The Marina Bank had attempted to foreclose on his mortgage of approximately \$220,000. Applicant states he had used the home for collateral for a loan and there was a complete shakeup of banking officers of the Marina Bank. When the new officers were chosen, they in turn attempted to call in the mortgage on the applicant's property which was in 9½% so that they could issue mortgages under the new rate of 17%. The chairman of the board of the Marina Bank met with

- the applicant in his office on three separate occasions, the last one being two weeks ago, at which time this party attempted to have the matter settled. The applicant states that in November of 1981 this matter was going into litigation and this was subsequently thrown out of court by the judge. Mr. Bernstein states that he will most likely bring a suit against the Marina Bank in which he will attempt to gain back court costs and damages against his personal reputation due to the litigation.

We have contacted the applicant's attorney who indicates that the above information is correct, but we have not received any detailed information as yet from the check of financial records. As soon as we have this information we will supplement this report.

FINANCIAL RECORDS: As mentioned above, in checking financial records we found that there is some adverse information registered in the applicant's name. As soon as these records are available we will supplement this report with our findings.

Identification

BUSINESS HISTORY: Simon L. Bernstein was born on 12-2-35 in Flint, Michigan. He attended Central High School in Detroit, Michigan, and graduated from there in 1954. He furthered his education by attending the Highland Park Junior College in Detroit, and also the Detroit Institute of Technology. He did not graduate from these institutions.

After leaving school, the applicant started employment as a furniture salesman for Tower Furniture in Detroit, Michigan. He then was employed for a period of two years respectively at Chicago Furniture Mart and Lee Furniture, both in Chicago.

Between about 1950 and 1965, Mr. Bernstein became active in two family owned businesses known as Modern Age Furniture and the Bedding Shop. He operated these businesses for a period of about five years until 1965. Both businesses were located in Norton Grove.

Then in 1965, the applicant became a licensed insurance agent selling strictly for Aetna Life Insurance.

In about 1970, he established Bernstein & Associates, his own insurance agency. The name was changed in May, 1973, to S. B. Lexington, Inc.

PRESENT BUSINESS: S. B. Lexington, Inc. is an insurance agency and brokerage firm employing some eight people with a domestic scope. The firm is licensed to sell life, health, and accident insurance, and also is specially licensed through Richard K. Klink to sell property and casualty line insurance.

Mr. Bernstein is the 50 percent owner of this business with his current partner, Richard K. Klink.

Mr. Bernstein also indicated that he has been associated with a business known as S. T. P. Enterprises which stands for Shirley, Ted, and Pam. This also involves the sale of insurance, but he indicates that this firm is currently dormant.

We questioned the applicant regarding the names of three businesses that were named on his front door of his business office. B-A Associates, Cambridge Associates, and National Service Associates. The applicant states that these businesses are no longer in existence and stated that they were businesses that were located within the confines of his office, but that were not associated with him. The applicant was sub-leasing his office space at one time to these three businesses.

Bankruptcy records prior to 10-1-79 and/or Orders for Relief Records subsequent to 10-1-79 of the U. S. District Court, Eastern Division of the Illinois District for a total of ten years indicates: no record.

An "in-file" report from a metropolitan Cook County Credit Bureau covering the applicant for a period of 22 years since 1959 indicates that he has satisfied his credit obligations in a prompt and satisfactory manner.

During our interview with the applicant, he indicated that he had several current suits against him and several suits in which he was a plaintiff. He indicated that he did not want to provide us with details regarding these actions for the purposes of the report. When questioning his attorney, the attorney indicated that, at the current time, Mr. Bernstein is the defendant in a suit that was filed in November, 1981, by the Marina Bank of Chicago involving a mortgage foreclosure on his home. The Marina Bank is attempting to foreclose on his mortgage of approximately \$200,000 stating that the terms of the mortgage had been changed without authorization of the bank. The applicant has been prompt regarding mortgage payments, but the bank is suing him nonetheless. The attorney handling this litigation for the applicant states that he is attempting to countersue the bank against the charges. We made an attempt to contact the loan officer handling the applicant's account at this bank, but we found that this individual is no longer employed by the bank. We spoke with another officer in the loan department there, but he would not reveal any details regarding the pending litigation. We found no public record regarding this litigation through the municipal court system, and the attorney we spoke with could not provide us with further details regarding docket numbers, etc.

The attorney also indicated that the applicant is a defendant in two other pieces of litigation, which are considered civil suits, both termed minor in monetary involvement. He could provide no further details regarding these pieces of litigation. No public record in the municipal court system was found regarding pending suits.

POLICY SUMMARY

About this Summary	This summary briefly highlights some of the major policy provisions. Since this is a summary, only the detailed provisions of the policy will control. See those provisions for full information and any limits or restrictions that apply. To locate this policy's provisions, use the Table of Contents on the inside of the back cover. Your policy is a legal contract between you and us. You should, therefore, READ YOUR POLICY CAREFULLY.
The Type of Policy	This policy may be continued in force until the Insured dies. It is issued for an initial term of one year, but you have the right to renew it. The benefits and premiums may be changed at the end of each Policy Year. We will pay a death benefit if the Insured dies while the policy is in force.
) Guaranteed and) Current Rates	We guarantee a rate basis for calculating premiums for the benefits under this policy. If our current rate basis is lower, we will charge lower premiums for the same benefits. We may change our current rate basis at the end of any Policy Year. If we increase our current rate basis, your premium will be higher, but never more than the premium on the guaranteed basis.
Lifetime Benefits	There are other rights available while the Insured is living. These include: * The right to assign this policy. * The right to change the Owner or any Beneficiary. * The right to surrender this policy for its value. * The right to make loans.
Payment Options	The policy also includes a number of Payment Options. These provide alternate ways to pay the death benefit or the amount payable upon surrender of the policy.
Exclusions	Payment of benefits may be affected by other provisions in this policy. For example, see the provisions in Part 1 about suicide, contestability and misstatement of age or sex.
Premium Payments and Grace Period	Premiums are payable in advance during the lifetime of the Insured. We allow a 31-day grace period for payment of each premium after the first one. If a premium is not paid by the end of the grace period, the policy will lapse as of the due date of that premium. Even if the policy lapses, some benefits may be available as described in Part 5. In any event, you will have the right to reinstate this policy, subject to the requirements stated in Part 5.
Riders	This policy may contain riders which include added benefits or

Part 1. Definitions and Basic Provisions

The Parties Involved—
Insured, Owner,
Beneficiary, Irrevocable
Beneficiary

The Insured is the person whose life this policy insures. The Insured may be the Owner of this policy, or someone else may be the Owner.

The Owner is the person named as Owner of this policy in the application, unless later changed as provided in this policy. The Insured will be the Owner if no other person is named as Owner. If more than one person is named as Owner, they must act jointly unless they and we agree otherwise. Whenever the words "you" and "your" are used, they refer to the Owner.

A Beneficiary is any person named on our records to receive proceeds of this policy after the Insured dies. There may be different classes of Beneficiaries, such as Primary and Contingent. These classes set the order of payment. There may be more than one Beneficiary in a class.

Unless you provide otherwise, any death benefit that becomes payable under this policy will be paid in equal shares to the Beneficiaries living at the death of the Insured. Payments will be made successively in the following order:

- a. Primary Beneficiaries.
- b. Contingent Beneficiaries, if any, provided no Primary Beneficiary is living at the death of the Insured.
- c. The Owner, or the Owner's executor or administrator, provided no Primary or Contingent Beneficiary is living at the death of the Insured.

Any Beneficiary may be named an Irrevocable Beneficiary. An Irrevocable Beneficiary is one whose consent is needed to change that Beneficiary. Also, this Beneficiary must consent to the exercise of certain other rights by the Owner. We discuss ownership in Part 2.

Policy Date, Issue Date,
Renewal Date, and
Policy Year

Two important dates (shown on the Schedule Page) are the Policy Date and the Issue Date. Usually they are the same date.

The Policy Date is the starting point for determining premium due dates, Renewal Dates and Policy Years. The first Renewal Date is one year after the Policy Date. The period from the Policy Date to the first Renewal Date, or from one Renewal Date to the next, is called a Policy Year. A Policy Year does not include the Renewal Date at the end of the year.

This policy is issued for an initial term of one Policy Year. It may be renewed for additional terms of one Policy Year while the Insured is alive. We discuss renewal in Part 4.

The Issue Date is used to determine the start of the suicide and contestability periods. We discuss contestability and suicide below. The Issue Date will be earlier than the Policy Date only if this policy includes a rider which provides temporary term life insurance for a period before the Policy Date.

Policy a Legal Contract

This policy is a legal contract between you and us. The entire contract consists of the application and the policy, which includes any attached riders. We have issued this policy in return for the application and the payment of premiums. Any change or waiver of its terms must be in writing and signed by our President, a Vice President, our Secretary or an Assistant Secretary to be effective.

Limits on Our Right to Contest This Policy

We rely on all statements made by or for the Insured in the written application. These statements are considered to be representations and not warranties. We can contest the validity of this policy for any material misrepresentation of a fact. To do so, however, the misrepresentation must be contained in the written application and a copy of the application must be attached to this policy when it is issued.

We cannot contest the validity of this policy, except for failure to pay premiums, after it has been in force during the lifetime of the Insured for two years from its Issue Date.

Suicide Exclusion

If within two years from the Issue Date the Insured dies by suicide, whether sane or insane, the amount we pay will be limited to the premiums paid less any policy debt.

Misstatement of Age or Sex

If the date of birth or the sex of the Insured has been misstated in the application, we will adjust the benefits under this policy. If the benefits purchased by the premiums paid would have been lower at the correct age and sex, we will recalculate the benefits so that the Endowment Benefit for each Policy Year is not changed. If the benefits purchased by the premiums paid would have been higher at the correct age and sex, we will recalculate the benefits so that the amount at risk for each Policy Year is not changed. (Endowment Benefit and amount at risk are defined in Part 4.)

Meaning of In Full Force, Lapse and In Force

This policy will be "in full force" from the Issue Date, provided the first premium due is paid while the Insured is alive. It will continue "in full force" as long as all premiums are paid when due. We discuss premium due dates in Part 3. It also continues in full force for 31 days after the due date of an unpaid premium. If the unpaid premium is not paid by then, this policy will "lapse" as of that due date. Then, it will no longer be in full force.

Lapse is not necessarily the same as termination. When a policy lapses, the insurance may terminate or it may continue for a limited time or amount. If insurance continues after lapse, we say that the policy remains "in force", but no longer in full force. We discuss lapse in Part 5.

Home Office and Business Office

We are chartered by the State of Minnesota and have a legal office, known as our Home Office, in Minneapolis, Minnesota. Our operations are conducted at our Business Office, 735 N. Water Street, Milwaukee, Wisconsin. Our mail address is P.O. Box 2016, Milwaukee, Wisconsin 53201.

Part 2. Ownership**Rights of Owner**

While the Insured is living, you may exercise all rights given by this policy or allowed by us. These rights include assigning this policy,

changing Beneficiaries, changing ownership, enjoying all policy benefits and exercising all policy options.

The consent of any Irrevocable Beneficiary is needed to exercise any policy right except the right to:

- Change the frequency of premium payments.
- Change between regular premiums and alternate premium plans.
- Change the renewal option.
- Borrow on this policy to pay a premium on this policy.
- Reinstate this policy after lapse.

Assigning This Policy

This policy may be assigned. But for any assignment to be binding on us, we must receive a signed copy of it at our Business Office. We will not be responsible for the validity of any assignment.

Once we receive a signed copy, your rights and the interest of any Beneficiary or any other person will be subject to the assignment. An assignment is subject to any policy debt. We discuss policy debt in Part 7.

Changing the Owner or Beneficiary

The Owner or any Beneficiary may be changed during the Insured's lifetime. We do not limit the number of changes that may be made. To make a change, a written request, satisfactory to us, must be received at our Business Office. The change will take effect as of the date the request is signed, even if the Insured dies before we receive it. Each change will be subject to any payment we made or other action we took before receiving the request.

Part 3. Premium Payments

When Premiums Are Due

Premiums are the payments needed to keep this policy in full force. Premiums for each Policy Year are payable in advance during the Insured's lifetime until the end of the Policy Year. The first premium is due on the Policy Date. The first premium for a renewal Policy Year is due on the Renewal Date. Each subsequent premium is due when the period covered by the preceding premium ends. Each premium is due on the same day of the month as the day shown in the Policy Date.

Regular Premium Payments

Regular premiums may be paid annually, semiannually, quarterly or monthly. The frequency of payments may be changed by giving us advance written notice. A change may also be made as of any premium due date, without notice, by paying the regular premium for the frequency wanted. However, no premium may be paid for a period beyond the next Renewal Date. Our consent is needed if any change will result in a regular premium of less than \$20.

A semiannual premium is \$0.22 plus 51.5% of the annual premium. A quarterly premium is \$0.52 plus 26.5% of the annual premium. A monthly premium is \$0.70 plus 9% of the annual premium.

Alternate Premium Plans

We provide a number of alternate premium plans. These include a pre-authorized check payment plan. These plans are governed by the rules and rates we set. Our consent is needed to participate in any available plan.

Grace Period	If an alternate premium plan is terminated, regular monthly premiums will then be payable. After the first premium has been paid for any Policy Year, we allow a 31 day grace period to pay each following premium. This means that each premium after the first can be paid within 31 days after its due date. During this grace period the policy remains in full force. If a premium is not paid by the end of this grace period, the policy will lapse as of the premium due date. We discuss lapse in Part 5.
Premiums for Renewal Policy Years	Premiums for the first Policy Year are shown on the Schedule Page. The premiums for a renewal Policy Year may differ from the premiums for the prior Policy Year. We discuss your Renewal Options in Part 4. The way we compute renewal premiums for the policy, excluding any attached rider, is described in Part 10. The premium for continuing any rider is shown on the Schedule Page. We will notify you of the renewal premiums before each Renewal Date.
Where to Pay Premiums	Each premium after the first one is payable at our Business Office. A receipt for premium payments signed by one of our officers will be given upon request.

Part 4. Renewal Options

Right to Renew	If this policy is in full force on a Renewal Date, it may be renewed for an additional Policy Year by paying a renewal premium. Payment must be made within 31 days of the Renewal Date. If the Insured dies within that 31 day period, this policy will be renewed automatically, but a renewal premium at the regular monthly frequency will be deducted from the death benefit. The benefits and premiums for a renewal Policy Year may change from those in the prior term. They will depend on the Renewal Option selected. Renewal Options are discussed below. Also, we may use a rate basis which is more favorable to you than the rate basis we guarantee in this policy. Rate bases, and the way we compute renewal benefits and premiums, are discussed in Part 10.
Endowment Benefit	An Endowment Benefit will be payable at the end of the Policy Year. If the policy is not renewed, the Endowment Benefit, less any policy debt, will be paid in one sum to the Owner. If the policy is renewed, the Endowment Benefit will not be paid, but a new Endowment Benefit will be payable at the end of the new Policy Year. The Endowment Benefit for the first Policy Year is shown on the Schedule Page. Our procedure for computing the Endowment Benefit for renewal Policy Years is discussed in Part 10. We will notify you of the renewal Endowment Benefit before each Renewal Date.
Electing a Renewal Option	You may choose a Renewal Option by notifying us in writing while the insured is alive and not later than 31 days after the Renewal Date. Any option you choose will apply until another option is elected. If no option has been chosen, Option B will apply.

- Amount at Risk** In discussing Options D, E and F, we use the phrase "amount at risk." The amount at risk for a Policy Year is the Sum Insured less the Endowment Benefit.
- Option A** **Minimum Premium Option.** The Sum Insured for the new Policy Year will be the prior Sum Insured less any policy debt repaid from the Endowment Benefit. However, the new Sum Insured will not be less than the Endowment Benefit at the end of the new Policy Year. The premium for the new Policy Year will be the smallest level premium which would permit the policy to be renewed for the new Sum Insured for the life of the Insured. In computing this premium, we will assume that the rate basis used for the renewal Policy Year will also be used for future renewal Policy Years.
- Option B** **Guaranteed Premium Option.** The Sum Insured for the new Policy Year will be the prior Sum Insured less any policy debt repaid from the Endowment Benefit. However, the new Sum Insured will not be less than the Endowment Benefit at the end of the new Policy Year. The premium for the new Policy Year will be the smallest level premium which would permit the policy to be renewed for the new Sum Insured for the life of the Insured. In computing this premium, we will assume that the guaranteed rate basis will be used for future renewal Policy Years.
- Option C** **Specified Premium Option.** The premium for the new Policy Year may be any amount you select, but not less than the premium required under Option A. The Sum Insured for the new Policy Year will be the prior Sum Insured less any policy debt repaid from the Endowment Benefit. The new Sum Insured will not be less than the Endowment Benefit at the end of the new Policy Year, however.
- Option D** **Increasing Benefit Option.** The Sum Insured for the new Policy Year will be changed so that the amount at risk for the new Policy Year will be the amount at risk for the prior Policy Year. The premium for the new Policy Year will be the smallest level premium which would permit the policy to be renewed for the new Sum Insured for the life of the Insured. In computing this premium, we will assume that the rate basis used for the renewal Policy Year will also be used for future renewal Policy Years.
- Option E** **Extra Premium Option.** The premium for the new Policy Year may be any amount you select, but not less than the premium required under Option D. The Sum Insured for the new Policy Year will be changed so that the amount at risk for the new Policy Year will be the amount at risk for the prior Policy Year.
- Option F** **Change in Benefit Option.** The Sum Insured may be changed to any amount you select. The premium for the new Policy Year may be any amount you select, but not less than the premium required under Option A for the new Sum Insured. When this option is chosen, you may also specify changes to be made on later Renewal Dates. Any change which would increase the amount at risk may be made only with our consent, however. We may require a written application, giving evidence of insurability of the Insured, to increase the amount at risk. If an application is required, we will have the same rights to contest the validity of the in-

Annual Report

crease, or to limit the amount of the increase we will pay in the event of suicide, as if we had issued a separate policy for the increase in the amount at risk.

Before each Renewal Date while this policy is in full force, we will give you an Annual Report for this policy. This report will show the following items:

- The Sum Insured, Endowment Benefit and premium for the current Policy Year.
- The Renewal Option in effect and the Sum Insured, Endowment Benefit and premium for the next Policy Year under this option.
- Any policy debt as of the date the report is prepared.
- The minimum level renewal premium under our current rate basis (Option A) and under the guaranteed rate basis (Option B).
- Any change in our current rate basis for the next Policy Year, and its effect on values for the next Policy Year.

Illustrations

This policy includes a Table of Illustrative Values. The Table follows the Schedule Page. It is based on the Renewal Option in effect when this policy was issued. The Table shows values which would apply if the guaranteed rate basis were used for all renewal Policy Years. If you pay the premiums shown in this Table and do not change the Sum Insured, then the actual policy values will be at least as large as those shown in the Table. If you choose to pay smaller premiums, however, then the policy values may be smaller than those illustrated.

Upon request, we will provide an illustration as of the next Renewal Date of future premiums, Sums Insured and Endowment Benefits under any Renewal Option.

Part 5. Lapse and Reinstatement**What Happens if This Policy Lapses**

If any premium is not paid within 31 days after its due date, this policy will lapse as of the due date of that premium. We call this premium due date the date of lapse.

Several things can occur when this policy lapses. First, this policy is no longer "in full force." If there is no cash surrender value as of the date of lapse, the insurance will terminate. But if there is a cash surrender value, it will automatically be used as a net single premium at the attained age of the Insured to provide either extended term insurance or paid-up life insurance and the policy will continue "in force."

These two types of insurance are explained below. Either will begin as of the date of lapse.

Extended Term Insurance

This is a level amount of insurance for a limited period of time. The amount of insurance is the Sum Insured on the date of lapse less any policy debt. The cash surrender value on the date of lapse determines the period of time that extended term insurance will be provided. The insurance terminates at the end of this period.

Paid-Up Life Insurance	This is a level amount of insurance for the lifetime of the Insured. The cash surrender value on the date of lapse determines the amount of paid-up life insurance that will be provided. The amount of paid-up life insurance may not exceed the Sum Insured on the date of lapse less any policy debt, however. If the cash surrender value is larger than the value of the maximum paid-up life insurance, then the paid-up insurance will be endowment insurance for the maximum amount.
Which Type of Insurance Applies	<p>We automatically provide extended term insurance. But in the following situations, we provide paid-up life insurance instead:</p> <ul style="list-style-type: none"> • The amount of paid-up life insurance equals or is more than the amount of extended term insurance that would be provided, or • The amount of paid-up life insurance is at least \$1,000 and a written request for paid-up life insurance is received at our Business Office before the end of 62 days after the date of lapse, or • This policy is in a special premium class. The policy is in a special premium class only if shown on the Schedule Page. <p>If paid-up life insurance is requested and the Insured dies within 62 days after the date of lapse, we will provide extended term insurance if it provides a larger death benefit on the date of death. But, this will happen only if the extended term insurance could have been elected on the date of lapse.</p>
Riders Not Included	Extended term insurance and paid-up life insurance benefits do not apply to any rider attached to this policy, unless specifically provided in that rider.
Policy Rights After Lapse	While this policy is in force as extended term insurance or paid-up life insurance, all the rights granted by it are still available, unless this policy states otherwise.
Reinstatement	<p>After this policy has lapsed, it may be reinstated — that is, put back in full force. However, the policy cannot be reinstated if it has been surrendered for its cash surrender value. Reinstatement must be made within five years after the date of lapse and during the Insured's lifetime. Also, all policy debt must be repaid or reinstated with interest, from the date of lapse to the date of reinstatement. Interest will be at the rate used for policy loans. Further requirements depend on when this policy is reinstated.</p> <p><u>Prompt Reinstatement</u> — This is reinstatement within 62 days after the date of lapse. Evidence of insurability is not required. All overdue premiums must be paid.</p> <p><u>Later Reinstatement</u> — This is reinstatement more than 62 days after the date of lapse. Evidence of insurability satisfactory to us is required. All overdue premiums must be paid with interest from their due dates to the date of reinstatement. Interest will be at the rate used for policy loans.</p>

Part 6. Policy Loans

Right to Make Loans

After the first Policy Year, loans can be made on this policy at any time while it is in full force. Loans can also be made if it is in force after lapse as paid-up insurance. However, the policy must be properly assigned to us before any loan is made. No other collateral is needed. We may delay granting any loan for up to six months, except for a loan to pay premiums on this policy or any other policy we issue. We refer to all outstanding loans less unearned interest as "policy debt."

Maximum Loan Available

The maximum policy loan is an amount equal to the cash surrender value on the next Renewal Date less any premiums due before then. Any amount due us on the date of the loan will be subtracted from the loan. Interest due on the loan will also be subtracted. We will pay the balance.

Interest

The interest rate for loans is stated on the Schedule Page. Interest to the next Renewal Date is due in advance when a loan is made. If interest is not paid when due, it will be added to the policy debt and will bear interest at the same rate.

If any policy debt is repaid, any unearned interest on the amount repaid will be credited to the loan amount. Any unearned interest will be added to the death benefit if the Insured dies. It will be added to the cash surrender value if the policy is surrendered or lapses.

Repayment

Policy debt may be repaid anytime while this policy is in force. It may not be repaid after the Insured dies. If there is any policy debt on a Renewal Date, it will be repaid out of the Endowment Benefit. In lieu of this automatic repayment, any policy debt outstanding on a Renewal Date may be repaid in cash within 31 days after the Renewal Date, but interest must be paid to the date of repayment. If this is done, we will calculate the benefits and premiums for the next Policy Year as if repayment had been made on the Renewal Date.

Policy Debt Limit

Policy debt may not equal or exceed the policy value. If this limit is reached, we can terminate this policy. To terminate for this reason we must mail written notice to the Owner and any assignee shown on our records at their last known addresses. This notice will state an amount that will bring the policy debt back within the limit. If we do not receive payment within 31 days after the date we mailed the notice, this policy will terminate at the end of those 31 days.

Part 7. Cash Surrender

Right to Surrender

This policy may be surrendered for its cash surrender value any time before the Insured dies. Surrender will be effective on the date we receive this policy and a written surrender request, satisfactory to us, at our Business Office. A later effective date may be elected in the surrender request.

Policy Value

The policy value on any Renewal Date is the Endowment Benefit if the policy is in full force. The policy value on the first Renewal Date is shown

on the Schedule Page. The policy value on any later Renewal Date will depend on the renewal option elected. This is discussed in Part 4.

The policy value can be computed at any time during a Policy Year. In that case allowance will be made for the period of time since the last Renewal Date and for any premiums paid for any part of that Policy Year.

If this policy is in force after lapse, the policy value at any time is the reserve for the insurance provided. See "Part 10. Basis of Computations."

Cash Surrender Value

The cash surrender value is the policy value less any policy debt.

We compute all the amounts that go into the cash surrender value as of the effective date of surrender. However, in two situations the policy value is computed as of an earlier date. First, if this policy is surrendered within 62 days after the due date of an unpaid premium, the value will not be less than it was on that due date. Second, if the policy is surrendered within 30 days after a Renewal Date while extended term insurance or paid-up life insurance is in effect, the value will not be less than it was on that Renewal Date. We use these earlier dates only if a higher cash surrender value results.

How We Pay

The cash surrender value may be paid in one sum, or it may be applied under any payment option elected. See "Part 9. Payment of Policy Proceeds." We may delay paying the cash surrender value for up to six months from the date the request and this policy are received at our Business Office. If payment is delayed for 30 days or more, we will add interest to it. The amount of interest will be the same as would be paid under Option 4 of the payment options for that period of time.

Part 8. The Death Benefit

Amount of the Death Benefit

The death benefit is the amount of money we will pay when due proof of the Insured's death is received at our Business Office. The amount of the death benefit will be determined as of the date of death. Any amounts paid to us after that date will be refunded. Any payments made by us after that date will be deducted from the death benefit.

If the Insured dies while this policy is in full force, the basic death benefit is the Sum Insured for the Policy Year in which death occurred. If the Insured dies while this policy is in force after lapse, the basic death benefit will be the amount of extended term insurance or paid-up life insurance. The death benefit is the basic death benefit with certain additions and deductions. We add the part of any premium paid for a period beyond the Policy Month of death. We deduct any policy debt. We also deduct a premium on the regular monthly frequency, if death occurs within 31 days of the due date of an unpaid premium.

Interest on the Death Benefit

If the death benefit is paid in one sum, we will add interest from the date of death to the date of payment. The amount of interest will be the same as would be paid under Option 4 of the payment options for that period of time. See "Part 9. Payment of Policy Proceeds" for a description of Option 4.

If the death benefit is applied under a payment option, interest will be paid from the date of death to the effective date of that option. It will be paid in one sum to the Beneficiary living on that effective date. The amount of interest will be the same as would be paid under Option 4 for that period of time.

Part 9. Payment of Policy Proceeds

Availability of Options

The proceeds of this policy will be paid in one sum unless otherwise provided. As an alternative to payment in one sum, all or part of the proceeds may be applied under a payment option. However, our consent is required for the election of a payment option by a fiduciary or any entity other than a natural person. If this policy is assigned, any amount due to the assignee will be paid in one sum. The balance, if any, may be applied under any payment option.

Electing a Payment Option

To elect any option, we require that a written request, satisfactory to us, be received at our Business Office. You may elect an option during the Insured's lifetime. If the death benefit is payable in one sum when the Insured dies, the Beneficiary may elect an option. The Beneficiary must make this choice before we have paid the proceeds and within three months after we receive due proof of the Insured's death.

Unless we agree otherwise when the option is elected, all payments under any option chosen will be made to the designated payee or to his or her executor or administrator. We may require proof of age of any person or persons on whose life payments depend as well as proof of the continued survival of any such person(s).

Minimum Amounts

If the amount to be applied under any option for any payee is less than \$5,000, we may pay that amount in one sum instead. If the payments to any person under any option come to less than \$50 each, we have the right to make payments at less frequent intervals.

Description of Options

This section provides a brief description of the various payment options that are available. Any other payment option agreed to by us may be elected. The payment options are described in terms of monthly payments. Annual, semiannual, or quarterly payments may be requested instead. The amount of these payments will be determined in a way which is consistent with monthly payments and will be quoted on request.

At the end of this Part you will find tables illustrating the guaranteed monthly payment provided by several of the options described in this section. The amounts shown for Option 1, Option 2 and Option 5 are the minimum monthly payments for each \$1,000 applied. The actual payments will be based on the monthly payment rates we are using when the first payment is due. They will not be less than those shown in the tables.

Option 1 CVL-180

Fixed Time Payment Option. Equal monthly payments will be made for

Page 10

any period selected, up to 30 years. The amount of each payment depends on the total amount applied, the period selected and the monthly payment rates we are using when the first payment is due. The rate of any payment will not be less than shown in Payment Option Table 1.

Option 2

Lifetime Payment Option. Equal monthly payments are based on the life of a named person. Payments will continue for the lifetime of that person. The variations are:

Payments guaranteed for 10 or 20 years. Payments stop at the end of the selected guaranteed period or when the named person dies, whichever is later.

Payments guaranteed for amount applied. Payments stop when they equal the amount applied or when the named person dies, whichever is later.

The amount of each payment depends on the total amount applied, the variation selected, the age and sex of the named person and the monthly payment rates we are using when the first payment is due. The rate of any payment will not be less than shown in Payment Option Table 2.

Option 3

Fixed Amount Payment Option. Each monthly payment will be for an agreed fixed amount. The amount of each payment may not be less than \$15 for each \$1,000 applied. Interest will be credited each month on the unpaid balance and added to it. This interest will be at a rate determined by us, but not less than the equivalent of 4% per year. We may change the rate from time to time, but not more than once per year. Payments continue until the amount we hold runs out. The last payment will be for the balance only.

Option 4

Interest Payment Option. We will hold any amount applied under this option. Interest on the unpaid balance will be paid each month at a rate determined by us. This rate will be not less than the equivalent of 4% per year. We may change the rate from time to time, but not more than once per year. Upon death of the payee, we will pay the amount held by us along with any accrued and unpaid interest.

Option 5

Joint Lifetime Payment Option With Reduced Payments. Monthly payments are based on the lives of two named persons. Payments will continue while both are living. When one dies, payments are reduced by one-third and will continue for the lifetime of the other. Payments stop when both persons have died.

The amount of each payment depends on the total amount applied, the ages and sexes of the named persons and the monthly payment rates we are using when the first payment is due. The rate of any payment will not be less than shown in Payment Option Table 3.

Option 6

Single Premium Life Annuity Purchase Option. Any single premium immediate life annuity being issued by us on the effective date of the option may be purchased at a reduced premium rate. The premium rate for the annuity will be 4% less than our then published premium rate.

Effective Date and Payment Dates

The effective date of an option is the date the amount is applied under that option. For a death benefit, this is the date that due proof of the Insured's death is received at our Business Office. For the cash surrender value, it is the effective date of surrender.

The first payment is due on the effective date, except the first payment under Option 4 is due one month later. A later date for the first payment may be requested in the payment option election. All payment dates will fall on the same date of the month as the first one. No payment will become due until a payment date. No part payment will be made for any period shorter than the time between payment dates.

Withdrawals and Changes

If provided in the payment option election, all or part of the unpaid balance under Option 3 or 4 may be withdrawn or applied under any other option. If the cash surrender value is applied under either option, we may delay payment of any withdrawal for up to six months after the date of surrender. Interest at the rate in effect for Option 4 during this period will be paid on the amount withdrawn.

Payments under Options 1, 2 and 5 may not be anticipated, withdrawn before due, or applied under any other option.

Income Protection

To the extent permitted by law, each option payment and any withdrawal shall be free from legal process and the claim of any creditor of the person entitled to it. No option payment and no amount held under an option can be taken or assigned in advance of its payment date, unless the Owner's written consent is given before the Insured dies. This consent must be received at our Business Office.

Supplementary Contract

We will issue to the payee a supplementary contract stating the terms of settlement under the payment option elected.

Part 10. Basis of Our Computations

Guaranteed and Current Rate Basis

You determine both the Sum Insured and the premium for each renewal Policy Year when you choose the Renewal Option. (See Part 4.) From these, we calculate the Endowment Benefit for the new Policy Year. (See "Amount of Endowment Benefit" below). We call the combination of the mortality table, the interest rate and the expense charges used in this calculation our "rate basis." Our "guaranteed rate basis" consists of the actuarial assumptions set out below and an expense charge equal to the factor times the annual mode premium. This expense charge factor is stated on the Schedule Page. This rate basis cannot be changed.

Our "current rate basis" is a different combination of mortality table, interest rate and expense charges which we use for policies of this class. We may change our current rate basis from time to time. Any change will take effect on the next Renewal Date. We will change our current rate basis only to reflect changes in expected future mortality experience, interest return and level of expenses for policies of this class. We will not change our current rate basis to reflect past profits or losses. Our current rate basis will not be affected by any adverse change in the risk class of the insured.

When this policy is renewed, we will use our current rate basis to calculate the Endowment Benefit for the new Policy Year if this will give you a larger Endowment Benefit. In this case, the larger Endowment Benefit will be guaranteed for the new Policy Year and all calculations of the policy values during the year will be based on that Endowment Benefit. If our current rate basis is used to compute the Endowment Benefit for a Policy Year, we will also use this basis to compute the minimum premium needed to renew the policy. (See "Minimum Renewal Premium" below.)

Actuarial Assumptions

This section discusses the mortality and interest rates we use to compute benefits, premiums and reserves for this policy. Except as otherwise stated above, we use the Commissioners 1958 Standard Ordinary Mortality Table, an interest rate of 4½% per year and curtail functions. For extended term insurance calculations we use the Commissioners 1958 Extended Term Mortality Table. If the Insured is female, the mortality rates for ages 18 and older are the rates for a male 6 years younger. For females ages 12 through 17, we use the male mortality rate for age 12. Below age 12, the female mortality rates are the same as the male rates.

Special Premium Class

This policy is in a special premium class only if shown on the Schedule Page. While this policy is in a special premium class, we will increase the mortality rates used in calculating the Endowment Benefits and the minimum premiums for renewal Policy Years. These increases in the mortality rates are guaranteed from the Issue Date and may not be increased thereafter. Upon request, we will furnish you with a copy of any special premium class mortality rate increases used for this policy.

Amount of Endowment Benefit

The Endowment Benefit for the first Policy Year is shown on the Schedule Page.

The Endowment Benefit for any renewal Policy Year is calculated as follows. We take the annual mode premium elected for the new Policy Year. We deduct the expense charge from this premium. We add the Endowment Benefit for the prior Policy Year. We deduct any portion of the prior Endowment Benefit used to repay policy debt on the Renewal Date. We deduct the one year term net single premium for the new Sum Insured. We divide the result by the net single premium for a one year pure endowment of one. The quotient is the Endowment Benefit at the end of the new Policy Year.

Minimum Renewal

We take the present value at the attained age of the Insured for an amount of whole life insurance equal to the Sum Insured for the new Policy Year. We subtract the Endowment Benefit at the end of the prior Policy Year. We add any policy debt repaid from that Endowment Benefit. We divide by the present value at the attained age of the Insured of a life annuity due of one minus the expense charge factor per year. The minimum renewal premium is the quotient, but not less than zero.

Reserves and Policy Values

The reserve is the amount of money which, according to our assumptions, must be held and invested to provide future benefits guaranteed under this policy. The policy value is the cash surrender value if there is no policy debt. Reserves and policy values are always computed using the assumptions stated under "Actuarial Assumptions" above.

We have filed a detailed statement of the method we use to calculate reserves, policy values and paid-up insurance benefits with the state where this policy is delivered. All these values and benefits are not less than those required by the laws of that state.

RE: Insured: Simon Bernstein
Policy Number: 1009208
Planned Periodic Premium: \$34,397.20
Total Amount Required to Continue Coverage: \$24,735.16

NOTICE OF POLICY GRACE PERIOD

Dear Simon Bernstein:

Your policy does not have sufficient value to pay the monthly deductions now past due and has entered its grace period. In order to keep your valuable coverage in force, remit your payment so that it is received at the address shown below on or before October 28, 2010, which is the end of your Grace Period. If payment is not received at the address shown below on or before October 28, 2010, your coverage will terminate effective October 28, 2010 unless your policy has a net cash value and provides for and coverage continues under any of the following: 1) a non-forfeiture option, 2) an option to discontinue premium payments, or 3) an automatic premium loan election. Common non-forfeiture options are the purchase of extended term insurance, the purchase of reduced paid-up insurance or you may surrender your policy for the net cash value. Refer to your policy for time limits and options available.

HERITAGE UNION LIFE INSURANCE COMPANY
PO Box 19099
Newark, NJ 07195-0099

If you are making your Planned Periodic Premium payments when billed, the amount and/or frequency is not sufficient to keep your coverage in force. In order to prevent this from happening in the future, we encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your Planned Periodic Premium is necessary.

If this policy should terminate, you may be eligible for reinstatement. The reinstatement of terminated coverage will require evidence of insurability, underwriting approval and payment of all past due premiums during the lifetime of the insured.

Dear Simon Bernstein:

Your policy does not have sufficient value to pay the monthly deductions now past due and has entered its grace period. In order to keep your valuable coverage in force, remit your payment so that it is received at the address shown below on or before December 01, 2011, which is the end of your Grace Period. If payment is not received at the address shown below on or before December 01, 2011, your coverage will terminate effective December 01, 2011 unless your policy has a net cash value and provides for and coverage continues under any of the following: 1) a nonforfeiture option, 2) an option to discontinue premium payments, or 3) an automatic premium loan election. Common nonforfeiture options are the purchase of extended term insurance, the purchase of reduced paid-up insurance or you may surrender your policy for the net cash value. Refer to your policy for time limits and options available.

HERITAGE UNION LIFE INSURANCE COMPANY
PO Box 371425
Pittsburgh, PA 15250-7425

If you are making your Planned Periodic Premium payments when billed, the amount and/or frequency is not sufficient to keep your coverage in force. In order to prevent this from happening in the future, we encourage you to review the terms of your policy and your Policyholder Statement each year to determine if and when an adjustment in your Planned Periodic Premium is necessary.

If this policy should terminate, you may be eligible for reinstatement. The reinstatement of terminated coverage will require evidence of insurability, underwriting approval and payment of all past due premiums during the lifetime of the insured.

Re: Policy: 1009208
Insured: SIMON BERNSTEIN

Dear SIMON BERNSTEIN,

In accordance with Illinois law, insurers are required to provide the following notice to owners of insurance policies that were issued in Illinois prior to June 1, 2011.

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 et seq. Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

If you have any questions, please call the Client Service Center at 800-825-0003, Monday through Friday from 7:30 AM to 4:30 PM Central Standard Time.

(State law will apply if it provides more protection than federal law.)
ANNUITY & LIFE REASSURANCE AMERICA, INC.

We are committed to keeping the non-public personal information ("NPI") we collect confidential and secure. We want to let you know how we protect your privacy. Our Privacy Policy applies to potential, current and former customers.

How do we protect your privacy?

- We restrict access to NPI to our employees who need it for their jobs.
- We use your NPI only as is necessary for us to provide insurance products and services.
- We require nonaffiliates that perform services for us to protect your NPI and not use it for any other purpose.

- We collect your health information only with your written authorization.
- We disclose your NPI only as permitted or required by law.
- We do not disclose your NPI to others for their own marketing purposes.
- We do not reveal your health, character, personal habits or reputation to anyone for marketing purposes.
- We maintain physical, electronic, and procedural safeguards to protect your NPI.

What information do we collect?

We need some NPI to determine if you are eligible for our products. Once a contract is issued, we typically only seek NPI when someone asks for more coverage or submits a claim. Some examples of what we may collect:

- Information about your policies with us (policy number, coverage, premium, and payment history).
- As you have authorized credit reports from consumer reporting agencies; driving records from the Bureau of Motor Vehicles; medical records from the Medical Information Bureau. (NPI obtained from insurance support organizations may be kept by them and disclosed to others.)

To whom do we disclose information?

We may share your NPI when you ask or authorize us to do so. Also, the law allows certain disclosures without your authorization. We may share some or all of your NPI with affiliates or nonaffiliates, as permitted or required by law. The law does not allow you to opt out of these disclosures. Examples of who we may share NPI with:

- Affiliates or nonaffiliates that market our products. These parties may include life and health insurers, insurance agents, and marketing firms. We may share your name, address, product purchased, and policy number for these purposes.

What are your rights?

- You have the right to know what NPI we have collected about you; this does not apply to NPI that relates to an actual or possible claim or civil or criminal action. You may ask us in writing to correct any NPI you believe is not correct.
- You may ask us in writing for a list of those to whom we have disclosed your medical records within the past two years.
- If we wish to disclose your NPI for reasons not allowed by law, we will ask for your written authorization. If you give it to us, you may revoke it at any time. Revocation is subject to the rights of anyone who acted in reliance of your authorization before it was revoked.

Comments: \$1,689,070.00 - Received letter and death cert with cause and manner on 12/26/12 from attorney advising that they are unable to locate the Simon Bernstein Irrevocable Insurance Trust dated Jun 1, 1995, Lasalle National Trust, N.A., trustee, the beneficiary of record, page 20 of source CPG. (A claim form was completed by Robert Spallina as Trustee?) However, indication is made that they know Shirley Bernstein was the initial beneficiary (now deceased) and the Bernstein children were the secondary beneficiaries. The attorney is offering to have the proceeds paid to the firm's Trust account so that distribution can be made to the five children. They have also offered an Agreement and Mutual Release be prepared from the children for Heritage Life.

- Total amount payable of \$10,000 or more may be placed in a KeepSafe Account in the beneficiary's name, giving you complete control and immediate access to all of your funds. See below for more information and State availability.
- Claims payable to a corporation, partnership, multiple trustees or estate will be paid by check.

CLAIMANT STATEMENT

KEEPSAFE ACCOUNT

The **KeepSafe Account** ("Account") is an interest bearing draft account set up in your name that provides immediate access to your funds. The draft account is like a checking account. The Account is designed to let your insurance benefit earn interest immediately and give you time to make the financial decisions that are best for you. The Northern Trust Bank administers the Account on Reassure America Life Insurance Company's ("Reassure") behalf and the funds supporting the Account are held within Reassure's general account.

- **Set-Up** - An information kit, draftbook (like a checkbook) and Supplemental Contract will be mailed to you. Payment of the total proceeds will be accomplished by delivery of the draftbook. Once the Account is established, no other settlement options are available.
- **Withdraws and Deposits** - You may withdraw funds at any time by writing a draft (like writing a check) for any amount from \$250 up to the entire amount, including interest, for any purpose you wish. Deposits cannot be made by you into the Account.
- **Fees** - There are no monthly services charges or draft fees and no penalties for withdrawal. You will be charged a fee of \$10 per draft for insufficient funds, \$15 for each stop payment order, and \$50 for a wire transfer request.
- **Minimum Balance** - The Account will be closed automatically if the balance drops below \$1,000. The balance in the account will be sent to you by a check at the end of the month in which it is closed.
- **Statements** - Each month you will receive a statement showing current account balance, withdrawals, interest credited, and any other account activity.
- **Interest Rates** - Your Account starts earning interest the day it is established. Interest is compounded daily and credited to the Account at the end of the month and is available for withdrawal on the day after it has been credited. Accounts will earn a minimum guaranteed interest rate of 0.5%. However, no interest will be credited to an Account with a balance below \$2,500 or if an Account becomes dormant and is subject to unclaimed property laws. Your interest rate is determined monthly by Reassure using the 1-month national average CD rate as published by the Wall Street Journal in the BankRate.com section the last Wednesday of each month. The current crediting rate is 0.5%.
- **Taxation** - Interest earned on the Account may be taxable. It is recommended you consult a tax advisor.
- **Account safety** - Your money in the Account is backed by the assets of Reassure. This Account is not guaranteed by the FDIC. However, your funds are guaranteed by State Guaranty Associations, subject to certain limitations. To learn more, contact the National Organization of Life & Health Insurance Guaranty Associations at 703-481-5206 or www.nolhga.com.
- **Inactive dormant accounts** - Lack of customer-generated activity on the Account for more than a specified period of time may force the Account to be considered abandoned and subject to be reported as unclaimed property to your state. Customer-generated activity is automatically accomplished when you write a draft or update information on the Account such as your address or beneficiary.
- **Questions** - For further information about the Account, please call 1-800-678-6227 Monday through Friday, 7:30 A.M. - 4:30 P.M. CST.

The KeepSafe Account is not available if you are a resident of or the policy was issued in Alaska, Arkansas, Connecticut, Florida, Indiana, Kansas, Kentucky, Louisiana, Maryland, New Hampshire, New Jersey, North Carolina, and Rhode Island.

**Re: Insured: Simon L. Bernstein
Contract No.: 1009208**

Dear Bree:

As per our earlier telephone conversation:

- We are unable to locate the Simon Bernstein Irrevocable Insurance Trust dated June 1, 1995, which we have spent much time searching for.
- Mrs. Shirley Bernstein was the initial beneficiary of the 1995 trust, but predeceased Mr. Bernstein.
- The Bernstein children are the secondary beneficiaries of the 1995 trust.
- We are submitting the Letters of Administration for the Estate of Simon Bernstein showing that we are the named Personal Representatives of the Estate.
- We would like to have the proceeds from the Heritage policy released to our firm's trust account so that we can make distributions amongst the five Bernstein children.
- If necessary, we will prepare for Heritage an Agreement and Mutual Release amongst all the children.
- We are enclosing the SS4 signed by Mr. Bernstein in 1995 to obtain the EIN number for the 1995 trust.

If you have any questions with regard to the foregoing, please do not hesitate to contact me.

Sincerely,

Robert L. Spallina/km
