

Dear Britney,

LoveLove!

I need your help as my adult children were conscripted into a guardianship for Minors, when they were Adults. As such, there was no need to determine as Adults that they were legally incompetent because they were being treated as Minors and did not need to have doctors nor anyone declare them incompetent to put them in a legal guardianship. SO, basically as Adults they had no legal rights, which were KIDNAPPED from them, as declared Minors when in FACT they were Adults.

Much like your situation, rights were stripped from them and trusts and assets they owned were stolen through this illegal Guardianship, where the Guardianship was wholly fraudulent as they were not minors and due the rights of adults and were stripped of those rights, similar to the forced sterilization of your reproductive rights you were stripped of through your Predatory Guardianship. Now that we are fighting to expose the crimes by judges, lawyers, and guardians they are misusing the courts and retaliating on those who are whistleblowing on these BLACK ROBE crimes. In fact, through dead people, dead for over two years who are filing motions that are being heard in the FL courts to try and steal my children's home they bought and force us to the streets to silence our efforts.

Many years ago in the early 2000's, you did a favor for me by having a representative of Warner Bros./AOL through Ted Leonis' friend, Chuck Brunelas, sit through a several hour rehearsal with his family to help me obtain funding of my revolutionary technologies that you can learn about @ www.iviewit.tv (<http://www.iviewit.tv/>), his daughter was ecstatic. That favor was obtained through my friends at Rock It Cargo, David Bernstein, Andrew Dietz and Barry Becker who were shareholders in my leading-edge technologies, which in the end, the streaming video invention helped free you of this guardianship scheme against you as you will learn. Ellen DeGeneres said at the time of the inventions that were claimed to be the Holy Grail of Digital Video/Audio and Imaging and have changed the world profoundly @ <https://www.youtube.com/watch?v=2xfjK4VvhzQ> that everyone should use the inventions and now they do. You just know the technology as YouTube and Video/Audio Streaming but never have you heard of me as the inventor due to the theft of my technologies by my attorneys and judges, some who are involved in the Guardianship racket, who also put a bomb in my families car to try and stop me exposing them.

I just finished in a pool of tears the Nancy Grace expose on your torturous guardianship that lasted 13 years. If you watched the Fox Nation Nancy Grace expose @ <https://nation.foxnews.com/trapped-a-nancy-grace-investigation-nation/> (<https://nation.foxnews.com/trapped-a-nancy-grace-investigation-nation/>) you will note at the end that several people worked with you to help get this piece produced, including,

1. Hillary Hogue
2. Sam Sugar

3. Rey Contreras
4. Beverly Newman/Al Katz
5. Lesa Martino

All those people and many more worked with me over the last several years to expose nationwide how guardianships are being used to kill people and steal their assets, with judges, lawyers, guardians, and others committing and aiding and abetting this real-life HORROR show.

My sons' cases (see UNIVESTIGATED FL Sheriff Reports transferred to the Public Integrity Unit that has done NOTHING since August of this year

<http://iviewit.tv/Simon%20and%20Shirley%20Estate/20221220%20CORRECTED%20EIB%20FINAL%20W%20EXHIBITS%20Anthony%20Palmieri%20Inspector%20General%20Letter%20re%20ILLEGAL%20Guardianship%20of%20Joshua%20Jacob%20by%20Guardian%20Diana%20Lewis%20et%20al%20l.pdf>) and yours are similar in that they involve young people being conscripted

into this macabre scene only because they are tied into millions, if not billions of dollars of royalties or inheritances that their lawyers, in cahoots with family members and judges and guardians, often want to steal from the inventors/songwriters/singers, etc... As you may know the grandson of Walt Disney, Bradford Lund, was also illegally put into guardianship, famed artist Peter Max too and this estate/trust/guardianship racket also has stolen most of the Tom Carvel Ice Cream fortune, the Brooke Astor estate and thousands of lesser-known names. Their monies are funneled through the Guardianship hellholes and laundered to benefit attorneys, judges, etc. to achieve this sick and wrong redistribution of wealth from those who have earned it, converting it to those who have not. It has been called "star whacking" or "inventor whacking" for years and it is becoming a very real horror for those like you who can be destroyed and robbed of your life's earnings in just a few years, and it is much worse for the common man who goes through this. (See, <https://www.cbsnews.com/news/andy-quaid-star-whackers-got-me/> and add to the list Michael, Whitney and family, Anna Nicole, Lennon, Cobain, etc.)

Britney, once I learned from a friend that you were in Guardianship, I contacted many of my friends who love you for many years, including those mentioned above and those credited by Nancy Grace and I am happy that in lickity split time they and the world supported your cause and were able to free you. We are working to free many across the nation caught in this for-profit guardianship scam and I am reaching out to you to get you to help me force prosecution of all those involved. Not just the guardians but the judges and lawyers who have lost all ethics in pursuit of stealing yours, mine, and other purses. I am begging you on behalf of all those still stuck in these hell holes to help me force law enforcement to do the right thing and stop enabling these criminals (just like with the Epstein victims who were denied any prosecutorial help) and now arrest these judges, lawyers, guardians etc. who are involved. This is a Trillion dollar plus criminal enterprise and can only be stopped by BRAVE ANGELIC SOULS like you and Nancy Grace, Hillary Hogue, Sam Sugar, Rick Black, John Pacenti, and many others. See, <https://www.reuters.com/investigates/special-report/usa-judges-misconduct/>

I would like to speak with you or meet with you along with my better half, wife Candy, ASAP to start working together to not only expose but free many victims I have come across over 20 years who are still imprisoned. Almost all those victims mentioned in your Nancy Grace piece, ie, Al Katz, Beverly Newman, Lesa Martino, Chris (Gonsalves) Anthony and many more I have worked with over the years to shine the light on this darkness. I believe in LOVE LOVE and we can kill and cure this disease on our legal system and unite through LIGHT and LOVE to stop those that are filled with HATE HATE who are doing this. I know how hard it is when those you love as family are involved as my children's story tells and yours and we can be front line soldiers in this battle of right and VERY VERY WRONG, so that no other families are blown apart.

We need to start yelling at the top of our lungs from the highest peaks for our government officials to stop hiding their heads in the sand on these cases and I could not think of more beautiful voice than yours to lead that choir. Please give this some serious thought as your breath could breathe life into many who are being sucked dry of life and feel that there is no way out. I think a Britney led Charitable Organization to free those who have no voices or legal rights could be very effective and save many families and I avail myself to any efforts you may undertake.

LoveLove,
