**Effective January 1, 2018, Illinois Requires Electronic Filing of All Court Cases**

E-filing is already in place in most Illinois counties, with the rest joining them soon. The partnership between industry leaders ATG LegalServe and File & ServeXpress means more efficiency and cost savings for law firms and courts. Illinois filers can now access both the process services of **ATG LegalServe** (a subsidiary of ATG) and the electronic filing service (**File & Serve Illinois**) of **File & ServeXpress**, which are connected seamlessly through either company's website.

Look for the File & ServeXpress logo in the **Services** section of the **ATG LegalServe** website:
