In order for to e-file documents with the court, one must have a registered Pacer.gov account.
When an attorney gives documents such as the Complaint, Civil Cover Sheet, etc or does not completed the mandated steps to e-file the Complaint. The case was only ENTERED and was never FILED.

In addition a tax-payer paid court clerk cannot get an attorney's username and password and file documents on their behalf. Hence again that is why these documents are only ENTERED and not FILED.
