

This peril does not include loss to property on the "residence premises" if the dwelling has been vacant for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered vacant.

9. **Theft**, including attempted theft and loss of property from a known place when it is likely that the property has been stolen.

This peril does not include loss caused by theft:

- a. Committed by an "insured";
- b. In or to a dwelling under construction, or of materials and supplies for use in the construction until the dwelling is finished and occupied; or
- c. From that part of a "residence premises" rented by an "insured" to other than an "insured".

This peril does not include loss caused by theft that occurs off the "residence premises" of:

- a. Property while at any other residence owned by, rented to, or occupied by an "insured", except while an "insured" is temporarily living there. Property of a student who is an "insured" is covered while at a residence away from home if the student has been there at any time during the 45 days immediately before the loss;
- b. Watercraft, and their furnishings, equipment and outboard engines or motors; or
- c. Trailers and campers.

This peril does not include loss caused by mysterious disappearance, meaning the vanishing of covered property that cannot be explained or that has been lost or misplaced.

10. **Falling objects.**

This peril does not include loss to the property contained in the building unless the roof or an outside wall of the building is first damaged by a falling object. Damage to the falling object itself is not included.

11. **Weight of ice, snow or sleet**, which causes damage to the property contained in the building.

This peril does not include loss caused by ice damming, meaning the formation of a ridge of ice on a roof which prevents melting snow or water from draining off the roof.

12. **Accidental discharge or overflow of water or steam** from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or from within a household appliance.

This peril does not include loss:

- a. To the system or appliance from which the water or steam escaped;
- b. Caused by or resulting from freezing except as provided in the peril of freezing below; or
- c. On the "residence premises" caused by accidental discharge or overflow which occurs away from the building where the "residence premises" is located.

In this peril, a plumbing system does not include a sump, sump pump or related equipment.

13. **Sudden and accidental tearing apart, cracking, burning or bulging** of a steam or hot water heating system, an air conditioning or automatic fire protective sprinkler system, or an appliance for heating water.

This peril does not include loss caused by or resulting from freezing except as provided in the peril of freezing below.

14. **Freezing** of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance.

This peril does not include loss on the "residence premises" while unoccupied, unless you have used reasonable care to:

- a. Maintain heat in the building; or
- b. Shut off the water supply and drain the system and appliances of water.

15. **Sudden and accidental damage from artificially generated electrical current.**

This peril does not include loss to tubes, transistors, electronic components or circuitry that are a part of appliances, fixtures, computers, home entertainment units or any other types of electronic apparatus.

16. **Volcanic eruption** other than loss caused by earthquake, land shock waves or tremors.

SECTION I – EXCLUSIONS

We do not insure for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss.

3. **Water Damage**, meaning:

- a. Flood, surface water, waves, tidal water, overflow of a body of water, or spray from any of these, whether or not driven by wind;
