

The following was written by Ben Gates in reference to attorneys and Bar Associations The "STATE BAR" CARD IS NOT A LICENSE!!! It is a "UNION DUES CARD." The "BAR" is a "PROFESSIONAL ASSOCIATION"; 1. like the Actors' Union, Painters' Union, etc. 2. No other association, EVEN DOCTORS, issue their own license.

ALL ARE ISSUED BY THE STATE. 3. The State Bar is a NON-GOVERNMENTAL PRIVATE ASSOCIATION - and dues must be current to sustain membership. It is quite simple to see that a great fraud and conspiracy has been perpetrated on the people of America. The American Bar is an offshoot from London Lawyers' Guild and was established by people with invasive monopolistic goals in mind. In 1909 they incorporated this TRAITOROUS group in the state of Illinois and had the State Legislature (which was under the control of lawyers) pass an unconstitutional law that only members of this powerful union of lawyers, called the AMERICAN BAR ASSOCIATION, THE ABA FOR SHORT, could practice law and hold all the key positions in law enforcement and the making of laws.

At that time, Illinois became an outlaw state and for all practical purposes, they seceded from the United States of America. The BAR ASSOCIATION then sent organizers to all the other states and explained to the lawyers there how much more profitable and secure it would be for them, as lawyers, to join this union and be protected by its bylaws and cannons. They issued to the lawyers in each state a charter

from the Illinois organization. California joined in 1927 and a few reluctant states and their lawyers waited until the 1930's to join when the treasonous act became DE FACTO and the Citizen's became captives.

Under this system, the lawyers could guarantee prejudged decisions for the privileged class against the lower class. This was all made possible by the AMERICAN BAR ASSOCIATION to favor the right and have unlawfully substituted them in place of Constitutional Laws.

The Constitution was written in plain English and the Statutes passed by Congress were also in plain English, with the intent of Congress how each law should be used and not the opinions of various Judges as the codes list.

Any normal person can read the Constitution and Statutes and understand them without any trouble.

The public in California was shocked to learn that the State Government has no control or jurisdiction over the Bar Association or its members. The state does not accredit the law schools or hold Bar examinations. They do not issue state licenses to LAWYERS.

The Bar Association accredits all the law schools, holds their private examinations and selects the students they will accept in their organization and issues them so-called license but keeps the fees for themselves. The Bar is the only one that

can punish or disbar a Lawyer.

Now there are a few law abiding attorneys. The problem is if an attorney does not engage in criminal activities they will be quote unquote be disbarred from a NON-GOVERNMENTAL PRIVATE BAR ASSOCIATION.

Put another way that is like saying that I can no longer be an electrician to support myself and or my family because the electrical union decided to ban me from its union.

The foregoing reasons are why attorneys should only be required to pass a state exam and why no BAR association should control them.
