Wonch, Theresa

Hi everyone, I would like to help whoever is collecting stories and working together to end judicial abuse of the elderly.

khoo490@aol.com

I'm the director of G.R.A.D.E.
<http://www.guardianshipreform.org/> The mission of G.R.A.D.E. is to assist advocates around the country to affect guardian reform at the state level. We don't tell you what to. We don't ask that you approach your lawmaker under the G.R.A.D.E. banner (although you can if you want to) We ask what you need to make contact with a law makers and give you information that allows you to do that.

Please think about how powerful we could become if we were all using each others knowledge to get the job done.
