“The work of the Communications Committee is focused on the creation, development and execution of various communication vehicles to generate interest and foster understanding of the title industry in Illinois. This includes the enhancement of ILTA’s role as a primary source of important, current, and relevant information relating to matters affecting title and escrow businesses in this State. The principal goal of the Committee’s efforts is to support the existing membership and encourage enrollment of new members into the Association. In addition, the Committee also works to strengthen public perception and consumer awareness of the industry.”

## EDUCATION

**Linda Grahovec, NTP,  
ITP, IEP**

Education Committee Chair

“The ILTA Education Committee believes that the education and training of title insurance professionals is not only central to ILTA’s role as an association, but essential to long-term professional excellence in the title insurance industry.” To this end, the Education Committee fosters a culture of learning by providing opportunities and resources through assorted

media, that:

- Contribute to the continuing education and training of title agents, attorneys, escrow officers, title officers, and
- Facilitate the education and training of real estate transaction professionals who wish to pursue excellence in the title insurance industry.

## FINANCE

---

“The mission of the finance committee is to maintain a watchfulness over the operational budget of the association and in concert with the Treasurer assure the sound investment of the Association’s reserves.”
