

designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and issue, as such beneficiary may appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such Trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. For purposes of funding any pecuniary payment to which there is allocated any GST exemption, such payment shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this paragraph which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution or otherwise or is not reasonably available. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

**B. Individual Retirement Accounts.** In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

**C. Gift Transfers Made From Trust During My Lifetime.** I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

**D. Gifts.** If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).
